President Donald Trump may go to jail

By: Tin Win
Email: tw853@yahoo.com

Président Donald Trump, 14/Jun/1946, 10:54 AM, hr 5 west, Jamaica, New York, USA, 40N41, 73W48, KP Ayanamsa 23° 1' 10", Bal. Dasa: Mercury 2 Y, 3 M, 23 D.

KP Rule for Imprisonment

For imprisonment, judge the 12th cusp and find out whether the following three conditions are simultaneously satisfied:-

1) The sub lord of 12th cusp should be Rahu:
2) It should not be deposited in the constellation whose lord is retrograde, and
3) It should be a significator of either 2nd or 3rd or 8th or 12th house.

If any of these three conditions is not satisfied, one will not be imprisoned. For imprisonment all the above conditions must necessarily be satisfied simultaneously.

Source: KP Reader II: Horary Astrology, pp 313-4

Notes:

1) 2nd rule of retrogression is for horary analysis only.
2) 3rd rule is not practically valid as only 19 out of 100 prisoner charts under study have Rahu as 12th cuspal sub lord. One can go to jail without having Rahu as 12th CSL.
3) 2nd house= negative effect on family; 3rd = leaving residence;
4) 8th = restriction; 12th = jail.

-8),+3,9 - -> 2-3-8-12. (+ planet having no planet in its stars,)
So imprisonment is indicated by the 12th CSL Ve.

Vedic view for imprisonment by U Bo Thein
Imprisonment is indicated if 2,3,8, 12 houses
and their lords are inflicted by malefic.
Here Malefic Saturn aspects 8L Jupiter in H2.
3L Venus is conjunct with Saturn in H12.
Malefic Mars aspects H8 by 8thaspect.
Rahu becomes malefic by conjunction with Sun.
This Rahu aspects 12L Moon and 8L Jupitter.
So imprisonment is indicated in Trump's charts.

Currently Trump is running joint Dasa-Bhukti of Jupiter- Saturn (25-Nov-2018 to 8-Jun-2021)
Ju(2, 5-9) is in the star of Ma(12,4) and in sub of Ra(10), Conj Su+(10,1,2), Aspt by Ju (2,5,9), Sgl Ve+(11,10),+6,12 - -> 2-12
Sa+(11,6-7-8),+3,9 is in the star of Ju(2,5-9) and in sub of Ma(12,4) à
2-3-8-12
So Trump may go to prison before the end of Saturn Bhukti, i.e. 8-Jun-2021.

Transit Saturn in H6 (litigation) aspects H8, 6L Sat, 3L Venus and Pluto (collapse & obliteration) in H12.
Saturn plays a crucial role in indication, dasa and transit for imprisonment.

Good luck!

Question: Will BJP and alliance (NDA) win this election?
Number. 141 (out of 249)
Date of Judgment: 30-09-2020, Wednesday; Time of Judgment: 15:03:31 PM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00' 45", 72° E 36' 01"
Aynamsha 24^0.03".23"

Hint:
If 10th (one's position in politics) cusp lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) during the joint period of the significators of 3-10-11, then success is assured.

Cuspal Sub lord for BJP and alliance (NDA):
10th Cusp (Virgo 17^0.01'.29"): The sub lord of the 10th cusp is Saturn. Saturn is in the star of Sun and sub of Jupiter. Saturn is occupant of 1 owner of 2-3. No planet in the star of Saturn and Saturn is CSL of 10. Star lord Sun is occupant and owner of 9. Sub lord Jupiter is occupant of 1, owner of 1-4. Thus 10th cusp sub lord Saturn is the significator of 1-2-3-10-9-4. Hence, the wining in election is sure.

Cuspal Sub lord for opponent:
10th Cusp (Pisces 17^0.01'.29"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Rahu and sub of Jupiter. Mercury is occupant of 4 owner of 1-4. Star lord Rahu is occupant of 12. Rahu is in Taurus sign, hence represent Venus. Venus is occupant 2, owner of 5-12. Sub lord Jupiter is occupant of 7, owner of 7-10. Thus 10th cusp sub lord Mercury is the significator of 4-1-12-2-5-7-10. Hence, the wining in election is sure.

Joint period for BJP and alliance (NDA):
On the day of election, (28th October 2020) the running joint period dasa is Jupiter-Ketu-Mercury-Moon.

Dasa lord Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 1 owner of 1-4. Star lord Venus is occupant of 8 owner of 6-11. Sub lord Saturn is occupant of 1 owner of 2-3. No planet in the star of Saturn and Saturn is CSL of 10. Thus dasa lord Jupiter is the significator of 1-4-8-6-11-2-3-10. Hence, the wining in election is sure.

Bhukti lord Ketu is in the star of Mercury and sub of Saturn. Ketu is occupant of 12. Ketu is aspected by Mars. Mars is occupant of 4 owner of 5-12. Star lord Mercury is occupant of 10, owner of 7-10. Sub lord Saturn is occupant of 1 owner of 2-3. No planet in the star of Saturn and Saturn is CSL of 10. Thus bhukti lord Ketu is the significator of 12-4-5-10-7-1-2-3. Hence, the wining in election is sure.

Antra lord Mercury is in the star of Rahu and sub of Jupiter. Mercury is occupant of 10 owner of 7-10. Star lord Rahu is occupant of 6. Rahu is in Taurus sign, hence represent Venus. Venus is occupant 8, owner of 6-11. Sub lord Jupiter is occupant of 1, owner of 1-4. Thus antra lord Mercury is the significator of 10-7-6-8-11-1-4. Hence, the wining in election is sure.

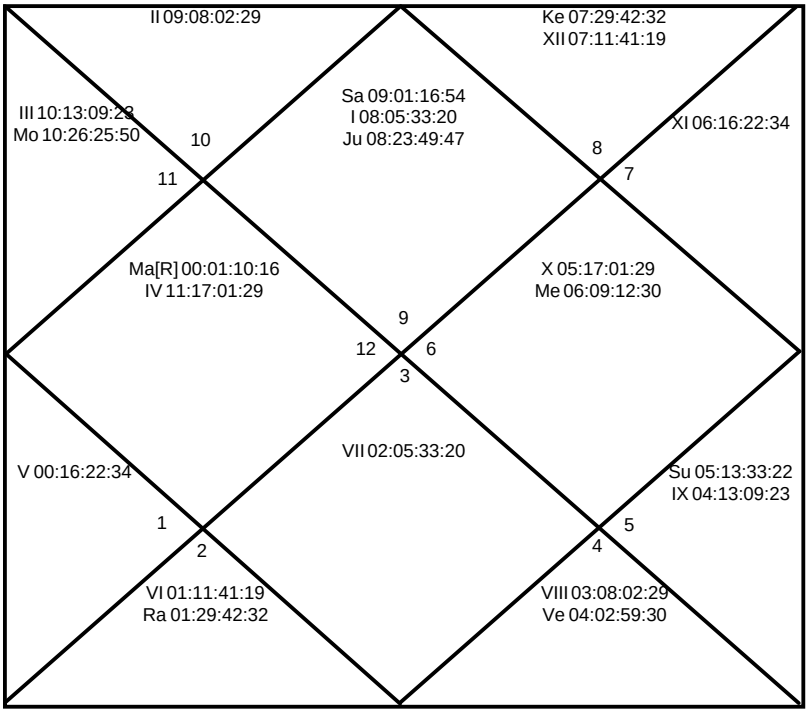

Sookshma lord Moon is in the star of Jupiter and sub of Ketu. Moon is occupant of 3 owner of 8. Star lord Jupiter is occupant of 1, owner of 1-4. Sub lord Ketu is occupant of 12. Ketu

is aspected by Mars. Mars is occupant of 4 owner of 5-12. Thus Sookshma dasa lord Moon is the significator of 3-8-1-4-12-5. Hence, the wining in election is sure.

Joint period for Opponent:

On the day of election, (28th October 2020) the running joint period dasa is Jupiter-Ketu-Mercury-Moon.

Dasa lord Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 7, owner of 7-10. Star lord Venus is occupant of 2 owner of 5-12. Sub lord Saturn is occupant of 7 owner of 8-9. No planet in the star of Saturn and Saturn is CSL of 4. Thus dasa lord Jupiter is the significator of 7-10-2-5-12-8-9-4. Hence, the wining in election is sure.

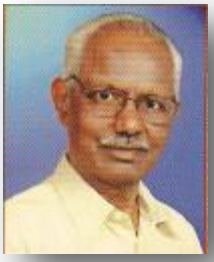

Bhukti lord Ketu is in the star of Mercury and sub of Saturn. Ketu is occupant of 6. Ketu is aspected by Mars. Mars is occupant of 10 owner of 6-11. Star lord Mercury is occupant of 4, owner of 1-4. Sub lord Saturn is occupant of 7 owner of 8-9. No planet in the star of Saturn and Saturn is CSL of 4. Thus bhukti lord Ketu is the significator of 6-10-11-4-1-7-8-9. Hence, the wining in election is sure.

Antra lord Mercury is in the star of Rahu and sub of Jupiter. Mercury is occupant of 4 owner of 1-4. Star lord Rahu is occupant of 12. Rahu is in Taurus sign, hence represent Venus. Venus is occupant 2, owner of 5-12. Sub lord Jupiter is occupant of 7, owner of 7-10. Thus antra lord Mercury is the significator of 1-4-12-2-5-7-10. Hence, the wining in election is sure.

Sookshma lord Moon is in the star of Jupiter and sub of Ketu. Moon is occupant of 9 owner of 2. Star lord Jupiter is occupant of 7, owner of 7-10. Sub lord Ketu is occupant of 6. Ketu is aspected by Mars. Mars is occupant of 10 owner of 6-11. Thus Sookshma dasa lord Moon is the significator of 9-2-7-10-6-11. Hence, the wining in election is sure.

My opinion: 10th cusp sublord for BJP and alliance (NDA) is significator of houses 3-10 and for opponent 3 only. For joint period dasa lord for BJP and alliance (NDA) indicates 3-10-11 and for opponent only 10. Thus BJP and alliance (NDA) will win this election.

Self horary analysis on the possibilities of my daughter getting a house on rental basis

Very recently, my daughter from London telephoned and said that her house owner has given a notice for vacating the present rented house by giving an official notice. Due to this exigency, she has started searching for a rented house and was a bit worried about the availability due to existing conditions prevailed due to Corona pandemic.
Naturally, as a father, I took her call seriously, and on 04-OCT-2020 @02-28-44 P.M, I sat at my table and took a horary number at 162 at random, by opening an astrology book lying on my table, with a serious intention to arrive at the outcome of her efforts in securing a rented house. The horary chart for the number 162 has been erected

Ruling Planets arrived at the time of Judgment (@02-28-44 P.M on 04-10-2020) are ---
ASC. –SAT-MOON-JUP/ MOON RASI---MARS-VENUS-VENUS./ DAYORD—SUN.
NOTE- Rahu is in Venus sign-Taurus and Rahu represents Venus. So take Rahu in place of Venus.
Kethu represents Mars so take Kethu instead of Mars.
Saturn aspects Mercury by its 10th aspect and take Mercury also.

Effective RPs are- JUP-MOON-SATURN-VENUS-RAHU-KETHU-SUN-MERCURY.

K P rule on “to take property on a rental basis”
If the 4th cusp sub lord signifies 4-6-11-10-12, the native takes a property on rent during the conjoined period of the significations of 4-6-11-10-12 houses. (Kanak Ji in his book ”Easy way to learn KP” page No. 24). (4-house, 6-for rent,10-(4th from 7th) –the owner of the house, 11- fulfilment of desire, 12- expenditure involved in the process of getting a house for rent like advance, agent’s commission etc.)

Before proceeding further on the subject let me check up whether the event of getting a house for rent is promised or not.
11th house speaks of the fulfilment of one’s desire.
Here as per the chart 11th cusp sub-lord is Mercury signifies @STL (Rahu) 7-8-11 and @SBL (Mercury) 8-11. So the event is promised. 8th indicates that there may be some problems in the process of getting the house on rent.

As per the horary chart
4th cusp Sublord is Sun lord of 10 is in 10. Sun is placed in the star of Moon lord of 9 is in 5 and the sub of Saturn lord of 3 and 4 is in 2nd. Thus Sun the 4th cusp sub-lord signifies @STL 5-9-10 and @10 SBL 2-3-4.
So this indicates that the event is promised.

Significations of the houses 4-6-10-11-12

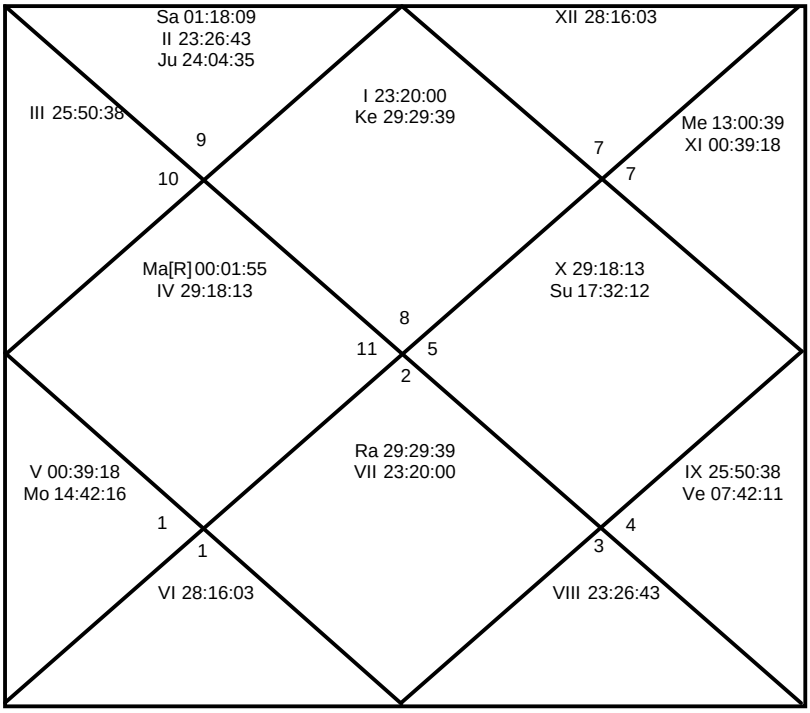

4=SUN-RAHU-KETHU-SAT.
6=RAHU-MARS.
10=SATURN-SUN.
11=MERCURY-JUP-KETHU-MON-VENUS.

Effective RPs are- JUP-MOON-SATURN-VENUS-RAHU-KETHU--SUN-MERCURY.
Note- Saturn aspects 4th cusp by its 3rd aspect and 11th by 10th aspect (within one-degree orb) causes the delay in fructification of the event.

Period analysis
Venus Das runs up to 2038 and Venus signifies @STL 11-12 and @SBL 4.

Venus Bhukti runs from 14-09-2018 to 14-01-2022. Since Venus has appeared twice in the RPs and it is strong is taken as BL also.

Jupiter Anthara period runs from 25-05-2020 to 03-11-2020, and Jupiter signifies @STL 6 and @SBL 4.

Sun transits in Venus sign-Libra DL and BL on Mars (6) star from 17/10 to 23/10 agrees.

Rahu Sookshma period runs from 10-10-2020 to 03-11-2020, signifies @STL 6 and @SBL 4.
So I feel that my daughter should secure a house on rent during the said period.
Now that I have arrived at the duration of the fructification of the event, I have to check the day/date with the help of Sun's transit by taking the Sub and Sub-Sub-lords.
So far from our RPs I have taken Venus as DL and BL, Jupiter as AL, Mars for transit and Rahu as SL and I am left with Venus--Saturn-Moon-Mars- Sun-Kethu and Mercury as our RPs.(Venus has reflected twice in our RPs)
Let me check up the Sun's transit during the said period from 10-10-2020 to 03-11-2020.

On 10 Oct 2020 Sun will be transiting in Virgo-Mercury- on Moon star- Sun sub- Saturn sub -sub, and due to PP Dosha, I feel it will not happen at the first instance.
From 11 Oct 2020 to 16-10-2020, Sun will be transiting in Mercury sign-Virgo on Mars star which is in our RPs. And on Rahu sub-lord up to 13/10 (rejected as Rahu is already taken as Sookshma lord).

On 16-10-2020 Sun will be transiting in Virgo sign-Mercury SGL, on Mars STL, on Saturn SBL and Sun as SSBL. All are in our RPs and also significators of our relevant houses.

Hence I feel that the event is expected to get materialized on 16-10-2020.

On 16-10-2020, Moon will be transiting in Virgo sign-Mercury, on Moon star, Kethu sub and Kethu sub-sub lord and agrees.

Query : Will Sri.Trump retain his present position and come into power again after Nov.3rd.2020 ?
Date of Judgement : According to Sharvari New Year in USA that is 24.03.2020
Time of Judgement : Sharvari New Year time 05.28AM
Place of Judgement : Washington- Dist of Columbia- USA. 38.54 N 77.02 W.

Election Rule in KP according to Sri. Kanak Kumar B. Bosmia
If the cuspal sublord of 10th house signifies 3-10-11, then one can win any election.
On the other hand original KP horary rule:
Election winning for Ruling party / Querist: if the 6th cusp sublord is a significator of 6th and 11th not signifying 5 and 12 then Ruling party / Querist will win.
But if 7th cusp sublord (Cusp of the opponent) is a significator of 5 and 12 without signifying 6 and 11 then opponent will win.

We would examine the above rule as well as original rule to find out fate of 2020 US presidential elections for through Hindu New Year Chart of USA.
In the Hindu New Year Chart of USA the 10th, 3rd, and 11th cusp of ruling government (Trump) (Actual 10th cusp of the chart Bhavath Bhavam) 7, 12 and 8 cusps respectively.
whereas opposition (Actual 4th Cusp Bhavat Bhavam) the winning cusps of 10-3-11 would be 1-6-2 cusps respectively.

For Trump Government
7th cusp (Cancer 29.37.54): 7th cusp sublord is Saturn.
Saturn is in the star of Sun and sub of Mercury.
Saturn is occupant of 12 (near to 1) owns 1.
Star lord Sun is occupant of 1; sub lord Mercury is occupant of 1 owns 5-6 and 8.
So 7th cusp Saturn signifies 1-5-6-7-8-12.
Winning is not sure.

12th Cusp (Sagittarius 29.04.17): 12th cusp is Mars.
Mars is in the star of Sun and sub of Jupiter.
Mars is occupant of 12 owns 3 and 10. Star lord Sun is occupant of 1. Sublord Jupiter is occupant of 12 owns 2 and 11. Jupiter is in positional status. Jupiter is CSLL of 2-3-4-9-10.
So 12th cusp Mars signifies 1-2-3-4-9-10-11-12.

8th cusp is Saturn. Already explained.

For opponent:
Ascendant sub (Capricorn 29.37.54): 1st cusp sublord is Saturn.
Saturn is explained above.
Saturn signifies 1-5-6-7-8-12.
Winning is sure for opponent.

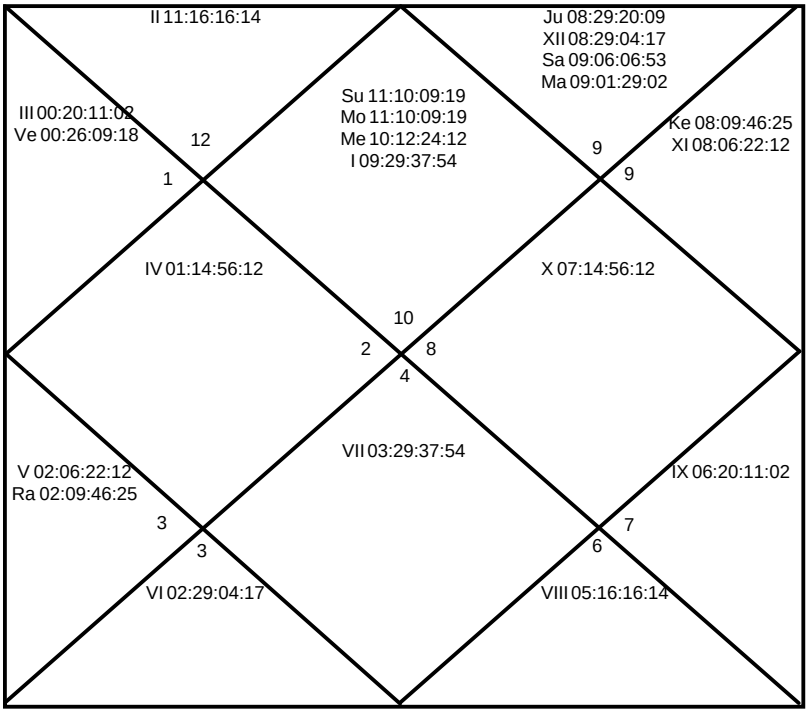

2nd Cusp (Pisces 16.16.14): 2nd cusp sub lord is Jupiter.
Jupiter is in the star of Sun and sub of Rahu.
Jupiter is in positional status. Jupiter is CSL of 2-3-4-9-10.
Jupiter is occupant of 12 owns 2 and 11-12. Star lord Sun is occupant of 1. Sub lord Rahu is occupant of 5.

So 2nd cusp sublord Jupiter signifies 1-2-3-4-5-9-10-11-12.

6th Cusp (Gemini 29.04.17): 6th cusp sublord is Sun.
Sunis in the star of Saturn and sub of Venus.
Sun is in positional status and Sun is the CSL of 6.
Sun is occupant of 1. Star lord Saturn is occupant of 12 owns 1. Sub lord Venus is occupant of 3 owns 4 and 9.
So 6th cusp sublord signifies 1-3-4-6-9-12.
So opponent is winning for sure.

Coming to DBAS Saturn - Sun - Jupiter - Saturn 29.10.2020 to 5.11.2020.
What are the cusps explained has came to DBAS.
Hence DBAS clearly shows that opponent will win.

This prediction is given with the blessings of "Lord Magaganapathi" and Sri.Late K.S .Krishna Murthy who is founder of K.P. System and also my Guruji Sri. M.R.Prasad.

This is a chart of a doctor and his birth particulars are as under:
DOB: 24-08-1977 TOB : 01.24.28 am POB: Nellore (Long:80-2'E, Lat:14-27'N).
The mother-in-law of the native informed that the native has lost his father in February, 2020. The native has also met with an accident in July, 2020. In the light of these incidents the mother-in law of the native thinking that the bad period is running to the native and she would like to know the impending problems if any in the near future. The chart shows the birth star as Moola with an ascendant Gemini. As the chart reflects these incidents no time correction is required.

As the querent has not mentioned any specific event , we may look into the DBA running on the date of judgment on 4th August 2020. The DBA running currently is Mars-Mars-Moon .

Ma(1, 6), in the star of Ma(1, 6), in the sub of Me(4, 1-2-5).
Mars Dasa lord is in 12 (near to 1st) lord of 6 indicates health problems.

Hence we may examine the 6th cusp to confirm the matter. The 6th cuspal sub Lord is Rahu in 4. Rahu represents Mercury being in Virgo sign. Mercury is in 4, Lord of 1,2,5. Rahu is in the star and sub of mars. So Rahu signifies 1,2,4,5,6,12.

Rahu is also 8th cuspal sublord. The 12th cuspal sublord Jupiter is in the sub of rahu. As Rahu is connected to 1,6,8,12 the native may face serious health problems requiring hospitalisation.

The significators of health problems are as follows :

Cusp	A	B	C	D	
1	Ven	Jup	Sat ket		Mer
6	--	Moo	Mar, rah	Mar	
8	--	--	Ven	Jup	
12	Mar, Rah	Mar	--	Ven	

Dasa lord and Bhukti lord Mars is in 12 (near to 1st), lord of 6, is in it's own star and sub of Mercury in 4 lord of 1,2,5 . Mars is conjoined with jupiter in 1, lord of 7,8,11. Thus Mars signifies 1,6,8,12 indicating serious health problems.

The anthra lord Moon is in 6 lord of 3 in the star of Ketu in 10 and sub of Venus. Ketu represents Jupiter (1,7,8,11) being in the sign of Pisces. Venus the sublord is in 2 lord of 12. Thus moon anthara Lord also signifies 1,6,8,12 supporting the Dasalord for creation of health problems of serious nature.

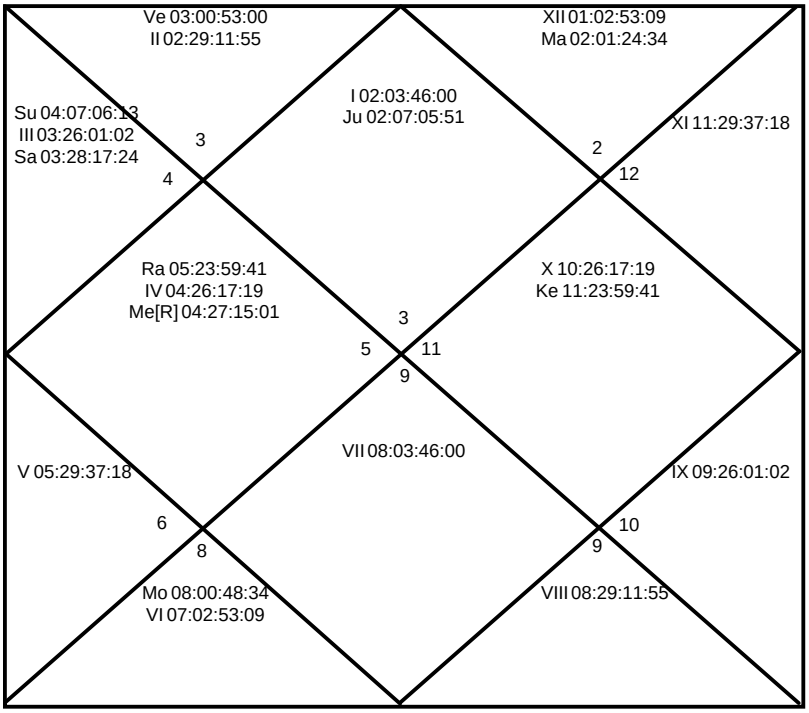

As Mars is a karaka for acute infectious diseases so the native would have contracted with some virus of serious nature during its period.

It is learnt that the native is hospitalised with coved-19. As the 6th CSL Rahu and DBA lords signified 5,11 there is no life threat.

One day mother and her daughter came to my office with grief about her daughter's marriage. So many proposals are coming but one cannot agree for marriage proposal. She asked so many Vedic astrologers and done, so many remedies but her daughter marriage is not confirmed. Mother asked me whether her daughter's marriage will celebrated or she will become sage. Mother gives her daughter's birth details as follow:

Name: Amurtha (Name changed). Date of birth 28/07/1994 at 7.30 PM at Adoni, Kurnool. Andhra Pradesh.
K P rule say that if 7th cusp sub lord is significator of 2, 7 or 11 marriage is promised. And marriage would take place during conjoined dasaperiod of the significations of 2, 7, and 11.
In this native's horoscope 7th cups sub lord is Moon. Moon is in the star of Mercury and sub lord of Venus. Moon is in 2, and lord of 7. Sub lord Venus is natural karaka of marriage. Venus is in its own star PUBBA in Leo sign, and aspects to ascendant. So I told her, your daughter marriage will be celebrated during the period from 10 October 2020 to 30th October 2020.

Present running dasa:
Venus dasa- Mars Bhukti- Ketu Antra dasa is up to 14-10-2020.
Venus dasa: Venus is in his own star, in 7, lord of 4, 5, and 9. Sub lord Mercury in 6, lord of 6. Venus is also natural karaka for marriage. So Venus definitely performs marriage in its dasa period.
Mars Bhukti: Mars is in 4, lord of 3,10,11 in its own star and sub. So Mars will full fill the native's desire.
Ketu Antra: Ketu is in the star of Venus and sub of own. Ketu is in 3. Ketu is agent of Saturn. Saturn is in 1, lord of 1-2. Star lord Venus is natural karaka for marriage. Thus marriage is possible.
Date of marriage is fixed on 30/10/2020.
At the time of marriage Venus Dasa- Mars Bhukti and Venus Antra is rummimg.

SIGNIFICATORS FOR MARRIGE :

2	—	Moon	Sun	Saturn(R)
7	—	—	—	Moon
11	—	—	Mars	Mars

The Legend singer S.P. Balasubrahmanyam was hospitalized on 5-8-2020 due to attack of covid 19. A time chart was erected on 14.08.2020 at 6.13 pm in Hyderabad to know what will happen to him The time chart shows ascendant as Capricorn.

Moon in the star of Mars signifies 6 and 7 and Badhaka; it indicates the native is suffering with disease of serious nature.
6th house deals with disease. The 6th cuspal sub lord is Saturn in 12 lord of 1,2. Saturn is aspected by 6th lord Mercury in 7 and also by the 8th lord Sun in 7. Saturn, having no planets in its stars, is in the star of Sun and in the sub of Jupiter. The star lord Sun is in 7 lord of 8 and sub lord Jupiter is in 12 lord of 12. Saturn signifies 1, 2, 12, 6, 7, 8 and indicates danger to the life of the native.
Now we will examine the lagna sub lord Venus. Venus is aspected by bhadaka lord Mars (11) and conjoined with malefic Rahu and Maraka lord Moon (2). Hence Venus becomes evil to the lagna of the native. The evil Venus occupied 5th house and spoiled the matters of 5th house. As Venus is connected to Maraka and badhaka and in the sub of Saturn, the longevity of the native is short.

We will examine 5th cuspal sub lord to know whether the native will recover from the dreaded disease. The 5th cuspal sub lord is Jupiter in the star of Venus and sub of Mercury. The Jupiter will give the result of malefic Venus and Mercury. So there is no scope of recovery from the dreaded disease.
The significators for demise of the native are as follows.

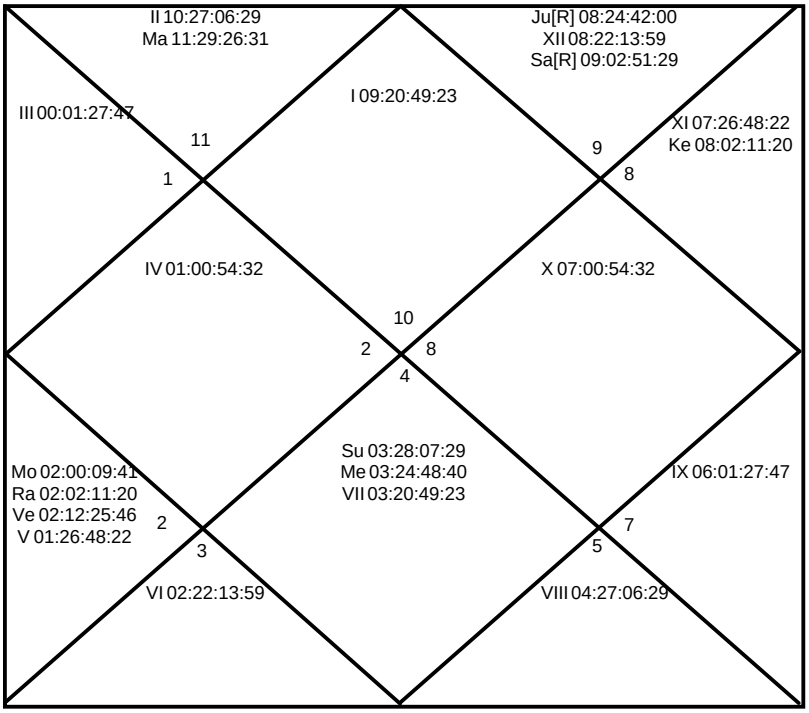

Cusp	A	B	C	D
6	-	-	Mer Mars Sun	Mer
8	-	-	Sat	Sun
12	-	Jup sat	-	Jup
2	Mon rah	Mars	-	Sat
7	Mer Mars sat Sun	Mer Sun	-	Moo
11	Ket	Ket	Moo rah	Mars

At the time of judgment the running joint DBA is Mar-Mer- Ket.
Dasa lord Mars is a badhaka lord (11) in 2 in the star of 6th lord Mercury in 7 and in the sub of Saturn in 12 lord of 2 poses threat to the life of native during its period.
The bhukti lord Mercury is in its own star in 7 lord of 6 in the sub of Rahu. Rahu represents Mercury being in the sign of Gemini. Bhukthi lord Mercury indicates danger to the life of the native on account disease.
Ket is not selected as antara lord because it is in Sagittarius.
Venus is selected as antara lord because it is conjoined with Maraka lord Moon and aspected by badhaka lord Mars and in the sub of Saturn and hence it indicates danger to the life of the native.
The joint period of Mars-Mer-Vven from 25.9.2020 to 24.11.2020 is very critical and dangerous to the native if transit agrees. On 25.9.20 the luminary Sun is transiting in its

A Mother asked query for her daughter - My daughter had given entrance exam for Law seat and result will be declared on 05/10/2020, will she able to get seat?

Horary number 88, 01/10/2020, 15:15:26 hrs, Ludhiana.

Moon reflects the query - In horary chart Moon is occupant of 8 (obstruction) and lord of 12 (worry) - in Saturn star who is occupant of 5th house (daughter/child) lord of 6, 7 houses - in Venus sub occupant of 12 (worry) and lord of 10th house (daughter competition).

Query is for daughter, so chart is rotated to 5th cusp as Ascendant.

Rule - For competitive exams 6th cuspal sublord must signify 6th house of victory and 11th house of gain/success. 11th cuspal sublord must signify 3rd house. Detrimental houses are 5, 8, 12 as 5th house is loss in competition, 8 is obstruction for native, 12 is loss house.

6th cuspal sublord is Jupiter which is untenanted and cuspal sublord of 6th house.
Jup 1, 1, 4, 5 - in star Ven 8, 6 - in sub Sat 1, 2, 3.

Jupiter is significantor of 6th house with 8th house of obstruction and connected with 5th house of loss, so I'm not seeing any success here. Therefore I replied to her that there is obstruction to get this seat.

On 5/10/2020 she sent message to me that her daughter didn't get high rank and so not get seat also.

KP Rule
For education 2nd cusp is probed. When a student passes in an examination his /her prestige increases. So we have to see 2nd and 1st. 6th (teacher has to give the marks), 11th house (fulfilment of desire).

2nd Cusp (Pisces 11.40.49): 2nd cusp sublord is Moon.
Moon is in the star of Ketu and sub of Mercury.
Moon is occupant of 11, owns 6. Star lord Ketu is occupant of 11, agent of Jupiter (Jupiter owns 12 and 11). Sublord Mercury is occupant of 5, owns 5-8.
So 2nd cusp sub lord signifies 5-6-8-11-12.

11th Cusp (Sagittarius 08.22.32): 11th cusp sublord is Jupiter.
Jupiter is in the star of Sun and sub of Jupiter.
Jupiter is occupant of 12, owns 2 and 11; star lord Sun is occupant of 4 and owns 7.
11th cusp sub lord signifies 2-4-7-11-12.
Here 12th house significator indicates student will pass but his desire may not be fulfilled. Expected percentage may not be reached.

Significators
1 Ma - Sat - Ra
2 Ma - Ju
6 Su - Mo - Ve
11 Su - Mo - Ma - Ve - Ju - Ket

Hence Su - Mo - Ma - Ju - Ve - Sat - Ra - Ket are significators.
Ruling Planets at the Time of Judgement

	Sign	Star	Sub
Asc	Me	Mo	Ra
Moon	Ju	Ket	Me
Day Lord	Su		

So ruling planets are Su - Mo - Me - Ju - Ra -Ket.
Common planets among significators and ruling planets are Su - Mo - Ju - Ra - Ket.

To find out strongest significators by taking common ones. After eliminating retrograde planets we get Su - Mo - Ra - Ket.

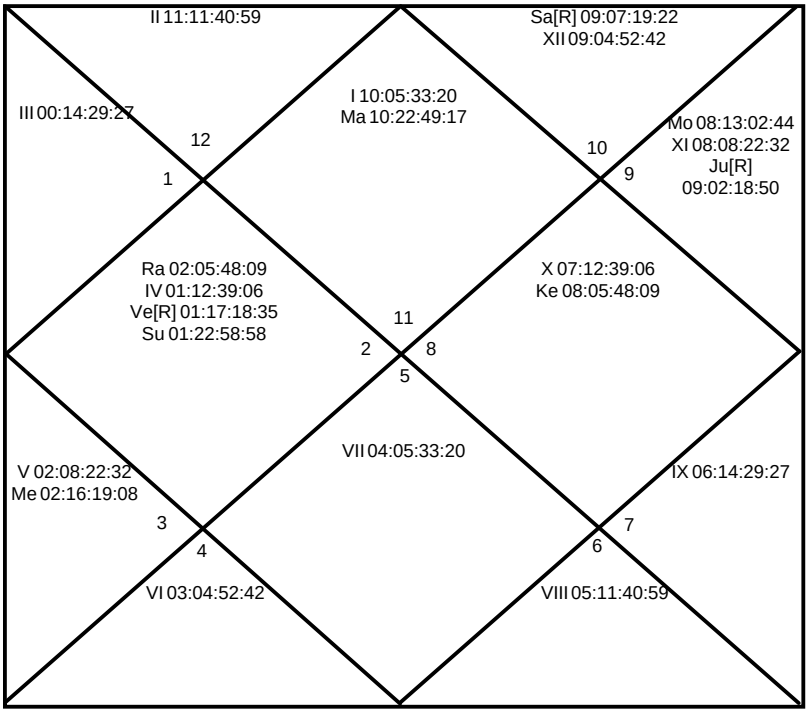

I took 249 longitudinal positions. Since the discussion is about percentage. I confined my search up to Leo Sign Venus star Mercury sub (100).

The following sensitive points were fixed by me.
Sign Aries was totally omitted as Mars is not in common one (up to 22)
Sign Taurus was totally omitted as Venus is not ruling planet.
Sign Gemini was totally omitted as Mercury is not in common one .
Sign Cancer was also omitted as in Cancer sign is Jupiter, Saturn and Mercury are there but these planets are not in common ones.
Finally,
we have Sun Sign - Ketu Star - Moon sub (87)
- Rahu sub (89)
These two positions are noted.

For this we have to check whether Moon sub is strong or Rahu sub is strong.
Moon is in the sub of Mercury. Rahu is in the sub of Moon.
In common ones Mercury is not there so reject Moon sub.
So finally we get Sun Sign - Ketu star - Rahu sub (89).
Outcome; The native got percentage 89.6 That is 9.5%

This prediction is given with the blessing of "Lord Mahaganapathi" and Late Sri. K.S. Krishna Murthy sir who is founder of K.P.System and also my Guruji Sri. M.R.Prasad.

" In the U S A election in November 2020 , will the incumbent president make a come back ? " enquires a friend, who came to visit me the other day....for analysis, he revealed of details of birth collected from www.astro.com/astro-data bank on the nativities of Mr. Donald Trump and Mr. Joe Biden .
As per the details provided , respective charts were cast which are appended herewith.

NAME : Mr.Donald Trump (Male)
DATE : 14/06/1946 (Friday); TIME : 10:54:00 Hrs (DST : 01:00)
PLACE : Jamaica,NewYork,USA
PLACE DETAILS : Lon : 073W48 Lat : 40N41 (Geographic) T. Zone : -05:00
KP AYANAMSA : 023° 01' 09.9"

The lagna rises in Leo with its lord, the Sun, occupying the 10th bhaava-kendra, lending considerable strength to the lagna. The ascendant lord , having connection to his profession / business, and pregnant with significations for houses 1,4 ,10 and 12, positioned in a square with Mars, the natural significator for land and property who is directing his aspect on Scorpio where the cusp for house of property rises , and , on Aquarius where the 7th house of business rises . The ascending node Rahu is conjoined with this ascendant lord, in Taurus, a sign owned by the planet Venus, who is an untenanted planet, holding cuspal point on 6, with her occupation in the 11th bhaava of profit-earning , having significations for houses 2,10 and 11 promising him accumulation of wealth and assets . The sub-portion of Venus is held by Rahu, who is conjunct the ascendant lord in 10, assuring more of income to him through personal effort and enterprise . Mars, *the kaaraka* for building is squaring the 4th house of property, where an untenanted Moon, having hold on the cuspal point of 8 and 11, and as lord of house for investment is positioned, holding significations for houses 3,4,11 and 12, amply indicating his capacity and worth .

As on November-2020, when the presidential election is to take place, according to this chart, his operating dasa would be that of Jupiter, positioned in 2nd bhaava throwing aspect on the 6th ,and the 10th , coming under the aspect of Saturn who is the lord of 6th , a house indicative of victory over competitors .

The bhukthi as well as the sooksma periods are that of an untenanted Saturn, who is lording over 6th house to occupy the 11th bhaava of success , having signification for houses 2,6 and 11, and throwing aspect on the 6th , to offer support of victory over competitors, as, this planet is in conjunction with lord of 10th house of power and authority , marks of status that goes with any elevated office .

The anthara period at this time would that be of the node Rahu , effective in operation from mid-September-2020 . Rahu, positioned in the 10th in conjunction with the lagna lord, and as a node it represents the 10th lord who has occupation in the 11th bhaava of success, presages collection of the coveted position .

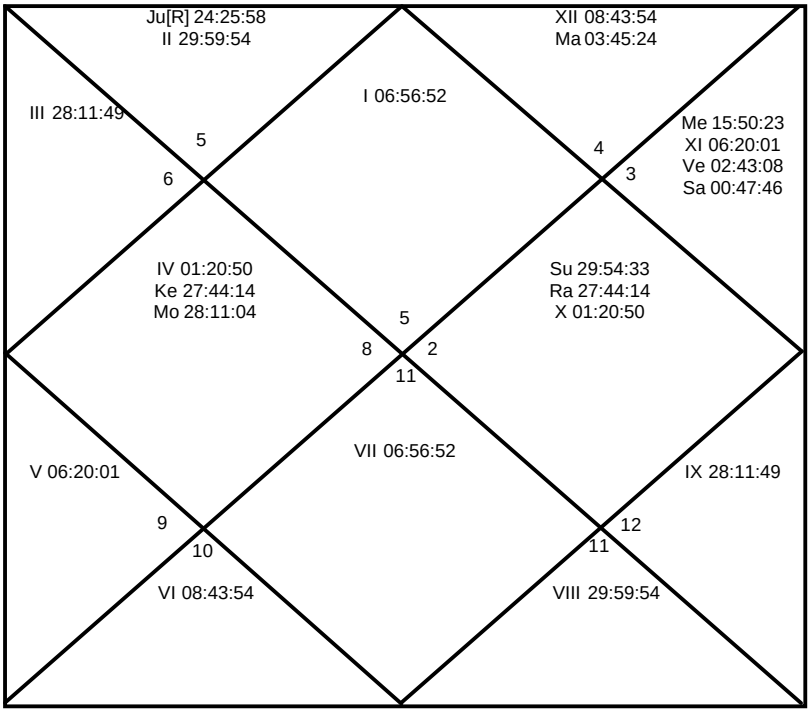

This node , Rahu, during the election time will be, in transit at his 10th bhaava, in the star of Mars, who is one of *the kaaraka* planet of power and authority . As Mars is positioned in the 12th to lagna, the success will be devoid of glitter .

NAME : Mr.Joe Biden (Male)
DATE : 20/11/1942 (Friday)
TIME : 08:30:00 Hrs (DST : 01:00); PLACE : Scroton,Pennsylvania,USA
PLACE DETAILS : Lon : 075W39 Lat : 41N24 (Geographic) T.Zone : -05:00
KP AYANAMSA : 022° 58' 10.7"

At the time of 2020-election in USA, in November, Mr. Joe Biden will be undergoing as per his natal chat, the maha dasa as well as anthara of Jupiter , who is in an exalted status by positioning himself in the sign Cancer, but in 8th bhaava , as lord of 5th house, throwing his aspect on Pisces where the 5th cusp rises . He has acquired signification for houses 2/5/8 ,which are supposed to lend advantage to the opponent.

The bhukthi period would be that of the ascending node, placed in 9th bhaava, a *bhaadhaka* house for this Scorpio lagna, located in the sign Leo where 10th cusp rises. As a node , having occupation in the sign Leo, it represents the Sun, lord of Leo, who occupies the 12th bhaava . Rahu, in this chart, is earning signification for houses 3/9/4/7/10/12, a mixed bag of gain and loss.
Venus would be ruling the sookshma dasa , with occupation in the 12th bhaava, under aspect from the 5th lord. The sookshma lord carries signification for houses 3/4/7/12, which are not promising in scoring a victory in contest.

Thus his query 'Will there be a second term for Mr. Donald John Trump ?', is to answered thus :' Why not, if the planets in his chart decides so'....

Saturn	07-Feb-2130
Mercury	19-Mar-2131
Ketu	15-Mar-2132
Venus	11-Aug-2132
Sun	11-Oct-2133
Moon	16-Feb-2134

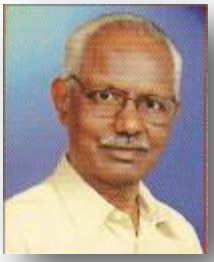

And I selected Moon also because Moon is in the star of Rahu and sub of Jup. Ketu is agent of Jupiter. So Moon is also strong RP.

Joint Period
The native is running DBA of Rahu-Jupiter-Mars (22.04.2019 to 12.06.2019).

Here Anthara lord Mars is not a significator, hence rejected.
Next Rahu -Jupiter -Rahu (12.06.2019 to 22.10.2019.
Here Rahu is a significator but Rahu is not in positional status; that's why rejected.
Next, I selected Rahu - Saturn - Saturn (22.10.2019 to 04.04.2020).
Here Bhukti lord and Anthara lord Saturn is also strong significator.
Next I selected Moon Sooksma (26.01.2020 to 09.02.2020).
Actual outcome: Second marriage happened on 09.02.2020 as I predicted.

This prediction is given with the blessings of "Lord Mahaganapathi" and Sri.Late K.S. Krishna Murthy who is founder of K.P. System and also My Guru Sri.M.R.Prasad.

Horary analysis on getting my electronic item repaired

My TV Recording box got spoiled suddenly on 01-10-2020 during viewing hours of that night. Next day that is on 02 Oct 2020 I gave my TV Recording box to our neighboring electronics repairing shop in the morning hours.

At 11-30-00 A.M on 02-10-2020, when my wife enquired about its returning after getting repaired, I too got curious to know about getting it back thought of seeking astrological help. Immediately I sat at my table opened my KP reader NO.06 of Sri KSK opened it and took the page no. 58 at random as a horary number and *erected a horary chart @11-34-27 A.M at my place.*

Before proceeding on the subject I thought of verifying the possibilities of getting back in a good condition.

3rd cusp sub-lord if it signifies sending it from the house to the repairers shop-negative to 4th, 11th cusp sub-lord indicates the fulfilment of my desire.
If the 11th cusp as per the horary chart signifies relevant houses-5-cure for the problems by it getting repaired, 7-(-opposite party-mechanic for treating the item) electronic repairer, and 11-fulfilment of the desire to get it repaired).
As per the horary chart, 11th cusp sub-lord is Saturn+. It co-rules 5 and 7 cusps also. No planets are placed in Saturn stars. Saturn is the lord of 8 &9 is in 7th. Saturn is placed in the star of Sun lord of 3rd is in 3rd and the Sub of Jupiter lord of 7 & 10 is in 7th itself.
Thus Saturn+ strongly signifies 11, 5, and 7 at its cuspal level and signifies @STL 3-7 and @SBL 7, assures its recovery and fulfilment of the desire also.
Note—Saturn aspects Moon by its 3rd aspect causes some delay.

Since the set-top box is expected back from the repairing shop within a few days say maximum 6 to 7 days, I feel I can get the result by the transit of Moon only.

With this preamble, let me check up the transit of Moon from 02-10-2020 to 09-10-2020. with the help of our RPs on TOJ—02-10-2020--@11-34-27 a.m—
ASC=MARS-MERC-SAT./MOON RASI=JUP-MERC-VENUS/ DL=VENUS.
Note-Rahu is in Venus sign-Taurus and so represents Venus. So Take Rahu as additional RP.

EFFECTIVE RPS ARE----MARS-MERCURY(2)-SATURN-JUPITER-VENUS-RAHU.

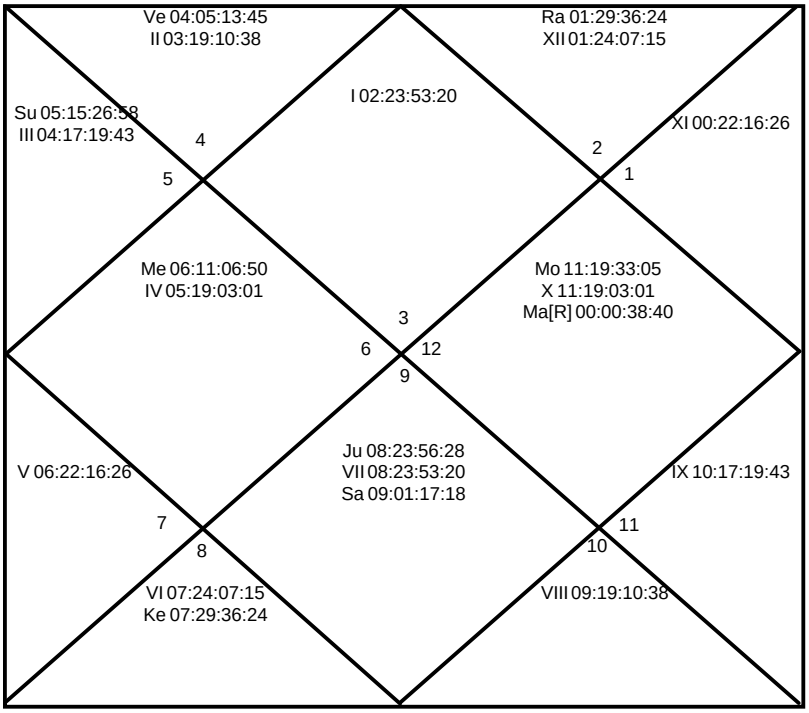

1) Checking the Moon's transit for arriving the day/date--
--on 02-10-2020-Friday-Venus-MOON is transiting in Jupiter sign.
Repairs will take 6 to 7 days and so 2nd is not considered.
--on 03-10-2020-Saturday-Saturn-RP, Moon is transiting in Jupiter sign-Meena –RP, on Saturn star-RP. Due to PP yoga which causes delay, the event can not happen at the first instance. So rejected.
---04-10-2020—Sunday-holiday for the shop. Sun is not in RPs.
--05-10-2020—Monday-Moon is not in our RPs.
--06-10-2020—Tuesday-Mars—RP, Moon transits in Taurus sign-Venus-RP, transits on Sun star- not in Rps.
--07-10-2020—Wednesday—Mercury-in RPs, Moon transits in Venus sign-Taurus- in RPs, Moon transits in Moon star-Rahu and Moon are conjoined in Taurus sign- and Rahu is in

Query: I am currently jobless, when will I get a job?
Horary number 29, Date 15/08/2020, Time 13:04:36, Khanna (Ludhiana)

RULE :- (Prashna Jyotish by Kanak Bosmia Ji) If the cuspal sublord of the 6th or 10th be the significator (in the star of occupant or owner) of 2, 6 or 10 service or earning is promised during the joint period of the significators of 2,6 and 10.

RULE :- (Easy way to learn KP Rules and Bhava significations by Kanakkumar B. Bosmia ji) : - If the sublord of the 6th be the significant of 2, 6, 10 the native joins a job /service during the joint period of the significators of 2, 6, 10.
If the sublord of the 10th be the significator of 2, 6, 10 the native joins a job /service during the joint period of the significators of 2,6,10.

In the chart 6th cusp sublord is Mercury & 10th cusp sublord is Venus.

Me(4, 2-3) is in the own star of Me(4, 2-3), and in the sub of Ju+(8, 8-9).
Here Mercury is significator of 2 with reinforcement, so job is promised with obstruction of 8 there.

At the time of judgment Mahadasha of Rahu – Bhukti of Jupiter – Antra of Rahu is running up to November 2020.

Mahadasha lord Rahu is occupant of 1 in Gemini sign, representing Mer(4, 2, 3), conj, with 2nd house of income. Star lord of Rahu is Mar (11, 7, 12) and sub lord is Ketu in 8, conj with Ju(8,8,9). Here Rahu is significator of 2,11, so it's favourable to get a job.

Bhukti lord Jupiter is in star of Ven(2,1,6) and in sub of Mer(4,2,3). So Jupiter is significator of 2,6 and also favourable for getting job.

Antra lord Rahu is up to 21/11/2020 and Rahu is significator of 2,11, so it's favourable for job. Therefore in Rahu - Jup - Rahu dasha he will get the job for sure.
Rahu - Jup - Rahu - Jup dasha up to 19/08/2020
Rahu - Jup - Rahu - Sat dasha up to 09/09/2020 (Saturn Retro)
Rahu - Jup - Rahu - Mer dasha up to 28/09/2020 (Mer 4,2,3 - Mer 4,2,3 - Jup 8,8,9 - Ven 2,1,6) This period seems favourable for getting job.
Native informed me on 30/09/2020 that he got job on 28/09/2020.

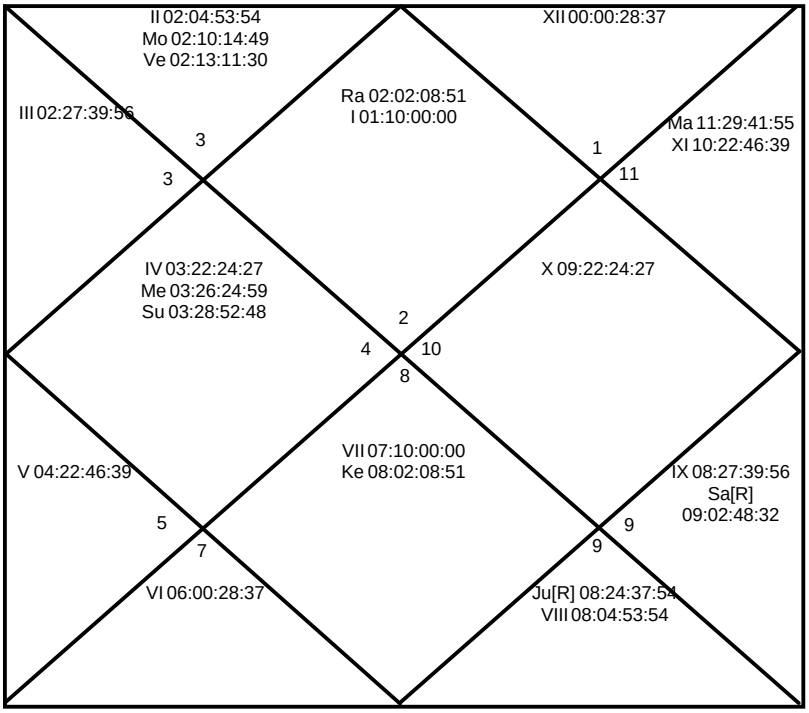

Pranam to Guru ji & long live KP!

KP Rule: If the 6th cusp sublord signifies 6, 8 and 12 the native is suffering from illness.
OR
If the 6th cusp sublord connected to Ascendant the native is suffering from illness.
If the sublord of the 11th cusp signifies 5 and 11 Recovery from illness is promised.
Discharge from Hospital: 4th Cusp signifies 2- 4- 11.

6th Cusp (Aries 06.18.09): 6th cusp sublord is Rahu. Rahu is in the star of Mars and sub of Saturn. Rahu occupant of 7th house. Rahu is agent of Venus. Venus is occupant of 10 owns 7 and 12. Star lord Mars is occupant of 5 and owns 1 and 6. Sublord Saturn is occupant of 3 owns 4. Hence Rahu signifies 1-3-4-5-6-7-10-12. So Illness is there.

11th Cusp (Virgo 06.18.31): 11th cusp sublord is Mercury. Mercury is in the star of Rahu and sub of Saturn. Mercury is occupant of 12 owns 8 and 11. Rahu signifies 7-10-12. Sub-lord Saturn signifies 3 and 4. So Recovery is possible.

Moon is in the star of Jupiter and sub of Mercury. Moon is occupant of 12 and owns 6. Moon is in positional status. Moon is csl 5-10. Starlord Jupiter is occupant of 10 and owns 1,10 and 11. Sublord Mercury is occupant of 5 and owns 4, 5 and 7. Hence Moon signifies 1-4-5-6-7-10-11-12.

piter lord of 11. So 11th cusp sublord Rahu signifies 4-5-7 -10- 11. Hence recovery is possible.

Coming to DBAS
The native is running DBAS
Jupiter-Mercury-Mercury-Saturn from 29.07.20 to 17.08.20.
Dasanath Jupiter is in the star of Venus and sub of Mercury.
Jupiter is occupant of 10 owns 1, 10 and 11. Star lord Venus is occupant of 4 owns 3 and 8. Sublord Mercury is occupant 5, owns 4, 5 and 7. So Dasa lord is indicating that recovery is possible.

Bhukthi and Anthara lord is Mercury. Mercury is in the star of Saturn and sub of Venus. Mercury is occupant of 5 owns 4, 5 and 7. Star lord Saturn is occupant of 11 owns 12. Sub lord Venus is occupant of 4 owns 3 and 8. So Bhukthi and Anthara lord is indicating that recovery and discharge is possible.

Finally
Sookshma lord Saturn, we have discussed above. Recovery is possible.

I have given my prediction that the native will be discharged on 15.08.2020.
On that day Moon is transiting in Rahu star occupant of 4, who is 11th cusp sublord in positional status. Transiting Sun is in Mercury star who is in 5th house and also lord of 4th house.

Outcome: The native was discharge from hospital on 15.08.2020.

This prediction is given with the blessings of "Lord Mahaganapathi" and Sri.Late K.S. Krishna Murthy sir who is founder of K.P.System and also My Guruji Sri.M.R.Prasad.

Question: Double Role of Sub
Dear Sir, Mr Trump won the presidential election just one month after he started Jupiter Dasa. At that time of election, he was running DBA of Jupiter. Jupiter in his chart is very weak and it signifies 4-5-8-12. But he managed to win the election against Mrs Clinton. Moreover, he is the richest president out of all presidents ever elected in the history of USA. Before entering the election race, he was a successful businessman. He was running Rahu Dasa from October 1998 to October 2016. Rahu is also located in the star of Mars(12-4). Specially in the the star level both Dasa lords (Rahu and Jupiter) are located in the star of Mars (12-4). As we know, Sri KSK initially found the importance of star level and then the Sub theory. Can you please explain how he managed to become a billionaire and win the presidential election during the time of Dasa lords who are connected to negative houses in the natal chart? Thank you.

Answer:
By using the KP ayanamsa, Donald Trump was running joint dasa of Ju-Ju-Ju-Me on the previous US presidential election day of Nov 8, 2016.
By using the Lahiri ayanamsa, Donald Trump was running joint dasa of Ra-Ma-Mo-Me on the previous US presidential election day of Nov 8, 2016.

Please read the article “Double Role of the Sub as a Decider as well as an Event Indicator” in KP-Ezine Sept 2014 issue or "Double Role of the Sub in KP" in the “K.P. & Astrology 2020” which demonstrates the sub playing double role as decider as well as significator with practical example charts, for which the significators only in the sub make events happen.
Tthe following ‘AA’ - rated married charts (AstroDatabank 4.1, now at www.astro.com) show that the significance of 2, 7 or 11 at the sub level only is the marriage giving indicator for Dasa/Bhukti/Antra lord, without signification of 2,7 or 11 at the planet and its star level:

Regarding Ayanamsa, here the KP ayanamsa works for Trump but not Lahiri.

In Rahu dasa the significators 2-6-10-11 in planet Rahu and significator 2 in sub Jupiter made him rich by also planning and manipulation of significator 5 in planet and sub levels.
While Trump has not filed for personal bankruptcy, his over-leveraged hotel and casino businesses in Atlantic City and New York filed for Chapter 11 bankruptcy protection six times between 1991 and 2009.

According to a September 2020 analysis by The New York Times of twenty years of data from Trump's tax returns, Trump had accumulated hundreds of millions of U.S. dollars in losses, and deferred declaring $287 million in forgiven debt as taxable income. A significant portion of Trump's income was in tax credits due to his losses, which enables him to avoid paying income tax for several years, or paying as little as $750 for 2016 & 2017.

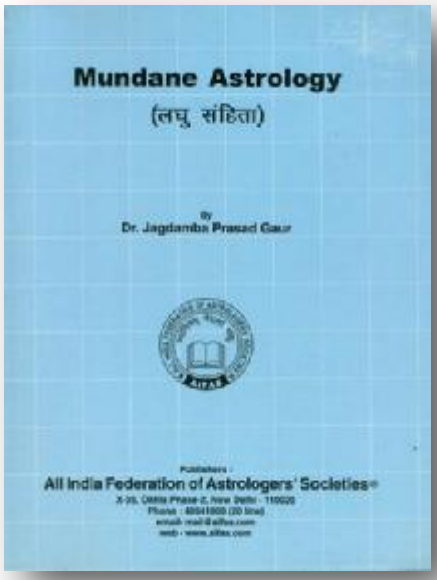

Trump has a total of over $1 billion in debts, borrowed to finance his assets, reported Forbes in October 2020. Around $640 million or more was owed to various banks and trust organizations. Around $450 million was owed to unknown creditors. However, Trump's assets still outvalue his debts, reported Forbes. In 2020 his net worth has dropped an estimated $600 million since last September, to $2.5 billion. That puts him at No. 339 on The Forbes 400, down 64 spots from a year ago.

Kamala Harris- the first woman and first Indian-American US Vice President-elect

By: Tin Win
Email: tw853@yahoo.com

On November 8, *2020*, the south Indian village of Thulasendrapuram in the state of Tamil Nadu was celebrating after waking up to the news that Kamala Harris will become the Vice President of the United States. Thulasendrapuram was the home of Harris' maternal grandfather, diplomat P.V. Gopalan. It is a rural community of 350 people, located 215 miles south of the state capital, Chennai.

Background
Kamala Harris born of Jamaican and Indian immigrant parents — is making history as America's first female, first Black and Jamaican-Indian American vice president-elect.

Kamala Harris's mother, Shyamala Gopalan, was born in India and came to the United States from Chennai, India, in 1960 to study at the University of California-Berkeley, where she met her Jamaican-born father Donald J. Harris. Kamala's mother was a strong influence in her life, especially because her parents divorced when she was 7, and her mother raised her and her sister, Maya.

In her work as a prosecutor, Senator, and on the presidential campaign trail, Harris often discussed how paramount this familial background is in shaping her beliefs. Specifically, Harris credits much of her success to her mother, who passed away on 11 February 2009 (Ma-Me-Me joint dasa). Harris once called her mother Shyamala Gopalan, "*the reason for everything.*" Her motto comes from her mom:
"You may be the first, but make sure you're not the last."

The 10th lord Jupiter in her 12th house indicates the themes of working with prison reform, no death penalty, immigration as well as the public, since a strong 12th house can indicate renown. Her full Moon in the 11th house is an excellent placement for realizing her ambitions and so Harris has made the successful transition from law to politics.

The 2nd lord Moon is in a very powerful parivartana rajayoga with the labhadhipati 11th lord Mars by exchange of signs. The 3rd lord Sun is also in a powerful parivartana rajayoga with the 5th lord Venus.
Harris' Political Success in Rahu Dasa
In her horoscope Rahu (energy, hunger) is in sign Gemini exactly on the lagna cusp very strongly placed. It is also placed in the lagna itself in Navamsha and Dashamsha charts to give good results in career. Rahu-lagna is a mark of personal charisma and shows Harris in the role of a trailblazer and a person who likes to break with tradition. Rahu in ascendant and Ketu in the 7th house are both very auspicious and powerful by being exalted.

Harris was awarded a law degree in 1990 and sought a career in law enforcement. She began serving as the Attorney General of California in 2011.

In the maha dasa of Rahu (03-Jul-2012 to - 03-Jul-2030) Kamala Harris has gained success in political career. She became the second Black woman US senator on 3 January 2017 (Ra-Ju-Mo). She ended her campaign for the 2020 Democratic presidential candidate on 3 December 2019 (Ra-Sa-Ra). She delayed her endorsement for Biden until 8 March 2020 (Ra-Sa-Ju), and said that he is a leader who could "unify the people." She was announced as Biden's running mate on 11 August 2020 (Ra-Me-Me). On November 8, 2020 (Ra-Me-Ke), the presidential election outcome was in favor of the Biden-Harris ticket. She will be inaugurated on 20 January 2021 (Ra-Me-Ve).

Ra:1,Me:5,1-2-5 closely aspt by Mo:11,3,+11 is in the star of Ma:3,12, and sub of Ke:7,Ju+:12,7-8-11, +4,10, being the significator of 3,10,11 for political success.

In Vedic perspective in her horoscope Rahu (energy, hunger) is in sign Gemini exactly on the ascendant cusp very strongly placed. It is also placed in the ascendant itself in Navamsha and Dashamsha charts to give good results in career.

In Vedic 1st and 4th lord Mercury and 3rd Sun are closely conjunct for a life-modifying and destiny-changing budha adityayoga, and aspected by 2nd lord Moon and 6th and 11th lord Mars.
She won the presidential elections and will be inaugurated during the bhuktidasa of auspicious Mercury placed in her 5th house of seat of power.

Ve:4,6 aspt by Sa+:9,9-10,+2,6,8,12 is in the star of own Ve:4,6, aspt by Sa+:9, 9-10,+2,6,8,12 and sub of Me:5,1-2-5 closely aspt by Mo:11,3,+11, signifies 6,9,10,11 for political success.

In Vedic 5th and 12th lord Venus and 3rd lord Sun form parivartana rajayoga by exchange of signs. The 5th and 12th lord Venus and 8th and 9th lord Saturn create rajayoga and viparita rajayoga by mutual aspect.

Marriage and Children
She married Jewish Douglas Emboff at 49 on 22 August 2014 (Ra-Ra-Ve). She is step mother to Emboff's two children.
Marriage dasa and bhukti lord Rahu is the significator of marriage houses 2,7,11, and antra lord Venus 2,11 for marriage.

7th CSL Ve:4,6, aspt by Sa+:9,9-10,+2,6,8,12, is in the star of own Ve:4,6, aspt by Sa+:9, 9-10,+2,6,8,12, and sub of Me:5,1-2-5 closely aspt by Mo:11,3,+11, signifies 2,11 for marriage.

The significators 1,4,6,10 indicate delay in marriage which is also supported by Punarphoo dosha by Saturn's aspect on Moon.
In Vedic the presence of malefic planets Ketu in the 7th house from lagna, Sun in 7th house from Moon, Saturn in 7th house from Venus and Ketu in 7th house from Navamsha lagna also indicates delay in marriage.

7th CSL's connection to Rahu/Ketu for inter- caste (conventional) marriage is found valid in 54 out of 60 charts under study (90%). It is not valid in Harris' case.

5th CSL's connection to Rahu/Ketu for inter- caste marriage is found valid in 48 out of 60 charts under study (80%). This rule is valid for Harris' chart as the 5th CSL is Rahu.
In Vedic 5th/7th lords, houses afflicted by Saturn, Rahu, Ketu rule is found valid for inter- caste marriage in 53 out of 60 charts (88.3%). In Harris' chart 5th lord Venus is aspected by Saturn; Ketu is in 7th house; so this rule is valid for her chart. The Rahu-Ketu across the 1/7 axis of her birth chart and Navamsha chart also indicates inter cast marriage.
Harris' 7th CSL Venus' 5th signification and 5th CSL Rahu's 7th signification indicate love marriage.
Although Harris' 5th CSL Rahu signifies 2,5, 11 for promise of children, this promise is not

materialized because of her very late marriage at age of 49.

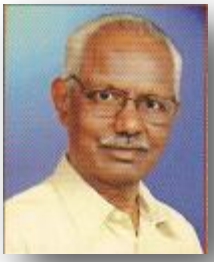

Future Prospect
As the dasa period lords' signification is strong enough for political success, Harris has a bright future in her political career.

Rahu- Mercury joint dasa (04-Jun-2020 to 01-Jan-2023)
Rahu-Ketu joint dasa (01-Jan-2023 to 19-Jan-2024)
Rahu-Venus joint dasa (19-Jan-2024 to 19-Jan-2027)
Rahu is the significator of 3,10,11; Mercury 3,10,11; Ketu 6,9,10,11 and Venus 6,9,10,11.

Harris may get a chance to serve as the US President possibly in 2013 or during Rahu-Ketu or Rahu-Venus joint dasa as the Vice President can become Acting President if the incumbent President becomes incapacitated due to illness or some inability to perform his duties according to the US Constitution. A career milestone certainly looks possible, if not likely.

One note of caution is that there are some interesting alignments between Harris's birth chart and the natal chart of the U.S. Hariss's austere Saturn (5Aq11) conjoins the emotions Moon (6Aq3) of the U.S. chart suggesting difficulty in connecting with the public. Her own Moon (4Ar22) is in square with the US destructive Pluto (6Sg54) suggesting some kind of blow-up in a personal relationship. Neptune is roaming through her midheaven (career and public service) with possible adverse effects. These factors can be seen as possible misunderstandings coming between her and the public. Harris was born exactly during a full Moon in Aries in the 11th house, which suggests she can effortlessly stand out from the crowd and she can actively pursue her goals. So she won't give up on any looming matters, and has the ability to prevail.
Good luck!

(Analysis of the query is done with help of Options Theory developed by Sri Rajendra Nimje, IAS.)
Before proceeding on the subject I would like to place on the records that the OPTIONS THEORY" is developed by Sri Rajendra Nimje, IAS and is published on 18/08/2011.
In the words of Sri Rajendra Nimje, IAS,

"Options theory is based on the principle of ruling planets. As the option is a numerical choice, we need to pick up the correct option from a range of options. Ruling Planets is the master key of Krishnamurti Paddathi. Divine guidance never fails. Naturally, there must be is a way to convert these ruling planets to some number which can pinpoint the right option we are looking for. If we can convert the direction given by the ruling planets to a Ruling Planet number which will connect to the options then probably we can predict the right choice. "

The ruling planets to solve the above query are arrived on 25 August 2020 @)8-20-20 A.M. at my place-Tarnaka, Secundrabad, Telangana.

In the above question, there are only two options-
Option 1-Joe Biden of Democrat party candidate,
Option 2- Donald Trump of the Republican party candidate.

I) As per the above ruling planets at the time of judgment—
1) Ascendant Lord is MERCURY =3+6=9.
2) Moon Star-lord is JUPITER®. So this is not taken as per the rules laid down in the theory.
3) Moon lord is MARS=1+8=9
4) Day Lord is MARS= 1+8=9
When added the above numbers the figure comes to (9+9+9)=27=9.
In the above query, there are only two options so deduct the number of the options from the

sum arrived until we get the result in a single digit.

When worked out as per the above rule the net result would be 1.
(9-2=7/ 7-2=5/ 5-2=3/ 3-2=1.)
As per the above, the number 1 belongs to Joe Biden of Democrat party candidate will win the elections.

II) To experiment with the same problem by taking the Ruling Planets in retro motion also as against the rule.

1) Ascendant Lord is Mercury=9.
2) Moon Star-lord is Jupiter ®=21.
3) Moon Lord is Mars=9
4) Day Lord is Mars=9

When added up the above numbers the sum comes to (9+21+9+9=48=12=3)
Since there are only two options now I have to arrive at the result until it comes to a single digit. So as per the rule if I deduct 2 from 3 the net result comes to 1 and the number 1 belongs to JOE BIDEN of Democrat party.

Mr Joe Biden will win the US Presidential elections.
Let me wait and see the actual outcome.
Note- Here I have taken Jupiter which is in retro motion to know how it works.
Fact—The results are announced on 07-11-2020 during night time in India.

Change of job when?

By: Er. V.K Sharma, B.E(Elect),
Superintending Engineer (Retired.),
Punjab State Electricity Board,
Permanent Address: Zirakpur, Mohali (Chandigarh).
Cell – 09417117370, nick0885@gmail.com.

A querent from Adelaide [Australia] asked me question about change of existing job as he was not satisfied with his current job, I asked him to furnish any horary number between 1 to 249.
Date of Enquiry - 2-9-2019
Horary no furnished - 222 [1 to 249]
Time of Judgement - 9:21 PM
Place of Judgement - Adelaide [Australia]

Moon Reveals the Nature of Enquiry.
Moon lord 6 in 8 and its starlord Mars in 6 lord of 3 and 10 and its sublord Saturn in 10 lord of 12 and 1 and Saturn aspect 5, Hence Moon signifies 6 and 10 [Job] 3,5 &12 change in job and change in job complex.

Confirmation through Ascendant Sublord
In the horary chart Ascendant indicates effort of querent. In this case Asc sublord is Jup in 10 and its starlord Merc is in 6 lord of 5 and 8 and its sublord is Ven in 8 lord of 4 and 9. Hence Asc sublord signifies 6,10,5 and 9 which shows that effort of querent for change of job will be fulfilled.

KP Rule For Change of Job
As per KP sixth reader written by Sh KS Krishnamurti ji on page 296 and 297, the planets which are 6,8 and12 to any house do not contribute to the matter influenced by that house. Accordingly house 3,5 and 9 happen to be in 6,8 and 12 to the houses 2,6 and 10 of profession or occupation. Consequently the planets signifying the house 3,5 and 9 would be conducive to change in present job during the joint period of significators of houses 3,5 and 9.
Check 10th Cuspal Sublord for Change In Job, Here 10th cusp sub lord is Merc in 6 lord of 5 & 8, starlord Ven in 7 lord 4 & 9 and its sublord is Jup in 10 lord of 2 and 11. Hence 10th cusp sublord signifies 5 & 9 which is conducive for change of job.

LAGNA SIGN LORD - JUP
LAGNA STAR LORD - MERC
LAGNA SUBLORD - MOON

CHECK FOR MAHADASHA AND BHUKTI
On the date of judgement it was running Mahadasha of Mars and Bhukti of Saturn from dated 21-5-2019 to 27-6-2020.

Mars Mahadasha
Mars is in 6 lord of 3 & 10; Starlord Ven in 7 lord of 4&9 and Sublord Sun in 6. Here Mars Mahadasha signifies 3 & 9 which is conducive for change in job.

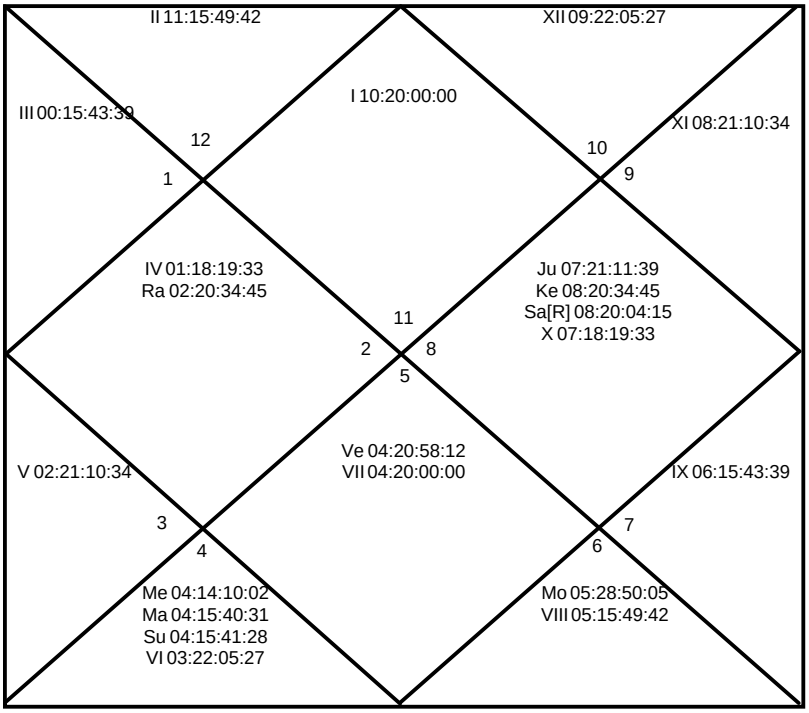

Saturn bhukti dasha
Saturn is in 10th lord of 12 &1; Star of Venus in 6 lord of 4 & 9; and Sub of Rahu in 4 and Rahu is in sign of 5 Hence Saturn Bhukti signifies 5,9 and 12 which is conducive for change

of job.

Accordingly I informed the querent that he will change job before 27-6-2020
That is before the expiry of Saturn Bhukti
Now to check further exact date of happening of event I study the Prayanter dasha as below:
Mars/Sat/ Ketu - 9-9-2019 to 13-10-2019
Mars/Sat/Ven - 1 3-10-2019 to 19-12-2019
Mars/Sat/Sun - 19-12-2019 to 8-1-2020
Mars/Sat/Moon - 8-1-2020 to 11-2-2020
Mars/Sat/Mars - 11-2-2020 to 6-3-2020

As Ketu, Venus and Sun are not RULING PLANETS, I rejected them.
Now check Prayntar dasha of Moon as it came twice in RULING PLANETS. Moon in 8th lord of 6 in the Star of Mars in 6th lord of 3 &1 0 and Sub of SaturnIn in 10th lord of 12 & 1 and Saturn aspect 5. Hence Moon Prayantar dasha signifies 3,5 and 12 which is conducive for change of job. Accordingly I informed the querent that he will change job between 8-1-2020 and 11-2-2020.

FACT OF CASE
It was informed that querent appeared for preliminary interview of new job on 10-1-2020 and was shortlisted for final interview for dated 17-1-2020, and was selected in new job on 17-1-2020 and finally joined new job in first week of February 2020 after giving requisite notice to old management.
My Parnam to Guru ji Sh. K S. Krishnamurti ji for wonderful Padhadhti and Thanks to SH KANAK BOSOMIA JI for carrying forward this KP astrology.

Lupus with Saturn

By: Sumanadasa Namarathna (Sunaparantha Kalyan)
Ex-Accountant, Justice of Peace

SRI LANKA Email: sumana1946@gmail.com

Background:
A 44 years old person, a Telecommunication Engineer, an expert in mobile phone technology running his own workshop, was ceaselessly suffering from body pain, cold, fever, laziness , stress, stiff neck, back born pain with inability to move. If any staff member of his workshop is suffering from cold or fever, definitely he gets infected the same disease within a short time. Once he said that since he is handling mobile phones used by unknown people and those phones may be unhygienic with bacteria or viruses and infecting any disease is possible. With this opinion he has used some hygienic precautionary measures to get rid of such infections. But he has failed and he could not refrain from suffering various ailments for the last six months or so. Finally he had consulted a physician and had undergone some medical tests. The result of one of tests called Anti Nuclear Antibody (ANA) was positive of nuclear patterns and Cytoplasmic patterns Negative and accordingly it has been decided that indications of LUPUS are appearing. After medication for one month again he was asked to undergo the same test and result was negative. Then the doctor had decided that he is not attacked by Lupus. But still the person is weeping with various pains with discomfort.
Note: ANA- Antinuclear antibodies are unusual antibodies, detectable in the blood, that have the capability of binding to certain structures within the cells and it indicates the possible presence of Autoimmunity & provides, therefore an indication of Autoimmune illness)
In this situation I decided to go through his horoscope to see the influences of disease making planets by comparing some actual LUPUS affected AA charts collected from ADB (now known as www.astro.com).

First I wish to bring you an introduction to the disease "Lupus" as described in various medical literatures.
Lupus is a systemic autoimmune disease that occurs when the body's immune system attacks own tissues and organs. In other words Lupus occurs when the immune system attacks healthy tissue in the body (autoimmune disease). It's likely that lupus results from a combination of the genetics and the environment. Inflammation caused by lupus can affect many different body systems including joints, skin, kidneys, blood cells, brain, heart and lungs. Lupus can be difficult to diagnose because its signs and symptoms often mimic those of other ailments. The most distinctive sign of lupus is a facial rash that resembles the wings of a butterfly unfolding across both cheeks occurs in many but not all cases of lupus. Some people are born with a tendency toward developing lupus, which may be triggered by infections, certain drugs or even sunlight. While there's no cure for lupus, treatments can help control symptoms.
The signs and symptoms of lupus will depend on which body systems are affected by the disease. The most common signs and symptoms include fatigue, fever, joint pain, stiffness and swelling, butterfly-shaped rash on the face, skin lesions that appear or worsen with Sun exposure (photosensitivity), fingers and toes that turn white or blue when exposed to cold or during stressful periods (Raynaud's phenomenon), shortness of breath, chest pain, dry eyes, headaches, confusion and memory loss.
The above said native is having some of the above symptoms, with weak vision, but not yet attacked to the skin at all.

Now let's go through the charts selected to see any common pattern of planetary influence for the disease.

Here are the chart details.

As a practice, when I prepare to read a horoscope for any matter, I used to see all particulars of every cusp and planets in details before proceeding for the particular query. In this stage, while I was going through each chart, I was astonished to see a peculiar planetary set up in most of charts under study including the above said native. (Chart No. 11)
The significant pattern of planets as said above is both NODES are in the same sub of planet in most cases and all other cases sub lords of Nodes are connected with Saturn. Saturn has presented as the sub of both nodes in four charts. Mercury for three charts, Rahu and Jupiter for each. Mercury and Venus for one chart and the rest is Sun and Moon. The particularism of the planets Mercury, Jupiter, Venus, Sun and Moon is anyway connected with Saturn. Thus first clue of this study has been eliminated as the connection of Saturn with nodes in each case.
While going through Medical Astrology literatures for the disease Lupus, I could found below hints.
1) Encyclopedia of Medical Astrology by Dr. H.L.Cornell, MD, DA (Pg.473)
A chronic tuberculous skin disease caused by Saturn'
2) The Rulership Book by Rex E. Bills (Pg. 81 - *'Saturn'*
3) Medical Astrology by Judith Hill (Pg.67) - *North Node conjunct Saturn*

Since Saturn is generally known as the most dreadful and most malefic planet in the zodiac, which has the keys to heaven and hell in his hand. And also Rahu and Ketu are branded as most malefic planets even in the eras of ancient sages. Most of symptoms mentioned above can be recognized as conventional qualities of Saturn according to Medical Astrology. Saturn rules osseous system, join bones, teeth, knees, legs, bones, muscles, skin and hair etc. of the human body. As per the Medical Science, Lupus can damage all above parts of the body and hence we have enough evidences in this study to walk down into a certain path of the root of this disease and Saturn.
Usually, as the first step I have checked all the charts to see their health conditions through Lagna sub lord and secondly the Rogasthana, the 6th house as appended below.

Outcome:
Direct or indirect connections of Saturn with Nodes are exposed in all the charts under study.
Both Nodes are anyway connected with evil houses (Thrikasthana) 6, 8, 12 together with Maraka and Badhaka.
Saturn is a significator for 6, 8 & 12 together with Maraka and/or Badhaka in all cases.

Why Saturn so harmful towards the health?

When there are no proper security arrangements like fence and stile for a crop in an agricultural land, it will be ruined by the wild-life and many creatures. Likewise when there is not a proper guard by the planets responsible for the vitality, loosing of vitality as well as immunity is certain.

Lupus is a disease mainly touches with the IMMUNITY of the body. In other words proof against attacks of diseases or sometimes less liable to diseases. The immunity depends upon the strength of Vital Power of the body. The position of the Sun in the planetary health chart indicates both the quality and quantity of our natural vital force. Hence the Sun is called as the Life Battery. The natural voltage of energy produce by the battery, the Sun, is ruled out by the Moon by maintaining the Amperage and its rate of flow throughout the body. It is the

rhythm of the inflowing vitality. This inflowing of amperage (vitality), depends upon the cleanliness and clearness of the distributing elements free from any resistance. The conduction and the resistance indicator of the power (vitality) in the physical body is the house of health, the Ascendant or Lagna. The controlling room is under the responsibility of Moon, who adjusts or change of flowing current for the maintenance of the body. Therefore we have to deeply consider about Sun and Moon (Luminaries) to see whether they are with enough brilliant mode to keep the body with a good health.

Table -04 : Behavior of Luminaries

C	Luminaries	Disease as per
1	Su-2,6,7,10,11 (S-4,5,11)	Lupus
	Mo-D,11,2,9 (S-11,5,4) (A- 8) (C-6,7)

11	Su:6,10,5 (S:12,6,9,12,11)	Many symptoms of Lupus
	Mo:6,6,4 (S:9,12,)	

Outcome: The fifth (5) house of a chart indicates the immunity and Vital force of the native ruled out by the Sun and Moon. As per above table Sun or Moon signify 4th house (12th to 5th) loss or less of immunity for almost all charts. So being a planet of malefic, Saturn can ruin the whole body in absence of immunity.

Application of personally Discovered Rule for bad health

In this esteemed magazine, I have repeatedly mentioned through my medical articles about the influence of JUPITER for good health. I have discovered that a native is free from any horrible disease if Jupiter is placed in a beneficial manner. If Jupiter is retrograded or any way connected with Nodes (especially with Rahu - worst) at birth, definitely the native is susceptible for incurable chronic disease. Please see my last two articles written on Covid-19, published in this magazine.

Table 05: Jupiter's Motion and deposition

Cha	Motion D	Motion R	Ra	Ke	Rep by Node
01	---	Retrograded	---	---	Rahu
02	---	Retrograded	Sub	---	Rahu
03	Direct	---	Sub	---	Rahu & Kethu
04	---	Retrograded	---	---	Rahu & Kethu
05	Direct	---	Star	---	---
06	---	Retrograded	---	---	Rahu & Kethu
07	---	Retrograded	---	---	Rahu
08	Direct	---	---	---	Kethu
09	Direct	---	---	---	Rahu & Kethu
10	Direct	---	---	Star	---
11	Direct	---	---	---	Ra in Ju's star

Outcome:
Jupiter is retrograded or anyway connected with Nodes (Natural Retro Planets) in almost all charts.

Over-all Summary of outcome:
1) House of health or Lagna Bhawa is afflicted and then disease agent can easily creep in to the body.
2) Rogasthana is afflicted by malefic planets.
3) Saturn plays the main role for the disease by being the sub lord to the Nodes or when it is not, as a connecting plant to the sub lord.
4) Both luminaries are weak.
5) Jupiter is retrograded or connected with Nodes.

Conclusion:
If the basic rules of KP for sickness indicated by the Lagna and the 6th house are satisfied,

and
if both nodes are anyway connected with 6,8,12, Maraka & Badhaka and with Saturn which also a significator for 6,8,12, Maraka & Badhaka

and
if the Sun and Moon are afflicted with their signification for negative houses for immunity,

and
if Jupiter is retrograded or anyway connected with Nodes,
The native is susceptible for the disease LUPUS.

Notes:
1) If Saturn itself is the sub lord for both nodes at a time, critical condition may appear.
2) If Jupiter is retrograde the condition is worst.

My ambition of this study is to undeniably identify the planetary behavior for the disease LUPUS, since the above said native is not diagnosed in very correct manner by the physicians to take a solid decision. According to the results obtained from this study, sufficient evidences and facts are revealed to decide that the native is suffering from Lupus.

Bottom Line:

Will I get loan before Diwali?

By: Akanksha Taparia

In this pandemic situation one of my friends wanted to take a loan, and asked me whether he would get it before Diwali as per the below horary details:

Date: 5 September 2019
Time: 12:52 PM
Place: Jodhpur, Rajasthan
Horary No: 29

Rule: Overdraft Facility: Sub lord of 6th cusp signifying 2,6 and 11, and in the conjoining period of these significators. (K. Subramaniam: Astrsecrets & KP Part III, p. 49)

6th CSL Ketu signifies 6 only for possible promise of loan.
Planet Ke*: 7; Sgl Ju(8, Asp 5)
Starlord of Ke is Ke*: 7; Sgl Ju(8, Asp 5)
Sublord of Ke is Ve:
Starlord of Ve is Sa: 9; 10; Asp by Ve(3, 6, Asp by Ma[12, Asp 6, Cnj 12]); Asp 6; Cnj 9)

Let's check D/B/A lords.
MERCURY/MERCURY/SUN till 1/9/20
MERCURY/MERCURY/MOON till 14/11/20

Dasa and Bhukti lord Mercury does not signify any of 2,6,11.
Planet Me:
Starlord of Me is Su: 4
Sublord of Me is Sa: Cnj 9
Starlord of Sa is Su: 4)

Antra lord Moon signifies 2,11.
Planet Mo+: 11
Starlord of Mo is Me: 5; 2
Sublord of Mo is Ma: Cnj 12
Starlord of Ma is Ke*: 7; Sgl Ju(8, Asp 5))

Since the Dasa and Bhukti lord Mercury does not signify any of required 2,6,11, I told my friend he would not be possible to get loan before Diwali.

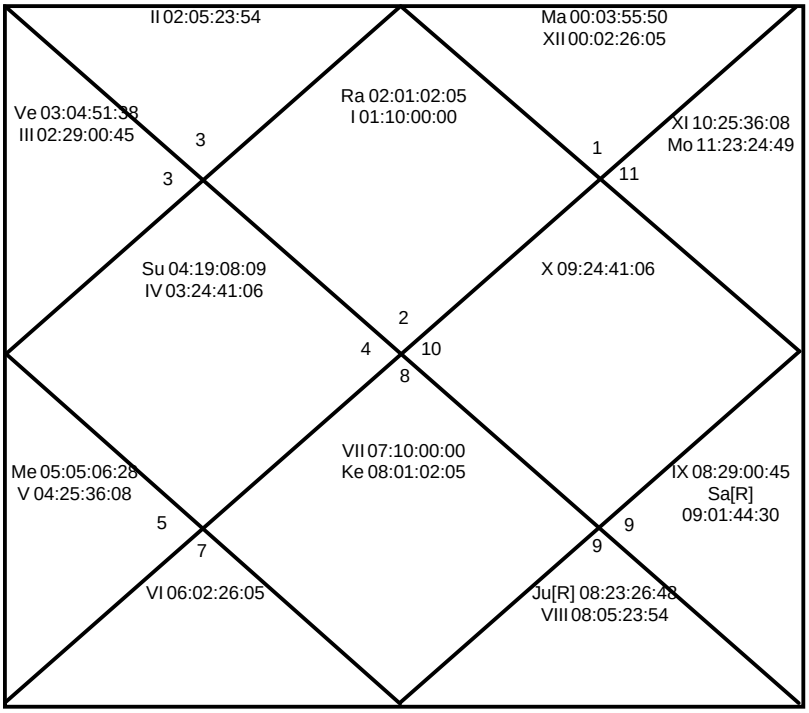

Outcome: Yesterday he came to my place at Diwali time, and told me bank did not yet even considering his loan application.

Ruling Planets at the time of any query should also be the Ruling Planets at the time of fructification of the event expected

These are the golden words of our great astrology wizard Sri K S Krishnamurthy Garu founder of KP System.
This dictum has been proved correct many times by our master Sri KSK and also many practising astrologers across the world. In the words of Sri K. P. Kuppu Ganapathi, "Ruling planets are the divine guide to an astrologer and their help should be sought only when there is an earnest urge to decide which can bring out the fructification of the event."

In the words of Sri KSK how the ruling planets work and influence the fructification of the event are summarized in the following lines—(see page no. 19 of KP E-Zine 2007 Feb by Sri Kuppu Ganapathi- GUIDELINES FOR PREPARING AND JUDGING A HOHARY CHART AS PER K.P. SYSTEM OR K.P. PRINCIPLES)

When the event is expected in:
a) Few hours from the time of the judgment of the Horary Chart, move the Ascendant i.e. Lagna to the sensitive zone of the Significators.
b) In a few days move Moon to the sensitive zone of the Significators.
c) In a few months, move Sun to the sensitive ZONES of the Significators
d) If after a year or more then move JUPITER to the sensitive ZONE of the Significators.

2) In the natal or a horary chart the occupant or the owner of the 11th house indicates early or delayed fulfilment of the desire.

3) If the occupant or the owner of the 11th house or the sub-lord of the Lagna be a fast-moving planet then the fulfilment of the desire will get delayed and will take a long duration.
Basing on the above rules on Ruling Planets and its efficacy, I would like to analyze the Time Chart erected on 27-09-2020 @ 09-07-25 A.M at my place with help of RPs only and that too with SUN alone. (the Time-Chart is attached)
My cousin has informed me and his father that he would be coming soon to meet all his cousins and other relatives at Hyderabad. Due to Corona restrictions for travelling, he is planning to come by road in his car. Since there was no specific information about the date of arrival, I got curious to know through Horary-time chart with the help of Ruling planets.
Note- Since as an astrologer I am interested to know the result of his arrival, I am not rotating the chart.

Immediately I sat at my table and erected a Time-Chart on 27Sep2020 @ 09-07-25 A.M at my place-Tarnaka, Secundrabad, Telangana state.

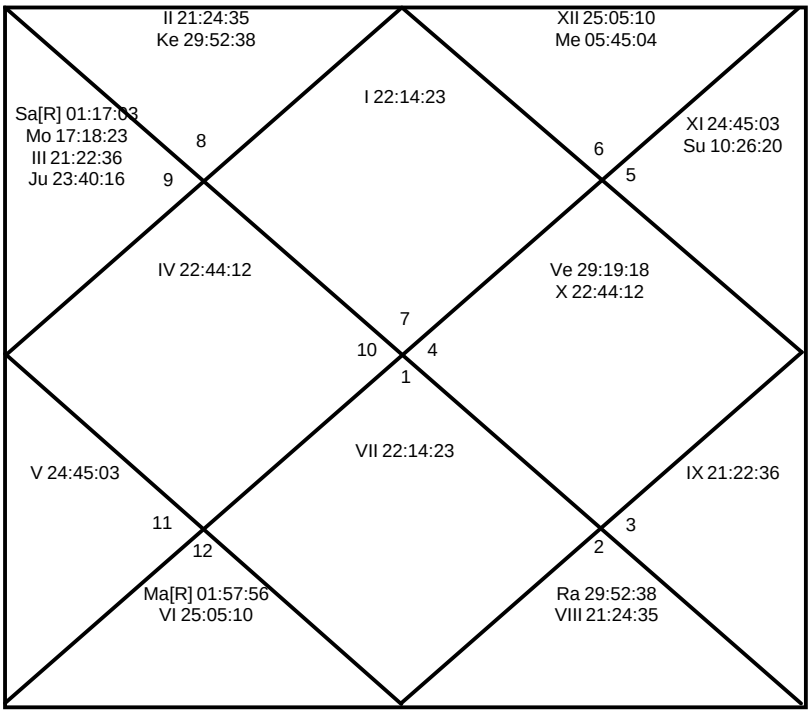

01) Ruling Planets at the Time of Judgment are
ASC—VENUS-JUPITER-SATURN.
MOON—SATURN-MOON-SATURN.
DAY LORD- SUN.
NOTE---Moon is in Saturn sign and Saturn sub gives rise to Punarhphoo Dosha and causes some delay in fructification of the event.
Rahu represents Venus as it is placed in Venus sign. So take Rahu in place of Venus.
Our Effective RULING PLANETS ARE

Lagna indicates the place of the native's routine life and thereby permanent place of stay and the 7th shows (opposite to Lagna) change of one's place of stay/residence and indicates visits to other place/places in this/her trip (see page 296 of reader No.2),

11th cusp indicates the fulfilment of the desire or the fructification of the event in question. 3rd cusp indicates the cousin and short journey by cycle/ car/bus/train, 12th cusp indicates a change in the environment, 7th is the person expected by me to receive.

First, let me check up whether the event is promised or not
As per KP rules enunciated in the above para, the sub-lord of the Lagna of the Time-chart is Saturn is placed in its sign indicates delay in the materialization of the event.
As per our Time-chart 11th cusp sub lord is Mercury lord of 9 and 12 is placed in 12th cusp. Mercury is in the star of Mars lord of 2 and 7 is placed in 6th and the sub-lord of Moon lord of 10 is in 3rd.

Thus the 11th cusp sub-lord signifies @STL 2-family members, 7-visit to other than his place of stay, 9- journey, 12- change in the environment, and @SBL 3- indicating short journey by road in his Car. All the houses indicated by 11th cusp are relevant assures his fructification of the journey and coming to this place. Only 10th houses is a negative house indicated by 11th cusp SBL.

KP RULE says---f the 7th cusp sub-lord signifies 3-short travel/journey, 9th- long travel, 5th –one's desire to move from his place of stay and 11th –one's fulfilment of one's desire and close associates during the conjoined period of the significations of 3-5-9-11 houses. If it signifies 4-8-10-12 –the person expected will not come.

As per the time-chart 7th cusp, Sub-lord is Saturn+ which co-rules 1st cusp also. No planets are placed in Saturn stars and so Saturn+ strongly signifies 7th and 1 as the Sub-lord.
Saturn is the lord of 4 and 5 is in 3rd. Saturn is in the star-lord of SUN lord of 11 is placed in 11th and Sub-lord of Jupiter lord of 3 and 6 is in 3rd.

Thus Saturn the 7th cusp SBL signifies @STL 3-short travel by car, 5-his desire to move from his place of stay on a pleasure trip, 11- fulfilment of his desire to visit his cousins and kith and kin, and @SBL 3, promises the fructification of the event of his travel to his friends and relatives place.

When the event is expected is the next question? ie: during the conjoined period of 3-5-9-11 houses

NOTE---Moon is in Saturn sign and Saturn sub gives rise to Punarhphoo dosha and causes some delay in fructification of the event.
Rahu represents Venus as it is placed in Venus sign. So take Rahu in place of Venus.
Our Effective RULING PLANETS ARE—VENUS-JUPITER-SATURN (3)-MOON-SUN–RAHU.

COMMON FRUITFUL SIGNIFICATIONS-
VENUS-JUP-SATURN-MOON-SUN-RAHU-MERC.
As per the K P equations

If star lord is positive + Sub lord is negative= One can expect mostly negative results.
If star lord is positive + Sub lord is positive= 100% positive result can be expected.
If star lord is negative+ Sub lord is positive=positive results with great efforts & problems.
If star lord is negative+ sub lord is negative=100% negative results only can be expected.
Note—This formula is based mainly on the Cardinal point of the KP System that -" Star-lord indicates the nature of the event and Sub lord decides the fructification of the event.

Basing on the above principle—when the common fruitful significators are analyzed the result is furnished bellow
Saturn+, Jupiter+ and Sun fall under B category.
Venus, Moon, Rahu fall under C category.
(note- all the above planets are placed in order of their strength only.)

PERIOD ANALYSIS
MOON DL runs up to April 2025, and Moon is the RPs and signifies @STL 3 and @WBL 3-5 is O.K.
X SATURN+ BL runs up to 02-02-2021, and Saturn is a powerful RP and signifies @STL 3-5-11 and @SBL 3 is O.K.
X RAHU+ ANTHRA RUNS FROM 22-08-2020 to 16-11-2020, and Rahu+ signifies @-- and @SBL 3-5.
Sun transits in Libra –Venus sign- on Rahu star from 23/10 to 06/11 agrees.
Next is Kethu Sookshma runs from 11-10-2020 to 16-10-2020. Kethu is not in our RPs.
Next comes Venus Sookshma period runs from 16-10-2020 to 31-10-2020 and Venus is in our RPs. Venus signifies @STL 9 and @SBL 3-5.
So I feel that Venus SL is expected o give the event during its period from 16-10-2020 to 31-10-2020.

Now that I have arrived at the duration, I have to move the SUN for arriving at the day/date along with fixation of arrival time on that particular date.

Let me check up SUN'S TRANSIT WITH SUB AND SUB-SUB LORDS transit
from 23-10-2020 TO 31-10-2020-
from 16-10-2020 to 23-10-2020 SUN will be transiting in Venus sign-Libra- on MARS star which is not in our RPs is not considered.

On 24 -10-2020 –Saturday –SAT-in our RPs, sue to PP dosha, I feel strongly that the event cannot take at the first attempt. So I am not considering 24-10-2020 as favorable .
On 24th Dhyani's father informed that his son, though he took leave he had to postpone his journey due to some personal problems of delay in getting his car from service centre after servicing.

NOTE: Here it has become evident that the Strong effect of Saturn and its Punarhphoo dosha. (on the day of TOD and at TOJ Moon was transiting in Saturn sign and Saturn sub-lord. Saturn was conjoined with Moon and placed in 3rd cusp- indicating short travel and change of place and so the first attempt of starting a journey was not fruitful.)
On 25-10-2020 Sun's transit position--

On 25-10-2020 Sunday,
Sun will be transiting in Libra sign-VENUS SGL, on Rahu star (node is a powerful RP) with Rahu SBL and Sun SSBL up to 01--30-00 P.M and on MOON SSBL FROM 01-30-00 P.M to 06-30-00 P.M.

Since Saturn is reflected thrice in our RPs, it is powerful than Jupiter which is reflected only once, Saturn sub-sub lord is taken.

Next step will be checking Lagna position to arrive at the exact time
On 25-10-2020 following Lagnas will be rising during the day time

Capricorn Lagna from 12-11-29 p.m to 14-02-02/ Aquarius lana from 14-02-02 to 15-40-07

Pisces Lagna from 15-40-07 to 17-15-58/ and Aries Lagna from 17-15-58 to 19-00-36 hours. Since the estimated arrival will be around evening hours may be during 04-00-00 P.M to 05.00.00 P.M, I have taken Pisces Lagna for consideration.

-----And Lagna will be transiting in Jupiter sign Pisces sign-in RPs, Saturn star-Uttarabhadra star- in our RPs, on Rahu Sub-lord in our RPs, and Venus sub-sub-lord in our RPs. @04-25-00 P.M. So I feel that the event of my cousin's arrival has to take place on 25-10-2020—SUN DAY after at 04-25-00 p.m.

Facts- My cousin has come to his father's house at 04-30-00 p.m.

Will I receive my lost watch?

By: Sayantan Biswas

Address: 339/S/2 Kalipada Mukherjee Road. Kolkata 700008.
Phone: 9903785661; Email: sayantan1@outlook.com

I went to a restaurant for lunch with my family. After finishing my lunch I went to wash my hands and before going I opened my watch and put it on the table. After that I left without taking my watch.
Later I realised after I reached home that I had left my watch on the restaurant table itself. Since this watch was a gift from my uncle it holds a special sentimental value. I immediately called the restaurant but the person who picked up the phone told me to call after 30 mins.
I immediately casted a horary chart to find if I will get back my watch or not.

Horary No: 220. Date: 17 Nov 2020. Time: 7:01 PM. Place: Kolkata

Rule: If 2nd cuspal sub-lord is the significator of 2 (moveable article), 6 (loss of opponent) and 11 (gain), then during the joint period of significators of 2,6,11 article is regained.

On the horary chart-:
2nd cuspal sub-lord Jupiter is posited in 11 and owns houses 2 and 11. Jupiter is in the star of Sun posited in 9 and owns 7 house. Jupiter's sub-lord is Rahu posited in 4. Rahu is in sign of Venus posited in 8, and owns houses 4 and 9. No planet is in the stars of Venus and Venus is the cuspal sublord of 9.
So Jupiter is connected to houses 2 and 11 and does not signify 1 or 5 or 10 (12th house of 2,6,11). So getting back my lost watch is promised.

Ruling planets at the time of judgement (Date: 17 Nov 2020. Time: 7:01 PM. Place: Kolkata) -:

	Sign	Star	Sub-lord
Ascendant:	Mercury	Mars	Venus (Rahu)
Moon:	Jupiter	Ketu	Moon
Day lord:	Mars		

6-Fold Significators - House View

H No	A	B	C	D	E	F
2				Ra, Ke	Su	Ju
6				Mo		Mo
11	Sa, Ra, Ke	Su	Ju, Sa	Ra, Ke	Su	Ju

Common from the ruling planets and 6 fold significators are-:
Rahu, Jupiter, Ketu, Moon.

On the date and time of judgement I was running Ketu dasha, Moon bhukti, Jupiter antara, Moon sookshma. All these four planets are common planets. So every way getting back my lost watch is promised.

Result: After 30 mins I called again, this time the person informed me that he has found the watch. Next day that is on 18th Nov 2020 I went and collected my watch.

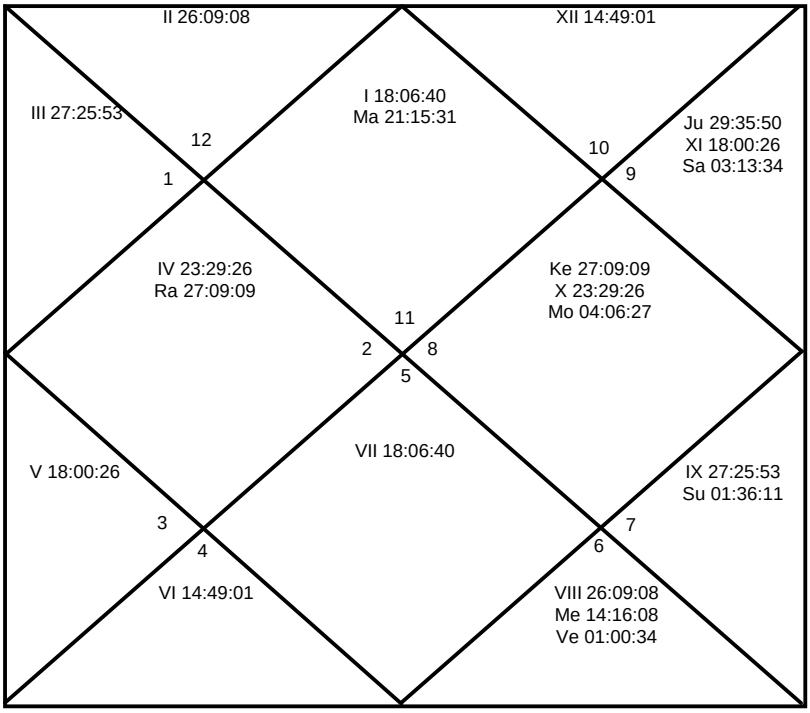

My pranam to my guru Kanak Bosmia sir and also our beloved guriji KSK.

Legendary Footballer Diego Maradona: Astrological Tribute

By: Tin Win
Email: tw853@yahoo.com

Diego Maradona was an Argentinean footballer, who became world known soccer champion by scoring winning goals in the 1986 World Cup Game. Widely regarded as one of the greatest players of all time, Maradona and Pele were joint winners of the FIFA Player of the 20th Century award. He is the only player to win the Golden Ball at both the World Cup in 1986 and the Under-20 World Cup in 1979.
After the 1982 world cup in Spain, he joined Barcelona and played in Spain for two seasons. In 1984 he joined Naples, Italy and won two Italian Championships in 1986-1987 and 1989-1990, a Coppa Italia (1987), an UEFA cup (1989) and a Supercoppa Italiana (1990).

Maradona's career began a slow decline, when he failed a drug test in 1991 and was suspended from soccer. His international career lasted 16 years but ended when he was sent home from the 1994 World Cup after failing a drugs test. For the remainder of his soccer career, he played for Argentinean clubs. On 30 October 1997, he retired from football, aged 37.

On 2 November 2020, Maradona was admitted to a hospital in La Plata, supposedly for psychological reasons. A day later, he underwent emergency brain surgery to treat a subdural hematoma. He was released on 12 November after successful surgery. On 25 November 2020, at the age of 60, Maradona died of a heart attack at his home in Tigre, Buenos Aires.

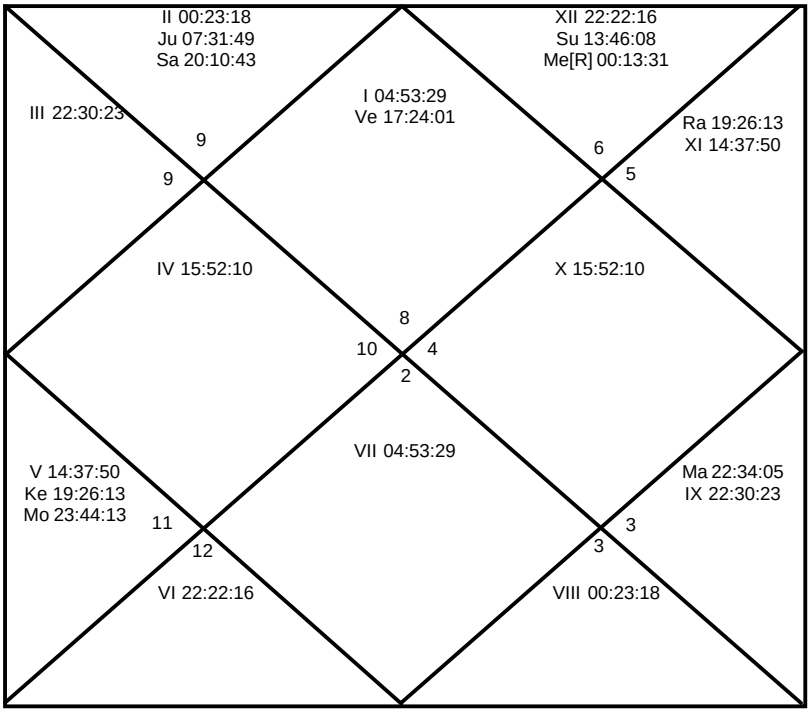

Planetary Combinations of Great Footballer
Maradona's 3rd (footballer) and 5th (sports in general) cuspal sub lords (CSL) are the significator of 1 (vitality and self effort), 2 (10th from 5 = reputation for sports), 3 (main house for footballer, courage and skills), 5 (sports in general and performance), 6 (competition, benefit from sports as 2nd from 5), 7 (popularity), 10 (profession, success and fame) and 11 (gain, foot) houses to become a great footballer.

His 5th CSL lord Ke(5) conj Mo+(5,10),+6, Aq lord Sa+(2,4-5),+1,3,4,7,9 is in the star of Ra (11) aspt by Ju(2,2-3-6), Le lord Su(12,11) and sub of Ma+(9,1), being the significator of 1,2,3,5,6,7,10 and 11 houses.

Marodona's Rahu is in the 10th house in Leo professionally a great position to succeed greatly. Rahu is aspected by the auspicious 2nd and 5th lord of creativity Jupiter (success in sports) in the 2nd house, which is in conjunction with 3rd lord of sports Saturn and in mutual aspect with the lagna and 6th lord of competition Mars (karaka for sports), which is also in aspect to 11th lord Mercury (intelligence) in lagan. Such connection of 1,2,3,5,6,10 and 11 houses gives great success in football.

His greatest achievement was leading Argentina team to win the World Cup in 1986, especially his talent and his personality is showcased at the quarter final game of that tournament against England on 22 June1986 (Sa-Ra-Ju-Sa), 12:00 CST, Mexico City, Mexico. Maradona scored two fantastic goals within three minutes of each other, the first goal occurred 51 minutes into the match when he punched the ball over goalkeeper's head which surely was reward for the lowest form of cheating ever seen in a football match. His second, when he picked up the ball in his own half and appeared to beat every member of the England team at least twice before scoring is rated by many as the greatest goal of all time. Argentina went on to win the World Cup and Diego Maradona appeared to win it for them almost single handed. Never before or since has one player had such an impact on a major tournament.

Marriage and Children
Mradona's 7th (marriage) CSL Sa+(2,4-5),+1,3,4,7,9 is in the star of Ve(1,7) and sub of Ju(2,2 -3-6), being the significator of 2,7 for marriage as well as 1,6 for separation and divorce. Although Saturn is in the dual sign of Sagittarius and 2nd (8th from 7 = 2nd wife) CSL Ketu signifies 2,7,11, his former wife Clendia Villafane was his first and only official wife but he had relationship with other women.

On 7 November 1989 (Sa-Ju-Me-Ju) Maradona was married to long-time fiancée Clendia Villafane after 13 years of dating and engagement and divorced in 2004 (Me-Ju). Marriage dasa lord Saturn is the significator of marriage houses 2,7; bhukti and sookshma lord Jupiter 2,7,11; and antra lord Mercury 2.
Ju(2,2-3-6) is in the star of Ke(5) conj Mo+(5,10),+6, Aq lord Sa+(2,4-5),+1,3,4,7,9 and sub of Ra(11) aspt by Ju(2,2-3-6), Le lord Su+(12,11) □ 2,7,11.
Me(12,8-9-12) is in the star of Ju(2,2-3-6) and sub of Mo+(5,10),+6 □2

His 11th (married life) CSL Ve(1,7) is in the star and sub of Me(12,8-9-12), signifying 8 for a lot of quarrelling with his wife as well as 1,12 for separation to divorce.

His 5th (love affairs and children) CSL Ke(5) conj Mo+(5,10),+6, Aq lord Sa+(2,4-5),+1,3,4,7,9 is in the star of Ra(11) aspt by Ju(2,2-3-6), Le lord Su(12,11) and sub of Ma+(9,1), indicates 5 and 11 significantly for many love affairs with separation of 6,12.

As his 5th CSL denotes 2,5,11 strongly, Maradona had recognised two sons and three daughters by four different women - including his ex-wife Claudia Villafane and former long-term partner Veronica Ojeda - as his own. Maradona's death could spark a family feud over his estate as he leaves behind five children he recognized as his and six others he has been linked to.

Drug Additions
Maradona had a few drug additions like alcohol, drugs, food and extensive sex etc. It is indicted by his Neptune (ruler of drugs and alcohol) connected with Sun (soul) in 12th house

(self destruction and rehabilitation). His lagna (self) and 6th (health) lord Mars (desire and energy) in 8th house (alcoholism) in mutual aspect to 2nd lord Saturn and 5th (pleasure) lord Jupiter (excess of all sort) in 2nd house (mouth, food and eating habits) shows addiction or accidents or operations. Again his Moon (mind and emotions) in 4th sign (emotional balance) connected with Ketu (confusion and misguidance), aspected by Saturn (depression and darkness) and in opposition to Rahu (drugs, huger), Pluto (destruction) and Uranus (erratic life pattern) makes him to move to fastest ways of relaxation like alcohol, drugs, pain killer etc. Of course Rahu in 10th house supported Madona to be very successful and in combination of Mars, Saturn and Neptune Rahu was pushing him for strong desire for the next drink, drugs, sexual partner, achievement etc.

Maradona's Death
On the day of death, 25 November 2020, he was running Ve-Mo-Ke-Ve DBAS joint dasa.

KP Death Rule: Death during the joint DBAS dasa of significators of main houses badakha (9 for Maradona), maraka (2,7), moksha (12) and supporting houses 8 (accident, serious ailment), 6 (disease, injury), 4 (end of everything), 10 (retirement from this world) and 3 (8th to 8) in order of importance when agrees with transit.
The significators for life saving or cure of disease are houses 1 (12th to 2), 5 (12th to 6) and 11 (12th to 12).

Dasa and sookshma lord Ve(1,7) is in the star and sub of Me(12,8-9-12), signifying deadly houses 9,7,12 as well as 8, along with life saving house 1.
Bhukti lord Mo+(5,10),+6 is in the star of Ju(2,2-3-6) and sub of Sa+(2,4-5),+1,3,4,7,9, signifying deadly 2,7 as well as 6,4,10,3, along with life saving houses 1,5.
Antra lord Ke(5) conj Mo+(5,10),+6, Aq lord Sa+(2,4-5),+1,3,4,7,9 is in the star of Ra(11) aspt by Ju(2,2-3-6), Le lord Su(12,11) and sub of Ma+(9,1), signifying deadly houses 9,2,7,12 as well as 6,4,10, along with life saving houses 1,5,11.

Transit on the day of death (25 November 2020)
Ve in star Ra(2,12,6) and sub Sa(9,2,7).
Mo in star and sub Me(9,12,8).
Ke in star Me(9,12,8) and sub Ju(2,6).
Su in star Sa(9,2,7) and sub Ve(7).
Since the DBAS lords and luminaries were in transit of star and sub of deadly significators, the dasa agrees with transit for Maroda's death.

Transit Saturn was aspecting Sun in 12. Lagna lord Mars had exact aspect on natal Mars in 8th house and aspect on Sun in 12. Rahu-Ketu was on the 7-1 axis.

May his soul rest in peace!

A boy sent me a horary no 150 as he wanted to know about his success in CA exam.

Time of judgment: 10:25 AM
Date of judgment: 14 Aug 2019
Place of judgment: Jodhpur Rajasthan
Horary no: 150

Rule:
For success in examination or education we have to consider house 4,9 and 11.
The cuspal sub lord (CSL) of 4 (basic education), 9 (higher education) and 11 (gain, fulfilment of desire) should signify 4,9 and 11, and at that time if dasa, bhukti and antra lords are the significator of 4,9 and 11, then the person will surely come out successful. If not, he will fail.
(Source: K. Subramaniam: Astrology & Education, p. 136)

1. 4th CSL Saturn
Planet Sa:
Starlord of Sa is Ve: 9; 7-12; Cnj Su(9, 10)

The 9th CSL's signification of 9,11 shows success in exam.

3. 11th CSL Rahu
Planet Ra+: 8; Sgl Me(9, 11, Asp by Mo[3, Asp 9, Cnj 3], Asp 3, Cnj 9); Asp by Sa(2, 4)

Sublord of Ra is Ju:
Starlord of Ju is Me: 9; 11; Asp by Mo(3, Asp 9, Cnj 3); Asp 3; Cnj 9)
The 11th CSL's signification of 4,9,11 denotes gain in exam and fulfilment of desire but with disappointment shown by 8th significator.

Correction of birth time of Kim Jong un, north Korea supreme leader

By: Gunti Nagaraju

Email: gunti.nagaraju@gmail.com

The following birth details are taken from the Astro Data Bank.
DOB- 08- JAN 1984/ TOB- NOT KNOWN/ POB- PJONGJANG, KOREA NORTH, with Latitude 39N01 and Longitude 125E45, and with a Rodden rating as XX.
The Astro Data Bank has also stated that there are three different prevailing years of birth in Wikipedia.

"Kim Jong-un or Kim Jong Un---- Born 8 January 1982, 1983, or 1984) is a North Korean politician serving as Supreme Leader of North Korea since 2011. North Korean authorities and state-run media have stated that Kim's birth date was 8 January 1982, but South Korean intelligence officials believe the actual date is a year later. It is thought that Kim's official birth year was changed for symbolic reasons; 1982 marks 70 years after the birth of his grandfather, Kim Il-sung, and 40 years after the official birth of his father Kim Jong-il. The US Treasury Department lists Kim Jong-Un's official birth date as 8 January 1984." (see Wikipedia)

With the above information, it is evident that Mr Kim Jong Un has three different years of birth as 08-Jan 1982/1983 and 1984.
This has created confusion and so the birth time needs to be corrected.

I have worked out the following ruling planets for the correction of his birth time on 12-10-2020
@05-52-16 P.M at my place ---
ASCENDANT—JUPITER-MERCURY-RAHU-VENUS.
MOON RASI--- MOON-MERCURY- JUPITER-JUPITER.
DAY LORD--- MOON.
NOTE- 1) Moon is aspected by Saturn directly by its 7th aspect giving rise to Punarphoo yoga.
2)Rahu is in Taurus sign and Venus is in our 4 RPs of the Asc. but not in 4 RPs of Moon. So Rahu is not considered for Moon whereas Rahu is already there in ASC RPs.
3) Kethu is placed in Mars sign which is not in the ASC. RPs or Moon RPs. So Kethu is not taken.
So Now our ASC. RPs are ---JUP-MERC-RAHU-VENUS.
MOON RPs ARE—MOON-MERC-JUP-JUP.
Now I have to proceed with correction f birth time with help of our RPs and given a birth date for arriving at the correct year of birth and correct time.

PART I---CHECKING FOR THE YEAR OF BIRTH WITH THE HELP OF JUPITER---

--A)Checking for JUPITER for the year of birth 1982:

12:00:00 AM	Ju	Ke	Mo

We have ours as ASC. RPs are ---JUP-MERC-RAHU-VENUS.

From the above tables of Jupiter's position for the years 1982, 1983 and 1984,--only 1982 position has Venus as sign-lord, Star-lord- Mercury and Sub-lord Rahu all the three lords are in our Ascendant RPs. So I have selected the year of birth as 1982.

Part II—since we have authenticated date and time of birth by Astro-data bank and other sites also, now I am proceeding for the checking of Moon's position with the help of our ASC. RPs----

A)CHECKING FOR Moon's star-lord--- Transition Information for Moon

Location: Pjongjang, Hwanghae-namdo, Korea, North

Date:08/Jan/1982/Start Time: 12:00:00 AM-End Time: 11:59:59 PM

10:47:21 PM	Me	Ra	Ra	Ju
11:12:56 PM	Me	Ra	Ra	Sa
11:43:19 PM	Me	Ra	Ra	Me

From the above table and our Asc. RPs, Mercury as the last planet is selected due to PP yoga.

PART III—

A) CHECKING FOR ASC. STAR-LORD POSITION WITH THE HELP OF OUR MOON RPs—

Transition Information for Lagna

Location: Pjongjang, Hwanghae-namdo, Korea, North

Date: 08/Jan/1982/Start Time: 11:43:19 PM- End Time: 11:59:59 PM

Transition Information Table

Time	Sign Lord	Star-Lord
11:43:19 PM	Me	Mo

We have both Mercury and Moon in our MOON RPs ARE—MOON-MERC-JUP-JUP and so Moon is selected as STL.

11:52:30 PM	Me	Mo	Ra

We have Moon RPs as MOON-MERC-JUP-JUP. From the above table, only Moon is available in our Moon RPs and so it is selected as SBL.

C) Checking for ASC. Sub-Sub-lord--- Transition Information for Lagna

Location: Pjongjang, Hwanghae-namdo, Korea, North

Date:08/Jan/1982/Start Time: 11:43:19 PM-End Time: 11:48:39 PM

11:48:39 PM	Me	Mo	Ma	Ma

From the above table and our MOON RPs, due to PP yoga, Jupiter is selected as it is reflected twice in Moon RPs.

D) Checking for ASC> Sub-Sub-Sub lord--- Transition Information for Lagna

Location: Pjongjang, Hwanghae-namdo, Korea, North

Date:08/Jan/1982/Start Time: 11:44:46 PM-End Time:11:45:30 PM

So far I have selected Moon as STL, Moon as SBL and Jupiter as SSBL, and now I am left with Mercury and Jupiter in our MOON RPs. Due to PP yoga, Mercury is selected as SSSBL from the above table.

E) Checking for ASC. SSSSBL--- Transition Information for Lagna

Location: Pjongjang, Hwanghae-Namdo, Korea, North

Date:08/Jan/1982/Start Time: 11:44:58 PM-End Time:11:45:05 PM

11:45:03 P.M as our CBT with ASC. as--11:45:03 PM Me Mo Mo Ju Me Ju.

Verification of life events with the corrected birth chart-
1) Ascendant cusp sub-lord is Moon.
--4th cusp star-lord is Kethu.
Kethu is directly aspected by Moon and so Kethu represents Moon.
---9th cusp star-lord is Sun. Sun aspects moon directly by its 7th aspect.
Sun is in the Sub of Mercury and Moon is in Sub of Mercury.

2)Kim Jong Un assumed his supreme leader position on the demise of his father as a successor in Dec 2011 after his father died on 11 Dec 2011.
On rotation of the native's chart for his 9th cusp –his father died in the period of Jupiter Dasa runnning up to 2014. Jupiter signifies @STL (RAHU)2-6-8 and @SBL(MERC) 2-8.
X Mars Bhukthi runs from June 2011 to May 2012, and Mars signifies @STL(MOON) 1-7-12 and @SBL(SAT)10.
X Saturn Anthra runs from 17-10-2011 to 10-12-2011, and Saturn signifies @STL(MARS) 7-10-12 and @SBL(SAT) 10.
Sun transit in Mars sign-Scorpio on Mercury star(2-10) from 03/12 to 16/12 agrees with dasa.

3) Married in 2009—7th cusp sub-lord is Sun signifies @STL(Venus) 2-5-12 and @SBL(Mercury) – gave him marriage.
It was during Jupiter Dasa runnig up to Oct 2014 which signifies @STL RAHU) 2-7 and @SBL(Merc)_.
X Venus Bhukthi runs from SEP 2006 to May 2009, signifies @STL MOON) 2-5-11 and @SBL (JUP) 2-7 agrees.

4) Assumed the office of the supreme commander of North Korea Armed forces on 30 Dec 2011---
Kanak ji rule to become a supreme commander of Armed forces or Military Dictator—(see KP E zine Dec 2007)—If the Ascendant cusp sub-lord signifies (the tendency of the people of the country) 6- military dictatorship and 11th –gains of power in the hands of the military dictator, one becomes and assumes the office of the supreme leader of the armed forces of the country.
As per the chart ---
Asc. cusp Sub-lord is Moon. Moon is the lord of 11 is placed in 9th (3 degrees orb to 10). Moon is placed in the star of Rahu and Sub of Rahu placed in 10th.
Rahu represents Mercury lord of 1 and 10 in 4th, Sun lord of 12 in 4th, Saturn lord of 5 and 6 is in 1st and Jupiter lord of 4 and 7 is in2nd.
Thus Moon signifies @STL 9-10-11 and @SBL 1-2-4-5-6-7-9-10-11-12, gave him the post of the military dictator of the country North Korea.

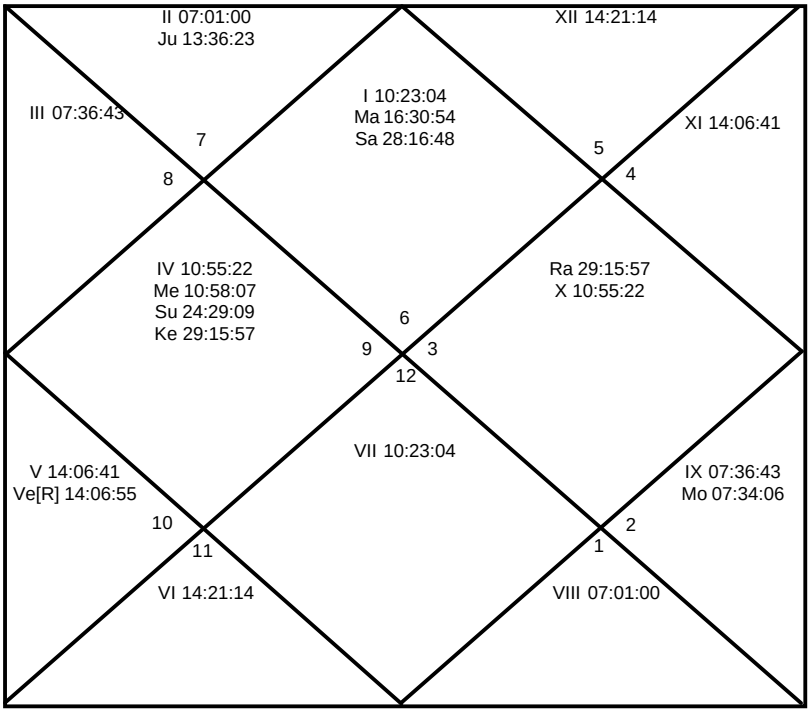

---2nd rule –If the 10th cusp sub-lord (out-come of the referendum or elections) signifies 6-military dictatorship, 11-gains, then one can get the power into his hand as a military dictator.
As per the chart---10th cusp sub-ord is Saturn+. It co-rules 4th also. So Saturn+ strongly signifies 10t cusp. Saturn+ is the lord of 5 and 6 is in 1st cusp. It is placed in the star of Mars

X Mercury+ Anthra runs from 10-12-2011 to 27-01-2012 and Mercury+ signifies @STL (MOON) 10-11 and @SB (MOON) 11.
Sun transits in Jupiter sign-Sagittarius-DL- on Venus star (11) 29/12 to 20/12 agrees with dasa.

---What are the chances for the dethronement of the present Dictatorship---
History of any dictatorship of any country always ends with dethronement or death.
Kanak Ji K P rule---
If the 8th cusp sub-lord (secret works of the enemy) ie: opposition parties signify 5-negative to 6th-dictatorship, 9th-negative to10-those in power and 12- loss of the ruler faces troubles and ends in death, one will have an end for his dictatorship during the conjoined period of the significations of 5-9-12 houses.
As per the native's chart--- 8th cusp sub-lord is Rahu co-rules 2 and 11 and it is placed in 10th. Rahu is the star of Jupiter lord of 4 and 7 2nd and in the sub of Sun lord of 12 in 4th.
Rahu represents Mercury lord of 1 and 10 is in 4, Moon lord of 11 in 9th, Sun lord of 12 in 4, Saturn lord of 5 and 6 is in 1st and Jupiter lord of 4 and 7 is in 2nd.
Thus Rahu the 8th cusp sub-lord signifies @STL (JUP) 2-4-7-10 and @SBL(SUN) 4-12. And it co-rules 5- and 9.
Here 2 and 7 are Marakas, 10- to experience past karma, 4-end of everything including his dictatorship, 12- loss of power, 9- negative to 10-power, and 5-negative to 6th –military dictatorship.

Significations of 5-9-12 houses—

Common Fruitful Significators--- JUP-SATURN-VENUS-MOON-RAHU-MERCURY.

PERIOD ANALYSIS---
Saturn Dasa runs up to 2033 and Saturn signifies @STL(MARS) 5 and @SBL (SAT) 5.
X moon Bhithi runs from 23-09-2025 to 24-04-2027 and Moon signifies @STL-9 and SBL 5-9-12.
X Mercury + anthrax period runs from 28-06-2026 to 17-11-2026 and Mercury + signifies @STL 5-9 and @SBL 9.
Sun transits in Scorpio sign –Mars- (5 and 9) on Jupiter star(5) from 16/11 to 20/11 agrees with dasa.
Because of the above facts, I feel that this native is likely to be dethroned during the period of 28-06-2026 to 17-11-2026.

Questions & Answers

Question 1: KP Ayanamsa or Stright Line Ayanamsa
In KP-4.5 Astrology program (KPEZine using)
He indicates 3- Ayanamsas
KP Ayanamsa
KP Strightline Ayanamsa
KP Strightline Ayanamsa(Adjusted)
When executed Sub-lords & Sub-Sub-Lords changes
Which one is appropriate to use, Please Reply sir.

Answer 1:
In short, KP Ayanamsa is to be used.

Why?

KP original/old ayanamsa, recommended by Guruji KSK
The KP original/old ayanamsa was presumed to be constant or flat for the full calendar year for easy manual calculation, in "KP Reader I: Casting the Horoscope", 1971, giving yearly values in degree and minute for the years 1840 to 2001. The formula was not given but it is based on the "two KP figures", i.e. zero ayanamsa year 291 A.D. and Newcomb's annual precession rate 50.2388475 sec. For years beyond 2001, the Newcomb's annual precession rate is to be added per year to the ayanamsa value for 2001, i.e.23 deg 47 min.

The KP new ayanamsa (2003)
The KP new ayanamsa (2003) gives a formula with "two KP figures (291 A.D. base year A.D. & 50.2388475" Newcomb's annual precession rate) for calculating the ayanamsa correct up to the value of seconds and for any date in the calendar year.

KP New Ayanamsa = B + [T* P + (T*T * A)]/ 3600, where
B = 22+1350/3600 = 22-22-30 @ 15 Apr 1900
P = 50.2388475 (Newcomb's annual precession rate)
A = 0.000111 sec per year (annual precession rate adjustment)
Note: 23 March, 291 A.D. is assumed as date of zero ayanamsa.

There is not any significant difference between the values of KP original/old and new ayanamsas. For KP analysis the star lords and sub lords of cusps and planets will be the same, except in borderline cases and so the results also will be the same.

The "KP Ayanamsa" in KPAstro 4.5 SW is the "KP new ayanamsa (2003)".

KP Straight Line Ayanamsa
It was introduced by MC Khare in the "Astrology & Arthrishta" October 1978 issue, pages 6-8, using the "two KP figures" while there was a lot of discussion on the KP old ayanamsa by scholars like M.G.G. Nair with desire to make a correction for the Newcomb's rate and K.M. Subramaniam of "Sublord Speaks" standing firm not to change these two KP figures given by Prof. K.S. Krishnamurti.

KP Straight Line Ayanamsa = T*P/3600, where
T = Y- 291 (year of zero ayanamsa)

Y= Calendar year for which ayanamsa is required
P = 50.2388475 sec per year (Newcomb's annual precession rate)
Note: T = fractional/decimal year taking days between given date and 15th April.

The KP straight line ayanamsa such calculated up to the required date is called KP Stright Line (Adjusted) Ayanamsa in the Rangarajan Krishnamoorthy's KPAstro SW.

The KP straight line ayanamsa value is very close to Lahiri 23:12:32 within around 40-50 sec difference.

The KP stright line ayanamsa had been used before introducing KP new ayanamsa (2003) by some KP astrologers and is currently used by a few KP astrologers, Baskaran (KB cuspal interlinks) and Khullar (KCIL cuspal interlinks).

The Khullar has taken the KP straight line ayanamsa by his name as the Khullar ayanamsa.

As per Kanak Bosmia's practical study, the KP new ayanamsa gives the better timing at lower level dasas than Lahiri ayanamsa.

By using the KP ayanamsa for Donald Trump's chart, 14/Jun/1946, 0:54 AM, hr 5 west, Jamaica, New York, USA, the running dasa sequence on the 4-yr ago election day, Nov 8, 2016, was Ju-Ju-Ju-Me.
Dasa-Bhukti-Antra lord Ju: 2, 5-9, is in the star of Ma:12,4, and in sub of Ra:10, Conj Su+:10,1-2, Aspt Ju:2,5-9, Sgl Ve+:11,10, +6,12. As per the double role of sub as decider as well as significator, the 6,9,10,11 significators at the sub level makes him the US President.

By using the Lahiri ,ayanamsa for Donald Trump's chart, the running dasa sequence on the election day, Nov 8, 2016, will be Ra-Ma-Mo-Me.

Here in this case it is found that the KP ayanamsa works better for Donald Trump than Lahiri ayanamsa.

Question 2: Khullar KCIL
In KP system E-BOOKS "Key to Learn - K.P. cuspal system.pdf " by S.P.Khullar which is on NET.
In pages 50 & 51 attached, he mentions that RA / KE as Sub-lord of a planet , the Planet gives the results of houses Of Planet + RA /KE Stellar status houses + RA / KE Representing Planets Stellar status houses.
The example shows for SUN in SA-star –KE-sub
He has shown only Cuspal-Position Houses of KE and KE representing Planets.
And mentions their PS (Positional Status).
My confusion is should we take only Cuspal-Position Houses of planets OR
Should we consider PS and take stellar status of planets also [More Hs are added.}]
Request your help sir.

Answer 2:
This e-book is the scanned copy of SP Khullar's Key to Learn Sub Sub & Cuspal Interlinks Theory, Sagar Publications, 2008, which is different from the simple KP sub lord theory although it is based on KP.

Based on the Sun in the star of Saturn and sub of Ketu, and Jupiter and Saturn are agents of Ketu:
As per Planetary Position table (Fig 1) on page 9:
The significator of Sun is first taken by star lord Saturn's cuspal positions of 1,2,6,8,10,12 in SgnL, Stl, Sbl & SSbl levels plus 4 by Ke's PS.
Then the significator of Jupiter's (as agent of Ketu) cuspal positions of 1,2,5,7,11 & 12.

And the significator of Saturn's (as another agent of Ketu) cuspal positions of 3,4,5,6,9 & 10. (In KP Saturn is not agent of Ketu as per chart on page 11.)

Lesson 7

Rahu or Ketu as Sub Lord of a Planet & Role of Sub-Sub Lord of a Planet

In lesson 4 we said that Rahu and Ketu offer the results of three Planets as follows:

1. Rahu or Ketu as Rahu or Ketu.
2. Rahu or Ketu as Sign lord of Rahu or Ketu.
3. Rahu or Ketu as Star lord of Rahu or Ketu.

In Lesson 5 we explained that if a Planet is in the Star of Rahu or Ketu it will be considered as follows:

1. Planet in the Star of Rahu or ketu.
2. Planet in the Star of Sign lord of Rahu or Ketu.
3. Planet in the Star of Star lord of Rahu or Ketu.

We also said that this should be seen from Planetary Positions Table. For example let us say that a Planet A is in the Star of Rahu. Let Rahu represent B as Sign lord and C as Star lord. Then first read the Planetary Table as A in the Star of Rahu. Then in place of Rahu under the column STL against A replace it by B. And then we may replace Rahu by C.

Another way of saying the same is, "any planet in the Star of Rahu or Ketu will also be considered as if that planet (which Rahu or Ketu represents) is substituted for Rahu or Ketu in the Planetary Positions Table."

Similarly any Planet in the Sub of Rahu or Ketu will be considered as if that Planet is also in the Sub of those Planets which Rahu or Ketu represents.

Let us refer to Fig1 in Lesson 2.Here we notice that Tr Planet Sun is in Saturn Star and Ketu Sub. The results which the Planet Sun has to offer to the native during its Dasa periods will be qualified or specified by the Sub lord Ketu.

Sun in this chart has no PS. It will offer the results as per its Stellar Status that is of houses 3, 4, 5, 6, 9, and 10.

Ketu who is the Sub lord of Sun in this chart represents Jupiter and Saturn. Qualification of results for the houses signified by Sun will be studied as follows:

1. Sun in the Star of Saturn and Sub of Ketu. Ketu appears in cuspal positions 1, 2, 4, 6, 8, 10 and 12. Ketu is placed in 4 with PS.
2. Sun in the Star of Saturn and Sub of Jupiter. Now Jupiter appears in cuspal positions 1, 2, 5, 7, 11 and 12.Jupiter is placed in 6 with PS (Jupiter is in Venus Star and Venus is in Jupiter Star.).
3. Sun in the Star of Saturn and Sub of Saturn. Here we notice Saturn appears in cuspal positions 3, 4, 5, 6, 9 and 10. Saturn is placed in 6 but has no PS.

Summarising the above we may say that the results of houses signified by Sun will be qualified or specified by the cuspal positions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12.This means that the Planet Sun is capable to offer both the favourable as well as unfavourable result of the houses signified by it. **Yes you will be asking the question: But what result do we choose?**

The answer to this question requires knowledge of the principles of Vimsottari Dasa and also the transit potential of the Planet Sun. We will discuss in detail on this subject in future lesson.

The battle for the US Senate: Georgia Senate run-off elections on January 5

By: Tin Win
Email: tw853@yahoo.com

In my opinion, the Democrats can win both Senate seats in the tight Georgia run-off elections to gain control of the Senate according to the analysis of Joe Biden's inauguration horoscope. (26 December 2020)

Background
The runoff elections in Georgia were called as none of the candidates won the state-mandated 50 per cent share of the last November vote to be declared victorious. Currently Republicans hold 50 seats in the Senate and Democrats hold 46, while the two independents who caucus with them bring them up to 48. To secure a majority, Democrats must win both seats, which would allow Vice President-elect Kamala Harris to cast the tie-breaking vote in the chamber.

The run-off elections will determine whether Republican Sens. David Perdue and Kelly Loeffler will keep their seats, or they'll lose them to Democratic challengers Jon Ossoff and the Rev. Raphael Warnock. The GOP only needs to win one of them for Mitch McConnell to maintain control of the Senate majority and its ability to block the agenda of President-elect Joe Biden. The Democrats under the leadership of Chuck Schumer therefore have to win both seats in order to gain control of the Senate and thereby boost Joe Biden's ambitious legislative agenda on taxes, immigration and the environment.
In this regard, since the birth times of the above four competing senate candidates and Chuck Schumer are not available, the alternative approach is to check the capability of the Joe Biden's presidency from the horoscope of his inauguration cast for noon on January 20, 2021 in Washington, DC as the incoming president assumes the duties of the office at noon according to the US Constitution. The actual swearing-in time may be different within a few minutes only.

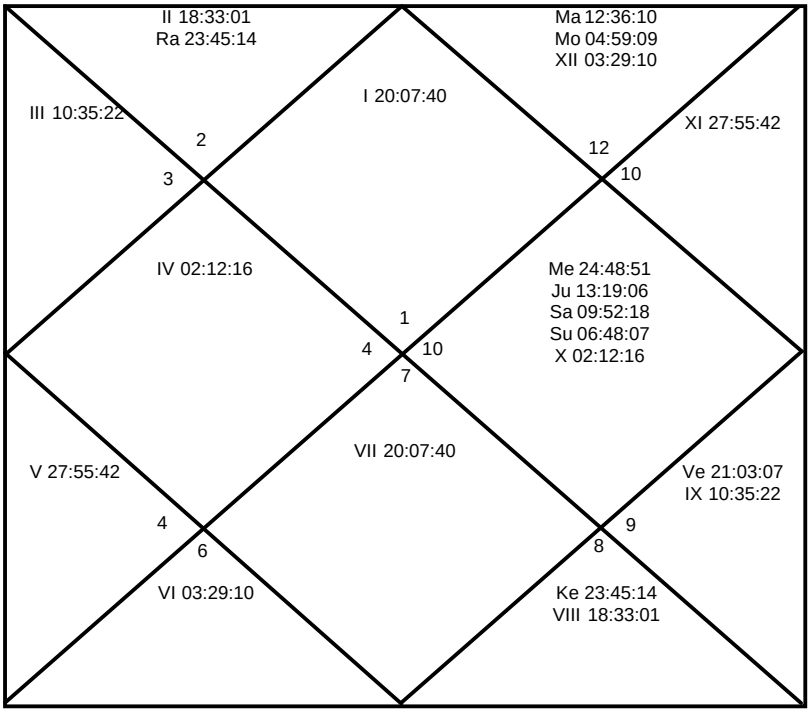

The rules of Sahl
The famous Arab astrologer, Sahl ibn Bishr (c. 786-845), known in Latin Europe as Zael, emphasizes in his writings (The Astrology of Sahl b. Bishr – translated by Sahl Ibn Bishr) that the essence of the horoscope of assuming power comes down to an appropriate interpretation of the tops of corner houses and their rulers (and their mutual relations), which indicate:
a) person (house I),
b) office (house X),
c) end of office (house IV) and
d) enemies (house VII).

Accordingly, there are several iron rules:

- The ascendant should not be in the terms of the malefix, neither in conjunction with the malefix, nor that the malefix be aspect of the ascendant.
- The ruler of the ascendant should not be in bad houses (VI, VIII and XII).
- The medium of the coeli should be advantageously aspect, and its ruler strong, because it will help keep the office.
- It is good if there is the Sun, Mercury or Jupiter in house X, or the Moon-Jupiter conjunction (which was previously considered a royal configuration).
- In the seventh house there should not be a little boy, because it may indicate bad intentions of competitors, enemies, rivals or pretenders to the throne (position) or even the death of the ruler in office.

Joe Biden's Inauguration Horoscope

In Biden's inauguration horoscope, fortunately, Sun, Mercury and Jupiter are in the tenth house, and Saturn and Pluto (0Cp46) are also there. Sun is 5th lord, Mercury 3rd and 6th lord, Jupiter 9th and 12th lord and Saturn 10th and 11th lord by rasi.

The 10th (authority) cuspal sub lord (CSL) Jupiter+ (10,9-12), +1,7,10, is in the star of Moon (12,4-5) and sub of Rahu+(2),+4, aspt by Jupiter+(10,9-12),+1,7-10, in Taurus representing Venus(9,2.7), signifying required house 10 very strongly, along with unfavorable 5,12 houses. (+ means: This planet does not have any planet in its stars.)

The lagna lord Mars is not in any of 6,8,12 houses but in the 1st house, in own rasi together with 4th lord Moon and Uranus (20Ar40). While this Mars-Uranus-Moon conjunction also signifies change, it looks less stable and more worrying for the country as a whole.
The 1st (self) CSL Jupiter+, as shown above, signifies 10 very strongly for authority, 1,5,9 for long life, along with unfavorable 2,7,12 houses for longevity.

The 11th (Congress/Senate) CSL Saturn+(10,10-11),+3,5,6,9,11,12 is in the star of Sun(10) and sub of Venus(9,2-7), signifying favorable 3,6,9,10,11, along with unfavorable 5,12.

As per 4-yr condensed Vimshottari dasa, Ketu dasa will be running from 18-Dec-2020 to 15-Mar-2021.
Ketu(8) in Scorpio sign, representing Mars(12,1-8). Ketu is in the star of Mercury(10,3-6) and sub of Mars(12,1-8), signifying favorable 3,6,10, along with unfavorable 8,12.

Overall, the inauguration horoscope suggests major changes lie ahead for the US. And Biden's presidency will be able to get approval in the Senate for appointments of cabinet members and judges and significant reforms and social change. This implies that the Democrats are in control of Senate after winning both Senate seats in Georgia run-off elections.

Question: Is any fraud with me about registry marriage by Mr. A B?
Horary Number: 171 (out of 249).
Date of Judgment: 12-11-2015, Wednesday; Time of Judgment: 14:19:32 PM IST
Place of Judgment: L G Hospital- Ahmedabad; Lat/Long: 23° N 00'.45", 72° E 36'.01", Ayanamsha: 24^0.03'.13" Dasa days: 365.25

Hints
If the cuspal sub lord of the 12th be the significator of 5 (Gain to opponent)- 8 (Unfair thing)- 12 (misfortune), there is a chance that one can be cheated. Cheating will be happen during the joint period of 8-12.

Cuspal Sub Lord
12th Cusp (Libra 15^0.32'.59"): The sub lord of the 12th cusp is Venus. Venus is in the star of Rahu and sub of Saturn. Venus is occupant of 10, owner of 6-11. No planet is in the star of Venus and Venus is the CSL of 5-7-11. Star lord Rahu is occupant of 6. Rahu is aspected by Jupiter. Jupiter is occupant of 1, owner of 1-4. Sub lord Saturn is occupant of 2, owner of 2-3. Here 12th cusp sub lord signifies 10-6-11-5-7-11-1-4, hence your doubt is very correct, he is cheating you.

Joint period:
At the time of judgment running Saturn dasa up to 11-08-2023. Joint period is Saturn-Rahu up to 29-01-2021.

Dasa lord Saturn is in the star of Sun and sub of own. Saturn is occupant of 2, owner of 2-3. Star lord Sun is occupant of 12, owner of 9. Sub lord is also Saturn. Dasa lord Saturn signifies 2-3-12-9. Hence your doubt is very correct, he is cheating you.

Bhukti lord Rahu is in the star of Mars and sub of Jupiter. Rahu is occupant of 6. Rahu is aspected by Jupiter. Jupiter is occupant of 1, owner of 1-4. Star lord Mars is occupant of 4, owner of 5-12. Sub lord Jupiter is occupant of 1, owner of 1-4. Bhukti lord Rahu signifies 6-1-4-5-12. Hence your doubt is very correct, he is cheating you.

My opinion: Yes, your doubt is correct, he is cheating you.

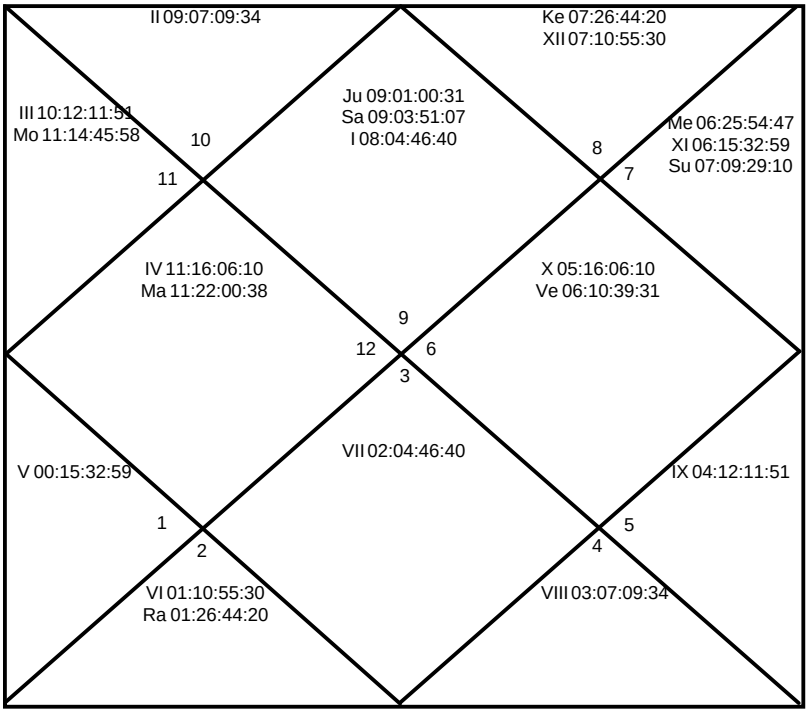

Actual outcome: Prediction comes correct. As per client's feedback: "Both your predictions came correct. And she wasn't expecting this to happen so quickly. Her husband was discharged from hospital, his first wife was there when Mr. A was discharged. He did not inform her. He is having relation with first wife and telling lies that he has no connection."

Will my cousin go to foreign-land for his job? If so, when?"

This is the horary question raised by me taking a horary number 205/249-at random on 17/nov/2020 at 08-58-54 a.m. @ my place.
Immediately I raised a horary chart @ 08-58-54 A.M. and the same is attached.
Since the query is raised by me, I am not rotating the chart for my cousin.
And I am also not checking the Moon to know my mind on the query.

Is the event promised?
"Sri Kuppu Ganapathi in his guidelines for preparing and judging horary chart as per the KP system or KP Principles—(see page no 03 in point no.8) says on the matter "whether the matter queried will materialize or not, consider 11th cusp and find out whether the following conditions are fulfilled or not

1. Sub-lord should not be retrograde.
2. Sublord should not be in the constellation of a planet in retrograde and
3. the Sublord should signify 11th or any one of the relevant houses under consideration.
Note- any one of the above is not fulfilled the query will not be promised."

When the 11th cusp is examined from the point of the above guidelines
Following observations are derived
As per the chart---11th cusp sub-lord is Saturn+. No planets are placed in Saturn stars and so Saturn strongly signifies 11th house. Saturn is placed in the star of Sun which can never be in retro motion.
1. It is not in retromotion.
2. it is not in the star of a retro motion.

Here is the signification of 11--10-12 houses which are all relevant houses for getting his profession in a foreign land, so I feel that the desire is promised.
As per Kanak Ji, the rule for getting a Job in foreign countries is----(see KP Ezine August 2016 issue) --"IF THE CUSPAL SUB LORD OF 2ND (9TH FROM 6TH) BE THE SIGNIFICATOR OF 9TH (ABROAD/LONG JOURNEY) OR 12TH (STAY ABROAD) AND BE CONNECTED WITH 2 OR 6 OR 11-FOREIGN TRAVEL FOR JOB IS ASSURED DURING THE CONJOINED PERIOD OF THE SIGNIICATORS OF 3,9 AND 12 HOUSES."

As per the chart—2nd cusp sub lord Mars is the lord of 3-10 and 11 in 2nd. Mars is the star of Mercury lord of 6 and 8 in 9 and sub of Venus lord of 4, 5, 9 in 8.
Thus MARS signifies 2,6,11 along with supporting houses 3 and 10, assures job in foreign land.

When is the question

PERIOD LORDS ANALYSIS
Dasa lord MERCURY is in CFS and is up to 2023 MAY. Mercury signifies @STL(RAHU) 6-9 and @SBL (MERC) 6-9.

Bhukthi lord Saturn+ is in CFS and is from 09 Sep 2020 to 19-05-2023 and Saturn signifies @STL (SUN) 12-(10) and @SBL (SAT) 12.

X SATURN ANTHRA LORD RUNS from 09-09-2020 to 12-02-2021, is O.K.

Sun transits in Mars sign (Scorpio sign) SL on Mercury star- DL from 03-12 to 16-12 agrees.
X MARS Sookshma period runs from 21-12-to 30-12-2020, signifies STL (MERC)3-9 and (2-3 -6) and @SBL(VENUS) 9 agrees.

I feel he may go to foreign by Dec 2020 end.
FACTS of the case— my cousin got appointment letter from an Indian company established in "TOGO" in AFRICA.

The same issue is also analyzed through the native's natal chart. K.P rule as given by Sri Tin Win (refer K P ezine July 2009 issue)—
"What the rule says "if 12th cusp sub lord signifies 3,9,12,-6 (job/service) or 7(business) or 10(assignment)- one can go to foreign for Job or business or assignment during the con-joined period of D B A of the 3,9,12,6 or 7 or10 houses when the transit agrees."

AS PER HIS NATAL CHART
As per the natal chart, 12 cusp sub lord is Saturn+ co-rules 3, 9, 6 and 12 cusps. No planets are placed in Saturn stars and hence Saturn signifies at its star level Rahu 9 and 11 and at its sub lord, Venus 9 and 12 indicates that he would surely go to a foreign country for under-taking job.

AS PER HIS NATAL CHART
As per Kanak Ji, the rule for getting a Job in foreign countries is----(see KP Ezine August 2016 issue)---"IF THE CUSPAL SUB LORD OF 2ND (9TH FROM 6TH) BE THE SIGNIFICATOR OF 9TH (ABROAD/LONG JOURNEY) OR 12TH(STAY ABROAD) AND BE CONNECTED WITH 2 OR 6 OR 11-FOREIGN TRAVEL FOR JOB IS ASSURED DURING THE CONJOINED PERIOD OF THE SIGNIICATORS OF 3,9 AND 12 HOUSES."
2ND CUSP SUB LORD IS MARS. Mars is the lord of 6 and 11 in 2nd (3 degrees orb to 3rd cusp).

Mars is in Venus star and Saturn sub. Venus is the lord of 5 and 12 in 9th and Saturn lord of 8 and 9 in 8th. Thus Mars signifies 6,9 and 11,12 at its star level and 9 at its sub-level. This promises foreign travel and foreign job. Mars is also connected to 2as sub lord and 6 and 11 at star level.

The parents of the girl have furnished the birth particulars of their daughter as under:

DOB: 12-6-1995. Time: 12-28 pm. Place: Nellore (long:79-59-32 E, Lat:14-27-2N) They have informed that their daughter's marriage has taken place on 6-5-2017. It is also informed that the married couple are living separately. They wanted to know astrologically the reasons for disturbance in the marital life of their daughter.

On erection of the chart, it is noticed that the native has borne in Saturn star (Anuradha) with ascendant Virgo.

KP Rule says if the 7th cuspal sublord signifies 2 or 7 or 11 marriage is promised. If the 7th CSL signifies 1, 6, 10, 12 it indicates separation and divorce after marriage.

Here in this chart, the 7th CSL is Mars. Mars is in the star and sub of Venus. Mars is in 12, Lord of 3, 8. The star lord Venus is in 9, lord of 2, 9. Venus is aspected by Moon in 3, lord of 11 and also by Saturn in 6, lord of 6. Mars finally signifies 2, 11 and promises marriage apart from negative houses of 6,8,12 for break up.

Marriage has taken place in the DBAS of Ket-Mon-Mon-Ven on 6-5-2017 and we will examine whether the horoscope reflects the same or not.

Dasa lord Kethu is in the star of own and sub of Saturn. Kethu is in 8 and Kethu represents Mars by being in the sign of Aries. Mars is in 12, lord of 3, 8. Star lord Saturn is in 7, lord of 5, 6. Hence Kethu is favourable for conducting marriage.

Bhukthi and anthara lord Moon is lord of 11. Star lord Saturn is in 7, lord of 5, 6. Moon is in the sub of Rahu in 2. So Moon is favourable for conducting marriage.

Sookshma lord Venus is in 9, lord of 2, 9. Venus has occupied its own sub and is lending its support for conducting marriage.

The horoscope reflects the celebration of marriage, so we can proceed further and analyse the chart to confirm the separation. The significators in this regard are as follows:

Cusp	A.	B.	C.	D
1.	—	—	—	Mer
6.	Jup, Mon.	Sat.	Jup, Mon.	Sat
10.	—	—	—	Mer
8.	Ket.	Ket.	Sun.	Mar
12.	Sun.	Mar.	Ven.	Sun

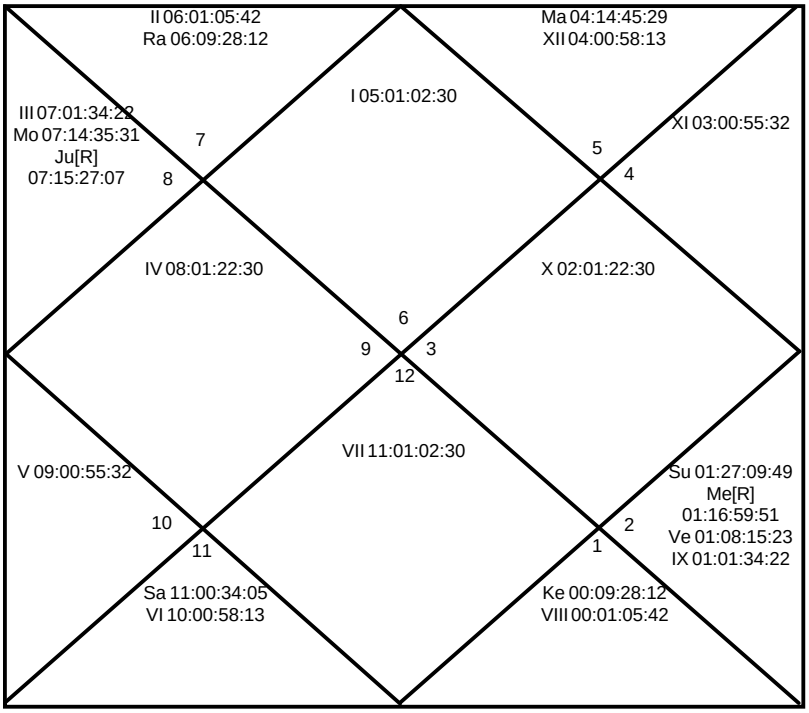

As seen from the above, the DBA lords for marriage are strongly signifies 6, 8, 12 houses also. Hence there is a scope for disturbance in marital life of the native. So we will examine conjugal happiness of the native. The conjugal happiness is to be ascertained through the dasa, bhukthi running after marriage. The native has got married in the DBAS of Ket-Mon-Mon-Ven.

Dasalord Kethu is in 8 in its own star and in the sub of Saturn in 6, lord of 5, 6. Further Kethu represents Mars by being in the sign of Aries. Mars is in 12, lord of 3, 8 in barren sign Leo. As Dasalord Kethu signifies 8,12 it indicates loss of romance/conjugal happiness and harmonious relations.

Bhukthi and anthara lord Moon is in the star of Saturn and sub of Rahu. Moon is in 3, lord of 11. Moon is aspected by 12th lord Sun by 7th aspect. The star lord Saturn is in 6, lord of 5, 6 and aspected by 8th lord Mars in 12 by 8th aspect. The sublord Rahu represents Venus by being in the sign of Libra. Venus is in 9, lord of 2-9. Rahu signifies 2, 9, 6 house matters. So Moon indicates loss of family life.

Sookshma lord Venus is in the star of Sun and occupied its own sub and predominantly gives the matters of 12th house as already stated above.

The affliction of 11th lord Moon by aspect of Sun and Mars is a sign of impotency of husband causing displeasure, unhappiness, life partner's inability and unsuccessfulness in conjugal happiness and will result in disturbance in marital life of the native that may lead to divorce.

It is learnt from the parents of the girl that they have approached the court of law for judicial separation on the ground of impotency of the boy. The matter is pending to be finalised in the court.

Question: Will my first article be published in KPezine?

Last month I submitted my first article. After submitting a question came in my mind whether my article would be published or not.

Rule:
If 3rd CSL is connected to 3 (article/writing/publishing), 10 (honour/prestige/gain) and 11 (Success) then article will be published during joint dasa of significators of 3-10-11. Additionally Mercury is karaka for writing and publishing. 11th house to be checked for successful publishing.

3rd Cuspal Sub-lord Mercury is occupant of 3rd house and owns houses 2 and 11. Mercury is in the star and sub of Saturn who occupies 5th house and owns houses 6 and 7. So the 3rd cusp sub-lord is connected to 3 and 10. Publishing of my article is promised.

11th Cuspal Sub-lord Venus is occupant of the 3rd house, owner of houses 3 and 10. No planet is in the stars of Venus, and Venus is the cuspal sub-lord of 7, 9 and 11 houses.
Venus is in the star of Rahu in 10. Rahu is aspected by Jupiter, occupant of 5th house and owner of 5 and 8 house. No planet is in the stars of Jupiter, and Jupiter is the cuspal sub-lord of 4, 10 and 12 houses. Venus is in the sub of own.
11th cusp sub-lord is connected to 3,10,11, so successful publishing of my article is promised.

Now I will have to check whether it is supported by the dasha, bhukti and antara or not.

Star lord Mercury is occupant of 4, owner of 2-11. Venus is occupant 3, owner of 3-10. No planet is in the star of Venus, and Venus is the CSL of 4-10-12. Sub lord Rahu is occupant of 10. Rahu is aspected by Jupiter. Jupiter is occupant of 5, owner of 5-8. Sookshma lord Ketu signifies 4-1-2-11-3-10-5-8. Sookshma lord Ketu is also in the RPs and indicates 4-8-11.

The following birth details of the diseased native are furnished bellow---
DOB-04 OCTOBER 1971/ TOB—03-45-00 P.M/ POB-KALYANDRUNG, A.P.

On 23 July 2020, he went to meet a customer on his official purpose, and while returning by his car, there was a problem with his vehicle. He parked his car onto the roadside and after checking, he managed to set-right his vehicle with help of his colleague who was also travelling with him. His colleague boarded the vehicle first and then he was trying to sit in the driving seat by opening the door. Just at the very fraction of that moment, suddenly a fellow who was coming on the opposite side of his car came driving his scooter, hit him and the door of the car and passed away. Next moment my cousin fell on the road and died instantly. Immediately his friend who was travelling with my cousin telephoned to a nearby hospital and took him to hospital with the help of an ambulance. The doctors at the hospital after checking thoroughly, confirmed his death by a road accident, which was due to the collusion of his head with the road

Western astrologer CELESTE TEAL in his book " PREDICTING EVENTS WITH ASTROLOGY" says (quote) " When we speak astrologically of any road accidents in general, they are attributed to a combination of progressed and transiting aspects. They are likely to include afflictions involving Mars, both in the progressions and the transits. Mars is considered a malefic planet for good reasons. When prominent and afflicted, it reflects the potential for accidents, illness, and general conflicts.
Uranus is often a prominent planet when risk and danger are near. It is frequently involved in afflicting aspects when accidents occur, especially when they come out of the blue or unexpectedly. Uranus acts in lightening speed. Uranus in affliction with Mars is the most dangerous aspect when trouble comes from unexpected directions.
Traffic accidents or problems with vehicles might have Mercury or ruler of the third house involved, probably in affliction to Mars for a serious accident to occur, the natal Sun and the progressed angles of the chart would likely be seriously afflicted."

This can be agreed to some extent by KP followers if one reads the second reader of Sri Late K.S. Krishnamurthi, an astrology wizard of the 20th century, wherein he says- (see pages 298 -302) (quote) "when the eighth house is occupied by the lord of Lagna or the planet in the 8th happens to be posited in the constellation of the Lagna lord, or the lord of the 8th is in conjunction with the lord of Lagna, the indication is that the native himself will be the cause of his death...."
And continues to say" if the 3rd house alone is connected, the death may happen during travel in a nearby locality. If the 12th house is connected, death may take place in an unknown place. If connected to the 9th house in any manner, the native may likely die in a far-off place or while going on a long journey".

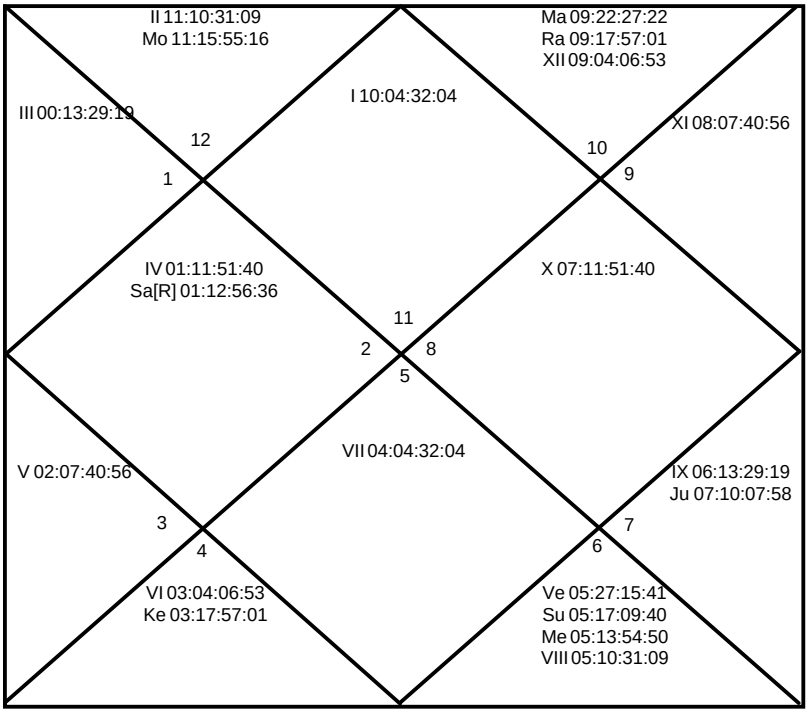

He further adds that if Uranus is connected with the 8th house in any manner, it may indicate strange and sudden death, death caused by an explosion. Neptune indicates a mysterious death, death after being in a state of coma or unconsciousness, or due to over dosage of drugs or allergy etc. If it is connected with a watery sign, it may be by drowning, if with an airy house it may be due to an air crash. If Mars is connected with the 8th and fiery sign at birth and is the significator of death, then death may be by fire or violence, or by mechanical instruments.

Before proceeding with the analysis of the native's natal chart on the accident, let me furnish what our KP system rules say on this-

1) If the Ascendant cusp and the 8th cusp sub-lords signify 6-injury, ill-health due to accidents, 8-accidents, 12- hospitalization due to accidents or a fall, one may meet with accidents/fall during the conjoined period of the significations of the houses 4(end of everything including life)-6-8 and 12. (see May 2017 KP ezine)
2) if Maraka and Badhaka houses are also signified or connected the accident may prove to be fatal. Death is indicated only by the significators of Maraka and Badhaka houses. (K.P. Reader 6 –page 155, See Sri Chandrakanth R Bhatt-Nakshatra Chinthamani-page 31, Further Light on Nakshatra Chinthamani- Page35).
3) if the significator of the 3rd house for a short journey and the significator of 9th house for long journey happens to be the significator of houses 6 and 8 houses one will meet with an accident.
   The injury will need hospitalization if it is also the significator of 12th house. Danger and death are denoted by the sub-lord of the cusp of the 8th house. (KP Reader 3, page 171 and 422).

4) If the Sub-lords of the 4-8-12 trigonal or terminal houses have their stars in each other houses, the serious accident will occur during the conjoined period of the significators of the houses of 4-8-12. (Astro secrets and K.P part 2-page 95 of
Sri K. M. Subramaniam- Sub-lord speaks-3- page 23 and 66).

Analysis of the natal chart of the native
Ascendant cusp falls in Aquarius sign on 04-32-04 longitude with Saturn SGL- Mars STL- - Venus SBL. Aquarius Lagna is a fixed sign. 9th house and its lord is the Badhaka house and Badhaka lord for this Lagna.
As planets Saturn and Mars are malefic Saturn the ascendant sign-lord is also the lord of 12th placed in 4th. Both 12th and 4th houses are relevant houses signifying the loss of life and end of life.

Mars the star-lord of the ascendant, the lord of 3 and 10 is placed in 12th house indicating the end of life through short travel (3), 10- to experience the past karma by the native and exit from this world and 12th loss of life.

Venus+ the Ascendant cusp sub-lord, the lord of 4 and 11 is placed in the 8th house with Mercury lord of 5 and 8, Sun lord of 6 and Uranus. No planets are placed in Venus stars and so Venus strongly signifies 1 and 3 (short travel by a vehicle –Venus). Venus + is placed in the star of Mars lord of 3 and 10 in 12 and the sub-lord of Jupiter lord of 2 and 11 in 9th (Badhaka house) but within one-degree orb to 10th cusp.
Thus the Ascendant cusp sub-lord Venus+ strongly signifies @STL 3-4-8-9-10-12 and @SBL 2-9-11, clearly indicates medium –life span ranging from 33 years to 63 years.
The native died in his 49th year.

Here the Ascendant cusp SBL signifies-
3rd- accident by a short journey by a vehicle, 4- end of everything including life, 8-to have death by accident, 9- Badhaka sthana, 10- to experience the past karma by the native and exit from this world, 12- loss of life and by a fall through the hit of a vehicle, and 2- maraca house.
4-8-9-10- and 12 are death inflicting houses.

Here it can be noted that the Ascendant cusp star-lord Mars as the lord of 3 and 10 is placed in 12th house with another first-class malefic Rahu (within 6 degrees orb) in its full strength of exaltation.
Mars aspects directly 6th- danger and ill health due to accidents, 7th –Maraka-death inflicting house by 8th aspect.
Uranus- another dangerous planet indicating sudden and violent death by accidents is placed in 8th house with 8th lord Mercury, 7th lord Sun, and 9th lord Venus.

02) 8th cusp falls in –
Virgo sign on 10-31-09 longitude- with Mercury SGL- Moon-STL and Moon-SBL.
SGL Mercury is the lord of 5 and 8; is placed in 8th and the STL and SBL Moon are the lord of 6th, is placed in 2nd. Here both 2 and 8 are death inflicting houses.
The 8th cusp sub-lord is Moon lord of 6th, is placed in 2nd, in the star-lord of Saturn lord of 1 and 12 is in 4th and the sub-lord of Jupiter lord of 2 and 11 is placed in 9th house.
Thus the 8th cusp sub-lord Moon co-rules 7 and 10 and signifies @STL 1-2-4-6-12 and @SBL 2-9-11.
Here also the relevant houses of death –2- maraca house, 4—end of life, 6- danger and injury due to accident, 12- loss of life, 9th- Badhaka house, indicates death by accident only.
Moon is connected to 8th house as its sub-lord, and aspected directly by 8th lord Mercury, Sun-7 and Maraca house lord, Venus lord of 4 and 9th. Note all these planets of 8th cusp are aspecting another Maraca house 2nd and its depositor Moon, by their 7th – malefic aspect.

03) 12th cusp falls in-
Capricorn sign on 04-06-53 longitude- with SGL-Saturn-STL Sun- SBL_ Saturn.
SGL and SBL Saturn is the lords of 1 and 12 placed in 4th. It co-rules 6h cusp also. The star-lord Sun lord of 7th is placed in 8th. Saturn the 12th sub-lord is placed in the star-lord of Moon lord of 6th is placed in 2nd and the sub-lord of Rahu is in 12th with Mars.
So the 12th cusp sub-lord Saturn signifies @STL 1-2-4-6-12 and @SBL 1-3-4-10-12. Here also the 12th cusp sub-lord signifies all relevant houses of death by accident.

Period analysis - the native died on 23-July 2020 @08-30-05 (as per the declaration of the hospital authorities).
SUN+ Dasa runs up to 2022, and Sun+ signifies @STL 2-6-7-8 and @SBL-2.
X SATURN Bhukthi runs from Sep 2019 to August 2020, and Saturn signifies @STL 1-2-4-6-12 and @SBL 1-3-4-10-12.
X JUPITER+ Anthra runs from 29-06-2020 to 15-08-2020, Jupiter signifies @STL 2-4-10-12 and @SBL 4-8-9.
Sun transits in Moon sign –Cancer—on Saturn star-BL from 20-07 to 03-08 agrees.
X VENUS+ Sookshma period runs from 22-7-2020 to 30-07-2020, and Venus+ signifies @STL 4-3-8-9-10-12 and @SBL 2-9-11.
(The Death day-23 July 2020 @ 08-30-05 P.M @ Bangalore, chart is also attached) –

Table showing the period lords and their significations at a glance

Period lords	Dasa lord Sun+	Bhukthi lord Saturn	Anthra lord Jupiter+	Sookshma lord -Venus+
From-to	Up to 2022	Sep2019-Aug 2020	29-06-2020 15-08-2020	22-07-2020 30-07-2020
@ Star level	2-8-6	1-2-4-6-12	2-4-10-12	4-8-9-10-12
@ Sub level	2	1-4-10-12	4-8-9	2-11

As per the above chart - On the date of the native's death, the Ascendant was transiting Aquarius sign, Saturn as Lagna lord and also 12th cusp sub-lord were transiting in 12th house- Capricorn. Mars+ the karaka for accidents was transiting in Pisces sign -2nd house-maraca house and was also aspecting the 8th cusp directly by its 7th aspect, 9th house by its 8th aspect. Moon lord of 6th was transiting in 7th –Leo- another maraca house, Sun lord of 7th was transiting in 6th house-Cancer sign, and 8th lord Mercury was transiting in its own sign-5th house aspected by Mars by its 4th aspect.

From the above analysis it has been proved once again beyond doubt, K.P system of astrology and its rules, if applied and analyzed properly, give wonderful results.

My salutations to our great KP astrologer SRI KSK and my sincere thanks to Sri Kanak Ji our KP E zine editor who has been supporting me by accepting my articles for publication.

Birth time rectification

HIG 72, Bharatnagar Colony, Hyderabad-500018.

A friend of mine, who was born on 30th November 1964 in Nellore between 4.00 am and 4.30am, requested me for correction of his birth time.
According to K.P. the ruling planets at the time of judgment agree with the signlord, starlord, sublord and sub sublord of the ascendant at the time of birth. In other words the signlord, starlord, sublord and sub sublord of the ascendant at the time of birth are found either in the star or sub of the ruling planet or planets at the time of judgement.
In the light of the above, I have erected a time chart at 2-35 pm on 3rd June 2020 and the ruling planets are as follows:

	Signlord	starlord	sublord	sub sublord
Ruling Planets of Moon as on 3.6.2020	Ven	Rah	Ven	Rah
" lagna "	Mer	Mar	Mar	Sun
Daylord (Wednesday) ...		Mercury		

Venus and Rahu are figured twice in the ruling planets of Moon.

The transition of lagna as on 30th November, 1964 between 4.00 am and 4.30 am as under:

	Signlord	starlord
4-00 am	Ven	Rah
4-30 am	Ven	Rah

The lagna falls in Venus sign and Rahu star and they are reflected as ruling planets of Moon on the date of analysis. Hence we may fix Venus and Rahu as signlord and starlord of lagna respectively.
Now we may check the position of lagna transit in sub between 4-00 am and 4-30 am as on 30-11-1964 as under in the transition table.

	Signlord	Starlord	Sublord
4-00 am	Ven	Rah	Sat
4-02-48	Ven	Rah	Mer
4-10-48	Ven	Rah	Ket
4-14-06	Ven	Rah	Ven
4-23-34	Ven	Rah	Sun
4-26-25	Ven	Rah	Mon

The lagna is transiting in the sub of Saturn, Mercury, Kethu, Venus , Sun and Moon between 4-00 am and 4-30 am as on 30-11-1964 and among them Venus is reflecting in the ruling planets of Moon on the date of analysis and hence we may fix the Venus as sublord of lagna of the native.

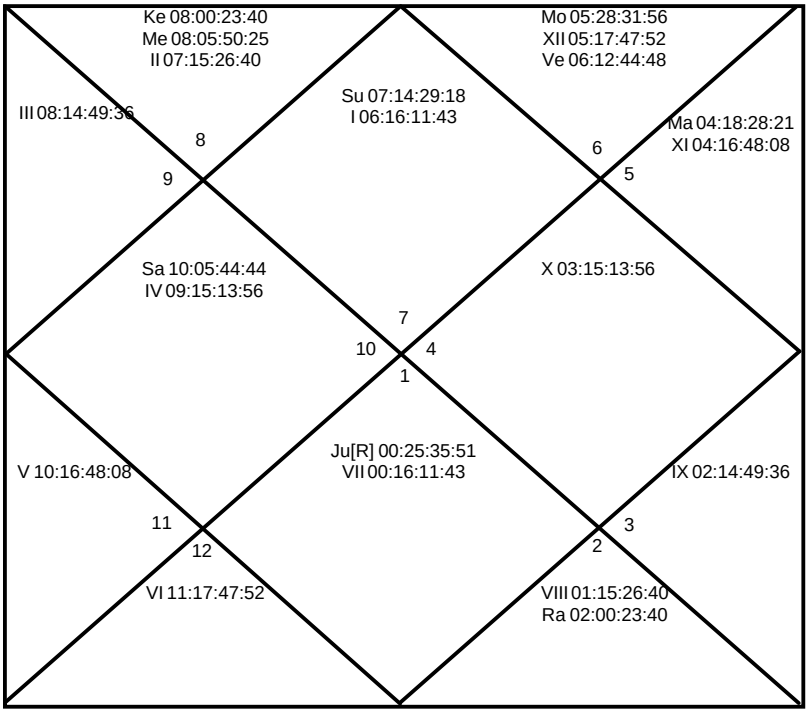

Now we may check the position of lagna transit in sub sub between 4-14-06 and 4-23-34 as on 30-11-64 as under:

	Sign lord	Starlord	Sublord	Sub sublord
4-14-06	Ven	Rah	Ven	Ven
4-15-41	Ven	Rah	Ven	Sun
4-16-09	Ven	Rah	Ven	Mon
4-16-56	Ven	Rah	Ven	Mar
4-17-29	Ven	Rah	Ven	Rah
4-18-55	Ven	Rah	Ven	Jup
4-20-10	Ven	Rah	Ven	Sat
4-21-40	Ven	Rah	Ven	Mer
4-23-01	Ven	Rah	Ven	Ket

The lagna is transiting in the sub sub of all the planets between 4-14-06 and 4-23-24 but Rahu is the only ruling planet left over in the ruling planets of Moon. So Rahu will be taken as sub sublord of lagna between 4-17-29 and 4-18-55. The average time may be taken as birth time of the native, that is, 4-18-14 am corresponding to the co-rulers of lagna Ven-Rah-Ven-Rah.

As per the Rule of Origin, the co-rulers of lagna must have relation with the co-rulers of 9th cusp Mer-Rah-Ket-Rah directly or indirectly. Planet Venus is in the star of Rahu and sub of Mercury. Rahu is in the sub of Mercury. Kethu is in the sub sub of Rahu. Thus, rule of origin satisfied indicating the correctness of the rectified birth time.

The rectified birth time also to be verified with the important events in the life of the native to find out the genuineness of the rectification.

The 8th cuspal sublord Jupiter and 12th cuspal sublord Mercury are signifying 8,12 in the chart of the native indicating accident. Though mars, rahu, Jupiter and Saturn are significators of accident, no accident has taken place so far to the native because the cuspal sublord concerned has signified the negative houses of accident 1,3 that diverted the dasalords from causing accident.

The 11th cuspal sublord Moon in the chart of the native has promised child birth but the native has no children so far. The reason for not having children is the cuspal sublord Moon occupies the sign Virgo, a barren sign, which is a 12th house and denotes defects in the functioning of the generative organs. The Sun, significator for vitality and Venus for fertility, become malefic due to affliction.

As the incidents verified tallied with the actual position in the life of the native the rectified birth time is correct.

I love a boy and we are in a relationship for more than 2 years. What is the outcome of the affair? Will I be able to get married?

A young lady client of mine asked "I love a boy and we are in a relationship for more than 2 years. What is the outcome of the affair? Will I be able to get married? If so when? If not, when will it end?"

Horary No: 200
Date: 21 Nov 2020
Time: 12:36:51 PM

Ruling planets at time of judgement-:

	Sign	Star	Sub
Asc:	Saturn	Rahu	Venus
Moon:	Saturn	Mars	Rahu
Day:	Saturn		

Rule: If 5th CSL is the significator of 7 and 7th CSL is the significator of 5, then love marriage is promised during the joint period of significators of 2,7,11 (5).

5th Cuspal sub-lord is Rahu occupant of 5. Rahu is aspected by Jupiter owner and occupant of 12. Rahu is in the star of Mars occupant of 2nd house and owner of houses 3, 4, 11. Rahu is in the sub of Jupiter owner and occupant of 12. So Rahu is the significator of 2, 3, 4, 11, 12 and connected to 5, 12.

Here the 5th house of love relationship is not showing the 7th house of marriage. Not only that Rahu is connected to the 12th house of separation, 4th house of break in love.
Since the 5th is not linked with 7, so it's not necessary to look into 7th cusp as this relationship will end. It's just a matter of time when it will happen.

Dasha running Mars from 30 Jan 2020 to 30 Jan 2027.
Mars is occupant of 2 and owner of houses 3, 4 and 11. Mars is in the star of Mercury occupant of 9 and owner of house 6. Mars is in the sub of Venus occupant of 9 and owner of 5, 9 and 10. No planet is in the star of Venus and Venus is the CSL of the 3rd cusp.
So the dasha lord is the significator of 9, 6 and connected to houses 2, 3, 4, 5, 10, 11.

Bhukti lord operating at the time of judgement was Rahu from 27 June 2020 to 15 July 2021.

Rahu is occupant of 5. Rahu is aspected by Jupiter owner and occupant of 12. Rahu is in the star of Mars, occupant of 2nd house and owner of houses 3,4,11. Rahu is in the sub of Jupiter owner and occupant of 12. No planet in the star of Jupiter and Jupiter is cuspal sub lord of 12th cusp. So Rahu is the significator of 2, 3, 4, 11, 12 and connected to 5, 12.

Antara lord operating at the time of judgement was that of Saturn from 14th Oct 2020 to 14 Dec 2020.

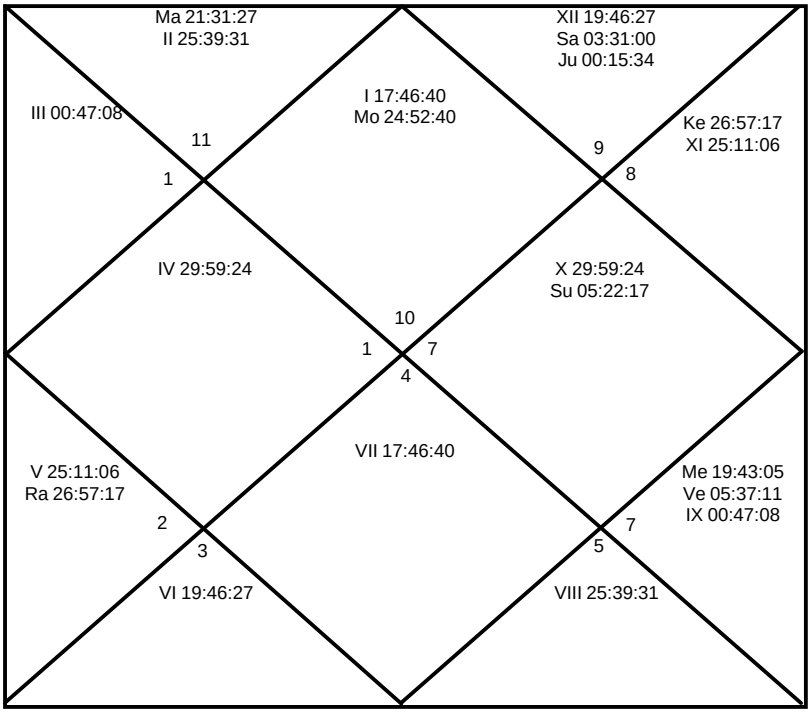

Saturn is occupant of 12th house and owner of houses 1 and 2. Saturn is in the star of Sun, occupant of the 10th house and owner of the 8th house. Saturn is in sub of its own.
So Saturn is the significator of 10 and 8 and connected to 1, 2, 12.

The bhukti lord Saturn is totally negative for this relationship to continue and break ups between the partners are likely to happen during this period between 14th Oct 2020 to 14th Dec 2020.

Outcome: After informing my client about my opinion she told me that her boyfriend is not talking with her over phone and he even blocked her and cut all contacts with her for more than 10 days and she was unsure whether this relation will continue. And after my analysis she was upset and this is what she just wanted to confirm. Finally after about 7 days she informed me that she has moved on.

Will he recover?

This question was raised by my sister's friend as her elder brother is hospitalized; they asked me twice to check later, and I casted a time chart as below:

Date 06-Sept-2020
Time 18:01:43
Place Hyderabad

I rotated the chart directly 9th as Ascendant.
Lagna is Libra sign, movable sign 22:41:35.
For Libra Asc 11th house is bhadekesh.

Asc cusp sub lord is Saturn. Saturn is in the star Sun (11), owner of (11) and sub Jupiter (3), owner of 3-6. Sub's star is Venus (9), owner of (1-8). Saturn signifies at star level bhadaka house, in last step 8, 1, which shows serious illness

VI & XI cusp sub lord is Venus. Venus is in the star Saturn (3), owner of 4-5 cusp-yuti (4) and Sub Mer (11), owner 9, (12). Sub's star is Sun (11), owner of (11). Venus signifies 3, 4 at star level, bhadaka house 11, 12 at sub level and bhadekesh 11 strongly at last step.

Dasha Ketu:
Ketu is in star Ketu (2), sign Jupiter (3), owner of 3-6 and sub Venus. Sub's star Saturn (3), owner of 4-5 cusp-yuti (4). Ketu signifies 2, 3, 4 houses.

Bhukti Jupiter:
Jupiter (3), owner of 3-6 is in star venus (9), owner of (1-8) and sub Saturn. Sub's star Sun (11), owner of (11). Jupiter signifies 1,8 at star level and 11 at last step 11 which is bhadekesh to the Libra Asc. , danger to life.

Antra Ssaturn which is already discussed above.
Next Mercury anthra. Mercury (11), owner 9, (12) is in star Sun (11), owner of (11) and sub Ketu.
Sub's star Ketu (2), sign Jupiter (3), owner of 3-6. Mercury's signification of 11, 12, 2 houses is very crucial for this period as there is no improvement bhavas present. The period will be till 10 Dec 2020.

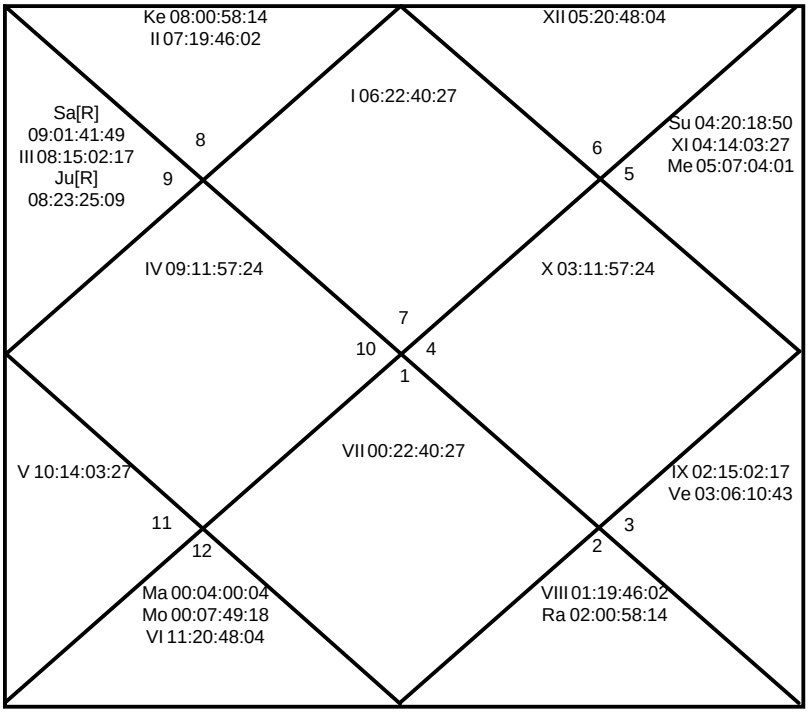

Conclusion
I received confirmation from my sister today that her brother passed away on 7 Dec 2020.

May his soul rest in peace.

Question: My husband is admitted in emergency, when will he recover?
Number: 17546 (out of 249)
Date of Judgment: 24-11-2020; Tuesday; Time of Judgment: 21:38:58 PM IST
Place of Judgment: Kankariya-Ahmedabad-Gujarat; Long/lat: 23° N 00', 72° E 37';
Aynamsha: 24^0.03'.31"

Hint
If the sub lord of the Ascendant cusp be the significator of 1-5-11, the native may recover after accident or escape from accident during the joint period of the significator of 1-5-11. (In Char lagna consider 9th instead of 11).
During the joint period of the significator of 2-4-11 the native may be discharged from hospital.

Cuspal Sub lord
Ascendant (Scorpio 11^0.00'.00"): The sub lord of the Ascendant cusp is Moon. Moon is in the star of Saturn and sub of Mercury. Moon is occupant of 4, owner of 9. No planet is in the star of Moon and Moon is the CSL of 1-6-7-10. Star lord Saturn is occupant of 2, owner of 3-4. Sub lord Mercury is occupant of 12, owner of 8-11. Ascendant cusp sub lord Moon signifies 4-9-1-6-7-10-2-3-12-8-11, indicating required 1-11 with negative 6-8-12.

Ruling Planets

	Day lord	Sign lord	Star lord	Sub Lord
Day: Tuesday	Mars	—	—	—
RP Ascendant: Cancer 02°.11'.00"	—	Moon	Jupiter	Rahu
RP Moon: Pisces 06°.28'.40"	—	Jupiter	Saturn	Mercury

Ruling planets are Mars-Moon-Jupiter-Saturn-Mercury-Rahu.

Joint period:
Running dasa of Saturn is up to 02-12-062035. Joint period running is Saturn-Mercury-Mars up to 05-12-2020.

Dasa lord Saturn is in the star of Sun and sub of own. Saturn is occupant of 2, owner of 3-4. Star lord Sun is occupant of 1, owner of 10. Sub lord is also Saturn. Thus dasa lord Saturn signifies 2-3-4-1-10, indicating 1 to give cure but not indicating 6-8-12 at all. Saturn is in the RPs.

Bhukti lord Mercury is in the star of Jupiter and sub of own. Mercury is occupant of 12, owner of 8-11. Star lord Jupiter is occupant of 2, owner of 2-5. Sub lord is also Mercury. Thus bhukti lord Mercury signifies 12-8-11-2-5, indicating 5-11 to give cure as well as 8- 12 to give disease. Mercury is in the RPs.

Bhukti lord Mars is in the star of Mercury and sub of Sun. Mars is occupant of 5, owner of 1-6. Star lord Mercury is occupant of 12, owner of 8-11. Sub lord Sun is occupant of 1, owner of 10. Thus bhukti lord Mars signifies 5-1-6-12-8-11-10, indicating 1-5-11 to give cure as well as 6-8-12 to give disease. Mars is in the RPs.

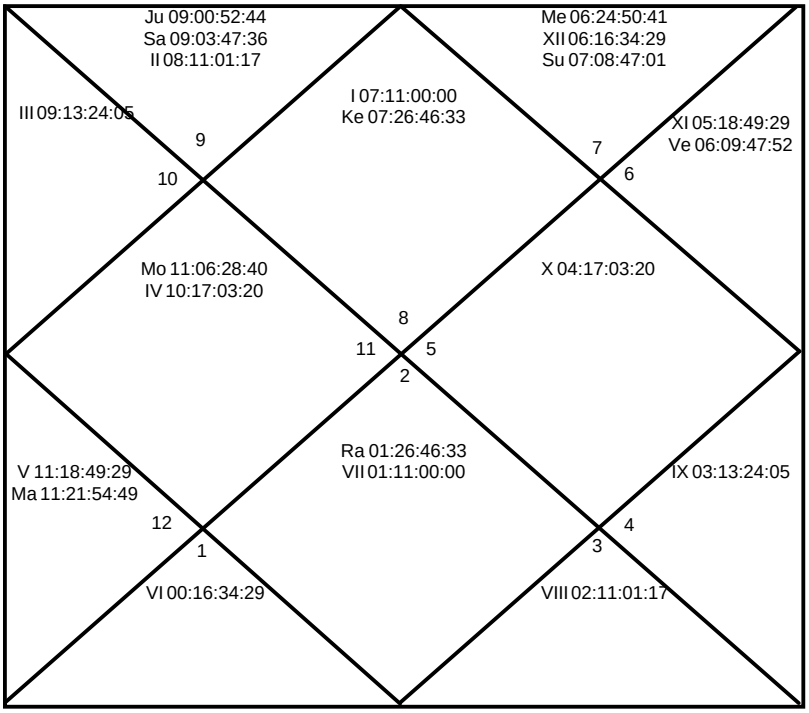

My Opinion: Before 05-12-2020 he will be cured, but remember he will suffer from some minor health problem.

Hora- Time period results of the day for 2021

By: KS Parthasarathy
Email: iyengarip@gmail.com

In Hindu Astrology, a Day is made into 2-parts. From Sun-rise to Sun-set and Sun-set to next day Sun-rise. These 2-part's periods are divided into 12 divisions each. These 24-Divisions of the day are called HORA . Each Hora period will be less or more than an Hour Each. Hora-period is ruled by 7 planets in cycle, Each Hora-period is Auspicious for some events and actions when executed.
Taking Sun-rise & Sun-set time at point where Standard-Meridian of India (Long-82 0 30'-E) passes thro' tropic of cancer (Lati- 23 0 30'-N)-[Prayag-India], 24-HORA period- time for the year 2021 is calculated & tabulated as shown below. This can be used as ready reckoner to find out Auspicious time to execute an event on a particular Day of the month of the year 2021.

Ex: Signing a rent-agreement on 1 Jan. 2021 = In Jan-
Chart, 1st Jan, Sun-Hora show before Sunset
00:07 to 01:00 and 06:32 to 07:39 and after Sunset 02:21 to 03: 38: These 3-time periods are auspicious for that event.

Since this is worked out for IST point , to check at other parts of India, leave 5 to 9 mins from border Times shown in chart : Ex: for Bangalore , for time shown 06:32 to 07:39, t i m e 06:38 to 07:33 will be safer to take.

The results shown for a particular Hora-time will be constellation of the Hora planet or in the Planet's more strong & beneficial If Moon Transit in own House during that Hora-time period.

Question 1: Complete Chain of Required Significators in Four Step Method
Regarding the possibility of President Donald Trump going to jail during his Rahu-Saturn dasa period by KP analysis, a question is asked from the perspective of Four Step Method as follows:

Dear sir, according to 4 step significations, joint dasa Ju-Sa so not signify 3rd house which is required for imprisonment.

PLANET : JUPITER
Itself :---------- Jupiter:- 2 5 8 9
It's N.Swami :-------- Mars:- (12) 4 Cusp Yuti: (1)
It's Sub :---------- Rahu:- 10 Rashi-Swami Venus 11 10 Sun-Yuti 10 1 Moon-Drusht 4 12 Jupiter-Drusht 2 5 8 9
It's Sub's N.Swami :-- Mars:- (12) 4 Cusp Yuti: (1)

PLANET : SATURN

It's Sub's N.Swami :-- Ketu:- (4) Rashi-Swami Mars (12) 4 Moon-Yuti (4) 12 Sun-Drusht (10) (1)

KP Analysis

President Trump's Horoscope
Trump's 12th CSL Ve+(11-10),+6-12 is in the star of Ju(2,5,9) and in sub of Ra(10), Conj Su+(10,1,2), Aspt by Ju(2,5,9), Sgl Ve; Ve is very closely conjunct with Sa+(11,6-7-8),+3,9 - -> 2-3-8-12. (+ Planets having no planet in its stars)
So imprisonment is indicated by the 12th CSL Ve.

Currently Trump is running joint Dasa-Bhukti of Jupiter- Saturn (25-Nov2018 to 8-Jun-2021)
Ju(2, 5-9) is in the star of Ma(12,4) and in sub of Ra(10), Conj Su+(10,1,2), Aspt by Ju(2,5,9), Sgl Ve+(11,10),+6,12 - -> 2-12
Sa+(11,6-7-8),+3,9 is in the star of Ju(2,5-9) and in sub of Ma(12,4) → 2-3-8-12

Answer 1:
For fructification of imprisonment it doesn't need to signify all 2-3-8-12 significators in the Four Step Method as shown by the following example charts:

Question 2: Do retrograde planets always give ill effects?

Answer 2:
No. Retrograde planets are neither good, nor bad. Just like other planets give good and bad results based on several factors of judgment as per system of astrology applied.
Boxing champion Muhammad Ali (17 January 1942) has 6 retrograde planets Venus, Jupiter< Saturn, Uranus, Neptune and Pluto; American artist Frank Sinatra, Jr. (10 January 1944) also 6 retro planets Mercury, Jupiter, Saturn, Uranus, Neptune, Pluto; American Philosophy Professor Angela Davis (26 January 1944) 5 retro planets Jupiter, Saturn, Uranus, Neptune and Pluto; American serial killer Ted Bundy (b 24 Nov 1946) has 5 retro planets Mercury, Venus, Saturn, Uranus and Pluto but on the same day American Astrologer Howard Burlington and American athlete J. Collins were born.
In KP retrogression doesn't matter in birth chart, and even in horary chart new trend is emerging not to consider retrogression. Choice is up to individual KP astrologer as evidence is showing both ways. BV Raman didn't write anything about retrogression and of course he never applied it.

- Saturn retrogrades for 140 days and remains stationary 5 day before and after.
- Jupiter retrogrades 120 days is stationary 5 days before and after.
- Mars retrogrades for 80 days and is stationary 3 to 4 days before and after.
- Venus is retrograde for 42 days and is stationary approximately two days before and after.

Mercury retrogrades for 24 days and is stationary one day before and after.
Generally planets are strong when they are in retrograde motion, particularly in stationary time, as they are close to the earth but it doesn't mean whether they are good or bad.

The Only Astrology Book You'll Ever Need
by Joanna Martine Woolfolk

This is still one of the best selling astrological books (Western) published in the last 25 years. The title of this book is a mite ambitious as the subject of astrology is so vast that no book could possibly be the "only" book you'll need. While this book is not a thorough exploration of Astrology, it gives a decent foundation from which to begin a study of Astrology.

The 21st century new edition (2010) of The Only Astrology Book You'll Ever Need is packed with updated information on Sun signs, Moon signs, Ascending signs, the placement of Planets in your Houses, and the latest astronomical discoveries. This book provides the compatibility between every sign (144 combinations) and dispenses advice about health, money, lifestyle, and romance, while also offering advice on dealing with the negative aspects of each sign. This edition also takes an even closer look at the inner life of the individual and the emotional needs that motivate a person. Chapters include a look back on the history and mythology of astrology as well as the newest developments in astronomy.

Interpretations of the sun signs, moon signs, and the Ascendant, as well as health and love topics are some of the book's stronger points. Synastry, the study of relationships, is touched upon, and a lot of attention is given to Astrology in history and legend.

The author offers a "simplified" method of casting a birth chart — although rather accurate, we recommend using a free chart service on the web for an even easier, and more professional, method of obtaining your birth chart.

Larry King, Iconic TV and Radio Interviewer, Dies at 87

By: Tin Win
Email: tw853@yahoo.com

Larry King died in morning of 23 January 2021 at the Cedars-Sinai Medical Center in Los Angeles after a weeks-long battle with COVID-19. He had several health scares in recent years, including multiple heart attacks, a lung cancer diagnosis and a stroke.
King was best known for his two-and-a-half decade run as the raspy-voiced host of "Larry King Live," CNN's longest-running program and one of its most-watched. He won countless awards, including the Peabody Award for Excellence in broadcasting for both his radio and television shows. During his six-decade career King conducted an estimated 50,000 on-air interviews. In 1995, he presided over a Middle East peace summit with Palestine Liberation Organization Chairman Yasser Arafat, King Hussein of Jordan and Israeli Prime Minister Yitzhak Rabin. He welcomed everyone from the religious leader Dalai Lama to legendry actress Elizabeth Taylor, from well known Soviet leader Mikhail Gorbachev to former president Barack Obama, Microsoft founder billionaire Bill Gates to famous singer Lady Gaga.

Notable Planetary Combinations
Larry King's 3rd (interview) cuspal sub lord (CSL) Mercury+ (10-6-7-9,+3-9) is in the star of Jupiter (9-1-3-12) and sub of Rahu (1) in sign Aquarius representing Saturn (1-2), signifying 2-3-6-10 for success in making interview and money. (+ No planet is in the star of Mercury which is the CSL of houses 3 and 9.)

2nd (speech, income and wealth) and 3rd (interview) lord Saturn's strongly occupation of 2nd house in his own sign makes him successful in doing interview and making money. In addition Rahu in Aquarius representing Saturn makes 2nd and 3rd houses stronger.
Viparita combination of 6th lord Venus, 8th lord Moon and 12th lord Mars in Lagna makes King to rose above personal tragedy, financial despair and half a dozen divorces to become one of the most revered and prolific interviewers in broadcasting.

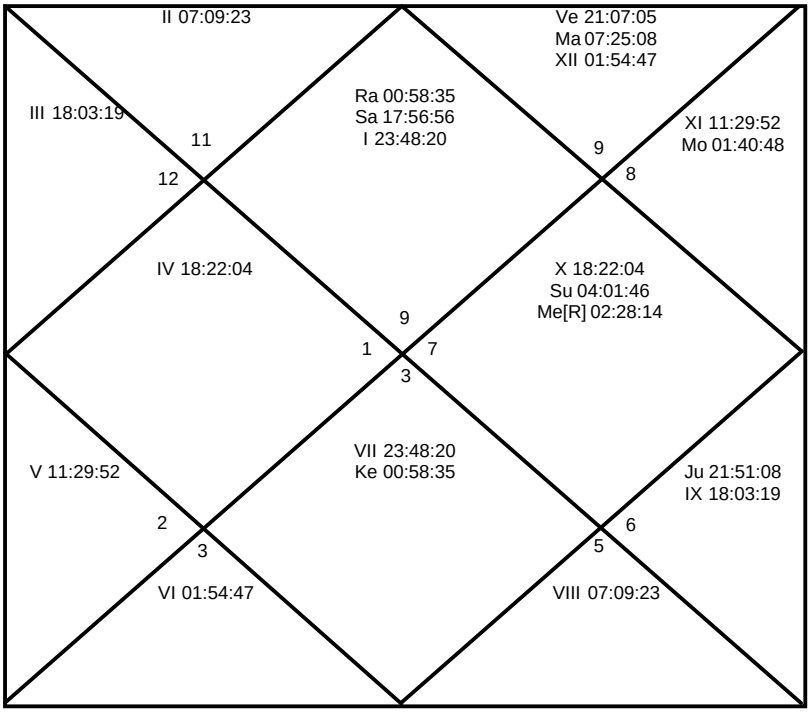

Marriages
Larry King has been married eight times to seven different women. He married and divorced Alene Akins twice.
Spouses: Shawn Southwick (m 1997 – d 2019), Julie Alexander (m 1989 - 1992), Sharon

Lepore (m 1976 - 1983), Mickey Sutphin (m 1963 - 1967), Alene Akins (m 1961 - 1963), Annette Kaye (m 1961 - 1961), Freda Miller (m 1952 – 1953)
King's 7th (marriage) CSL Saturn (1-2) is in the star of Moon (11), and sub of Mercury+ (10-6-7-9,+3-9), signifying 2-7-11 for marriage and 1-6-10 (12th to 2-7-11) for divorce.

King's 11th (married life) CSL Moon (11) is in the star of Ketu (7), in sign Leo representing Sun (10-8), and in sub of Venus (12-5-10), signifying 5-7-11 for love affairs and marriages, and 8-10-12 in combination of 1-6-10 of 7th CSL's signification for unhappy married life, quarrels and divorces.5th lord Mars, 8th lord Moon and 11th lord Venus are conjunct in Lagna and opposing 7th house. Such position Mars-Venus and Mars-Moon combinations indicate, as per classical literature, love of sex and women and also adultery.

Death (morning of 23 January 2021)
On the day of King's death, the joint dasa of Saturn- Mercury- Mercury- Merury was running.
Dasa lord Saturn (1-2) is in the star of Moon (11), and sub of Mercury+ (10-6-7-9,+3-9), signifying badhaka/maraka 7-2, disease 6, retirement from this world 10 and 3 (8th from 8).
Bhukti, antra and sookshma lord Mercury+ (10-6-7-9, +3-9) is in the star of Jupiter (9-1-3-12) and sub Rahu (1) in sign Aquarius representing Saturn (1-2), signifying badhaka/maraka 7-2, moksha 12, disease 6, retirement from this world 10 and 3 (8th from 8).

Transit on the day of death
Dasa lord Saturn in the star and sub of Moon (12).
(Moon is exactly on 12th cusp.)
Bhukti, antra and sookshma lord Mercury in Mars (12-4) star and Saturn (2) sub.
Luminary Sun in Sun (8) star and Venus (12) sub.
Luminary Moon in Sun (8) star and Venus (12) sub.
So dasa agrees with transit.

Transit Saturn was over natal Saturn in 2 and aspecting 8th house.
Transit Rahu-Ketu was on 6-12 axis and Ketu was over 7th lord Mercury and Sun.
Transit Mars and Uranus were over natal Uranus and Mars was aspecting 8th (natal Pluto) and 12th (natal Sun and Mercury).
Transit Jupiter was in 2nd and aspecting 6th, 8th and 10th (natal Jupiter) but couldn't save King's life.

Question: Is my husband presently talking lie with me?
Horary Number: 209 (out of 249).
Date of Judgment: 25-11-2020, Wednesday; Time of Judgment: 14:47:40 PM IST
Place of Judgment: L G Hospital - Ahmedabad Long/Lat: 23° N 00'.45", 72° E 36'.01".
Aynamsha: $24^0.03'.31"$

Hints
If the cuspal sub lord of 3 happens to be Saturn, the rumor is false. If it is Mars, then it is mischievous. If it is Jupiter, it is true. And if the lord happens to be planet connected with Saturn in any manner, the report false; but connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3^{rd} (Scorpio $06^0.15'.36"$): The sub lord of the 3^{rd} cusp is Venus. Venus is in the star of Rahu and sub of Saturn. Rahu represents Jupiter. Here 3^{rd} cusp sub lord is connected with Saturn but also with Jupiter and Venus, hence rumor/message is true.

My opinion: Yes, this rumor/message is true.

Actual outcome: Prediction comes correct. As per client's feedback: "Both your predictions came correct. And she wasn't expecting this to happen so quickly. His husband was discharged from hospital, his first wife was there when mr. A was discharged. He did not inform her. He is having relation with first wife and telling lies that he have no connection."

"My daughter got 312 marks only. For this, she may get Dental 'B' category seat. Unfortunately, she mentally collapsed on exam day, otherwise, she should have got more than 550 marks as per her year progress card.
Is it better to join in Dental or BSc (Agri.) is better for her? Will she try for another chance after joining any one of the expected courses.? Please guide me, sir."

The natal chart birth details-
DOB-10SEP2008/ TOB-11-55-00A.M/ POB-KARIMNAGAR AP.

1) K P rule says –if the 4th cusp sub-lord signifies 4, (9) and 11, the native gets college admission during the conjoined period of the significations of 4-9-11 houses.
If it signifies 3-6-8-12 the native will have a failure.

As per the natal chart:
4th cusp sub-lord is Mars+. Mars co-rules 12th also. No planets are placed in Mars stars and so Mars strongly signifies 4th as cusp sub-lord. Mars is the lord of 1 and 6, placed in 10th within in 1-degree orb to 11th cusp, with Mercury and Venus. Mars is placed in the star of Moon lord of 9 in 2nd and the sub of Ketu in 9. No planets are placed in Mars stars and so Mars co ruler of 8. Ketu is agent of Moon. Mars + signifies @STL 2-6-9-11 and @SBL 2-9, promises primary education that is up to graduation levels.

2) Higher education—If the 9th cusp sub-lord signifies 4-9-11, the native continues her higher education in further studies (Master's degree or Ph. D during the conjoined period of significators of 4-9-11 houses.

- As per the natal chart, 9th cusp sub-lord is Mercury, lord of 8 and 11 placed in 10 but within 1 degree orb to 11th cusp. Mercury is placed in the star of Moon lord of 9 in 2 and the sub of Venus lord of 7 and 12 in 10th but within 1-degree orb to 11th cusp.
- Thus Mercury sub-lord of 9th cusp signifies @STL 2-8-9-11 and @SBL 7-9-12 and indicates that she is likely to get higher education with problems and breaks.
- Since 11th is indicated here along with 10th she will have good progress in her higher education also.

3) 11th cusp sub-lord Venus signifies @Star-lord level (Moon) 2-7-9-11-12 and @SBL (Mercury) 8-10-11 and also confirms some breaks or problems during her continuance of education.
Note—Saturn aspects 4th cusp directly by its malefic aspect of 7th, causes some problems during her education period. Moon in Saturn sub-lord causes some delay in getting admission in the college.
As per the chart 4th cusp falls in Saturn sign-Aquarius with Saturn as SGL, Rahu as star lord and Mars as sub lord indicates that she is likely to get admission in the B. Sc Agricultural sciences.

Escaping life threat during accident

By: Siva Prasad Gantha
HIG 72, Bharatnagar Colony, Hyderabad-500018.

K.P. Rules say that houses 4,8,12 deals with the accident. Saturn, Mars, Rahu and Kethu are the karakas of accident. If 8th or 12th cuspal sublord signifies 8 or 12, accident may occur during the joint period of the significators of 4,8,12. Native faces life threat if the cuspal sublord is connected to maraca and badhaka significators.

The native had met with accident on 6-7-2020 and his birth particulars are as follows:
DOB: 24-8-1977 Time 1-24-28 am (rectified) Place: Nellore (Long 80-2'E Lat: 14-27'N)

The native was born in Moola star with Gemini as ascendant. The 8th cuspal sublord is Rahu in the star and sub of Mars. Rahu is in 4 and the star lord Mars is in 12 lord of 6. Mars is conjunct with Jupiter, maraka and badhaka lord. As Rahu signifies 4, 6, 7, 12 it denotes accident.

The 12th cuspal sublord is Jupiter in the star and sub of Rahu. Jupiter is in 1 lord of 7,8,11 and the starlord is Rahu in 4 besides the portfolio of 8th CSL. As Jupiter signifies 4,7,8 it poses life threat to the native.

The significators of accident are as follows:

Cusp	A	B	C	D
4	Jup , Sat, Ket	Mer, Rah	Mer	Sun
6	----	Mon	Mar, Rah	Mar
8	----	----	Ven	Jjup
12	Mar, Rah	Mar	----	Ven

On the date of accident the native was running the dasa, bhukthi,anthara of Mar-Mar-Ven. Dasalord and bhukthi lord Mars is in 12, lord of 6 in its own star and in the sub of Mercury in 4, lord of 1,2,5. Mars is conjunct with Jupiter in 1, lord 7,8,11 and aspected by Moon, 3rd lord. Thus Mars signifies 4,6,8,12 and also 2,7,1,3,5 and favourable for causing accident.

The anthara lord Venus is in the star of Jupiter and sub of Mars. Venus is in 2, lord of 12 in the star of Jupiter in 1, lord of 7,8,11 and in the sub of mars, dasalord and bhukthi lord. As Venus signifies 8,12 and also 2,7,3,11 it is favourable for causing accident.

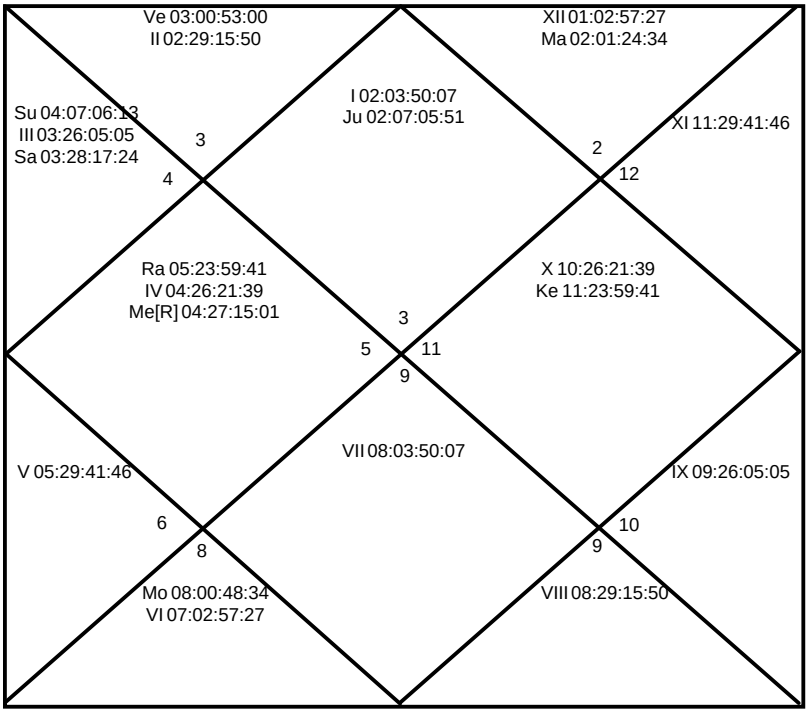

So the accident had taken place on 6-7-2020 during the joint period of Mar-Mar-Ven which runs from 2-7-2020 to 27-7-2020 when the dasalord Mars is transiting in the star of 3,11 significator Saturn (Uttarabhadra) in Pieces sign and anthara lord Venus is transiting in 12 its own sign in the star of 3rd lord Moon in Taurus sign. However the native escaped life threat as the DBA lords signifies 1,5,11.

Before Matching of a Couple

By: Sumanadasa Namarathna (Sunaparantha Kalyan)
Ex-Accountant, Justice of Peace
No.22/1, Udugampola Road, Marapola, Veyangoda,
SRI LANKA Email: sumana1946@gmail.com

In Sept. 2011 a lady came to me, for a horoscope matching purpose for her daughter with a horoscope of a boy. As advised by the KP seniors and my Guru ji, it is my practical custom to check the chart of the opposite party of the consultant for several important matters like fortune of marriage, life span, general health, education, success of long term marriage life, possibility of separation or divorce etc. for suitability of adding as new member to the family. After checking the horoscope of the boy, I informed the said lady not to proceed the proposal of the boy and to see another person. This decision of mine was based on the following reasons found in the horoscope of the boy as below:

Birth Details
Name: Marriage, Gender: Male, Date: Thursday, 11/Jan/1979, Time: 04:05:54 AM, SID: 11:15:18, Place: Gampaha Dist. Gen. Hospital, Western, Sri Lanka, Lat: 07:05:00 N, Lon: 80:00:00 E, TZ: +05:30 DST: 0.00, Ayanamsa: 23° 28' 27" Star: Mrigasira, Pada 3, Lagna: Scorpio, Bal. Dasa: Mars 3 Y, 2 M, 1 D.

Lagna lord Mars is the Lagna sub Lord as well as the sub lord of the 7th cusp for marriage. Mars is the lord of 1 & 6 and deposited in the sign of Sagittarius where the 2nd cusp is posited in conjunction with Sun the lord of 10. Mars is in the star of Sun and sub of own Mars. Mars is opposite to the Moon+ in Gemini at the end of 7th cusp. Moon is in 7 lord of 9. Thus Mars is a significator for 1, 6, 10, 2, 7 & 9, and is connected with two dual signs Gemini and Sagittarius. Accordingly Mars being the 7th cusp lord with its significations for 2 & 7, can give the native a chance of marriage.
Moreover the 11th cusp sub lord for pleasurable married life is Jupiter (R) the lord of 2 & 5 in 8; in the star of Saturn and in the sub of Mars. Saturn being the star lord signifies 3,4,& 9 and is connected with 7 & 12. Sub lord Mars as discussed above is a significator for a chance of marriage as well as detrimental indicator of marriage life. Hence it is sure the native will have to face a painful marriage life.
Accordingly sub lords of 2, 7, 5 & 11 are playing the roles for having marriage and at the same time they present for the breaking of marriage. But according to the hunded times tested rules of KP for marriage, this native is not in an astrological decision to maintain the marriage tie for ever. The KP rules below witnesses for my decision are as below.

Ref: KPEZine January 2016
1)If 7th CSL be the significator of 2, 7 or 11 and 1, 4, 6, 8, 10 or 12, there will be the possibility of both marriage & separation in life.
2)If 7th CSL be the significator of 1, 6, 10 or 12, there will be separation of husband and wife. If 7th significators signifies 6, 9, wife will leave and if signifies 3, 12, husband will go away.
3)Satisfied Multi Marriage Rules: (Statistical study done by Sri Kanak Bosmia the Editor of this magazine, under the guidance of Sri Raichur ji and Sri Tin Win ji)
(a) MORE THAN ONE marriage is indicated if the BOTH following two conditions are simultaneously satisfied:

(i) The sub-lord of the 7th cusp OR its Star lord is deposited in a dual sign(Gemini, Sagittarius, Pisces)

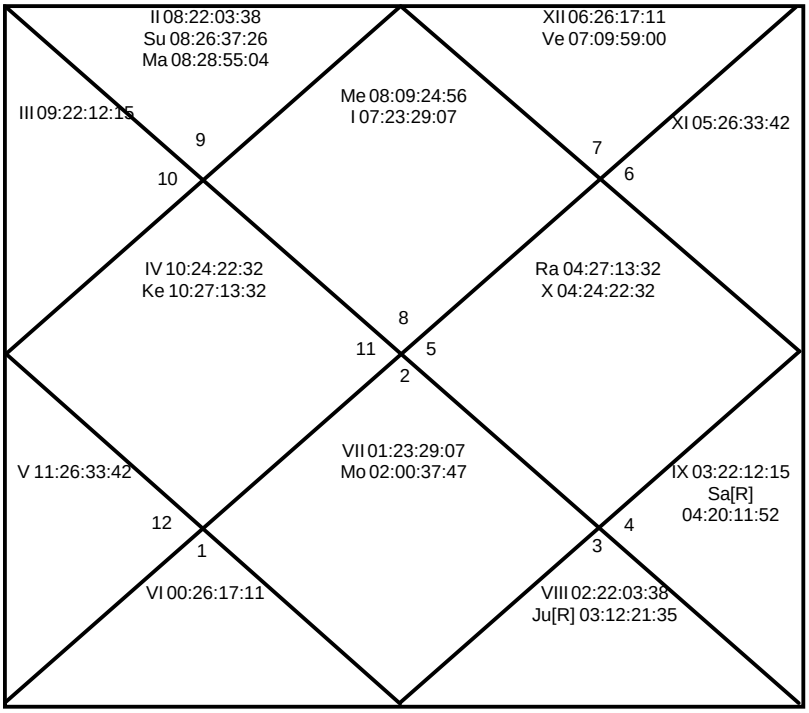

OR
if the sub-lord of the 7th cusp is Mercury/Ju and
(ii) The sub-lord of the 7th cusp is also a significator of either of the houses 2 or 11 or both.
If any of the above two conditions is not satisfied, then second marriage is denied.

The 2nd cusp sub lord of this chart is Saturn, a significator of 7th, indicated second marriage. Hence the first marriage will be destroyed.

Ref: KP Rule as per above 3.
Second marriage is indicated if the sub-lord of the 2nd cusp is also a significator of either of the houses 7 or 11.

The 9th Cuspal Sub Lord of this chart is Sun, the lord of 10 in 2, indicates a second marriage.

Ref: KP Rule as per above 3.
Second marriage is indicated if the sub-lord of the 9th cusp is a significator of either of the houses 2 or 9 or 11.

The 7th cuspal Sub Lord Mars is the star lord of Moon, posited in 7 Gemini, a dual sign indicated second marriage.

Ref: KP New Rule for second marriage revealed by Sri Kanak Bosmia ji the editor of this esteemed Magazine.
The 7th cusp sub lord as the star lord or sub lord of a planet posited in a dual sign also would give a second marriage.
The 11th cusp sub lord indicates the painful married life

Ref: KP Reader IV : Marriage, Married Life and Children, p 152
"In order to ascertain whether the married life will be pleasurable or painful, judge the sub lord of the 11th cusp. . . harmony, happiness" and pleasure (in married life) are indicated by the 11th house." (pleasurable houses 2,5 (love),7,11; painful houses 4 (no more love),6,12)

By being the Lagna Sub Lord Mars signifies detrimental houses 1, 6, 8, 12, 2, 7, 9. Here 6, 8, 12 is trigonal and 2, 7 are Maraka, 9 is Badhaka. Hence the native is not with a good health.

Ref: KP Rule as per House Grouping Part I by Sri Tin win ji.
If Lagna Sub Lord signifies,
6, 8, 12 - Ill Health/ 6, 8, 12, 2 - Eye Disease and surgery/1, 6, 8, 12 - Life Long disease/ 8, 12 with Mars prone to accidents/Maraka, Badhaka, 8 & Mars - Suicide.
By applying of above rules and their outcomes, I have no repentance at all for my judgement for refusal the proposed boy. I also trust that applying of these types of basic rules to identify the nature of the native is much better than to go for matching at once, because I could save a girl from a calamitous life.

Present Story
Recently about two weeks back the above said boy phoned me reminding me the above matching results done in 2011 and asked for help by reading his horoscope for a second marriage.
The dialog we had is as below.
He: Sir I am in a sorrowful life now. I got married a lady on 20'08.2012. We have two kids. After about 3 years on 29.03.2015 she left me with the children. It was a bickering marriage life and no peace at all.
Author: Did you match the horoscope?
He: Yes sir. I did. I consulted several well know traditional astrologers of the area. Some said matching is poor and some said it is ok. Finally I paid visit the royal astrologer of former president. He said there is nothing bad in these two horoscopes and advised to carry on.
Author: All of those matching were done in accordance with the traditional system. I meant Visi Porutham. Isn't it?
He: Yes sir. It is my Karma. I couldn't contact you. I am looking for a second marriage. Can you kindly help me?
Author: Have you divorced?

He: No sir, Not yet.
Author: You are not eligible for a second legal marriage, till you get the divorce from the first marriage legally.

Why?
Punarpoo Yoga is indicated in the chart, which especially effect for the marriage. The said boy got married at the age of 33, by passing marriageable age. After his wife leaving, he was unable to finalize the divorce for more than 5 years. Now he is looking for a second marriage. Though he is eligible for the second marriage, PP is still in force since the MD lord is Saturn, a partner of PP.

Now let's see the timing of the above events.
Marriage was done on 20.08.2012, during the DBAS of Jupiter, Moon+, Venus, and Moon+. MD Jupiter lord of 2, 5 is in 8, in the star of Saturn the lord of 3 & 4 in 9 with its aspects of 12 & 4. Jupiter is in the sub of Mars the lord of 1, 6 and posited in 2, in conjunction with the Sun lord of 10. Thus Jupiter signifies the marriageable points 2, 5 as well as houses for separation and 6 & 9 significations indicating the leaving of wife.

Moon+, Bukthi and Shookshma lord is in the 7th the house of marriage, being the lord of 9. It is in the star of Mars and in the sub of Mercury+. Mars signifies 1, 6 & 2. Mercury+ signifies 4, 1, 8, and 11. The Moon had allowed him a chance for marriage as well as its bickering end.

Anthar lord Venus the Kalthrakaraka is the lord of 7 & 12 and posited in 12. It is in the star of Saturn and in own sub. Saturn is the lord of 3 & 4 and in 9 with its aspect of 12th house. Venus has given him a chance to enjoy with a wife with its signification of 7th, and at the same time it has written the end of marriage. In KP if a planet is in own star or sub, that planet is considered to be strong and does not need to go further. Hence Venus in its own sub is an adverse indicator for the marriage in this chart.

Separation :Leaving of wife on 2015.03.29 during the DBAS Jupiter, Rahu, Kethu, Moon+.
As mentioned above MD Jupiter signifies 6, 9, & 8 for quarrels and leaving the home ending the marriage life.

Bukthi lord Rahu is in the house, star and sub of Sun, the lord of 10 (no more permanent tie of friendship with partner) in 2. In addition to Sun, Rahu represents Saturn, that is a significator of 12 (separation), 9 (partner going away from residence to be separated), 7, 12, 3 (Vyaya to 4th- going away for separation), 4 (no more love) and 2 (Maraka 2nd to 7th - marriage), 5, 8 (disharmony & quarrel) by sub Jupiter.

Anthar lord Kethu signifies 8, 4, 2, 5 and its representation of Saturn as discussed above.
Shooksma lord Moon+, as mentioned above, in his marriage day Bukthi and Shooksma lord is a significator for 9, 1, 6, 2, 4, 1, 8 as clear indications of road to the end.

I am so regret to see the increment of divorce rate in my country as a result of following unreliable systems of astrology for a happy and pleasant life as exampled by this study.

Long live KP System!
My bow down headed parnam to Sri K.S.K. Guruji, who invented these concrete rules for the well being of the community and my KP Guru Sri Tin Win Ji for his great teachings.

(09) This native owns a Jewellery shop, earning well and also having a good status in the society. We shall try to justify this event. It is as follows:-
"When a Planet is in the star and sub of the same planet we treat it as a case of bunching and treat the planet as if it is in the star of that planet and the Sub-Sublord of the planet takes upon the role of Sub as well as Sub-Sublord."
10th cusp Sublord Ketu(11) is in the star of Mercury(11-2,5) and in the sub of Mercury(11-2,5).

Will my husband be able to recover his lost documents?

Place: Kolkata
Query: Will my husband be able to recover his lost documents? He is unable to find his "card wallet" which contains driving licence and credit card.

Ruling Planets at time of judgement:

	Sign	Star-Lord	Sub-Lord
Ascendant:	Mercury(Ke)	Rahu	Rahu
Moon:	Mercury(Ke)	Moon	Rahu

Daylord: Mercury(Ke)

Rule: If the 3rd cuspal sub-lord is the significator of 3(documents), 6(12th of 7th which is loss of opponent / thief) and 11 (success), then during the DBA of significators of 3,6,11 lost documents gets recovered.

3rd Cuspal Sublord is Sun occupant of 10 and owner of 8. Sun is in the star of Mercury occupant of 10 and owner 6. Sun is in the sub of Mars occupant of 2 and owner of houses 3, 10, 11.
The 3rd cuspal sub lord is connected to houses 3,6,11; so getting lost documents back is a possibility.

Current dasha running from 23 July 2018 to 23 July 2028 is that of the Moon.

Moon is occupant of 8 and owner of 7. Moon is in the star own. Moon is in the sub of Rahu, occupant of 5 and no planet is in the stars of Rahu, and Rahu is the cuspal sub lord of 10. Sub-lord Rahu is aspected by Jupiter owner and occupant of 12th house.
Here the Moon is not signifying 3,6,11. Rather it's signifying 8th house of disappointment, 5th house of thief / opponent's gain and 10th house negating client's success.

So receiving the lost card wallet is completely denied.

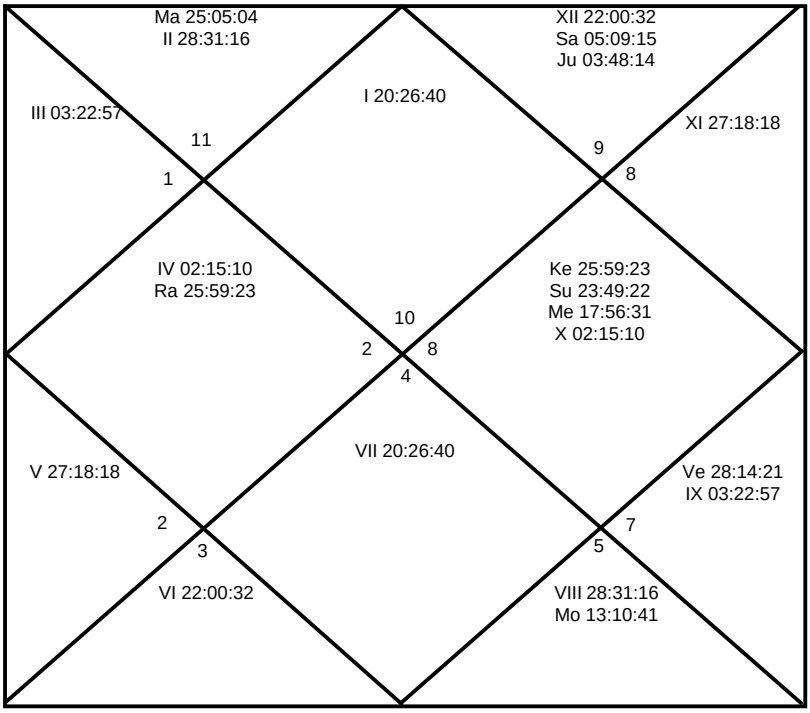

Outcome: My client's husband lost all hope till date he cannot find his "card wallet" and have already blocked his cards and applied for a fresh driving licence.

Horary Number:-156/249;
DOJ:-03-01-2021; Sunday;
TOJ:-10-54-22 AM;
POJ:-Kurnool, AP.

Let us check Moon.
Moon(9-9) is in the star of Ketu(1) and in the sub of Jupiter (2-2,5). Ketu represents Mars(5-1,6) and Venus(1-7,12). Thus 2-5-7 (favourable houses for marriage) are signified by Moon. OK.

7th cusp falls in the sign of Taurus sign:-12-53-20:- Venus-Moon-Rahu as Signlord, Starlord and Sublord respectively.
7th Cusp Sublord Rahu(7) is in the star of Mars(5-1,6) and in the sub of Rahu(7). Rahu represents Jupiter (2-2,5) and Venus(1-7,12). Thus 2-7-5 are signified by 7th CSL Rahu. OK.

2nd Cusp falls in the sign of Sagittarius Sign:-12-13-34:- Jupiter-Ketu-Mercury as Signlord, Starlord and Sublord respectively.

Discharge of Sourav Ganguly from hospital and Googly in Prediction

By: Madhav Chaturvedi
Delhi
Mobile : +91-9868748138 : Email : madhav.pti@gmail.com

Former Indian captain and current BCCI president Sourav Ganguly is a very popular cricketer of our country. When he was hospitalised on 2nd January 2020 after chest pain, it was big news for sports lovers. Popularly known as 'Dada' among his fans, Ganguly was admitted to Kolkata's Woodlands Hospital after he suffered a 'mild cardiac arrest'. The BCCI chief was exercising on a treadmill at his home gym at that time. Later, the doctors performed an angioplasty on Ganguly and said that three blocks were found in his heart. They further said that he will need another angioplasty because of the "triple vessel disease but that depends on how his condition is".

I am also a sports lover and fan of 'Dada' so I was worried regarding his health. Ganguly is a first cricket captain who gave killing instinct to Indian cricket team. Sourav Ganguly taking off his shirt and celebrating at the Lord's balcony still remains fresh in the memories of many. He is a real fighter, be it in cricket or in real life. So there is not an iota of doubt in my mind that Ganguly will not recover from this present health problem. But real question was of timing. Instead of reading much news about the health of Ganguly, I consulted the KP horary chart to know his well-being. My main question was when Dada will be discharged from the hospital? My horary number was 77. Moon was placed in 2nd house of chart and it was in Venus Nakshatra and Venus sub lord. Venus is 11th and 4th lord and placed in 5th bhava. If we have to see discharge of any patient from hospital, we also consult 11th house as it is 12th from 12th house. In these matters 5th house is also very crucial as it is 12th form 6th house. So Moon is representing the subject of our question at Nakshatra and sub lord level.
We will see the significators of 4th, 5th and 11th house as they will help us to get the answer of this question.

Horary No. 77, Date- 03/11/2/21, Time- 21-02-00 Place- Sahibabad (Ghaziabad), Longitude-77-22, Latitude- 28-40, Aynamasa- 24-03-14

Fourth house: No planet is placed in this house. 4th cusp lord is Venus and Sun and Moon is placed in Nakshatra of Venus.

Fifth house: Sun, Venus and Ketu are in fifth house. Sun and Moon are placed in Nakshatra of Venus. Mercury, Jupiter and Saturn are in Nakshatra of Sun. Mars is in Ketu's Nakshatra. Rahu is in Nakshra of Mars.

Eleventh house: Rahu is placed in 11th house and no planet is placed in Rahu's star. 11th lord is Venus. Sun and Moon are placed in Nakshatra of Venus.

So, common significators are Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu and Ketu. As we can see all nine planets are there in significators, so we will take the help of ruling planets to eliminate unimportant significators.

Ruling planets on 3 January 2020 at 21:02 were
Lagna sign lord-Sun, Lagna Star lord- Ketu, Lagna Sub lord- Moon
Moon sign lord-Sun, Moon Star lord- Venus, Moon Sub lord- Venus
Day lord- Sun

Now, common planets between significators and R.Ps. are Sun, Moon, Venus and Ketu. As Rahu is in Taurus whose lord is Venus, it will also include in these planets. Mars is also a RPs as Ketu is in sign of Mars. Ketu is getting aspect of Mars also.

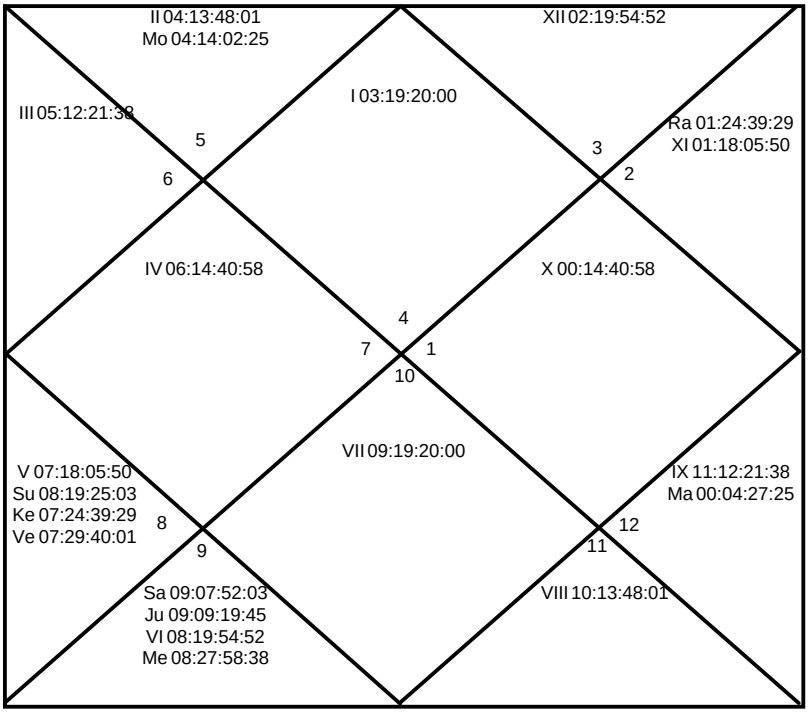

Hospitalisation of Ganguly was in Venus dasha, Venus bhukti and Mars antra. It is common knowledge that in normal case of angioplasty, patient has to stay in hospital for 3 to 4 days. So it was clear that he will not come out before 5th January. I selected 7th January date as Venus is very strong R.P. and on that day Moon was in Libra whose lord is Venus. Moon Nakstra was Chitra, whose lord

was Mars. In dasha sequence it was Mercury prana dasha on 6th January. Mercury was 12th lord so one cannot come out in this day. Next prana dasha was of Ketu, which will give green signal for Ganguly to go home from hospital.

With the help of KP astrology I reached on this conclusion that Ganguly will come out from hospital on 7th January and I also told about this to my astrologer friend Mr. Kamal Kumar Sharma. But life is like cricket match, with full of uncertainties. As they say you cannot say anything about the match result till the last ball. On 4th January a team of senior doctors of Woodlands Hospital briefed the media about health condition of Ganguly. In this briefing a senior cardiologist told that they will probably discharge him within two days. Next day an official statement came from the hospital thay Ganguly will be discharged on 6th January. This news was disheartening for me as my prediction was going to prove wrong. When I told about this news to my friend Mr. Sharma, he consoled me that your prediction was very near to actual date. One day difference does not matter anything. But being a KP student I was very disheartend as even one day difference is very important for us. On 6th January, when I searched the social media about the news of Ganguly, a Googly came in the shape of this news that he will be discharged from hospital next day. A statement from hospital said, “Mr. Ganguly will be discharged tomorrow as he wants to stay back on one more day.

After reading this News I immediately phoned my astrologer friend and told about this development. This news was really very pleasing for me as my prediction was proved correct. In the last of this article, I can humbly say that although life is full of uncertainties but with the help of astrology we can get some clues of future with certainty.

Which pharma company will be in a position to release the COVID19 vaccine in India? and when?

This is a million-dollar question in the minds of the public at large, and everyone across the globe is eagerly awaiting for that blessed day. I would like to venture to answer this question through astrological analysis with the help of our KP system of astrology.
Before proceeding further on the subject, I would like to furnish briefly hereunder the following information which is reflected in the media as expressed by WHO.

Is there a vaccine for COVID-19?
Not yet. Many potential vaccines for COVID-19 are being studied, and several large clinical trials may report results later this year. If a vaccine is proven safe and effective, it must be approved by national regulators, manufactured to exacting standards, and distributed. WHO is working with partners around the world to help coordinate key steps in this process. Once a safe and effective vaccine is available, WHO will work to facilitate equitable access for the billions of people who will need it. More information about COVID-19 vaccine development is available.

There are many lingering questions in the minds of the common men on the Corona Virus vaccine. But our main concern is –
When will COVID-19 vaccine be ready for distribution?
What types of COVID-19 vaccines are being developed? How would they work?
How will we know that COVID-19 vaccines are safe?

In this regard, WHO categorically states that "We don't yet know exactly when a safe and effective COVID-19 vaccine will be ready for distribution, but we estimate that it could be in early to mid of the next year ie:2021. Before COVID-19 vaccines can be delivered, several important challenges must be overcome:"
The vaccines must be proven safe and effective in large (phase III) clinical trials. Many potential vaccines for COVID-19 are being studied, and some of the large clinical trials may report results in late 2020 or early 2021.

A series of independent reviews of the efficacy and safety evidence is required, including regulatory review and approval in the country where the vaccine is manufactured, before WHO considers a vaccine product for prequalification. Part of this process also involves the Global Advisory Committee on Vaccine Safety.

An external panel of experts convened by WHO, called SAGE, will analyze the results from clinical trials and along with evidence on the disease, age groups affected risk factors for disease, and other information, they will recommend whether and how the vaccines should be used. Officials in individual countries will decide whether to approve the vaccines for national use and develop policies for how to use the vaccines in their country based on the WHO recommendations.

The vaccines must be manufactured in large quantities, which will be a major and unprecedented challenge – all the while continuing to produce all the other important life-saving vaccines already in use. As a final step, vaccines will be distributed through a complex logistical process, with rigorous stock management and temperature control.

· WHO is cautiously optimistic that safe and effective vaccines for COVID-19 will be

successfully developed. There is a robust pipeline of potential vaccines in development, and some have already advanced to large (phase III) clinical trials based on promising early data.

- But for now, we can't be certain if or when a COVID-19 vaccine will be available. That is why we must not rely on a future vaccine to fight this pandemic – we must use all the tools we already have at our disposal, such as covid lock downs, testing, contact tracing, physical distancing, and the use of masks.

- Scientists around the world are developing many potential vaccines for COVID-19. These vaccines are all designed to teach the body's immune system to safely recognize and block the virus that causes COVID-19. Several different types of potential vaccines for COVID-19 are in the process of development, including the current ones, there is no evidence that any existing vaccines will protect against COVID-19.

- However, scientists are studying whether some existing vaccines – such as the Bacille Calmette-Guérin (BCG) vaccine, which is used to prevent tuberculosis – are also effective for COVID-19. WHO will evaluate evidence from these studies when available.

Will COVID-19 vaccines provide long-term protection?
It's too early to know if COVID-19 vaccines will provide long-term protection. Additional research is needed to answer this question. However, it's encouraging that available data suggest that most people who recover from COVID-19 develop an immune response that provides at least some protection against reinfection – although we're still learning how strong this protection is, and how long it lasts.

It is also not yet clear how many doses of a COVID-19 vaccine will be needed. Most COVID-19 vaccines being tested now are using two dose regimens.

With this brief background on the COVID_19 vaccine, I would like to arrive astrologically at the possibility of any of our Indian pharmaceutical companies (list is provided bellow) be in a position to deliver the Covid-19 vaccine soon.

Six Indian pharmaceutical companies are in the race to develop a vaccine for deadly coronavirus whose names are furnished bellow--

1)Bharat Biotech-COVAXIN-- HORAY NO. 35.
2)Zydus Cadila--ZYCOV-D-- HORAY NO. 127.
3)ICMR & SII JOINTLY BY NOVAX—COVAX--HORARY NO.118
4) BY SII PUNE & ASTROZENCO ---COVISHIELD—HORARY NO. 223.
5)MYNVAX'S WARM VACCINE—HORARY NO. 184
6)Biological Evans---CVID19 VACCINE--- HORARY NO.205.

These six companies are among the domestic pharma firms presently working on the coronavirus vaccines in India.
Vaccines normally require years of testing and additional time to produce on a large scale, but scientists are hoping to develop a vaccine within months.
Each one in the above list is provided with a horary number which is taken at random basis and the problem is being answered through KP "ruling planets" only.
To solve the above question ruling planets are worked out on

Ruling planets are worked out on 27-11-2020 @02-15-03 P.M @ my place –Secundrabad which are listed based on their strength—
ASC—(PISCES)—SGL JUPITER—STL--SATURN—SBL—RAHU.
MOON (ARIES)—SGL-MARS-STL-KETHU-SBL-JUPITER.
DAY-LORD--- VENUS.

Method adopted here is only through KP ruling planets method directly applied as per the each company's horary number and it's RPs—

As per the horary number of each company, their RPs are worked out and furnished hereunder—

1)Bharat Biotech-COVAXIN-- HORAY NO. 35.-
(TAURUS) SGL-VENUS-STL-MOON-SBL-KETHU.
2)Zydus Cadila--ZYCOV-D-- HORAY NO. 127.
(LIBRA) SGL VENUS-STL-MARS-SBLVENUS.
3)ICMR & SII JOINTLY BY NOVAX—COVAX--HORARY NO.118.
(VIRGO) SGL-MERCURY-STL-MOON-SBL-KETHU.
4) BY SII PUNE &ASTROZENCO ---COVISHIELD—HORARY NO. 223.
(AQUARIUS) SGL-SATURN-STL-JUPITER-SBL-SATURN.
5)MYNVAX'S WARM VACCINE—HORARY NO. 184
(SAGITTARIUS) –SGL-JUPITER-STL-VENUS—SBL-KETHU.
6)Biological Evans---CVID19 VACCINE--- HORARY NO.205.
(CAPRICORN)—SGL-SATURN-STL-MARS-RAHU.

As per our KP system, our RPs at the time of judgment should tally with the ruling planets of the winning company –

ASC—(PISCES)—SGL JUPITER—STL--SATURN— (SBL—RAHU).
MOON (ARIES)—SGL-MARS- STL-KETHU-------(SBL-JUPITER).
DAY-LORD--- VENUS.

When the ruling planets of each company are matched with our RPs at TOJ—
Only three companies are getting matched fully with our five RPs----
and they are – ASC—(PISCES)—SGL JUPITER—STL--SATURN— (SBL—RAHU).
MOON (ARIES)—SGL-MARS- STL-KETHU-------(SBL-JUPITER).
DAY-LORD--- VENUS.
(Jupiter -Saturn-Mars-Kethu-Venus)

3)ICMR & SII JOINTLY BY NOVAX—COVAX--HORARY NO.118.
(VIRGO) SGL-MERCURY-STL-MOON-SBL-KETHU.
4) BY SII PUNE & ASTROZENCO ---COVISHIELD—HORARY NO. 223.
(AQUARIUS) SGL-SATURN-STL-JUPITER-SBL-SATURN.
5)MYNVAX'S WARM VACCINE—HORARY NO. 184
(SAGITTARIUS) –SGL-JUPITER-STL-VENUS—SBL-KETHU.

As per our KP system, sub-lord is stronger than star-lord and star-lord is stronger than sign-lord and day lord is the last one in the order of strength.

Basing on the order of the strength of the RPS,when we look at the strength of the company's RPs, only the Fouth (4) company RPs tally with RPs at TOJ and the FOURTH (4)company is SII PUNE & ASTROZEN CO ---COVISHIELD with horary NO. 223 stands as the winner.

Postponement of marriage as dasa lord in transit not agreed

The parents of the native arranged betrothal ceremony of their son with the girl of the same town on 13-3-2020. On the day of betrothal ceremony they had also decided to celebrate the marriage on 17-4-2020 and fixed the marriage muhurtham accordingly. However marriage event could not taken place on the date fixed as the bridegroom is held up in a far away place on duty on account of lockdown due to covId-19. So we will find out the reasons astrologically for non-materialisation of the marriage event on the date fixed i.e. on 17-4-2020. The birth particulars of the native are as follows:

DOB: 22-7-1986. Time: 8-09 pm. Place: Guntur

As per KP the relevant houses of marriage are 2,7,11. If the cuspal sublord of 7th cusp signifies 2 or 7 or 11 the marriage is promised. The 7th CSL, in the chart of the native, is Kethu in 8 in the star of Mars in 11 lord of 3,10 and in the sub of Mercury in 6 lord of 5,8. Kethu being in the sign of Libra represents Venus in 7 lord of 4,9. As Kethu signifies 7,11 marriage is promised.

The significators for marriage are as follows:

Cusp.	A.	B.	C.	D
2.	----	Rahu	Jup.	Jup
7.	Ven, Mars.	Ven.	----	Sun
11.	Ket.	Mars.	Jup.	Jup

On the date of engagement (13-3-2020) the native is running the DBA of Jup-Ket-Sat. Dasa lord Jupiter is in 1 lord of 2,11 deposited in its own star and in the sub of sun in 6 lord of 7. The sublord Sun is aspected by Mars in 11 lord of 3,10. As Jupiter signifies 2,7,11,3 it is favourable for marriage negotiations and settlement.

Bhukthi lord Kethu is in 8 in the star of Mars in 11 lord of 3,10 and in the sub of Mercury in 6 lord of 5,8. The sublord Mercury is conjunct with Sun lord of 7 and also aspected by Mars in 11. Kethu is aspected by Dasalord Jupiter. Hence Bhukthi lord Kethu signifies 2,7,11,3,9 and favourable for marriage negotiations and settlement.

Anthara lord Saturn is a 3rd cuspal sublord in its own star Saturn (1,10,12) and in the sub of Venus in 7 lord of 9 which is only favourable for marriage settlement and not for conducting marriage as Saturn is not a significator of marriage. But betrothal ceremony had taken place as the DBA lords Jup-Ket-Sat are favourable for marriage settlement.

Dasalord Jupiter in transit is not connected to 2,7,11 as Jupiter occupied 12th house Capricorn on 17-4-2020. Hence the celebration of marriage planned on 17-4-2020 had not taken place.

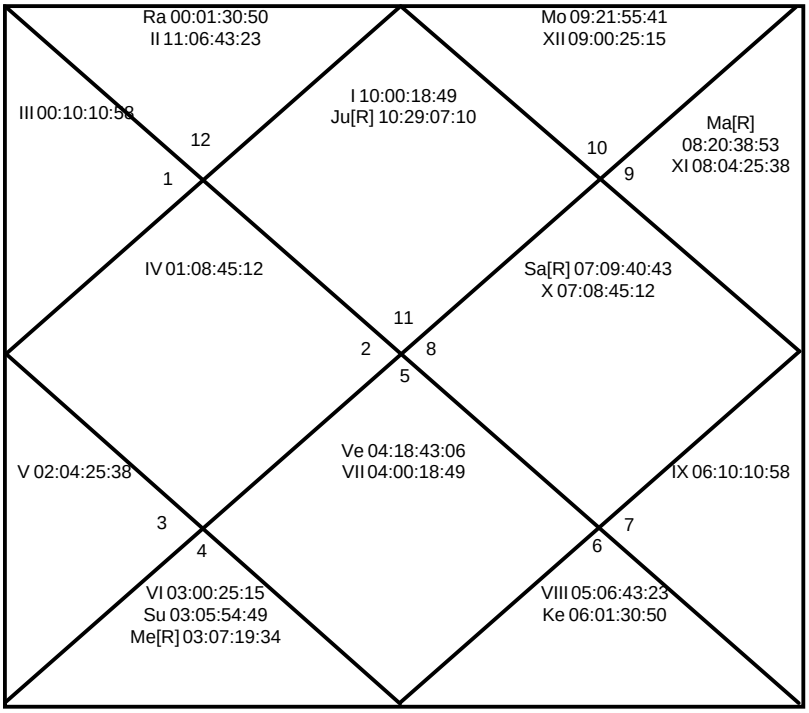

Now we will analyse when the marriage will take place. The Jupiter in transit is in retrogression and enters its own sign Sagittarius, that is, 11th house of the native on 1-7-2020. On that date the DBA running is Jup-Ven-Ven. Dasalord Jupiter is favourable for conducting marriage as discussed above.

The Bhukthi and anthara lord Venus is in 7 lord of 4,9 in its own star and in the sub of Rahu in 2 is favourable for conducting marriage. Further Venus has occupied its own sign in transit. So the marriage event will take place during the joint period of Jup-Ven-Ven if transit agrees.

The joint period of Jup-Ven-Ven runs from 23-6-2020 to 3-12-2020. Actually the marriage event took place on 27-7-2020 during the above period as the transit of DBA lords agreed.

As we all know that in one's life the progeny will be the ultimate desire after marriage. Whether it is male child or female child, the couples will be humble to get child.
In few couples life the child will born within one year after marriage. To happen any event in the life the dasa system will play a major role for native. When a native is running 2, 7, 5 and 11 dasa at the time of marriage at least for 1 year or so then the 5th house will support to get child (2, 5, 11) within that period. Off course 5th CSBL should signify 2, 5 and 11 houses.
Here I am trying to present my views about child birth. When it comes to marriage and progeny better we have analyse both male and female horoscopes to conclude whether progeny is possible or not. Because in modern era we get child through IVF also; and I would like to present in 5 parts including child birth within one year.

KP Rules for Child Birth:

- 2nd house denotes extension of family.
- 5th house denotes progeny.
- 11th house denotes fulfilment of desire
- For child birth the 5th CSBL (Cuspal Sublord) should signifying 2 or 5 or 11 or is connected to Jupiter (as a Karaka for progeny) then only the child birth is promised.
- For first child the house are 2, 5 and 11.
- For second child the house are 2, 5, 7 and 11.
- For third child the house are 2, 5, 9 and 11.
- Then we have to check in which Dasa / Bhukti / Antara / Sookshma.
- 11th CSBL for Male in case of Progeny.
- 5th CSBL for Female in case of Progeny.

Denial of Child Birth:

- If 5th and 11th CSBL signifies negation house like 1st, 4th and 10th then the child birth is denied.
- 5th or 11th CSBL should not be in retrograde position (for horary).
- 2nd, 5th and 11th houses should not be barren signs (Aries, Gemini, Leo, Virgo). But here Gemini and Leo are the strong significator of barren signs.
- 5th and 11th CSBL should not be posited or should not signify 6th, 8th and 12th houses.
- Venus will play a vital role in IVF process.

Delay in Child birth or after very long time:

- If 5th house cusp sub lord is positive but not supported by Dasa, then it will delay the child birth.

Analysis Points: Male (Husband):

Delay in Child Birth in Male: (21.05.1984 @ 12.15 a.m. in Miraj). Married on 26.12.2012 @ 9 a.m.

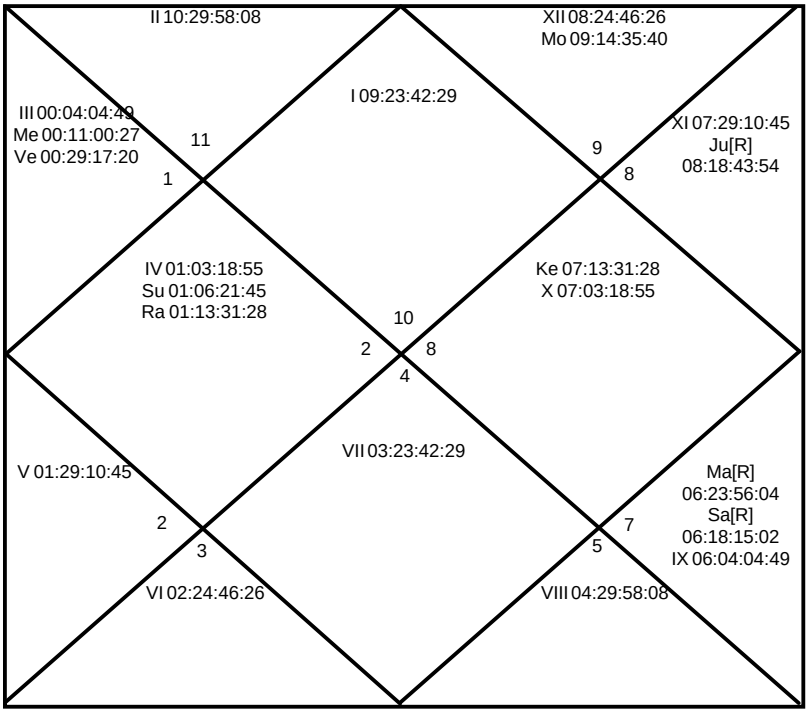

- 5th and 11th CSBL is Saturn lord of 1st and 2nd posited in 9th house so, child birth is promised.
- Saturn is in Rahu star and Rahu is posited in 4th house (negation to 5th). Saturn is in Moon sub and Moon is posited in 12th house.
- Here Karaka Jupiter is posited in 11th house.

This is the question raised in my mind when he was writing his final semester exams. I would like to arrive at the result by applying "Option Theory" propounded by Sri Rajendra Nimje, IAS.
Ruling planets are worked out on 31-12-2020 @09-43-53 a.m @ Tarnaka, Secundrabad which are furnished bellow--

The "Option Theory" is based on the principle of ruling planets and the author has taken only four planets viz:

1. Ascenadant sign-lord/ 2. Moon star-lord/ 3. Moon sign-lord/ 4. Day-lord.
Write down the Rasi numbers against each one of them, add the numbers and arrive at the total figure. If the total is more that the single digit, then add up the digits to make it a single digit number. Subtract the single digit number in multiples from the total options, till we get the reminder of a single digit. This reminder is the final choice which is indicated by the divine direction.

In our query there four options of percentages of marks, out of which I want to know what percentage my grandson is likely to get---

Option No.1--65% to 70%.
Option No.2--70% to 75%.
Option No.3—75% to 80%.

As per the option theory when I worked out (working is furnished here under) the end result is as follows—

Asc. Sign-lord-Saturn=10+11=21.
Moon Star-lord-Jupiter=9+12=21.
Moon Sign-lord-Mercury=3+6=09.
Day-lord—Jupiter-- =9+12=21.
72 =7+2=9.

We have only three option and when 3 are deducted from the single digit so arrived, it comes to 06 and when again we deduct our three options from it the reminder comes to 3.

From our given options the number 3 falls under the range of above 75% to 80%.

Note- Here I have not considered retro motion in my calculations.

One of my friends was giving B.Ed. entrance exam, and asked me how she will perform or will clear that exam?
Date 13-09-2020
Time 10:42 AM (Time chart)
Place: Jodhpur

Rule: 6th CSL Saturn should connect with 11th house for success in competition.

Planet Sa:
Starlord of Sa is Su*: 10; Asp 5; Cnj 11
Sublord of Sa is Ju: Cnj 3
Starlord of Ju is Ve: 9; 1
6th CSL Saturn signifies 9,11 houses for success in competition for B.Ed. entrance exam.

It is professional degree, so 9th CSL Mercury's connection with 11th house is checked.

Planet Me+: 11; 12
Starlord of Me is Mo: 9; Asp by Ma(6, 7); Asp by Sa(3, 4-5)
Sublord of Me is Sa:
Starlord of Sa is Su*: 10; Asp 5; Cnj 11
9th CSL Mercury signifies 4,9,11 and 3 houses for success for B.Ed. entrance exam.

Note: I saw in many places when 9th CSL is connected with 3rd house regarding higher education, they always prefer distance learning education.

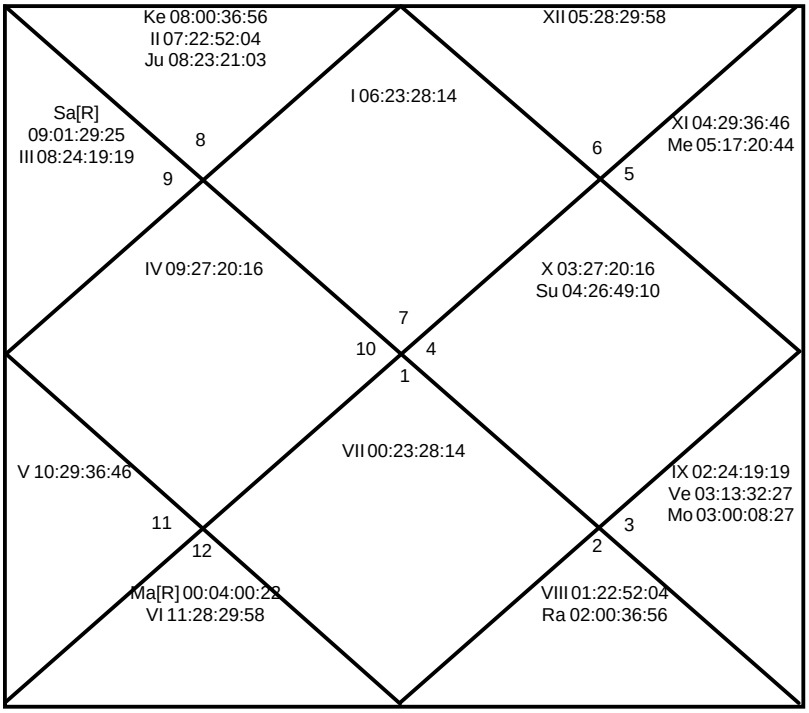

Result:
She cleared B.Ed. entrance exam. When I asked her which college she has chosen, she replied that she is not doing there in college, and thinking for apply next year in Kota open university.

Question: When will I get a job? I have been jobless for a very long time.

Ruling planets on 29/6/2020 at 4:07:01 AM, Kolkata-:

	Sign Lord	Star Lord	Sub-Lord
ASC:	Mercury (Ra)	Mars	Mercury (Ra)
Moon:	Mercury (Ra)	Moon	Venus

Day lord: Sun(Ra)

Hints:
If 6th CSL is connected to 2, 6, 10, 11, job is promised during the joint period of significators of 2, 6, 10, 11. Connection to 1, 5 ,9, 8, 12 indicates troubles in job leading to break in job and underperformance during joint period of significators of 1,5,9,8,12.
While selecting DBA lords for any events Rahu, Ketu should be given preference using common sense.

6th CSL Ke is occupant of 2. Ketu represents Jupiter occupant of 2 and owner of houses 3, 6. No planet is in the star of Jupiter and Jupiter is the cuspal sub-lord of 2 and 8. Ketu in the star of Mercury occupant of 11 and owner of houses 9 and 12. Ketu is in the sub of Jupiter occupant of 2 and owner of houses 3,6. No planet is in the star of Jupiter and Jupiter is the cuspal sub-lord of 2 and 8.

Ketu is the significator of 11,9,12 and connected with houses 2,3,6,8.
No doubt this person is having troubles in job due to 8,9,12. At the same time due to 6th cuspal sub lord's connection with 2,6,11 this person is destined to get job and earn through job.

Moon is selected as it's a common planet between RP and 6 Fold.

Mars Bhukti was running 28 March 2020 to 27 Oct 2020.
Mars is also a common planet.
Now the person came to me on 29th June 2020. Mars bhukti was going to end on 27 Oct 2020.
6th house's connection with 8th house will cause some delay and obstacle in getting a job.

After Mars comes Rahu Bhukti. 27th Oct 2020 to 27 April 2022.
Rahu is a common planet. Rahu repeated 4 times in the Ruling Planet list and also presents in 6 Fold. Rahu being a node also appearing 4 times is powerful enough and the most important factor Rahu's bhukti is starting within reasonable time from when the client asked the question (only 4 months). So Rahu's bhukti was chosen.
Within Rahu's Bhukti Rahu antara was chosen. 27 Oct 2020 to 17 Jan 2021.

Prediction: You will definitely get a job between 27 Oct 2020 to 17 Jan 2021.
Outcome: The person got a job on 5th Nov 2020 when he was going through Moon-Rahu-Rahu-Rahu periods.

The following birth details are taken from Astro-Data bank-with Rodden rating A (data source—from memory)—

DOB-12 OCT 1931 / TOB-07-54-00 A.M @ MACHILIAPTANM (AP).

Since the chart rating was only A with a data source-from memory, I am venturing to correct the given BT with a presumption that there may be time difference of 00-05+/- to the given birth time.

The Transition time would be – 07-49-00 a.m to 07-59-00 a.m—
Following are the RPs at TOJ—on 30-NOV 200 @16-0030 hours @ Secundrabad—
ASC—MARS-VENUS-RAHU-VENUS/ MOON-VENUS-MOON-JUPITER-SUN./
DAYLORD-MOON.

NOTE—1) There is no PP yoga.
2)Rahu is the sign of Venus which is in Moon RPs. Rahu is the sub of Jupiter which is in our 9 RPs. So take Rahu as additional RP for Moon.
3) Kethu is in Mars sign which is not in 4 RPs of Moon, but it is conjoined with Sun which is in our RPs of Moon. And Kethu is in Jupiter Sub which is in our 9rps. So Kethu is taken as it is qualified.
SO MOON RPs are—VENUS-MOON-JUP-SUN-RAHU--KETHU.
TRANSITION TIME FOR Arriving Ascendant is 07-49-00 a.m to 07-59-00 a.m

Now I have to check Ascendant position with the help of Moon RPs
1)Checking for ASC Star-lord----Transition Information for Lagna
Location: MACHILIPATNAM, ANDHRA PRADESH, India
Date:12/Oct/1931/ Start Time: 07:49:00 AM-End Time: 07:59:00 AM
Transition Information Table

Time	Sign Lord	Star Lord
07:49:00 AM	Ve	Ju

Since Jupiter is in our Moon RPs I have taken Jupiter as star-lord.

2)Checking for ASC. Sub-lord--- Transition Information for Lagna
Location: MACHILIPATNAM, ANDHRA PRADESH, India
Date:12/Oct/1931/ Start Time: 07:49:00 AM- End Time: 07:59:00 AM
Transition Information Table

Time	Sign Lord	Star Lord	Sub Lord
07:49:00 AM	Ve	Ju	Ju
07:54:24 AM	Ve	Ju	Sa

From the above Jupiter is selected from Moon RPs on VMD system.

3)Checking for ASC. SSBL---
Transition Information for Lagna
Location: MACHILIPATNAM, ANDHRA PRADESH, India
Date:12/Oct/1931/ Start Time: 07:49:00 AM- End Time: 07:54:24 AM
Transition Information Table

Time	sign Lord	Star Lord	Sub Lord	SS Lord
07:49:00 AM	Ve	Ju	Ju	Me
07:50:02 AM	Ve	Ju	Ju	Ke
07:50:29 AM	Ve	Ju	Ju	Ve
07:51:46 AM	Ve	Ju	Ju	Su
07:52:09 AM	Ve	Ju	Ju	Mo
07:52:48 AM	Ve	Ju	Ju	Ma
07:53:15 AM	Ve	Ju	Ju	Ra
07:54:24 AM	Ve	Ju	Sa	Sa

So far I have chosen Jupiter as STL and SBL and now I am left with Venus-Moon-Sun- Rahu and Kethu, in our Moon RPs. Though Kethu comes first in the table, Rahu is selected as a node is powerful, which is the nearest planet to the given Birth time @07-53-15 a.m to 07-54 -24 a.m.

4)Checking for ASC. SSSBL-- Transition Information for Lagna
Location: MACHILIPATNAM, ANDHRA PRADESH, India
Date: 12/Oct/1931/ Start Time: 07:53:15 AM- End Time: 07:54:24 AM
Transition Information Table

Time	Sign Lord	Star Lord	Sub Lord	SS Lord	SSS Lord
07:53:15 AM	Ve	Ju	Ju	Ra	Ra
07:53:25 AM	Ve	Ju	Ju	Ra	Ju
07:53:35 AM	Ve	Ju	Ju	Ra	Sa
07:53:46 AM	Ve	Ju	Ju	Ra	Me
07:53:56 AM	Ve	Ju	Ju	Ra	Ke
07:54:00 AM	Ve	Ju	Ju	Ra	Ve
07:54:11 AM	Ve	Ju	Ju	Ra	Su
07:54:15 AM	Ve	Ju	Ju	Ra	Mo
07:54:20 AM	Ve	Ju	Ju	Ra	Ma
07:54:24 AM	Ve	Ju	Sa	Sa	Sa

So far I have selected Jupiter as STL, SBL and Rahu as SSBL and I am left with Venus Moon -Sun is our MOON RPs. Venus is selected now from the remaining RPs as SSSBL
@07-54 to 0754-11 with a difference of 00-00-11 second. When this difference is averaged it comes to 05.05 seconds and when it is rounded off, it comes 00-00-06 seconds. Then the CBT would be 07-54-06 a.m.
with ASC as—VENUS- JUP- JUP- RAHU-VENUS.

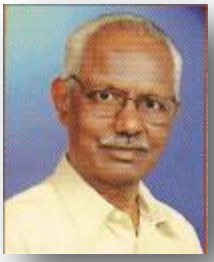

Chart 1: Aspiring Doctor (Medical student):

à 4th CSBL is Mercury. Mercury is signifying 4, 9 and 11 houses.
à 9th CSBL is Jupiter. Jupiter is signifying 11 house.
à 11th CSBL is Venus. Venus is signifying 4, 9 and 11 houses.
* In this chart Sun is in 11th house and 11th is always good for any native. (Point No. 5)
* Here Saturn is aspecting 10th lord Mars by its 7th aspect. Rahu is aspecting 10th (Scorpio) house by its 5th aspect. (Point No. 8)
* Here 5th lord Mercury and 6th Moon are conjoined each other (Sagittarius). (Point No. 6)
* Here Mars itself is lord of 10th. (Point No. 9)
* Here Lagna lord is Saturn and 10th lord is Mars and they are aspecting each other. 10th lord Mars is apsecting 12th (Capricorn) by its 4th aspect. So, here both Mars (10th lord) and Saturn (1st and 12th lord) are connected to each other. (Point No. 12).
* Saturn is aspecting Sun (Capricorn) by its 10th aspect. (Point No. 25).
* Sun is posited in Capricorn. (Point No. 26).
* 1st lord Saturn and 10th lord Mars aspecting each other. (Point No. 27).
* Venus is in Capricorn and Saturn is aspecting by its 10th aspect. (Point No. 29).
* Sun is in Capricorn and Mars is in Libra, here Mars is aspecting Sun by its 4th aspect. (Point No. 31).

Chart 2: Doctor:

à 4th CSBL is Jupiter. Jupiter is signifying 4, 9 and 11 houses.
à 9th CSBL is Ketu. Ketu is signifying 11 house.
à 11th CSBL is Venus. Venus is signifying 4 and 11 houses.
* Moon is in Mars star and Rahu sub, so he is in malefic star and sub (Point No. 2).
* Sun is in 11th house (Point No. 5).
* Mars itself is lord of 10 and conjunct with Rahu and aspected by Saturn and Ketu. (Point No. 8).
* 5th house lord Mars is aspecting 6th house, hence 5th lord and 6th house is connected. (Point No. 9).
* Mars itself is lord of 10th and he is aspecting 6th house (Point No. 10).
* Lagna lord Moon is in Mars star (lord of 10), so there is connection between 1 and 10 (Point No. 12).
* Also 10th lord Mars is conjunct with Mercury (lord of 12), so 10th house and 12th house are connected (Point No. 12).
* Mars and Sun are conjunct in 11th house (Point No. 31).
* Lagna lord Moon is in the star of Mars (10th lord), 2nd lord Sun is conjunct with 10th lord Mars and posited in 11th. So, 1, 2, 10 and 11th houses have been connected to each other. (Point No. 37).
* Saturn is aspecting lagna and 10th house (Point No. 37a).
* Rahu is posited in 11th and he is conjunct with Sun (2nd lord), Mars (10th lord). So, Rahu is connected with 2, 10 and 11 houses (Point No. 37a).
* Sun is lord of 2nd and posited in 11th conjunct with 10th lord (Point No. 37b).

What makes a celebrity astrologer?

An in-depth study of "What makes any astrologer a celebrity" and what are the KP Rules for any individual to become an astrologer and to be recognized as a celebrity astrologer". (by Gunti Nagaraju)

Astrology is the original science or a system of knowledge devised by our rishis and they are known as "Apourusheyas"(not written by human beings). So it is an integral part of our Vedas and so it is treated as a holy science. Astrology was the first cosmology through which the ancients comprehended the structure and movement of the universe. It was the science of fate or destiny, used for understanding events on earth, which were seen as originating in the heavens. Astrology was not only the original and foremost of the outer sciences, but it was also the most important of the inner or spiritual sciences. (David Frawley in his book 'Astrology of the Seers')

Sir Stephen Arroyo in his book 'Astrology Karma & Transformation' says "Astrology shows the language of cosmic energy, it helps us to understand all spheres of life. It is not a set of rules whereby one can mechanically interpret charts, but rather it is a guide to be used in unison with one's intuition and personal experience. Specific rules may guide us in the first stages of our astrological studies, but they eventually must be left by the wayside as the Oneness and Love that transcends all our carefully devised rules and laws become more and more a living reality that illuminates each moment and each encounter with another human being's mystery."

David Frawley sees astrology as "a means of converting all the universe into a symbol, a language for the development of the soul". In this perspective, he proceeds with the amazing clarity to expound to use Jyotishya to grow in reverence for the Self and to move gradually towards Self-realization in one's journey on the earth.

I feel all our sacred sciences and Vedas are directed towards delivering the goals in helping us to achieve the fourfold objectives of life identified by our great Rishis of India. These are " Dharma-Artha-Kama-Moksha". Astrology as a branch of our sacred Vedas enables us to move towards these goals in an organized manner.

As against the conventional views on astrology, the legendary astrologer of our times Sri K S KRISHNAMURTHY- an inventor of a new system called the "Krishnamurthy Padhdhathi" in astrology, brought out revolutionary changes with his "Sub-lord" theory and miracle "Ruling Planets" to show spellbinding results with unthinkable accuracy.

Krishnamurthy Padhdhathi got its name from the inventor of this technique late Prof. K.S. Krishnamurthy (1908-1972), who developed this new technique of arriving at predictions. KP system is based on the stellar system of prediction and the 'Sub Lords' the invention of which crowned Prof. Krishnamurthy and his followers with success.

The stellar system was initially developed by two friends, Meena I (late R. Gopalakrishna Row) and Meena II (late N.V. Raghava Chary).

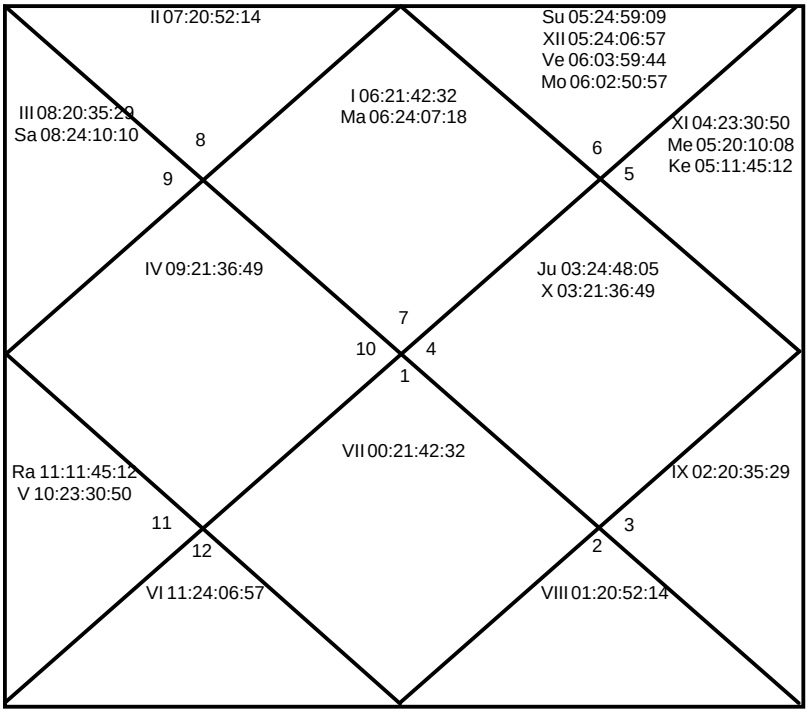

The major difference between KP and traditional astrology lies in the METHOD of arriving at a prediction. The traditional system of astrology makes use of various charts and tables other than the birth (natal) or horary charts. The KP technique, on the other hand, uses only a few tools that remain constant in every situation. The basis of the KP technique lies in two fundamental tools: the Placidus House Division and the Sub-division of the constellation.

In KP, the only system of house division followed is the Placidus (also called as the Semi-Arc) System of house division. In this system of house division, the birth or the horary chart is cast according to the precise latitude and longitude of the native or the place where the astrologer is sitting for analysis (if it is a horary chart). In the Placidus system of house

division, all the 12 houses may not be of equal length (longitude). It may so happen that some houses may be more than 30' in length whereas some houses are less than 30' in length. Moreover, it may also happen that there are two houses or bhavas in one zodiac sign and a sign which does not hold any house cusp.

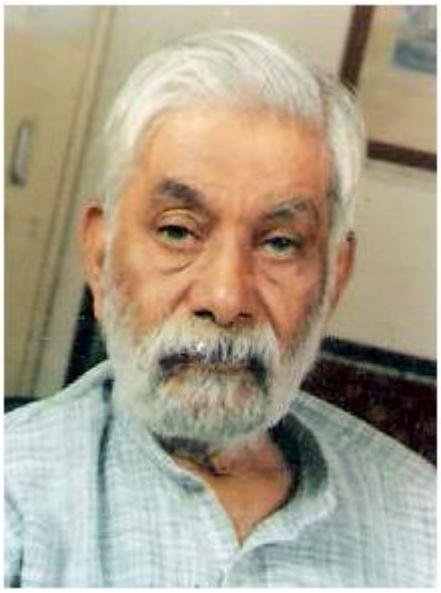

KP astrology interprets bhava or house results primarily based on the house cusp sub-lords and the sub lord's stellar or constellational significations. And the planetary effects are determined by the planets' occupancy in a particular star and a subdivision within that star. These are explained in great detail in the subsequent chapters. Here we are only providing the fundamental differences in the modus operandi of arriving at a prediction through KP astrology vis-a-vis traditional astrology. So, according to KP, even though the cusp sub position is a very specific area demarcated by each of the 12 houses in the zodiac, these sub-areas are under the lordship of 9 planets. Therefore, to arrive at a concrete prediction, the signification of a house (through the cusp sub-lord) is taken into consideration through the 9 planets' house signification.

Shri K. S. Krishnamurti also provided in his KP astrology a new tool called as the Ruling Planets (RPs). These RPs act as divine guidance when the astrologer needs some clarification or confirmation on certain issues that may be impeding him to arrive at a final judgment. These ruling planets are a master key in the technique of KP and one must become adept at using these if one wishes to master this system of astrology. The use of RP in applied prediction is multifarious and infinite. The credit of the concept and its utility is solely attributable to the inventor of this system of astrology Sri K. S. Krishnamurty.

Along with RPs, Sri K. S. Krishnamurty also provided us with a set of sub numbers from 1 to 249. This set of 1-249 sub numbers has proved to be a very effective tool for analysis of horary or Prashna charts where certain specific queries are to be answered or where the birth time of the native is not known. To satisfy the curiosity of the readers at this point let us briefly say what these 1-249 sub numbers are. These sub numbers are the sub-divisions (and therefore, called as 'subs') of each of the 27 stars of the zodiac in the proportion of the Vimsottari Dasa system. Traditional astrology, however, has no such divisions of the stars of the zodiac.

It is a common notion in the minds of many KP learners and practitioners that the inventor of KP System, late Prof. K. S. Krishnamurthy decried the traditional system of astrology as it is practised in India. Nothing is farther from the truth than this wrong notion.

With these few lines of introduction on the previous and existing system of astrology, I would like to discuss the birth chart of an eminent and contemporary astrologer of our times Sri K N Rao from Machilipatnam, Andhra Pradesh.

K P RULES FOR BECOMING A GOOD AND SUCCESSFUL ASTROLOGER----(see KP Ezine page 10 of Sep 2012 by Tin Win)

This is an attempt to find the possible planetary pattern to become an astrologer.
In this regard, the connection of the cuspal sub lord (CSL) of 1st (native oneself), with 9th (astrology in general), 10th (profession for astrological counseling) and 11th (success and Siddhi) to Mercury (chief karaka for astrology, intellectual thought-cells of a studious astrologer), Jupiter (chief karaka for higher learning and knowledge, intuition, ability to attract patronage), Ketu (occult knowledge, enlightener), Saturn (spiritual concentration), Moon (mind, mental inclination), Uranus (astrology), Neptune (intuition) Aquarius (astrological sign), Gemini (the sign of intellect) and simultaneously signification of house 2 (speaking ability, prediction), 3 (mental inclination), 5 (intelligence, intuition, past life credit), 7th (public relations in counselling), 8th (mysterious arts), 9 (astrology in general), 10 (profession for counselling, name, honour), 11 (success and Siddhi) and 12 (occult knowledge).

--as per the natal chart of Sri KN RAO---
Ascendant cusp falls in Libra sign with VENUS as SGL- JUPITER as ST and SBL.
The ascendant cusp sub-lord Jupiter which is the lord of 3 and 6 is placed in 10th house Cancer sign in exaltation. Jupiter is the lord of Sagittarius sign and Pisces sign in the natural zodiac. They are 9th and 12th signs.
Jupiter is placed in star of Mercury lord of 9 and 12 in 11th house- Virgo in exaltation. Mercury is conjoined with Kethu and Sun.
Thus Jupiter signifies @STL 3-6-9-10-11-12 and @SBL 3-5-6-9-10-11-12 houses.
These connections of Ascendant cusp sub-lord Jupiter with-9th-astrology in general, 10-profession of astrology counseling, 11- success and siddhi, apart from the connections with 3rd- communication skills and good mental abilities, 5th -high intelligence, intuition and past -life credit, 7- (Co-ruler)- public relation in counseling, and 12- knowledge in occult sciences.
From the above connections, it has become evident that this august personality has an established astrological connection and the required connections of the most sought-after karakas of astrology, like-Jupiter, Mercury, Kethu, and Uranus.

Jupiter-exalted in 10th house- it is the chief karaka for sacred and higher knowledge, intuition, ability to attract and patronage of the public at large, endowed with his skilled and intelligent interpretations of in-depth knowledge of astrology.

Mercury- exalted in 11th cusp—chief karaka for astrology and its astrological calculations, and intellectual thought-cells and process of a studious astrologer. It is conjoined with Sun giving within 4 degrees orb in Virgo sign, gave rise to “Budha-Aditya Yoga” and “Nipuna Yoga”.
These two yogas have given this native high intelligence, sharp mind, good analytical abilities, good education, high energy levels, and mental strength resulting in the successful profession and good reputation.

Kethu—Karaka for occult sciences and their knowledge and enlightener, is placed in 11th house with exalted Mercury.

Uranus- it is placed in Pisces with (10th lord) Moon in 6th house. It is aspected by Jupiter by its 9th aspect, Mercury by 7th aspect. These aspects have given him added inputs to his inborn intelligence and intuitive abilities in interpreting astrology.
It is the karaka for astrology and flashes of insights, a quick burst of new ideas and original conceptions. It brings sweeping changes that have the effect of reorganizing one’s

consciousness to permit new growth to come forth.

Saturn—it is the lord of 4 and 5; is placed in 3rd and is aspecting 9th house (house of astrology and higher knowledge) and 12th (house of occult sciences) by its 10th aspect.
From the above analysis of the required houses and planets of astrology as per our KP rule has amply proved the astrological abilities and acumen ship of this native.

1) For the interest in astrology--- the 1st CSL is mainly connected to Moon, Saturn, Mercury and Ketu and primarily signifies houses 11,5,9 according to the order of appearing frequency;
--this rule has already been explained in the above lines fully.

2) For astrology in general--- the 9th CSL is mostly related to Mercury, Jupiter, Moon, Ketu and largely signifies house 2,3,9,11 in order of frequency;
--This has been explained fully in the above paragraph of point A.

3) For the profession of astrological counselling ---, the 10th CSL is principally connected to Saturn, Jupiter, Moon, Mercury and chiefly signifies house 2,7,9,10 in order of frequency;
----10th cusp sub-lord is Sun+. No planets are placed in Sun stars. Sun is in the star of Mars lord of 2 and 7 in the ascendant with Fortuna and the sub of Rahu is in 5th house.
Thus the 10th cusp sub-lord Sun signifies @STL 1-2-7-11-12 and @SBL 3-5-6-9-10-12--11.
--Saturn is connected with Sun by its 10th aspect.
--Mercury is connected with Sun by conjunction.

4) For success in practising astrology----, the 11h CSL is mostly connected with Moon, Mercury, Ketu, Jupiter and mainly signifies house 5,7,9,2,12 in order of frequency;
---11th cusp sub-lord is Saturn. Saturn co-rules 5th cusp also. It is in the star-lord of Venus lord of 4 and 5 in 3rd house and sub-lord of Mercury lord of 9 and 1 in 11th with Kethu and Sun in Virgo sign.
Thus 11th cusp sub-lord Saturn signifies @STL 1-3-4-5-8-12 and @SBL 9-11-12.
Saturn is the sub of Mercury and got connected. Saturn is placed in Jupiter sign and got connected with Jupiter as its sign-lord.
Saturn aspects Kethu by its 10th and got connected in 11th cusp.
Mercury is placed in 11th house.

5) A Genius in astrology---If the 9th cusp sub-lord signifies 9-10-11-2, the native can become a genius in astrology during the conjoined period of the significators of 9-10-11-2 houses.
---as per the natal chart of the native—9th cusp falls in Gemini and its sub–lord is Jupiter the lord of 3 and 6 in 10 in exaltation.
Jupiter is in the star of Mercury lord of 9 and 12 in 11th -Virgo sign in exaltation and sub of Rahu in 5th house.
Thus the 9th cusp sub lord signifies @STL 9-10-11 and @SBL 9-10-11 and is connected to 2nd cusp by Jupiter's aspect of 5th.
All these have made him an eminent Vedic astrologer and an acclaimed as a genius in astrology.

6) In general, the well-placed Mercury, Saturn, Moon, Jupiter and simultaneously signification of house 9,11 appear crucial to become a successful astrologer with the additional support of other related planets, houses and signs;

---Mercury is placed in 11th house as lord of 9 in exaltation.
--Saturn is the sub-lord of 11th.
--Jupiter is the 9th cusp sub-lord and signifies 11th at both STL and SBL levels.

7) In particular, the well-placed Mercury can be found pivotal to become a mathemat-

ics-minded astrologer along with the support of Mars.

---In the natal chart of this native--- Mercury is exalted and placed in 11th house own sign- Virgo along with Sun lord of 11.
Before proceeding further on analysis of his period lords, I would like to submit a brief history of about Sri K. N. Rao---

In the words of Sri KN RAO—" I fell ill when I was 11 years old and I was nearly dying. That was during the Second World War. Anyway, when I came back home my mother, who was an astrologer, initiated me into astrology, numerology, palmistry and graphology to divert my attention from my physical weakness. But sometime later I developed some astrology, after getting into government service. So starting from 1942 I have been doing astrology."

- He fell ill when he was 11years old (in 1942) and he was nearly in dying stage--

As per his natal chart---6th cusp sub-lord is Rahu+ signifies @STL(SATURN) 3-4-5 and @SBL (MOON) 10-12. No planets are placed in Rahu stars and so Rahu strongly signifies 6th and 12th houses. Rahu also co-rules 12th cusp.
Note- for Libra ascendant 11th is the Badhaka house.

(6-sickness, 12-hospitalisation, 5-recovery from sickness, 4-represents medicines, 3-change medicines and 10-to experience the past karma through illness).

It was during Rahu+ Dasa X Mercury Bhukthi from 25-09-1941 t 13-04-1944, signifies @STL (MOON)10-11-12 and @SBL(KETHU) 5-11-12,
X Sun+ Anthra from 01-09-1942 to 18-10-1942, signifies @STL(MARS)1-2-7-11-12 and @SBL(RAHU)
5-6-10-11-12.
Here 11th indicates physical suffering, 2-7-maraka houses gave him near-death experience, 5 - cure and recovery from sickness.

- His interactions with foreigners have been both on professional and astrological levels for more than two decades which is why he has, as an astrologer, a large international network of friends. He went on doing all his fundamental researches in astrology during his service career because of which, he went on collecting horoscopes systematically in thousands.

He has in his possession more than 50,000 horoscopes with ten important events of each note with him.

K P Rule on doing research and bring out new findings—
--if the 9th cusp sub-lord signifies 9-11-6-12, the native succeeds in research during the conjoined period of the significations of 9-11-6-12 houses.
Also, check 11th cusp sub-lord.
-----as per his natal chart---9th cusp sub-lord is Jupiter. (I have discussed Jupiter as the ASC. cusp sub in the above paras.)
Jupiter signifies @STL(MERCURY) -3-6-9-10-11-12 and SBL(RAHU) 3-5-6-9-10-11-12.

He was instrumental in starting the Vedic Astrology course in the Bharatiya Vidya Bhavan, New Delhi and is the Advisor and senior teacher of Astrology Courses. As on date, the Bharatiya Vidya Bhavan is rated as the best Vedic Astrology institute and it produces approximately 4000 astrology students every year.
What impelled Rao to do it is well explained in his horoscope where the lagna and the 10th lords get combined in the lagna, with an exalted Jupiter in the 10th house.
All this was foreseen by his Jyotish Guru, Yogi Bhaskarananda of Gujarat whom Rao describes as the last of the Rishi astrologers in the purest classical mould.
He had told him that he would have to visit many foreign countries to give to Hindu

astrology, recognition and dignity which it did not have till then. An American summed up the impact of the first-ever foreign visit of Rao to the USA in 1993 as, "Vedic astrology before Rao and after Rao".
ANALYSIS OF THE PERIOD LORDS IN THE NATIVE'S CHART---
From the above few lines of his bio-data, it is evident that he has learnt astrology from his mother in 1943.

As per his natal chart ---he was running his Rahu Dasa from 14-10-1933 to 14-10-1951, and Rahu signifies @STL(SATURN) 3-4-5- and @SBL(MOON) 10-12, and is connected to SUN -L/O 11 IN 12, MERCURY-L/O 9 AND 12 IN 11 AND JUPITER -LORD OF 3 AND 6 IN 10.
Here Rahu through Jupiter and Mercury (Karakas for higher and scriptural knowledge and mathematics) has helped him to initiate into astrology education from his mother (4) as his Guru.

X Mercury Bhukthi was running from 25-09-1941 to 13-04-1944, and Mercury signifies @STL(MOON) 3-10-11-12 and @SBL(KETHU) 3-4-5-9-11-12.
X SUN+ Anthra period from 01-09-1942 to 18-10-1942 and SUN+ signifies @STL(MARS)1-2-7-11-12 and @SBL(RAHU) 3-5-9-10-11-12.

Sun was transiting in Mercury (BL) sign-Virgo- on SUN star (AL) from 17/09-to 27/09 agrees.
From then on Sri K. N. Rao never looked back and continued his pursuit of studying, predicting and writing in astrology as his favourite subject, during his remaining period lords of Jupiter, Saturn, Mercury, Kethu and Venus.

8) Rao was a lecturer in English before joining the government service through an all-India competition in 1957. He joined the Indian Audit and Accounts Service from which he retired as Director-General in November 1990.
As per the natal chart of the native---

10th cusp sub-lord is Sun+. No planets are placed in Sun's stars and so Sun strongly signifies profession and that too government services.

Sun is the lord of 11th placed in 12th house- in Virgo sign of Mercury indicating mathematics and accounts. Sun is placed in the star of Mars lord of 2 and 7 placed in 1st house and sub-lord of Rahu is placed in 5th.

Thus the 10th cusp sub-lord Sun+ signifies @STL (MARS)2-1-11-12 and @SBL (RAHU) 3-6-9-10-11--12. (2-earnings, 6- job/service, 11- prosperous in his profession/job, 3- accounts and audit, accounts department and accounts reports, 10- fame and name in his profession, and Mercury (represented by Rahu) indicating accounts, Jupiter is placed in 10th house and lord 3 and 6 indicating auditing, auditors and administration and administrators).

He retired from government services in 1990 Nov—
It was during the period of Mercury dasa running from 1986 to 2003 and Mercury signifies @STL(MOON) 10-11-9-12 and @SBL(KETHU) 3-4-5-9-11-12,
X Venus Bhuthi runs from March 19990 to Jan 19993 and Venus signifies @STL (MARS) 1-2-8-12 and @SBL(VENUS)1-8-12 and

X Moon Anthra period runs from 19-10-1990 to 13-01-1991 and Moon signifies @STL (MARS) 1-2-10-12 and @SBL(VENUS)1-8-12.
Sun transits in Mars sign (SCORPIO) (significator of 2,9,12) in Saturn star (SL) from 20/11 to 3/12 agrees.

9) An American summed up the impact of the first-ever foreign visit of Rao to the USA in 1993 as, "Vedic astrology before Rao and after Rao". He made many visits to the US during 1993-1995 in connection with his astrology. ----

KP RULE on a foreign journey---if the 12th cusp sub-lord signifies 3-9-12 the native will be going to foreign during the conjoined period of the significations of 3-9-12 houses.
If it is to attend conference and seminars it has to signify 3 and 11 and with a connection to Jupiter and Mercury.

As per the natal chart of this native— 12 cusp sub-lord Rahu is placed in 5 in Pisces sign. Rahu is placed in the star of Saturn lord of 4 and 5 in 3 and the sub of Moon lord 10 in 12. Rahu represents Sun- lord of 11 in 12, Mercury lord of 9 and 12 in 11 and Jupiter lord of 3 and 6 in 10.

Thus the 12th cusp sub-lord Rahu signifies @STL (SAT) 3 and @SBL (MMON) 12 and is connected with Jupiter and Mercury along with 3,9 and 11 houses.
It was during Mercury Dasa which runs from Oct 1986 to Oct 1993, and Mercury signifies @STL(MOON)9-11-12 and @SBL(KETHU)3-9-11-12.
X Sun Bhukthi period runs from Jan 1993 to Nov 1993 and signifies @STL(MARS) 9-11-12 and @SBL (KETHU) 3-9-11-12.

10) Sri K N Rao was a writer, publisher and editor of astrological journals.
KP Rules on writing books-publishing books and printing the books— (see pages 425-426— Reader no.3 by Sri KSK)—
1) One can complete writing any book— if the significators of 3rd and 11 houses operate and Mercury is in any manner connected to 3rd and 11th houses.
2) One can publish any book if the 3rd cusp sub-lord signifies 10 and 11th and is connected to Jupiter in any manner with 3 and 11 houses.
---3rd house significators = RAHU-SATURN-MARS-JUPITER. (RAHU represents Sun-Mercury-Jup) 3RD SUB-LORD is Jupiter.
---11th house significators = MARS-MERCURY-SATURN-JUPITER-KETHU-SUN. (Kethu represents SUN-Merc-Saturn).
Mercury and Jupiter are connected with 3 and 11 houses.
3) One can print books and journals only when Mars and Mercury are connected with 3,10 and 11 houses.
As per the significators of the above 3 and 11 houses, Mars and Mercury are connected with 3-10-11 houses, which made him print and publish many astrology books and articles in astrology magazines.
(Mars signifies @STL(JUPITER) 1+, 2+, 3, 6, 7, 10+ @SBL(MERC)9, 11, 12/ Mercury @STL (MOON) 9, 10+, 11, 12 @SBL(KETHU) 3, 4, 5, 9, 11, 12).
Note- it should also signify 10th house for some money and to become popular.

K. N. Rao has written and published nearly 60 books and many astrological articles on varied topics on astrology and related subject.
11) In the year 2000, astrology was introduced as a topic of study in the Indian universities, though in Sanskrit universities it has always been taught. This move to teach astrology in the Indian universities was opposed by some "rationalists" who filed cases in courts of law. Some of these reached the highest court of India, the Supreme Court, where I (KN Rao) intervened as a petitioner. I was the only astrologer fighting this greatest battle for astrology. Other astrologers stayed out of the fight. I defended the case for astrology on 4 November

2003 and the judgment came out, with me winning it, in May 2004. It is the greatest triumph to date in my astrological career.

What KP Rules say on court cases and their outcome—
Co-ordinates for a court case—
---Jupiter is the chief significator of law and court and its related matters.
1st house—judgment of the court.
2ndhouses--tension for the opponent, 6th house-litigation, 7th house-opp0nent and lawyer, 9th house-law, appeal,10th house- judge, 11th house-success in litigation, 12t house—expenses due to court cases, imprisonment, confinement to jail, 8 and 12th houses- success to the opponent.

1)Rule for a court case judgment---
If the 4th cusp (findings, outcome anything) sub-lord signifies 2nd- winning, 11th -gains and 10 – success in the court case, one would win the court case during the conjoined period of the significations of 2-10-11 houses, winning a court case is assured---
(4 indicates outcome anything, 2nd is the 11th to the 4th which indicates gains for the result)

2) If the 6th cusp sub-lord signifies or is connected with 6-lower court matters—being the 12th to 6th -the loss to the opponent's success/gains/profits, or 4th-11th to the 6th -the result of the lawsuit, or 11th- success, the fulfillment of one's desire to win the case, profit or gains from winning the court case, one would win the court case during the conjoined period of the significations of the 4-6-11 houses.

3) Kanak Ji rule---on accepting/ taking up a supreme court case—
If the cuspal sub-lord of the 9th (appeal/plea) be the significator of (in the star of the occupant/owner) of (new venture/ success in law), 11(gains), the supreme court accepts case during the conjoined period of the significators of 9th and 11th houses.

---- As per the natal chart of Sri K N Rao—
As per rule no. 01— 4th cusp sub-lord is Venus co-rules 2-8 cups. Venus is the lord of 1 and 8 is in 12, signifies @STL (MARS) 1-2-7-8-12 and @SBL(VENUS) 1-8-12.
As per the rule no. 02— 6th cusp sub0lord is Rahu+. No planets are placed in Rahu stars. Rahu co-rules 12th cusp.

Rahu signifies @STL(STL)3-4-5 and @SBL(MOON) 10--12. And Rahu is connected to 11-12 through SUN and 9-12-11 through Mercury and 3-6-10 through Jupiter.
As per the rule No. 03---9th cusp SUB_LORD Jupiter signifies @STL(VENUS) 3-6-9-10-11-12 and @SBL(RAHU) 3-5-6-9-10-11-12.

The case was filed in 2000 by some rationalists when the topic of astrology was introduced as one of the subjects for Indian university studies, the case came up for final hearing on 04-Nov 2003 in the supreme court, which by fought by Sri K N Rao alone. The case was won by him in May 2004.

It was during Kethu+ Dasa (from Oct 2003 to Oct 2010), and Kethu signifies @STL MOON) 10-11-12 and @SBL(MARS) 1-2-7.
X Kethu+ Bhukthi runs from 11-03-2003 to 11-03-2004, signifies @STL (MOON)10-11-12 and @SBL(MARS) 1-2-7.

X Venus Anthra lord runs from 22-10-2003 to 16-11-2003, and Venus signifies @STL(MARS) 1-2-7-8-12 and @SBL 1-8-12.

X Jupiter Sookshma period runs from 04-11-2003 to -7-11-2003, and Jupiter signifies @STL (MERC) 3-6-9-10-11-12 and @BL(RAHU) 3-5-6-9-10-11-12.

WON THE CASE IN SUPREME COURT IN MAY 2004—

Kethu dasa from Oct 2003 to Oct 2010, x Venus Bhukthi period runs from 11-03-2004 to 11 -08-2005 and Venus signifies @STL (MARS) 1-2-7-8-12 and @SBL(VENUS) 1-8-12 and X Jupiter Anthra period runs from 13-10-2004 to 09-12-2004, and Jupiter signifies @STL (MERC) 3-6-9-10-11-12 and @SBL(RAHU) 3-5-6-9-10-11-12.

Conclusion—

An American summed up the impact of the first-ever foreign visit of Rao to the USA in 1993 as, "Vedic astrology before Rao and after Rao". I feel I am blessed to have been born during the times of such an eminent astrologer of our 20th century and I take this opportunity to express my sincere regards to our another stalwart of astrologers and a founder of our K.P system, which made my task of analyzing the birth chart of Sri K N Rao easy.

My thanks to our editor and an astrologer of our magazine KP E-zine Sri Kanak Bosmia Ji for accepting this article for our magazine.

Rule: If the 1st cuspal sub-lord is connected with houses 1, 5, 9, 11 (exclude badhaka from this group, 11 for moveable ascendant and 9 from fixed ascendant) then the person will recover from his health conditions during the joint period of significators of 1, 5, 9, 11. The 1st cuspal sub-lord's connection with houses 6 (health issues) ,8 (operation/danger) ,12 (hospitalization) indicates problems in health.
During the joint period of significators of 2, 4, 11 one is released from hospital and comes back home.

1st CSL Ma is posited in 5 owner of houses 1, 5, 6. Mars is in the star of Ketu posited in 1 conjoined with Venus posited in 1 and owner of houses 7, 11, 12. Mars is in the sub of Moon owner and occupant of 9. No planet is in star of Moon and Moon is the cuspal sub-lord of 9th. cusp.
1st CSL is connected with 1, 5, 11, so the person will recover for sure. Connection with 6 and 12 indicates hospitalization(12) due to health(6) complications.

So within 18th Jan 2021 definitely Mr. Ganguly will return from hospital but with health issues.

Now further fine tuning of the time period.
Present Sookshma Ketu ending today itself which is 2nd Jan 2021. In RP but obviously the person admitted to hospital won't be released on the same day.
Next Sookshma is Venus presenting in the ruling planets twice but its agent of Ketu which I have already used up. So instead of Venus I preferred Sun which is in RP twice.

Sookshma Sun: 6 Jan 2021 to 8 Jan 2021
Sun is occupant of 1. Sun is in the star of Venus occupant of 1 and owner of houses 7,11,12. Sun is in the sub of Rahu occupied the 7th house. No planet is in the star of Rahu, and Rahu is the cuspal sub lord of 4 and 6 housesp. Jupiter aspects Rahu posited in 2 and owner of houses 2,4. No planet is in the star of Jupiter, and Jupiter is cuspal sub-lord of 10 house.
Sun is significator of 1,7,11,12 and connected with houses 2,4,6,10.
Sun signifies 1,11 of recovery and 2,4,11 of release from hospital.

Prediction: Within 8 Jan 2021 during the joint period of Ke-Ke-Sa-Sun, Saurav ganguly will return home with some health complications as the DBAS lords are connected to 6 / 8 / 12 along with recovery giving houses.

A mother has furnished a horary number 183 on 31-10-2019 during the evening hours seeking my reply for her query on her first son about the successful completion of his competitive examination of IIT Mains which will take place in Jan 2021.

Since I was otherwise busy, I erected the horary chart on 01 Nov 2019 @07-38-08 A.M at my place, for her Horary No. 183.
The query is "Whether my son will be in a position to clear IIT examination scheduled to be held in Jan 2021?".
As the query pertains to her first son the chart is rotated for her 5th cusp of the horary chart.

1) Moon speaks of her mind—
As per the original horary chart— Moon is the lord of 8 is in 12th house.
-8th indicates her tensions, apprehensions and worry over her son's success in the competitive examinations.
-12th indicates loss of attempt.
Moon is conjoined with Kethu-tensions, and Saturn- delay and disappointment. The conjunction of Saturn with Moon gives rise to Punarphoo dosha causing delay in the success.
The ascendant sub lord is Saturn lord of 10 is placed in 8th cusp causing in delay and disappointment.

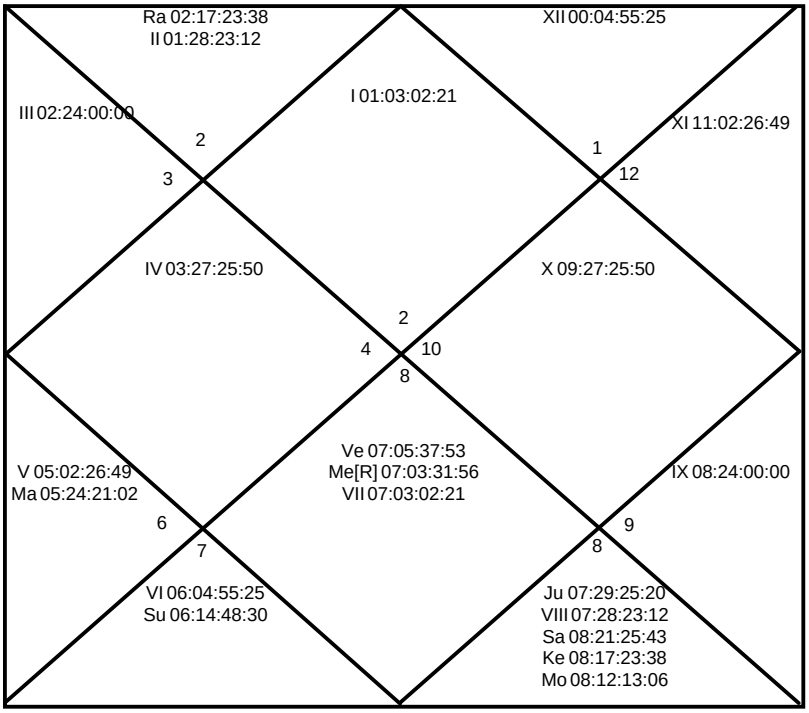

2) Whether her desire will be fulfilled or not?
Co-ordinates for the subject of the query—
4-education, 9-higher education, 6- competitive examinations, 11- success in the competitive

examinations, during the conjoined period of the significations of 4-6-9-11 houses.
--11th cusp indicates fulfillment of her desire.
If the 11th cusp sub-lord happens to be significator of the respective houses, the query is to be answered in affirmation. There are other indications apart from this thumb rule which are enumerated below.

A) Affirmation of the query—
1) If Jupiter aspects the Ascendant in strength, the desire of the native gets fulfilled.
2) If Jupiter aspects concerned bahava which is related with the query, even then the desire gets fulfilled.
3)The sub-lord of the concerned bhava if posited in the 5th house, even then the desire gets fulfilled. The reason being that from the 5th house, sub-lord aspects the 11th house which is the houses of fulfilment of desires.
The connection of the 5th and 11th houses is very vital clue in pronouncing the result to be affirmative in nature.

Let me check as per the above guidelines whether there is affirmation of the query--
As per the horary chart-
11th cusp sub lord is Rahu which co-rules 3rd cusp also. Rahu is placed in 6th-competitive examinations. Rahu is in the star of Rahu in 6th and in the sub of Venus lord of 5,6,10 in 11th.
Here 4 and 9 houses are not indicated by the 11th significations.
Only 6 and 11 indicate promise of success and 5 indicates negative to 6th cusp and also her first son.
Rahu represents Mercury lord of 7 and 10 in 12, Moon lord of 8th in 12, and Saturn lord of 2 in 12.
As per the horary chart Jupiter as the lord of the ascendant and 3rd is placed in 12th cusp and aspects 6th cup (house of competition) by its 7th aspect, 8th cusp by its 9th aspect, and 3rd cusp (which speaks of the native's mind). Here 3-8-12 indicate failure of attempts in the competitive examination.
11th cusp sub-lord Rahu clearly signifies 10,12,8 through its representatives; also indicates negativity in her fulfillment of her desire on the success of her son.
From the above indications it is confirmed that in the horary chart, we find that there is no affirmation of the query.

3) KP rule on competitive examinations says "if the 4th cusp sub lord signifies 4-education, 9 -higher education, 6- competitive examinations, 11- success in the competitive examinations, success in competitive examinations during the conjoined period of the significations of 4-6-9 -11 houses.
As per the rotated chart for her first son:
4th cusp (Cancer) sub-lord is Jupiter+. No planets are placed in Jupiter stars and co-rules 5 &10 cusps. Jupiter is the lord of 9 & 11 is in 8th house. It is placed the star of Mercury lord of 3 & 5 is in 7 and in the sub lord of Saturn lord of 10 is in 8th (but within the orb of 3 degrees to 9th).
Thus the 4th cusp sub lord Jupiter+ signifies @STL-3-5-7-8-9-11 and @SBL- 8-10.
Here the 4th cusp sub lord Jupiter+ strongly signifies 9 and 11- indicating promise at its star lord level and @its sub lord –decider of the fate of event- signifies 8-10 indicates breaks in the attempt, along with 3-(negative to 4), 8-(breaks, disappointments), and 5-(negative to 6th-competition), and 10- negative to 11th success in his attempt.
Apart from this Jupiter is the lord of a dual sign, the star of a dual planet-Mercury-(3-5-7) indicates duality in his attempts that is to say more than one attempt is needed for coming out successfully in the competitive examinations.
Note- IN THE RULING-PLANETS CHART at the time of judgment (on 01-11-2019 @ 07-38-08 A.M— the Lagna sub-lord is Rahu and Moon sub lord is also Rahu. Rahu is placed in a dual sign-Gemini- whose lord is Mercury- a dual planet clearly indicates more than one attempt for his success in competitive examinations.
In view of what is stated above, I feel that her desire for her son's success is remote in the Jan 2021 attempt of IIT examinations.

Question: Western Aspects in KP

Is the BENEFICIAL and EVIL rule of the Western aspects between Dasa lord and Bhukti lord is applicable in KP?
The Western sextile (60°) and trine (120°) aspects are clearly marked as BENEFICIAL and square (90°) and opposition (180°) as EVIL.

Answer:
The answer is NO.

Because, in KP, no planet is wholly malefic or benefic which depends on occupation and lordship at the planet, star and sub levels. This KP basic rule cannot be reconciled with malefic or benefic by Traditional Vedic Western ideas and Western good and bad aspects.

In addition, E grade significators by conj & aspect are weak and usually used as the last resort since all planets may be E grade significators in most cases as found in SW-print out of KP significators table. Moreover, only grade E significators aspected by grade A to D significators are to be considered.

In p 113 of KP Reader I, Guruji KSK says "The Western system of aspects must be studied and used so as to arrive at accurate predictions. There is no shame in including the Western system where they have advanced and are correct."

However, Hindu System aspect and conjunction are common in example charts of KP Readers as some are mentioned below;
KP Reader III, 1984, part 2 ---
p 7 --- Mars aspecting Lagna and Venus conjunct Ketu;
p 133 Mercury afflicted by Saturn;
p 135 Jupiter aspecting Rahu;
p 136 Mars conjunct Ketu;
p 139 Conjunction of Sun & Rahu and Jupiter & Moon;
p 142 Moon being afflicted by Saturn within relative postion of 22 ½
degree even though not in the same sign;
p 171 Jupiter & Mars aspecting Moon;
p 173 Saturn & Jupiter aspecting Rahu;
p 205 Saturn aspecting Ketu and Moon, Mercury & Rahu conjunction;

Reader V ---
p 210 Mercury conjunct Rahu;
p 233 Mars comjunct Ketu

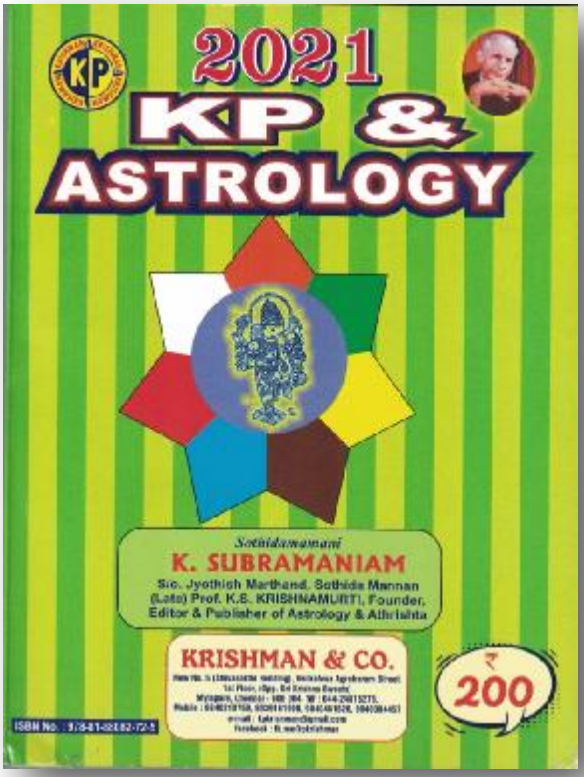

Reader VI ---
p 165 Rahu conjunct Venus;
p 186 Rahu conjunct Venus;
p 188 Moon & Mercuryaspecting Rahu;
p 200 Moon conjunct Saturn;

Tiger Woods' Survival from Serious Car Accident

By: Tin Win
Email: tw853@yahoo.com

Brief Background
Tiger Woods is considered one of the greatest golfers in history. He has won 82 tournaments, tied for the most in a career with Sam Snead, and he has won 15 major championships, second only to Jack Nicklaus. Woods' last tournament title was at the 2019 Zozo Championship in Japan. His most recent major victory was at the 2019 Masters.

Tiger Woods' Genesis GV80 crashed and sustained "major damage" at 7:12 a.m. PT, 23 Feb 2021, along a road in the Rancho Palos Verdes section of Los Angeles on Tuesday.
Accidents are not uncommon in the area because of the downhill slopes and curves on the road.

Images of the scene showed the sport utility vehicle on its side with its front end almost totally smashed apart. It's very fortunate that Mr. Woods was able to come out of this alive, because the interior of car was thankfully more or less intact, which gave him the cushion to survive. Otherwise, it would have been a fatal crash. Woods required lengthy surgery to a fractured leg and shattered ankle after the accident. Police have said there was no evidence that he was impaired by drugs or alcohol.
Astrologically Tiger Woods has survived from car accidents because of promise of medium life and live saving significators of the joint dasa period lords. In addition there is not strong joint signification of badhaka, maraka and 4,8 and 12 houses for fatal accident. Because of life saving/ cure significators of 1,5,11 and 9, Tiger Woods is expected to be recovered soon.

Indication of Serious Accident
1st cuspal sub lord (CSL) Rahu+ (2) in Libra representing Venus (3-3), CSL of 1 (12th to 2),11 having no planet in its stars; Rahu is in the star of Jupiter (7-4-7-8) and sub of Ketu+ (8), CSL of 4 having no planet in its stars, in Aries representing Mars (9-9), aspected by Saturn (11-5-6), signifying danger causing 7 (badhaka), 2 (maraka), 8 (accident), 6 (injury), 3 and 4 (end of everything), along life saving 1 (12th to 2), 5 (12th to 6),11 (12th to 12) and 9 (good luck).

It indicates medium life and danger to life by accident (8). So the 8th CSL is also checked as follows:

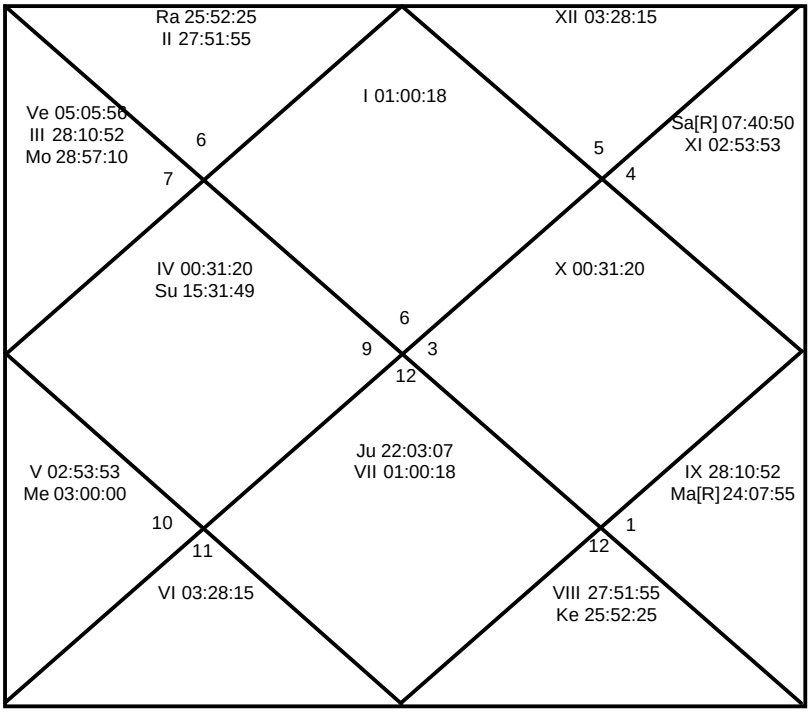

8th CSL Jupiter (7-4-7-8) is in the star of Mercury (5-1-2-10) and sub of Sun (4-12), signifying danger causing 7,2,12,8, along life saving 1,5. It supports possible danger to life by accident.
Danger to life by accident is confirmed but can be survived by life saving significators of 1,5,11 and 9.

Bhukti lord Rahu is in the star of Moon and sub of Venus. Rahu is occupant of 12. Rahu is conjoined with Mars. Mars is occupant of 11 owner of 6-11. Star lord Moon is occupant of 3 owner of 2. Sub lord Venus is occupant of 8 owner of 5-12. No planet in the star of Venus and Venus is CSL of 1-2-5-12. Thus bhukti lord Rahu signifies 12-11-6-3-2-8-5-1. Hence, the wining in election is sure.

Antra lord Saturn is in the star of Moon and sub of Jupiter. Saturn is occupant of 7 owner of 8-9. No planet is in the star of Saturn and Saturn is the CSL of 7-10. Star lord Moon is occupant of 3, owner of 2. Sub lord Jupiter is occupant of 8, owner of 7-10. Thus antra lord Saturn signifies 7-8-9-4-10-3-2. Hence, the wining in election is sure.

Sookshma lord Sun is in the star of Rahu and sub of Venus. Sun is occupant of 8, owner of 3. Star lord Rahu is occupant of 12. Rahu is conjoined with Mars. Mars is occupant of 11 owner of 6-11. Sub lord Venus is occupant of 8 owner of 5-12. No planet is in the star of Venus and Venus is the CSL of 1-2-5-12. Thus Sookshma dasa lord Sun signifies 8-3-12-11-6-5-1-2. Hence, the wining in election is sure.

My opinion: 10th cusp sub lord indicates 3-10 for TMC and also 3-10 for BJP. In dasa lord of TMC it does not indicate any of 3,10,11, thus no chance of winning. For BJP all joint period lords indicate 3-10 or 11. So TMC will lose and BJP will win this election.

Will the farmers agitation against the implementation of newly enacted laws in agriculture farming come to an end?

I have been hearing and witnessing in the media on the "Indian farmers protesting against the '2020 Indian agriculture Laws" passed by the present government in September and got curious to know the outcome.
As the news items are appearing to be gaining prominence and taking some unwanted turns, I grew still more curious to know the fate of the problem in my mind and immediately sat for analyzing the natal chart of our country's chart.

I)Coordinates for the present subject—
4th house-indicates farming, farmers, the matters about their profession and end of anything including the present problem, 8-house speaks of problems about their profession, and 11th house indicates fulfilment of their desire.
II) What the KP rule says on this matter-(Kanak Ji rule see KP Ezine Jan 2021)
If the 4th cusp (end of anything and here it is protested by the farmers) sub-lord signifies 8-(11th from10th) winning position of the government an 11th -fulfilment of desire the matter will come to an end during the conjoined period of DBAS of the significations of 4-8-11 houses.

As per the natal chart of our India—
4th cusp falls in Cancer sign (21:33:50 longitude) with Moon as SGL- Mercury as STL- Sun as SBL.
The sub-lord of the 4th cusp is the lord of 5th is in 4th house. Sun is in the star-lord of Mercury lord of 2,3,6, is in 3rd and the sub-lord of Saturn lord of 01 and 11 is in 3rd.
Thus Sun signifies @STL 2-3-4-5-6 and @SBL 3-10-11.
The signification of 4 and 11 promises the event. But at the same time 3 which is negative to 4th, is signified at both STL and SBL level indicates that there can be some problems of others (here farmers) for the government (10) in implementation of the laws. This aspect is also supported by the signification of 6th house (stored crops or grains).
Note- In the Natal chart Moon is placed in the star and sub of Saturn which causes undue delay.
Moon indicates farmers, agriculture crops, and Mercury indicates cereals, crops and crop growers. (see Kanak Ji book on Easy way to learn KP) The conjunction of transiting Mercury with Jupiter and Saturn in an earthy sign-Capricorn- (9th house of India's natal chart) indicates farmers protest against the government laws about the agriculture sector especially Essential Commodities (Amendment Act) of 2020 which removes restrictions on the storage of foodstuff such as cereals, pulses, potatoes and onions along with edible oils. This amendment has left an impression in the minds of the farmers, a feeling of favouritism to the corporate sector which deals in agriculture products through the said amendment.

Since 9th house is the house of the legislature and also the judiciary, negative to 10th, indicates some negativity towards government policies is indicated in the form of agitation protests and (6). 6th in the natal chart in Libra sign indicates public and dealings with the public in general, protests, hartals, disruptions in the smooth implementation of laws, and 7th (Scorpio) indicates strikes, the public at large and here it speaks of farmers.

Significations of 4-8-11 houses—
4=SUN-MOON-SATURN-KETHU-MERCURY-RAHU- VENUS.
8=JUPITER.

Note—Rahu represents Venus and Moon. Kethu represents Mars.
Sun, Saturn and Jupiter are conjoined in the RPs chart.

PERIOD ANALYSIS—
Moon dasa runs from 2015 to 2025, and Moon signifies @STL 3-4-6 and @SBL 3-11. (here 3 negatives to 4th and 6th are also indicated)
X Saturn bhukthi runs from Oct 2019 to 27/05/2021, and Saturn signifies @STL 3-4-6-11 and @SBL 1-4. (here also BL indicates 3 and 6).
X Rahu Anthra runs from 14-12-2020 to 10-03-2021 and Rahu signifies @STL 1-4 and @SBL 2-3-6.
Up to the level of DBA period, 8th house is not signified and so Rahu is not considered as positive Anthra lord to give the desired results.
X next comes Jupiter Anthara runs from 10-03-2021 to 27-05-2021 and Jupiter signifies @STL 8-6 and @SBL 2-6-7.
Herewith this Anthra lord Jupiter all the lords of DBA have signified all the relevant houses and so I feel the event of implementation of the government laws will be successful before May 2021.
Note— On 11-02-2021 that is on the day of "Amavasya" six planets –SATURN-VENUS-JUPITER-MERCURY-MOON- AND SUN- will be conjoined in Capricorn sign- 9th houses of our country's chart- badhaka house for Taurus lagna.

Moon will be transiting in Sravana star (signifying agriculture produces and issues of farmers). Major planets Jupiter lord of 8th and 11th and Saturn lord 9 and 10 are very closely conjoined (within 6 degrees orb). This may prove to be a serious one which may turn the events to take a situation going out of the control of law and order,(Mars being the lord of 7 and 12 in place in 12th in transit aspecting the 4th house) to make things still more worst. It may even cause some damage to the existing ministers in the government by tarnishing their images in the public.
Since 4th cusp star lord is Mercury is conjoined with 11th lord Jupiter and 10th lord Saturn, I feel some big-wigs or notable personalities in the country may take initiative to act as a conciliatory party and try to find an amicable solution for the problem.
Let us hope for the best.

Non-Materialisation of marriage due to cancellation of engagement

K.P. Rule says there will be Punarphoo dosha if the Moon is connected to Saturn or vice versa by aspect, association or occupation of sign, star and sub. In Punarphoo the native may face troubles in fixation, celebration or cancellation of marriage.
The native's birth particulars are as follows:

DOB: 7-9-1987 Time: 0-43-7 hrs Place: Kohir; Long:77-43'E; Lat: 17-36'N

In this horoscope Moon has occupied sathabhisha star in the sign of Saturn. Houses 2, 7, 11 deal with the marriage. If the 7th CSL signifies 2 or 7 or 11, marriage is promised.
In this chart the 7th cuspal sublord is Rahu. Rahu is in the star of Saturn and sub of Venus. Rahu occupied 10th house in the star of Saturn in 6 lord of 8, 9, 10 and in the sub of Venus in 3, lord of 5, 12. Rahu represents Jupiter being in the sign of Pieces. Jupiter is in 11 lord of 7. Thus Rahu signifies 6,8,9,10 at star level and 3,5,12 at sub level on its own and as an agent of Jupiter 7, 11. As Rahu signifies 7, 11 it promises marriage.
The significators for the marriage are as under:

Cusp	A	B	C	D
2	—	—	—	Mon
7	—	—	—	Jup
11	—	Jup	—	Mars

The native has borne with ascendant Gemini with a balance of Rahu dasa of 17 years 10 months 3 days. The native has attained marriageable age in Jupiter dasa.

TIMING OF THE EVENT: The native is running currently DBA of Jup-Rah-Sat as on 1st January, 2020. Dasa lord Jupiter is in 11 lord of 7 in the star of Ketu in 4 and sub of Rahu in 10. Mars the lord of 11 in 3 is aspecting Rahu. As Jupiter signifies 3, 7, 11 it is favorable for negotiations and for conducting marriage.

As bhukthi lord Rahu represents Jupiter it is favorable for negotiations and conducting marriage.
The anthara lord Saturn is in 6 lord of 8,9,10 in the star of Mercury in 4 lord of 1, and in the sub of Venus in 3 lord of 5, 12. Further Saturn is aspected by Mars the lord of 11 in 3. Thus Saturn signifies 1, 6, 10, 12 and also 3, 9, 11. Though Saturn negates marriage it is favorable for negotiations of marriage.

Hence the negotiations of marriage should take place in the joint period of Jup-Rah-Sat. The conjoint period of Jup-Rah-Sat runs from 21-10-2019 to 8-3-2020. It is learnt that the negotiations were taken place as predicted during the above period and betrothal ceremony conducted on 9th January, 2020 during sookshma period of Jupiter.

It is observed in gochara on 24-1-2020 the anthara lord Saturn has transited from 7th house to its own sign Capricorn the 8th house of the native. When Saturn has changed its position in transit the native has received a communication to the effect that the girl has changed her mind and expressed unwillingness to the marriage with the native and cancelled the engagement causing mental agony and financial loss to the native.

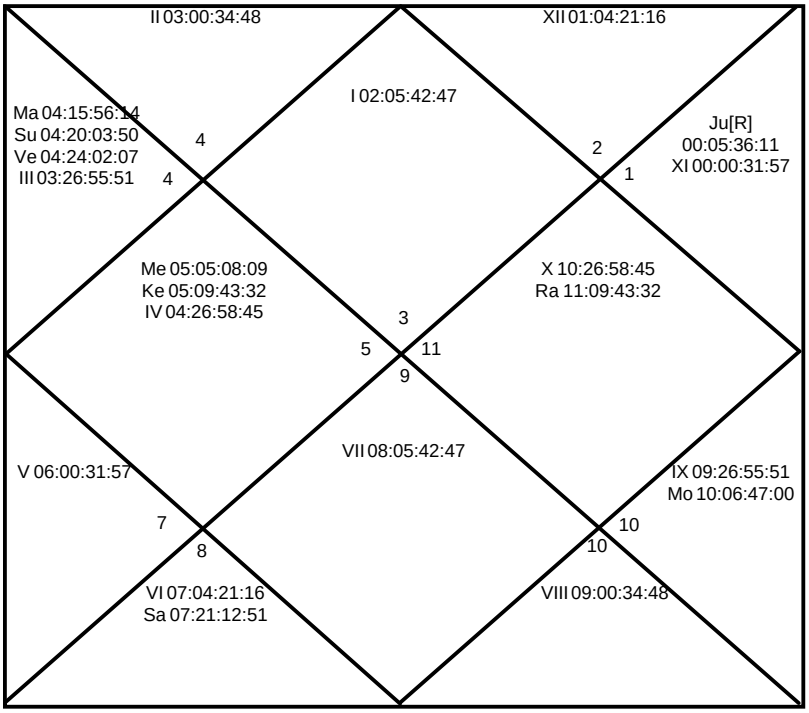

So due to Punarphoo Saturn has spoiled the event during its period.

Any winning chance for Congress in Kerala assembly election to be held on 6th April 2021?

Question: Any winning chance for Congress in Kerala assembly election to be held on 6th April 2021?
Number: 85 (out of 249)
Date of Judgment: 01-03-2021, Monday; Time of Judgment: 13:03:14 PM
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00'.45", 72° E 36'.01"
Aynamsha: 24^0.03'.44" Dasa days: 365.25

Hint
If 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation)-3 (one's ability)-11 (one's reputation as a winner) in the joint period of the significators of 3-10-11, then success is assured.

Cuspal Sub lord for Congress
10th Cusp (Aries 29^0.42'.38"): The sub lord of the 10th cusp is Rahu. Rahu is in the star of Moon and sub of Venus. Rahu is occupant of 10. Rahu is conjoined with Mars. Mars is occupant and owner of 10. Star lord Moon is occupant of 2 owner of 12. Sub lord Venus is occupant of 7 owner of 4. No planet is in the star of Venus and Venus is the CSL of 1-5-8. Thus 10th cusp sub lord Rahu signifies 10-2-12-7-4-1-5-8. Hence, the wining in election is sure.

Cuspal Sub lord for opponent
10th Cusp (Libra 29^0.42'.38"): The sub lord of the 10th cusp is Moon. Moon is in the star of own and sub of Rahu. Moon is occupant of 8 owner of 6. Star lord is also Moon. Sub lord Rahu is occupant of 4. Rahu is conjoined with Mars. Mars is occupant and owner of 4. Thus 10th cusp sub lord Sun signifies 8-6-4. Hence, the wining in election is not sure.

My opinion: 10th cusp sub lord for Congress indicates 10 and for opponent it does not indicate any of 3-10-11, thus Congress will win this election.

Question: Is Arnab Goswami editor in chief of Republic Tv involved in television rating point (TRP) fraud?
Horary No: 97
Date: 13 Feb 2021
Time: 1:49:55 AM
Place: Kolkata

Hints: If 12 cuspal sublord is the significator of 5 (gain to opponent), 8 (unfair things), 12 (misfortune) then chances of fraud happens during the joint period of 8,12

Here 12 CSl Ketu occupies the 4th house. No planet in star of Ketu and ketu is the cuspal sub-lord of 12th Cusp. Mars aspects Ketu and Mars is posited in 9th and owns 9,4. Ketu in star of Mercury posited in 6th and owner of 2,11. Ketu in sub of Moon posited in 6th and owner of 12.
So Ketu is connected with 12 so chances of him committing fraud is there.

Current dasha running is Rahu upto 25 August 2030
Rahu occupies the 10th house. Rahu is an agent of Jupiter posited in 6th and owns 5,8. No planet in star of Jupiter and Jupiter is the cuspal sub lord of 8th cusp. Rahu in star of Moon posited in 6th and owns 12. Rahu in sub of Venus occupies 6th house and owns 3,10.
So Rahu is well connected to 5,8,12

Current Bhukti Mercury running from 6th August 2020 to 23 February 2023
Mercury occupies 6th house and ows houses 2,11. Mercury in star of Moon posited in 6th and owns 12. Mercury in sub of Venus posited in 6th and owns 3,10
So the current bhukti is connected with 12th house.

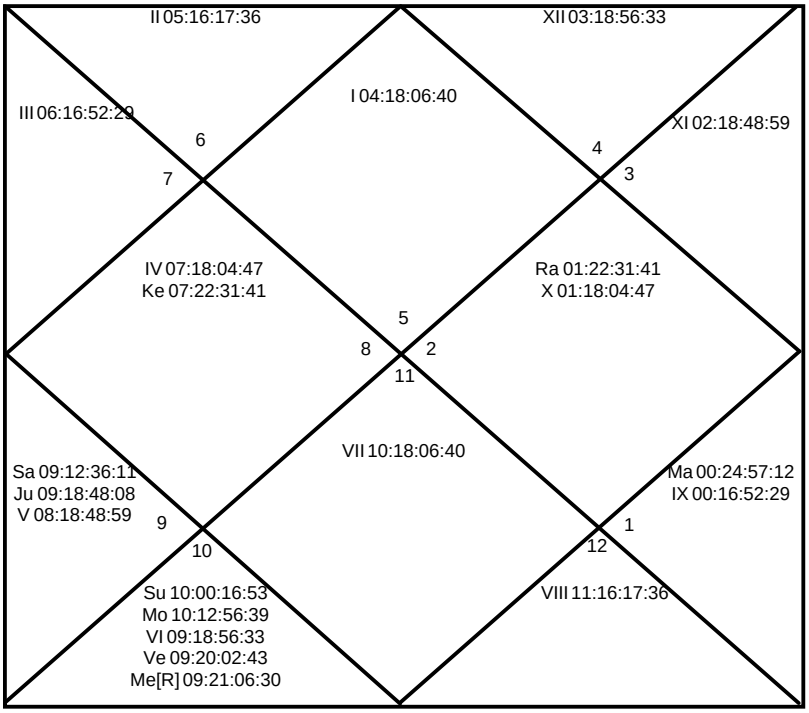

Prediction: Astrologically the 12 cuspal sub-lord, current dasha as well as bhukti suggest he might be involved in TRP fraud.

Marital life is difficult!

One day I received phone call from Kurnool. Kumari asked me to verify birth chart of his sister who is already in age of 33, but not yet married. Her birth particulars are given as follows:
Mouneswar, 27/6/1988, at 6.10 PM, Kurnool

K.P. Rules:
If 7th cuspal sub lord is the significator of 2, 7, and 11, marriage is promised. If 7th cuspal sub lord signifies negative houses 12, 6, and 8, performance of marriage is difficult.

7th cusp: 7th cuspal sub lord Venus (6, 6-11) is in the star of Moon (8, 12), and in own sub of Venus (6, 6-11) . Venus is its own star. As Venus signifies 11 marriage is promised, but it does not indicate happy married life because 7th cusp sub lord Venus also karaka for marriage is the significator of 6,8,12, negative houses to marriage.

2nd & 11th cusp: 2nd & 11th cusp sub lord Saturn (1,2-3) is in the star of Ketu (9,7,12) and in sub of Mars (3,5,12). Saturn is in lagna in retrograde position, signifying marriage house 2,7, along with negative houses 1, 12.
Vedic Perspective: Saturn in Sagittarius ascendant and Sun in 7th house are aspecting each other as enemies. For duel sign ascendant bhadakaadhipati is 7th house. 7th house lord Mercury is in 6th house aspected by Mars. Fruitful planets Jupiter and Venus are not aspecting 2, 7, and 11 houses. These planetary positions are not good for married life.

PRESENT RUNNING DASA: - Venus dasa from 06-10-2018 to 06-10-2038.
Venus dasa Venus antara up to 04-02-2022: Venus is the significator of marriage house 11 and negative 12, 6, 8 houses.
Venus dasa Sun antara up to 04-02-2023: Sun(7,9) is in the star of Rahu (3), Mars (3,5,12), Saturn (1,2,3) and in sub Saturn (1,2,3), signifying marriage houses of 2,7 and negative 1,12 houses.

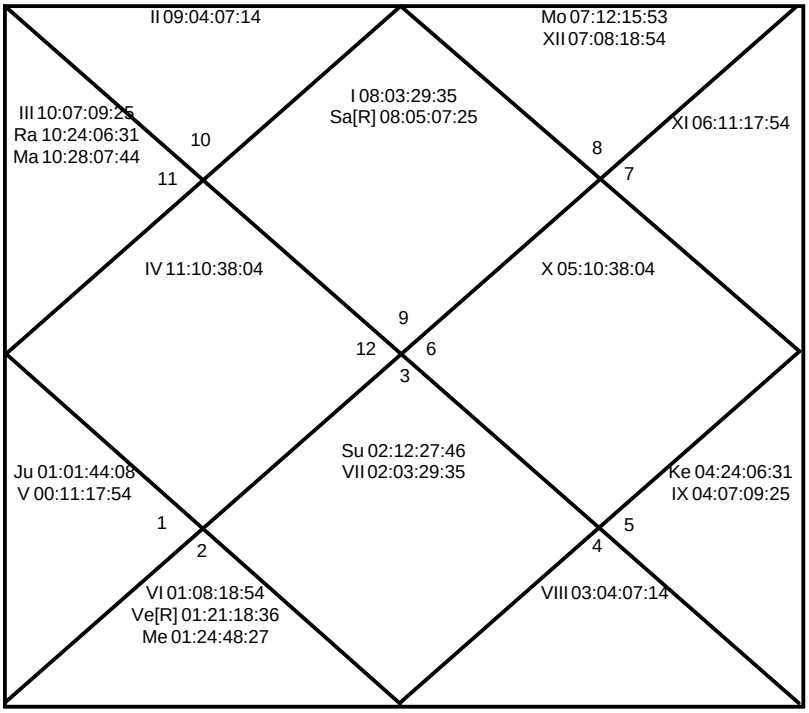

I give prediction that marriage is possible in the year of 2022, while Jupiter aspects ascendant or Moon in transit. Marital life may be short, she may not have happy marital life, and it may be break.

Marriage In the time of Corona

The native is an Engineer and he was unmarried up to 2019. His mother, who is my cousin sister, phoned me and asked about his marriage. She was very worried as native was her only child and his marriage cannot me materialize due to various reasons. In KP there is no ambiguity as there are settled principals for every matter. To see the promise of marriage in any chart we consider seventh cusp sub lord. If seventh sub lord is connected with 2nd or 7th or 11th house, there will be promise of marriage.

Birth details: DOB-18/01/1989, TOB-13:17PM, POB- Lucknow, Ayanamsa- 23° 36' 50"
In this case 7th cusp sub lord is Saturn. In Bhava chart Shani is 11th lord placed in 8th house with natural marriage karaka Venus. So there is strong promise of marriage in this chart. We know that Saturn is slow moving planet so generally it gives its result very slowly. In the present case we can clearly see this as native after completing three decades of his life, is still unmarried.

Significators: we will determine the significators of 2nd, 7th and 11th house, who can materialize the wedding in their respective DBA.

Second house: Sign lord of second cusp is Mercury. There is no planet situated in any constellation of Mercury. So Mercury is strong significator of second house.

Seventh house: Sign lord of seventh cusp is Mars. There is no planet situated in any constellation of Mars. So Mars is strong significator of second house.

Eleventh house: Like second and seventh house there is no planet in any constellation of 7th cusp sub lord Shani.

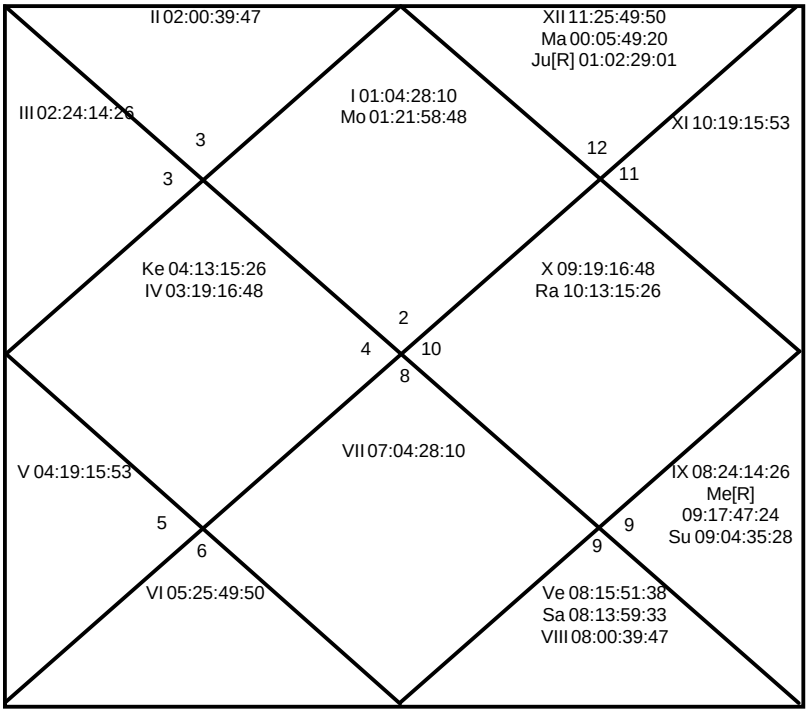

When question was asked about the marriage of native, Jupiter Dasha and Saturn Bhukti was running. No doubt Jupiter is not included in the above significators. But Jupiter is aspecting the seventh house and 2nd lord Mercury. So Jupiter may give marriage in its Dasha. Now we will see whether Saturn can give marriage in its Bhukti? This is a tricky question for any astrologer as being seventh cusp sub lord Shani can give wedding but this will be decided by the sub lord of Saturn. Venus is sub lord of Saturn. In Bhava chart Venus is lord of lagna so it will not help in marriage. Next Bhukti will be of Mercury which is a strong significator. Now only Mars was remaining. So I reached on this conclusion that marriage of this native will be performed In Jupiter Dasha Mercury Bhukti and Mars Antra which will run from 10 Nov 2020 to 28 Dec 2020.

After telling the possible time to my cousin sister I forget about this matter. Last month in a telephonic conversation my cousin sister told me that marriage of this native was performed last year. I was very eager to know about marriage date so I called the mother of this native. When I inquired, she told me that due corona lockdown restriction she was unable to invite me in the wedding. The marriage was performed on Hariprabhodhini Ekadashi which was on 25th Nov 2020. Knowing this I was very pleased as the event occurred within time frame which was given by me. On the day of marriage Sun was in the Mars's sign Scorpio. Moon was in Pisces whose sign lord is Dasha nath Jupiter. At the time of marriage Moon was in Revati constellation whose lord is bhukti lord Mercury.

Child Birth / Denial of Child Birth / Delay in Child Birth (Part - II)

By: Sri. Raghavendra Rao Desai

In my earlier article of "Child Birth / Denial of Child Birth / Delay in Child Birth (Part - I) I had written about the KP rules for Child birth.

- The 5th Cuspal Sublord (CSBL) should not be deposited in 4th house and it should not be connected with 6, 8 and 12.
- If 5th CSBL is deposited in 6th house then the chances of child issue is little.
- If 5th CSBL is deposited in 6th then there will be apprehension of disease.
- If 5th CSBL is deposited in 8th there will be defect in the child issuing organs.
- If 5th CSBL is deposited in 12th there will be excess sex desire but the chances of child issue is little.
- If 5th CSBL has connection with 2, 11 then there will be good position of progeny.
- Fertile Signs are Cancer (Kataka), Scorpio (Vrischika) and Pisces (Meena).
- Infertile or Barren Signs are Aries (Mesha), Gemini (Mithuna), Leo (Simha) and Virgo (Kanya).
- Indecisive Signs are Taurus (Vrushabha), Libra (Tula), Sagittarius (Dhanassu), Capricorn (Makara) and Aquarius (Kumbha).
- It is very difficult to judge on the basis of single dictum.
  But the DBAS will play a vital role in all life events.

Analysis Points: Male (Husband):

Delay in Child Birth in Male: (10.12.1976 @ 1.30 p.m. in Bangalore). Married in 11.03.2007.

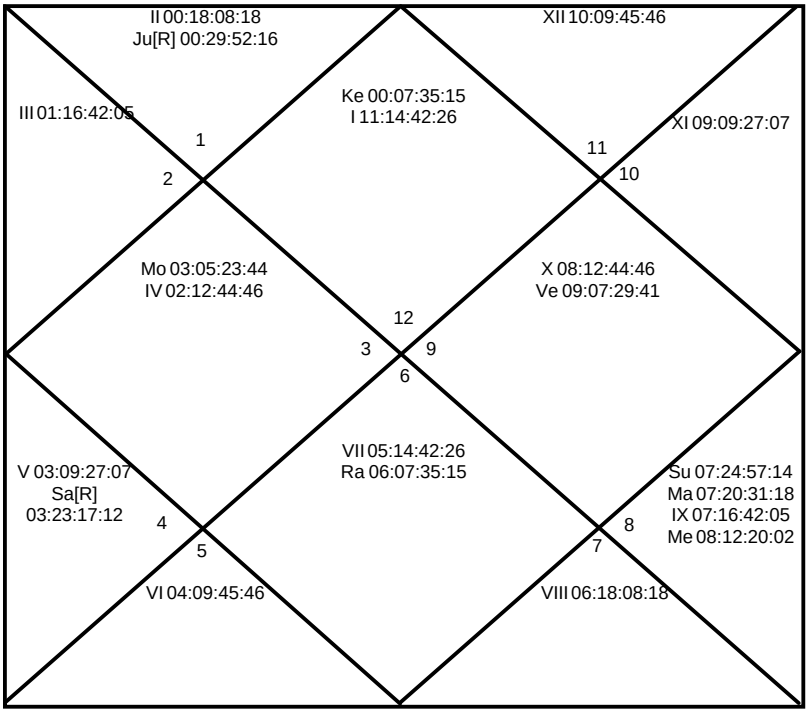

- 5th and 11th CSBL is Venus and it is posited in 10th house but he is signifying 2, 5, 11 through its Sub Lord Ketu (Ketu is conjoined with Jupiter and Jupiter posited in 2nd. Saturn is aspecting Ketu and Saturn is posited in 5th as well as Saturn is lord of 11th. So, child birth is promised.
- But here the Venus is in Sun Star and Ketu Sub.
- 5th and 11th CSBL is Venus, posited in 10th house and it is negation to 11th house.
- Karaka Jupiter is posited in Barren (Aries) Sign.
- Jupiter is Lord of 1st and 10th house and he is posited in 2nd house and that 2nd house is also Barren (Aries) Sign.
- Jupiter is Lord of 10th and it is negation to 11th house.
- Jupiter is in Sun Star (6, 9) and Rahu Sub (7).
- So, for this native even child through IVF is also very difficult. Because Venus is in 10th house and he is lord of 3rd and 8th.
- Venus is in Sun Star (6, 9) and Ketu Sub (1) and Ketu is in Barren (Aries) Sign also.
- So, the child birth is denied.
- Dasa: At the time of marriage the native was running Mercury Dasa, Jupiter Bhukti and Rahu Antara.
- Dasa Lord Mercury is lord of 4th and 7th house and posited in 9th house and 4th negation to 5th house.
- Mercury is in Ketu Star (1) and posited in Barren (Aries) Sign and Mercury Sub. Mercury is lord of 4th and it is negation to 5th house.

- Bhukti Lord Jupiter is lord of 1st and 10th and is posited in 2nd house and it is in Barren (Aries) Sign.
- Jupiter is in Sun Star (6, 9) and Rahu Sub (7).
- Antara Lord is Rahu and he is in own Star (7) and Jupiter Sub (1, 2, 10).
- Chance of getting child birth is difficult.

- Marriage: 11.03.2007

- Present Dasa Male (Husband): Presently the native is running Venus Dasa (8, 10) and Sun Bhukti (6, 9) even this is also not helping for the child birth and coming Bhukti's also not signifying child birth.

Analysis Points: Female (Wife):

Delay in Child Birth in Female: (08.01.1983 @ 11.20 a.m. in Davanagere) In Female Chart: Married in 11.03.2007.

- 5th CSBL is Rahu and he is signifying 11th house and posited in 4th house.
- Rahu is signifying 11th house. So, child birth is promised.
- But Rahu itself is posited in 4th and in its negation to 5th.
- Rahu is in own Star (4) and Saturn Sub (7, 11, 12).
- 2nd house is in Barren (Aries) Sign.
- 11th CSBL is Saturn and he is the lord of 7th, 11th and 12th.
- Saturn is in Rahu Star (4) and Jupiter Sub (1, 8, 10).
- Sub lord Jupiter is Lord of 10th and it is negation to 11th house.
- Child birth through IVF is also little difficult, though Venus is posited in 11th house but he is in Sun Star (6, 10) and own Sub (3, 8, 11).
- Only Mars is significator of 2nd and there is no planet in its Star or Sub.
- Only Moon is the significator of 5th and there is no planet in its Star or Sub.
- But why so much delay in child birth that we have to check in Dasa system.
- Dasa: At the time of marriage she was running Saturn Dasa, Ketu Bhukti and Venus Antara.
- Dasa Lord Saturn is Lord 11th and 12th and posited in 7th.
- Saturn is in Rahu Star (4) and Jupiter Sub (10), both Star lord and Sub lord signifying negation houses.
- Bhukti Lord Ketu is posited in 10th house and it is negation to 11th house.
- Ketu is in own Star (10) and Saturn Sub (7, 11, 12).
- Antara Lord Venus is in Sun Star (6, 10) and own Sub (3, 8, 11).
- Marriage: 11.03.2007

- Present Dasa Female (Wife): Presently the native is running Saturn Dasa though Saturn is lord of 11th but he is posited in Rahu (4) and Jupiter (1, 10, 8), so child birth is difficult. Next coming Dasa is Mercury (4, 7, 11) but Mercury is in Sun (6, 10) Star and Venus Sub (3, 8, 11) is also feasible. The couples tried for IVF once but it is failed. Both couples are 38 plus years.

Background Note & Query: I had applied for money of my provident fund few months ago; but the PF department is not very much responsible. When will I receive money of my provident fund?

Major question taken into consideration: When will I get money of my provident fund?

Name & Sex of Querent	: Mrs. Bhattacharya, Female
Horary / Divine / Seed No.	: 247 (out of 249)
Date of Judgment (DOJ)	: 29-10-2020
Time of Judgment (TOJ)	: 09:44:55 PM (IST)
Place of Judgment (POJ)	: Hind Motor – 22N41, 88E20, Hooghly, West Bengal, India

GETTING MONEY OF PROVIDENT FUND

8th house is for getting money of unearned & long-term income like getting gratuity; insurance, provident fund etc. 11th indicates profits & gains and related to success of all undertakings. 2nd house is for liquid wealth like money. 6th is 11th from 8th and for related to earnings of service employment. Mercury is the karaka planet for paper works & communication and Jupiter is the natural karaka for blessings.

Hints:

If the Cuspal Sublord (CSL) of 11th (profits & gains) be the significator of 8 (long term income like provident fund), 2 (money), 6 (earnings of service employment), 11 (success in undertakings) and/or in connection with Mercury/Jupiter; getting money of provident fund is assured during the joint period of significators of 2, 6, or 11.

MOON REVEALS THE NATURE OF QUERY.

Moon (Pieces 15-38-20) is in the star of Saturn and sub of Jupiter. Planet Moon, being untenanted, is the occupant of 12, owner of 5, CSL (Cuspal Sublord) of 2-4. Starlord Saturn is the occupant of 10 owner of 11-12. Sublord Jupiter, being untenanted, is the occupant of 10, owner of 1-10, CSL (Cuspal Sublord) of 11. Moon signifies and/or is in connection with the relevant houses, hence query is genuine.

CUSPAL ANALYSIS

XI Cusp: (Capricorn 14-39-51): 11th CSL Jupiter is in the star of Venus and sub of Ketu. Running Period Lords are –

Dasha Lord Saturn (from TOJ to 16-04-2022); being karaka of employment, is present under ruling planets as well as significator of the houses 6, 11; hence Saturn Dasha is taken into consideration.

Bhukti Lord Jupiter (from DOJ to 16-04-2022); being karaka of blessings, is present under ruling planets and the significator of 6-8-11 as well as the Least Planetary Aspect between Jupiter (Bhukti Lord) & Saturn (Dasha Lord) is in conjunction within 05.42 degree - Good; hence Jupiter Bhukti is taken into consideration.

Now in Dasha-Bhukti of Saturn-Jupiter (from TOJ to 16-04-2020); Anthra of Ketu (from 09-11-2020 to 02-01-2021) and Sookshma of Moon (from 23-11-2020 to 28-11-2020) or Jupiter (from 09-12-2020 to 16-12-2020) is taken into consideration due to the following reasons –

· Ketu is present in ruling planets; representing Mars® is conjoined by Moon and aspected by Saturn. Both Moon & Saturn are the significators of 2-11. Further Ketu is in the sub of Saturn is tenanted and will give results of its Starlord Sun which is the owner of 6th.

· Moon is aspected by ruling planet Saturn. Moon in the star and sub of ruling planets (Saturn & Jupiter) signifies 2-11 and is in connection with 11 through Jupiter appeared as a strongest ruling planet (appeared thrice).

· Jupiter is strongly appeared thrice in ruling planets as well as the 11th CSL signifies and/ or is in connection with 2, 6, 8, 11.

CONCLUDING POINTS / MY OPINION: Getting money of provident fund is assured in the month of December 2020 during the joint-period of DBA Saturn-Jupiter-Ketu (from 09-11-2020 to 02-01-2021)- Sookshma Dasha of Moon (from 23-11-2020 to 28-11-2020) and Jupiter (from 09-12-2020 to 16-12-2020) are favorable. Rest almighty knows better!!!

Actual Fact(s): Prediction went correct. The Querent got money of Provident Fund on 26th November 2020 in the DBAS of Saturn-Jupiter-Ketu-Moon (from 23-11-2020 to 28-11-2020).

Sookshma lord Jupiter is in the star of Moon and sub of Venus. Jupiter is occupant of 8 owner of 7-10. No planet is in the star of Jupiter and Jupiter is CSL of 3-9. Star lord Moon is occupant of 3 owner of 2. Sub lord Venus is occupant of 8 owner of 5-12. No planet is in the star of Venus and Venus is CSL of 5. Thus sookshma lord Jupiter signifies 8-7-10-3-9-2-5-12. Hence, the wining in election is sure.

Joint period for opponent
On the day of election, (27th March 2021) the running joint period dasa is Moon-Rahu-Mercury-Jupiter.

Dasa lord Moon is in the star of own and sub of Rahu. Moon is occupant of 9 owner of 8. Star lord is also Moon. Sub lord Rahu is occupant of 5. Rahu is conjoined with Mars. Mars is occupant of 5 owner of 12-5. No planet is in the star of Mars and Mars is CSL of 2-8. Thus dasa lord Moon signifiers 9-8-5-12-2. Dasa lord Moon does not indicate 3-10-11 at all, thus no chance of winning.

My opinion: 10th cusp sub lord for BJP indicates 3-11 and for opponent it is also 3-11. In dasa for BJP it indicates 3-11 but for opponent does not indicate any of 3-10-11 at all. Thus BJP will come in power again in Assam.

EASY WAY TO LEARN KP HORARY ASTROLOGY

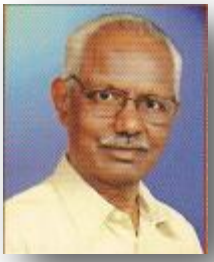

This is my eighth book. I hope it will get the same enthusiastic response that my earlier books.

In this book, I have given 211 examples to illustrate the KP Horary astrology. I am sure readers will not be disappointed. I use 6 fold table instead of popular 4 fold table. Also it is said that retro planet effect in KP horary do not give any result. In this book, I have provided many examples using retro planet effect which give accurate results. For any unknown person, most of KP astrologer use to rotate chart 9th as Ascendant, but I never rotated chart and get very good result.

Time chart analysis on getting a tenant for my house at Vishakapatnam.
This is a horary question on "will I be able to get a tenant for my house at Visakhapatnam" raised for me on 06Feb 2021 @08-15-00a.m, at my place Secundrabad.
Immediately I sat at my table and erected a Time-chart on 06-Feb2021 @08-15-59 A.M, which is attached.

Co-ordinates for judgment
6-indicates tenant, 9th indicates the residence of the tenant (4th from 6th), and 3rd indicates - change of existing place of stay of the tenant.

1. Moon speaks of the querent's mind
As per time-chart, the Moon is the lord of 6th is placed in 9th cusp in Mars sign-Scorpio-with Ketu and is aspected by Mars-karaka for houses. Since 6th and 9th cusps are indicated by Moon, it indicates the nature of the query.

2. Whether the querent's desire be fulfilled
11th cusp sub-lord is Rahu+. No planets are placed in Rahu stars and hence Rahu+ strongly signifies 11th cusp. Rahu is placed in 3rd cusp within one-degree orb to 4th cusp. Rahu co-rules 2-7-8 cusps also. Rahu+ is placed in the star of moon lord of 6th is in 9th and sub-lord of Sun lord of 7 is in 12. Rahu+ signifies @STL(Moon) 4-6-9 and @SBL(Sun) 7-12.
Here all the relevant houses on the subject are signified (3-6-9 and 4, I feel a positive answer and the 11th cusp assures the fulfilment of the querent's desire.

3. KP Rule says if the 6th cusp sub-lord signifies 6-3-9, one will be a position to get a tenant for his house during the conjoined period of the significators of 4-6-11 houses.

As per the time chart—6th cusp sub-lord is Jupiter+. No planets are placed in Jupiter stars. Jupiter lord of 2 and 11 is placed 12th cusp. It is placed in the star -lord of moon lord of 6th is in 9th and the Sub-lord of Saturn lord 1 and 12 is in 11th cusp. Jupiter aspects 4th by its 5th aspect which is a favourable one. 6 and 11 indications and connection with 4th indicates the promise of the event.

Note- Moon is placed in Saturn star causes Punarh-Phoo dosha causes delay.
Saturn aspects the 6th cusp directly add a delay factor.

Significators of 4-6-11 houses

4=RAHU-MARS-VENUS.
6=MOON-KETU-JUP-VENUS-SATURN-RAHU.
11=MERC-JUP-MOON-MARS-VENUS-SATURN.

X Venus Sookshma period lord is dropped as there is PP dosha.
Next comes Sun Sookshma is not a significator of 4-6-11 houses.
Next comes Moon Sookshma lord is already taken as Bhukthi lord. So dropped.
Next comes Mars Sookshma period runs from 28 Mar2021 to 02 April 2021, signifies @STL 4 -11 and @SBL 11(2-12).

Because of the above, I feel that the querent will be in a position to get a tenant for his house in Visakhapatnam by the end of March 2021.

Will my wish get fulfilled?

Client approached me and wanted to know "I am going to meet my wife in court on 16th Jan 2021 for a one time divorce case settlement. She wants 12 Lakhs but I can only afford 7 lakhs. I want her to take the money and settle this matter. Will my wish get fulfilled?"

Horary No: 132
Date: 14 Jan 2021
Time: 11:36:10 PM
Place: Kolkata

Rule for wish fulfilment: If 11 cuspal sub-lord is the significator of 1(self effort / native) and 11 (success) then one's wish gets fulfilled during the joint period of 1&11.

Ruling Planets at time of judgement-:

	Sign	Star	Sub
Asc:	Mercury	Mars(Ke)	Saturn
Moon:	Saturn	Moon	Ketu
Day :	Jupiter		

11 CSL Saturn occupant of 4 and owner of houses 4 and 5. No planet in the star of Saturn and Saturn is cuspal sub-lord of 1, 3 and 7 cusp. Saturn in the star of Sun occupant of 3 and owner of 11. Saturn in the sub of Venus occupant of 3 and owns houses 1, 8.
So the 11 cuspal sub-lord is significator of 3, 11 and connected with houses 1, 3, 4, 5, 7, 8.
So there are chances of getting the native's wish fulfilled.

At the time of judgement Dasha running is that of Moon. (6th April 2013 to 6th April 2023)

Mo (4, 10), in the star of Mo (4, 10), in the sub of Ke (2)
Moon is occupant of 4 and owner of 10. Moon in star of own and sub of Ketu. Ketu occupies the 2nd house. Ketu is aspected by Mars occupant of 7 and occupies 2nd and 7th house.
Thus the Moon is the significator of 4, 10 and connected with 2 and 7.
Moon is not connected to 1, 11 rather its giving 10th house negating the client's desire will not be fulfilled.

Prediction: On 16th Jan 2021 you will not be able to convince your wife to take your offer of 7 lakhs.

Outcome: On the same day client informed that his wife did not agree at all, declined his offer on 16 Jan 2021.

KP Rule:
According to sri. Kanak kumar B. Bosmia Rule:
1. If the cuspal sublord of the 11th house be the significator (in the star of the occupant or owner) of 2 (money gain), 6th (loss to opponent) or 11th (gain / fulfilment of desire), and also connected with 3rd (lottery) and does not signify 5, 8 or 12 only one can win lottery.
This 11th cuspal sublord and it's star lord should not be retrograde.

2. If the significator of 2nd, 6th , 11th is connected with 3rd and not a significator of 8,12,5, then during that joint period one can win lottery.

At the time of announcement, joint period lord and it's star lord must be in direct motion.
Please note when question is asked about specific time of result of lottery only this rule will be applied.

Now in this Time Chart,
Moon
Moon is in the star of Ketu and sub of Mercury.
Moon is occupant of 12 owns 4. Star lord Ketu is occupant of 8. Sublord Mercury is occupant of 10 owns 3 and 6.

Co-ordinates for the subject—
4th house indicates one own house, 11-desire to occupy a house, 3- negative to the existing place of stay (rented house).
K. P Rule says "if the 4th cusp sub-lord signifies 4-new house /residence, and 11- fulfilment of the desire to occupy a new house, one will occupy the new house during the conjoined period of significators of 4,3 and 11 houses."

As per the chart of the native—
4th cusp sub-lord Ketu is placed in 8th (within 3 degrees orb to 9th). Ketu is placed in the star-lord of Mercury lord of 3 and 12 in 3rd and the sub-lord of Venus lord of 4 and 11 in 2nd. Ketu represents Jupiter lord of 9 and 6 in 11th, Mercury lord of 3 and 12 in 3rd, Sun lord of 2 in 3rd and Venus lord of 4 and 11 in 2nd.
Thus the 4th cusp sub lord Ketu signifies @STL (MERC) 3-12 and @SBL(VENUS) 2-4-11.
Since Ketu signifies 2-4-11- 9 (2-indicates personal possession) (p78 of Easy to Learn by Kanak ji), 4- house property, 11-fulfilment of his desire to own a house, 3- change of present place of stay, 12- new surroundings) he is assured of occupying his newly constructed house (4).

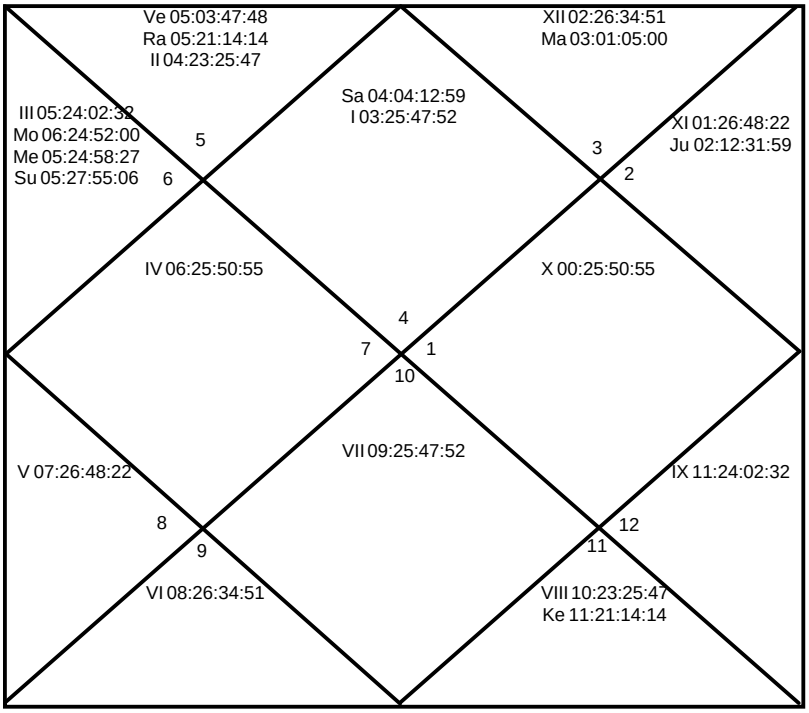

Significations of 3-4-11—

4=SATURN-RAHU-MOON-VENUS-KETHU.
11=MOON-MARS-JUP-RAHU-KETHU-VENUS.

ASC= SAT-MARS-RAHU/ MOON=MERC-MARS-KETHU/ DL= MARS.
Note-Jupiter and Saturn are conjoined and Rahu and Ketu represent Venus.
PERIOD –Presently this native is passing through –
Mercury Dasa runs up to 2023, and Mercury signifies @STL(MARS)3-12 and @SBL(RAHU) 3-4-11,
X Saturn Bhukthi runs from 04-04-2021 to 12-12-2023, and Saturn signifies @STL (Ketu) 1 and @SBL(Moon)3,
X Saturn Anthra period runs from 04-04-2021 to 07-09-2021 is O.K.
Sun transits in Venus sign (Taurus) (3-4-11) on Moon star (4-11) from 25/05 to 08/06 agrees.
X Kethu Sookshma period runs from 21/05/2021 to 30/05/2021 and Kethu signifies @STL 3-12 and @SBL 4-11.
Because of the above analysis, I feel that Mr Dhayni is likely to occupy his new house during May 2021.

Query: My brother already appeared for the MBBS entrance exam and has passed but with average marks. Now will he be able to clear his counselling so that he can get admitted in medical college?

Horary No: 68
Date: 14 Dec, 2020.
Time: 11:25:55 AM
Place: Kolkata

Rule: For any kind of college admission, 4th cuspal sub-lord should signify 4 (educational institute), 11(success) and 9(higher studies), then one gets admission in college during the joint period of 4-11 (9).

Here 4th CSL Venus is in 5th house (close to 5th cusp within orb of 3 degree 20 mins) and owns 4,11. No planet is in the star of Venus, and Venus is the cuspal sub lord of 2,4,10 houses. Venus is in the star and sub of Saturn occupying 7 and owns 7 and 8.
Here Venus is signifying 7,8 and connected with 2,4,5,10,11. So chance of getting admission in college is there.

The counselling will happen from 16 Dec 2020 to 18 Dec 2020.
At that time the period lords will be Mercury-Moon-Saturn-Venus (DBAS).

Dasha lord Mercury is in his own star occupying 5th house and owns 3,12. Mercury is in the sub of Rahu. Rahu occupies 11th house. No planet is in the star of Rahu, and Rahu is the cuspal sub lords of 3 and 12 houses. Rahu is aspected by Jupiter posited in 7th and owns the houses 6 and 9. No planet is in the star of Jupiter and Jupiter is the cuspal sub lord of 6th house.
So Mercury is the significator of 5,3,12 and connected with 6,7,9,11,12.
Dasha is showing 9,11, so chance of college admission is there.

Mo+(5, 1) is in the star of Me(5, 3-12) and in the sub of Mo+(5, 1).
Bhukti lord Moon occupies 5th house and owns 1st. Moon is in the star of Mercury posited in the 5th and owns 3,12. Moon is in the star of the Moon.
Moon does not signify any of 4,9,11. So chance of selection in counselling for admission in college is negligible.

Outcome: The client's brother did not clear his counselling for medical college admission.

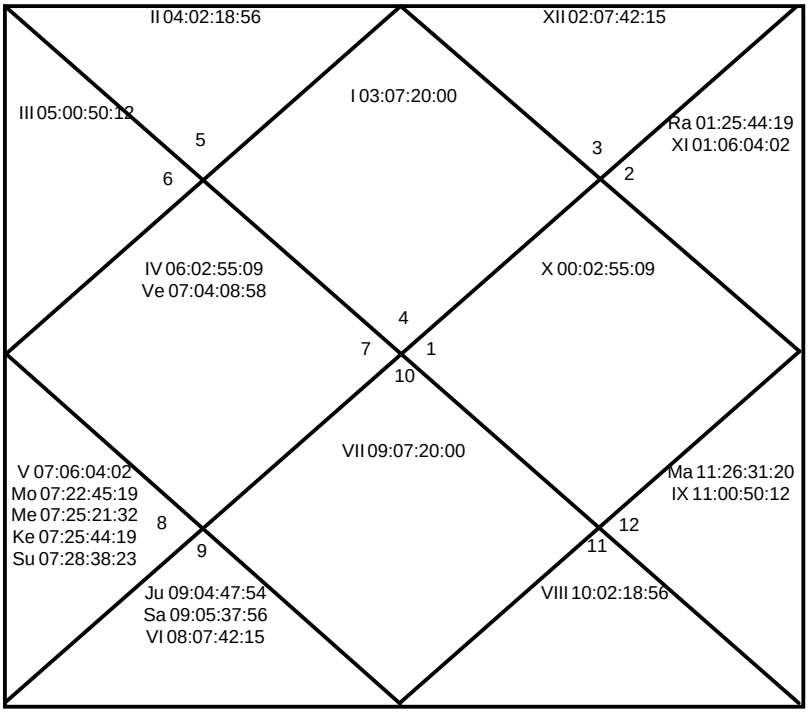

Special thanks to Kanak Sir, for helping me out at times of need. Very few teachers and guru actually keep in touch with their students after completion of course but Kanak Sir is really an exception. Such great honest teachers and gurus are very rare these days.

No planet is in the star of Venus and Venus is the CSL of 2-4. Thus bhukti-antra lord Jupiter signifies 4-2-3-6-11-10-7. Hence, the wining in election is sure.

Sookshma lord Venus is in the star of Rahu and sub of Saturn. Venus is occupant of 4 owner of 7. No planet is in the star of Venus and Venus is the CSL of 2-4. Star lord Rahu is occupant of 7. Rahu is conjoined with Mars. Mars is occupant of 7 owner of 1. Sub lord Saturn is occupant of 3 owner of 4-5. No planet is in the star of Saturn and Saturn is the CSL of 1-5-6-11-12. Sookshma lord Venus signifies 4-7-2-1-3-5-6-11-12. Hence, the wining in election is sure.

My opinion: 10th cusp sub lord indicates 10-11 for UPA and 11 only for NDA. In Dasa-Bhukti-Antra it indicates 10 only for UPA and 3-10-11 for NDA. In Sookshma dasa, it indicates 10-11 for UPA and 3-11 for NDA. Thus this is a close fight but NDA will win this election by slight advantage in Dasa-Bhukti-Antra.

Question : Rasi and Bhava Chart
In KP Reader III, 1971, p 135:
"The sign is not very important. The house occupied by a planet should be judged, taking in which constellation the planet is posited. The role of the sign occupied by the planet is not so important, as that of the constellation."

In this regard, could you verify the role of Rasi and Bhava chart in KP.

Answer:
The South Indian 'rasi chart' gives the relative rasi positions with boundary lines of 'rasi after rasi' of Hindu zodiac for correct use of rasi-based Hindu aspects. By inserting the Placidus cusps and placing the planets in the Placidus houses, the house-based chart denotes the correct occupation and lordship of planets in finding KP significators. So it may be called the Rasi and Bhava chart.

The Rasi chart is used to apply the Hindu aspect from rasi to rasi. The badhaka houses are determined by the rasi where the Lagna (cusp) is located. The dual signs(rasis) are used in determination of multiple cases like more than one marriage. The barren and fruitful signs are used in consideration of childbirth. The lord of sign where Rahu / Ketu is located represents Rahu / Ketu. etc.

The bhava chart is used for the determination of occupation of the planet as per the Placidus cusps. The occupied bhava of a planet is more important than bhavas owned by that planet. The constellation (star lord planet) is more important than the planet and the sub is more important than the constellation as a decider whether an event will be beneficial or not.
Example Chart

In this example chart, the 12th house starts from 12th cusp @Aquarius 4:59:26 and ends at 1st cusp @Pisces 11:00; 1st house starts from 1st cusp @Pisces 11:00 and ends at 2nd cusp @Aries 15:49:56; 2nd house is from 2nd cusp @Aries 15:49:56 to 3rd cusp @ Taurus 14:20:17 and so on.

Fortuna @Pisces 00:39:55 is in the Lagna rasi but in the 12th house between 12th cusp and 1st cusp. Rahu @Pisces 16:10:38 is also in the Lagna rasi, but in the 1st house between 1st cusp and 2nd cusp.

For "lordship" of a house, the lord of the rasi where the cusp falls should be taken:
In this example chart, 1st cusp falls in Pisces rasi and so this rasi lord Jupiter is Lagna lord, which occupies 8th house; similarly 2nd lord is Mars and 3rd lord Venus.

6th cusp falls in Leo rasi, and so this rasi lord Sun is the lord of 6th house; similarly 8th lord is Venus and 12th lord Saturn.

EASY WAY TO LEARN KP HORARY ASTROLOGY

This is my eighth book. I hope it will get the same enthusiastic response that my earlier books.

In this book, I have given 211 examples to illustrate the KP Horary astrology. I am sure readers will not be disappointed. I use 6 fold table instead of popular 4 fold table. Also it is said that retro planet effect in KP horary do not give any result. In this book, I have provided many examples using retro planet effect which give accurate results. For any unknown person, most of KP astrologer use to rotate chart 9th as Ascendant, but I never rotated chart and get very good result.

Rajinikanth to get India's highest film honour

By: Tin Win
Email: tw853@yahoo.com

Indian movie superstar Rajinikanth, 70, will receive the Dadasaheb Phalke award, India's highest film honour. The award is given for lifetime contribution to Indian cinema and is named after Phalke, director of "Raja Harischandra" (1913), India's first full-length feature, who is considered the father of Indian cinema. It carries a prize of INR 1 million (US$13,600). Announcing the 2021 award recipient on April 1st 2021, India's Information and Broadcasting Minister Prakash Javadekar said in a tweet that Rajinikanth is "one of the greatest actors in the history of Indian cinema" and that "his contribution as actor, producer and screenwriter has been iconic".

Past winners of the Dadasaheb Phalke award include filmmakers Satyajit Ray, Adoor Gopalakrishnan, Mrinal Sen, Shyam Benegal and Tapan Sinha, actors Soumitra Chatterjee, Amitabh Bachchan, Dilip Kumar, Rajkumar, Sivaji Ganesan, Akkineni Nageswara Rao and Shashi Kapoor, and musicians Manna Dey, Bhupen Hazarika, Lata Mangeshkar and Asha Bhonsle.

Born Shivaji Rao Gaekwad, Rajinikanth began his career in 1975 and has starred in 160 movies, gaining fans at home and abroad. His new film, action drama Annaatthe, is due later this year. Rajinikanth began his career in 1975 with the Tamil-language film "Apoorva Raagangal." Since then he has starred in more than 160 films across Indian languages and attained cult status. Rajinikanth is a phenomenon among South Indian stars. His popularity includes fan bases in the U.S. and Japan. In addition to acting, he has also worked as a producer and screenwriter. Celebration of marriage held up due to non-agreement of transit

In February 2020 a friend of my son told me that he has received a marriage proposal in which he got interest. But it is not successful though he is interested as nobody from bride side has come forward for settlement. In this connection he requested me to find out the reason astrologically and also the probable period of settlement and marriage celebration. He has furnished his details as under:

DOB: 7-2-1993 Time: 1-03 am Place: Patancheroo

K.P. Rule: Houses 2,7,11 deals with the marriage. If the cuspal sublord of 7th house signifies 2 or 7 or 11 marriage is promised. If the 7th CSL signifies 8,12 there will be some hurdles in the celebration of marriage or inharmonious relations between the couples after marriage.

The 7th cuspal sublord in this chart is Rahu. Rahu is in 1 in the star of Mercury in 4 lord of 8,11 and occupies its own sub. Rahu represents Mars being in the sign of Scorpio. Mars is in 8 lord of 1,6 in the star of Rahu in 1 and in the sub of Venus in 5 lord of 7,12. As Rahu signifies 7,11 marriage is promised but at the same time Rahu signifies 1,4,6,8,12 indicating inharmonious relations leading to separation.

The significators for marriage are as follows:

Cusp	A	B	C	D
2	—	—	—	Jup
7	—	Ket	—	Ven
11	—	Jup	Mon, Rah	Mer

In February 2020 the native has been running the dasa, bhukthi of Venus-Rahu.

.

Dasalord Venus is in the star of Saturn and sub of Jupiter. Venus is in 5 lord of 7,12 in the star of Saturn in 3 lord of 4 and in the sub of Jupiter in 11 lord of 2,5. As Venus signifies 3,11,7 it is favourable for negotiations and settlement of marriage.

The bhukthi lord Rahu is in 1 in the star of Mercury in 4 lord of 8,11 and in its own sub. Further Rahu as agent of Mars signifies predominantly negative houses 1,6,8,12 as stated above, it is not favourable for marriage negotiations. Hence the people from bride side could not come forward for negotiations of settlement of marriage as revealed by the native.

However Rahu bhukthi ended on 13-10-2020 and Jupiter bhukthi commenced subsequently. Jupiter is in the star of Moon and in the sub of Venus. Jupiter is in 11 lord of 2,5 in the star of Moon in 9 and in the sub of Venus in 5 lord of 7,12. The starlord Moon is aspected by Saturn lord of 3. As Jupiter signifies 3,9,11,7 it is favourable for negotiations and settlement of marriage during its bhukthi period.

As Jupiter has got positional status it can be considered as anthara lord for settlement of marriage negotiations. The conjoint period of Venus-Jup-Jup runs from 27-9-2020 to 4-2-2021 during which period the negotiations will be finalized.

It is learnt that betrothal ceremony had taken place on 25-11-2020 during the conjoint period of Ven-Jup-Jup. But the marriage has not taken place during this conjoint period as the transit of DBA lords have not agreed for the event.

Saturn anthara commences from 4-2-2021. Though Saturn is not a significator of marriage it is aspected by bhukthi lord Jupiter significator of 2,5,11. As Saturn assumes the role of Jupiter it is favourable for conducting the marriage. But the event may not take place during Saturn anthara as the transit is not agreed once again.

Mercury anthara commences from 8-7-2021. Mercury is in the star of Mars and in the sub of Venus. Mercury is in 4 lord of 8,11 in the star of Mars in 8 lord of 1,6 and in the sub of Venus in 5 lord of 7,12. As Mercury signifies 11,7 it is favourable for conducting marriage.

The conjoint period of Ven-Jup-Mer runs from 8-7-2021 to 23-11-2021 and the marriage has to take place during this period if transit agrees. The reasons for delay in celebration of marriage have been explained to the concerned.

Analysis: It seems that there will be a tough competition between Mamata and Suvendu. 11th CSL is showing positive for both parties with inclination towards Mamta because the number of negatives are less. Dasha and bhukti are favouring Suvendhu while Antara and Sookshma are totally favouring Mamata.

Prediction: Mamata (TMC) will win according to me in the Nandigram election because of positive 11th cusp sub lord and very negative antara and sookshma for Suvendu.

At present performance of marriages is changing day to day. Some are following old traditional rules and regulations according the customs of the cast and culture. Now we are watching love marriage, inter cast marriage and late marriage. As an astrologer I am observing horoscopes of a couple. Why husband age is less than the wife age. i.e., she is elder than his husband.
One day a couple came to my office about their personal problem. I found that the age of wife is more than the husband. They agreed.

In KP astrology 7th house says life partner, business partner, thief and also age of the person depends on the planet.

(A):- In KP HORARY ASTROLOGY ADVANCED STELLER SYSTEM READER NO.6 PAGE NO.226 PARA NO.4 .
Description of the thief: As Saturn is in the 7th house the person is servant. Guide Bonatus says that if the thief's signification be Mercury he is very young. If Venus a youthful but yet young female, Mars shows him to be of full age. Jupiter of middle age and Saturn elderly people . If it is Sun he is young if Sun is 12 or 11 or 10th house . If Moon is the signification then the age of the thief will correspond to the age of the querist.
According to me the sub lord of the 7th cusp shows whether the thief is young or old.

(B):- In KP HORARY ASTROLOGY:-. FOURTH READER. PAGE NO. According to KRISHNA MURTI SYSTEM consider the lord of the constellation and the sub lord. They indicate whether the wife is aged or young so also in the bride's chart, one is to judge the difference in age between husband and wife.

1. Saturn ruling the constellation or sub where 7th cusp falls. husband an aged person. So the difference is much.
2. Jupiter, Venus and Sun denote proper difference in age, if they rule the constellation and sub.
3. If Mars or Mercury or Moon rule the constellation or sub, the difference is very little, Husband will be young.
4. In each chart find out whom Rahu and Ketu indicate accordingly to read result.

In brief Planate and age: Sun age 12 - 15, Moon age equal to querist, Mars age 16 -20 Mercury age 21-26 Jupiter and Venus 26 -45, Saturn 45 to 60.

The following is the birth details of the couple.
Woman (Wife) date of birth: 26/3/1975 at 12.20 PM at Adonis , Kurnool Dist.,
and Man (husband) date of Birth: 12/3/1983, at 5.45 PM at Adonis, Kurnool Dist.,.

Woman (Wife): The sub lord of the 7th cups is Venus , and Venus is in Venus star it is in Aries. The age of the Venus 26-45. Man married at the age of 39.

Man (Husband): The sub lord of the 7th cups is Saturn. It is in Gemini in the star of Rahu. The age of the Saturn 45- 60, Saturn is an old aged planet. Woman married at the age of 44. Rahu indicates this marriage to be out of the custom.

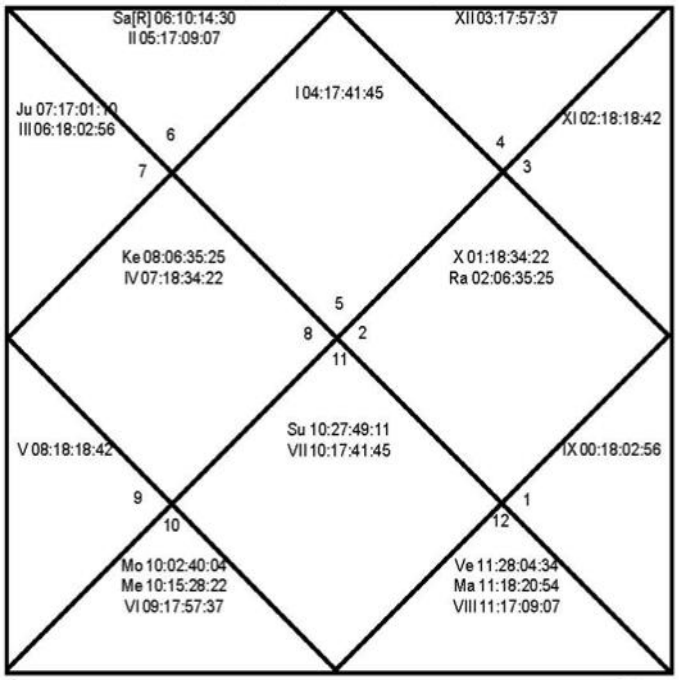

Because of Saturn and Venus of 7th cusp sub lords the age difference of the couple is signifi-

Child Birth / Denial of Child Birth / Delay in Child Birth (Part - III)

In this article I am presenting about delay in child birth or child birth after very long time.

The female is with two children. The first child was born 9 years after the marriage and second child born immediately after two years of first child. This is just because of Dasa lord at the time of marriage.

KP Rules: Delay in child birth or Child birth after very long time:

- If 5th house cusp sub lord is positive but not supported by Dasa, then it will delay the child birth.

Points:

Delay in Child Birth in Female 2: (03.05.1969 @ 05.09 a.m. in Raichur) In Female Chart: Married on 03.02.1987 @ 12.30 p.m.

- 5th and 11th CSBL is Rahu and he is posited in 12th house.
- Rahu is signifying 2nd house. So, child birth is promised.
- Rahu is in Saturn Star and: Saturn Sub.
- Saturn is lord of 11th and 12th houses and posited in 1st.
- Saturn is posited in Barren (Aries) sign.
- Though Jupiter is aspecting Rahu, Jupiter is significator of 1st and 10th houses, native child birth.
- Native got first child birth after 9 years 4 months (15.05.1996) of marriage and after 2 years second child birth.
- But why delay in child birth, that is because of Dasa system.

Dasa: At the time of marriage she was running Saturn Dasa, Mars Bhukti and Mercury Antara.

- Dasa Lord Saturn is lord 11th and 12th and posited in 1st, but since he is posited in Barren (Aries) sign he did not support for the child birth.
- Saturn is in Ketu star and Ketu is posited in 6th house.
- Saturn is in Rahu sub and Rahu is posited in 12th house.
- Bhukti lord Mars is lord of 1st and 8th and posited in 8th house.
- Mars is in star Mercury (2, 3, 4) and sub Moon (7, 5).
- Antara lord Mercury is in star Sun (1, 6) and sub Venus (2, 7, 12)
- But when child birth happened at that time Mercury and Venus played a major role. Because Venus is in Mercury star and sub.
- So, here Mercury played a vital role in child birth after 9 years and 4 months.

⇒ **Marriage: 03.02.1987 @ 12.30 p.m.**

⇒ **First Child Birth: 15.05.1996 @ 9.40 a.m. – Mercury (2) / Venus (2) / Venus (2) / Venus (2)**

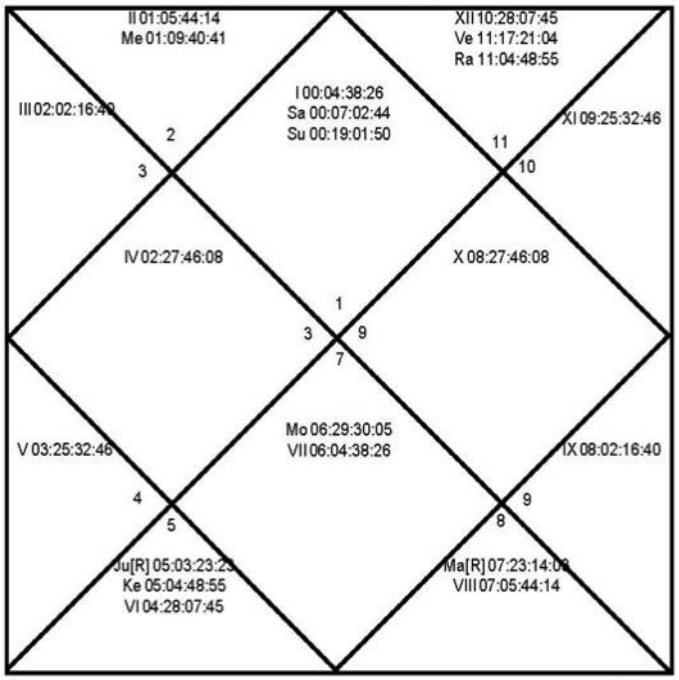

⇒ **Second Child Birth: 17.01.1998 @ 11.20 a.m. – Mercury (2, 7) / Venus (2, 7) / Jupiter (11) / Moon (5, 7)**

By VSN Murthy
Horary No:-1470;
DOJ:-20-03-2021;
TOJ:-17-33-55-707;
POJ:-Kurnool, AP;(78-2-10E/15-49-44N)

Genuineness of the query:- Moon is the resident of 6th house along with it's Starlord and Sublord Mars including Rahu also. Rahu is in the star of Moon. Thus the genuineness of the query is justified. OK.
Promise of Event:- 1st, 6th & 7th cusps Sub-Sub lords must establish the following linkages through involvement, commitment and final confirmation as shown hereunder:-

Address of Cusp	Involvement	Commitment	Final confirmation
1st cusp SSL	1	6,11	1 or 6 or 11
6th Cusp SSL	6	1,11	1 or 6 or 11
7th Cusp SSL	7	6,11	1 or 6 or 11

In this horary chart, 1st cusp Sub-Sublord is Saturn.(No P.S.); Saturn is in the star of Moon in 6, in the sub of Saturn in 1 as SSL of 1st cusp and in the sub –sub of Mercury that appears in 6 as Sub and Sub-Sublord of the 6th cusp.
6th cusp Sub-Sublord Mercury does not have P.S. It is in the star of Rahu (6 & 11), in the sub of Saturn(1) and in the sub-sub of Rahu (6 & 11). Only the relevant cusps are shown here.
7th cusp Sub-Sublord Venus having P.S.(6 & 11) is in the star of Saturn in 1 as SSL of 1st cusp, and in the sub of Mercury in 6 as Star lord and Sublord of 6th cusp.
Thus 1st cusp SSL Saturn, 6th cusp SSL Mercury and 7th cusp SSL Venus are all having both Necessary condition and Essential condition. (fruitful significators). OK.

Fulfilment of Promise:-11th SSL Should possess the linkages of 1,6 & 11 as shown below:-

Involvement	Commitment	Final confirmation
6	1,11	1 or 6 or 11
11	1,6	1 or 6 or 11
1	6,11	1 or 6 or 11

In this horary chart, 11th SSL Venus having P.S.(6 & 11) is in the star of Saturn in 1 as SSL of 1st cusp, in the star of Saturn in 1 and in the sub of Mercury in 6 as Star lord and Sublord of 6th cusp. Thus fulfilment of promise to India is promised. OK.
Let us check the strength of the opposite team. (ROTATE THE HORARY CHART TO 7th)

NOTE:- In the above table, it is clearly visible that 1st SSL does not have 1 or 6 or 11 in final confirmation and 11th SSL also does not have 1 or 6 or 11 at involvement level. Both these denote that the **England team will be defeated.**

D/B/A/S/Ps for India are as follows:-

D/B/A/S/P/S for India	Involvement	Commitment	Final confirmation
DL. Mars	Moon(6)	Jupiter(1)	Rahu(6 & 11)
DL. Mars	Moon(6)	Jupiter(1)	Rahu(6 & 11)
AL. Mercury	Rahu(6 & 11)	Saturn(1)	Rahu(6 & 11)
SL.Venus	Sarturn(1 6 11)	Saturn(1)	Sun(6)
PL. Venus	Sarturn(1 6 11)	Saturn(1)	Sun(6)

Note:-In the above table, all the period lords are all showing all the positive relevant houses for getting **victory for India.** OK.

D/B/A/S/Ps for Opponent Team(ENGLAND) is as follows :-(in Rotated chart to 7th).

D/B/A/S/P/S for ENGLAND	Involvement	Commitment	Final confirmation
DL. Mars	Moon(1 6 11)	Jupiter(6 11)	Rahu(1)
DL. Mars	Moon(1 6 11)	Jupiter(6 11)	Rahu(1)
AL. Mercury	Rahu(1)	Saturn(6 11)	Rahu(1)
SL.Venus	Sarturn(1 6 11)	Saturn(6 11)	**Sun(no 1 or 6 or 11)**
PL. Venus	Sarturn(1 6 11)	Saturn(6 11)	**Sun(no 1 or 6 or 11)**

NOTE:-In the above table, we can see that Sookshma lord and Prana lord Venus does not show either 1 or 6 or 11. So we can boldly predict that **England team will be defeated.**

Another method:-
Shri. Kanakkumar Bosmiah ji is an Editor of K.P.E-Zine (World's First E-Magazine on Krishnamurthy system) framed a rule regarding this type of election rules and forming the Government. It is as follows:-

Shri. Kanakji's Rule:- If the 10th (one's position in Politics & formation of Government) cusp sublord signifies 10 (one's reputation)- 3 (one's ability), 11 (one's reputation as a winner) in the D/B/A of the significators of 3-10-11, then success is assured.

Now I am applying the above rule in Cuspal Inter Links Theory. It is as follows:-

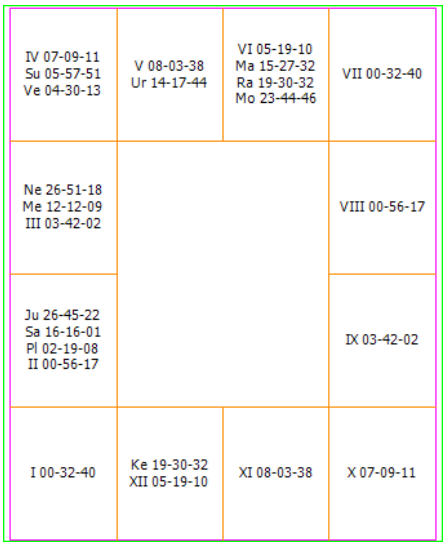

10th Sub-Sub Lord should establish the following linkages as shown below, then only Success in forming the Government is assured.

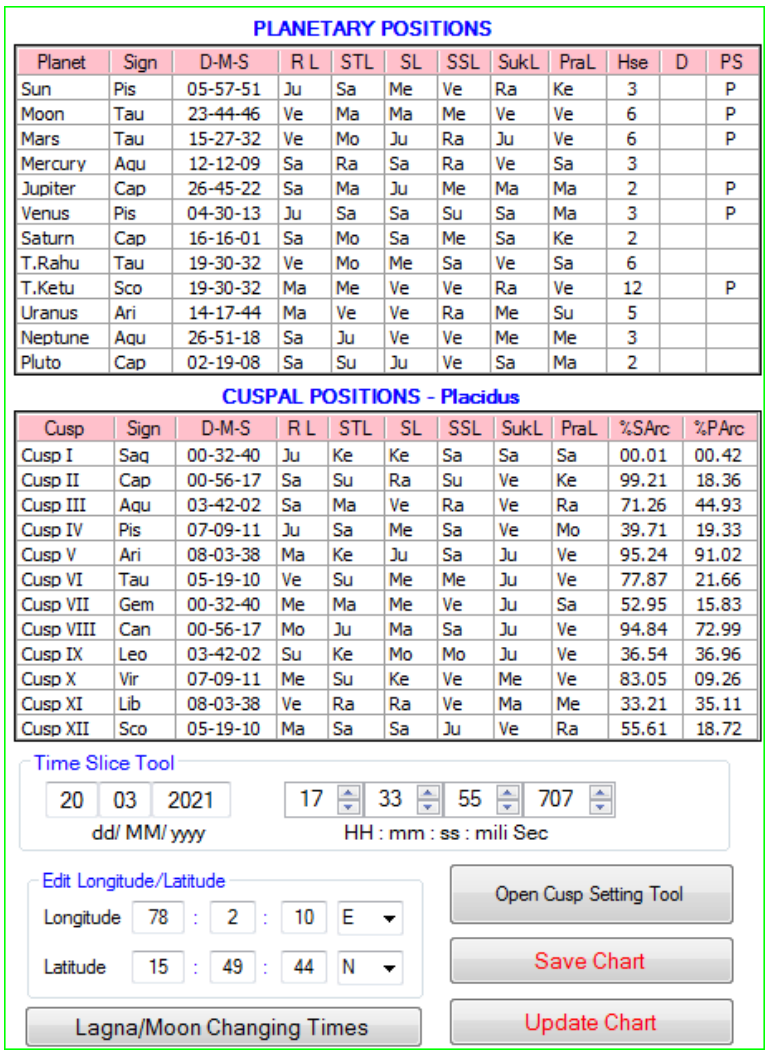

Involvement Star level)	**Commitment (Sub level)**	**Final Confirmarion (Sub-Sub level)**
10	**3,11**	**3/10/11**
3	**11,10**	**3/10/11**
11	**3,10**	**3/10/11**

In this horary map, 10th SSL Venus is in the star of Jupiter, in the sub of Saturn and in the Sub-sub of Mercury.

	Involvement (Star level)	Commitment (Sub level)	Final confirmation (Sub-Sub level)
10th SSL Venus	Saturn(1 2 **3** 4 5 6 7 8 **10 11** 12)	Saturn(1 2 **3** 4 5 8 12)	Sun(2 **3** 6 **10**)

From the above table, it is clearly visible that India will definitely win. 3-10-11 houses are appeared in the above table through involvement, 3rd house in commitment level and 3 -10 in final confirmation. So it is confirmed once again that India will win in this Cricket Match. OK.

When will be my home sold?

Horary Query - I want to sell my home, when deal will be finalized?
Horary number 2, Date 19/11/2020, Time 19:28:28, Place - Ludhiana.

Rule :- If the sublord of the 10th cusp be the significator of 3-5-10 houses, the native is able to sell immovable property during the joint period of the significators of 3-5-10. (Rule from book Easy way to learn KP rules and bhava significations - Kanakkumar B. Bosmia)
Also If 10th cusp sublord is direct and in star of direct planet and significantor of 10-5 or 6 then deal can be finalized.

Moon reflects the query - Moon is occupant of 10 lord of 5 - in star of Sun which is occupant of 7 and lord of 6 - in sub of Jupiter occupant of 10 and lord of 10. Moon is untenanted and the cuspal star lord of 12th house.

Here house 10 (land/building of opponent/ 4th to 7), house 5 (success/ fulfillment of desire of opponent, 11th from 7th), house 7 (opponent), house 6 (getting).

In this chart 10th cuspal sublord is Jupiter which is occupant of 10 & lord of 10 - in star of Sun which is occupant of 7 and lord of 6 - in sub of Rahu which is occupant of 2 (Rahu is in sign of Venus who is occupant of 7 and lord of 2,3,7). Jupiter is untenanted and the cuspal sub lord of 10th house. Jupiter is significator of 6, 10 houses and connected with 2, 3, 7. So promise of sale and deal is there.

11th house sublord is Saturn which is occupant of 10th house and lord of 11, 12 - in star of Sun 7, 6 - in sub of own that is Sat (10, 11 ,12). So Saturn is the significator of 6, 10, 11 with 12. So 11th house of desire is in favour.

Next Sun - Jup - Rahu up to 9/03/2021 (Rahu is not significant.)

lf 11th cuspal sub lord is a slow moving planet and is deposited in a movable sign, then the event is expected to materialize within short period; therefore Sun - Jup - Sun up to 14/12/2020 seems to be favourable.

Prediction came correct; On 1st December 2020 native informed me that deal was final and he got advance and rest of payment will received in three months of period.

Long live KP, Pranam to Guru ji.

How Divorce proved by the DBAS

SRI LANKA Email: sumana1946@gmail.com

Once a gentleman came to me with his horoscope and asked me to see whether there is "Dhana Yoga" for him in near future. Further he said that several astrologers in Sri Lanka have mentioned that he will be a millionaire very soon and also said that it has not happened yet.

If someone is lucky to be an ad libitum millionaire, he must be a winner of lottery at least, if not he should find a bag full of money lying on the road. However I checked the horoscope for the matter, but found nothing such a chance. But only one planet is capable of giving him amass wealth and to increase his bank balance through 2nd cusp. It is Venus, the lagna sub lord as well as his dasa lord at the birth. Venus dasa balance was 01 Y, 08 Mnth & 29 days. So he had finished birth dasa at his age of 01 year & 11 months. In this infantry age the native is not eligible to have amassed wealth. If any dasa lord in his earning age, is qualified to give him a big wealth, Venus can help in its bukthi or anthar for the said fortune. But even in future not any Dasa Lord agrees with crorapathi significations.

What I want to explain here is although anything is written in the planetary map; it will come to effect only in the perfect Dasa. This theory is furnished in detail under " KP for Beginners- Part 10 - Results to be Given by Dasa / Bhukti / Antara Lords" by Sri Tin Win ji, in the issue of KPEZine, Jan. 2009.

Quotation:

1."By occupation and lordship, the Dasa lord and its star lord indicate the houses, whose matters will be enjoyed during the Dasa period. The sub lord of the Dasa lord will indicate whether the results indicated by the Dasa lord and its star lord will be positive or negative. If the planet is conjoined with/ aspected by another planet, it will give the results indicated by another as the weak grade 'E' significators."

2. "The same can be said about the Bhukti lord also. The Dasa lord is the most powerful commander. No Bhukti lord can offer a result, if the Dasa lord does not permit. What the Bhukti lord can do is to obstruct the Dasa lord from giving results but he cannot alter the result. The Antaara and Sookshma lords can carry out the mandate of the Dasa/Bhukti lords, if they have similar significations as the Dasa/Bhukti lords. If not, the event cannot take place in their Antara or Sookshma and will have to wait for another Antara/ Sookshma periods when they can execute the results destined by the Dasa/Bhukti lords. Planets form a cabinet. The prime minister is the Dasa lord. The Bhukti lords are the ministers and the Antara lords are deputy ministers."

To prove this stable theory of KP with my experience, I would like to take you all back to past KPEZine, March 2020 and article published therein under the caption of "**Potency vs Impotency = Family Dispute".** In that article, I have deeply discussed the matter under study and have given my verdict as, ***" According to above significations of Venus, the second marriage is promised and the karmic effects in the chart written through the pressures of the planets are seemed to be with sufficient powers to loosen the marriage tie of this couple and may lead to divorce.***

As concluded it has come true and the court of law has given a fair judgment for divorce. Now I am trying to prove the unswerving KP rules for the incident step by step with the relevant DBAS and their roles for the matter.

A word about DBAS

The DBAS lords give the timing of event when agree with transit.

Hindu sages are the founders of this system of DBAS, calculated on the exact position of Moon at the time of birth and called the period of planets as "Dasas". Also they have adopted and advocated many dasdas, of which three are widely used. They are Vimsoththari Dasa, Astottara Dasa and Kalchakra Dasa. Of these Vimsoththari Dasa is found to be very simple and scientific.

They have taken the seven planets, who rule the seven days of the week and also the nodes Rahu and Kethu. It is not yet known why they have recommended to follow a particular order of planets and also why they have allotted each planet a particular number of years, as we use today. This system is widely used in as iit works,

Marriage and compatibility from KP composite charts (KPCC)

By: Sayantan Biswas

Address: 339/S/2 Kalipada Mukherjee Road. Kolkata 700008.

Firstly before starting I would like to thank my guru Kanak Sir for teaching me the techniques of KP Composite Charts. I used this technique in this case to find the marriage compatibility of husband and wife in this example. There will be three part series. Next will be between two business partner and third between business owner and sub-contractor.

Calculations for Bhawa and Planets-:

1> These composite charts are calculated by adding the houses degree (bhawa) and then dividing it by 2. (Since I am finding midpoints of two charts so it is divided by 2. If it was 3 three then it will be divided by 3, if 4 then divided by 4 and so on)

2> Same goes for planets. So by adding the degree of planets in the charts and then dividing it by 2. (Since I am finding midpoints of two charts so it is divided by 2. If it was 3 three then it will be divided by 3, if 4 then divided by 4 and so on)

Calculation of Birth date and Dasha -:

Birth date of composite chart calculated by adding the date of birth of two charts. This is only done to find the Dasha and Bhukti. For the Dasha Bhukti moon deree and

Prediction procedure-:

In this example I am calculating marriage. So, the composite 7th Cuspal Sub Lord is for example planet "x". Now what this planet "x" signifies, individually in the charts of both male and female is to be calculated. This will determine the compatibility between the two people. Same goes for dasha and bhukti. Suppose currently "A" dasha and "B" bhukti is running according to composite charts. Then what that "A" and "B" signify individually in both the personal horoscope of boy and girl will determine the current condition of their married life.

Prediction

Longevity of the composite chart.

Rule: If the 1st Cuspal sub-lord is the significator of 1,5,9,11 (Excluding Badhaka, 11 for Moveable, 9 for fixed) longevity is good.
If connected with 6,8,12 life full of disease therefore shortened life.
Maraka is fixed for all ascendants that is 2,7. Badhaka, 11 for Moveable, 9 for fixed, 7 for dual signs.
If connected with both maraka(2,7) and badhaka with no connection with 1,5,9,11 life expectancy is extremely short.
In this composite chart Ascendant is Leo, a fixed sign.
1st Cuspal sub lord is Rahu, is within 3degree20minuites orb of 10th house thus representing 10th house. Rahu is an agent of the moon occupant of 9th house and owns 12. Rahu is the sub of the moon occupant of 9th house and owns 12. Rahu is in sub of own. 1st house is significator of 9,12 and connected with 10.

Opinion: 9th is badhaka, 12 is moksha, 10 is retirement from this world. Thus this chart has negligible life expectancy.

Marriage and married life.

Rule: If the 7th Cuspal sub-lord is the significator of 2,7,11 marriage is promised. If 7th cusp is the significator of 1,6,10,8,12 then it shows troubled married life which may lead to divorce or complete absence of marital life.

In this composite chart the 7th Cuspal Sublord is Moon.

In Boy's Chart--:

Mo(9, 12), in the star of Mo(9, 12), in the sub of Ju(4, 5-8).

Moon is occupant of 9 and owns 12. Moon is in the star of its own and sub of Jupiter owns 4th house and occupant of 5th and 8th. Moon is thus significator of 9,12 and connected with 4,5,8. 8th and 12th house indicates marriage related troubles, disappointment and disputes. It is not connected to any positive houses (2,7,11) at all required for smooth married life.

In Girl's chart-:

Moon is the occupant of 10, owns 12. No planet in star of moon and moon is the cuspal sub-lord of 3,6. Moon in star of Sun occupied in 12, owns 1. Moon in sub of Mercury occupied in 1, owns houses 2,11. No planet in star of Mercury and Mercury is the cuspal sub lord of houses 2,8.

Thus Moon is the significator of 1,12 and connected with 2,3,6,8,10,11,12.

7th House is connected with 1,6,10,8,12 complete set of negative bhawas required for troubled married life. Thus the married life will be full of troubles and disputed.

Dasha Bhukti Analysis

Current Dasha running in Composite chart is Jupiter (19/1/2019 to 19/1/2035)

In Boy's chart-:

Jupiter is occupant of 4th and owns 5,8. Jupiter is in star of Ketu occupant of 3. Ketu represents Mars occupant of 3 and owner of 4,9. Jupiter is in sub of Saturn occupant of 3 and owns houses 6,7. No planet in star of Saturn and Saturn is the cuspal sublord of 1,5,7,11. Jupiter is thus significator of 3 and connected with 1,3,4,5,6,7,9,11. Dasha indicates 7th house of marriage and 1,6 of marriage disturbances.

In Girl's chart-:

Ju+(5, 5-8, [7, 11]), in the star of Ke(4) Ma+(4, 4-9), in the sub of Sa(3, 6-7) Jupiter is occupant of 5th house and owns 5,8. No planet in star of Jupiter and Jupiter is cuspal sublord of 7,11. Jupiter is in star of Ketu occupant of 4. Ketu is conjoined with Mars occupant of 4 and owns 4,9. Jupiter in sub of Saturn occupant of 3, owns 6,7.Dasha lord indicates troubled married life due to 6,8 and also marriage giving houses 7,11.

Current Bhukti at the time of judgement is also Jupiter. As already discussed above.

Next Bhukti Saturn (7/3/2021 to 19/9/2023)

In Boys chart-:

Saturn is occupant of 3, owner of 6,7. No planet in star of Saturn and Saturn is cuspal sub lord of 1,5,7,11. Saturn star Jupiter is occupant of 4 and owns 5,8. Saturn is in sub of own. Thus Saturn is the significator of 4,5,8 and connected with 1,3,6,7,11. Houses 1,6,8 indicates troubles in marriage along with 7 positive for marriage.

In Girls chart-:

Saturn is occupant of 3, owner of 6,7. Saturn is in star of Rahu occupant of 10. Rahu is conjoined with Moon is the occupant of 10, owns 12. No planet in star of moon and moon is the cuspal sub-lord of 3,6. Saturn is in sub of Venus occupant of 1 and owns 3,10 Thus this Saturn is significator of 10, connected with 1,3,6,7,12. Houses 1,6,10,12 are negative for married life and only one 7 is there.

Conclusion: Composite chart is showing negligible longevity with totally negative 7th house as well as negative dasha bhukti.
Actual fact: This couple had a love marriage after being in a love affair for 15 years. As soon as they got married, wife left her husband due to heavy drinking issue and physical and mental torture. Indeed their married life was short . They are still married but living separately for the last 3-4 years.

For antra lord running is Sun end on 03-11-2019, second is Moon, Moon is not in RP. Next is Mars, and Mars is not in RP. Next is Rahu, we have taken as a dasa lord. Next is Jupiter from 17-09-2020 to 11-02-2021.

Antra lord Jupiter is in the star of Mercury and sub of Sun. Jupiter is occupant of 6, owner of 8-11. Star lord Mercury is occupant of 4, owner of 2-5. Sub lord Sun is occupant and owner of 4. Thus antra lord Jupiter signifies 6-8-11-4-2-5. Hence, antra lord Jupiter signifies 5, and also in RP.

My opinion: You will sell house during 17-09-2020 to 11-02-2021. 10th sub lord indicate 1-5-9-8, thus price will not be as per your expectations.

Outcome: Prediction comes correct. As per client's feedback "My residence home in Dwarka New Delhi was sold on 05-02-2021."

Suicide by hanging due to burden of heavy debt

A man called and asked me about his job. He said that a few days back he attempted suicide by taking sleeping pills and was hospitalized for three days. In his chart I could see no promise of job in near future. However, I asked him to continue his efforts and not to feel disheartened.
Irony made us meet again after one year in a function. He told me that he got a job at a hill station which is very far from his native place, and he started boasting again. He said that, he used to have tea with the Chief Secretary of State every evening and once a week he is sure to meet the Governor. I kept listening to his lies. But I was satisfied that at least he is doing some work. We met in July and on 14 December 2018 I got this news that this native committed suicide by hanging at his rented accommodation at that hill station.

Birth details of this native are following:-
Date of birth: **14/04/1963**, Time of birth: **05-00 A.M.,** Place of Birth: **Chhatarpur (M.P.),** Ayanamsa: **23-14-51**

In KP sub lords of 1st and 8th houses play very important role in case of suicide. Following rules for suicide by hanging are taken from the book "NAKSHATRA LIGHT" by Sharad C. Joshi. (pp 96-97)

1. 1st SL connected with 8th house and 8th SL connected with 1st house. Plus 8th SL connected with Badhaka and Maraka houses will indicate suicidal tendency/attempt.
2. 8th SL connected with dual sign or connected with Mercury or Jupiter, native will survive in accident/suicide attempt but will die in subsequent attempt.
3. 8th SL connected with dual sign and also Jupiter and Mercury connected with 7th house. Litigation in suicide matter after survival from suicide.
4. 8th SL connected with 9th and 12th, death during long journey, at distance place.
5. 8th SL + Airy sign- Death due fall from height or hanging.

In this case 1st cusp sub lord is Moon in the star of Mercury in 2 lord of 7, Badhaka/ Maraka and sub of Mars lord of 2, Maraka. 8th cusp sub lord Sun is in 1. Sun is conj. Mercury, very close to 2nd cusp. Sun is in the star and sub of Ketu, conj Saturn lord of 12. Sun-Mercury conjunction is opposing 8th house. Hence, all the conditions of suicide are there in the chart.

According to Rule 2 if 8th SL connected with dual sign or connected with Mercury or Jupiter, native will survive in accident/suicide attempt but will die in subsequent attempt. In the present case 8th cusp sub lord Sun is conjunct with Mercury. That is why native first attempt to kill himself by taking sleeping pills was not successful.

Final attempt of native to give up his live by hanging, proved to be fatal durin the joint dasa period of Mars Mahadasha, Venus Bhukti and Sun Antra. Mars is 2nd and 9th lord and placed in fifth house. Mars is the star of Saturn lord of 12 and sub of Jupiter opposing 7, Badhaka/Maraka.

Bhukti lord Venus is in 12, lord of 8, in the star of Jupiter opposing 7 and sub of Mercury in 2 lord of 7. Antra lord is Sun in the star and sub Ketu conj. Saturn lord of 12.

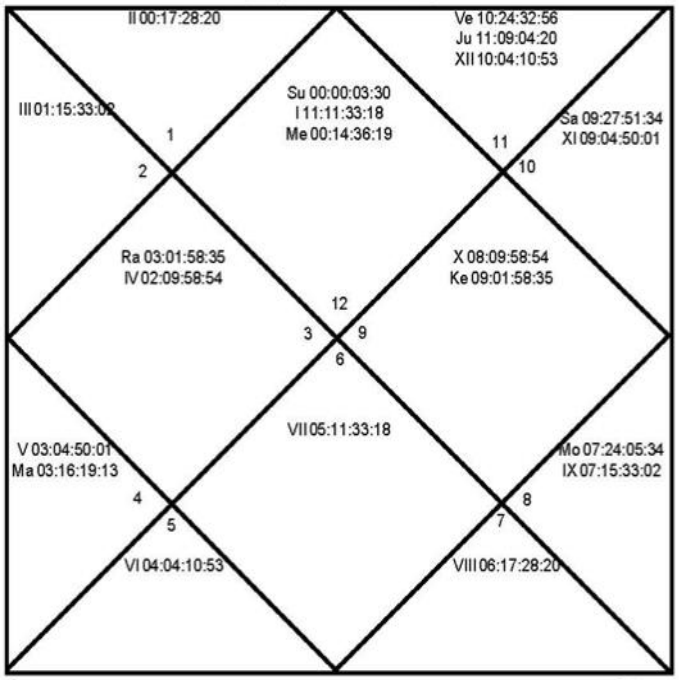

If we check transit of 14 December 2018, Sun, Mercury and Jupiter were in Scorpio sign of dasha lord of Mars. Sun was in Mercury Nakshatra, where as Mercury and Jupiter were in Saturn's star. Moon and Mars were in Aquarius sign. Moon was in Rahu Nakshatra and

Mars was in Jupiter Nakshatra. Venus was in 8th house in Libra sign and Rahu Nakshatra, where as Saturn was in Sagittarius sign and in Venus Nakshatra.

Sun is very crucial planet in this chart because it is lord of sixth house, which is house of loan. If we check Transit of 14 December 2018 Sun, Mercury and Jupiter were in Scorpio sign. Sun was in Mercury Nakshatra, whereas Mercury and Jupiter were in Saturn's star. Moon and Mars were in Aquarius sign. Moon was in Rahu Nakshatra and Mars was in Jupiter Nakshatra. Venus was in 8th house in Libra sign and Rahu Nakshatra, whereas Saturn was in Sagittarius sign and in Venus Nakshatra.

Ruling Planets
Asc: Mars(Ke) Mercury Rahu
Moon: Venus Moon(Ra) Ketu
Day Lord: Saturn.

Rule: If 12th cuspal sub lord (CSL) indicates 2(freedom), 4(coming back home), 11(success), then release from jail can happen.
Here-:
12th CSL is Venus occupant of 2 and owners of 6,11. No planet is in the star of Venus and Venus is the CSL of 6,7,12. Venus is in the star of Mars occupant of 5 and owners of 5,12. Venus is in the sub of Mercury occupant of 2 and owners of 7,10.
12th CSL is connected to 2, 11, so chances of getting bail is there.

Currently Moon Dasha is running. (2nd Nov 2013 to 2nd Nov 2023)
Moon is occupant of 6 and owner 8. Moon is in the star of own. Moon is in sub of Ketu occupant of 12. No planet is in the star of Ketu and Ketu is the CSL of 5,8,11. Ketu is aspected by Mars occupant of 5 and owner of 5,12.
Moon is connected with 11, so chance of getting bail is there.

Currently Ketu Bhukti is running. (2nd Feb 2021 to 3rd Sept 2021)
Ketu is occupant of 12. No planet is in the star of Ketu and Ketu is the CSL of 5,8,11. Ketu is aspected by Mars occupant of 5 and owner of 5,12. Ketu is in the star of Mercury occupant of 2, owner of 7,10. Ketu is in sub of Sun occupant of 2 and owner of 9.
Ketu is connected with 2,11, so chance of getting bail is there.

Currently Venus Antara is running. (14 Feb 2021 to 22 March 2021)
Venus is occupant of 2 and owner of 6,11. No planet is in the star of Venus and Venus is the CSL of 6,7,12. Venus is in the star of Mars occupant of 5 and owner of 5,12. Venus is in the sub of Mercury occupant of 2 and owner of 7,10.
Venus is connected to 2,11, so chance of getting bail is there.

Within Venus antara there are two options-:
1> Rahu (27th Feb 21 to 4th March 21)
2> Saturn (9 March 21 to 15 March 21)

I have selected Rahu antara (27th Feb to 4th March 21) because of two reasons. Firstly no Punarphoo yoga is present in this horary, so it will not cause delay. Secondly the 12th cuspal sub lord is not connected to 8th house of delay. Thirdly Rahu is appearing twice in the RPs as an agent of Moon and also ascendant's sub-lord.

Rahu is occupant of 6. Rahu is conjoined with Moon occupant of 6 and owners of 8. Rahu is in the star of Moon already discussed. Rahu is in the sub of Venus, occupant of 2 and owners of 6,11. No planet is in the stars of Venus and Venus is the CSL of 6,7,12.

+ These planets do not have any planets in their stars

Genuineness of the Query:-Moon has appeared as Rasi lord and Sublord of 11th cusp. Moon is in the star of Mars that appears as Starlord of 6th cusp. As 6th and 11th are signified, the query is genuine regarding the matter of elections. OK.

PROMISE OF EVENT:-1st, 6th & 7th cusps Sub-Sublords must establish the following linkages through involvement, commitment and final confirmation as shown hereunder:-

Address of Cusp	Involvement (Star level)	Commitment (Sub level)	Final Confirmation (Sub-Sublevel)
1st cusp SSL	1	6,11	1 or 6 or 11
6th cusp SSL	6	1,11	1 or 6 or 11
7th cusp SSL	7	6,11	1 or 6 or 11

In this horary map, 1st, 6th & 7th SSL is Mercury without having P.S. which shows the following linkages.

	Involvement	Commitment	Final confirmation
1st, 6th & 7th SSL MERCURY(No PS)	Mars(2 3 6 9 10)	Saturn(2 5 6 8)	Mars(2 3 6 10)

Through the above table, we can understand that the event(Government formation) does not promise to TMC.

Special Point:- Saturn has appeared as Signlord of 5 & 6. It is very weak.

Sub-Sub Lord is greater/stronger than Sublord; Sublord is greater/stronger than Starlord; Starlord is greater/stronger than Sign Lord/Rasilord.

FULFILMENT OF PROMISE;- 11th SSL should possess the linkages of 1,6 & 11 as shown hereunder:-

Involvement	Commitment	Final confirmation
6	1,11	1 or 6 or 11
11	1,6	1 or 6 or 11
1	6,11	1 or 6 or 11

In this horary chart, 11th SSL is also Mercury. We have already discussed about him in above. OK.

Final Prediction:-Mercury shows 6 through involvement; but 1 & 11 are not shown in commitment; in final confirmation 6 is shown. Without 1 & 11 in commitment level (Sublevel), the success does not indicate to the concerned party. Therefore, we can boldly predict that the T.M.C. Party won't form the Government after the elections.

I opine that no need to check the signification of D/B/A/S/P at the time of counting of votes on 02-05-2021.

Another method:-

Shri. Kanakkumar Bosmiah ji is an Editor of K.P.E-Zine(World's First E-Magazine on Krishnamurthy system) framed a rule regarding this type of election rules and forming the Government. It is as follows:-

Shri. Kanakji's Rule:- If the 10th (one's position in Politics & formation of Government))cusp Sublord signifies 10(one's reputation)-3(one's ability), 11(one's reputation as a winner)in the D/B/A of the significators of 3-10-1, then Success is assured.

Now I am applying the above rule in Cuspal Inter Links Theory. It is as follows:-

10th Sub-Sub Lord should establish the following linkages as shown below, then only Success in forming the Government is assured.

Involvement Star level)	**Commitment (Sub level)**	**Final Confirmarion (Sub-Sub level)**
10	**3,11**	**3/10/11**
3	**11,10**	**3/10/11**
11	**3,10**	**3/10/11**

In this horary map, 10th SSL Venus is in the star of Jupiter, in the sub of Saturn and in the Sub-sub of Mercury.

	Involvement (Star level)	Commitment (Sub level)	Final confirmation (Sub-Sub level)
10th SSL Venus	Jupiter(2 3 4 5 6 7 8 9 10 11)	Saturn(2 5 6 8)	Mercury(2 3 5 6 7 8 10 11)

From the above table, it is clearly visible that T.M.C does not form the Government in West Bengal. 3-10-11 are appeared in the above table through involvement as well as through Final Confirmation without appearance of 3-10-11 in Commitment level. So it is confirmed once again that the T.M.C Party will not form the Government in West Bengal after declaring the results. OK.

Question: Extra marital affair
I have a doubt, can you answer?
What is the combination of extra marital affair ending?
And this to be seen from 9th cusp? Or 8th cusp?

Answer:
Possibly during joint dasa period of significators of houses 8 (12th to 9= multiple sex), 10 (12th to 11= keeping relation) & 12 (general loss) it may end.

To be considered from 9th (3rd to 7 =extra to 7) cusp sub lord.

Easy way to learn KP Horary Astrology
by Kanakkumar Bosmia
March 2021, 508 pages

https://kpastrologer.com/bookpurchase.php?id=42

This book "Easy way to learn KP Horary Astrology" is our KPEzine magazine editor Kanak Bosmia's eighth KP book. With an introductory KP theory part, this is a collection of 211 practical examples (cases) of 12 cusps, 1st to 12th, as shown in the contents, from his professional experience of 22 years.

By his experience Kanak does not take into consideration of the retrogression of planets, and Moon is not checked whether it reflects the mind of the querent. Rotation to 9th cusp is not applied for query by an unknown person. He applies 7 ruling planets and 6 fold significator table, including sub of occupant and owner, in place of standard 4 fold table.

Rules of relevant cusp and house grouping in this horary book will be useful for analysis of horary as well as natal chart. So it will be helpful for any KP astrologer as a KP reference book.

By: Tin Win
Email: tw853@yahoo.com

Short Background

Microsoft co-founder Bill Gates and his wife, Melinda, have announced their divorce on Monday, 3rd May 2021, ending a marriage of 27 years that launched an influential globe-spanning philanthropic and humanitarian empire. They have said, "We no longer believe we can grow together as a couple".

They first met in the 1987 when Melinda joined Bill's Microsoft firm. They married in 1994, and have three children together, Jennifer, 25, Rory, 21, and Phobe, 18. The Gates worked out in advance how to separate their estimated $133 billion in net worth but not yet known for public.

In 2000, they started the Bill and Melinda Gates foundation, a philanthropic organization that has spent $53.8 billion in its fight against "poverty, disease and inequity around the world". The charity, which is considered one of the world's largest, have invested more than $1.75 billion to fight COVID-19. They have said to continue to work together at the foundation.

As per KP astrology of marriage and married life, the unhappy married life appears to be a reason of divorce of Bill and Melinda Gates.

Short History
A coup d'état in Myanmar began on the morning of 1 February 2021, when democratically elected members of the country's ruling party, the National League for Democracy (NLD), were deposed by the Tatmadaw—Myanmar's military— which then vested power in a stratocracy. The Tatmadaw proclaimed a year-long state of emergency and declared power had been transferred to Commander-in-Chief of Defense Services Min Aung Hlaing. It declared the results of the November 2020 general election invalid and stated its intent to hold a new election at the end of the state of emergency even though most of Myanmar's people are satisfied with the results of the election. The coup d'état occurred the day before the Parliament of Myanmar was due to swear in the members elected at the 2020 election, thereby preventing this from occurring. President Win Myint and State Counsellor Aung San Suu Kyi were detained, along with ministers, their deputies and members of Parliament.

Longevity
If the cuspal sub lord of the Ascendant be the significator of the house 6-8-12 the life is short (about 33 years).

If the cuspal sub lord of the Ascendant be the significator of the house 1-5-9 the life is long (about more than 66 years).

If the cuspal sub lord of the Ascendant be the significator of the house 6-8-12 and 1-5-9, the life is medium (about 66 years).

If the cuspal sub lord of the Ascendant be the significator of the Badhaka and Maraka houses, the life is short. If the cuspal joint rulers (the sign lord, star lord and sub lord) of the Ascendant or the 8th cusp be the significator of the Badhaka and Maraka houses, their joint period is very critical for life.

Ascendant (Scorpio 23^{0}.12'.04"): The sub lord of the Ascendant is Moon. Moon is in the star and sub of Sun. Moon is occupant of 10, owner of 9. Star and sub lord Sun is occupant of 2. Thus Ascendant sub lord Moon signifies 10-9 (Badhaka)-2 (Maraka). Thus Ascendant sub lord indicates short life.

Dictator or Military Ruler's end

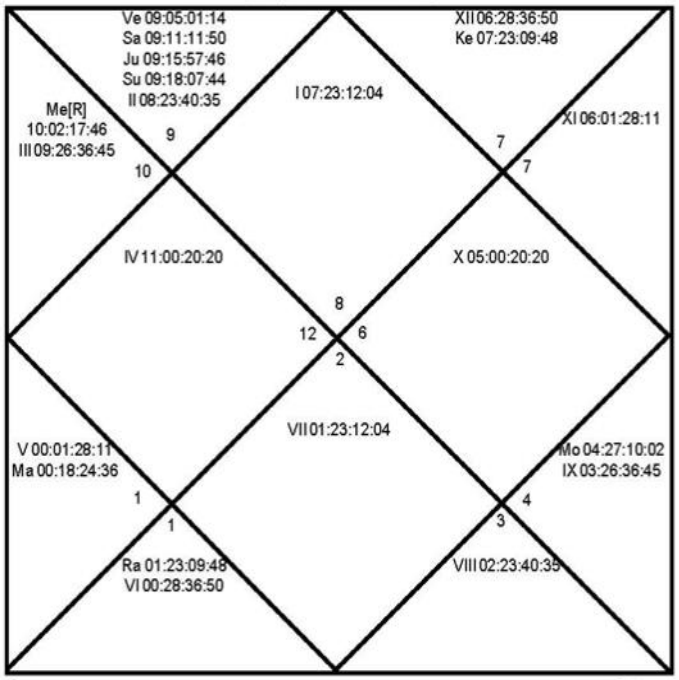

Hint
If 8th sublord (Secret work of enemy, in this case we can say Opposition Party) signifies 5 (12th from 6 Dictator), 9th (12th from 10- Those in Power), 12th (loss), then the ruler faces trouble and the end of his government.

8th cusp (Gemini 23⁰.40'.35"): The sub lord of the 8th cusp is Saturn. Saturn is in the star of Moon and sub of Mars. Saturn is occupant of 2, owner of 3. No planet is in the star of Saturn and Saturn is the CSL of 2-8. Star lord Moon is occupant of 10, owner of 9. Sub lord Mars is occupant of 5, owner of 1-5-6. Thus 8th cusp sub lord Saturn signifies 2-3-8-10-9-5-1-6. Thus 8th cusp sub lord is indicates 5-9.

Joint Period
At the time of judgment running of Sun dasa up to 10-11-2026.

Dasa lord Sun is not in the common planets, thus no chance during this dasa.

Next dasa will be Moon from 10-11-2026 to 10-11-2036.

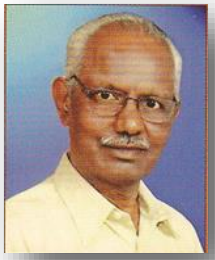

Dasa lord Moon is in the common planets, thus OK.

First bhukti will be Moon and Moon is twice in RPs, thus Moon bhukti is also OK.

First Antra is Moon, next is Mars, not in the common planets, next is Rahu also not in the common planets, next is Jupiter and Saturn, due to Punarphoo yoga I select Saturn antra from 21-11-2026 to 25-11-2026

Antra lord Saturn, we have taken as dasa lord, next will be Mercury not in the common planets, next will be Ketu from 19-03-2027 to 07-05-2027.

My opinion: This coup will end during the period of 19-03-2027 to 07-05-2027.

When will my Lenovo laptop come to an end of its life?

This is the horary question that has come to my mind suddenly and I thought I should know its fate astrologically through Time-chart. On 09-March-2021 in the morning hours when this question flashed in my mind, I sat immediately at my table and erected a Time-chart @06-41-34 A.M. (The time chart is attached).
My laptop has become sick and is not functioning in a normal manner for the last few months. I am afraid it may die in near future.
Since the horary question pertains to me, I am not rotating the chart and since I am clear about my question and I am not attempting to know whether Moon in the chart speaks of my mind correctly or not.

KP Death rules:
1. "Death is indicated only by the significators of Marakasthana and Badhakasthana." (KP READER VI, 1978 or 2002 p 155; and in KHariharan: LONGEVITY,1986 pp 36/50)
2. Death comes during the conjoined D/B/A/S period of the significators of primarily --- Badhaka House (11 or 9 or 7): Maraka Houses 2-7: Moksha House-12 along with terminal or trigonal houses- 4-end of everything-life, 8-accident or danger to the life, or 12 -end of life, in unnatural death, and also 10th house- retirement from this world or life and 6-I njury in the accident.
Here Badhaka houses is 11th for Movable SIGNS— ARIES/CANCER/LIBRA/CAPRICORN/ 9TH house for Fixed SIGNS— Taurus/Leo/Scorpio/Aquarius, and 7th house for DUAL SIGNS— Gemini/ Virgo/Sagittarius and Pisces.

Analysis of the Time-chart
Ascendant cusp falls in Aquarius sign on 27-33-05 degrees with Saturn as SGL —Jupiter as STL—Venus as SBL as co-ordinates.

The Asc. cusp sub-lord Venus+ is the lord of 3-4-8 placed in the 12th house. No planets are placed in Venus stars. Venus+ co-rules 8th cusp also. It is conjoined with Sun (within 4 degrees of orb) as the lord of 7th with Neptune within 6 degrees of orb.

Venus+ is placed in the star and sub of Jupiter lord of 11 placed in the 12th hous.
Thus Venus+ signifies 1 and 8 as sub-lord of the Ascendant cusp and @STL (JUP) 3-**4-8-12**-11 and @SBL(JUP) 11-**12.**

For Aquarius Lagna, 9th is the Badhaka house and its lord is Mars. Mars is in no way connected with Venus.

7th Maraka lord Sun is closely conjoined with Venus and so 7th is connected.

Since Ascendant cusp sub-lord Venus is placed in the Saturn sign and Saturn is conjoined with the Moon lord of 6th, I feel Venus is indirectly connected with the 6th house indicating the present suffering condition of the lap-top.

From the above analysis, we can deduce that the Ascendant cusp sub-lord Venus+ signifies 4-8-12 houses and is connected with 6th lord Moon, 7th lord Sun and 2nd lord Jupiter and all these connections and significations indicate that the laptop is destined to have a natural death very soon.

Question: Should I take the offered one-bedroom apartment?
Date: 28 Feb 2021
Time: 4:41:52
Place: Kolkata.
Horary No: 49

Question: Should I take the offered one-bedroom apartment at 3:58 P.M. (EST) (Ottawa, Canada) Thursday, 26th February 2021. and moving into that one-bedroom apartment ? Will I be at peace of mind and happy in that new apartment place?

Rule 1: If the 11th cuspal sub-lord indicates 1,2,3,6,10,11 then the offer is good during joint period of 1,2,3,6,10,11. These houses generally shows fulfilment of desires and success in overall field.
If it is connected with 4,5,7,8,9,12 then the offer will not be good or the querent will face problem during the joint period of 4,5,7,8,9,12
If the number of positives are more than negatives then the querent will get a good offer or after accepting the offer native will get success.

Here the 11th cuspal sub-lord is Moon. Moon is the occupant of 4th house and owns the 2-3 houses. Moon is in the star of Sun occupant of 9th house and owner of the 4 house. Moon is in the sub of Rahu occupant of 12th house. Rahu is conjoined with Mars occupant of 11th house and owner of 11th and 6th houses.
So 11th CSL is signifying with 9,4 and connected with houses 2,3,6,11,12.
Positive houses are: 2,3,6,11
Negative houses are: 4,9,12
Since the positives are total 4 in number and negatives are only 3, so the chances of getting good offer is there, if Dasha, Bhukti also permits.

Current Dasha is that of Sun from 11 March 2019 to 11 March 2025.
Sun occupies 9th house and owns 4. Sun is in the star of Rahu occupant of 12th house. Rahu is conjoined with Mars occupant of 11th house and owner of 11th and 6th houses. Sun is in sub of Venus occupant of 9th house and owner of 5, 12. No planet is in the star of Venus, and Venus is the cuspal sub-lord of 5,6,12 houses.
So Sun is the significator of 12 and is connected with houses 3,5,6,9,11,12.
Positives are 3,6,11.
Negatives are 5,9,12.
Equal good and equal bad houses are operating.

Current Bhukti is Rahu (4 May 2020 to 28 March 2021).
Rahu is occupant of 12th house. Rahu is conjoined with Mars occupant of 11th house and owner of 11th and 6th houses. Rahu is in the star of Moon occupant of 4th house and owner of 2 -3. Rahu is in sub of Venus occupant of 9th house and owner of 5, 12. No planet is in the star of Venus, and Venus is the cuspal sub-lord of 5,6,12 houses.
Rahu is thus significator of 4, 2, and connected with 5,6,9,11,12.
Positives are 2,6,11.
Negatives are 4,5,9,12.
Negatives are more than positives. So this time is bad.

Next Bhukti is Jupiter. (28 March 2021 to 15 Jan 2022)
Jupiter occupies 8th house and owner of 7. Jupiter is in the star of Moon occupant of 4th house and owner of 3-2. Jupiter is in the sub of Venus occupant of 9th house and owner of 5, 12. No planet is in the star of Venus, and Venus is the cuspal sub-lord of 5,6,12 houses.
Jupiter is significator of 4,3,2 and connected with 5,6,7,8,9,12.
Positives are 2,3,6,10.
Negatives are 4,5,8,9,12
Since negatives is more than positives, so this period is also unfavorable.

My opinion: 11th cusp sub lord is showing positive, Dasha is neutral, but the current bhukti which is ending in 28 March 2021 and the next bhukti is also unfavourable.
SO ASTROLOGICALLY IT IS NOT A GOOD OFFER AND EVEN IF YOU TAKE THIS OFFER, IT IS NOT GOING TO BE MUCH HELPFUL.

Rule 2: For complete peace of mind 1st cuspal sublord should signify 1,5,11.

Here 1st cuspal sub lord is Saturn occupant of 8, owner of 8, 9, 10. No planet is in star of Saturn, and Saturn is the cuspal sub-lord of 1,2,7,8-9 houses. Saturn is in the star of Moon occupant of 4 and owner of 2-3. Saturn is in sub of Jupiter occupant of 8th house and owner of 7.
So Saturn is significator of 4,2,3 and connected with 1,2,7,8,9,10
Here only 1 is positive and 4,8,10 are negatives.

My opinion: There is very low chance of getting peace, if you move to this apartment. Moreover the 8th house is present indicating disappointment.

Client's Feedback: I wanted to tell you that I did cancel the apartment offered by phone at 8:40 AM (EST , OTTAWA, CANADA),1st March 2021.
I did not meet the housing agent on that day at 2;30 P.M. After, my cancellation, surprisingly my whole body had calmed down and I was in peace.

Pranam to my guru Kanak Sir for continuous support at times of need.

Child Birth / Denial of Child Birth / Delay in Child Birth (Part - IV)

In my earlier three articles I have written about **Child Birth / Denial of Child Birth / Delay in Child Birth**. But in this article I am presenting about being blessed with child within one year after marriage.

•KP Rules for Child Birth:
•2nd house denotes extension of family.
•5th house denotes progeny.
•11th house denotes fulfilment of desire
•For child birth the 5th CSBL (Cuspal Sublord) should signify 2 or 5 or 11 with connection to Jupiter (as a Karaka for progeny) then only the child birth is promised.
•For first child the house are 2, 5 and 11.
•For second child the house are 2, 5, 7 and 11.
•For third child the house are 2, 5, 9 and 11.
•Then we have to check in which Dasa / Bhukti / Antara / Sookshma.
•11th CSBL for Male in case of Progeny.
•5th CSBL for Female in case of Progeny.
•Denial of Child Birth:
•If 5th and 11th CSBL signifies negation house like 1st, 4th and 10th then the child birth is denied.
•5th or 11th CSBL should not be in retrograde position (in Horary).
•2nd, 5th and 11th houses should not be barren signs (Aries, Gemini, Leo, Virgo). But here Gemini and Leo are the strong significator of barren signs.
•5th and 11th CSBL should not be posited or should not signify 6th, 8th and 12th houses.
•Venus will play a vital role in IVF process.
•Delay in Child birth or after very long time of marriage:
•If 5th cusp sub lord is positive but not supported by Dasa, then it will delay the child birth.

Male: (03.01.1966 @ 09:34:46 Hrs. in Raichur, Karnataka, Longitude: 77° 21' 27" E, Latitude: 16° 12' 12" N**)**

- **Points: (Male):**
- 5th CSBL is Sun and he is posited in 11th house.
- 11th CSBL is Mars and he is signifying 2nd, 11th and posited in 12th house.
- Karaka Jupiter is retrograde. But he is lord of 2nd, 11th and posited in 4th.
- Jupiter is posited in Barren (Gemini) sign.

- **Marriage Dasa (11.07.1987 @ 12.30 p.m):** At the time of marriage he was running **Rahu / Saturn / Sun (7, 11) / Mars (2, 11) / Saturn / Sun (7, 11).**

- As per rule in the native horoscope the Karaka planet Jupiter is in retrograde motion as well as posited in 4th house. 5th lord Mercury is lord of 5th and 8th and posited in 10th.

- **Child Birth Dasa:** The child was born on 10th June 1998 at 20:19:19 Hrs. The DBASPN (Dasa / Bhukti / Antar / Sookshma / Prana / Nadi) was **Rahu / Saturn / Rahu / Moon (5) / Mercury (5) / Jupiter (2, 11).**

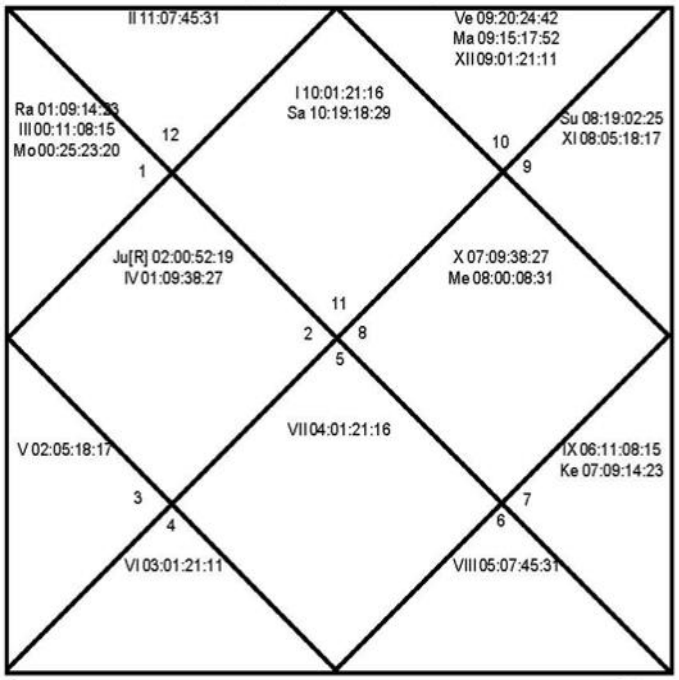

- Here **Rahu** is posited in 4th house and also he is strong significator of 4th house though he has given child birth. 4th house is negation to 5th. Here Rahu is appeared twice and he is

not signifying either 2nd or 5th or 11th. But Rahu is in Moon star and Moon sub. Here Moon is in Venus star and Mercury sub. Mercury is lord of 5th. Just on the basis of star lord or sub lord we can't judge the events. As an astrologer we have to study or analyse star lord or sub lord of significators of fruitful results through its star lord or sub lord of a particular event.

- Next comes **Jupiter**. Jupiter is Karaka planet for progeny. Here Jupiter is in retrograde motion, posited in 4th house. Jupiter is lord of 2nd and 11th. Jupiter is also posited in one of the strong barren sign. But here Jupiter is strong significator of 2nd house because there is no planet in 2nd. Here Jupiter is in Mars star and Mercury sub. Again Mercury is lord of 5th.

- Then **Saturn**. Saturn is lord 1st and 12th. Saturn is in Rahu star and Mars sub. Again Mars is in Jupiter sub. Jupiter is lord 2nd and 11th.

- **Mercury** as a 5th lord played a major role in childbirth through Moon and Jupiter. Mercury is sub lord of Moon as well as Jupiter. Because of this we have to analyse a horoscope in all angles and in all possibilities.

- Native's wife conceived on September 19th 1997. That time the native was running Rahu / Saturn / Moon (5) / Jupiter (2, 11) / Jupiter (2, 11) / Moon (5).

- As I wrote in my earlier articles that the native is blessed with progeny within one year after marriage only if he is running 2, 5, 11 house DBAS, either through its star lord or sub lord and if that DBAS is signifying 2, 5, 11 houses.
-

- **Female: (30.06.1969 @ 14:57:30 Hrs. in Vijayapura, Karnataka,** Longitude: 77° 48' 4" E, Latitude: 13° 18' 44" N**)**

- **Marriage Dasa (11.07.1987 @ 12.30 p.m):** At the time of marriage she was running **Mars (2, 11) / Moon (7)/ Saturn (7) / Saturn (7) / Rahu (2, 7, 11) / Rahu (2, 7, 11).**

- **Date of conceive:** September 19th 1997. That time the native was running **Mars (2, 5) / Moon (5) / Ketu (5, 11) / Saturn (5) / Rahu (2, 5, 11) / Saturn (5).**

- **Child Birth Dasa:** The child was born on 10th June 1998 at 20:19:19 Hrs. The DBASPN (Dasa / Bhukti / Antar / Sookshma / Prana / Nadi) was **Rahu (2, 5, 11) / Rahu (2, 5, 11) / Jupiter (5, 11) / Venus (5, 11) / Venus (5, 11) / Mercury (2, 5, 11).**
- 5th CSBL of the native (female) is Mercury. Mercury is in Mars star (retrograde) and Rahu sub. So, Mercury is signifying 2, 5 and 11. It means child birth is promised.
- Though Mars is retrograde Mars is a strong significator of 2nd house, because 2nd house is not shared by any planet. And sub Rahu is posited in 5th house and Rahu is also a strong significator of 5th house.
- At the time of marriage, conceive and child birth the common planets were Mars (2, 5, 7), Moon (5, 7), Saturn (5, 7) and Rahu (2, 5, 7, 11).
- Saturn is posited in barren sign (Aries) but he is a significator of 5th house. He has to give 5th house result along with Rahu.
- If one has to get child in one year after marriage the strength and identification of the planets are very important.
- Still it is very difficult to identify the strongest planet in the horoscope, because except Sun and Moon all other planets own 2 houses. And we don't know when which house will activate. It is easy to analyse post prediction but in prediction we have to see in deep as well as in all possible angles.

Conclusion: Before we are predicting marriage, progeny, couples longevity we have to check or analyse couple's horoscopes because couple's DBAS should signify the same event. Then only you will clarity on the particular event or events.

Whether India will win in this match or not?

Question:-Today cricket match is going on India vs England. In it, whether India will win or not.
Horary number:-153;
DOJ:-28-03-2021;
TOJ:-13-38-03.529;
POJ:-Kurnool;(78-02-10E/15-49-44N);

Genuineness:- Moon is the starlord of 6th and sub-sublord of 11th cusps respectively. Moon is in the star of Sun who is placed in 11th bhava. As Moon signifies 6 & 11, the query is justified. OK.
1) Ascendant SSL Saturn is in the star of Moon(**1** 3 4 5 **6** 10 **11**), in the sub of Saturn (**1** 2 4 7 8 10 **11**) and in the sub-sub of Moon(**1** 3 4 **6** 10 **11**); **Here both necessary condition and essential conditions are simultaneously satisfied. OK**

2) 6th SSL Jupiter is in the star of Mars(**1** 2 7 8), in the sub of Saturn(**1** 2 4 7 8 10 **11**) and in the sub-sub of Mercury(**1** 3 4 **6** 7 8 9 12); Star level (1) –sub level (1 &11) –--sub-sub level (1 & 6) are seen. **In the case of 6th SSL Jupiter necessary condition is not satisfied.** So it is a weak one to assess the results favourably.

3) 11th SSL Moon is in the star of Sun(5 **11**), in the sub of Ketu(**1** 2 3 4 **6** 7 8 9 **11** 12) and in the sub-sub of Saturn(**1** 2 4 7 8 10 **11**). **Here both necessary condition and essential conditions are simultaneously satisfied. OK.**

Actually nobody will predict that India will win by seeing the above analysis. But I have predicted that certainly India will win in this match because of my previous experience in this astrological field. I have assessed previously positive answer in so many charts, "when Lagna , Moon and 11th SSL signifies strongly & positively, even though 6th SSL may not be a strong significator (ie) negative signification is indicated". Today also I have got the same positive result as shown above.

Another method:-
Shri. Kanakkumar Bosmiah ji is an Editor of K.P. E-Zine (World's First E-Magazine on Krishnamurthy system) framed a rule regarding this type of competitions. It is as follows:-
Shri. Kanakji's Rule:- If the 10th (one's position, status by winning in the match name and fame) cusp sublord signifies 10 (one's reputation)- 3 (one's ability and dareness to participate), 11 (one's reputation as a winner) in the D/B/A of the significators of 3-10-11, then success is assured.
Now I am applying the above rule in Cuspal Inter Links Theory. It is as follows:-

10th Sub-Sub Lord should establish the following linkages as shown below, then only succes is assured.

Involvement (Star level)	Commitment (Sub level)	Final Confir-marion (Sub-Sub level)
10	3,11	3/10/11
3	11,10	3/10/11
11	3,10	3/10/11

Next Rahu Anthara. Rahu is in the star of Saturn and sub of Mercury. If we observe 6 fold significators, Rahu anthara not favourable. Next Jupiter anthara, Jupiter is in positional status. Jupiter is B grade significator for 6th house. (6 fold significators). Jupiter anthara is not favourable.

Next Saturn anthara, Saturn is in the star of Mars and sub of Sun. Saturn through star lord is connected to 7th house. Saturn is in sub of Sun. Saturn is favourable. Finally coming to Sookshma, Saturn Sookshma from 25.11.2020 to 3.12.2020. Saturn is already taken as anthara lord because of 7th house significance.

Correction of birth time of a female

The details of birth provided by her are---

DOB-08-06-1944// TIME OF BIRTH-- NOT KNOWN// POB- NAGAYALANKA, KRISHNA DIST.

But she has given a clue that she is born in Moola star -3rd pada, basing on which her name was given starting with the letter "BA".

Ruling planets worked out for cbt are

DATE-08 NOV 2020 @07-35-25 A.M @ Tarnaka, Secundrabad.
ASC=MARS--SATURN-VENUS-MOON.
RASI=MOON-SATURN-JUPITERSUN.
DAY LORD=SUN.

i)for arriving Moon's position—

we need to arrive at the ASC. RPs---

a) there is PP yoga as Moon is in Saturn star.

b) Rahu is in Venus sign and Venus is in our four Moon RPs of ASC. Rahu is in Jupiter sub which is in our 9 RPs. So take Rahu as additional RP for ASC. RPs.

c) Ketu is in Mars sign which is in 4 rps of ASC. and is in Jupiter sub which is in our 9 rps. So take Ketu as additional RPs of ASC.

SO ASC RPS ARE= MARS-VENUS-SATURN- MOON-RAHU-KETU.

II)For arriving at the position of Ascendant - we need to arrive at Moon RPs.
there is pp yoga.
Rahu is not qualified as its SGL Venus is not in our Moon RPs.
Ketu is also not qualified, as its SGL MARS is not in our Moon RPs.
SO MOON RPS ARE= MOON-SATURN-JUPITER-SUN.

First let me arrive at Moon's position with the help of ASC. RPs—

1. CHECKING FOR MOON'S STAR— Transition Information for Moon

Location: NAGAYALANKA, KRISHNA DIST, ANDHRA PRADESH, India
Date:08/Jun/1944/Start Time: 12:00:00 AM- End Time: 11:59:59 PM

Transition Information Table

Time	sign Lord	Star-Lord
12:00:00 AM	Ju	Ke
01:09:06 PM	Ju	Ve

We have only Ketu in our ASC. RPs **ASC RPS ARE= MARS-VENUS-SATURN- MOON-RAHU-KETU.** and so it is selected as STL.

2 Checking for Moon's sub lord with the help of Asc RPs—Transition Information for Moon

Location: NAGAYALANKA, KRISHNA DIST, ANDHRA PRADESH, India
Date:08/Jun/1944/Start Time: 12:00:00 AM- End Time:01:09:06 PM

From the above table and remaining **ASC RPs are= Mars-Venus-- Moon.**due to PP yoga, we have selected the last planet MARS as SSSBL @09-21-50 a.m to 09-23-45 A.M.

Note- even though there are left over **ASC RPs are= Venus-- Moon-.** with us, since there is a very small gap of only 00-02-00 minutes left in the transition time of Moon, I have selected up to SSSBL level only to proceed for the checking the position of the Ascendant with the help of Moon position as transition time and Moon RPs at TOJ.

II. Arriving lagna position with the kelp of the Moon's transition time— 09-21-50 a.m to 09-23-45 a.m and RPs of Moon @TOJ.—MOON-SAT-JUP-SUN.

From the above table, and remaining **MOON RPS ARE=MOON--SUN.** due to PP yoga, Moon is selected as SSSBL.

E) Checking for ASC. SSSSbl-------Transition Information for Lagna
Location: NAGAYALANKA, KRISHNA DIST, ANDHRA PRADESH, India
Date:08/Jun/1944/Start Time:09:23:35 AM- End Time:09:23:45 AM

09:23:44 AM	Mo	Ju	Ra	Sa	Ma	Sa
09:23:45 AM	Mo	Ju	Ra	Sa	Ma	Ke

From the above table and since only Sun is left in our **MOON RPS ARE=SUN.**
which is not available in the above table, due to PP yoga, Saturn is selected using our common sense @09-23-38 a.m.
So the CBT arrived is 09-23-38 a.m with ASC. as ---MOON JUP-RAHU-SATURN-MOON-

HORARY DETAILS:-
HORARY NO.:- 245 (TMC)
TIME :- 08:08:58 am
PLACE :- KOLKATA
DATE :- 28.02.2021

RULE
As election is a competition, 6th and 11th cuspal sublords should be connected with 1,6,10,11 for win. For checking the genuineness of query Moon must signify 6/10/11th houses.

MOON
Moon sits in 6th house lord of 5th house. Moon is in the star of Sun and sub of Saturn.
Star lord Sun is in 12th house lord of 6. Sub lord Saturn is in 11th house, lord of 11 and 12 houses. So Moon signifies 6 and 11 houses for the genuineness of query.

PREDICTION
6th cuspal sublord Venus is in the star of Rahu and sub of Jupiter. Venus is in 11th lord of 3rd and 8th houses. Star lord Rahu occupies 3rd house and it is agent of Venus, which signifies 8, 11, 3 houses. Sublord Jupiter sits in 11th house lord of 1 and 10th houses. So 6th cuspal sublord Venus signifies 1, 10 and 11 winning houses.

11th cuspal sublord Rahu is in the star of Moon and sub of Venus. Rahu is situated in 3rd house and agent of Venus, signifying 8, 3 and 11 houses. Rahu's star lord Moon sits in 6th house lord of 5th house. 11th cuspal sublord Rahu signifies 6 and 11 winning houses.

At the Time of Result- Dasha, Bhukti Antara:-
Sun Dasha, Saturn Bhukti and Mercury Antara will be running at the time of election result. Dasha lord Sun occupies 12th house lord of 6th house; Bhukti lord Saturn sits in 11th house (success); And Antra lord Mercury signifies 11-4-7.

MY OPINION ACCORDING TO THE CALCULATION:-

- TMC will win because 1, 10, 11 houses are connected with 6th CSL and 11th CSL.
- Very tough completion will occur between both the political parties (5,8,12 connected)
- Margin/total no.of Seats will decrease as compared to the previous West Bengal Assembly Election results in 2016.
- Help of the other parties will be needed for establishing a coalition Government.

ACKNOWLEDGEMENT
I am grateful to KANAK BOSMIA Sir and I pay my Paranam to Guruji KSK. I am also very thankful to my Astrologer Friend RAGAVENDRA RAO DESAI Sir.

The following are the list of "coincidences" that are commonly associated with the conspiracy, some of which are not true statements:

1) "Lincoln" and "Kennedy" each have 7 letters.---yes—True.

2) Both presidents were elected to Congress in '46 and later to the presidency in '60.
---This is not true--- Mr LINCOLN became president in 1850 whereas Mr Kennedy became president in 1961.

3) Both married women in their 20s while themselves in their 30s.[6]
--- This is not true—Mr. Lincoln married in his 33rd year while Mr Kennedy married in his 36th year.
Both lost a son while living in the White House.[5]
Both were shot in the presence of their wives.

4) Both assassins, John Wilkes Booth and Lee Harvey Oswald were born in '39.
---This is not true---Booth was born on 10 May 1808 and Oswald was born on 18OCT1939.

Both were known by their three names, composed of fifteen letters. Both ran from Ford's Theatre and was caught in a warehouse; Oswald ran from the Dealey Plaza warehouse and was caught in a theatre. Both presidents were runners-up for the party's nomination for vice-president in '56. Both successors were Southern Democrats surnamed Johnson; both were born in '08 and their first names contained six letters. The assassins were both Southerners.
Both were particularly concerned with civil rights,[5] and made their views strongly known in '63. Lincoln signed the Emancipation Proclamation in 1862, which became law a year later. A century later, Kennedy presented his reports to Congress on Civil Rights, during the famous March on Washington for Jobs and Freedom that same year.

Both presidents were shot in the head on a Friday and died at nearby locations (Lincoln at the Petersen House across the street and Kennedy at Parkland Memorial Hospital down the road).
Lincoln was shot in a Limousine Car at Ford's Theatre. Kennedy was shot in a Ford car:
Lincoln had a secretary named Kennedy who told him not to go to Ford's Theatre. Kennedy had a secretary named Evelyn Lincoln (whose husband Harold's nickname was Abe), and she warned him not to go to Dallas.[5]
Both Oswald and Booth were assassinated before they could be put on trial.[5]

Accuracy of statements
True statements
Both were elected to Congress in '46: Lincoln was elected in 1846 from Illinois, and Kennedy was elected in 1946 from Massachusetts.
Both were elected to the presidency in '60: Lincoln was elected in 1860,[11][12] and Kennedy was elected in 1960.

With this basic information on the similarities between the two major life and death events of notable presidents of the United States of America, I am attempting to tally the similarities of some of the major life events and how far they are justified astrologically.

Astrological analysis of the natal charts of the presidents of the USA who died by Assassination---

Before proceeding with my analysis on the main topic of “assassination” let me briefly discuss the accidental deaths/ unnatural and sudden deaths/ assassinated deaths.
Mr CELESTE TEAL a famous western astrologer in his book “Predicting Event with astrology” explains the importance of the role played by Mars, Uranus and Pluto in such events of unnatural/sudden and accidental deaths. He explains by saying” In most of the cases of accidental or unnatural or assassinated deaths, Mars is considered as a malefic planet for good reasons. When prominent and afflicted, it reflects the potential for accidents, deaths, and unexpected and unforeseen acts.
Uranus is often a prominent planet when risk and danger are near. It is frequently involved in afflicting aspects when accidents occur, especially when they come out of the blue or unexpectedly. Uranus acts at lightning speed. Uranus in afflictions with Mars is the most dangerous aspect when trouble comes from unexpected directions. It is a fiery and explosive combination, suggesting accident-prone tendencies.

As per our **KP system of astrology**— 8th bhava, 12th bhava, ascendant along with Mars, Saturn, Uranus and nodes play a very vital role in such incidents.
8th bhava tells about longevity, deaths and mode of deaths, misfortunes, prone to accidents, the density of seriousness of the accidents and its timing. If it is badly connected to the 8th, one should predict that the native himself be the cause of death. If 12th is well connected to 8th, it can be predicted that the place of death to be unknown or foreign.
If Uranus and Neptune are connected to the 8th mysterious and sudden death may take place. Slow and long death is caused by Saturn. Peaceful and natural death will be given by

Jupiter. Violent deaths, encountered deaths, by Mars, is with its cruel natured involvement. 12th bhava speaks of final emancipation. It is a house of great sacrifice and unexpected troubles because of the secret inimical activity. One may be murdered or assassinated during the afflicted 12th house period.

When the Prarabdha karma, which a human being carries with him through his birth into this physical world, gets diminished by its balance, only during the period of 12th bhava significator connected to 8th house, death may result during the period of any planet signifying 12th along with Maraka and Badhaka houses.

**While I was going through the old issue of the K.P. Astrology & Athrishta magazine of 1978 November issue, wherein I happen to read an article "Eight House and Unnatural death" written by Sri MGG Nayar (pages37-39). Some of the relevant excerpts are reproduced for the benefit of the readers.*

".....There are quite a several yogas describing the unnatural deaths (Dur-Mrityu yogas) in traditional astrology. The astrologer first has to look for the presence of such yogas in the chart before deciding the longevity issue of the native. For the convenience of the reader, few such yogas are given hereunder.

1. Sun in 10-(karma) and Mars in 4(Bandhu) is said to indicate death by the fall from the mountain top. Perhaps some of the Himalayan explorers who met death in this manner have this type of yoga in their charts.

2. Moon in Mars sign (Aries or Scorpio) hemmed between malefic planets shows death from weapons or fire.

3. Pisces ascendant with the Sun and the Moon in it is said to indicate death by drowning and so on.

4.Place of Death
If the 8th CSL signifies 1, 4, 10, the end will come in his place.
If the 8th CSL signifies 3, the end will be on a journey mostly on returning.
If the 8th CSL signifies 6, 8, 12 death is in a hospital, jail or unknown place.
If the 8th CSL signifies 9, death occurs in a long journey and usually far-off place.

K. P. Rules on Death--
1. "Death is indicated only by the significators of Marakasthana and Badhakasthana." (KP READER VI,1978 or 2002 p 155; also repeated in K. Hariharan: LONGEVITY,1986 pp 36/50).
2. *Quoted from the article "Life span and Badhakasthan", written by P. R. Gangaram, Dombivli (W), Thane Dist, Maharashtra, and published in A & A of July 1977,*

//First Stage
Find out who rules the sub-portion of the Lagan and whose star this sub lord occupies. Wherever that star lord is posited, that Bhawa and other planets grouped therein by way of the signification of the Bhawa give the clue.
In case the sub lord of lagna or the star occupied by the lagna sub lord is a node, you will have to see, whether this node is aspected by or conjoined with any planet, who is a significator of Maraka Sthana or Bdhaka Sthan. If the aspect is present or the conjunction is there, the node acts according to the planet with which it is conjoined or by which it is aspected. When both are not present, the node represents the lord of Rasi occupied by it. Therefore assume as if the node is occupying the star of the rasi lord and find out where that lord is placed.
Second Stage
Death can take place only during the conjoined periods of planets, signifying Marakasthana and/or Badhakasthana. They must have direct or indirect links among them. The direct link

means, connection by occupation in each other's sign, star and/or sub, aspects and conjunctions between planets.
Indirect links mean, two planets occupying in any of the stars and/or sub or sign of a third planet or the planet "A", by occupying the star of planet "B" and aspecting planet "C", thereby establishing the relationship between B and C through A or planet "A", by occupying the star of another planet and aspecting the planet "B", in whose star "C" is occupied, the connection between A & C is indirectly established.
The significators of Marakasthana will qualify themselves for inflicting death during their periods if only their sub lords are significators of Badhakasthana. In other words, the death inflicting planets must have connection invariably with Badhaksthana by signification or occupying the sub of significator of that house.

The third and final stage
Among the planets connected with Badhakasthana, as explained above, find out who are all connected with co-rulers of the cusp, and what matters the sub lord of Ascendant strongly signifies. *It will be found that this co-rulers of the cusp are invariably signifying Marakasthanas or Badhaksthana. If the co-rulers are themselves qualified for inflicting death due to their connection with Badhakasthana, the death take place during their periods and sub -periods, provided of course, they are signifying the house, which is co-ruled by them.*
While selecting significators, the following information will be very useful.
In some cases, the Dasa, Bukthi, Anthar and Shooksma are all ruled by one planet. To happen this way the same planet must be signifying all houses concerned with the matter with the due co-operation of its sub lord. Moreover, this way the same planet must occupy a dual sign well as the star of a planet either owning and occupying (Mercury and Jupiter only possible) a dual sign or occupying the star of another planet in a dual sign. For example take Venus(For marriage) as lord of 2nd occupying the star of Mer in Meena, 7th house and sub of Ju, when star-lord Mer occupies Kanya, in the star of Mo in conjunction and sub lord Ju occupies Me star in Kataka, 11th house. Sometimes this type of repetition will be limited to three times, when that planet in a dual sign occupies the star of Mercury or Jupiter in a dual sign, but not in their star or the star of a planet in a dual sign. Limitations to two will be there, when the planet, in whose period the event take place, is occupying the star or sub of a planet in a dual sign or the star of a dual sign planet. The same is the case when planet "A" while occupying a dual sign, in the star of "B"(not in a dual sign) but the star of a planet "C" in dual sign or occupies the star of another planet in a dual sign. In other words, the effect of "C" is passed on to A through B.
If a node is placed in the star or sign of the planet under consideration, the node will represent the planet wholly or partially. ie. both the planets and the node concerned will be among the ruling planets of the periods.
From this, we understand that the four dual signs and their lords and planets in dual signs show a multiplicity of events and effects. If we checkup the horoscope of individuals who have many children, we find that more planets are connected in the above manner and with the 5th house, mostly a dual sign. Similarly, if many planets are connected with dual signs or planets owning or occupying dual signs and at the same time, they strongly signify houses 2, 6, 10 and 11, success will be in many ways and it will be certain.
If none of these yogas is present in the natal chart, consider the strongest among the planets aspecting the 8th. The nature of that planet together with the nature of the sign-in which it is posited, and the part of the body indicated by the sign determines the mode of the death. If no planet is aspecting 8, consider the planet occupying the 8. If the 8th house is not aspected and unoccupied, consider the 8th lord of the lord of the 22nd Drekkana, whichever is stronger and so on.
These yoga's and rules very often do not give the results attributed to them when comes to litmus test especially in the cases of twins.
The nature of the death is, no doubt, to be judged from the house of the 8th in the chart. But K.P. says that it is the lord of the minute sub of the 8th cusp that affords the correct clue to the mode of the death. This method will be found to give correct results in the case of twins for obvious reasons.
Apart from the sub-lord of the 8th cusp satisfying the required conditions, the sub-lord of the

7th cusp should be deposited in the constellation of a planet signifying the Maraka sthana or Badhaka sthana and also of the 8th of the native, if he should meet death at the hands of the assassin. The ruling planets of the assassin will agree with the planets co-ruling the cusp of the 7th and those connected with them.

With this brief introduction on the subject, I would be making an effort to analyze the two charts of late presidents of the USA, by applying the above KP rules, to reiterate the efficacy of the KP system of astrology and the importance of Sub-Lord theory.

The birth details are furnished based on the data taken out from Astro Data bank- with Rodden rating-B and Rodden rating A.

3) Shot dead on 14-04-1865---FRIDAY.
Died in his 56th year.
A) FIRST RULE--K.P rule says—If the Ascendant cusp sub-lord signifies Badhaka /Maraka houses along with **Trigonal** (Fatal) Houses 4-8-12 and connected to Mars/Sat/Node, death will be sudden and unnatural during the conjoined period of the significators of Badhaka-Maraka-4-8-12 and along with connection with Mars or Saturn or Rahu or Ketu.

ASC. cusp falls in Aquarius sign and 9th is the Badhaka house (LIBRA) with Venus as its lord of 9.
---ASC. cusp SBL Mercury+ lord of 5 and 8 is in 1st house with Sun the 7th lord. No planets are placed in Mercury stars. Mercury is the star of Rahu is in 8th with Mars and Uranus and the sub-lord of Moon lord of 6 in 12th.
Rahu represents Venus lord of 4 and 9 in 1st house within 1-degree orb to 2nd.

Apart from the sub-lord of the 8th cusp satisfying the required conditions, the sub-lord of the 7th cusp should be deposited in the constellation of a planet signifying the Maraka sthana or Badhaka sthana and also of the 8th of the native, if he should meet death at the hands of the assassin. The ruling planets of the assassin will agree with the planets co-ruling the cusp of the 7th and those connected with them.

As per the native's chart---the 7th cusp sub-lord is Venus and Venus is deposited in the constellation of Saturn (L/O 1 & 12 is in 9th –Badhaka House)—and is in the sub-lord of Jupiter.
Saturn (STL OF 7 cusp SBL-Venus) is aspecting the 7th house (Maraka House) by its 10th aspect. Saturn is placed on the 9th cusp.

---ASC. cusp SBL Jupiter+ lord of 5 and 8 is in 9th cusp along with Mars and Mercury. No planets are placed in Jupiter stars and Jupiter co-rules 2-5-7 cusps. Jupiter is in the star of Sun lord of 1st is in 5th and sub of Rahu in 5th. Jupiter aspects 2nd cusp, Mars aspects 12th cusp by its 4th aspect, 2nd cusp by 7th aspect and 4th cusp by 8th aspect.
The ascendant cusp and its sub-lord Jupiter+ strongly signifies 2nd by 5th aspect, 6th by 9th aspect and 4th by 7th aspect.
Thus Jupiter+ signifies @STL 1-8-9-10 and @SBL 8-9. It is also connected with Rahu through its sub-lord, Mars and Mercury by conjunction. All the significations and connections have given him sudden, unnatural and violent death. Here also since Mars is connected with 1st head and bullet by Mars.
Apart from the sub-lord of the 8th cusp satisfying the required conditions, the sub-lord of the 7th cusp should be deposited in the constellation of a planet signifying the Maraka sthana or Badhaka sthana and also of the 8th of the native, if he should meet death at the hands of the assassin. The ruling planets of the assassin will agree with the planets co-ruling the cusp of the 7th and those connected with them.
As per the native's chart—the 7th cusp Sub-lord is Jupiter+ co-rules 2nd also. (7 & 2 are Maraka houses).
The 7th SBL Jupiter+ signifies @STL(SUN) 1-8-9 and @SBL (Rahu) 8-9.
So 7th cusp sub-lord Jupiter+ strongly signifies 2-7-maraka houses, 9-badhaka house and is also connected with 8th at both levels.

4. Assassin --- John Wilkes Booth.
DOB-10/May/1808/ TOB-12-00-00P.M/
POB-BEL AIR MARYLAND, USA.
The nature of the native is identified by the sub-lord of the Ascendant, Moon
(indicates the mind and its nature) and Mercury (indicates the native's thinking process). If all these three are in the star or sub of planets that are connected with 6-8-12 houses and the bad relation between the Ascendant and the 6-8-12 houses, the native will be criminal-minded, cruel, malicious and spiteful.
Such natives will be fraudulent, villains, murderers or assassins or criminals.
These morbid traits of such natives can be assessed clearly from the compromised placements of the 5th houses and its lord.

4. Assassin--- Lee Harvey Oswald.
DOB-18 OCT 1939/ TOB-09-55-25 P.M.

If all these three are in the star or sub of planets that are connected with 6-8-12 houses, the native will be criminal-minded, cruel, malicious and spiteful.
Such natives will be fraudulent, villains, murderers or assassins or criminals.

Apart from the above,
1) the Psychic and visionary Ketu is another important planet that instigates the mind of the assassin. Ketu as a node is a headless planet that makes such murderer or killers lose their heads and their thinking power and reasoning faculties.
2) Mission-orientated Mars and action-based, 3) Pleasure-oriented and self-indulgent Rahu, and 4) power-oriented Saturn an ultimate controller of the victims and their mind with nefarious activities, play an important role in shaping the criminal mind with emotion-driven activities.
As per the natal chart of this native---
I) Ascendant cusp falls in Leo sign with
Sun as SGL- Ketu as STL- Rahu as SBL.
A) The Lagna lord Sun is posited in Aries sign in the company of Mars and Mercury, Venus.
Sun is in the star of Sun lord of 1 and 2 in 9th, and Sub of Mars lord of 4 and 10 in 9th.
-- SGL Sun signifies 1-2-9-10.
B) ASC. star-lord Ketu is placed in
10th. Ketu is in the star of Sun lord 1 & 2 in 9th and the sub of Rahu in 4th.
Ketu the STL signifies 1-2-4-9-10-12.
C) Rahu the ASC. SBL signifies @STL 4-5-7-9 and @SBL 9-12.
Note –here the Ascendant is connected to only the 12th cusp.
II)Moon+ lord of 12 is in 6th in the company of Rahu. Moon is in the star of Saturn and sub of Saturn lord of 6 and 7 is in 3in the company of Uranus.
Thus Moon+ strongly signifies @STL 4-6-7-8-12 and @SBL 3-6-8-7.
Note- here Moon+ the karaka for the mind and its nature signifies all the three important houses 6-8-12, and in the company of Uranus confirms the criminal, murderous nature of the native's mind. Here Rahu, Uranus and Saturn all the three malefic planets have played their strong role in shaping the nature of the native's mind.
III) Mercury another important planet that indicates the native's thinking process. Here in the native's chart, Mercury+ is the cuspal sub-lord of 12. No planets are placed in their stars. It is the lord 3 and 11 is in 9th. Mercury+ is the star of Ketu is in 9 and the Sub of Saturn lord of 6 and 7 is in 3rd.
Thus Mercury+ strongly signifies STL 3-9-10-11 and @SBL 3-6-8- 7.
IV) K. P. Rule says—If the ASC. cusp sub-lord signifies 6th he does the activities of nefarious harmful to others.
If the ASC. cusp SBL is Mars and signifies 6th he will commit crimes openly and
without fear.
If the ASC. cusp SBL is Saturn and signifies 6th he will commit the crime in secrecy.
--As per the native's chart---
ASC. cusp sub-lord Rahu+ is not connected to 6th directly. But Rahu represents Mars+ as it is aspected Mars by its 8th aspect and is placed in Scorpio-own sign- is not connected to 6th.
Rahu+ also represents Moon+ and Moon+ strongly signifies 6 both at star and sub levels.
----This has made him a criminal and assassin and murdered Abraham Lincoln on 14-04-1865—while he was running his periods of –Ketu Dasa (up to 1850) significator of 6th,
X Venus Bhukthi runs up to 08-08-1844, significator of 8 and 12,
X Saturn Anthra runs from 08-03-1844 to 14-05-1844, signifies @STL 6-8.

5th houses rule the mindset of such natives, conscience, and psychic health also. naturally, such culprit's natal charts clearly show the extremely damaged 5th house, accounting for their wicked and cunning nature, and brutal personality. S such this health of this 5th house becomes the most important aspect of such natives.
Apart from the above,
1) the Psychic and visionary Ketu is another important planet that instigates the mind of the assassin. Ketu as a node is a headless planet that makes such murderer or killers lose their heads and their thinking power and reasoning faculties.
2) Mission-orientated Mars & action-based,
3)Mission-oriented and self-indulgent Rahu, and 4) power-oriented Saturn an ultimate controller of the victims and their mind with nefarious activities, play an important role in shaping the criminal mind with emotion-driven activities.
As per the natal chart of this native----
I) Ascendant cusp falls in Gemini with SGL-Mercury-STL Rahu - SBL Venus.
A)The Lagna lord Mercury lord of 4th is placed in 5th with Venus lord of 5
and 12, in the company of Rahu -a first-class malefic and Sun lord of 3rd. Mercury is also aspected by another malefic planet Saturn -lord of 8 & 9 in 10, directly.
SGL Mercury signifies @STL(RAHU) 1-4-5 and @SBL (MOON) 2-7 and connected to Saturn and Venus.
B) Lagna STL Rahu is placed on the 4th cusp. Rahu is in the star of Mars lord of 6&11 is in 8thand in the sub of Moon lord of 2 in 7th.
Rahu the ASC. STL signifies @STL(MARS) 6-8 and @SBL(Moon) 2-7 and is connected to the 12.
C)ASC. Sub-lord Venus lord of 5&12 is in 5th and co -rules 8th. Venus is the star of Rahu is in 4th and the Sub of Mercury lord of 1 &4 is in 5th.
The SBL of the ASC. VENUS signifies @STL(RAHU)12 and @SBL(MERC) 1 and connected to 6 and 8 by RAHU.
(Rahu represents Sun-Venus-Saturn and (Mercury).
II) Moon lord of 2nd is in 7th. Moon is in the star of Venus lord of 5&12 is in 5th and the SBL of Jupiter lord of 7 &10 is in 10. Moon signifies @STL 12 and @SBL --.
III) Mercury signifies @STL(RAHU) 1-4-6 and @SBL (MOON)2-7. And connected to 6 & 8 houses by Rahu.
From the above analysis, it is clear that the native assassin by nature(lagna), Moon through his mind and Mercury by his thinking process are all connected with relevant houses of 6-8-12 and all the connecting planets -Rahu & Saturn malefic planets made him criminal minded and fraudulent by his nature to commit assassination of Jon F Kennedy the president of USA.
IV) K. P. Rule says—If the ASC. cusp sub-lord signifies 6th he does the activities of nefarious harmful to others.
If the ASC. cusp SBL is Mars and signifies 6th , he will commit crimes openly and without fear.
As per the native's chart—the ASC. cusp sub-lord VENUS signifies 8th as co-ruler and through its STL(Rahu) 12 and is connected to 8 and 12 and through its SBL MERC signifies 1. Apart from the above significations the sub-lord of the ASC. Venus is also connected with Rahu- Kethu- Saturn and Mars.

The birth particulars of a girl are communicated to me for examining her horoscope who has borne in Bilaspur (CG) on 5th December, 2007 at 10-40 pm. The native has borne in Chitra star (Libra sign) with ascendant Leo.

At the time of birth the native has got the dasa balance of Mars of 7 months 18 days. Afterwards she entered the period of Rahu dasa. In her horoscope Rahu has occupied the Aquarius sign which is a badhakasthana to her father. Mars in Rahu star (Arudra) is aspecting 6th house. Mercury has occupied the sign Scorpio which is a 8th house to her father. Moon has occupied the sign Libra which is a marakasthana to her father. During the conjoint period of Rahu, Mercury and Moon the father of the native has to face life threat with serious health problems.
Hence we will examine the horoscope of the father by rotating the native's chart to 9th house Aries from the native's lagna (Leo). So Aries sign will become the lagna of the native's father.

In the rotated chart dasa lord Rahu occupies badhakasthana 11th house in its own star and sub. Being in the sign of Aquarius Rahu not only represents Saturn but also aspected by Saturn. Saturn is in 5 lord of 10, 11 in the star and sub of Venus in 7 lord of 2,7. Jupiter 12th lord from 8th house aspecting Saturn. Thus Rahu signifies badhaka, maraca and 8th house which denotes life threat to the native's father.

Planet Mercury, in the rotated chart, has occupied 8th house lord of 3,6 in the star of Saturn who signifies 5,8,12,10,11 as discussed above and in the sub of Mars in 3 lord of 1,8. Jupiter in 8 is also aspecting Mars. So Mercury signifies in all 5,6,8,12,10,11 houses posing serious health problems and indicating life threat.

In the rotated chart Moon, aspected by badhaka lord Saturn, is in maraca house 7 lord of 4. Moon is in the star of Mars in 3 lord of 1,8 and in the sub of Sun in 8 lord of 4. Sun is conjoined with 6th lord Mercury. So Moon signifies maraca, badhaka and 6,8 houses indicating life threat with serious health problems.

In the rotated chart Sun is afflicted by 6th lord Mercury and its sign Leo is afflicted by Saturn and Kethu. Hence the native's father might have suffering with chronic heart disease and it is flared up in the conjoint period of Rah-Mer-Mon. The conjoint period of Rah-Mer-Mon between 29-7-2017 and 14-10-2017 is a critical one and poses danger to the native's father. It is learnt that the native's father died of heart attack on 12-10-2017.

TRANSIT: Dasalord Rahu was transiting in the star of bhukthi lord Mercury (Aslesha). Bhukthi lord Mercury was transiting in the sign of Libra, maraca house. Anthara lord Moon was transiting in the sign of bhukthi lord (Gemini). Sun was transiting in the sign of bhukthi lord Mercury (Virgo) 6th house. Thus the transit agrees with dasa.

Married life problem

By: Achintya Karmakar

B/402/E Baishnabghata, Patuli, Kolkata

A lady client came to me and said that she has some problem regarding conjugal life. Moreover she was pregnant at that time, and I listened to all her problems in details and asked her to provide her date of birth details which are as follows

Date of Birth- 24th May 1990
Time of Birth- 08.50 pm
Place of Birth- Panskura, West Bengal.

RULE OF KP FOR HAPPY MARRIED LIFE

Connection of 7th cuspal sublord and 11th cuspal sublord with 2,7,11/ 5,7,11 through its star lord and sublord. Then we can say that, native leads almost a happy married life .

PREDICTION

7th and 11th cuspal sublord is Ketu, positioned in 7th house (very close to 8th cusp). Ketu is located in sign Cancer representing Moon, occupant of 5th house and lord of 8th house. Ketu is in the star and sub of Mercury, occupant of 4th house, lord of 7 and 10th houses. So accordingly the cuspal sublord Ketu is connected to 5,7 positive houses and also 4,8,10 negative houses.

So the Basic Prediction

Lack of love and cordial relationship in conjugal life (4th is 12 to 5th – love)

10th house negates 11th house (harmony, friendship, legal bonding). So, lack of friendship and disharmony in conjugal life is also seen. Her husband is also very stubborn in character.

Because of 4th and 10th house signification there are high chances of DIVORCE / SEPERATION.

Then I went through the current DASHA.
According to the current DASHA running- Rahu Dasha, Sun Bhukti, Mars Antara. Rahu is in 1st house (very close to 2nd cusp) of the KP chart. Rahu is in the star of Moon (occupant of 5th lord of 8), and sub of Saturn (occupant of 1, lord of 2 and 3).

As 5 and 8 are connected, the husband and his mother physically torture the wife (mother is signified by Moon).

Sun is in the star of Sun and sub of Venus. Sun is occupant of 5th house, lord of 9th house. Venus is occupant of 4th house lord of 11th house.
As 9 (through bhukti lord), 3rd house (through Dashal lord) are connected also with 4, 10, husband ran away leaving the wife alone on 26th January 2021 and was abundant till 8 February 2021.
The husband was of such a character that he hid many things and information and situations from his wife and was not at all frank with his wife.

Ruling planets at the time of prediction:

Day Lord:- Mercury
Asc. Sign Lord:- Moon
Asc. Star Lord:-Saturn
Moon Sign Lord:-Moon
Moon Star Lord:- Sun

Saturn (Rahu sub) and Mercury are common planets between ruling planets and significators. Common planets between RPs and 4 fold significators are Mercury and Saturn, so the period Ra/Su/Sa is not favourable period for her.

OUTCOME

The client agreed with all the predictions made by me. She said that her husband and his mother had been torturing her without any proper reason. After few days she informed me that her husband had run away in January 2021 leaving her alone.

Horary No: 143

Place: Kolkata
Question: Will I be able to join a job on 1st April 2021? The reason I am asking is because I have applied for a job and got selected but I have a fear in my mind.

Rule: For joining job the 6th cuspal sub-lord should signify 2nd house of income, 6th house of job, 10th house of profession and 11th house of success only then during the joint period of 2,6,10,11 one can join a job.

In the horary chart-:
6th cuspal sub-lord is Venus. Venus is occupant of 5 owner of 1,8,12. No planet is in the star of Venus and Venus is the cuspal sub-lord of 1,6,9 houses. Venus is in the star of Jupiter, occupant of 3 and owners of 3,5. Venus is in the sub of Rahu, occupant of 7. Rahu is conjoined with Mars occupant of 7 and owner of 2,6,7.
Venus is the significator of 3,5 and connected with 1,2,6,7,8,9,12.
Venus is signifying 1,5,9,8,12 mostly negative and only 2,6 positive. So this job joining is highly doubtful.

Current Dasha Sun (6 Oct 2020 to 6 Oct 2026)
Sun is posited in 5th house. Sun is in the star and sub of Saturn occupant of 3 and owner of 4.
Sun is not signifying required 2,6,10,11, rather it's signifying 5th house negating the primary job giving house.

Prediction: Joining the job is not promised on 1st April 2021. Your horary dasha is not permitting.
Outcome: On 30th March 2021 this person sent me a WhatsApp that he is admitted in KPC, Jadavpur hospital as he has fractured his left arm and an operation will be performed. And joining on 1st April 2021 is not possible.

Medical astrology – Heart surgery- a detailed analysis of the natal chart of a lady who has undergone heart surgery very recently through our KP system
by Gunti Nagaraju
An office colleague of my wife has telephoned and asked how would be the prospects of recovery of her health after undergoing heart surgery. She has furnished her birth details which are appended bellow

DOB-Gender: Female
Date: Thursday, 08/Jun/1944
Time: 09:23:38 AM, SID: 01:22:47
Lat: 15:56:00 N, Lon: 80:55:00 E
Place: NAAGAYA LANKA, KRISHNA DIST, ANDHRA
PRADESH, India
Ayanamsa: 22° 59' 28".

During her recent conversation with my wife, it seems she expressed her feeling that she had been experiencing deterioration in her routine health for the past few months. One fine day when she visited her regular doctor for the problem of congestion in her lungs, she was checked thoroughly and doctors noticed some major problems in her heart valves and lungs. Immediately she was admitted in the hospital and doctors conducted heart surgery.
Before proceeding further on the main topic of heart surgery, I would like to write a few lines on the heart, lungs and valves and their problems in terms of the medical field.
Due to prolonged ill-health process in the human body, the holes of the heart valves close and these closures of the heart holes prevent the smooth flow of the blood backwards after the regular blood flow to the heart is over. This sort of closures of the heart valves or getting narrowed is called “Stenosis” in medical terminology. This is also called as “Aortic valve stenosis or ‘aortic stenosis’.
When the blood flow through the ‘aortic valve is reduced or blocked, our heart needs to work harder to ‘pump the blood to our body. As a result, this extra work for the heart causes pressure on the heart pumping mechanism which in turn causes symptoms as well as the possibility of weakening the heart muscles.
This demands repair or replacement of the valves either through stents or surgery, when such repairs left unattended at the proper time may lead to serious heart attacks or problems or even collapse of the heart functioning system.
Our body when faced such problems which cannot be easily noticed by the naked eye or in any external ways, then our body starts sending signs and symptoms indicating some serious lapses are occurring in our body especially in the heart region.
Signs and symptoms of the aortic valve stenosis may include

--abnormal heartbeat,
--chest pain or chest congestion.
--feeling of dizzy or fainting,
--short breath especially in normal activities,
--increased fatigue,
--heart palpitation,
--not gaining enough weight—mainly with youngsters,

And when we receive such signals from our body often, it needs to be medically attended without any loss of time.

With this background of basic information on the functioning of heart mechanism, I would like to dwell on the case of a lady patient who underwent heart surgery and also "Aortic valve replacements".
This native had a "heart surgery" on 19-11-2020 and now she is slowly recovering from the post-surgery problems.
As per "medical astrology"—4th houses from the native's ascendant, rules over the heart and breasts and 5th sign of the natural zodiac ie. Leo governs the heart in general.
Moon rules over the heart. Jupiter rules over our lungs.
Mercury rules over our heart nerves. Sun rules over the diseases of the heart.

When I am discussing something on the 'medical astrology', I have to first discuss important houses of health

THE FIRST HOUSE—it speaks of the body in the general constitution.
--Earth and Fire signs have great resistance.
--Cancer and Pisces sig are the most sensitive rising to incoming force and Air signs conduct electric force quickly.
The natal placement by signs and house of planets ruling the natal Ascendant, the sign is essential in assessing the general state of the body. An ascendant ruler poorly placed sign or in malefic houses 6-8-12 suggests the extra precautions will be necessary throughout life to maintain good health.

THE SIXTH HOUSE----'the houses of health'.
This is the house of general health, interests, maintenance and support of the body nursing, possible weak or compromised areas of the body. Planets in this house may represent health issues.
The ruling planets of this house have much to do with the health matters.

THE EIGHT HOUSE---- This is the house of death or all struggles to overcome the threat of the death. This is the area of the surgery, drastic measures, chronic ailments, diagnosis and psychological analysis. However, it is also the house of transforming and cleaning.
Planets deposited in this house at birth may reflect chronic complaints or gifts in healing, surgery, psychology, research and diagnosis.

THE TWELFTH HOUSE—This is the house of spiritual work and sleep. Psychological problems influencing health are sometimes indicated here. Also, look here for hidden causes behind apparent health issues.
This house governs sleep. Our current epidemic of sleep deficiency is paving to all kinds of health issues. Look here for 'sleep' life as well a pleasure element of sex-life.
It is said in 'Vedic astrology' that Jupiter and Venus in this house are good for health through a peaceful state of mind and restful sleep which is the foundation for good health.

K.P. Rule— if the sub-lord of the Ascendant or the 6th cusp is the significator of 6-8-12 or the lord of the star in which the sub-lord of the Asc. cusp or 6th cusp is posited in any way connected with 6 or 8 or 12, the disease will be caused and the nature of the disease will be indicated by the 6th house. These planets indicate the disease according to 6,8, and 12 houses.
If the sub-lord of the 6th cusp or the lord of the star in which the 6th cusp sub-lord is posited happens to be 'SATURN' or in any manner connected to SATURN the disease will be chronic. If it happens to be 'MARS' or in any way connected to Mars- the disease will be an "acute one". If it happens to be 'MERCURY' or in any way connected to Mercury— it indicates "complications".

Here since I am discussing the heart and the problems about heart disease, I will restrict to the significators of the planets related to this particular disease.

SUN- speaks of the heart, MOON-nervous system, lymphatic vessels, B.P.
MARS- disease of the heart, surgery.
MERCURY— chest, nerves, spinal-chord system and paralysis.
JUPITER— lungs, brain, SATURN— weakness, chronic nature and paralysis,
RAHU- breathing, gas trouble, KETHU— lungs troubles, disease from an unknown cause.

HEART DISEASE MAY ARISE IF---
1. Saturn and Jupiter owning 4th or placed in the 4th house or aspecting the 4th house.
2. Sun and Saturn in the 4th or aspecting the 4th house.
3. Sun and Saturn in 6th or aspecting the 6th house.

CURE--- if the significators of the 6th house also signify 5 or 11 houses, one survives the ailment after treatment, following the period of the disease-causing planet.
---- 5th house signifies that the disease will be well under control and 11 denote cure after treatment.
If the SBL of the 6th cusp by chance signifies "Badhaka and Maraca houses", the native succumbs to the disease provided his or her longevity is not further promised.
NOTE---The disease will arise during the conjoined period of 1 and 6/ or 1 and 8/ or 1 and 12/ significations.
The cure is available during the conjoined period of the significators of 5 or 11 houses.

Chart analysis---
1) Ascendant cusp falls in Cancer sign with SGL_MOON__STL JUPITER___ SBL RAHU.
Cancer is the most sensitive sign and its lord Moon is also a sensitive planet which will be easily influenced by the internal and external forces.
Lagna sign lord Moon is placed in 6th house- Sagittarius sign headed by Jupiter. We have seen in the first part of this article that Moon rules over the heart region and Jupiter rule over the lungs region.

A) Moon is connected with Ketu by way of its star-lord, a malefic planet indicating troubles due to lungs and from unknown causes. It is also connected with Saturn-another malefic planet by way of its sub-lord being placed in 12th house as lord of 7 and 8 houses.

B) Ascendant star-lord Jupiter+ is lord of 6 and 10 placed in 2nd house in Cancer sign- 4th in the natural zodiac. Jupiter is connected with Mercury by of its star-lord- lord of 4 and 12 placed in 10 within one-degree orb to 11th - Badhaka Sthana for Cancer lagna.

C) Lagna cusp sub-lord Rahu+ is placed in lagna in the company of Mars and Pluto. We know that Rahu signifies breathing problems and gastric problems. No planets are placed in Rahu stars. Rahu+ is placed in the star of Saturn lord of 7 and 8 in 12th and the sub-lord of Mercury lord of 4 and 12 in 10 (11). Rahu co-rules 5th house also. Thus the Lagna sub lord Rahu+ signifies @STL 1-7-8-9-12 and @SBL 4-10-12.
(1- native and the patient, 8- struggles, problems and surgery, 12- house of treatment elsewhere and hospitalization, 4- heart, 7- doctors, 9- change of doctors and repetition and doctor's prescriptions)
The connection of Jupiter (lungs) and Saturn (prolonged nature), Mars- surgery and heart attack, Rahu- breathing troubles, Ketu- troubles from unknown sources, with the Lagna sub -lord Rahu confirms the heart problems and surgery.

2) Sixth cusp analysis— 6th cusp in the natal chart falls in Sagittarius sign with its dispositor Moon (lagna lord). 6th cusp sub-lord Venus+ co-rules 9 and 12th houses. No planets are placed in Venus stars, and so Venus strongly signifies 6-12 and 9.
Venus is placed in the star of Moon lord of 1st in 6th house and the sub of Mercury lord of 4 and 12 in 11th -Badhaka house.

Thus the 6th cusp SBL Venus+ signifies @STL(MOON) 1-2-6-11 and @SBL (MERC)4-10-12.

(1-native and patient, 2-suitable medicines, 6- disease and other health problems, 11-physical sufferings- heart and related problems, 10- to experience past karma, and 12-hospitalization and treatment elsewhere).

Here also Jupiter, Moon, Mercury, Saturn by 7th aspect, and Uranus and Sun by conjunction. All the significations and connections have given native heart surgery. (1-6 and 1-12 combination).

3) Heart surgery and prospects of recovery---(during the conjoined period of the significators of SURGERY houses- and RECOVERY houses.)
6= VENUS-MOON-MARS-MERC-JUP/ 5= SUN-SATURN-MARS.
8= MOON-JUP-MARES-RAHU-SATURN/ 7= MOON-KETU-JUP-MARS-RAHU-SATURN.
12= MOON-SATURN-MARS-RAHU-MERC-SUN-JUP / 11= VENUS-SATURN-RAHU-KETHU-MERC-JUP-SUN.

RULING PLANETS AT TOJ- 04-02-2021@07-31-42---
ASC-- SAT-MARS-VEUS.
MOON— VENUS-RAHU-MERCURY.
DAY-LORD- JUPITER.
NOTE- Jupiter and Saturn are conjoined with Sun.
Ketu represents Mars. Mars aspects Moon.
The surgery took place on 19-11-2020—
Jupiter+ Dasa runs up to 2022, and Jupiter signifies @STL (MERC) 6-11-12(4) & @SBL(SAT) 8-12 & 7-11). Jupiter is in our RPs.
X Rahu+ Bhukthi runs up to July 2022, and Rahu signifies @STL (SAT)8-12(7-9) and @SBL (MERC) 12(4). Rahu is in our RPs.
X Saturn Anthra period runs from 09-11-2020 to 28-03-2021, and Saturn signifies @STL (MARS)8-12(1-5-7) and @SBL(SUN) 3-11.
X Saturn Sookshma period runs from 09-11-2020 to 01-12-2020.

Sun transits in Mars sign (Scorpio) (6-8-12 and 5-7), in Jupiter star (DL) from 16/11 to 20/11, agrees.

Cure after treatment
Jupiter+ Dasa (7-11) X Rahu+ Bhukthi (7) x Saturn Anthra runs from 09-11-2020 to 28-03-2021, signifies @STL (Mars) 5-7 and @SBL(Sun) 11.

Sun transits in Saturn sign (Aquarius) (AL), in Rahu star (SL) from 91/02 to4/03 agrees.
Rahu+ Sookshma period runs from 16-02-2021 to 09-03-2021, signifies @STL-7 and is connected to 5-7 through Mars.

Basing on the above analysis I feel that this native is likely to get cured by the first week of April 2021.

Question 1: Natal vs Horary

Which result is to be taken when the results of natal analysis and horary analysis are different?
A natal chart is calculated at the time of birth, and it is the same for the whole life. A horary chart is a chart cast for the moment that a specific question is asked and it is for one time. A horary chart is not a substitute for a true natal chart. However a horary chart can be used as a supporting tool when analyzing a natal chart. When the results are different the result of horary analysis can be preferred than the result of natal analysis because the time of horary chart is more accurate than the natal chart.

Fate of Myanmar Coup Leader

By: Tin Win
Email: tw853@yahoo.com

Short Background

A coup d'état in Myanmar occurred on the early morning of 1 February 2021, the day before the Parliament of Myanmar was due to swear in the members elected at the 2020 election, thereby preventing this from occurring. The military proclaimed a year-long state of emergency and declared power had been transferred to Commander-in-Chief of Defense Services Sr. General Min Aung Hlaing. President U Win Myint and State Counselor Daw Aung San Suu Kyi were detained, along with ministers, their deputies and members of Parliament.

As the military crackdown on anti-coup protesters with lethal force continues, nearly 840 people have been killed so far for 4 months, including three on May 30. The Assistance Association of Political Prisoners (AAPP) also informed that a total of 4,409 people are currently under detention as well. Military power grab appears to be uniting Myanmar people against a shared enemy, increasing the armed rebellion. In the country's borderlands, where armed ethnic groups have been fighting for self-determination for decades, the situation is becoming increasingly unstable.

Myanmar citizens have been facing an increasing shortage of cash and overall hikes in prices of goods and services as they are withdrawing their savings from banks due to concerns for their future, and economic woes since the February 1 military coup. Myanmar's currency Kyat has alarmingly depreciated.

Moon (7-1) is in the star of own Moon (7-1) and sub of Mercury (1-3-12).

Transit Analysis

Transit Saturn is in own rasi Capricorn in retro, in deadly 7th house passing over Lagna lord Moon, and strongly opposing Lagna, natal Sun, natal and transit Mars, natal Saturn and Uranus (abrupt event) as a bad sign. Pluto (destroyer) in retro is also opposing Capricorn rasi along with transit Saturn. Transit Saturn opposition Mercury (3rd & 12th lord) spells that his ideas and plans may be defeated due to the breakdown of communication that was once quite good. Transit Rahu and transit Sun are conjoined in Taurus rasi till 14th June 2021. From 2nd June 2021 transit Mars is passing over Lagna, 12th lord Mercury, natal Mars and Uranus, and aspecting natal Saturn, Lagna lord Moon and 7th & 8th (death) houses, indicating bad omen.

Indications for Unnatural Death

Firstly, his 1st cuspal sub lord Mercury, as mentioned above, is the significator of maraka and trigonal 4-8-12 houses, and Mercury is closely conjunct with 11th lord badhaka Venus, thus indicating unnatural death and medium longevity but not long.

Secondly, 8th lord Saturn is aspecting Mars and Rahu and Mars aspecting 8th, thus indicating connection of 8th and Mars-Rahu, which is found mostly in the study of 60 charts of unnatural death.

Thirdly, 8th CSL Ketu and 12th CSL Rahu are the significators of 8th, 12th , maraka and badhaka houses as a sign of assassination during the joint dasa of significators of 8th, 12th , maraka and badhaka like in the study of assassinated charts: Mahatma Gandhi, Indira Gandhi, Gohn F. Kennedy etc.

Fourthly, Mars is conjoined with his Lagna and Sun and aspecting Moon and 8th house; 7th & 8th lord Saturn is also aspecting Lagna, Sun and Mars, which are also an indication of unnatural death.

Myanmar's Independence Horoscope

4 January 1948, 4:20 AM, +6:30 East, Yangon, Independence Monument, 16N46, 96E10

In Myanmar's Independence horoscope, from 2nd June 2021, 6th (military) lord and military planet Mars is moving to its weak rasi of Cancer and will be attacked by opposing strong Saturn in retro in its own rasi of Capricorn together with destroyer transit Pluto in retro. Transit Mars' aspect on 12th house of loss also indicates severe effects.

Myanmar Coup Horoscope

1 February 2021, 3:00 AM, +6:30 East, Naypyidaw, 19N46, 96E05; 3:00 AM is time of cuts to internet services in Myanmar, coinciding with time of arresting State Counselor Daw Aung San Suu Kyi; The coup was effectively announced at 8:30 AM on the military-owned Myawaddy TV station.

Longevity Analysis

1st cuspal sub lord (CSL) Moon (9-9) is in the star and sub of Sun (2), here 9th is badhaka;

3rd CSL Jupiter+ (2-2-4) is in the star of Moon (9-9) and sub of Saturn+ (2-3), having no planet in its stars Jupiter is the CSL of houses 3 and 10, similarly Saturn is the CSL of houses 2 and 8;

8th CSL Saturn+ (2-3), having no planet in its stars Saturn is the CSL of houses 2 and 8; Saturn is in the star of Moon (9-9) and sub of Mars (5-1-5-6);

Because of signification of mainly badhaka, maraka and house 8 the longevity of this coup is expected to be very short.

Saturn is in the sub sub of Jupiter. Jupiter is in the sub sub of Rahu. Rahu is in the star of Moon. Moon is in the star of Sun. Sun 12/4. No positive bhava at all.

Punarphoo yoga:

It is a settled matter becomes unsettled or in a word, it is a matter of delay if Saturn is in the star of Moon and in his own sub (Saturn) or Moon in the star of Saturn and in the sub of Moon or if Moon-Saturn is found in one sign (see Reader IV page 76-77 and Reader VI page 179).

Besides the above combination, Punarphoo comes into effect if they are found in the following way.

1. Moon in the star of Saturn and Saturn in the star of Moon.
2. Moon in the sub-sub of Saturn in the sub-sub of Moon.
3. If Moon is in the 3rd sign or in the 10th sign from Saturn i.e. Saturn's 3rd and 10th aspect.

But this evil effect of Punarphoo can be warded off if the Moon-Saturn are found in the following way explained below. This you can say Cancellation of Punarphoo. It is a certainty. This will be treated in line with theory of Retro gradation. My observation is below

1. Saturn or Moon or both if found in association with Sun in one sign, may be sign divided into two bhavas.
2. Saturn or Moon is in the star of Sun. Or Sun is in the star of either Sun them.
3. Sun is in the star, lord of which is near either of Moon or Saturn.
4. Any planet near the Moon or Saturn but is in the star of Sun.
5. Saturn or Moon is in the sub-sub of Sun.

In this example Saturn is in Moon star, thus Punaprhoo yoga formed. But Moon is in Sun star hence, Punarphoo cancellation yoga is there.

Horary lagna RPs (HLRP)

Horary lagna RP is to be calculated from the Iagna of concerned person. Husband is 7th, so sign lord, star lord, sub lord and ss lord of the 7th as ASC point plus Moon-Star, Rashi and day lord. So Ruling Planets at the time of judgment are not required. This is another new

approach in KP.

At the time of judgment, Sun dasa is up to 27-08-2024. Joint period running is Sun-Jupiter-Mars up to 20-05-2021.

When will India recover from the dreadful second wave of corona-virus attack?

By: Gunti Nagaraju

KP astrologer (M.com CAIIB, Retired Bank officer)
12-13-668/5/2, Second floor, Nagarjuna Nagar, Tarnaka,

Email: gunti.nagaraju@gmail.com

The recent developments which are taking place in our country by the attack of the second wave of Coronavirus has resulted in increase of cases in geometrical progression leaving a very gloomy atmosphere and a sort of fear in the minds of the public. The death rate is also increasing, let alone the sudden blow to the economy of the country.

As a responsible citizen of our country and as an astrologer, I thought I should arrive at the date of its end with the help of our K P system of astrology, and the result is the present horary analysis.

On 21 April 2021 @09-23-12 A.M I sat at my table, took a horary number 153 at random and erected a horary chart. (the chart is attached)

Hints for the present topic:
Ascendant indicates our country, 6 indicates disease, its nature and its magnitude.
5th house signifies that the disease will be well under control and 7 or 11 denotes cure after treatment.

What KP rule says on this
If the 6th cusp sub-lord signifies **5 or 7 or 11** houses, the country will survive the epidemic ailment after treatment, following the period of the disease-causing planet.
5th house signifies that the disease will be well under control and 7 or 11 denotes cure after treatment.
If the 6th cusp sub-lord signifies Badhaka house and Maraka houses, the native succumbs to disease provided its longevity is not further promised.
Note—the disease will arise during the conjoined period of 1 and 6 or 1 and 8 or
1 and 12 significators.
The cure is available during the conjoined period of the significators of 5 or 7 or 11 houses. (see page no. 88 of Theory and Practice of stellar astrology KP system by our Guru Sri P V K Punneswara Rao).

Advisor's note*: In KP 7th is Maraka and also Badhaka for Lagana in common signs; and 1st house (12th to 2nd Maraka) is taken along with 5,11 (if not Badhaka) for cure.*

Planets which are connected with this disease:

MOON---heart, lungs, mind, and water in the body.
MARS—in horary chart when Mars is in 8th house death through accidenta, diseases (epidemics).
MERCURY---chest, nerves, fever, high fever, and mental ailments.
SATURN---prolonged illness, chronic in nature, lungs disease.
KETU—lung troubles, fever, body pains, diseases from unknown causes like infectious diseases,
RAHU—breathing, gas trouble, lung troubles. Epidemic diseases,

Before proceeding further with the analysis, let me check whether the Moon in the
horary chart indicates my mind correctly.
1.Moon indicates the mind of the querent—
As per the horary chart, Moon is the lord of 9th house signification is the facilitator for sound health. Moon is placed in the 9th house, in the star and the sub of Mercury lord of 8 and 11 placed in the 5th house. Moon signifies 9-5-11 and also 8th cusp.

Though the 9th house is a house of good longevity and a facilitator for sound health, here in the horary chart, since the Ascendant falls in Scorpio sign (a Fixed sign) 9th is the Badhaka house and Moon is the Badhaka lord placed in its own house. This will indicate and cause all physical problems for the country at large.

It also signifies 5 and 11 along with the 8th cup indicating cure and control of the disease by treatment and the 8th indicates difficulties, danger and deaths to the public.

2. 11th house indicates fulfilment of one's desire.

As per horary chart—11th cusp sub-lord SATURN lord of 3 and 4 is placed in 3rd house. Saturn is placed in the star of Moon lord of 9 placed in 9th house and sub-lord of Mercury lord of 8 and 11 in 5th house.
Thus 11th cusp sub-lord Saturn signifies @STL(Moon) 3-4-9 and @SBL(Mercury)5-8-11.

Here it is clear that 5 and 11 significations will certainly give control over the disease and cure also. 9th indicates physical suffering of the public at large, 3rd indicates away from native's homes for quarantine and treatment of the disease, 4- end of life also for few, and 8th indicates danger, difficulties arising out of lockdowns, restrictions on public movements.

Jupiter as the lord of 2nd and 5th is placed in 3rd house aspects the 8th house by its favourable aspect of 5th reduces the dangers faced by the public and in turn, keeps the death rate at low levels.

3. Analysis of the chart on the disease and the prospects of cure/control

As per the horary chart—
6th cusp sub-lord is VENUS lord of 7 and 12 placed in 6th with Mercury lord of 8 and 11 and Sun in strong position as the lord of 10th. Venus co-rules the 10th house also.
Venus is placed in its own star and sub signifies @STL 6-7-12 and @SBL 5-7-12.
Here 6th indicates disease, 7th indicates public at large and treatment by doctors for the disease affected, 5- control and cure of the disease by treatment, 12- hospitalization of the people and also loss of life. And Venus is conjoined with Mercury very closely (within 4 degrees orb) lord of 8 and 11 indicates danger, troubles and also cure.
Note—In India, the dreadful disease CORONA VIRUS has laid its hands and started creating a serious impact from the day when India has started experiencing the Mercury Dasa X Mercury Bhukthi from 21 March 2020 which will run up to 18 August 2022.

As per the progressive chart of our country erected on Telugu new year day, country's Lagna Taurus is deposited with Rahu - a malefic, Mars the lord of 7 (public) and 12 (hospitalisations, hospitals, loss of human lives,hidden fears, grief, sadness in general, seclusions, medical aids, medical nursing staions, masks and wearing of masks),
We have seen that Mercury signifies @STL (Ketu) 1-5-8-11 and @SBL(Saturn) 3-4.
1-5-11 signification give cure/control over the Coronavirus disease, 8- problems and danger to the public, 3- signifies away from home to the public due to quarantine and hospitalization, dearth of oxygen, 4- end of life, Mercury as period lord creates a lot of confusion due to pandemic atmosphere in the minds of the public.

When will India get full relief from the CORONA virus disease---
It would be during the conjoined period of the significators of 1-5-11 houses—
1= KETU-SUN-MERC-MARS-JUPITER.
5= MOON-SAT-RAHU-KETU-SUN-MERC-JUPITER.
11= MOON-SAT-RAHU-KETU-MERCURY.
RPs AT TOJ---21ARIPL2021--@09-23-12 A.M.—
ASC—MERCURY-MARS-MERCURY.
MOON—MOON-MERCURY-MERCURY.

NOTE-Mercury, Sun and Venus are conjoined. So take Sun and Venus.
Ketu represents Mars, Mars aspects Saturn. So take Ketu and Saturn.

PERIOD ANALYSIS---
Mercury Dasa runs from March 2020 to March 2037.
Mercury is the strong RP and significator of 1-5-11, and it signifies @STL(Ketu) 1-5-11and @SBL (Saturn) 3-4.
X Mercury Bhukthi runs from 21-03-2020 to 18-08-2022,
(Note—Mercury Dasa lord is very close;y conjoined with Sun in exaltation in Mesha Sign, and Sun+ is the powerful significato of 9th-Badhaka sthana. Sun signifies Oxygen, and Sun+ the powerful significator of 9th -badhaka house-as SUB-LORD of Lagna and 9th cusps, indicating dearth of oxygen and physical suffering will be serious in nature due to dearth of oxygen. Both Mercury and Sun are in

Ketu star (malefic in 7th-indicates public). This clearly indicates a war-like situation with Lock-downs, night curfiews, restricted movements etc;, and both disturb the peace of the country as a whole. Ketu represents 1-6-7 in the sub of Vnus (6-7-12) in conjunction with 6th house.)

X MOON Anthra period runs from 23-03-2021 to 04-06-2021. MOON is in our RPs and significator of 5 and 11. Moon signifies @STL 1- 5-11 and @SBL 5-11.

Because of what is stated above I feel that we will have full control over the coronavirus disease from the first week of JUNE 2021.

Question: When will the second wave of coronavirus end?

Coronavirus is an infectious disease which causes mild to moderate respiratory illness and most people recover without requiring special treatment. Serious complications arise when a person with an underlying medical condition gets infected. This time the second wave in India is causing serious complications and deaths. Most of the infected persons are under age 45.

Rule used: If the 1st cuspal sub-lord is the significator of 1, 5, 9, 11, then cure from disease is seen during the joint period of significators of 1,5,9,11.
For moveable ascendant (Aries, Cancer, Libra, Capricorn) 11th house of Badhaka should be excluded from the group of 1,5,9,11. For fixed ascendant (Taurus, Leo, Scorpio, Aquarius) 9th house of badhaka should be excluded from the group of 1,5,9,11.
1st house's connection with 6,8,12 indicates disease.

In the horary horoscope:
Ascendant is Cancer so 11 must be excluded and only houses 1, 5, 9 should be used for cure.
1st cuspal sub-lord is Rahu occupant of 11. No planet is in the star of Rahu, and Rahu is the owner of 1, 7, 8, 11 houses. Rahu is in Taurus thus represents Venus occupant of 10 and owner of 4, 11. Rahu is in the star of Moon occupant of 2 and owns 1. Rahu is in the sub of Mercury occupant of 10 and owners of 3, 12. Thus, Rahu is the significator of 2,1 and connected with 3,4,6,7,8,10,11.
Indication of 1 will give cure but due to involvement of 6, 8 disease will be there.

Ruling planet at the time of judgment-:
Asc: Saturn Jupiter Moon
Moon: Sun Ketu Saturn
Day: Jupiter
Moon is in Saturn's sub so Punarphoo is present in this horoscope.

Current Dasha Ketu: 14 Aug 2015 to 14 August 2022.
Ketu is occupant of 5. Ketu represents Mars occupant of 11 and owner of 5, 10. Ketu is in the star of Mercury occupant of 10 and owns 3, 12. Ketu is in sub of own. Thus, Ketu is the significator of 10, 3, 12 and connected with 5, 10, 11, 12. Ketu is in the RPs and indicating 5th house of cure along with 12th house of disease.

Current Bhukti Saturn: 9 July 2020 to 17 August 2021.
Saturn is occupant of 7 owns 7, 8. No planet is in star of Saturn and Saturn is the cuspal sub-lord of 10 house. Saturn is in the star of Moon occupant of 2 and owns 1st house. Saturn is in the sub of Mercury occupant of 10 and owns 3, 12. Thus Saturn is the significator of 2, 1 and connected with 3, 7, 8, 10, 12. Saturn is in the RPs and showing 1st house of cure along with 8, 12 houses of disease.

Current Antara Rahu is running but Rahu is not in the RP list.

Next Jupiter Antara form 24 June 21 to 17 August 21.

Jupiter is occupant of 7 and owns 6, 9. No planet is in star of Jupiter and Jupiter is the cuspal sub-lord of 2, 4. Jupiter is in the star of Mars occupant of 11 and owns houses 5, 10. Jupiter is in the sub of Venus occupant of 10 and owns houses 4,11. Jupiter is significator of 11, 5, 10 and connected with 2, 4, 6, 7, 9, 10, 11 Jupiter is in the RPs twice and signifying 5, 9 of cure and 6th house of disease.

My opinion: During the period of 24th June to 17 August chances of second wave of corona will slow down. There won't be any complete cure from corona as 1st cuspal sub-lord, Dasha, Bhukti, Antara is showing disease giving houses along with some relief from 2nd wave.

In my earlier four articles I have written about **Child Birth / Denial of Child Birth / Delay in Child Birth / Blessed with child within One year after marriage.** So, now I am presenting 2nd articles about the Blessed with child within One year after marriage.

After this I am presenting articles about "Why the marriage will takes place with particular person". Which Bhava, Lagna and Star will play a major role in this.

My next article is about "Government Job". What are Planets, Rashi and Bhava are important for the Government Job.

For the above articles I am presenting in 5 Parts and I am trying to analyse more and more charts for these two articles.

In this article I am retaining the same KP dictums or KP Rules for readers reference.

KP Rules for Child Birth
2nd house denotes extension of family.
5th house denotes progeny.
11th house denotes fulfilment of desire
For child birth the 5th CSBL (Cuspal Sublord) should signifying 2 or 5 or 11 or Jupiter (as a Karaka for progeny) then only the child birth is promised.
For first child the house are 2, 5 and 11.
For second child the house are 2, 5, 7 and 11.
For third child the house are 2, 5, 9 and 11.
Then we have to check in which Dasa / Bhukti / Antara / Sookshma.
11th CSBL for Male in case of Progeny.
5th CSBL for Female in case of Progeny.

Denial of Child Birth
If 5th and 11th CSBL signifies negation house like 1st, 4th and 10th then the child birth is denied.
5th or 11th CSBL should not be in Retrograde position.
2nd, 5th and 11th houses should not be Barren Sings (Aries, Gemini, Leo, Virgo). But here Gemini and Leo are the Strong Significator of Barren Signs.
5th and 11th CSBL should not be posited or should not signify 6th, 8th and 12th houses.
Venus will play a vital role in IVF process.

Delay in Child birth or after very long time
If 5th house sub lord is positive but not supported by Dasa, then it will delay the child birth.

Male: (11.03.1963 @ 06:17 Hrs. in Bangalore, Karnataka, Longitude: 77° 34' 26" E: Latitude: 12° 59' 41" N**)**

Points: (Male)
5th and 11th CSBL is Jupiter and he is posited in 1st house
Jupiter is signifying 2nd and 11th and posited in 1st house.

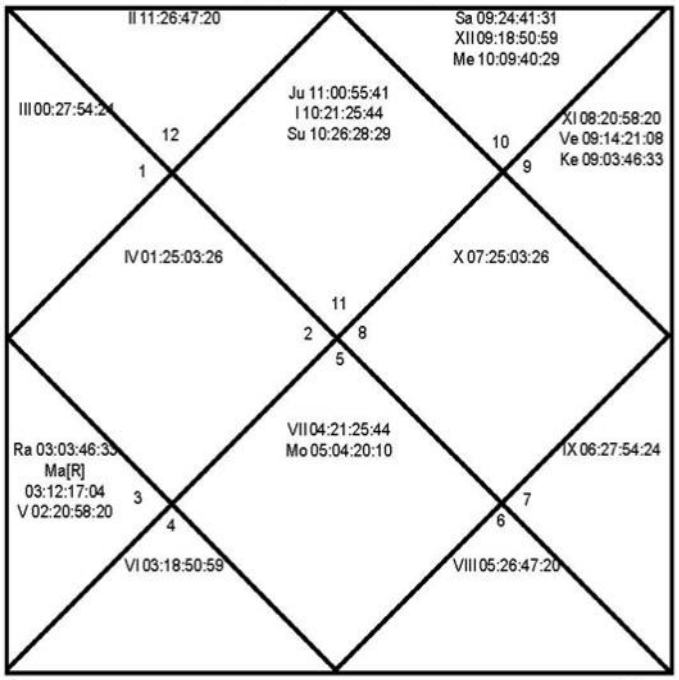

Marriage Dasa (05.11.1993 @ 4.30 a.m): At the time of marriage he was running **Rahu (2,**

7, 11) / Ketu (7, 11) / Jupiter (2, 11) / Jupiter (2, 11) / Rahu (2, 7, 11) / Mercury (2, 7, 11).
Child Birth Dasa: The 1st child born on 15th October1994 @ 20.50 Hrs. The DBASPN (Dasa / Bhukti / Antar / Sookshma / Prana / Nadi) was **Rahu (2, 5, 11) / Venus (2, 11) / Sun (2, 5, 11) / Sun (2, 5, 11) / Ketu (5, 11) / Rahu (2, 5, 11).**

Here **Rahu** is posited in 5th house and also he is strong significator of 5th house so, he has given child birth. Here Rahu is appeared twice in his marriage and child birth Dasa and he is signifying 2nd, 5th, 7th and 11th. But Rahu is in Saturn Star and Saturn Sub. But here Saturn is lord of 1st and 12th but same Saturn is in Mars (5) Star and Rahu (2, 5, 7, 11) Sub. Because of this Rahu gave Marriage as well as child birth in one year after marriage.

Next comes **Ketu**. Here Ketu is posited in 11th house. Ketu is strong significator of 11th house because there is no planet in Ketu Star. Here Ketu is in Sun Star (7) and Mercury Sub (5). Like Rahu even Ketu gave Marriage as well as child birth in one year after marriage.

Another important planet which gave Marriage as well as child birth in one year after marriage is **Jupiter** (2, 5, 11). Because Jupiter is the Star Lord of Sun, and also Jupiter is the Sub Lord of both Venus and Mercury

Female: (29.09.1970 @ 06:31:56 Hrs. in Bangalore, Karnataka, Longitude: 77° 34' 42" E, Latitude: 12° 58' 24" N**)**

Marriage Dasa (05.11.1993 @ 4.30 a.m): At the time of marriage she was running **Mars (2) / Ketu (7, 11)/ Venus (2, 7) / Venus (2, 7) / Moon (2, 11) / Rahu (7, 11).**

Child Birth Dasa: The 1st child born on 15th October1994 @ 20.50 Hrs. The DBASPN (Dasa / Bhukti / Antar / Sookshma / Prana / Nadi) was **Mars (2, 5) / Venus (2, 5, 7) / Rahu (5, 7, 11) / Sun (5, 7, 11) / Rahu (5, 7, 11) / Mercury (2)**
5th CSBL of the native (female) is Saturn. Saturn is in Sun Star (5, 7, 11) and Mercury Sub (2). So, Saturn is signifying 5. It means child birth is promised.

Though Saturn is in Retrograde position but Saturn is significator of 5th house.
As per the rule if the 5th CSBL is Retrograde it will deny the childbirth. But the Saturn is in Sun Star (5, 7, 11) and Sun is in Rahu Sub (5, 7, 11) and also Rahu is posited in 5th and Rahu is strong significtor of 5th since there is no planets in 5th house.

At the time of child birth the native was running Rahu Antara and Rahu Nadi. So, Rahu played a vital role in childbirth.

Though Saturn is Retrograde and posited in Barren Sign (Aries) but he is significator of 5th house. He has to give 5th house result along with Rahu.

Mars, Venus and Rahu played a major role in marriage as well as in child birth.
Mars is in Venus Star (2) and Saturn Sub (5). Venus (2) is in Jupiter Star (7). Rahu is in Own Sub (5, 7, 11) and Jupiter Sub (7).

If one has to get child in one year after marriage the strength and identification of the planets are very important.

Still it is very difficult to identify the strongest planet in the horoscope, because other than Sun and Moon all other planets owns 2 houses. And we don't know when which house will activate. It is easy to analyse post prediction but in past prediction we have to see in deep as well as in all possible angles.

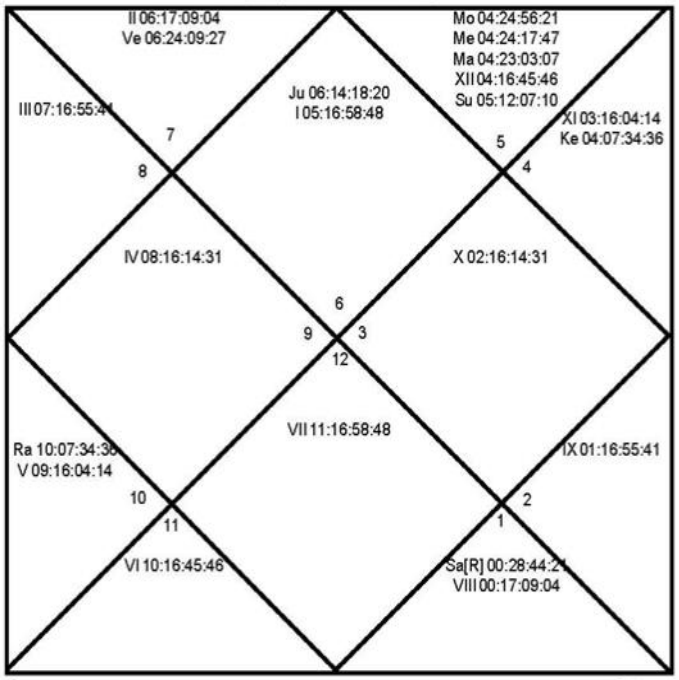

Conclusion: If one has to blessed with progeny within one year after marriage, only if he is running 2, 5, 7, and 11 house DBAS, either through its Star Lord or Sub Lord and if that

When will I get internship in Ultrasound course?

This is a horary chart of an Indian lady who is presently living in Australia. She is a Bachelor of unani medicine and surgery (BUMS) but this degree is not valid in Australia. She has completed ultra sound course there but to attain the certificate of it, she required compulsory 200 hours internship under a practicing ultrasound doctor. She has applied for internship but did not achieve success in any hospitals. Presently she is working in Admin department of a big hospital but this hospital too did not permit her application for internship, as there was no vacant post for this position.
Last year she asked me on phone, "When will I get internship in Ultrasound course?" She gave me horary number 186. Details of horary chart are as follows:-

Horary No- 186, Date-12/04/2020, Time-19:16:15,
Place- Sahibabad (Ghaziabad), Ayanamsa-24-02-37

In horary chart Moon is placed in 11th house. Sub lord of lagna is also Moon, which clearly shows that question is about fulfillment of desire and she is very keen of it. If Sbl of lagna is connected with 11th house, there is always a strong possibility of fulfillment of desire. 11th cusp is in ANURADHA Nakshatra. In Sanskrit ANURADHA means friend or assistant of Radha. Intern is also an assistant of main professional. So Nakshtra of 11th cusp is also indicating the nature of query.

For internship, we take 11th cusp for fulfillment of desire, 6th house and 9th house. Sixth house is for service and 9th house is for higher or technical education. For Ultra sound Mercury (sound and analysis), Rahu-Ketu (film and Micro sound) play important role.

Now we will see the significators of 6th, 9th and 11th houses.

Sixth house: Rahu is in sixth house. No planet is in Rahu's star. 6th lord is Mercury and Sun is in Mercury Nakshatra.

Ninth house: There is no planet in the ninth house. 9th lord is Mercury and Sun is in Mercury's star.

Eleventh house: Moon is placed in 11th house. Mars and Venus are in Moon's Star. Mars is 11th lord and no planet is in Mars Nakshatra.

Moon is very powerful significator and it is with Ketu in Lagna of Rashi chart. Ketu is also sub lord of Moon. So she will get internship in Ketu Mahadasha.

Now we have to see which Bhukti can be fruitful. Venus bhukti is capable of giving the desired result because it is a significator of 11th house. Sub lord of Venus is Rahu, which is a very strong significator of 6th house.

Selection of Antra lord is a tricky job. I left the Venus, Moon and Sun Antras for different reasons. I selected Rahu antra as it is very strong significator of sixth house. Rahu antra was from 16/01/2021 to 21/03/2021.

I told her that you will get internship in next year 2021. Listening to this she was very disappointed. She said it is nearly one year waiting which needs lots of patience. On New

Year she greeted me and once again I confirmed that she will get the internship? I said, "Definitely."

This lady phoned me this year on 15th April and informed me that she got internship in the same hospital, where she is working presently. She told me that she got the offer latter today and I was the first person outside her family to whom she is giving this news. She was very happy. But I was worried because as per my calculation she has to get this before 20th March. She said that she was trying very hard for this internship. For last four months she was regularly doing three hour voluntary duty in the ultra sound department of the hospital. And then she told the real story.
She said that the hospital administration informed her on 18 March that she was selected for internship and she started working as intern from the next day. But she got offer latter today so she is informing me now.

Now question arises why offer letter is given in Jupiter Antra? Jupiter is third cusp lord and having conjunction with Mars. Sub lord of third cusp is Mars. Mars is a very strong significator of 11th house. As we know third house represents agreement, official documents, appointment letter or offer latter. Jupiter is aspecting the bhukti lord Venus also. So she got her offer letter in Jupiter Antra. When she got offer letter on 15th April 2021, Sun was in Aries sign of Mars, who is lord of 11th cusp and in Ketu star, who is Dasha lord. Moon was in Taurus sign aspecting 11th house of Bhava chart. It was in Kritika Nakshatra. Dasha lord Ketu was in 11th house in Scorpio sign and in Mercury star. We know that Mercury is lord of 6th and 9th houses. Venus was in Aries sign and in Ketu Nakshatra. On that day Jupiter and Saturn, both were in Mercury sub. Jupiter was in Aquarius sign and in Mars Nakshatra. Saturn was in Capricorn and in Moon Nakshatra.

It took almost one year to complete her desire. If we consider the Horary number, Ascendant is in dual sign and degree is more than 27. So it is clearly indicating that desired work will take time to complete and there will be many ups and down to achieve it. But sublord of Ascendant is Moon which is placed in 11th house, fulfillment of desire was sure to happen.

Query: When will delivery take place? Period of child birth? What is the sex of child?
Horary Number: 9 /249
Date of judgement: 21.02.2021
Time of judgement: 01.17.52 pm
Place of judgement: Kavali 14.57 N 80.02 E.

KP Rule
If 5th cusp sublord signifies 2/5/11, child birth promised.

According to the given horary number the ascendant falls in Aries 11.26.40.
Ascendant sub lord is Mercury. Mercury is in the star of Moon and sub of Saturn. Mercury is occupant of 10 owner of 3 and 6. Star lord Moon is occupant of 2, owner of 4. Sub lord Saturn is occupant of 10, owner of 10-11. Here 2 represents increase in the number of the members of family due to birth of child. So Asc sublord reveals the nature of query.

5th Cusp (Leo 02.06.41): 5th cusp sub lord is Venus. Venus is in the star of Mars and sub of Mercury. Venus got positional status because no planet is in Venus star. Venus is the CSL of 5. Venus is in rapt conjunction to 11th cusp, owns 2 and 7. Star lord Mars is occupant of 1 and owner of 1-8. Sub lord Mercury is occupant of 10, owner of 3 and 6. So 5th cusp sublord signifies 2-5-11. So child birth is promised.

When?
When significators of 2-5-11 operates in DBAS child birth takes place.
2. Su- Mo- Me- Ju-Ve-Sat -Rah
5 Su- Ma
11 Su-Ma- Ve--Sat

Su-Mo-Ma-Me-Ju-Ve-Sat-Rah are the significators.

Ruling planets at the time of judgement are:
Su - Ma - Me - Ve - Ra.

Rahu is agent of Moon and Jupiter.
So Su-Mo-Ma-Ju-Ve-Ra are the ruling planets.

Common planets among significators and ruling planets are Su - Mo - Ma - Me - Ju - Ve - Ra.

Now the native is running DBA as on today Mars - Rahu - Venus up to 22.02.2021.
Mars and Rahu are selected from common significators.

Next select Anthara lord Venus.
Venus is in the star of Mars and sub of Mercury. Venus is in positional status. Venus is the CSL of 5. Venus is occupant of 11, owns 2 and 7. Star lord Mars is occupant of 1 and owns 1,8
Sub lord Mercury is occupant of 10 owns 1 and 4. Here sublord is connected to detrimental houses. So reject Venus.

Next Anthara lord is Sun. Sun is in the star of Rahu and sub of Jupiter. Sun is occupant of 11 owns 5. Star lord Rahu is occupant of 2. Sublord Jupiter is occupant of 10, which is detrimental house of 11. So reject Sun Anthara.

Coming to Moon anthara, Moon is in the star of Mars and sub of Rahu. Moon is occupant of 2. Star lord Mars is in 1 and owns 1 and 8. Sub lord Rahu is occupant of 2. So Moon Anthara is favourable.

I selected Ketu sookshma 05.04.2021 to 07.04.2021.
Why selected Ketu Sookshma?
3rd house is very important as it will tell when the child will come from the womb of the mother.
So Mercury - Ketu are the significators for 3rd house.

Ketu is the strong significator of 3rd house. Ketu is in positional status. Ketu is the CSL of 11. Ketu is in the star of Mercury and sub of Sun. Ketu is occupant of 8, agent of Mars, Star lord Mercury owns 3 and 6. Sub lord Sun is occupant of 11 and owns 5. So Ketu signifies 1-3-5-8-11. So there is chance of delivery in Ketu sookshma (5.04.2021 to 07.04.2021). So in this period delivery takes place.

Sex of the child
5th cusp fall in Leo which is male sign and also in male arc. So sex of child is male.

5th cusp sub lord Venus is placed in Aquarius sign which is male sign and also Venus falls in male arc. So the sex of child is male.

My Opinion: The native delivery is between 05.04.2021 to 07.04.2021 through caesarean.

Actual outcome: My prediction comes true as delivery takes place on 07.04.2021, evening.

Good Luck.
This prediction is given with blessings of " Lord Mahaganapathi " and Sri. late KSK Sir and also my Guru Sri. M.R. Prasad.

Native married NRI and left for USA

A study of the following horoscope reveals that the native will get married with a person residing in foreign place or with a person belonging to other caste. The native has borne on 4th November 1992 at 7-3-39 am in Duggirala (Guntur District) in the star of Mars (Danishta) with ascendant Scorpio.

K.P. Rule says that if the 7th cuspal sublord signifies 2 or 7 or 11 at planet level or star level or sub level marriage is promised. If the cuspal sublord is connected to Rahu the spouse will be from a distant place i.e. person residing in foreign or a person belonging to other caste.

In the horoscope of the native, the 7th cuspal sublord is Rahu in the star of Mercury and sub of Saturn. Rahu is in 2 in Scorpio, in the star of Mercury in 1 lord of 9, 11 and in the sub of Saturn in 3 lord of 4. As Rahu signifies 2,11,9 marriage is promised with a person residing in foreign land.

There is no love affair as the 5th CSL Saturn signifies 4th house. The significators for the marriage are as follows:

Cusp	A	B	C	D
2	Sun	Rah	Mon, Ket	Mars
7	---	----	----	Ven
11	Mars	Jup	Ven, Rah	Mer

TIMING OF THE EVENT: The native attains marriageable age in Jupiter dasa. Jupiter dasa starts from 4-12-2010.

Dasa lord Jupiter is in 11 lord of 3, 5. It is in the star of Moon and sub of Mars. Moon is in 4 having no lordship. The sublord Mars is in 9 lord of 1, 2, 6. Mars is aspected by Saturn in 3 lord of 4. As Jupiter signifies 2, 3, 11 it is favourable for marriage event.

Saturn is not a significator of marriage. Mercury and Kethu are not fruitful significators of marriage. As Venus is a fruitful significator it is considered as bhukthi lord.

The bhukthi lord Venus is in lagna, lord of 7,8,12 having positional status. It is in the star of Mercury in 1 lord of 9, 11 and in the sub of Rahu in 2. Rahu conjoined with Venus and Mercury. As Venus signifies marriage houses 2, 7, 9, 11 it is favourable for marriage.

Sun, Moon, Mars and Rahu are not considered as fruitful significators. Hence they are rejected as anthara lord. Dasa lord Jupiter who occupies 11th house is considered as anthara lord.

The marriage event will fructify in the joint period of Jup-Ven-Jup if transit agrees. The joint period of Jup-Ven-Jup runs between 24-2-2020 and 3-7-2020. Dasa lord Jupiter who is in Sagittarius, 2nd house of the native, as on 24-2-2020, stays there up to 28-3-2020. The marriage event has to takes place before 28-3-2020.

Actually the marriage has celebrated on 12th March, 2020 as predicted during the joint period of Jup-Ven-Jup with non-resident Indian. .

TRANSIT: Dasalord Jupiter is transiting in its own sign Sagittarius in the star of sun (Uttarashada). Bhukthi lord Venus is transiting in its own star (Bharani) in the sign of Aries. Sun is transiting in the star of Jupiter (Purvabhadra) and Moon is transiting in the star of Mars (‘chitta) in Libra. Thus the transit agrees.

GETTING VISA AND GOING TO FOREIGN: If the 11th cuspal sublord signifies 3, 9, 11 and 12, the native will get visa for going abroad. Simultaneously we have to check 12th cuspal sublord also for

signification of 3, 9, 12 houses to confirm whether the native has been promised with foreign travel or not.

In the horoscope, the 11th cuspal sublord is Saturn in the star of Moon and sub of Mercury. Saturn is in 3 lord of 4 in the star of Moon in 4 aspected by Mars in 9, and in the sub of Mercury in 1 lord of 9, 11. As Saturn signifies 3,9,11 the native is promised visa during the joint period of the significators of 3,9,11.

The 12th cuspal sublord is Venus in the star of Mercury and sub of Rahu. Venus is in 1 lord of 7,8,12 in the star of Mercury in 1 lord of 9, 11 and in the sub of Rahu in 2. Rahu represents Mars being in the sign of Scorpio. Mars is in 9 lord of 1, 2, 6. Further Rahu is conjoined with Venus and Mercury. As Venus signifies 9, 12 the native is promised with foreign travel.

On the date of marriage (12-3-2020) the native is running the DBA of Jup-Ven-Jup. As the dasa lord Jupiter signifies 3, 11 houses and bhukthi lord Venus signifies 9, 11 houses the DBA is favourable for getting visa. But the native will not get the visa immediately after marriage as the DBA lords concerned will not agree with transit.

Dasa lord Jupiter enters the sign Capricorn, the third house of the native, on 20-11-2020. On that date Saturn anthara is running. As Saturn in posited in the star of Moon there is a Punarphoo and getting the visa will be delayed. So Saturn anthara is rejected. Mercury anthara runs from 5-12-2020 up to 21-4-2021. Mercury is in 1 lord of 9, 11 in the star of Saturn in 3 lord of 4 and in the sub of Moon in 4 aspected by Mars in 9. Hence Mercury anthara is favourable for getting visa and going to overseas.

The native will get visa and her foreign travel materializes to join her husband during the conjoint period of Jup-Ven-Mer if transit agrees. It is learnt that the native has got her visa in January 2021 and left for USA in February, 2021.

How much percentile do I expect in January JEE main exam?

This is the question asked by a JEE exam aspirant as he was appearing for his paper in January 27th morning shift. I would like to decide my result by applying "OPTION THEORY" propounded by Sri RAJENDRA NIMJE – IAS and GUNTI NAGRAJU (KP Astrologer).

Ruling Planets on January 28, 2021, at 15:12 PM, Kolkata:
Asc. Sign Lord-Mercury
Asc. Star Lord-Rahu
Moon Sign Lord-Moon
Moon Star Lord-Saturn
Day Lord- Jupiter

The Option Theory considers only four ruling Planets which are as follows:
Ascendant Sign Lord.
Moon Star Lord.
Moon Sign Lord.
Day Lord

Rule of option theory
Write down the RASHI Number against each one of them. Add the numbers and arrive at a total, and if the total is more than single digit add up and make them single digit number, subtract the single digit number in multiples from total option, file the remainder single digit.

The boy gave me three option:
92 -95 percent
80-85 percent
75-80 percent

Calculation

ASC. Sign Lord-Mercury=3+6 = 9
Moon Star Lord-Saturn=10+11 = 21
Moon Sign Lord-Moon = 4
Day Lord-Jupiter = 9+12 = 21

Total=55
=5+5=10
=1+0=1

Prediction: As option '1' comes so I predicted that he would be scoring 90-95 percent.

Actual Outcome: Results were out in March and the boy scored 93.35 percentage marks.

End of Benjamin Natanyahu's 12-yr Reign as Israel's PM?

By: Tin Win
Email: tw853@yahoo.com

Benjamin Natanyahu, born on 21 October 1949, at 10:15:40 AM, +2:00 East, Tel Aviv, 32N04, 34E46, is an Israeli politician serving as the Prime Minister of Israel since 2009, having previously served in that role from 1996 to 1999.

Now, Natanyahu is fighting for political survival after two major opposition parties are in serious talks to form a coalition government that could end his 12-year reign as Israel's prime minister.
The development comes after days of brutal fighting between Israel and Gaza and amidst an ongoing corruption probe into the Trump-loving politician. This comes after a two-and-a-half-year standoff in Israel's parliamentary government, in which four inconclusive elections failed to gain opposition parties the necessary votes to push Netanyahu from power.

Powerful Planetary Combinations
In the rasi horoscope of Benjamin Netanyahu his lagna lord Mars is powerfully placed in the 10th house of profession in conjunction with the 4th lord of masses and popularity Saturn. Mercury 11th lord of gains is strongly placed in 11th house in conjunction with the 9th lord of Moon.

Dasa Analysis
Natanyahu is currently running joint dasa of Mercury- Jupiter- Ketu- Rahu (May 31 to June 8, 2021).
Dasa lord Mercury (10-8-11) is in the star of Moon (10-9) and sub of Saturn+ (9-3-4), having no planet in its stars Saturn is the CSL of 5-7-11 houses;
Bhukti lord Jupiter+ (2-2-5) is in the star of Sun (11-10) and sub of Rahu+ (4) aspt by Mars (9-1-6), Pisces sgl Jupiter+ (2-2-5);

significators of 1,5,9 and 4,8 especially in sub finally could make Natanyahu out of power.

Transit Analysis (June 2, 2021)
Dasa lord Mecury is in star Mars (12) and sub Mercury (12-5);
Bhukti lord Jupiter in star and sub Rahu (4-9-5);
Antra lord Ketu in star and sub Mercury (12-5);
Sookshma lord Rahu in star Moon (9-3) and sub Saturn (8-9);
Luminary Sun in star Moon (9-3) and sub Saturn (8-9);
Luminary Moon in star Rahu (4-9-5) and Mercury (12-5);
Transit agrees with dasa to be out of power for Natanyahu.

Transit Saturn in Capricorn over natal bhukti lord Jupiter is aspecting natal Sun in 12th house. Transit Rahu-Ketu is on 7th – 1st axis. Transit Mars in Cancer is aspecting natal Sun in 12th, Jupiter in 3rd. Could transit Jupiter's aspect on natal Mars-Saturn in 10th house save Natanyahu to stay in power? I don't think so.

Good luck!

Query: When corona virus will be cured?
Date of judgement: 23.04.2021
Time of judgement: 12.45 pm
Place of judgement: 14.57 N 80.02 E

Signs:
1. Gemini: Airy sign related to throat disease. It indicates lungs, hands, arms and shoulders.
2. Cancer: watery sign, governs lungs, stomach, breast, chest, digestive organs.
Houses:
2nd house: face, eyes, ears nose
3rd house: shoulders arms and lungs.

Mars and Jupiter are in airy signs. Jupiter is karaka for expansion. Jupiter plays vital role to spread the diseases. Jupiter is responsible for cough. Mars governs sudden raising temperature, skin rashes, typhoid, cholera etc.

Rahu and Ketu are karaka for viral diseases. Ketu is in Scorpio which is natural 8th house in zodiac. Ketu is karaka for black marketing. Ketu suppresses things, short supply of medicines, oxygen etc.

According to the time chart ascendant falls in Cancer. Asc sub lord is Mercury. Mercury is in the star and sub of Venusnus. Mercury is occupant of 9 owns 3 and 12. Venus is occupant of 10 owns 4 and 11. For this ascendant Venus is bhadaka. So Ascendant sub lord Mercury signifies 3-4-9-10-11-12. Mercury rules respiratory system. Here 3 and 4 houses refers to respiratory system. 12 is hospitalisation.
Mars is karaka for massive destruction and sudden death.

Here 8th cuspal sublord is Venus.
6th cusp sublord is Rahu. Rahu is agent of Venus. Rahu is in the star of Moon, and sub of Mercury. Rahu signifies 1-2-3-4-9-10-11-12.

6th lord is Jupiter which is placed in Airy sign in 7th house in the star of Mars sub of Venus. So when Jupiter enters in Aquarius the virus is spread. For cure 1-5-11 houses we have to see. 1-5-11 significators are Su-Mo-Ma-Ju-Ve-Ra.

According to time chart the running Venus dasa and Moon bhukti from 09.02.2021 to 11.10.2022.
Jupiter Anthara 06.08.2021 to 26.10.2021.
Jupiter is in the star of Mars, and sub of Venus. Jupiter is signifying 5,11 through star lord Mars and 11 through sub lord Venus. So in Jupiter anthara cure will be there.

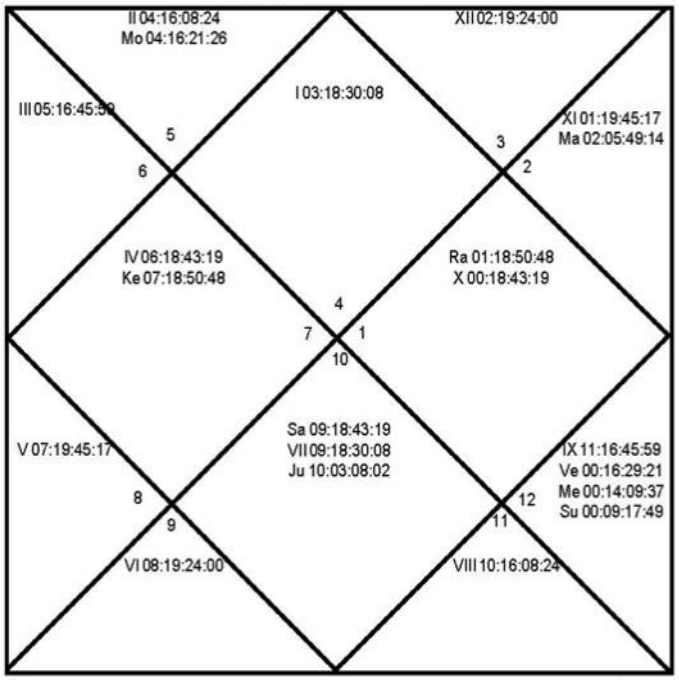

This prediction is given with the blessings of "Lord Maha ganapathi" and Sri Late KSK Sir and also my Guru Sri. M.R. Prasad.

Rules for Kidney Disease
The kidney is ruled by Venus or Jupiter or Libra sign; also, 6th cuspal sublord's connection with Venus or Jupiter and Maraka, Badhaka house.

2nd, 7th houses are Maraka houses.
11th house is Badhaka house for Movable Ascendant.
9th house is Badhaka house for Fixed Ascendant.
7th house is Badhaka house for Dual Ascendant.

Libra sign rules over kidney, loin, uterus, lumbar region, vertebrae, prostate and pineal gland.
When malefic Jupiter or afflicted Moon influences the 7th lord or 7th house then the disease of kidney surfaced in native chart.
If 6th cuspal sublord is connected with 8th house and specifically Venus, then it indicates kidney disease.
A weak or afflicted Venus or Moon is always bad for kidney.
Strong Saturn in Libra sign also rules the kidney disease.
Connection of 7th cuspal sublord or 7th lord or 7th house with afflicted Saturn indicates kidney diseases.
Sun in Libra sign causes various kidney disease like Nephritis.
When Venus is 6th cuspal sublord and connected with Mars and Marak-Badhak house then it is negative for kidney, and it indicates kidney inflammation.
Venus in Libra and through it's starlord and sublord is connected with 1,6,8 and Badhak house.
Dasha, Bhukti, Antara and 1st cuspal sublord (for general longevity) also should be checked.

Analysis of the Chart

6th Cuspal sublord
Here 6th cuspal sublord is Venus, occupies 2nd house, lord of 2nd and 7th houses. So, Venus is connected with Maraka house (as it is movable ascendant chart). Venus is in the star of Mars, occupies 10th house, lord of 1st and 8th houses. (Aspected 1st, 4th, 5th houses). Venus in sub of Rahu, occupies 11th house. Here Rahu is agent of Saturn, occupant of 8th house, lord of 10th and 11th houses.

1st Cuspal Sublord
1st cuspal sublord is Rahu (connected with 10th and 11th house). Rahu is in the star of Jupiter (occupant of 12th house, lord of 9th and 12th houses). Rahu is in sub of Venus, occupant of 2nd house, lord of 2nd and 7th houses. So, Venus is connected with Maraka and Badhaka houses (as it is movable ascendant chart), and he has medium longevity.

My Conclusion:
His 6th cuspal sublord is Venus (ruler of kidney) and it is connected with deadly Maraka, Badhaka 2-7 houses and serious disease 8th house. In addition the 7th cusp is placed in the kidney ruling sign Libra, which is aspected by 6th lord Mercury and 12th lord Jupiter. So he will suffer from kidney problems.

Actual Outcome: He has no right kidney, and left kidney has hypertrophy.

Government Job_Part_1

In this article I am explaining about Government job. It is the dream or aim or ambition for every person. In modern days IT, BT and Multinational companies are dominating the society still peoples prefer for the government job, because it gives job security for the native.

For profession in vedic astrology we will see D1 (Lagna Chart) and D10 (Dasamsa Divisional Chart). As per Vedic astrology if the Sun is in 10th house gives government job. But Sun alone is not enough for the government job also along with Sun we have to consider other plants also. If Sun is posited in 10th house and if that 10th house is Leo Sign then to some extent we can consider it for government job.

I have seen few horoscopes where Sun is in Libra Sign (here Sun is debilitate as per vedic astrology) who are doing government job. Because as per rule Libra Sign is a Male Sign.

Now, we will see what are houses, planets and signs are responsible or important for the government job. I will present all the related information in this article.

Houses 2, 6, 10 and 11 houses are considered for employment and services because,

2nd House: It denotes money matters, profit and gain, one can earn, financial prosperity, bank position.

6th House: It denotes Job / Service / Day- to - day attendance.

10th House: It denotes Profession / Occupation / Name & fame / Power & Prestige.

11th House: It denotes Desires, hopes, aspirations & their realization.

KP gives rules clearly that – 11th CSBL should be a significator through its Starlord or Sublord of 2nd or 6th or 10th or 11th house. Or

6th CSBL should be a significator through its Starlord or Sublord of 2nd or 10th or 11th lord Or

10th CSBL should be a significator through its Starlord or Sublord of 2nd or 11th or 6th house lord.

Permanent or Temporary job: If the Sublord of the 6th house becomes the significator of 2, 10 and 11 houses through its Starlord or Sublord then it shows permanent job but if it becomes significators along with houses of 5th or 9th house also denotes temporary job or native is not likely to stick to one job.

If the 10th Sublord is significator of 6th house through Starlord and 7th house through Sublord it indicates private job. Venus is planet for private job as well as for business.

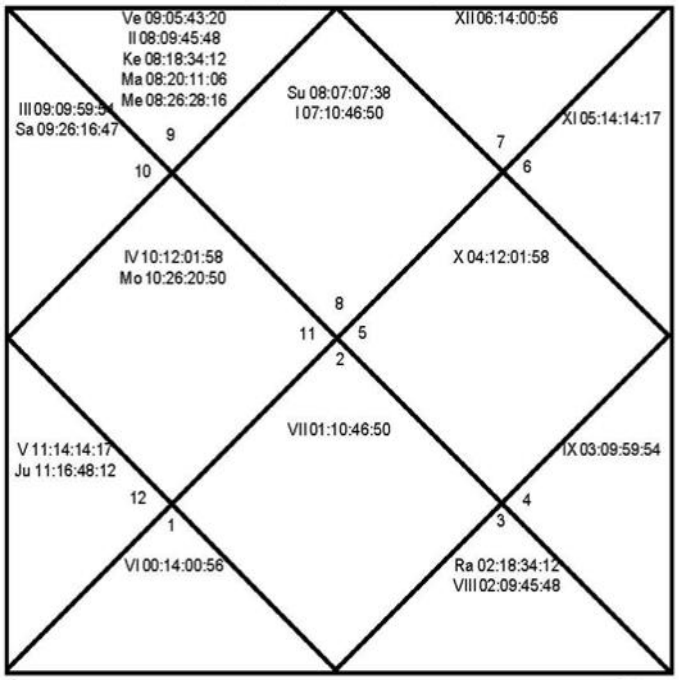

Change of place: Whether the native will get the promised job at the place or at a different place. It should be judged from the Dasa period running at the time of joining the job. If the Bhukti / Antar lord / Pratyanter lord becomes the significator of 2, 6, 10 and 3 or 12 houses it shows the job will be at changed place.

Time of birth: 06.30PM
Place of birth: Hyderabad 17.22 N ,78.28 E
Ayanamsa: 28°.38'.13"

KP Rule
If the cuspal sublord of the 6th or 10th be the significator (in the star of the occupant or owner) of 2, 6, or 10 service or earning is promised during the joint period of the significators of 2, 6 and 10.

10th cusp (Sagittarius 01.32.14): 10th cuspal sublord is Venus. Venus is in the star of Ketu and sub of Mercury. Venus is occupant of 6th house owns 3 and 8. Star lord Ketu is occupant of 5. Ketu is agent of Moon, Jupiter and Saturn. Moon is the 6th lord. Jupiter is the 10th lord. Hence 10th CSL lord Venus signifies 6-10, favourable for getting job.

6th cusp (Cancer 25.27.11): 6th cusp sub lord is Rahu. Rahu is in positional status. Rahu is in the star of Moon and sub of Mars. Rahu is occupant of 11 and also agent of Saturn who is occupant of 11. Star lord Moon is occupant of 4 owns 6. Sub lord Mars is occupant of 3 owns 2 and 9. So Rahu signifies 2-3-4-6-9-10-11. 6th CSL Rahu promises the native to get job surely by significators of 2, 6 and 10.

Joint Period
The native is running DBA of Jupiter - Moon - Moon from 28.1.2021 to 9.3.2021. Mars Anthra is from 09.03.2021 to 07.04.2021.

Dasa lord Jupiter is in the star of Saturn and sub of Moon. Jupiter is occupant of 5 owns 10 and 11. Star lord Mars is occupant of 11 owns 1 and 12. Sub lord Moon is occupant of 4 owns 6. Dasa lord Jupiter signifies 1-4-6-10-11-12. So Dasa lord is favourable for getting job.

Who will Marry to Whom_Part_1

This time my article is on 7th house. In astrology the 7th house is the house of Partner or Spouse. It is a primary house for marriage. The 7th house represents legal bondage.

The 7th house indicates Marital life, Sexual pleasure, Husband and Wife, Wife's wealth, Divorce etc.

If the 7th Cuspal Sub Lord signifies 2 or 7 or 11 and Karaka Venus then the marriage is promised and the same fructifies in the conjoined Dasa period of the significators of 2, 7 and 11.

If the houses 2, 7 and 11 connected with benefic planets either association or by aspect denote that the partner in life will come of a respectable family, will be virtuously disposed and will possess good qualities to enable one to lead a happy and harmonious wedded life.

Now the question is that is it possible to know well before or identify to whom he/she will marry. Is it possible to know in advance that of which Sign (Rashi), which Ascendent (Lagna), Moon and 7th lord of the Bride or Bridegroom will marry.
Guruji KSK has given more and more information about 7th house they are (a) Age difference between Spouse/Partner (b) Spouse / Partner from where (through relations or place) (c) Will spouse/partner is employee (d) Sexual Desires and Behaviours and so on.
The Astrology says yes to maximum extent. Then how find it.
In natural zodiac except Sun and Moon all Five planets owns Two Sign each. (**Mars:** Aries and Scorpio; **Venus:** Taurus and Libra; **Mercury:** Gemini and Virgo; **Jupiter:** Sagittarius and Pieces; **Saturn:** Capricorn and Aquarius)

Bride and Bridegroom Lagna/Lagna Lord and its two rashis. 7th house/7th Lord and its two rashis. Moon/Moon Lord (posited) and its two rashis plays a vital role in both the horoscopes. These above combinations will be interlinked or will exchange or signify each other in couples horoscopes

You can see interlinks in the chart to understand it clearly.

Husband: 15.10.1994 @ 20:50:00 Hrs, Bangalore, Longitude: 77° 35' .001" E, Latitude: 12° 59' .001"N

Chart Analysis:
Lagna: The lagna is Taurus. The lagna lord is Venus and Venus is lord of Taurus and Libra Sign.
Moon: Moon is posited in Aquarius. The lord of Aquarius is Saturn. And Saturn is lord of Capricorn and Aquarius.
7th House: 7th House is Scorpio. The lord of Scorpio is Mars. Mars is the lord of Aries and Scorpio.
Conclusion: Wife's lagna is Capricorn. The lord of Capricorn is Saturn. Also the Saturn is lord of Aquarius. So, Husband Moon is in Aquarius Sign. And the lord of Aquarius is Saturn. Here the interlink is between Husband Moon and Wife' lagna lord sign.

Wife: 25.01.1995 @ 7:30:00 Hrs, Bangalore, Longitude: 77° 33' 38.12609" E, Latitude: 13° 1' 40.68228" N.

In my future articles I will be presenting another 4 horoscopes on this title. So, my humble request to astrologer is that please think or put a light on this to know more and more about this. Off course it may not happen for all couples chart. But if it is matching 7 to 8 charts out of 10 charts then we can conclude that this concept is correct and we can adopt this in future for matching of horoscopes. Because it will also help us to add one more point in matching of horoscopes.

Is Nandigram (West Bengal Assembly) election counting Involved any false / fraud counting?

By: Achintya Karmakar

Question : Is Nandigram (West Bengal Assembly) election counting involved any false / fraud counting?
Horary No **:** 248
Date **:** 7th May 2021, Friday
Time **:** 17:25:17
Place **:** Kolkata (22.34.N/88.22.E)

Rule : If 12th cuspal sublord indicates / signifies 5, 8, 12 house through its star lord and sublord, then something fraud happens.

Genuineness of Query through Moon:
In this horary chart, Moon is occupant of 12th house, lord of 5th house. So the query is genuine by signification of 5, 12.

Calculation:
Here, 12th cuspal sublord Sun is in the star of Venus and sub of Saturn. Sun is occupant of 1st house lord of 6th house, and Sun aspects 8th house. Sun's starlord Venus is occupant of 2nd house, lord of 3rd and 8th houses. Sun's sublord Saturn is occupant of 11th house, lord of 11th and 12th houses. So 12th CSL Sun is connected with 8th and 12th houses.

Dasha, Bhukti, Antara at the result time of election: Sun dasha, Mercury bhukti, Venus antara (2nd May 2021)

Dasha Lord:- Here dasha lord Sun is the significator of 8th and 12th houses, as discussed above.
Bhukti Lord: Here bhukti lord Mercury is in the star of Moon and sub of Mars. Mercury is occupant of 2nd house and owner of 4th and 7th house. Moon signifies houses 12,5 and Mars houses 3,2,9. Bhukti lord Mercury is the significator of 5th and 12th houses.

Antara Lord: Here Antara lord Venus is in the star of Sun and sub of Saturn. Venus is lord of 8th house, as discussed earlier. Venus' star lord Sun is lord of 6th house and Venus' sublord Saturn is occupant of 11th and lord of 11th and 12th house. Antra lord Venus is the significator of 8th and 12th houses.

My conclusion: As 12th cuspal sublord is the significator of 8th and 12th houses, and dasha-bhukthi-antara lords also jointly signify 5th ,8th and 12th houses, my conclusion is that Nandigram election counting is involved some mischievous thing, and false counting.

Query: Will India declare lock down again?
Date of judgement: 12.04.2021
Time of Judgement: 8.00.38 AM
Place of Judgement: New Delhi.
This query is analysing according to Plavanama Samvatsram Pravesam.

KP Rule
If 12th (confinement within 4 walls) cusp sublord signifies 8 (restriction in movments), 4 (home) in the DBA of the significators 4-8-12, lock down will be declared.

Cuspal Sublord
12th cusp (Pisces 25°.38'.58"): 12th cusp sublord is Rahu. Rahu is in the star of Moon and sub of Mercury. Rahu is in positional status. Rahu is the CSL 5-6-12. Rahu is occupant of 1 agent of Venus. Venus is occupant of 12. Venus is in positional status. Venus is the CSL of 8. Star lord Moon is occupant of 12 owns 4. Sublord Mercury is occupant of 11 owns 2, 3 and 6. Hence 12th cusp sublord signifies 1-2-3-4-5-6-8-12. So lock down is sure by signification of 4-8-12.

Significators for Houses 4-8-12
4. Mo-Sat- Ra
8. Ju
12. Su-Mo-Ju-Ve-Sat-Ra
So Su-Mo-Ju-Ve-Sat-Ra are the common significators.

Joint Period
According to this chart DBA is of Mercury-Saturn-Mercury from 13.02.2021 to 02.07.2021.

Dasa lord and Anthara lord Mercury is in the star of Mercury and sub of Venus.
Mercury is occupant of 11 owns 2, 3 and 6. Sub lord Venus is occupant of 12. Venus is in positional status. Venus is the CSL of 8. So Dasa lord Mercury through sub lord is connected to 8-12.

Bhukti lord Saturn is in the star of Moon and sub of Mercury. Saturn is occupant of 10 owns 10,11. Star lord Moon is occupant of 12 owns 4. Mercury is occupant of 11 owns 2, 3 and 6. Mercury is fast moving planet and very close to 12th cusp. So Bhukti lord Saturn signifies the required 4-812.

Coming to Sookshma I selected Rahu from 02.05.2021 to 23.05.2021.
Rahu is in the star of Moon and sub of Mercury as discussed above. Rahu signifies 4-8-12.
In this period from 02.05.2021 to 23.05.2021, Government will announce Lock Down.

This prediction is given with the Blessings of "Lord Mahaganapathi" and Late KSK sir and also My Guru Sri. M.R. Prassad.

Questions & Answers

Question 1: **Litigation and Government Job**
Sir, I have two small questions for your clarification.
1. A person came to me and said a vedic astrologer have told him that he will be involved in court case.
Is there any combination from where we can see if a person will be involved in court case. If yes, then during which DBA?
2. What is the combination for getting government job. I have asked many astrologers but all are saying that there is no full proof rules. What according to your experience is the combination?

Answer 1:
Litigation:
a. According to KP, the 6th house represents litigation, and the 7th house indicates the opponent in litigation.
b. Therefore, litigation would be imminent whenever the significators of the 6th and 7th houses are operating in life.
c. The cause of the litigation is represented by the planets connected with - or associated with - the 6th house or its lord.
d. Success in litigation is promised by the lord of the 11th house or planets in the 11th house. Success is also ensured if the 6th and the 7th houses come under the influence of the lords of the stars or the occupants of the 1st, 3rd, 4th, 6th, 10th and 11th houses.
e. If the lord of the 6th house is connected with the 11th house, or the 11th house is connected with the lord of the 6th house, success in litigation is realized.
f. The above (#e) also suggests that the connection of the lords of the 12th and 5th houses will cause failure in absolute terms.
g. If the sub lord of the 6th cusp (status) be the significator of 7 (court proceedings), 8 (disgrace) or 12 (crimes), the native will be involved in
court proceedings and will be inflicted with punishment, during the joint
dasa period of the significators of 7, 8 and 12.

Government Job
General rule for getting job: If the cuspal sub lord of the 6th or 10th is the significator of the 2nd, 6th, or 10th, service or earning ability is promised during the joint period (dashas) of the significators of the 2nd , 6th , and 10th houses.
If the above CSL is connected with Sun (karaka for government) through planet, its star or sub, it may be an indication of government job but it isn't full proof as said by others.

Question 2:
Hello . I noticed in the Myanmar coup analysis (KP-Ezine May 2012, pages 7-9) that there was a 6 fold significator table. I see what's being done, but could you explain the difference between owner and owning? Thanks

Answer 2:

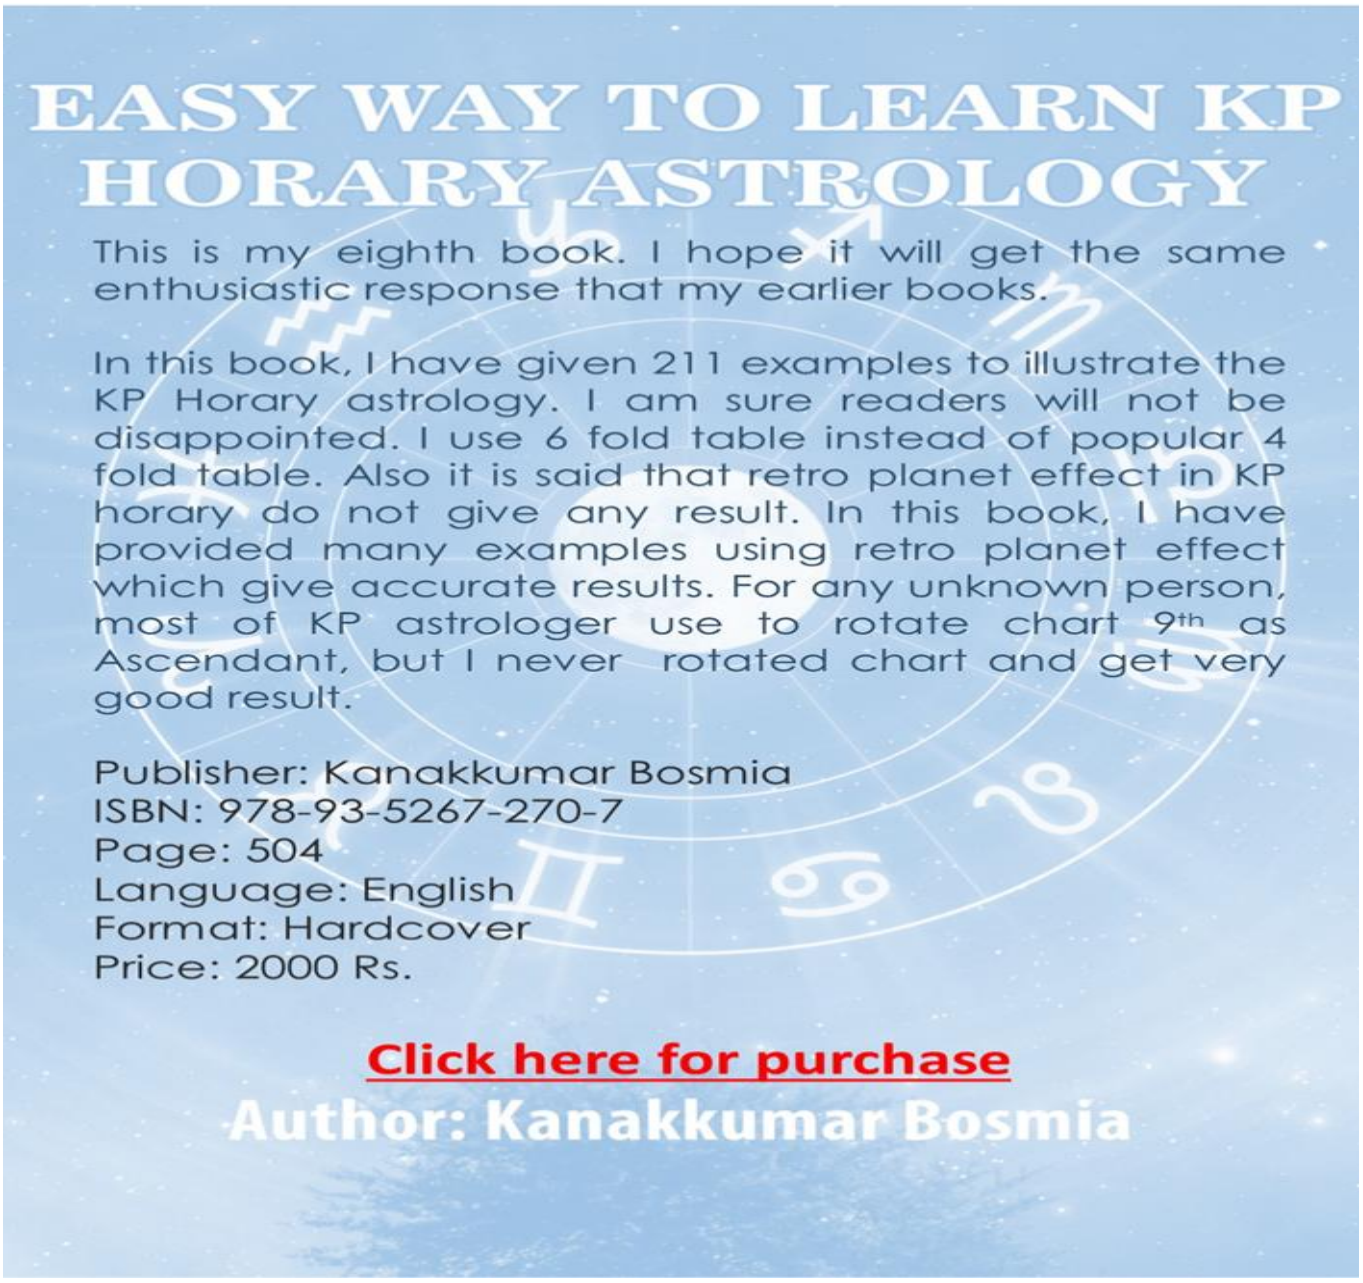

Here "Owning" means "occupant" of a bhava (house) and "Owner" means "owner" of a bhava (house) as follows:

A - Planets in the sub of Bhava Occupant (In the sub of owning)
B - Planets in the stars of Bhava Occupant (In the star of owning)

C - Planets in the Bhava (owning)
D - Planets in the sub of Bhava Lord (In the sub of owning)
E - Planets in the star of Bhava Lord (In the sub of owner)
F - Bhava Lord (Owner)

6 fold significator table (KP-Ezine May 2021, page 9)

Bhava	**In the sub of owning A**	**In the Star of owning B**	**Own-ing C**	**In the sub of owner D**	**In the star of owner E**	**Owner F**

Timing Events Using Nadi Nakshatras

A New Method: Timing Events Using Nadi Nakshatras
by Saptarishis Astrology
Saptarishis Publications, 2016, 182 pages

A New Method: Timing of Events Using Nadi Nakshatras is a first attempt in making timing of events in astrology a very simple exercise. In Nadi astrology specific ages when events would happen are significant and this is used through combinations of planets or single planets but in this book we have used only nakshatras. Each Nakshatra gets activated at a particular age so any planet which is in any nakshatra in turn gets activated at that age and gives the event. This book is on purpose not exhaustive and only gives small number of ages per nakshatra so that all can remember it and use it.

Step 1: Position of Planet
This natives Mercury is in Swati Nakshatra in 6H and Mercury is dispositor of Ketu and Saturn Retro thus bringing with it malefic influences to the 6H of diseases and accidents.

Step 2: Aspects on the Said Nakshatra
12" lord of hospitalisation Mars who is also the 7th lord (thus being a malefic for Taurus Asc) is aspecting this Mercury who is placed in Swati

Step 3: Nakshatra lordship and its conjunctions
Swatis nakshatra lord is Rahu who is placed in the 8th house of mishaps and super acci-

dents and death and it is conjunct Venus who is 6L of accidents and also lagna lord thus involving body and both of these is aspected in return by Retro Saturn and Ketu

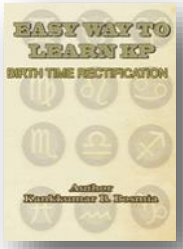

All these combinations guarantee a thought that something bad might happen in the 3 rd year either to him or to any of his relatives (since Swati is in 6H) but with involvement of Venus (Iagna lord) it could be him. Incidentally native met with an accident at 3.5 years of age from a truck. (Little bit after 3 rd Year)

Thus you can see that the event did not happen exactly in the 3 rd year as per the dictum but few months later which to some astrologers would be still acceptable and some would create a big fuss about it. I leave it to the readers but the western readers should especially note how we Indians talk about age and how we calculate our age. When a nadi reading says in the 1 st year so and so event would happen it does not mean AFTER the first birth date but it means the 1 st year is from the day a child is born to 365 days, that's his first year of life

By: Tin Win

Former president Jimmy Carter, the longest living president, has accaomplished a lot in his 96 years, but his longest-running accomplishment is his marriage to former first lady Rosalynn Carter, 93. The couple will celebrate their 75th anniversry on July 7 — marking nearly eight decades of philanthropy, travel, family and love.

Marriage and Married Life

Jimmy and Rosalynn married on 7 July 1946 (Saturn/ Venus/ Venus/ Rahu DBAS for Carter).

Dasa lord Saturn+ (1,4-5) is in the star of Rahu+ (10), the CSL of 2,5 houses having no planet in its stars. Venus is in the star and sub of Ketu (4), which is in Capricorn sign representing Saturn+ (1,4-5), not signifying any marriage house but Venus (karaka for marriage) is conjoined with Mercury in marriage house 11.

Sookshma lord Rahu+ (10) is the CSL of 2,5 houses having no planet in its stars. Rahu is aspected by Jupiter (2,3-6) and Saturn+ (1,4-5); in Cancer sign representing Moon (1,10). Rahu is in the star of Mercury (11,9-12) and sub of Jupiter (2,3-6), signifying 2,11 houses for marriage.

Name: Male
Question 1: When will I get gains through lottery that can change status of my life (I am occasionally getting small to medium gains through lottery).
Date of Birth: 10/6/1984, Sunday; **Time of Birth:** 20:05:20 PM IST
Place of Birth: Chennai-TN; **Lon/Lat:** 13° N 04', 80° E 17',
Aynamsha 23°.32'.59"; **Dasa Days:** 365.25

Hints
If the sub lord of the 3rd cusp is the significator of 2-6-11 and not connected with 1-5-9 gain through lottery is promised during joint period of significators of 2-6-11.

Cuspal Sub lord
3rd Cusp (Aquarius 23^0.14'.02"): The sub lord of the 3rd cusp is Saturn. Saturn is in the star of Rahu and sub of Venus. Saturn is occupant of 10, owner of 2-3. Star lord Rahu is occupant of 5. Rahu is conjoined with Sun-Mercury-Venus. Sun is occupant of 6, owner of 9. No planet is in the stars of Sun and Sun is the CSL of 7-12. Mercury is occupant of 5, owner of 7-10. No planet is in the stars of Mercury and Mercury is the CSL of 2-5-11. Sub lord Venus is occupant of 6, owner of 6-11. Thus, 3rd cusp sub lord Saturn signifies 10-2-3-5-6-11-9-7-12. So gain through lottery is promised but indication of 5-9 is also there thus gain is not much.

Joint period:
You are ruing dasa of Saturn till 07/02/2022.
We have discussed about Saturn above.

Next dasa will be Mercury from 07/02/2022 to 07/02/2039.

Dasa lord Mercury is in the star of Moon and sub of Rahu. Mercury is occupant of 5, owner of 7-10. No planet is in the stars of Mercury and Mercury is the CSL of 2-5-11. Star lord Moon is occupant of 10, owner of 8. Sub lord Rahu is occupant of 5. Rahu is conjoined with Sun-Mercury-Venus. Sun is occupant of 6, owner of 9. No planet is in the stars of Sun and Sun is the CSL of 7-12. Mercury is occupant of 5, owner of 7-10. No planet is in the stars of Mercury and Mercury is the CSL of 2-5-11. Venus is occupant of 6, owner of 6-11. Thus Dasa lord Mercury signifies 5-7-10-2-11-8-6-9-7-12. Thus, gain through lottery is promised but indication of 5-9 is also there thus gain is not much.

My opinion: I don't see any big gain from lottery, which change your status.

Question 2: If I undertake foreign journey (like Singapore) to try my luck in lottery, will it be successful?

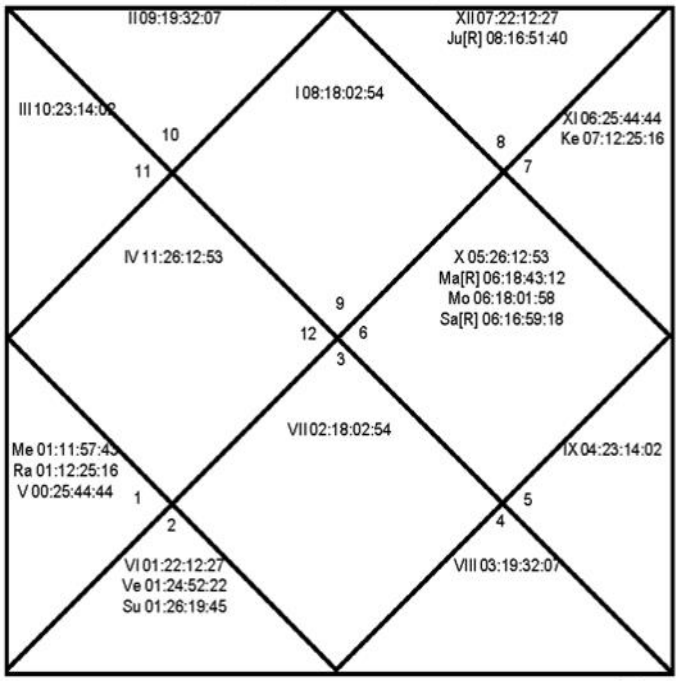

Hints
If the sub lord of the 11th cusp is the significator of 9-12 along with 2-6-11 and not connected with 1-5-8 gain through lottery is promised in foreign during joint period of 3-9-12.

Cuspal Sub lord
11th Cusp (Libra 25^0.44'.44"): The sub lord of the 11th cusp is Mercury, which is in the star

Sub lord Rahu is occupant of 5. Rahu is conjoined with Sun-Mercury-Venus. Sun is occupant of 6, owner of 9. No planet is in the stars of Sun and Sun is the CSL of 7-12. MAGIC, which encompasses the subgenres of **illusion**, **stage magic**, and **closes up magic**, among others, is a performing art in which audiences are entertained by tricks, effects, or illusions of seemingly impossible feats, using natural means. It is to be distinguished from paranormal magic, the effects of which are claimed to be created through supernatural means. It is one of the oldest performing arts in the world.
Modern entertainment magic, as pioneered by 19th-century magician **Jean-Eugène Robert-Houdini,** has become a popular theatrical art form. The performance of tricks of illusion, or magical illusion, and the apparent workings and effects of such acts have often been referred to as "magic" and particularly as magic tricks.

Types of magic performance----Magic is often described according to various specialities or genres.

A mentalist on stage in a mind-reading performance, an Amateur magician performing "children's magic" for a birthday party audience.
Stage illusions are performed for large audiences, typically within a theatre or auditorium. This type of magic is distinguished by large-scale props, the use of assistants and often exotic animals such as elephants and tigers. Famous stage illusionists, past and present, include Harry Blackstone, Sr., Howard Thurston, Chung Ling Soo, David Copperfield, Lance Burton, Silvan, Siegfried & Roy, P.C. SARKAR and Harry Blackstone, Jr.
Parlour magic is done for larger audiences than close-up magic (which is for a few people or even one person) and for smaller audiences than stage magic. In parlour magic, the performer is usually standing and on the same level as the audience, which may be seated on chairs or even on the floor.
Close-up magic----(or table magic) is performed with the audience close to the magician, sometimes even one-on-one. It usually makes use of everyday items as props, such as cards (see Card manipulation), coins (see Coin magic), and seemingly 'impromptu' effects. This may be called "table magic", particularly when performed as dinner entertainment.
Escapology----- is the branch of magic that deals with escapes from confinement or restraints. **Harry Houdini** is a well-known example of an *escape artist* or *escapologist*.
Pickpocket magic----- magicians use magic to misdirect members of the audience while removing wallets, belts, ties and other personal effects.
Entalism---- creates the impression in the minds of the audience that the performer possesses special powers to read thoughts, predict events, control other minds, and similar feats.
Séances----Theatrical séances simulate spiritualistic or mediumistic phenomena for theatrical effect.

Children's magic---is performed for an audience primarily comprised of children. It is typically performed at birthday parties, preschools, elementary schools, Sunday schools or libraries. This type of magic is usually comedic and involves audience interaction as well as volunteer assistants.
Online magic-----Online magic tricks were designed to function on a computer screen. The computer essentially replaces the magician. Some online magic tricks recreate traditional card tricks and require user participation, while others, like Plato's Cursed Triangle, are based on mathematical, geometrical and/or optical illusions.
Mathemagic----is a genre of stage magic that combines magic and mathematics. It is

commonly used by children's magicians and mentalists.
Corporate magic------Corporate magic or trade show magic uses magic as a communication and sales tool, as opposed to just straightforward entertainment. Corporate magicians may come from a business background and typically present at meetings, conferences and product launches. They run workshops and can sometimes be found at trade shows, where their illusions enhance an entertaining presentation of the products offered by their corporate sponsors.
Gospel magic----Gospel magic uses magic to catechize and evangelize. Gospel magic was first used by St. John Bosco to interest children in 19th-century Turin, Italy to come back to school, to accept assistance and to attend church.
Street magic-----Street magic is a form of street performing or busking that employs a hybrid of stage magic, platform and close-up magic, usually performed 'in the round' or surrounded by the audience. Unlike traditional street magic, this style is almost purely designed for TV and gains its impact from the wild reactions of the public.
Bizarre magic----Bizarre magic uses mystical, horror, fantasy, and other similar themes in performance. Bizarre magic is typically performed in a close-up venue, although some performers have effectively presented it in a stage setting.
Shock magic-----Shock magic is a genre of magic that shocks the audience. Sometimes referred to as "geek magic", it takes its roots from circus sideshows, in which 'freakish' performances were shown to audiences. Common shock magic or geek magic effects include eating razor blades, needle-through-arm, string through neck and pen-through-tongue.,
Comedy magic-----Comedy magic is the use of magic in which is combined with stand-up comedy.
Quick change magic-----Quick change magic is the use of magic that is combined with the very quick changing of costumes.
Camera magic----Camera magic (or "video magic") is magic that is aimed at viewers watching broadcasts or recordings. It includes tricks based on the restricted viewing angles of cameras and clever editing. Camera magic often features paid extras posing as spectators who may even be assisting in the performance.
Classical magic------Classical Magic is a style of magic that conveys feelings of elegance and skill akin to prominent magicians of the nineteenth and twentieth centuries.
Mechanical magic----Ambigram Magic / Dream with a handheld pattern giving a reversed shadow by mirror symmetry. "It's all done with smoke and mirrors", as we say to explain something baffling.
Magic, a concept used to describe a mode of rationality or way of thinking that looks to invisible forces to influence events, effect change in material conditions, or present the illusion of change. Within the Western tradition, this way of thinking is distinct from religious or scientific modes; however, such distinctions and even the definition of magic are subject to wide debate.
Nature and Scope----Practices classified as magic include divination, astrology, incantations, alchemy, sorcery, spirit mediation, and necromancy. The term *magic* is also used colloquially in Western popular culture to refer to acts of conjuring and sleight of hand for entertainment. The purpose of magic is to acquire knowledge, power, love, or wealth; to heal or ward off illness or danger; to guarantee productivity or success in an endeavour; to cause harm to an enemy; to reveal information; to induce spiritual transformation; to trick, or to entertain. The effectiveness of magic is often determined by the condition and performance of the magician, who is thought to have access to unseen forces and special knowledge of the appropriate words and actions to manipulate those forces.
Phenomena associated or confused with magic include forms of mysticism, medicine, paganism, heresy, witchcraft, shamanism, Vodou, and superstition. Magic is sometimes divided into the "high" magic of the intellectual elite, bordering on science, and the "low" magic of common folk practices. A distinction is also made between "black" magic, used for nefarious purposes, and "white" magic, ostensibly used for beneficial purposes. Although these boundaries are often unclear, magical practices have a sense of "otherness" because of the supernatural power that is believed to be channelled through the practitioner, who is a marginalized or stigmatized figure in some societies and a central one in others.
Magic, Mystery, Illusion and Tricks – Houdini is a perfect example of the 'Rahu-eptune”

Personality.
Harry Houdini is considered to be one of the best magicians and illusionists of all time. He was a Hungarian-American illusionist, stunt-performer, escapologist, actor, historian, film producer and pilot! Most famous for his daring escapes and mind-blowing tricks, he makes for one of the most interesting and intriguing personalities, especially in the field of magic and mystery! He won the awe and amazement of thousands of people all over the world and he achieved phenomenal popularity and prominence for his famous tricks like challenging the police to keep him locked in handcuffs, straitjackets under water, having to escape from and hold his breath inside a milk can. There are a lot of things, which cannot be entirely summed up in words and this man's brilliance makes people believe that a man can do anything and that nothing is impossible in this world.
With this background on different branches of magic and other magic related branches, I take this opportunity to analyze the Natal Chart of Mr HOUNDINI HARRY in detail and explain what astrological factors bestowed such skills and talents on him through our KP System of astrology.
Astrological magic is a form of remedial measures, which is the practice of reducing any harm that may come from your natal chart or via difficult transiting planets, especially slow-moving planets such Saturn, Jupiter, and nodes.
Many traditional astrology books in the past, suggest remedial measures for may serious as well as day-to day problems, basing the individual natal charts and planetary position of the indivuals on approaching the astrologers. Brihat Parasara Hora sastra of Maharshi Parasara-Vol-II,(See sree Ranjan Publicatioms) suggests various “remedial measures” for different problems in the natal charts. To quote a few-
--"Remedial measures to obtain relif from the malevolence of the planets, --for inauspicious births, like births on Amavasya, from Nakshtra Births,Births on Eclipses, Biths on Gandatha, from evil effects on Unusual deliveries, etc.”
Remedial measures suggested in traditional astrological scriptures and modern books, give you the power to change or modify your fate, rather than leaving you a passive victim or beneficiary of planetary forces beyond your control. To quote a few such books like LAL KITAB, “Remedial Measures in Astrology” by Dr Gouri Shankar Kapoor, Deva Keralam three volumes by Sri Shanthanam etc:
All these remedial measures are mainly based on the immense faith on the astrologer who suggests such remedies, and the way they are followed by the native who receive them to mitigate any evil effects. And that “immense faith “ on the astrologer and “the follower of such remedial measures in strick terms” are the key factors of the magic of astrology.

Astrology and Magic---

Each planet has its purpose and associated themes and topics. Here are some simple planetary magic strategies for each planet.
Traditional astrology considers magic to be a function of Saturn and Mercury.
It is a form of applied philosophy requiring the concentration of Saturn and the ingenuity of Mercury. Saturn represents the whole mind, knowledge and concentration and the threshold between the visible and invisible worlds with Mercury representing reason, cleverness, intuition, and flexibility as well as all of those conditions that show the edges or boundaries. These planets are always important in considerations of magic but the kinds of magic.
Not surprisingly, Saturn generally functions as the greater malefic and Mercury tends to amplify planets with which he is associated. This is the likely basis for the doctrine of sympathetic magic and the reputation of magic as a dark and dangerous art. The Invisibles doesn't help much as their natures tend to bring universal principles or Ideas into the manifest world. This is often a double-edged sword as can be seen in the applications of science in general (Uranus), chemistry (Neptune) and radioactive materials (Pluto). These influences are often malefic although they do have their beneficial aspect.

Traditionally the 6th,8th and 12th houses are considered unfortunate and associated with the main kinds of magic. Depending on the planets ruling and in them, these houses may show an aptitude, sympathy, or antipathy.

The 6th House pertains to practical magic and corresponds to the sign Virgo in the natural order of the signs and is ruled by Mercury where he also finds his exaltation. Neptune in Virgo adds an air of mystery. Traditionally Virgo is earthy, cold, melancholy, barren, feminine, nocturnal, and mutable (according to Lilly). This sign also indicates scholar, healers, technicians. The practical magician is therefore a technician and a scholar. One who is concerned with application and instruction. He or she is likely also a perfectionist, possessed of a mystical streak, and detail-oriented. Both the magician and the artisan have signatures associated with this house. Generally malefics ruling or in this house if ill dignified or afflicted show difficulties with detail and small aptitude and possibly an antipathy for practical magic. Benefics or perhaps better, well-dignified malefics tend to show an aptitude for these practical arts. The tendency will be stronger with a bright star connected especially if its nature shows an interest in these arts or is compatible with the planets connected with the house.

The 8th House pertains to sorcery and psychism and corresponds to Scorpio in the natural order of the signs and is ruled by Mars with the modern co-ruler of Pluto who is also exalted in this sign. Uranus adds a note of eccentricity and unpredictability for his quadruplicity here. Traditionally Scorpio is cold, watery, phlegmatic, feminine, and fixed. This house is associated with death, legacies, estates of the deceased, dowries, fear and anguish of mind, and more modernly, credit and taxes. It also has some affinity with vultures and birds of prey. The sorcerer then is often obsessed with ancient and hidden things (Uranus, Scorpio, and Pluto). One who seeks to understand the foundations of the world and himself. He is addicted to power and though scrupulous, operates by his own rules. As the 8th house suggests he may seek the hidden legacies of long-vanished principalities. Generally malefics ruling or in this house if ill dignified or afflicted show difficulties with sorcery and small aptitude with possible antipathy to sorcery and psychism. Benefics or perhaps better, well-dignified malefics tend to show an aptitude for these arts. The tendency will be stronger with a bright star connected especially if its nature shows an interest in these arts or is compatible with the planets connected with the house.

The 12th House pertains to witchcraft, mysticism and spiritualism and corresponds to the sign Pisces in the natural order of the signs and is ruled by Jupiter. The modern planet Neptune also co-rules here and Venus is in her exaltation. Neptune has a bit of added strength for its quadruplicity here. Traditionally Pisces is cold, moist, phlegmatic, feminine, nocturnal. and mutable. Deception, celebrity, glamour, and illusion are hallmarks of the sign and the house. Yet, very fine artists, seers, and mystics also have been known to emerge. Mystics and spiritualists then can be a direct spiritual link but they are unreliable in general and will have a tendency to be prey to rumour, gossip, and various spirits. Monks and certain solitar-

ies, as well as confidence tricksters, inmates of prisons and hospitals, and spiritualists, witches and artists all, express the nature of this house. What they share is the power of glamour and an attraction to the invisible world. Generally malefics ruling or in this house if ill dignified or afflicted show many difficulties and usually unpleasant results. There is sometimes small aptitude and possibly an antipathy for witchcraft and mysticism. Benefits or perhaps better, well-dignified malefics tend to show aptitudes in these arts and a tendency to mediumship. The tendency will be stronger with a bright star connected especially if its nature shows an interest in these arts or is compatible with the planets connected with the house. The house in which the ruler is found will tend to focus the aims of the art in that area of life and activity.

Scorpio is a mystical, sexual, transformative place filled with mystery, surprise and highly charged energy. Its transits are dreaded but if we master it, it brings us major life transformation and new light to move toward liberation and freedom. The 8th house is like the magician's magical box—anything that goes in it can be transformed. Will the lady get sawed in half and become a different person entirely. While many dread 8th house transits and period lords, we can understand and embrace them for deep knowledge and transformation.

Traditionally the 8th house governs research, addictions, kundalini energy, occult power, knowledge of astrology, longevity and if we master it, we can use its knowledge to unfold enlightenment or moksha. The magical knowledge of the Guru is contained here who will unfold it for the devotee, the seeker of truth and liberation.Eight house placement reveal the secret weaknesses of the chart and can bring surprises that test the transformation of the soul. They force us to overcome our problems in the material world and move us toward spirituality and the Divine. When we miss the calling and lessons of the 8th house, then we can suffer acute illness and have painful lessons. Here we are taught the painful lessons of death, endings, transformations, dreams and if we can find the energy for spiritual transformation, we can move through this troubled realm. The secret of the 8th house is that we must turn to spirituality, yoga, meditation and spiritual initiations if we are to overcome our challenges.

Mr VSN Murthy has summed up these rules in his article published in KP Ezine of August 2015--

Magic performance is prominently based on 2nd & 3rd cusps only. 2nd cusp=Aindrajalam; 3rd cusp=Hastalaghavam; To exhibit his performance (magic), a magician should move from place to place whether it is known or unknown place by performing short – travels (3), long-travel and also meeting with strangers (9) and to a new environment even sometimes to abroad also (12) to earn his livelihood (2-6-10) successfully and satisfactorily (11) and 8th cusp – house of secrets and house of mysteries. Jupiter or Saturn -spiritual planets, or Rahu planet of occult sciences, or Mercury -the planet of intelligence, deep thinking, or and Neptune if connected with 8th house gives encouraging and probing mind concerning occult matters.

A strong connection between the lords of the 8th House, 12th House, 3rd House and 5th House in the Horoscope, which clearly explains the calibre and wizardry of the phenomenal man! All the aforesaid Houses and their Lords are the important factors that have to be taken into consideration while analyzing the Chart of a magician.

By considering all these above mentioned astrological points, we can grandly frame a rule as shown below:-

RULE (I):- If the 2nd (Aindrajalam) or 3rd (Hasta-Laghavam) CSL signifies 2-6-10-11 along with 3-9-12, then only one will be a successful magician.

RULE (II):- If the 5th (Magic show) cusp sub-lord signifies 2 (Aindra-alam=jugglery of speech), 3 (Hasta-Laghavam), 5(entertainment –magic show), 6(loss to others and gain to the magician- spectators/ visitors will give money or presentations to the magician after seeing a magic show. In some places before the commencement of the magic show visitors will purchase the tickets and enter into the magic show) and 10(profession, reputation & respect etc), then one will be an entertainer whether he may be a magician or whoever he may be.

RULE. III:- Neptune generally signifies 2-3-6-10.

RULE IV:- MERCURY SIGNIFIES MOSTLY 2-3-6-10 HOUSES.

RULE V:- 8th CSL should signify 2,3,5 or 10 in Magician's natal chart.
---8th house is a house of secrets, indicates surgery, diseases, death, obstacles, illegal income, mental pains, imprisonment, inheritance, occult, mysteries, magic, secrets etc etc. 8th is 11th to 10th.

ANALYSIS OF the natal chart of Mr Houdini Harry---

RULE (I):- If the 2nd (Aindrajalam) or 3rd (Hasta-Laghavam) CSL signifies 2-6-10-11 along with 3-9-12, then only one will be a successful magician.
---As per the chart---2nd cusp in the chart of Mr Houdini Harry falls in Pisces sign @06-19-36 degrees with Jupiter SGL- Saturn STL – and Mercury SBL.
2nd cusp sub-lord Mercury is the lord of 6 and 8 in 1st house within 5 degrees orb to 2nd cusp. Mercury co-rules 8 and 9th cusps also. Mercury is in the company of Sun and Venus lord of 4,5 and 9 houses. Mercury is debilitation and Venus is in exaltation which has given rise to Nechabhanga Raj Yoga for Mercury.
Neechabhanga Raja yoga of Mercury in 10th house from Moon sign _Gemini—the subject will become popular, famous and acquires great recognition in the public. His prosperity will be on the rise from the age of 33rd or 35th year. In the Dasa period of such a planet, other fraternity in his field of magic will adore him on the high pedestal and this native will be plenty of wealth, name fame and high recognition in the society.
Mercury is the star of Jupiter lord of 2 and 12 is in the 7th cusp but within 2 degrees orb to the 8th cusp. It is placed in the Sub-lord of Rahu is in 3rd house.
Rahu represents Mars lord of 3,10 and 11 is on the 2nd house.
Thus the 2nd cusp sub-lord Mercury signifies @STL(JUP) 1-2-6-8-12 and @SBL(RAHU)2-3-10-11. Here as per the above rule, Mercury signifies 2-6-10-11 along with 3-12. It may be noted that Venus lord of 9th is conjoined with Mercury which is the star-lord and sub-lord of Venus.
So, it can be noted that rule no.1 is fulfilled.
RULE (II):- If the 5th (Magic show) cusp sub-lord signifies 2 (Aindra-alam=jugglery of speech), 3 (Hasta-Laghavam), 5(entertainment –magic show), 6(loss to others and gain to the magician- spectators/ visitors will give money or presentations to the magician after seeing a magic show. In some places before the commencement of a magic show visitors will purchase the tickets and enter into the magic show) and 10(profession, reputation & respect etc), then one will be an entertainer whether he may be a magician or whoever he may be.

--as per the chart of the native---5th cusp sub-lord is Saturn co-rules 11th cusp also.
Saturn is the lord of the 1st cusp placed in the 1st itself. Saturn is in the star-lord of Moon lord of 7th is in 5th and the sub-lord of Mercury lord of 6 and 8 is in 1st cusp in Pisces sign in debilitation and retro motion.
Thus the 5th cusp sub-lord Saturn signifies @STL(MOON) 1-5-7 and @SBL(MERCURY)1-6-9. Saturn aspects 2nd house.
It can be noted that except 3rd cusp all the other cusps ie. 2-6-5 are connected.

RULE. III:- Neptune generally signifies 2-3-6-10.

--- as per the native's chart---Neptune is placed in 2nd house with Mars lord of 3,10 and 11.
Neptune is placed in Star-lord of Ketu-a mystic planets and karaka for occult sciences-is placed in 9th and sub-lord of Mars lord of 3-10-11 is in 2nd house.
Ketu represents Venus lord of 4,5, and 9 is in 2nd, Mars lord of 3-10-11 is in 2nbd and Saturn lord of 1is in 1st.
Thus Neptune signifies @STL (KETU) 2-9 and @SBL(Mars) 2-3-10-11 And connected to 4-5 and 1.

It can be noted that except 6th all other houses ie.2-3-10 are connected by Neptune.

RULE IV:- MERCURY SIGNIFIES MOSTLY 2-3-6-10 HOUSES.

---as per the chart of the native—Mercury signifies 2-3-6-10. It can be seen that we have already discussed in the above as 2nd cusp sub-lord Mercury is connected to 2-3-10 and 6.

RULE 5:- 8th CSL should signify 2,3,5 or 10 in Magician's natal chart.
---(8th house is a house of secrets, indicates surgery, diseases, death, obstacles, illegal income, mental pains, imprisonment, inheritance, occult, mysteries, magic, secrets etc etc. 8th is 11th to 10th.)

----As per the chart of the native---8th cusp sub-lord is Mercury which I have discussed as 2nd cusp sub-lord in the above.
2nd cusp sub-lord Mercury signifies @STL(JUP) 1-2-6-8-12 and @SBL(RAHU)2-3-10-11. Here as per the above rule, Mercury signifies 2--10-11 along with 3-12. It may be noted that Venus lord of 5 and 9th is conjoined with Mercury which is the star-lord and sub-lord of Venus.

From the above astrological analysis of the natal chart of a famous magician of the late 18th century Mr Houdini Harry, it has been established how the planets, houses and the astrological chart shapes an individual as the stalwart of a specialized art form of a magician which brings name, fame and fortunes in one's life.

I sincerely express my thanks to Sri Kanak Ji for readily accepting my article for publication and Mr VSN Murthy who has given me his consent to use his article published in KP Ezine.

Business and business partnership from KP composite charts

Firstly before starting I would like to thank my guru Kanak Sir for teaching me the techniques of KP Composite Charts. I used this technique in this case to find the quality of business and business partnership between two business partners. This is the second part of three-part series. Next will be between business owner and sub-contractor.

Calculations for Bhawa and Planets-:
1> These composite charts are calculated by adding the houses degree (bhawa) and then dividing it by 2. (Since I am finding midpoints of two charts so it is divided by 2. If it was 3 three then it will be divided by 3, if 4 then divided by 4 and so on)
2> Same goes for planets. So by adding the degree of planets in the charts and then dividing it by 2. (Since I am finding midpoints of two charts so it is divided by 2. If it was 3 three then it will be divided by 3, if 4 then divided by 4 and so on)

Calculation of Birth date and Dasha -:
Birth date of composite charts is calculated by adding the date of birth of two charts. This is only done to find the Dasha and Bhukti. Also composite Moon degree is used for calculation.

Prediction procedure-:
In this example I am calculating business partnership. So, the composite 7th Cuspal Sub Lord for example is planet "x". Now what this planet "x" signifies, individually in the charts of both partner 1 and partner2 needs to be calculated. This will determine the compatibility between the two people.
Same goes for dasha and bhukti. Suppose currently "A" dasha and "B" bhukti is running according to composite charts. Then what that "A" and "B" signify individually in both the personal horoscope of partner 1 and partner 2 will determine the current condition of their business partnership.

Question: Business and business partnership between two partners. Especially financial and business positions in year 2021.

Now calculation of Date of Birth of the composite chart is done by adding two date of births and then dividing it by 2.

YYYY MM DD
1997 08 14
+
1990 05 02
Date adding 14+2 = 16/2 = 8 day

Month adding 8+5 = 13 /2 = 6 and remainder is 1 month which is equal to 30 days.
This remainder 30 days is to be added to the day. Half of 30 day is 15 + the previous 8 = 23 Days
For year 1997+1990 = 3987 /2 = 1993. Remainder is 1 year which is 12 months.
This remainder 12 months is to be added to the month. Half of 12 months is 6 + the previous 6 months is equal to 12.
So finally we are getting 23/12/1993 as the composite chart birth date.

For Dasha Calculations-:
As per astrological tables for all by R. Eshwara Manu page 55
Position of Moon is in Virgo sign at 26:17:46
Star Lord of moon is Mars whose duration is from 23:30:00 to 36:40:00
End of Dasha is 36:40:00 – 26:17:46 = 10:22:14 (Degree:Minuite:Second)
Now converting 10:22:14 (Degree:Minuite:Second) into Dasha Balance.

Client wanted to know business conditions from Jan 2021. So at That time Jupiter dasha has started from 02 06 2017is running. The bhukti I am calculating from Jupiter Dasha of the composite chart.

Longevity of the composite chart
Rule for longevity

- If the 1 cuspal sun-lord is the significator of 6,8,12 life is full of disease and thus longevity is short.
- If the 1 cuspal sub-lord is connected with maraka (2,7) and badhaka (House 11 is badhaka for Aries, Cancer, Libra, Capricorn Ascendant. 9 is badhaka for Tarus, Leo, Scorpio, Aquarius Ascendant &7 is badhaka for Gemini, Virgo, Sagittarius Pisces Ascendant), then it’s not good for health and longevity.
- If the 1st cuspal sub-lord is connected with 1,5,9,11 (exclude badhaka) life is long.

Lagna of the composite chart is Leo, so badhaka is 9.
In the composite chart 1st cuspal sub-lord is Mercury occupant of 11 (close to 11 cusp) owner of 2,11. No planet is in stars of Mercury and Mercury is the cuspal sub-lord of 1,5,7,11. Mercury is in the star and sub of Jupiter occupant of 2 owner of 5,8.
Thus Mercury is significator of 2,5,8 and connected with 1,5,7,11.

This composite chart is showing medium life.

Rule for calculating business-:
Rule 1: 10th Cuspal sub-lord should be the significator of either 2nd house of earning, 7th house of business or 10th house of independent profession only then a person can go into business.
Rule 2: 7th cuspal sub-lord should be the significator of 2nd house of earning, 10th house of independent profession and 11th house of success.

In the composite chart 10th cuspal sub-lord is Venus.
In the birth horoscope of partner 1-:
Venus is the occupant of 11 owner of 1,8,12. Venus is in the star of Sun occupant of 9 and owner of 10. Venus is in the sub of Jupiter occupant of 3 and owner of 3,5.
Thus Venus is the significator of 9,10 and connected with 1,3,5,8,11,12.
Venus is connected with 10th house of independent profession.
In the birth horoscope of partner 2-:
Venus is the occupant of 9 owner of 5,12. Venus is in the star and sub of Saturn occupant of 7 and owner of 8,9.
Thus Venus is the significator of 7,8,9 and connected with 5,9,12
Venus is connected with 7th house of business.

In the composite chart 7th cuspal sub-lord is Mercury.

In the birth horoscope of partner 1-:
Mercury is the occupant of 10 owner of 9,11. Mercury is in the star of Venus occupant of 11 and owners of 1,8,12. Mercury is the sub of Saturn occupant of 5 owner of 4. No planet is in the stars of Saturn and Saturn is the cuspal sub-lord of 5,11.
Thus Mercury is signifying 10,11 of business and 5,9,8,12 of loss and disturbances.

In the birth horoscope of partner 2-:
Mercury is the occupant of 11 and owners of 1,4. Mercury is in the star of Venus occupant of 9 and owner of 5,12. Mercury is in sub of Jupiter occupant of 12 owners of 7,10. No planet is in the stars of Jupiter and Jupiter is the cuspal sub lord of 1,7,8 houses.
Thus Mercury is signifying 10 and 11 of business profits and 1,5,9,8,12 of losses and disturbances.

Current Dasha running as of March 2021 in the composite chart is Jupiter and Bhukti is that of Mercury.
Dasha Lord Jupiter in Partner chart 1-:
Jupiter is occupant of 3 owners of 3,5. Jupiter is in the star of Moon occupant of 2. Jupiter is in the sub of Venus occupant of 11 and owner of 1,8,12.
Jupiter is signifying 2,11 of income and 1,5,8,12 of losses.

Dasha Lord Jupiter in Partner chart 2-:
Ju+(12, 7-10, [1, 7, 8]) is in the star of Ra(8), Sa(7, 8-9), in the sub of Me(11, 1-4).
Jupiter is the occupant of 12 owner of 7,10. No planet is in stars of Jupiter and Jupiter is the cuspal sub-lord of 1,7,8 houses. Jupiter is in the star of Rahu occupant of 8. Rahu is conjoined with Saturn occupant of 7 owner of 8,9. Jupiter is in the sub of Mercury occupant of 11 and owner of 1,4.
Jupiter is signifying 10,11 of business gains and 1,8,9,12 of financial losses.
Bhukti lord of both partner1 and partner2 is discussed.

Prediction: The longevity of this partnership business is medium. 7th cuspal sub-lord of both the partners are showing both positive and negative signficators. The expenses will be on higher side. Some losses and disturbances are also seen. The current dasha and bhukti of both the partners are also average. So, no improvement in business is seen in 2021.

Outcome: Client verified the same with the analysis given that nothing is going right, and they are suffering from reduced income from business.

"Runanubhanda Rupena Pashu Patni Suta Aalaya
Runakshaye Kshyayaanthi Tatra Parivedana."

Meaning: Cattle, Wife, Children and Home are the result of previous birth bondage. Once the debt is annihilated there is no relationship and hence end of suffering in this Samsara.

This is same as my another article of "Who will marry to whom?". In this article I am trying to explain that particular child is also decided in our previous birth or runanubhanda as above sloka tells us. It means our child Ascendant, Moon Sign and 5th house will be connected to particular father and mother. Because I have tried this in parents and child horoscope and it is matching exactly.

5th house in astrology gives you about progeny or childbirth. It is a primary house for progeny.

The 5th house represents the first conception of child, pleasures, society and social inclinations, the tastes and fancies, artistic talents, recreation, entertainment, banquets and parties, romance, love, affair, cinema, place of entertainment, theatrical performances etc.

If the 5th Cuspal Sub Lord signifies 2 or 5 or 11 and is connected with Karaka , then the childbirth is promised and the same will fructifies in the conjoined Dasa period of the significators of 2, 5 and 11.

Now the question is that is it possible to know well before or identify in advance that of which Sign (Rashi), which Ascendent (Lagna), Moon and 5th House/Lord of the both father and mother; 4th (mother) and 9th (father) house in child horoscope.

The Astrology says yes to maximum extent. Then how to find out.
In natural zodiac except Sun and Moon all five planets owns two Signs each. (**Mars:** Aries and Scorpio; **Venus:** Taurus and Libra; **Mercury:** Gemini and Virgo; **Jupiter:** Sagittarius and Pieces; **Saturn:** Capricorn and Aquarius).

In parents and child horoscopes Lagna/Lagna Lord and its two rashi's. 5th house/5th Lord and its two rashi's. Moon/Moon Lord (posited) and its two rashi's plays a vital role in both the horoscopes. These above combinations will be interlinked or will exchange or signify each other horoscopes.
You can see interlinks in the chart to understand it clearly.

Father: 03.01.1966 @ 09:34:46 Hrs, Raichur, Karnataka. Longitude: 77° 21' 27" E, Latitude: 16° 12' 12"N.

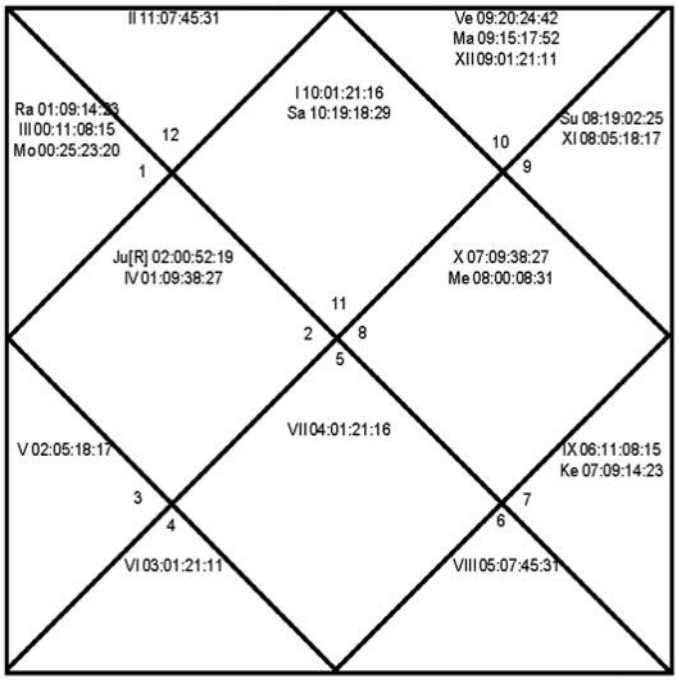

Chart Analysis:

Moon: Moon is posited in Aries. The lord of Aries is Mars. And Mars is lord of Aries and Scorpio.
5th House: 5th house is in Gemini. The lord of Gemini is Mercury. And Mercury is lord of Gemini and Virgo.

Dasa lord is favourable to get bail by signifying 11.

Bhukti lord Mercury: 06.02.2021 to 03.01.2022.
Mercury is in the star of Moon and sub of Venus. Mercury is occupant of 7 owns 8 and 11. Star lord Moon is occupant of 7 owner of 9. Sub lord Venus is occupant of 6 owner of 7 and 12. Venus is in positional status. Venus is the 11th CSL. So Bhukti lord Mercury is favourable by signifying 11.

Anthara lord Venus: 20.03.2021 to 19.05.2021
Venus is in the star of Moon sub of Rahu. Rahu is agent of Venus. So Anthara is favourable.

Finally coming to Sookshma:
Ketu: 15.05.2021 to 19.05.2021.
Ketu is in the star and sub of Mercury. Ketu is occupant of 1, agent of Mars. Mars is occupant of 8 owner 1 and 6. Star lord and sub lord Mercury is occupant of 7 owner of 8 and 11. So Ketu Sookshma is favourable.

My opinion: Bail from court can be obtained during the period 15.05.2021 to 19.05.2021.
On 17.05.2021 Monday Moon is transiting in punarvasu star, Jupiter is in positional status . Jupiter is the 4th cusp sub lord and lord of 2, so on Monday the native will get bail.

Actual outcome: On 21.5.2021 the native got bail. On Monday that I predicted sri ragu rama raju shifted to Hyderabad. But the native got some relief.

This prediction is given with the blessings of " Lord Maha ganapathi and Late sri. KSK sir who is founder of KP System and also My Guru Sri. M.R. Prasad.

Time chart reveals accurate prediction

By: Siva Prasad Gantha

A known person, while talking with me, stated that she has received a message on 9-5-2021 and asked me to predict astrologically what it would be.

I have erected a time chart on 10-5-2021 at 6-10 am in Hyderabad at my residence. The time chart shows that the Moon is in Kethu star (Aswani) with ascendant Taurus. First of all when the time chart is erected we have to check Moon's significations to know what it reveals. Moon is in the star of Kethu and sub of Rahu. Moon is in 12 lord of 4 in the star of Kethu in 7 and in the sub of Rahu in lagna. Kethu being in the sign of Scorpio represents Mars in 2 lord of 7,8. Rahu being in the sign of Taurus represents Venus in lagna lord of 1, 2. Venus is conjoined Mercury in lagna, lord of 3,6. So Moon signifies 1, 2, 4, 6, 7, 8, 12. As Moon signifies lagna, maraca houses 2, 7 and 6, 8, 12 it indicates serious health problems.

As per KP, 6 house deals with decease etc. In the time chart the 6th cuspal sublord is Rahu in the star of Moon and sub of Mercury. Rahu gives the results of Moon as discussed above 1,6,8,12 indicating health problems during the conjoint period of significators of 1,6,8,12.

The significators of decease are as follows:

Cusp	A	B	B	D
1	Ma,Su,Ke	Ve,Me,Ra	Su	Ve
6	---	----	Ke	Me
8	---	----	Ju	Ma
12	Me,Ve,Sa,Ra	Mo,Su	----	Ju

At the time of judgement the native is running the DBA of Ket-Rah-Sat.

Dasalord Kethu is in 7 in the star and sub of Mercury in 1 lord of 3,6. Kethu as agent of Mars signifies 2,7,8. As Kethu signifies 1,6,2,7,8 it indicates serious health problems.
Bhukthi lord Rahu is in lagna in the star of Moon which signifies 1,6,8,12 and in the sub of Mercury in 1 lord of 3,6 denotes serious health problems.

Anthara lord Saturn is a badhaka lord to Taurus lagna native. Saturn is having positional status and the CSL of 8, posited in the star of Moon (1,6,8,12) and sub of Mercury(1,6). As Saturn signifies lagna, badhaka, maraca and 6,8 there is a life threat during the conjoint period of Ket-Rah-Sat. Sun and Moon are transiting in 12th house Aries whose lord Mars is a significator of 1,8. So the message received might be a death news as the transit of Sun and Moon agreed.

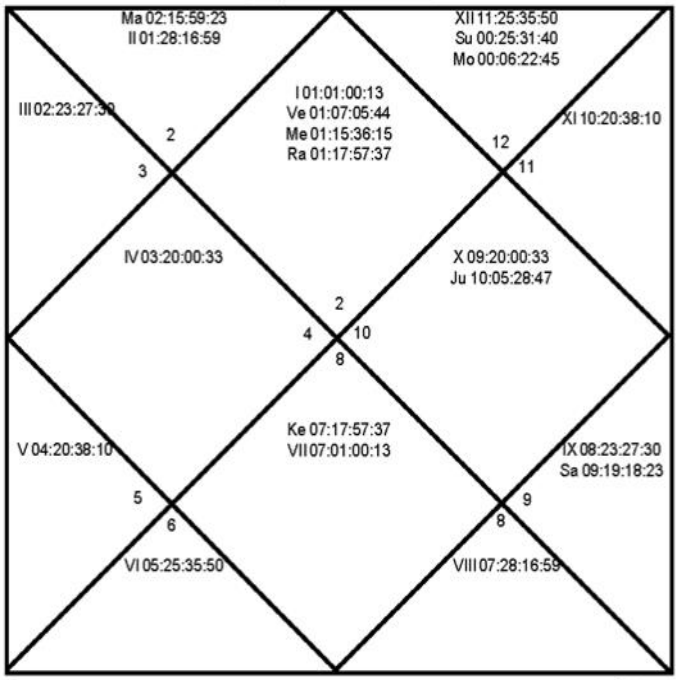

It is learnt that my prediction has come true as nearest relative of the person, who contacted me, died of covid 19 on 9-5-2021.

Case Study about Love Relationship or Love Affair

General Rules for Love Relationship or Love Affair:
If the 5th cuspal sublord through its starlord and sublord signifying 5th, 7th, 11th house, then it indicates successful love affair.
If the 7th cuspal sublord indicates 2nd, 5th, 11th house with 7th house then it indicates successful love marriage.

Case Study :
Birth Date : 18th May 2002
Birth Time : 11:29am
Birth Place : Kolkata, West Bengal (India)
Gender : Female

Analysis of the Chart :
5th Cuspal Sublord
5th cuspal sublord is Moon, occupant of 12th house. 12th house is in Cancer and Watery sign. So native is very emotional and has a little bit insecurity complex. Moon's star lord is Saturn, occupant of 10th house (negative to 11th house of long term friendship), lord of 6th and 7th houses. The 6th and 10th houses represent separation here. Moon is in sub of Rahu, occupant of 10th and agent of Venus, signifying 3rd, 10th, 11th houses.
The 5th cuspal sublord Moon is under Poonarphoo dosha, as Moon starlord is Saturn.

7th Cuspal Sublord
7th cuspal sublord Venus signifies 3rd, 10th and 11th houses. Venus is in the star of Mars which signifies 4th, 9th, 10th houses. Venus is in sub of own Venus.

My Conclusion:
Love marriage is promised for her as 5th cuspal sublord signifies 7th house. Her husband will be good looking (as Venus is 7th cuspal sublord).

But, in marriage cordial relationship will be disturbed (as 4, 10 are connected).

If she is engaged in any love relationship, then it will break and she will be in depression (due to Poonarphoo dosha effect), and pre-marital sexual indulgence or something which is unethical in society, as 5th cuspal sublord Moon is also 8th cuspal sublord

Most of the time, native may break the relationships because 10th signification by 5th and 7th CSLs.

Actual Outcome: She already has several breakup issues till now.

One of my clients asked me "Is there any second child for me? If so, when?" Then I asked him to give me a number within 249. Immediately he gave me 121/249. Immediately the chart is erected and it's details are given below:-
Horary No. 121/249; DOJ:-04-05-2021; TOJ:-04-00-00 PM; POJ:-KURNOOL (AP);

Genuineness of the query:- Moon indicates the mind of the querent.

Moon (**5-11**) is in the star of Mars (**9**-3,8) and in the sub of Jupiter (**5**-4,**7**). Here 5th from 5th is 9th. So 9th is also good in the matter of progeny. The related houses for second progeny are 5-11-9-7. These are all signified by Moon. So we can say that there is genuineness of the query. OK.

K.P. Rule for Second Child birth:- If the 5th cusp sublord signifies 2, 5, or 11 along with 7 mainly, then the second child birth is promised.
"Whether second child is promised to me or not? Query is put by a male client. So we have to consider the 11th cusp sublord.
In this natal chart, 11th cusp sublord Moon (**5-11**) is in the star of Mars (**9**-3,8) and in the sub of Jupiter (**5**-4,**7**). Here 5th from 5th is 9th. So 9th is also good in the matter of progeny. The related houses for second progeny are 5-11-9-7. These are all signified by Moon. Therefore, second child birth is promised.

At the time of judgment, the native is running Mars Dasa from 18-02-2019 to 18-02-2026.

Astrological Prediction:- Mars is not at all appearing in Common Planets. So during the period of Mars, there will be no second progeny for this client.

When she would get out of home quarantine?

BY: Rajni Kapoor
Shop No. 159, Guru Ram Das Market,
Opposite Shitla Mata Mandir, Dugri, Ludhiana
Ludhiana, Punjab - 141001
Mobile: +91 - 06239790901 Email: askrajni@gmail.com

I was chatting with my sister in law on 15.4.2021; she was very upset due to stay in home quarantine, so she asked me when she would get out of this jail.
So I immediately noted down time and RPs at that moment.

Date of Judgement: 15.4.2021
Time of Judgement: 15.36.59
Place of Judgement: Ludhiana
RPs were:
Lagna Rashi Lord - Sun
Lagna Star Lord - Venus
Moon Rashi Lord - Venus
Moon Star Lord - Sun
Day lord - Jupiter
Rahu is in Taurus in transit ... so to be included in RPs.
Total RPs are:
Sun (1), Venus (2), Rahu (3), Jup (4)
written in sequence of strength.

As the event was expected to happen in a few days...
I started checking movement of Moon.
On Day of judgement -
Moon was transiting in Taurus (Venus).
So I had 2 options from RP for Moon sign lord:
Sun or Jupiter
I chose Sun (Leo) as sign lord as it was the strongest...
So when Moon will transit in Leo (Sun) then event would happen... That is 23rd April 2021.
To further narrow down time... We need to fix star of Moon.
So 2nd strong Planet in RPs was Venus... So I chose it.

Planet -> Sign - Star
Moon -> Leo - Venus
Now to further narrow down We need to select Sub Lord of Moon
So I gave preference to Rahu as it was 3rd strongest and I chose it.

Moon -> Leo - Venus - Rahu period from 15.45 hours to Moon -> Leo - Venus - Rahu - Sun 18.38.47 hours.

But report didn't come in this period....
So again I sat down on 23rd April 2021.
Time - 19.20.46
Place of Judgement - Ludhiana
To recheck what did I miss... Why Covid19 negative report was not received on my calculated time...

RPs were:
Asc -> Venus - Rahu
Moon -> Sun - Venus
Day - Venus
Total RPs Rahu, Venus, Sun

So one thing was clear either report will come today (Friday) or (Sunday).

No option of Saturday as Saturn is not in RPs.

I again checked RPs of 15th April 2021 and noted that I had missed out on using Jupiter from RPs.
So when I used all the available RPs on 1st judgement day.
i.e.

Planet - Sign - Star - Sublord - SubSublord
Moon -> Leo - Venus - Jupiter - Rahu
transit time....ends 23.april.2021 at 21.41.44

I told my sister in law that report can't be delayed beyond this.
Actual Result -
Covid19 Negative Report was received at 21.40 hours.... and she shared the same with me at 21.41 Hours on 23rd April 2021.

Divine RPs never fail... But we as astrologer can miss few things but use of KP and RP by KSK can't be wrong...
Thanks

Cheque bounce cases have become more common these days. There are approximately 35 lakh cheque bouncing cases across India. Dishonoring of cheque is a criminal offence and is punishable by imprisonment up to two years or monetary penalty or both. Sometimes cheques bearing large amounts remain unpaid and are dishonored. However, if the cheque issuer fails to pay back, then the lender has right to prosecute the issuer legally. The lender may legally sue the defaulter for dishonor of cheque under section 138.

A person known to me with an intention of helping his friend in dire need of money has lent huge money. The friend has promised him to pay back the money within six months including simple interest. However, while lending the money, a cheque signed by the borrower has been taken with the borrowed amount written on it as security. The promise kept fading and the friendship also got dissolved.

The person could wait no longer and has presented the cheque in court of law for justice on 20/09/2020 under section 138. He asked me to look into the case from astrological point of view.

His question is: Will I get back my money and win the cheque bounce case in court?
Here I explained how I derived the answer.

The Horary number is 229 out of 249.
Date of judgment 15/05/2021. Time: 05:58:47 AM. Place: Hyderabad

For claiming of return of money and money lent, the houses to be signified are as follows:

II – Return of money – 8, 11
II – Return of lent money – 7, 12 6, 8
III – Filing court case – 6, 11

Moon Connection:

Moon – Gemini –**05º 25'33"** Me Ma Su
Moon is in house 4 lord of house 6, in the star of Mars in 4 lord of 2,9 and sub of Sun in 2; 11th lord Jupiter aspects Moon and Mars, thus Moon is connected with 2,6,11.
Hence the question of cheque bounce case – will I get back my money and will I win court case is accepted.

Rule 1:
For Claims or Return of Money:
II – 6, 7, 8, 12 is to be observed.
II – Aries **05º 42'45"** Ma Ke Ra

Getting connection with II Bhava – as per Rule 1:
Rahu: Placement ® Taurus - **17º 41'45"** Ve Mo Sa
Rahu is in house 3, agent of Sun in 2, Mercury in 3 lord of 4,5,7 and Venus in 3 lord of 3,8. Rahu is in the star of Moon in 4 lord of 6, and sub of Saturn in 11, lord of 12. Rahu signifies 2, 6, 7, 8, 12 houses.
Hence it is concluded that the money lent shall be returned. However, the sub lord of Rahu

is Saturn, which shows the delay in the process of getting the money.

Rule 2:
For Claiming the Money:

The house to be observed is II – 8, 11.
II – Aries **05º 42'45"** Ma Ke Ra
As shown above Rahu is the significator of 8, 11.
Hence II and XI are also connected. However, Saturn in his own house shows enormous delay.

Rule 3:

III – Taurus **05º 36'24"** Ve Su Me

Thus Mercury is connected with 3,6,11.

We can conclude by the above analysis as follows:
The cheque bounce will be won by the questioner. However, the judgment may be delayed due to the social reason like nonfunctioning of the offices due to pandemic situation facing right now.
The significators, ruling planets and Dasha periods are yet to confirm the above statement.

Solving a problem with the help of ruling planets

This incident is of my office. It is a pharmaceutical distributor. I used to enter the purchase data of medicines here and I also make the sale bill of invoice. Today I solved a problem with the help of astrology. Where I work, the goods came from a party whose entry had done in the computer but there was a difference of about 230.63 Rupees, which means that either the number of items is short or the rate of an item is wrong. The total item came was 253 which could take about 2 hours to do tally. Then I got the idea that why not take the help of numerology. That's when I made the horoscope of that time.

Date 12-09-2020, Time: Night 12:22 a.m., Place: Delhi
The ruling planets were as follows :
Ascendant Owner- Mercury
Ascendant star - Rahu (in the zodiac sign of Mercury)
Chandra Swami- Mercury
Chandra Nakshatra- Rahu (in the zodiac sign of Mercury)
Day Lord -Venus

Mer- 3-6 = 9
Rahu (Mercury) -3,6 = 9
Mer- 3,6 = 9
Rahu (Mercury) - 3,6 = 9
Venus- 2,7 = 9

Now we will take the numbers of all the planets.
Sum of all digits is 45. Now the single number of 45 = 4 + 5 =9

Everywhere 9 is coming. Then I thought that this mistake is only related to the number 9. Then I looked in the 9th line and marked in a multiple of 9 followed by 9 followed by 18 then 27. On the 27th line, I found the item in which the items came 10 pieces but only 1 entered.

Here only the difference is 9 coming. If 27 is made alone by adding a number, then 2 + 7 = 9 The value of the number was inserted 18.11.

Then I added 9 to the quantity of item instead of 1 and made it 10. There was also a difference of 9 on this. Now its value increased to 18.11 x 9 = 162.99.

If we add these numbers together 1+6+2+9+9=27, 2+7=9 then the number 9 will come. This is how my invoice was tallied. In this way, with the help of astrology, I finished my two-hour work in just two minutes.

In this horary chart-:
2nd cuspal sub lord is Saturn. Saturn is the occupant of 10 and owner of 11 and 12. Saturn is in the star of Moon, occupant of 8 and owner of 5. Saturn is in the sub of Mars, occupant of 1 and owner of 1,8. Thus Saturn is significator of 8,5 and connected with 1,10,11,12.
Connection of Saturn with 12 and 11 promises foreign job.

Question :- Will Firhad Hakim (WestBengal Govt Minister) get bail from CBI custody ?
Horary No : 186 (out of 249)
Date : 17th May 2021, Monday
Time : 11:34:48 am
Place : KOLKATA (22.34.N/88.22.E)

Rule for getting Bail :-
If 12th cuspal sublord through its star lord and sub lord signify 2nd (family), 4th (house), 11th (fulfilment of desire), then during joint period of 2,4,11 native may get bail.

Ruling Planet Details :-

	Sign Lord	Star Lord	Sub Lord
ASC	Sun	Ketu	Sun
Moon	Moon	Jupiter	Rahu (Venus)
Day Lord	Moon		

*Here Rahu is the agent of Venus.

12th Cuspal Sublord Analysis:
Here 12th cuspal sublord Venus, occupant of 5th house, lord of 5th and 10th houses. Venus is in the star of Moon, occupant of 7th house, connected with 2nd and 8th houses. Venus sublord is Saturn, occupant of 1st house, lord of 2nd house.

Note: Having no planets in its stars, Venus is the cuspal sublord of 2nd, 3rd, 7th, 8th, 9th,12th houses.

So, the 12th cuspal sublord is connected with 2nd only but not 4th, 11th houses, so it may be difficult to get bail.

For more clarity, we check the Dasha – Bhukti – Antara.

Dasha – Bhukti – Antara period :-
At present time Jupiter dasha, Rahu bhukti and Ketu antara are going. Next is Venus (up to 30-11-2021)
Dasha Lord :- Jupiter (which is in Ruling Planets) is occupant of 2nd, owner of 1st, 3rd and 12th houses. Jupiter is in the star of Mars and sub of Moon. Mars is occupant of 6, owner of 4-11. Sub lord Moon is occupant of 7. Thus Jupiter indicates 2-4-11, then Dasha lord Jupiter is strong.

Bhukti Lord :- Rahu is in 5th house, agent of Sun occupant of 4th, Venus , the cuspal sublord of 2nd, 3rd, 7th, 8th, 12th having no planets in its stars . Rahu is in the sub of Saturn is occupant of 1, owner of 2. Thus Rahu indicates 2nd and 4th, then Bhukti lord Rahu is strong. (Rahu is also in RP).

Antara Lord :- Ketu is occupant of 11th house, agent of Mars lord of 4th , 11th houses. Thus Ketu signifies 4th, 11th houses. (Ketu is also in RPs.)

My Prediction :-
As the 12th cuspal sublord itself is weakly promise, and Dasha-Bhukti-Antra are positive, so bail apply for Mr.Firhad Hakim may be granted.

Actual Outcome :-
But Mr. Firhad Hakim bail get refused in high court but in first time his bail granted, because the

Antara lord Ketu signify 4,11, as I say Ketu not in Ruling Planets, so it is not strong significator. Finally, his bail gets refused by Honourable High Court of Kolkata.

Government Job (Part - II)

This is continuation of earlier article about Government job (Part-I). It is the dream or aim or ambition for every person. In modern days IT, BT and Multinational companies are dominating the society still peoples prefer for the government job, because it gives job security for the native.

For profession in Vedic astrology we will see D1 (Lagna Chart) and D10 (Dasamsa Divisional Chart). As per Vedic astrology if the Sun is in 10th house gives government job. But Sun alone is not enough for the government job also along with Sun we have to consider other plants also. If Sun is posited in 10th house and if that 10th house is Leo Sign then to some extent we can consider it for government job.

As I wrote in my previous article the Sun is in Libra Sign (here Sun is debilitate as per Vedic astrology). Because as per rule Libra Sign is a Male Sign. So, just don't go blindly on the basis of dictums. Try to think in all angles that why it has taken place. So, analyse horoscope in different angles also. Because theory is different from practical. So, "Leave no stone unturned".

Now, we will see what are houses, planets and signs are responsible or important for the government job. I will present all the related information in this article.
Houses 2, 6, 10 and 11 houses are considered for employment and services because,

2nd House: It denotes money matters, profit and gain, one can earn, financial prosperity, bank position.

6th House: It denotes Job / Service / Day- to - day attendance.

10th House: It denotes Profession / Occupation / Name & fame / Power & Prestige.

11th House: It denotes Desires, hopes, aspirations & their realization.

Karaka Planets for Profession is Saturn and Digbala planets for 10th house is Sun and Mars

KP gives rules clearly that – 11th CSBL should be a significator through its Starlord or Sublord of 2nd or 6th or 10th or 11th house. Or
6th CSBL should be a significator through its Starlord or Sublord of 2nd or 10th or 11th lord Or
10th CSBL should be a significator through its Starlord or Sublord of 2nd or 11th or 6th house lord.

Permanent or Temporary job: If the Sublord of the 6th house becomes the significator of 2, 10 and 11 houses through its Starlord or Sublord then it shows permanent job but if it becomes significators along with houses of 5th or 9th house also denotes temporary job or native is not likely to stick to one job.

If the 10th Sublord is significator of 6th house through Starlord and 7th house through Sublord it indicates private job. Venus is planet for private job as well as for business.

Change of place: Whether the native will get the promised job at the place or at a different place. It should be judged from the Dasa period running at the time of joining the job. If the Bhukti / Antar lord / Pratyanter lord becomes the significator of 2, 6, 10 and 3 or 12 houses it shows the job will be at changed place.

Government Job:
Sign / Rashi: For government job you need Fiery Sign (Aries, Leo, Sagittarius), Watery Sign (Cancer, Scorpio, Pieces) and Male Sign (Aries, Gemini, Leo, Libra, Sagittarius, Aquarius). These Signs/Rashi's will play vital roll in the Government job.

Planets: Sun, Mars, Jupiter and Saturn even Moon to some extent. These planets will contribute their roll in Government job and if they are strong signficator of 6th and 10th and job with security will be very high.

Bhava: 2nd, 6th, 10th and 11th. These are the main house's for Profession as well as for Government job.

Male: 27 October, 1960 @ 18:27:00 Hrs, Vepanapalli (Tamil Nadu). Longitude: 78° 12' 0" E, Latitude: 12° 42' .001" N.

Job Joining Date: 01.10.1982 afternoon. Rahu (2, 6) / Saturn (2, 6, 10, 11) / Jupiter (6, 10, 11) / Venus (2, 6, 10, 11) / Saturn (2, 6, 10, 11) / Jupiter (6, 10, 11).

Analysis:
6th CSBL is Saturn. Saturn is signifying 2, 6, 10 and 11 houses through its Star lord and Sub lord. Saturn is in Venus Star (2,6,10,11) and Rahu Sub (2,6). Native's 6th CSBL is Saturn. Saturn is in Venus Star (Purvashada). The Purvashada Nakshatra indicate the Director position/profession. Native's 10th CSBL is Rahu. Rahu is also in Venus Star (Purv Phalguni). The Purv Phalguni Nakshatra indicate Govt. Service, Executive, Diplomat. And both 6th CSBL Saturn and 10th CSBL Rahu are posited in Fiery and Male Sign. So, the native is Joint Director in government organisation.

2nd House: Gemini sign is the second house in this chart. This is Female Sign.

6th House: Virgo sign is the sixth house in this chart. This is Female Sign.

10th House: Capricorn sign is the tenth house in this chart. This is Female Sign.

11th House: Aquarius sign is the eleventh house in this chart. This is Male Sign.

Sun: Sun is posited in 6th house and this house is Male Sign. Sun is in Rahu Star (Leo) and Saturn Sub (Sagittarius). Both Star lord and Sub lord also posited in Fiery as well as in Male Sign. There is **NO** planet in Sun Star and Sun Sub. So, Sun is strongest planet in the horoscope. That's he is acquired higher post. Because Sun signifies government.

Mars: Mars is posited in 3rd house. Again this is Male Sign. Mars is Jupiter Star (Sagittarius) and Saturn Sub (Sagittarius). Once again Both Star lord and Sub lord also posited in Fiery as well as in Male Sign. Mars is also strong planet in the horoscope because there is **NO** planet in Mars Star.

Jupiter: Jupiter is posited in 8th house and this is Fiery as well as Male Sign. Jupiter is in Ketu Star (Aquarius) and Rahu Sub (Leo). Both Star lord and Sub lord also posited in Fiery as well as in Male Sign.

Saturn: Saturn is posited in posited in 9th house. It is in Fiery as well as in Male Sign. Saturn is in Venus Star (Scorpio) and Rahu Sub (Leo). Star lord Venus is posited in Watery sign. Sub lord Rahu is posited in Fiery and Male sign.

Moon: Even Moon is also strong in this horoscope. Moon (10) is Own Star and Rahu Sub (Leo). Moon is posited in 10th house and there is **NO** planets in Moon Star or Sub.

Conclude: In thi chart both 10th and 11th houses strong because these two houses belongs to Karaka Planet Saturn. And Sun, Mars, Jupiter and Saturn are strong significator to indicate government job. These are all in Fiery and Male signs.

One of the special in this horoscope is all 9 planets are signifying 9th and 12th house and 6 planets are signifying 5th as well as 9th. It means here we should not consider 5th (negation to 6th) and 9th (negation to 10th) for NO job or Change of job. These two house also indicates frequent transfer from place to place with or without promotion since he is Joint Director.

KP Rule
2nd house denotes increase in the number of members of family due to birth of child. 5th house is considered for child birth. It indicates first child or conception or progeny. 7th house indicates 2nd child birth. 9th house indicates 3rd child birth.

8th house signifies sexual urge. 10th house indicates achievement of any undertakings. Being 10th from 8th is 5th house which indicates result of sex. Thus 5th house stands 1st child birth. 7th house stands 2nd child birth. 9th house stands 3rd child birth.

11th is the 5th from 7. The 5th for male and 11th for male are important.
Sun, Mars and Jupiter are male planets. Moon, Venus, and Rahu are female planets. Mercury and Ketu are neutral in gender. Odd number signs (1/3/5/7/9/11) indicate male child.
Even number signs (2/4/6/8/10/12) indicates female child.
However it is most difficult to predict about Gender of Child.

Analysis
9th cusp (Aries 20.39.47) sublord is Jupiter.
Jupiter is in the star of Venus sub of Saturn.
Jupiter is in positional status. Jupiter is the CSL 1-3-5-7-9-11. Jupiter is occupant of 5 and owns 5 and 8. Star lord Venus is occupant of 12 and owns 3 and 10. Sublord Saturn is occupant of 5 and owns 6 and 7. So 9th cusp sublord Jupiter signifies 1-3-5-6-7-8-9-10-11-12. So child birth is promised.

Now the native Anthara is Rahu up to 12.12.2020.
Rahu is in the star of Mars and sub of Mercury.
In Rahu anthara delivery is not going to take place. 3rd house is very important. Because 4th house is the womb of the mother. 3rd house is the 12th house to 4th house.

Next Anthara is Jupiter from 12.12.2020 to 28.02.2021.
Jupiter in the star of Venus sub of Saturn. As have explained above as 9th cusp sub lord Jupiter is favourable for delivery.

In this chart 3rd house significators are Jupiter and Venus.
Ketu is agent of Jupiter.
In KP nodes are powerful.
So I select Ketu Sookshma from 14.01.2021 to 19.01.2021.
Ketu is in own star and own sub. Ketu is agent of Jupiter. Jupiter is 3rd house significator and 3rd cuspal sublord and also in positional status.

So I told to the native the delivery will take place from 14.01.2021 to 19.01.2021.

Next what is the sex of child ?
9th cusp falls in Aries sign 20.39.47. Which is male sign but arc is female. So the child birth is female.

9th cusp sublord is Jupiter. Jupiter is placed in male sign and female arc. So sex of child is female.
9th cusp sublord is in the sub of Saturn. Saturn is posited in female sign and female arc.
So the sex of child is female. Most of the ruling planets at the time of erection of the chart are placed in female signs.

So I told to the native sex of the child is female.

Actual Outcome: My prediction comes true.
The delivery took place on 15.01.2021. Sex of the child is female.

This prediction is given with the blessings of "Lord Mahaganapathi" and Sri. late K.S.K sir who is founder of KP system and also my Guru Sri. M.R. Prasad.

What will I choose CueMaths or Abacus for my children?

Question :- What will I choose CueMaths or Abacus for my children ?
Date : 1st June 2021, Tuesday
Time : 16:13:00 pm
Place : KOLKATA (22.34.N/ 88.22.E)

This is the question asked by my student's sister. She is much confused about CueMaths and Abacus which one to choose for her children.
I applied "OPTION THEORY" propounded by Rajendra Nimje sir, India.

Ruling Planet Details
Day Lord : Mars
Asc Sign Lord : Venus
Asc Star Lord : Jupiter
Moon Sign Lord : Saturn
Moon Star Lord : Rahu (Venus)
Moon Sub Lord : Rahu (Venus)
Rahu is the Agent of Venus here.

The Option Theory considers only four ruling planets, which are as follows:
Asc Sign Lord : Venus
Moon Star Lord : Rahu (Venus)
Moon Sign Lord : Saturn
Day Lord : Mars

Rule of Option Theory:
Write down the rashi number against each of them. Add the number and arrive a total. If the total is more than single digit, then add up to make them to single digit number. Subtract the single digit number in multiples from total option side the remainder single digit.

I have 3 options.
- Choose Abacus
- Choose CueMaths
- Choose Abacus and CueMaths together

Calculation :
Asc Sign Lord : Venus (2+7) = 9
Moon Star Lord : Rahu (Venus) (2+7) = 9
Moon Sign Lord : Saturn (10+11) = 21

Day Lord : Mars (1+8) = 9
9+9+21+9 = 48 (4+8) = 12 – 3 = 9-3 = 6-3 = 3

My Conclusion :
So, I suggested her to choose both Abacus and CueMaths for her son.

Name: Male
Question: Previously I used to get around 2-3 clients every day. Now this is not the case. I hardly get 2-3 clients a week. When will my income from astrology increase, if at all will it increase or not? This is going on specially from Feb 2021. I am worried.
Number: 73 (out of 249)
Time of Judgment: 05/03/2021, Friday; **Time:** 12:27:12 PM IST
Place of Judgment: Kankariya- Ahmedabad **Long/Lat:** 23° N 00'.45", 72° E 36'.01";
Aynamsha: 24°.03'.45"; **Dasa days:** 365.25

Hint
The sub lord of the Ascendant be the significator of 9-12 then, one will get mastery in astrology. Jupiter is a natural ruler of 9 and 12. Moon gives thoroughness. Saturn gives deep thinking. So if sub lord of Saturn be the significator of 9-12 then one gets mastery in astrology. Ketu also indicates astrology.

The sub-lord of the 10th cusp be the significator of 2-9-10-11, then one will be a successful astrologer, during the joint period of the significators of 2-9-10-11.

Cusp 10th (Aries 09°.19'.30"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star and sub of Mars. Jupiter is occupant of 7, owner of 6-9. Star and sub lord Mars is occupant of 10, owner of 5-10. Thus 10th cusp sub lord signifies 7-6-9-10-5. So you will earn from astrology is assured.

Joint period:
Running dasa is Saturn up to 17-07-2029. Running joint period is Saturn-Sun up to 20-06-2021.

Dasa lord Saturn is in the star of Moon and sub of Jupiter. Saturn is occupant of 7, owner of 7-8. Star lord Moon is occupant of 5, owner of 1. Sub lord Jupiter is occupant of 7, owner of 6-9. Thus dasa lord Saturn signifies 7-8-5-1-6-9. So during this dasa you will earn medium money from astrology and get good success.

Bhukti lord Sun is in the star and sub of Jupiter. Sun is occupant of 8, owner of 2. Star and sub lord Jupiter is occupant of 7, owner of 6-9. Thus bhukti lord Sun signifies 8-2-7-6-9. So during this dasa you will earn medium money from astrology and get good success.

Next bhukti will be Moon from 20-06-2021 to 19-06-2023.

Bhukti lord Moon is in the star of Saturn and sub of Sun. Moon is occupant of 5, owner of 1. Star lord Saturn is occupant of 7, owner of 7-8. Sub lord Sun is occupant of 8, owner of 2. Thus bhukti lord Sun signifies 5-1-7-8-2. So during this bhukti you will earn medium money from astrology and get good success.

My Opinion: It shows medium earning till 2023, so don't worry, keep your work.

Outcome: Prediction is proved right. As per clients feedback "Sir your prediction is correct regarding medium income. Again I have started getting clients. In the month of Feb I was struggling. Now it's fine."

As a practicing astrologer I get the maximum number of clients who want to know the results of their exam. So I will be doing a five part series regarding exams.

Horary No: 15
Date: 3rd Jan 2021
Time: 7:40:07 PM
Place: Kolkata
Question: Will I be able to pass my officer post exam in 9th Jan 2021

Rule: Question is regarding competitive exam. Hence the 11th cuspal sub-lord should signify 4th house of studies, 6th house of competition, 9th house of higher studies and 11house of success then one can pass a competitive exam.
12th house from 4,6,9,11 is 3,5,8,10 which is negative for a competitive exam. And 12 house signification is an indication of general loss.

In the horary chart-:
11 cuspal sub-lord is Rahu occupant of 2. No planet is in the stars of Rahu and Rahu is the cuspal sub-lord of 5,6,11. Rahu is aspected by Jupiter occupant of 10, owner of 9,12. No planet is in the stars of Jupiter and Jupiter is the cuspal sub-lord of 1,7 houses.
Rahu is the star of Mars occupant of 12 and owner of 1,8. Rahu is in the sub of its own Rahu.
Thus Rahu is the significator of 12,1,8 and connected with 2,5,6,7,9,10,11.
Positives are: 6,9,11. Negatives are: 5,8,10,12.
Itself the 11 cuspal sub-lord is showing mostly negative results.

Exam is on 9 Jan 2021. At that time joint period lords are Ke-Me-Sa-Ju.

Dasha Ketu is from 15 jan 2014 to 15 Jan 2021.
Ketu is occupant of 8. Ketu is conjoined with Venus, occupant of 8 and owner of 2,7. Ketu is in the star of Mercury occupant of 9 and owner of 3,6.
Ketu is in the sub of Rahu occupant of 2. No planet is in the stars of Rahu and Rahu is the cuspal sub-lord of 5,6,11. Rahu is aspected by Jupiter occupant of 10, owner of 9,12. No planet is in the stars of Jupiter and Jupiter is the cuspal sub-lord of 1,7 houses.
Thus Ketu is the significator of 9,3,6 and connected with 1,2,3,5,7,8,10,11,12
Positives are: 6,9,11. Negatives are: 3,5,8,10,12.
Dasha is totally negative. Hence I did not need to check further what the bhukti, antara and sookshma are showing.

Prediction: 11 cuspal sub-lord is negative. Dasha is also negative. Hence I do not see any chance of passing the exam on 9 Jan 2021.

Outcome: Client informed me in April 2021 that he failed the exam.

Pranam to my guru Kanak sir for his support.

Question : Is the Bitcoin Investment offer is good for me or not ?
Horary No : 59 (out of 249)
Date : 20th May 2021, Thursday
Time : 05:41 pm
Place : KOLKATA (22.34.N/88.22.E)

One of my known persons got an offer of bitcoin (online trade currency) from an unknown person. He asks me whether it is favourable or not. I proceeded the query through horary chart.

Rule :-

1) If the 11th cuspal sublord through its starlord and sublord signifies 1,2,3,6,10,11 houses along with Dasha, Bhukti, Antara period, then the offer is good.
2) If the 11th cuspal sublord signifies 4,5,8,9,12 houses then it is fraud offer or it is just like a trap.

Calculation:-

In this horary chart 11th cuspal sublord is Saturn. Saturn is in the star of Moon and sub of Mercury.
Saturn occupies 7th house, lord of 8th and 9th houses. Saturn is untenanted, here no planet is in Saturn star.
Saturn's starlord Moon occupies 2nd house. Saturn's sublord Mercury is in 12th house, lord of 4th and 1st houses.

Note:- Saturn is the cuspal sublord of 5th cusp also.

For more clarity, we check the Dasha – Bhukti – Antara

Dasha – Bhukti – Antara period:-

At present time Venus Dasha, Venus Bhukti, Rahu Antara are going.

Dasha Lord – VENUS:-

Venus occupies 11th house, lord of 5th and 12th houses. Venus is in star of Moon, Moon is in 2nd house, lord of 2nd house. Ketu is in 5th house, agent of Venus, signifying 5th, 11th, 12th house.

Bhukti Lord – VENUS:-

Venus is already discussed as above.

Antara Lord – RAHU:-

Rahu is in 11th house. Rahu is the agent of Mars in 12th house, lord of 11th and 6th houses. Rahu is in star of Moon, signifying 2nd house. And Rahu is in sub of Saturn, occupying 7th house, lord of 8th and 9th houses.

My Conclusion :-

The offer is not favourable.

Who will Marry Whom? (Part - II)

This is continuation of my earlier article of the same topic. I am retaining all the information of earlier article, just for readers reference.

This time my article is on 7th house. In astrology the 7th house is the house of Partner or Spouse. It is a primary house for marriage. The 7th house represents legal bondage.

The 7th house indicates Marital life, Sexual pleasure, Husband and Wife, Wife's wealth, Divorce etc.

If the 7th Cuspal Sub Lord signifies 2 or 7 or 11 and Karaka Venus then the marriage is promised and the same fructifies in the conjoined Dasa period of the significators of 2, 7 and 11.

If the houses 2, 7 and 11 connected with benefic planets either association or by aspect denote that the partner in life will come of a respectable family, will be virtuously disposed and will possess good qualities to enable one to lead a happy and harmonious wedded life.

Now the question is that is it possible to know well before or identify to whom he/she will marry. Is it possible to know in advance that of which Sign (Rashi), which Ascendant (Lagna), Moon and 7th lord of the Bride or Bridegroom will marry.
Guruji KSK has given more and more information about 7th house they are (a) Age difference between Spouse/Partner (b) Spouse / Partner from where (through relations or place) (c) Will spouse/partner is employee (d) Sexual Desires and Behaviours and so on.
The Astrology says yes to maximum extent. Then how find it.
In natural zodiac except Sun and Moon all Five planets owns Two Sign each. (**Mars:** Aries and Scorpio; **Venus:** Taurus and Libra; **Mercury:** Gemini and Virgo; **Jupiter:** Sagittarius and Pieces; **Saturn:** Capricorn and Aquarius)

Bride and Bridegroom Lagna/Lagna Lord and its two rashis. 7th house/7th Lord and its two rashis. Moon/Moon Lord (posited) and its two rashis plays a vital role in both the horoscopes. These above combinations will be interlinked or will exchange or signify each other in couples horoscopes

You can see interlinks in the chart to understand it clearly.

Husband: 03.01.1966 @ 09:34:46 Hrs, Raichur, Karnataka. Longitude: 77° 21' 27" E, Latitude: 16° 12' 12"N.

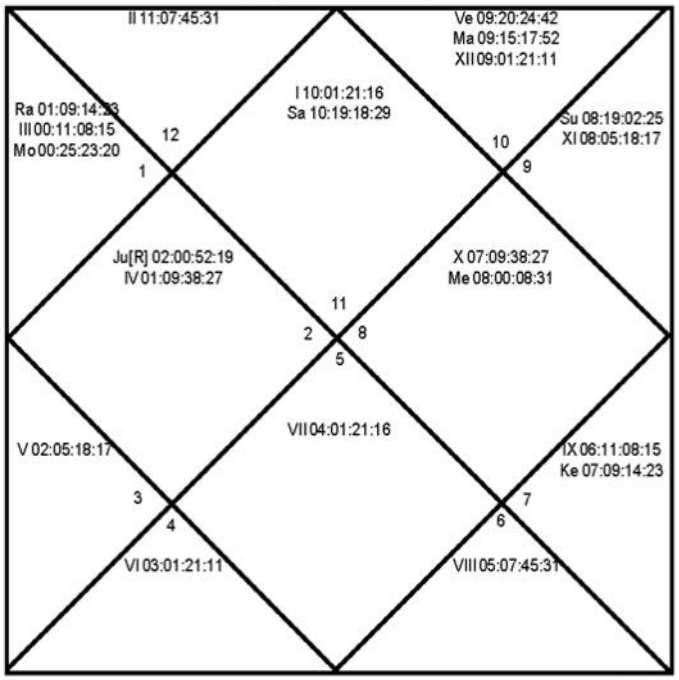

Chart Analysis:
Lagna: The lagna is Aquarius. The lagna lord is Saturn and Saturn is lord of Capricorn and Aquarius Sign.
Moon: Moon is posited in Aries. The lord of Aries is Mars. And Mars is lord of Aries and Scorpio.
7th House: 7th House is Leo. The lord of Leo is Sun.
Conclusion: Wife's lagna is Libra. The lord of Libra is Venus. Also the Venus is lord of Taurus. So, Husband Moon is in Aries Sign and the same Aries is Wife's 7th house.

In my future articles I will be presenting another 3 couples horoscopes on this title. So, my humble request to astrologer is that please think or put a light on this to know more and more about this. Off course it may not happen for all couples chart. But if it is matching 7 to 8 charts out of 10 charts then we can conclude that this concept is correct and we can adopt this in future for matching of horoscopes. Because it will also help us to add one more point in matching of horoscopes.

Questions & Answers

Question 1: Retro RPs
Please guide me about Retrograde Ruling Planets. In certain parts of every year more than three or four planets become Retro. When most RPs have Retro Star lord or Sub lord, how to proceed in horary or natal chart?

Answer 1:
Retrogression doesn't matter in analysis natal chart. Even in horary analysis, the emerging trend is neglecting retrogression as it has been found not hinder the event happen in so may cases. So retrogression can be neglected in natal as well as horary analysis as done by many KP astrologers including late Sunil Gondhalekar, Kanak Bosmia.

Question 2: Significator of rank E
Sometimes what happens the dasha lord in birth horoscope is in star and sub of own and is not showing any job giving houses still the person got job. How to judge such cases?. Do we have to then look into aspects or something like that?

Answer 2:
Whenever significators of rank A, B, C, D, as shown in KP SW printouts, are not available the significator of rank E, which is the significator conjoined or aspected by significators of rank A,B,C,D.

Question 3: Ketu in star of Ketu
When Ketu is in the own star of Ketu, whether star lord Ketu will give the result of lord of the sign occupied by Ketu?

Answer 3:
Rahu/Ketu gives the results of: (Rahu/Ketu Rules in KP, in KPE-Zine, May 2007 issue)
1) House occupied by Rahu/Ketu,
2) Planet in conjunction with Rahu/Ketu,
3) Planet in aspect to Rahu/Ketu,
4) Star lord of Rahu/Ketu and
5) Lord of sign occupied by Rahu/Ketu.

Yes, star lord Ketu will give the result of lord of the sign occupied by Ketu when Ketu is in the own star of Ketu.

Since the example chart with Ketu in the star of Ketu is not available in the six KP Readers, a prisoner chart with Ketu in the star of Ketu is attached.
In some KP SWs Ketu is indicated as agent of Ketu, which is not reasonable, and so such indication isn't used in the KPastro SW.

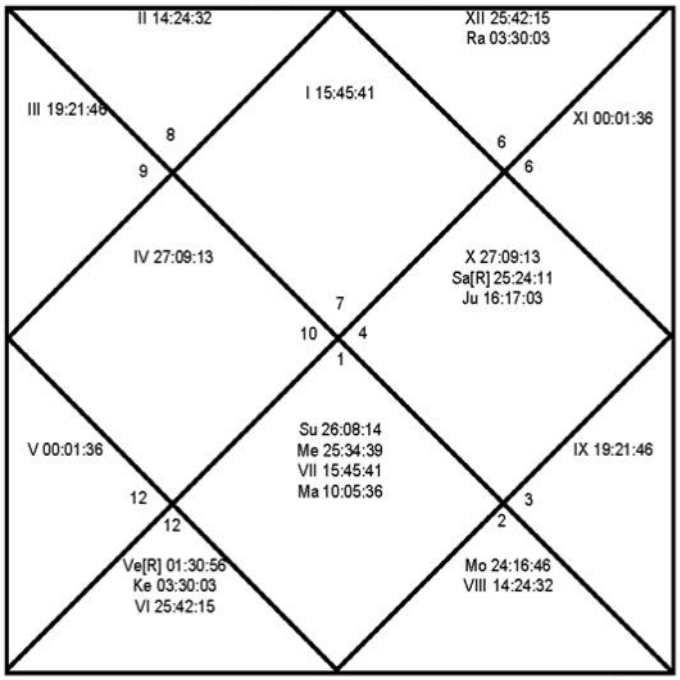

In the attached chart Ketu is in the sign of Aries representing Mars in house 7, lord of houses 2,7, which is given by Ketu as planet and also as star lord.
Please see the example charts where star lord Ketu gives the result of lord of the sign occupied by Ketu in KP Reader III, pp 85,111,142; KP Reader IV, pp190, 225; KP Reader V, p 200; KP Reader VI, p 190.

Nakshatra Exploration: A Unique Exponent of KP Astrology Based on Research Study
by Partha Sarathi Rout
Notionpress.com, 2021, 609 pages

"Nakshatra Exploration" is written with the sole objective of enabling the readers to master the true concept of Predictive Stellar Astrology, what Guruji KSK wanted to interpret in his various monumental work. In the present research work on the KP system, the author has established so many rules with practical examples, enabling him to grasp the logic in applying the original methodologies of KP principles, by his extensive research in this field for a decade. Apart from giving a detailed method to study the horoscope, the author has compiled 125 significant KP rulings, 26 prime Muhurath rulings and a detailed KP house grouping along with 44 most comprehensive know-how which bears witness to the author's knowledge in the field of KP astrology. Another noteworthy point is that, through a few practical examples written at the end of the Practical Stellar Astrology section of this book, the author sheds light on his researched 'Modified KP (MKP)' principles.

In the chapter Part-IV of this book the author sheds light on his research based "Modified KP (MKP)" principles. The concept is little different from the conventional application method of KP astrology. Basic foundation of this principles are, in astrological prediction, it is important to examine nature (Karakatwas) of a planet, combination and their constellation lords and virtues (Gunas) and strength obtained by them. Therefore, some KP

rulings and few practical examples charts at the end of “Practical Stellar Astrology” section of this book, have been complied, written and analysed based on those principles.

Natal Analysis vs Horary Analysis of Medical Exam Score

By: Tin Win
Email: tw853@yahoo.com

In August 2021 a lady gave me her birth details and asked me whether she could pass and get high sore in the American medical exam to be held in early September 2021.
After analyzing her natal chart I told her that she could pass the medical exam but not with high score.
She asked me to check her query again by horary analysis by giving the horary number 158 as horary analysis has given her better results before.
The horary analysis shows that the native could pass the medical exam with high score.
In fact she passed the medical exam with high score.
Therefore if the results of natal analysis and horary analysis are different, then the result of horary analysis could be taken as the birth time is more accurate in horary analysis than natal analysis.

KP Rule for Exam Results of Higher Study
If the 9th (higher education) and 11th (gain and fulfillment of desire) cuspal sub lords (CSL) be the significator of 4 (basic education),9 or 11, then one will pass the exam of higher study in the conjoint dasa period of significators of 4,9,11.

Natal Chart Analysis
Female, 07 Mar 1985, 11:58 PM, h6:30e, 25N23, 97E01, Myanmar

The joint running dasa period at the time of examination, early Sept 2021, would be Rahu/ Moon/Saturn/Saturn DBAS (27 Aug to 10 Sept 2021)
Dasa lord Rahu+ is in 6 and the cuspal sub lord (CSL) of 6-7-10 having no planet in its stars. Rahu is in the sign of Aries representing Mars+ in 5, lord of 1-6. Rahu is in the star of Sun in 4, lord of 10, and sub of Moon in 10, lord of 9. Dasa lord Rahu signifies favorable 4-9 for passing the medical exam.
Bhukti lord Moon is in 10, lord of 9, in the star of Sun in 4, lord of 10, and sub of Jupiter in 2, lord of 2,5, signifying favorable 4-9 for passing the medical exam.
Antra and Sookshma lord Saturn is in 12, lord of 3-4, in the own star and sub of Saturn, signifying favorable 4 for passing the medical exam.
Thus natal analysis indicates that the native would pass the medical exam by the signification of 4-9 but not with high score due to lack of signification of 11.

Horary Chart Analysis
Name: Female
Question: Can I get high score in medical exam to be held in early Sept 2021?
Horary number: 158/ 249
Date of judgment: 18 August 2020, 02:13:45 PM DST, h5w
Place of judgment: Maryland, USA, 39N05, 77W09
Ayanamsa: 24:03:18 (New KP)

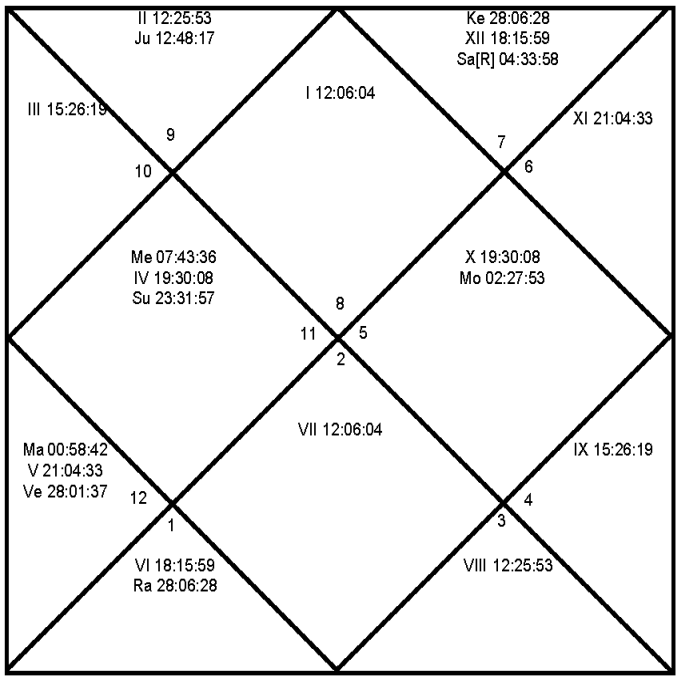

9th CSL Saturn+ is in 2, lord of 3, the CSL of 3-4-7-9-10 having no planet in its stars. Saturn is in the star of Sun in 9, and sub of Jupiter+ in 2, lord of 2-4. Thus 9th CSL Saturn signifies favorable 4-9 for promise of passing exam.
11th CSL Venus is in 7, lord of 7-11-12, in the star of Rahu, and own sub of Venus. Rahu is in 7, conj. Venus, aspected by Jupiter in 2, lord of 2-4, in sign Gemini presenting Mercury in 9, lord of 8-10. Thus 11th CSL Venus signifies favorable 4-9-11 for promise of getting high score in the medical exam.

The joint running dasa at the time of exam, early September 2021, would be Mercury/ Venus/ Mercury/ Mercury (17 Aug to 06 Sept 2021).
Dasa, Antra and Sookshma lord Mercury is in 9, lord of 8-10, in the star of Ketu in 1, conj. Jupiter in 2, lord of 2-4, and sub of Sun in 9, signifying favorable 4 and 9 to pass the medical exam.
Bhukti lord Venus, as explained above, signifies favorable 4-9-11 for promise of getting good score in medical exam.

Thus horary analysis shows that the native could pass the medical exam with high score.

Actual Outcome: The native passed the medical exam with high score.

Question: Is there any chance to pass National Register of Citizens (NRC) Bill in Parliament during 19th July 2021 to 13 August 2021?
Number: 66 (out of 249).
Date of Judgment: 10-07-2021, Saturday; **Time of Judgment:** 11:36:29 AM
Place: Kankariya- Ahmedabad **Long/Lat:** 23^0 N 00'.45", 72^0 E 37'.01"
Ayanamsha: 240.04'.02"; **Dasa Days:** 365.25

Hints
If the cuspal sub lord of the 7 (view of parliament, /9th = view/ from /11th = parliament/) be the significator (in the star of the occupant or owner) of 9 (making something legal/ law), 11 (support to give or take), 10 (document granting authority), law making in parliament is promised during the joint period of the significators of 10, 9 and 11.

7th Cusp (Sagittarius 29^0.26'.40"): The sub lord of 7th cusp is Jupiter. Jupiter is in the star and sub of Rahu. Jupiter is occupant of 8, owner of 6-10. Star and sub lord Rahu is occupant of 11. Rahu is in Taurus sign, hence represents Venus. Venus is occupant of 1, owner of 11. No planet is in the stars of Venus and Venus is the CSL of 12. Thus 7th cusp sub lord Jupiter signifies 8-6-10-11-1-12. 7th cusp sub lord indicates 10-11, so there is chance of passing National Register of Citizens (NRC) bill.

Ruling Planets
At the time of judgment, ruling planets are as under:

	Day lord	Sign lord	Star lord	Sub lord
Day: Saturday	Venus	—	—	—
RP Ascendant: Virgo 08°.20'.05"	—	Mercury	Sun	Venus
RP Moon: Gemini 26°.27'.14"	—	Mercury	Jupiter	Ketu

Rahu is in Taurus sign, hence represent Venus. Thus ruling planets are Venus, Mercury, Sun, Jupiter, Rahu and Ketu.

Joint period:
Running dasa is Jupiter up to 12-10-2029. Joint period during 19th July 2021 to 13 August 2021 will be Jupiter-Ketu-Mercury up to 25-08-2021.

Dasa lord is Jupiter and we have discussed above. Jupiter is in RPs.

Bhukti lord Ketu is in the star of Saturn and sub of Rahu. Ketu is occupant of 5. No planet is in the stars of Ketu and Ketu is the CSL of 3-9. Ketu is in Scorpio, hence represents Mars. Mars is occupant of 1, owner of 5. Star lord Saturn is occupant of 7, owner of 7-8-9. Sub lord Rahu is occupant of 11. Rahu is in Taurus sign, hence represents Venus. Venus is occupant of 1, owner of 11. No planet is in the stars of Venus and Venus is the CSL of 12. Bhukti lord Ketu signifies 5-3-9-1-5-7-8-11-12. Ketu is also in RPs.

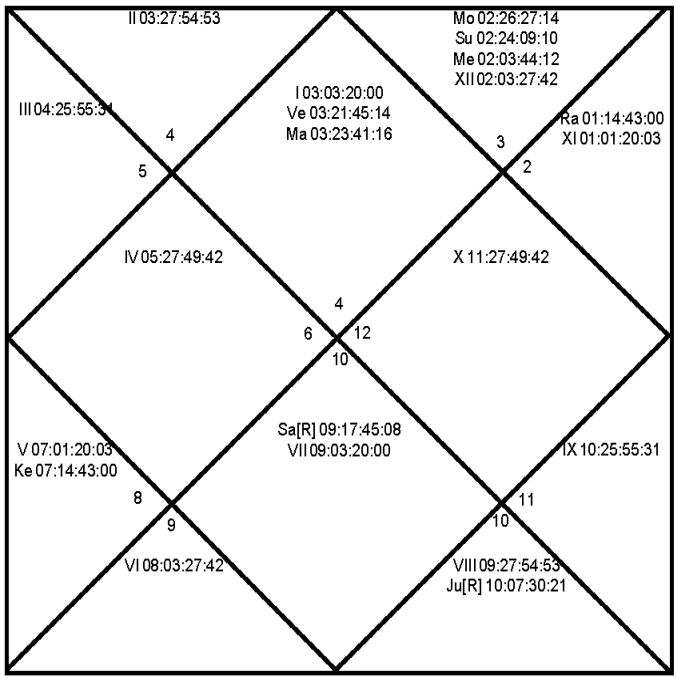

Antra lord Mercury is in the star of Mars and sub of Venus. Mercury is occupant of 12, owner of 4-12. Star lord Mars is occupant of 1, owner of 5. Sub lord Venus is occupant of 1, owner of 11. No planet is in the star of Venus and Venus is the CSL of 12. Thus Antra lord Mercury signifies 12-4-1-5-11.

EASY WAY TO LEARN KP HORARY ASTROLOGY

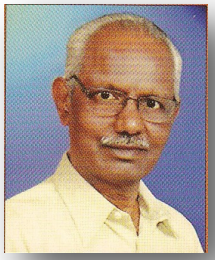

This is my eighth book. I hope it will get the same enthusiastic response that my earlier books.

In this book, I have given 211 examples to illustrate the KP Horary astrology. I am sure readers will not be disappointed. I use 6 fold table instead of popular 4 fold table. Also it is said that retro planet effect in KP horary do not give any result. In this book, I have provided many examples using retro planet effect which give accurate results. For any unknown person, most of KP astrologer use to rotate chart 9th as Ascendant, but I never rotated chart and get very good result.

When will Tulsi our cook comes for her duty today to our house?

Email: gunti.nagaraju@gmail.com

Our Cook used to come home for her duties daily at 08-30 A.M.
Suddenly today i.e.30-06-2021 in the morning houses @07-21-39 hours, @ MY PLACE, I got a premonition that she may come late for her duties and the result is the question that arose in my mind.
(Mrs Tulasi's daily scheduled timings for her duties are 08-30-00am to 04-30-00p.m)
Immediately I opened my KP Astro 4.5 site in my lap-top, erected Ruling Planets on 30-6-2021 @07-21-39 A.M and the RPs chart is attached.

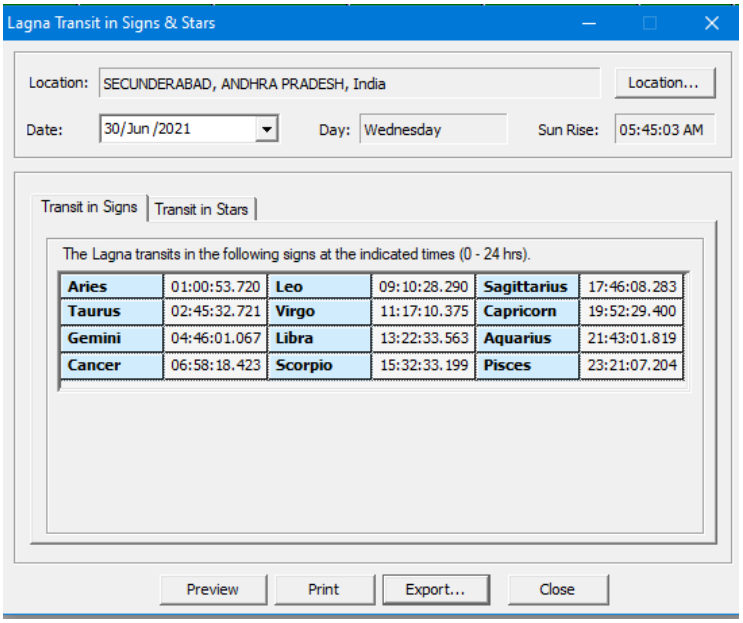

As per K.P. Rules Moon indicates the day and date of the event, and the Ascendant indicates the time of arrival in Hours-Minute-seconds.

Here I must arrive at what is the expected time at which, the candidate is expected is to be, by moving the Ascendant on 30 June 2021 from the time of judgment that i.e.07-21-39 A.M. Astrologically, all of us know that every Lagna takes 02-00-00 hours (approximately) to move from one Lagna to another in a day of 24 hours.

India lies in the Northern hemisphere, with the mainland extending between latitudes 8°4'N and 37°6'N and longitudes 68°7'E and 97°25'E.

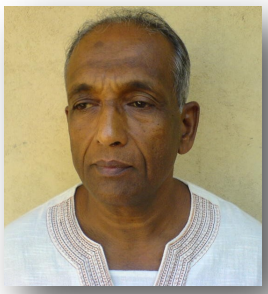

As per the above, our India falls in the Northern hemisphere,

From the above table of Lagnas, our Cancer Ascendant at the Time of Judgment runs from 06-58-18 A.M to 09-10-28 A.M.
At TOJ the Ascendant Cancer was on 95-13-41 longitude with –
SGL-MOON-SATURN-STL-SATURN-SBL- JUPITER-SSBL.
Our RPs on the time of judgment @07-21-39 A.M are—
Asc-MOON-SATURN (3)-JUPITER-MERCURY.
So, I feel that the arrival time of the lady should tally with the RPs at TOJ.
Now let me check the movement of the Ascendant CANCER, as the next Ascendant falls in Leo whose lord Sun is not in our RPs. So, I should go only for CANCER lagan and its movement.
Since her scheduled arrival is 08-30-00 A.M, I am expecting her to arrive only either at the daily expected time or late by few minutes.
POSITION OF CANCER LAGNA from 08-30-00 A.M onwards ---
With an assumption that the Ascendant Sub-lord changes (approximately) for every 00-05-00 minutes, the position is furnished hereunder—

TIME	-- SIGN LORD	STAR-LORD	SUB-LORD	
08-30-00.A.M	MOON	MERCURY	VENUS	---Not in our RPs.
08-35-00 A.M			SUN	---Not in Our RPs.
08-40-00 A.M			MOON	---YES but it is only SGL.

And there is PP Dosha and as it causes delay, Moon which has appeared cannot give the event in the first attempt.
08-45-00 A.M } MARS-RAHU –Both are not in our RPs.
08-50-00 A.M.}
08-55-00 -09-00-00 A.M JUPITER-Yes it is in our RPs.
But Jupiter when compared to Saturn which is reflected thrice in our RPs, is not strong enough to give the expected result. As such I prefer to go to Saturn sub in the next level.
09-05-00 A.M SATURN. It is reflected thrice and that too the lagna itself is in Saturn star and Saturn sub. So, I pitched up on Saturn alone for the expected results.
Now that the sub-lord Saturn is fixed as the decider of the event, now I have to proceed further with the sub-sub-lord to fix the exact time of fructification.
@09-05-00 the Ascendant falls in Moon sign, Mercury star, Saturn sub and Venus sub-sub.
Here Venus the SSBL is not in our RPs. so, I dropped Venus as SSBL.
@09-06-20 A.M—MOON-MERCURY-SATURN – SSBL-SUN
@09-06-40 A.M-- ---SSBL -MOON.
To 09-07-20 A.M—Moon as SSBL runs and Moon is in our RPs.
So, I have fixed the TIME of her arrival as 09-07-20 A.M.
FACTS OF THE CASE: -- SHE HAS ARRIVED AT 09-07-00 A.M. EXACTLY.

There is no doubt that all astrology enthusiasts have read about the EYE diseases for countless times in this magazine as well as various other astrological sources. But according to me, still there are many more planetary reasons connecting with eye diseases, hidden in the Solar System. What our Guruji Sri KSK has said that this the road, go and do research and find the hidden gems of Astrology for the sake of future generation.

Accordingly, I wanted disclose the particular reasons for Blindness by Birth. Due to this ardor, I have done a simple research using a single chart in this connection and it appeared in 2017 July issue of KPEZine, with my conclusion, *"In addition to the above KP rules, if Uranus is in any way connected with Saturn and sign Aries during the period of gestation or pregnancy there may be total blindness of the child".* But the following of this rule is not so easy, since the background of the expectancy is very personal and confidential which belongs to the women. Gestation should be counted from the date of last menses, but at least the pregnant lady doesn't know the exact date in most cases. Hence, I thought it is better to go through the natal chart, than to unknown incidents of the fetus.

Having collected the following 6 Blind Birth charts with the courtesy of www.astro.com, analysis is done, comparing with the above said chart:

As per the above table Uranus is in anyway connected with Saturn, Rahu and Aries sign and Badhaka. As we know Saturn and Rahu are dark planets.

What about the Aries sign? Sign **Aries** externally rules: Head taken as a whole (face, nose, ears, eyes and mouth. Some of Aries diseases are eye diseases, blindness, optic nerve weakness, retinal damage, hyperopia (far sighted), myopia (near sight), presbyopia (old age vision), mental diseases and disorder of the brain, hearing problems, accommodation (the focus of the eyes).

In addition to the above results Sun, Moon and Venus are afflicted in the whole set of charts. As per the outcomes of the above tables, Uranus plays a great role for birth with blindness, when it is connected with dark planets Rahu and Saturn, while 2 & 12 cuspal sub lords are connected with 6, 8, 12 and birth DBAS are connected with any of 6, 8, 12.

Before the end, I wish to talk something about Uranus, especially for the benefits of new comers, since my main observation goes to Uranus,

Uranus is also called "Herschel" in honor of its discoverer Sir William Herschel, and discovered on the13th March1781. Uranus has affinity with the human eyes, as it rules the *Ether (in Hindi - eether) and transmit the rays of light. So, Uranus has special affinity with the eyes. Also, Uranus has affinity with the Zodiacal sign Aquarius. Generally, Uranus is known as the planet of nerves, as well as Mercury.

Followings are some of the matters of the human body ruled over by Uranus.

Aura (the physical and magnetic Aura), Brain, Breathing, Sudden Changes, Circulation in the kidneys, Eyes, Nerve fluids, Genito urinary organs, Abnormal growth, Heart Valves, Respiratory actions, Spinal code and Stomach membranes, Temperament, Dry and cold diseases, **Quivering of eyeballs, disorder of eyes**, Cramps, Fractures, Palpitation etc.

Also, when connected with the sign Aries, there may be sudden blindness and blood vessels bursting in the eye. *(This has happened to this writer in 2002, as a result of Uranus is depositing in the star of Mars the lord of Aries and still suffer, by hardly managing the day today life as a one-eyed man. According to the eye specialist this is incurable. The world famous Sankara Nethralaya of India too refused to undertake with a guarantee of curing.)*

*Ether = A substances or fluid supposed to fill all space/region above the clouds

However, I am not haste to give a conclusion only on Uranus and dark planets, as the culprits since I have found some charts with the so-called combinations of Uranus, who are not blind by birth, but partially blind and age-related Cataract, Surgery and Lens transplanting.

For example, my Uranus is connected with Saturn, Rahu, Sign Aries and both Saturn and Rahu are connected with Badhaka……. Let's see the reasons for such eye ailments by Uranus from the next part of this article.

When will my daughter get married?

Date: 23 Jan 2021
Time: 1:34:20 PM
Place: Kolkata.

Question: My daughter's marriage is fixed. But it's getting delayed. When will my daughter get married?

Rule: If 7th cuspal sub-lord is the significator of 2 (addition of family member), 7 (marriage) and 11 (long-term relationship, fulfilment of desire), then marriage happens during the joint period of significators of 2,7,11.

In this horary chart:
7th cuspal sub lord is Mars occupant of 12 owner of 7, 8. Mars is in the star and sub of Venus occupant of 9, owner of 1, 2. Thus Mars is the significator of 9, 1, 2, connected with 7, 8, 12.
Signification of 2, 7 shows marriage and 8 indicates some delay in getting married.

Ruling planets at time of judgement
Asc: Venus Moon Mercury
Moon: Venus Sun Mercury
Day lord: Saturn
Rahu is conjoined with Moon hence represents Moon.

Current Dasha Sun (22 Oct 2016 to 22 Oct 2022)
Sun is occupant of 9, owner of 5. Sun is in the star of own and sub of Venus. Venus is occupant of 9 and owner of 1, 2. Thus Sun is the significator of 9,5, and connected with 1,2. Sun is in RPs thus OK.

Current Bhukti Mercury (10 August 2020 to 17 June 2021)
Mercury is occupant of 10 owner of 3,6. Mercury is in the star of Mars occupant of 12 owner of 7,8. Mercury is in sub of Saturn occupant of 9 owner of 10,11. No planet is in the stars of Saturn, and Saturn is the cuspal sub-lord of 2,3,8,9 houses.
Thus Mercury is the significator of 12,7,8 and connected with 2,3,6,9,10,11.
Mercury is in RPs twice, OK.

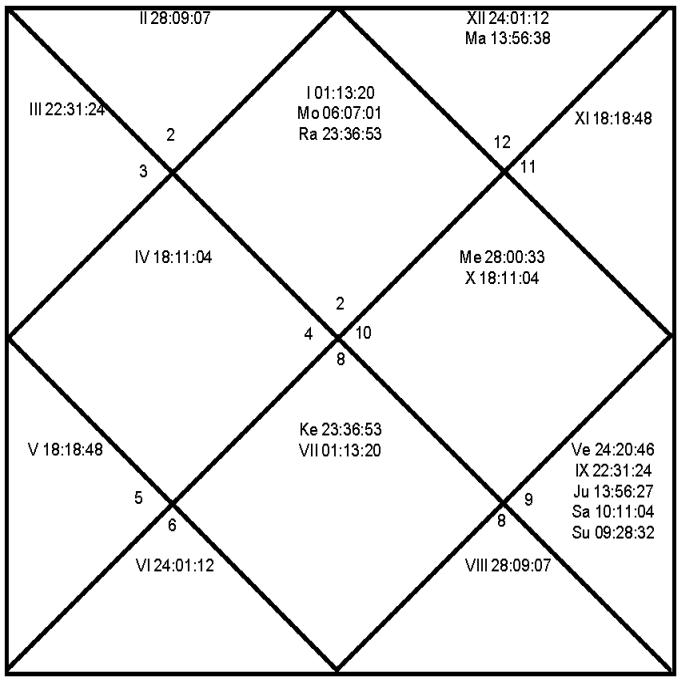

Prediction: Within 17 June 2021 your daughter will definitely get married.
Outcome: Daughter got married on 29th May 2021.

Can I know my child Ascendant, Moon and 5th Sign in advance? (Part - II)

Meaning: Cattle, Wife, Children and Home are the result of previous birth bondage. Once the debt is annihilated there is no relationship and hence end of suffering in this Samsara.

In this article I am presenting with two children's horoscopes. Here for 1st child we will see from 5th house and for 2nd child we will see from 7th house.

This is same as my another article of "Who will marry to whom?". In this article I am trying to explain that particular child is also decided in our previous birth or runanubhanda as above sloka tells us. It means our child's Ascendant, Moon sign and 5th house will be connected to particular father and mother. Because I have tried this in parents and child horoscope and it is matching exactly.

5th house in astrology gives you about progeny or childbirth. It is a primary house for progeny.

The 5th house represents the first conception of child, pleasures, society and social inclinations, the tastes and fancies, artistic talents, recreation, entertainment, banquets and parties, romance, love, affair, cinema, place of entertainment, theatrical performances etc.

If the 5th Cuspal Sub Lord signifies 2 or 5 or 11 and Karaka Jupiter, then the childbirth is promised and the same will fructify in the conjoined dasa period of the significators of 2, 5 and 11.

Now the question is whether it is spossible to know well before or identify in advance that of which sign (Rashi), which Ascendant (Lagna), Moon and 5th house/lord of the both father and mother; 4th (mother) and 9th (father) house in child's horoscope.

The Astrology says yes to maximum extent. Then how to find out?
In natural zodiac except Sun and Moon all five planets owns two signs each. (**Mars:** Aries and Scorpio; **Venus:** Taurus and Libra; **Mercury:** Gemini and Virgo; **Jupiter:** Sagittarius and Pieces; **Saturn:** Capricorn and Aquarius).

In horoscopes of parents and child Lagna/Lagna lord and its two rashis, 5th house/5th lord and its two rashis, Moon/Moon lord (posited) and its two rashis play a vital role in both the horoscopes. These above combinations will be interlinked or will exchange or signify in each other horoscopes.
You can see interlinks in the chart below to understand it clearly.

Chart Analysis:
Lagna: The lagna is Aquarius. The lagna lord is Saturn and Saturn is lord of Capricorn and Aquarius Sign.
Moon: Moon is posited in Virgo. The lord of Virgo is Mercury. And Mercury is also lord of Gemini and Virgo.
5th House: 5th house is Gemini. The lord of Gemini is Mercury. And Mercury is also lord of Gemini and Virgo.

Query : When Courier Will Come?
Horary Number : 42/249
Date Of Judgement : 02.06.2021
Time Of Judgement : 01.47.37 PM
Place Of Judgement : Kavali, 14.57 N, 80.02 E

KP Rule
If the cuspal sublord of 3rd or 11th be the significator of 3 (document like courier, letter, instrument etc) or 11 (gain, fulfilment of desire), then courier will be received in the joint period DBA of significators of 3 and 11.

Moon reveals the nature of query. Moon (Aquarius 18.23.44): Moon is in the star of Rahu and sub of Moon. Moon is occupant of 9 owns 3. Star lord Rahu is occupant of 12. Sub lord Moon is occupant of 9 owns 3. Moon signifies 3. Hence query is genuine.

3rd cusp (Cancer 21.52.33) : 3rd cuspal sublord is Sun. Sun is in the star of Moon and sub of Mercury. Sun is occupant of 12 owns 4. Star lord Moon is occupant of 9 owns 3. Sublord Mercury is occupant of 1 owns 1, 2 and 5. So 3rd cuspal sublord signifies 3 and courier will be received for sure.

11th cusp (Pisces 25.00.24): 11th cuspal sublord is Rahu. Rahu is in the star of Moon and sub of Saturn. Rahu is occupant of 12. Star lord Moon is occupant of 9 owns 3. Sub lord Saturn is occupant of 9 owns 9,10. Hence 11th cuspal sublord signifies 3. So courier will be received for sure.

Significators
3 Su-Mo-Sat-Rah
11 Ma-Ju
Su-Mo-Ma-Ju-Sat-Rah are the significators.

Coming to DBAS
Rahu Dasa/ Moon Bhukthi/ Rahu Anthara/ Venus Sookshma: 24.05.2021 to 06.06.2021.
Dasa and Anthara lord Rahu is explained above.
Bhukthi lord Moon is also explained above.

Coming to Sookshma Venus. Venus is in the star of Mars and sub of Moon. Venus is occupant of 1 owns 6. Star lord Mars is occupant of 2 owns 12. Sub lord Moon is occupant of 9 owns 3. So sookshma dasalord Venus is favourable for receiving courier.

Here 11th house significators are only Mars and Jupiter.
Tomorrow Moon is transiting in Jupiter star that is on 03.06.2021.
So I have told you will receive your courier tomorrow 03.06.2021.

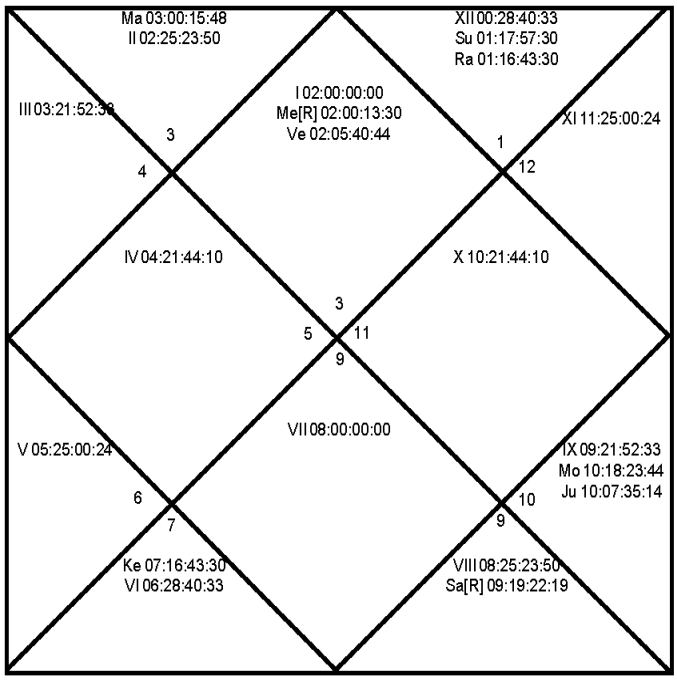

Actual Outcome : The native received courier on 03.06.2021.
This prediction is given with the blessings of "Lord Mahaganapathi" and Sri.Late KSK sir who is founder of KP System and also My Guruji Sri.M.R.Prasad.

Delay in marriage due to non-negotiations

By: Siva Prasad Gantha
HIG 72, Bharatnagar Colony, Hyderabad-500018.
Mobile: 9440152397; E-mail: siva.gantha@gmail.com

As per K.P. the relevant houses of marriage are 2,7 and 11. Marriage is promised if the 7th cuspal sublord signifies 2 or 7 or 11. Successful negotiation of marriage is a pre-requisite for celebration of marriage. Negotiation of marriage will be successful if the DBA lords are connected to 3,9,11.

EXAMPLE 1: A client has approached me on 17th October 2018 at 12-29 p.m. (Wednesday) with the birth details of the girl to know the probable period in which the marriage will takes place. The birth details are as under:

DOB: 7-10-1991 Time: 9-09-06 am Place: Chilakaluripet (Long: 80-10E Lat: 16-5N)

The native has borne in the star of Moon (Hastha) with ascendant Scorpio. Rahu represents Jupiter and Kethu represents Mercury.

In this chart the 7th cuspal sublord is Saturn in 3 lord of 3,4. Saturn is in the star of Sun in 11 lord of 10 and in the sub of Mercury in 11 lord of 8, 11. No planets occupy the stars of Mercury. As Saturn signifies 11th house marriage is promised. The significators for the marriage are as follows:

Cusp	A	B	C	D
2	—	Rahu	Ket	Jup
7	—	—	Rah	Ven
11	Su, Mo ,Me ,Sa ,Ma	Mo, Su, Ma, Me	—	Mer
3	—	Sat	—	Sat
9	—	—	Me, Su, Mo	Mon

The dasa, bhukthi and anthara running currently on the date of analysis is Rah-Mer-Sat.

The dasa lord Rahu is in 2 in the star of Venus in 10 lord of 7, 12 and in the sub of Jupiter in 10 lord of 2, 5. As Rahu signifies only 2, 7 it is not favorable for negotiations of marriage.

The bhukthi lord Mercury is in 11 lord of 8,11 in the star of Moon in 11 lord of 9 and in the sub of Venus in 10 lord of 7,12. Though Mercury signifies 7,9,11 but its connection to 8,12 houses negotiations of marriage were not come up for settlement.

Kethu is not a significator of marriage negotiations and hence it is rejected as bhukthi lord.

Venus, running its bhukthi up to 6-3-2023, is also not a significator for settlement of marriage.

Though the marriage is promised the relevant DBA lords for the settlement of marriage, are not running their period and hence the native remained unmarried resulting in delay in materialization of marriage.

EXAMPLE 2: The birth details of the native are as under:

DOB: 14-7-88 Time: 20-29-39 Place: Vijayawada

The native has borne in the star of Saturn (Pushyami) with an ascendant of Capricorn.

In this chart the 7th cuspal sublord is Saturn in the star of Kethu and sub of Moon. Saturn is in 11 lord of lagna in the star of Kethu in 7 and in the sub of Moon in 6 lord of 7. As Saturn signifies 7, 11 marriage is promised. The significators of marriage are as follows:

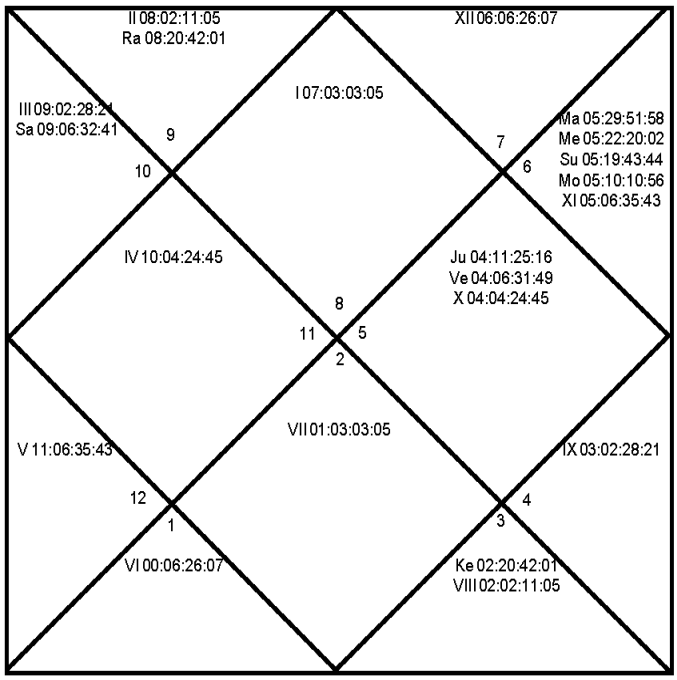

Cusp	A	B	C	D
2	—	Mar	Sun, Rah	Jup
7	Sun	Ket	Ven	Mon
11	Mar, Mon	Sat	Sun, Rah	Jup
3	Sun, Rah	Jup	—	Mar
9	—	—	Ket	Ven

The DBA running currently as on the date of analysis (27-6-2021) is Ket-Sun-Ven.

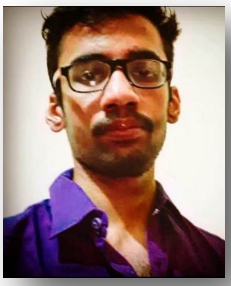

Dasa lord Kethu is in the star of Venus and sub of Saturn. Kethu is in 7 in the star of Venus in 4 lord of 4, 9 and in the sub of Saturn in 11 lord of 1. As Kethu signifies 7, 11, 9 it is favorable for negotiations of marriage settlement and also to conduct marriage. But Kethu is transiting in 10th house in Scorpio and hence it is not favorable for negotiations of marriage.

The bhukthi lord Sun is in the star of Jupiter and sub of Venus. Sun is in 6 in the star of Jupiter in 3 lord of 2, 11, 12 and in the sub of Venus in 4 lord of 4, 9. As Sun signifies 2, 3, 9, 11 it is favorable for negotiations of marriage but it is transiting in Gemini 5th house and not in a position to support negotiations of marriage.

Venus is a weak significator for marriage negotiations and hence it is not favorable. Further Venus is not agreed in transit as it is transiting in 6th house in Cancer sign.

As the DBA lords are not agreeing in transit, settlement of marriage has not come up and the native has remained unmarried as on date.

Question :- Marriage related issues
It is a case study of a marriage done by me. I furnished the following birth details.
Date : 23rd October 1983
Time : 20:45:00 pm
Place : Bangalore, Karnataka State

Rules for Marriage:
If the 7th cuspal sublord (CSL) signifies house 2, 7 or 11, then marriage is promised during the joint dasa period of significators of houses 2,7 or 11. If 5th CSL signifies house 7 or 7th CSL signifies house 5, then it indicates promise of love marriage.

Analysis of 7th Cusp:
Here, 7th cuspal sublord is Venus, occupant of 4, lord of 1 and 6. Venus is in his own star, and sub of Jupiter in 6, lord of 8 and 11.
Here, the 7th cuspal sublord is connected with 11th house. So generally marriage is promised. But it is also connected with 8th (house of disappointment), 6th house (marriage negation), and 4th house (lack of love).

Current Dasha – Bhukti:-
Rahu Dasha (up to 8th November 2024)
Rahu is in 1. Rahu is the agent of Venus, occupant of 4, lord of 1 and 6. Rahu is in the star of Mars, occupant of 4, lord of 7, 12, and sub of own Rahu. Dasa lord signifies marriage house 7, along with undesirable 1,4,6,12.
Sun Bhukti (up to 18th April 2022)
Sun occupied 5, lord of 4. Sun is in the star of Mars, occupant of 4, lord of 7, 12 houses, and sub of Moon, occupant of 12, lord of house 3. Bhukti lord signifies marriage house 7, along with undesirable 4,12.

My Conclusion:
As current Dasha lord and 7th CSL strongly signify undesirable houses to marriage, that marriage may be difficult to happen. If he were married, then it will be full of disappointment which may lead to separation and divorce.

Whether shall I get benefit by lottery ticket or not?

BY: M. Vara Prasad Rao

Mobile : 08309234634, Email: vara999@gmail.com

After purchasing lottery ticket, my client asked me, whether he will get benefit or not. I asked him to give a number within 249. Immediately he gave me the number of 214 (out of 249).

Date of judgment:- 04.05.2021, Time of judgment:- 03:19:54 pm
Place of judgement:- Kurnool (78-02-10E/15-49-44N).

KP Rule
If the cuspal sublord of 11th be the significator (in the star of the occupant or owner) of 2nd (monetary gain), 6th (gain), or 11th (success/fulfillment of desire) and also connected with 3rd (lottery) and does not signify 5, 8 or 12, only then one can win a lottery prize. (Reference:- Prashna Jyotish By Kanak Bosmia ji, page no.158)

The lottery result announcement date is 04.06.2021.
Let us check Moon (**12**-6) which is in the star of Mars (**5**-3, 10) and sub of Jupiter (**12**-2, 11). So the Moon signifies (2-3-**5**-6-10-11-**12)** indicating the genuineness of the querent. But there is no chance to win due to the negative signification of **5 &12**.

Let us check the 11th CSL Saturn (**12**-1, **12**) which is in the star of Moon (**12**-6) and sub of Mercury (3-**5, 8**). 11th CSL is not in retrograde motion. So, the 11th CSL signifies 1-3-6-**5-8-12**. But there is No chance to win because of negative signifying (**5, 8, 12**) impact.

Let us examine the 3rd CSL Mars (**5**-3, 10) which is in the star of Rahu (4) and sub of Mercury (3-**5, 8**). Rahu is conjoined with Mercury (3-**5, 8**) and Venus (3-4, 9). So, the 3rd CSL signifies 3-4-**5-8**-9-10 and there is no chance to win because of negative signification (**5,8**).

Astrology Prediction:- **Both the 3rd CSL Mars, 11th CSL Mercury and Moon are signifying 3- (lottery), but there is no chance to win the lottery, because of signification of negative houses- (5,8,12); so he cannot win the lottery**.

He messaged me on 04.06.2021 morning 11.30 am to my mobile, that he couldn't win the lottery.

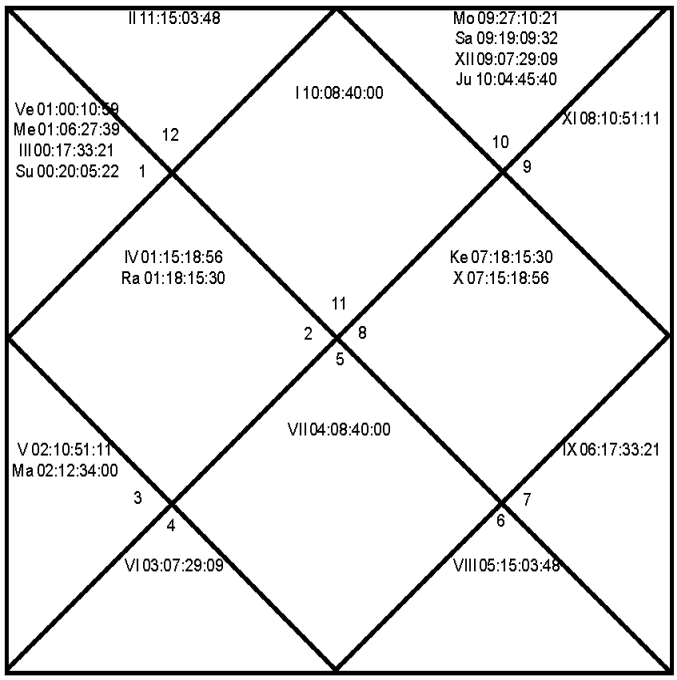

My sincere pranaams to my KP guruji Sri VSN Murthy ji.

One of my best friends was admitted to a hospital. His wife came to my office and asked me about her husband's health recovery giving his birth details below:

Name: Sree Kantha Swamy, DOB 15/6/1969, time 4.34 AM, Adoni.
I predicted before that his health condition would be critical up to 31.07.2021.
My friend Sri Sree Kantha Swamy passed away on 24.06.2021 at 10.20 PM at Kurnool Hospital.

Longevity Analysis
Lagna or 1st cuspal sub lord (CSL) Mars (7,7,12) is in the star of Saturn (12,9,10) and sub of Moon (1,3), signifying 9 (Badhaka), 7 (Maraka) and 12 (Moksha), so longevity is short and the native died at the age of 52.

Dasa Analysis
At the time of his death (24.06.2021, 10:20 PM) Saturn dasa, Rahu bhukti and Saturn antara joint dasa was running.

Dasa and Antra lord Saturn (12,9,10) is in the star of Ketu (5), Conj. Jupiter (5,8,11) and sub of Mercury (1,2,5), signifying 9 (Badhaka), 2 (Maraka), 12 (Moksha), 8 (serious ailment, danger to life) and 10 (retirement from this world).

Bhukti lord Rahu (11) is in Pisces representing Jupiter (5,8,11) and the CSL of 2,3,6,11,12 houses. Rahu is in the star of Jupiter (5,8,11) and sub of own Rahu, signifying death causing 2,6 (disease),8, 12, 3 (8th from 8).

Transit Analysis
Dasa and Antra lord Saturn was in the star of Moon (3) and sub of Mercury (2).
Bhukti lord Rahu was in the star of Moon (3) and sub of Jupiter (8).
Luminary Sun was in the star of Rahu (2,12,8) and sub of Jupiter (8).
Luminary Moon was in the star of Ketu (8) and sub of Jupiter (8).
DBA lords and luminaries were transiting in the star and sub of the DBA lords or death causing significators, so transit agrees with dasa.

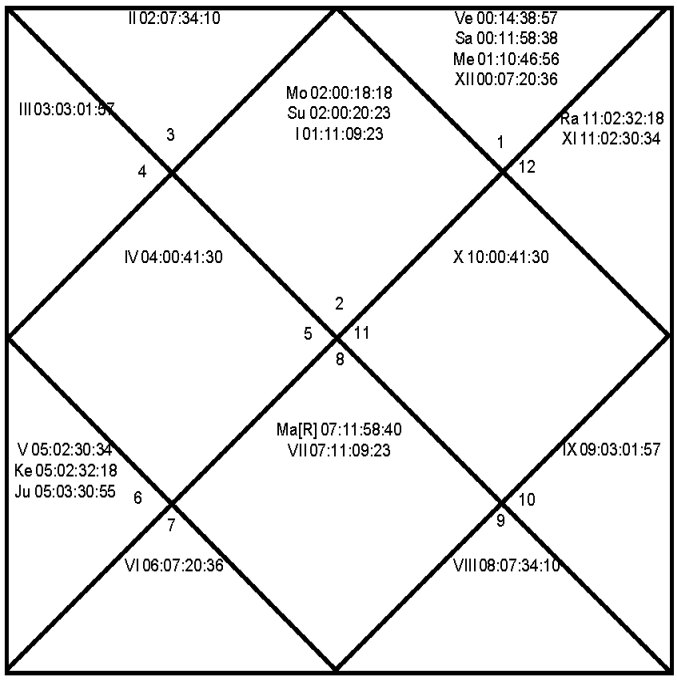

May his soul rest in peace!

When will I get a tenant who will pay me more than 50 thousand per month?

When will I get a tenant who will pay me more than 50 thousand per month?
Horary No: 118
Date: Dec 17, 2021
Time: 2:57 PM
Place: Kolkata

Rule for getting a tenant: 6th house indicates tenant; 4th from 6th is 9th house which is the house / property of the tenant; 4th house is client's own house and 12th of 4th is 3rd house which is loss of property of client. 11th house is the house of fulfilment of desire.
Thus if 6th CSL signifies 3, 9, 11, then getting tenant is promised during the joint dasa period of significators of 3, 9, 11.

In this horary chart-:

6th CSL Jupiter is occupant of 4 owner of 4, 7. No planet is in the stars of Jupiter, and Jupiter is the CSL of 6, 12 houses. Jupiter is in the star of Sun occupant of 3 and owner of 12. Venus is in the sub of Mercury occupant of 3 and owner of 1, 10. Thus the 6th CSL's signification of 3,9,11 indicates getting tenant.

Since this question is regarding getting tenant of a very high rent fee 11 cupal sub-lord must also be checked.

11th CSL Venus is occupant of 2 owner of 2, 9. No planet is in stars of Venus and Venus is the CSL of 5, 7, 11 houses. Venus is in the star of Saturn occupant of 4 and ownersof 5, 6, and sub of Ketu occupant of 3. Ketu is conjoined with Venusas already discussed. Thus the 11th CSL's signification of 3, 9, 11 indicates getting tenant.

Ruling Planets at the time of judgement-:

	Sign	Star	Sub
Asc:	Venus (Ketu)	Sun	Saturn
Moon:	Saturn	Sun	Ketu

Daylord: Jupiter (Rahu)

Moon is in Saturn's sign hence Punarphoo. Ketu is conjoined with Venus and Jupiter is aspecting Rahu hence added to the RPs list.

Dasha lord Sun (6 Jan 16 to 6 Jan 2022)
Sun is occupant of 3, owner of 12. Sun is in the star of Ketu occupant of 3. Ketu is conjoined with Venus occupant of 2 owner of 2, 9. No planet is in the stars of Venus, and Venus is the CSL of 5, 7, 11 houses. Sun is in the sub of Venus as already explained. Thus Sun is signifying 3, 9, 11 and also in RPs. Thus Ok.

Client came to me on 17 Dec 2020. Current bhukti running at that time is Ketu but ending on 6 January 2021. Thus I checked for the next bhukti Venus present in RPs.

Bhukti lord Venus is from 6 Jan 2021 to 6 Jan 2022.
Venus is already discussed above. It's signifying 3, 9, 11 and also in RPs. Thus Ok.

Within Venus first comes antara of Venus which is already taken as Bhukti lord. .
Next comes Sun antara from 7 March 21 to 26 march 21.
Sun is already discussed above. Sun is signifying 3, 9, 11 and also in the RPs list twice.

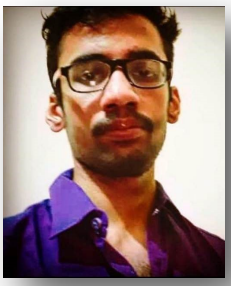

Prediction: By the end of Sun-Venus-Sun joint period 26th March 2021 the strongest chance of getting tenant is seen.

Actual Outcome: Client got tenant on Jan 2, 2021 with monthly rent of 70,000 per month. Since this is a commercial property trade licence and agreement paper and other documentation were needed to be done. Also new setup was required for the tenant to start operating his business. Even though the client got a tenant on Jan 2, 2021 the tenant took proper possession from March 21 due to pending paper works, and setup.

Question :- Marriage related issues.
It is a case study of a marriage done by me. I furnished the following birth details.
Date : 09th January 1994
Time : 22:52:00 pm
Place : Bangalore, Karnataka State

Rules for Marriage:
If the 7th cuspal sublord (CSL) signifies house 2, 7 or 11, then marriage is promised during the joint dasa period of significators of houses 2,7 or 11. If 5th CSL signifies house 7 or 7th CSL signifies house 5, then it indicates promise of love marriage.

Ruling Planets (at the time of calculation at West Bengal, Kolkata) :-

	Sign Lord	Star Lord	Sub Lord
ASC	Venus	Rahu (Venus)	Mercury
Moon	Saturn	Moon	Saturn
Day Lord	Sun		

Ruling Planets of Natal Chart :-

	Sign Lord	Star Lord	Sub Lord
ASC	Mercury	Sun	Saturn
Moon	Mars	Mercury	Jupiter
Day Lord	Sun		

Out of 6 ruling planets, main 4 are matched. So time is almost correct. Now we can proceed for the chart analysis.

Analysis of 7th Cusps :
7th cuspal sublord (CSL) is Saturn in 6th house, lord of 5th and 6th houses. Having no planet in its stars, Saturn is also the CSL of 1, 3, 5, 7, 9th houses. Saturn is in the star of Mars in 4th house, lord of 3rd and 8th houses, and sub of Venus in 4th house, lord of 2nd and 9th houses. As 7th CSL is connected with 2, 7th houses, marriage is promised. As it is also connected with 1, 4, 6th house, separation/bad relationship with wife also seen. It also indicates some disappointment in married life by 8th signification. Love marriage is promised by 5th signification. Legal and wife ego problems are also seen in married life.

Common planets between 6 fold significators and ruling planets, i.e.
Fruitful significators:- Ve, Sa, Su

Current Dasha – Bhukti – Antara :-
Venus Dasha (up to 25th August 2024)
Dasa lord Venus in 4, lord of 2, 9 is in the own star of Venus and sub of Saturn in 6, lord of 5,6, signifying 2,4,5,6,9 houses.
Mercury Bhukti (up to 25th June 2023)
Bhukti lord Mercury in 4, lord of 1, 10 is in the star of Sunin 4, lord of 12 and sub of Mars in 4, lord of 3,8, signifying negative marriage houses 1,10,12 and unfavourable 4,8 houses. So marriage is not possible during Mercury Bhukti period.
Next Bhukti is Ketu (upto 25th August 2024)
Bhukti lord Ketu in 9 is agent of Venus signifying 2, 4, 9. Ketu is in star of Sun in 4, lord of 12 and sub of Mercury in 4, lord of 1,10.
I choose Ketu as a bhukti lord, because Ketu is an agent of Venus, significator of 2, which is in fruitful significators.

As Jupiter signify 7th house, and Jupiter also is in the 6 fold significators, I choose Jupiter as Antara lord.
Antara lord Jupiter (up to 19th April 2024)
Antra lord Jupiter in 2, lord of 4,7 is in the star of Rahu in 3, conj. Moon in 3, lord of 11, aspected by Saturn in 6, lord of 5,6, and sub of of Venus in 4, lord of 2,9, signifying marriage houses 2,7,11, along with unfavourable houses 4,6.8.

My Conclusion :
Marriage will be held between 01-03-2024 to 19-04-2024.

Advice :
As some negative points are shown from the chart regarding marriage, it is advisable to consult KP Astrologer to check matching of the couple charts before you proceed for marriage.

Government Job (Part - III)

By: Sri. Raghavendra Rao Desai
S. N. Ventures, # 1034/39, 6th Main, 3rd Cross,

Mob: +91 9591739522; Email: vanitharrao@gmail.com

This is yet another special horoscope because the native joined government job in just 22 years and 3 months. The planetary positions are very strong to achieve such a high position. He is a Civil Engineer and joined as a Gazetted officer.

This is continuation of earlier article about Government job (Part-II). It is the dream or aim or ambition for every person. In modern days IT, BT and Multinational companies are dominating the society still peoples prefer for the government job, because it gives job security for the native.

For profession in Vedic astrology we will see D1 (Lagna Chart) and D10 (Dasamsa Divisional Chart). As per Vedic astrology if the Sun is in 10th house it gives government job. But Sun alone is not enough for the government job and along with Sun we have to consider other planets also. If Sun is posited in 10th house and if that 10th house is Leo sign then to some extent we can consider it for government job.

As I wrote in my previous article the Sun is in Libra sign (here Sun is debilitated as per Vedic astrology). Because as per rule Libra sign is a Male sign. So, just don't go blindly on the basis of dictums. Try to think in all angles that why it has taken place. So, analyse horoscope in different angles also. Because theory may be different from practice. So, "Leave no stone unturned".

Now, we will see what houses, planets and signs are responsible or important for the government job. I will present all the related information in this article.

Houses 2, 6, 10 and 11 houses are considered for employment and services because:

2nd House: It denotes money matters, profit and gain, one can earn, financial prosperity, bank position.

6th House: It denotes job / service / day- to - day attendance.

10th House: It denotes profession / occupation / name & fame / power & prestige.

11th House: It denotes desires, hopes, aspirations & their realization.

Karaka planets for profession is Saturn and Digbala planets for 10th house are Sun and Mars.

KP gives rules clearly that: –
6th CSBL should be a significator through its starlord or sublord of 2nd or 10th or 11th lord. **Or**

10th CSBL should be a significator through its starlord or sublord of 2nd or 11th or 6th house lord. **Or**

11th CSBL should be a significator through its starlord or sublord of 2nd or 6th or 10th or 11th houses.

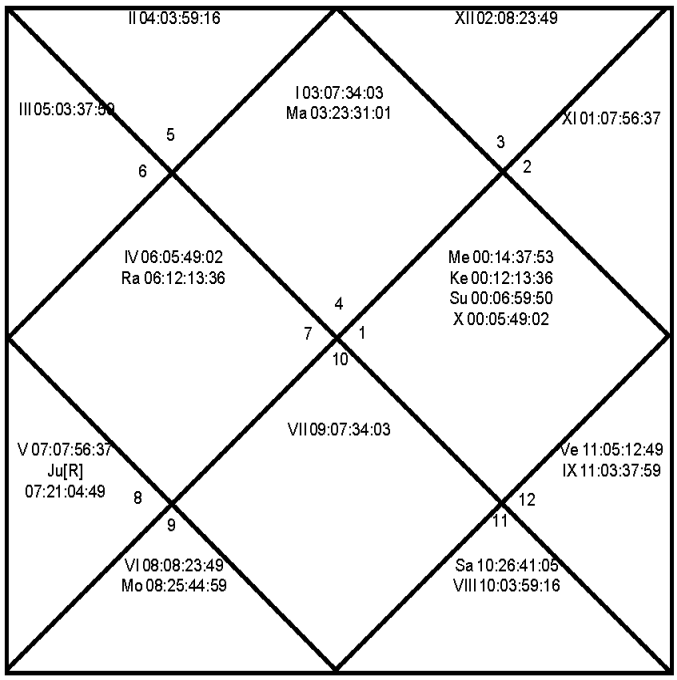

Permanent or Temporary job: If the sublord of the 6th house becomes the significator of 2,

10 and 11 houses through its starlord or sublord, then it shows permanent job but if it becomes significators along with houses of 5th or 9th house, then it denotes temporary job or native is not likely to stick to one job.

If the 10th sublord is significator of 6th house through starlord and 7th house through sublord it indicates private job. Venus is planet for private job as well as for business.

Change of place: Whether the native will get the promised job at the place or at a different place. it should be judged from the joint dasa period running at the time of joining the job. If the Bhukti / Antar lord / Pratyanter lords become the significator of 2, 6, 10 and 3 or 12 houses it shows the job will be at a changed place.

Government Job:
Sign / Rashi: For government job you need Fiery sign (Aries, Leo, Sagittarius), Watery sign (Cancer, Scorpio, Pieces) and Male sign (Aries, Gemini, Leo, Libra, Sagittarius, Aquarius). These signs/rashi's will play a vital role for the Government job.

Planets: Sun, Mars, Jupiter and Saturn even Moon to some extent will contribute their role for Government job and if they are strong significator of 6th and 10th , job with security will be very high.

Bhava: 2nd, 6th, 10th and 11th are the main houses for profession as well as for Government job.

Male: 21.04.1995 @ 12:02:00 Hrs, Tenali (Andhra Pradesh). Longitude: 80° 35' 0.001" E, Latitude: 16° 15' 0" N.

Job Joining Date: 25.07.2017 afternoon. Mars (10) / Ketu (10) / Mercury (10, 11) / Saturn (6, 11) / Mercury (10, 11) / Sun (2, 10, 11).

Analysis:
6th CSBL is Jupiter. Jupiter is signifying 6, 10 and 11 houses through its star lord and sub lord. Jupiter is in the star of Mercury (10, 11) and sub of Venus (11). Native's 6th CSBL is Jupiter. Jupiter is in Mercury star (Jyeshtha). The Jyeshtha Nakshatra indicates the Government officials, administrative posts of all types. Native's 10th CSBL is Rahu (2, 10, 11). Rahu is also in own star (Swati). The Swati Nakshatra indicates Government related service, profession. And 6th CSBL Jupiter is posited in Watery sign and 10th CSBL Rahu is posited in Male sign. So, the native is Gazetted officer in a government organisation.

2nd House: Leo sign is the second house in this chart. This is Fiery as well as Male sign.

6th House: Sagittarius sign is the sixth house in this chart. This is Fiery as well as Male sign.

10th House: Aries sign is the tenth house in this chart. This is Fiery as well as Male sign.

11th House: Taurus sign is the eleventh house in this chart. This is Female sign.

Sun: Sun (2, 10, 11) is posited in 10th house and this house is Fiery as well as Male sign. Sun is in star of Ketu (10) (Aries) and sub of Rahu (2, 10, 11) (Libra). Both star lord and sub lord are also posited in Fiery as well as Male sign. There is **NO** planet in Sun star and sun Sub. So, Sun is the strongest planet in the horoscope, i.e. he is acquired higher post. Because Sun indicates government.

Mars: Mars (10) is posited in 1st house. Again this is Watery sign. Mars is in the star of Mercury (10, 11) (Aries) and own sub (Cancer). Once again star lord is posited in Fiery and Male sign and sub lord also posited in Watery sign. Mars is also a strong planet in the horo-

scope because there is **NO** planet in Mars star and he is own sub.

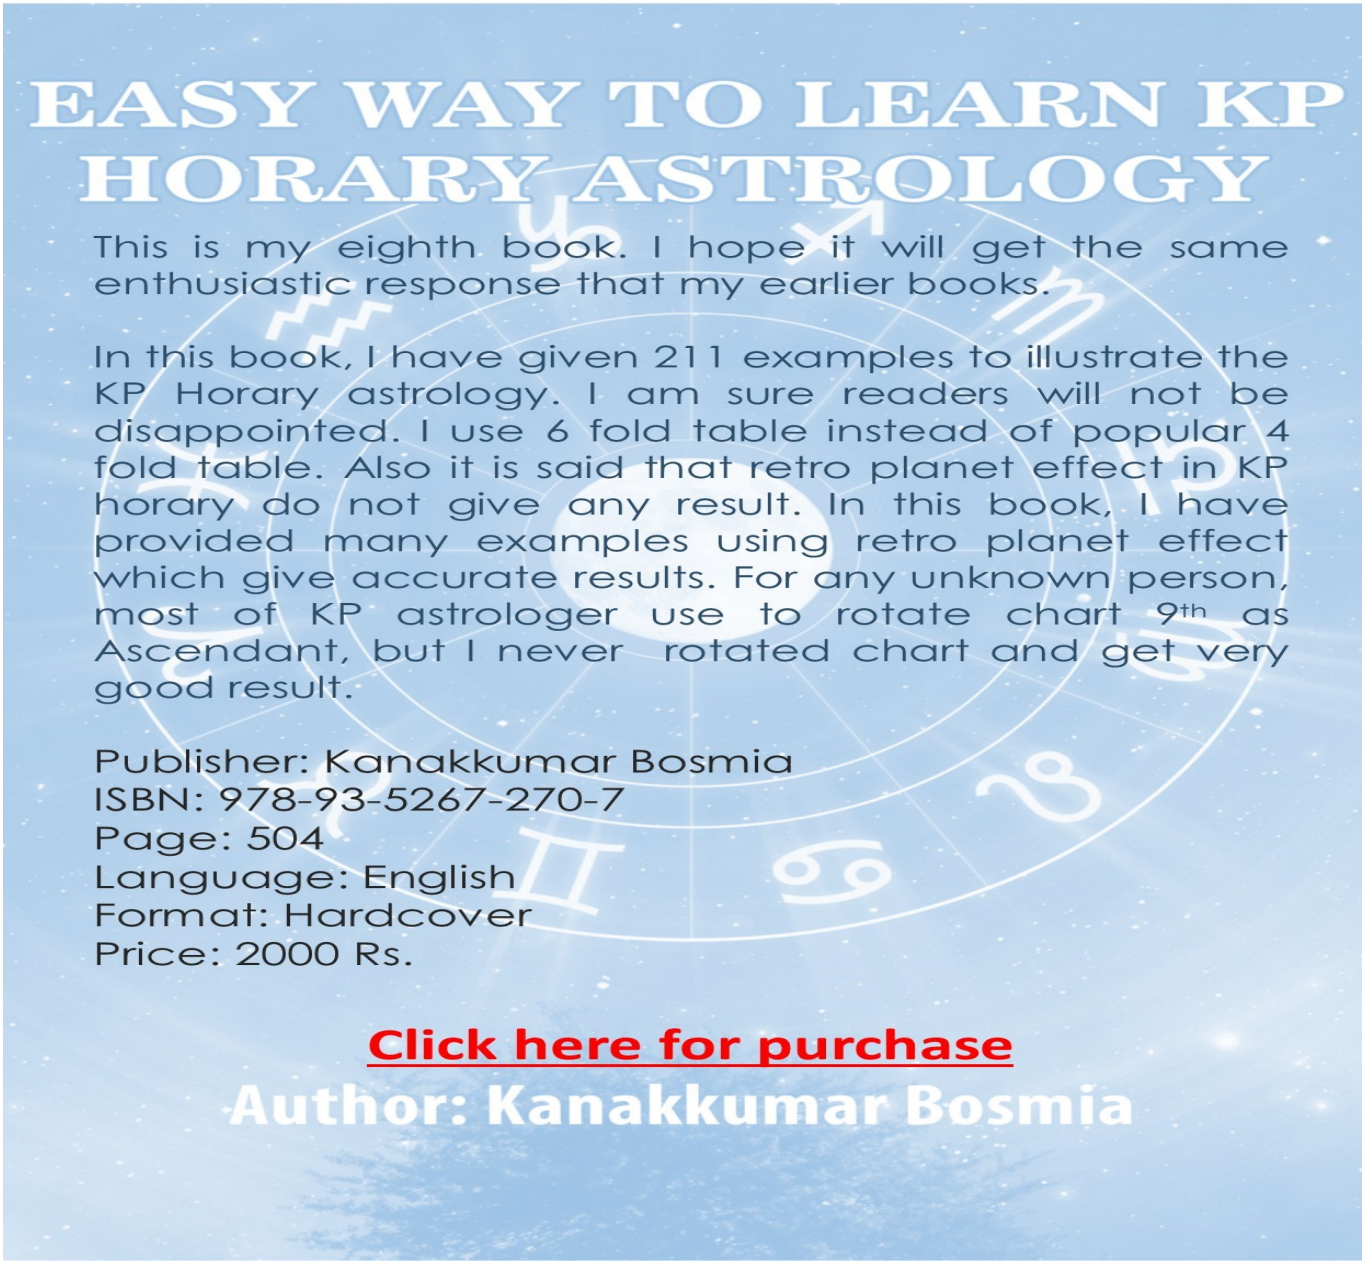

Jupiter: Jupiter (6, 10, 11) is posited in 5th house and this is Watery sign. Jupiter is in the star of Mercury (10, 11) (Aries) and sub of Venus (11) (Pieces). Star lord is posited in Fiery as well as Male sign and sub lord is posited in Watery sign.

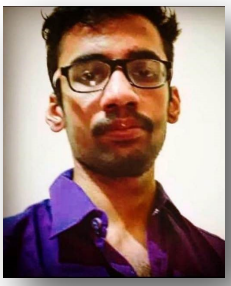

Saturn: Saturn (6, 11) is posited in 8th house. It is in Male sign. Saturn is in the star of Jupiter (6, 10, 11) (Scorpio) and sub of Venus (11) (Pieces). Both star lord and sub lords are posited in Watery sign.

Moon: Even Moon (6, 10, 11) is also strong in this horoscope. Moon is posited in 6th house and there is **NO** planets in the star or sub of Moon.

Conclude: In this chart 2nd, 6th and 10th houses are strong because these three houses belong to Sun, Jupiter and Mars. These are all in Fiery and Male sign lords.

As far as profession is concerned we should not consider 5th and 9th as negation/detrimental houses. Because it may give NO job or change of job. These two house are also indicate frequent change in job as well as transfer from place to place with or without promotion.

Query :Visa interview.
Date of judgement : 19.06.2021
Time of judgement : 6.19 pm
Place of judgement : Kavali, 14.57 N 80.02 E

KP Rule
If the sublord of the 11th cusp is in the constellation of the significator of the houses 3/ 9/11, then one will surely get visa.

Moon reveals the query:
In this Time Chart, Moon is in the own star of Moon and sub of Venus. Moon is occupant of 10 owns 8. Sub lord Venus is occupant of 7 owns 6, 11. Here Venus is in positional status. Venus is the CSL 3-9. So Moon sublord signifies 3-9-11. So the query is genuine to get visa.

11th Cusp (Leo 02.49.50): 11th cuspal sublord Rahu is in the star of Moon and sub of Saturn.
Rahu is occupant of 6 and agent of Venus. Venus signifies 3-9-11, as discussed above. Star lord Moon is occupant 10 and owns 8. Sublord Saturn is occupant of 2 owns 2, 3. So 11th cuspal sublord Rahu signifies 3-9-11.

Visa interview on 13.07.2021.
Coming to DBAS for the above date Moon dasa/ Venus Bhukti/ Mercury Anthara/ Mercury Sookshma from 09.07.2021 to 21.07.2021.
Dasa lord Moon signifies 3-9-11, as already explained above. Dasa lord Moon is favourable to get visa.

Bhukti lord Venus is in the star of Jupiter and sub of Venus. Venus is occupant of 7 owns 6 and 11. Venus is in positional status. Venus is the CSL 3-9. Star lord Jupiter is occupant of 3 owns 1 and 4. Bhukti lord Venus signifies 1-3-4-6-7-9-11. So Bhukti lord Venus is promising the native to get visa for study purpose. Here 4th house indicates education in general and 9th house higher education or study. Bhukti lord Venus promises the fulfilment of the querent's desire for higher education in foreign travel.

Anthara and sookshma lord Mercury is in the star of Moon and sub of Venus. Mercury is in positional status. Mercury is the CSL 4-7-10. Mercury is occupant of 6 owns 7 and 10. Star lord Moon is occupant of 10 and owns 8. Sub lord Venus is signifying 3-9-11. So Anthara and Sookshma lord Mercury is promising the native to get Visa.

Visa interview date: 13.07.2021.
On that day Sun is transiting in Mercury sign in the star of Jupiter, significator for 3 and sub of Venus of significator of 3,9,11, which is very favourable.
Transit Moon is in Leo 11th house in the star of Ketu, significator of 3.
So the native is to get success in visa interview on 13.07.2021.

Actual Outcome: The native got success in the above interview.

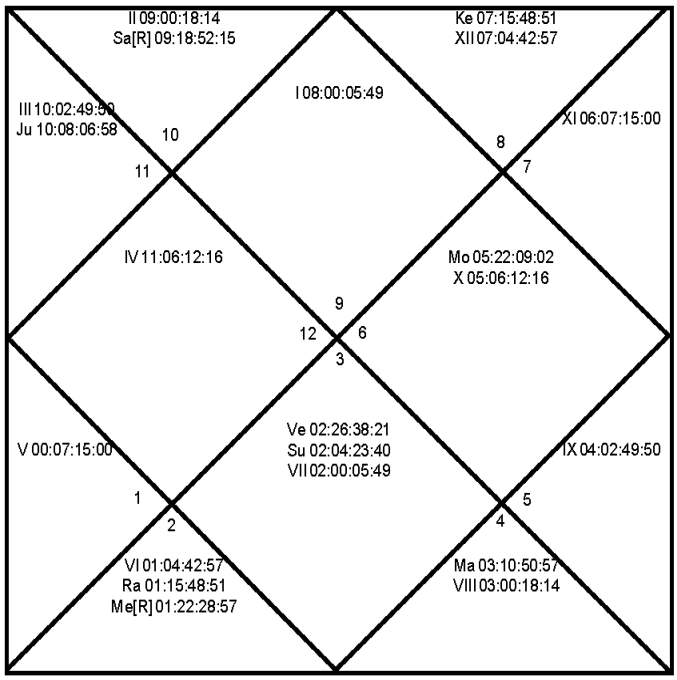

This prediction is given with the blessings of "Lord Mahaganapathi" and late Sri. KSK sir who is founder if KP system and also my Guru Sri. M.R. Prasad.

Question: Is there any chance to pass Uniform Civil Code (UCC) in Parliament during 19th July 2021 to 13 August 2021?
Number: 214 (out of 249).
Date of Judgment: 10-07-2021, Saturday; **Time of Judgment:** 11:03:10 AM
Place: Kankariya- Ahmedabad **Long/Lat:** 23^0 N 00'.45", 72^0 E 37'.01"
Ayanamsha: 24^0.04'.02"; **Dasa Days:** 365.25

Hint
If the cuspal sub lord of the 7 (view of parliament, /9th = view/ from /11th = parliament/) be the significator of 9 (making something legal/ law), 11 (support to give or take), 10 (document granting authority), then law making in parliament is promised during the joint period of the significators of 10, 9 and 11.

7th Cusp *(Leo 08^0.40'.00")*: The sub lord of 7th cusp is Jupiter. Jupiter is in the star and sub of Rahu. Jupiter is occupant of 1, owner of 2-11. Star and sub lord Rahu is occupant of 4. Rahu is in Taurus sign, hence represents Venus. Venus is occupant of 6, owner of 4-9. Thus 7th cusp sub lord Jupiter signifies 1-2-11-4-6-9. 7th cusp sub lord indicates 9-11, so there is chance of passing Uniform Civil Code (UCC).

Ruling Planets
At the time of judgment, ruling planets are as under:

		Day lord	Sign lord	Star lord	Sub lord
Day: Saturday		Saturn	—	—	—
RP Ascendant:	Virgo 00°.38'.56"	—	Mercury	Sun	Rahu
RP Moon:	Gemini 26°.10'.02"	—	Mercury	Jupiter	Ketu

Total ruling planets are Saturn, Mercury, Sun, Jupiter, Rahu and Ketu.

Joint period
Running dasa is Jupiter up to 13-02-2030. Joint period during 19-07-2021 to 13-8-2021 will be Jupiter-Ketu-Rahu up to 30-07-2021, next Jupiter-Ketu-Jupiter up to 15-09-2021.

Dasa lord is Jupiter and we have checked it above. Jupiter is in RPs also.

Bhukti lord Ketu is in the star of Saturn and sub of Rahu. Ketu is occupant of 10. No planet is in the stars of Ketu and Ketu is the CSL of 12. Ketu is in Scorpio, hence represents Mars. Mars is occupant of 6, owner of 3-10. Star lord Saturn is occupant of 12, owner of 1-12. Sub lord Rahu is occupant of 4. Rahu is in Taurus sign, hence represents Venus. Venus is occupant of 6, owner of 4-9. Bhukti lord Ketu signifies 10-12-6-3-10-1-4-9. Ketu is also in RPs.

Antra lord Rahu is in the star of Moon and sub of Jupiter. Rahu is occupant of 4. Rahu is in Taurus sign, hence represent Venus. Venus is occupant of 6, owner of 4-9. Star lord Moon is occupant of 5, owner of 6. Sub lord Jupiter is occupant of 1, owner of 2-11. Antra lord Rahu signifies 4-6-9-5-1-2-11. Rahu is also in RPs.

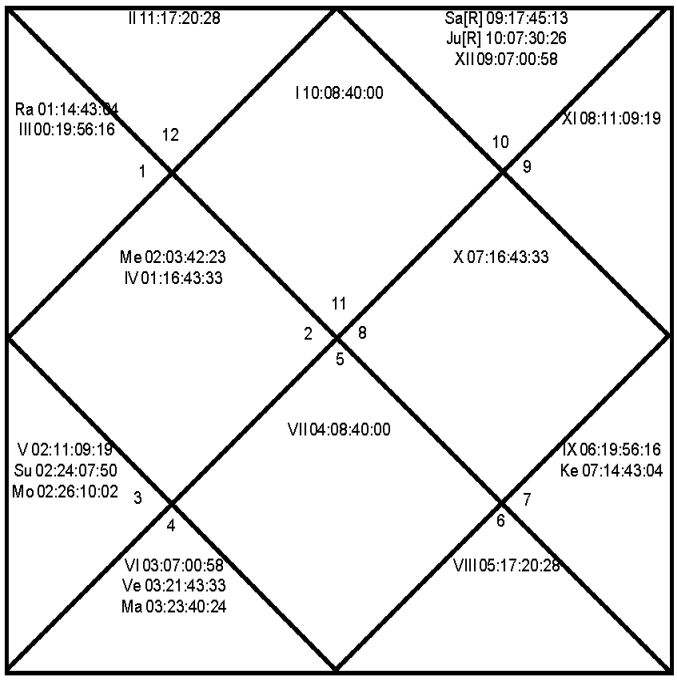

Antra changes from 31-7-2021. Next will be Jupiter Antra and we have already taken Jupiter as dasa lord. We have Jupiter only once in RPs.

My opinion: 7th cusp sub lord indicate 9-11, after 31-7-2021, antra lord does not support. Thus only chance of passing Uniform Civil Code (UCC) is up to 31-7-2021. After that there is no chance.

Question :- Marriage related issues.
It is a case study of a marriage done by me. I furnished the following birth details.
Date : 02nd November 1995
Time : 11:02:00 am
Place : Bangalore Urban

Rules for Marriage:
If the 7th cuspal sublord (CSL) signifies house 2, 7 or 11, then marriage is promised during the joint dasa period of significators of houses 2,7 or 11. If 5th CSL signifies house 7 or 7th CSL signifies house 5, then it indicates promise of love marriage.

Analysis of 7th Cusp :
Here 7th cuspal sublord Jupiter is in 12th house, lord of 1st and 4th houses.
Jupiter is in the star of Mercury in 10th house, lord of 7th and 10th houses.
Jupiter is in sub of Moon in 2nd house, lord of 8th house.

Basic prediction for Marriage :
As 7th cusp sublord signifies 2-7, marriage is promised.
His husband must be educated and good muscular body, and stout body appearance, also emotional.
Mind of husband is also good.
Husband will have good communication power and little bit talkative person.
There is some disappointment in relation or lack of love in marital life.
The couple will have some ego clash related issue.
Husband comes from same city / same area / same culture.
There is some mental separation related issue seen, but no divorce. Try to control your emotion.

2nd Cusp:
2nd cuspal sublord is Sun in 10th house, lord of 9th house. Sun is in the star of Rahu in 10th house, agent of Venus, lord of 6th and 11th houses.
It indicates:-
Good financial condition.
Wealthy and good job.
Note :- Sun+ is also 11th cuspal sublord.

5th Cusp :
5th cuspal sublord Mars is in 11th house, lord of 5th -12th houses.
Mars is in the star of Saturn in 3rd house, lord of 2nd -3rd houses.
Mars is in sub of Jupiter in 12, lord of 1st and 4th houses.

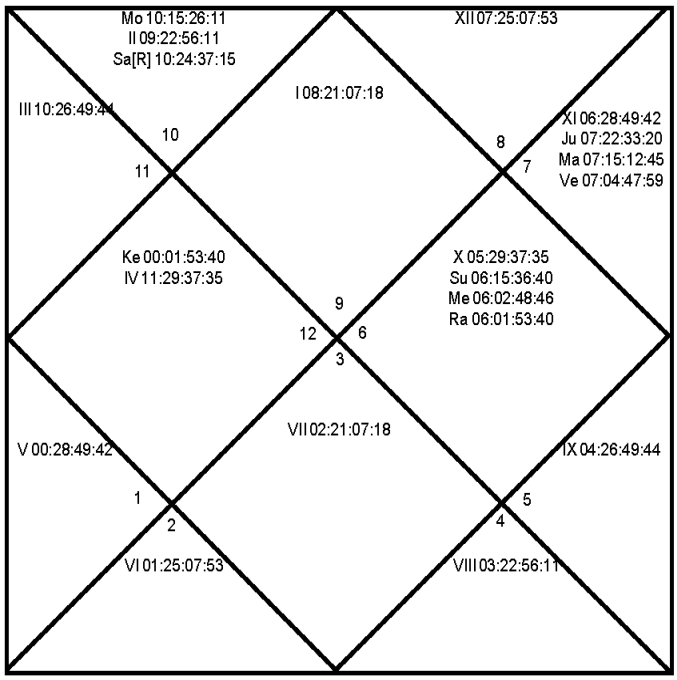

So, the prediction come as :-
Love marriage is not good for you.
Most of time if you will engage in relationship, you break the affair.

Fruitful significators:-
Sun, Venus, Rahu, Mars

Current Dasha – Bhukti – Antara :-
Saturn Dasha (Saturn is not in RPs)
Dasa lord Saturn is in 2 lord of 2, 3, in the star of Jupiter in 11, close to 12th cusp, lord of 1,4 and sub of Mercury in 10, lord of 7,10.
So, Dasha lord signifies all required marriage houses 2, 7, 11, and it's taken as fruitful significator even though it isn't in the RPs list.

I choose Venus as Bukthi lord, because Venus is a fruitful significator.
Venus Bhukti (Venus is in RPs)
Bhukti lord Venus is in 11, lord of 6,11, in the star and sub of Saturn in 3, lord of 2,3, signifying marriage houses 2,11.

Mars Antara lord (Mars is in RPs)
Antra lord Mars is in 11, lord of 5,12, in the sub of Saturn in 3, lord of 2,3 and sub of Jupiter in 12, lord of 1,4, signifying marriage houses 2,11.

Timing of Event of Marriage :-
12th December 2025 to 2nd June 2026 your marriage will take place.
(As Poonarphoo dosha is present it causes marriage to be late.)

As a practicing astrologer I get the maximum number of clients who want to know the results of their exam. This is the second example of the five part series on exam.

Question: I have an IB (Intelligence Bureau) exam on 18 Feb 2021. I am confident that I will pass the exam. Can you tell me astrologically what is it showing?
Horary No: 148
Date: 13 feb 2021
Time: 11:40:03 AM
Kolkata

Rule: Question is regarding competitive exam. Hence the 11th cuspal sub-lord should signify 4th house of studies, 6th house of competition, 9th house of higher studies and 11 house of success then one can pass a competitive exam.
12th house from 4, 6, 9, 11 is 3, 5, 8, 10 which is negative for a competitive exam. And 12th house indications from 11 is an indication of general loss.

In this horary chart
11 CSL Ketu is occupant of 1. No planet is in the stars of Ketu and Ketu is the CSL of 11 house. Ketu is aspected by Mars occupant of 6 and owners of 1, 6. Ketu is in the star of Mercury occupant of 3 and owners of 8, 11. Ketu is in the sub of Moon occupant of 4 and owner of 9.
Positive: 4, 6, 9, 11
Negative: 3, 8
Thus chance of passing the exam is there since 11th cuspal sub-lord is connected with 4, 6, 9, 11.

Ruling planets at the time of judgement-:
Asc: Venus Moon Mars (Ketu)
Moon: Saturn Rahu Moon
Day Lord: Saturn
Ketu is aspected by Mars hence added to the RP list.

Exam is on 18 Feb. At that time D-B-A-S lords are Rahu-Moon-Mars-Jupiter.

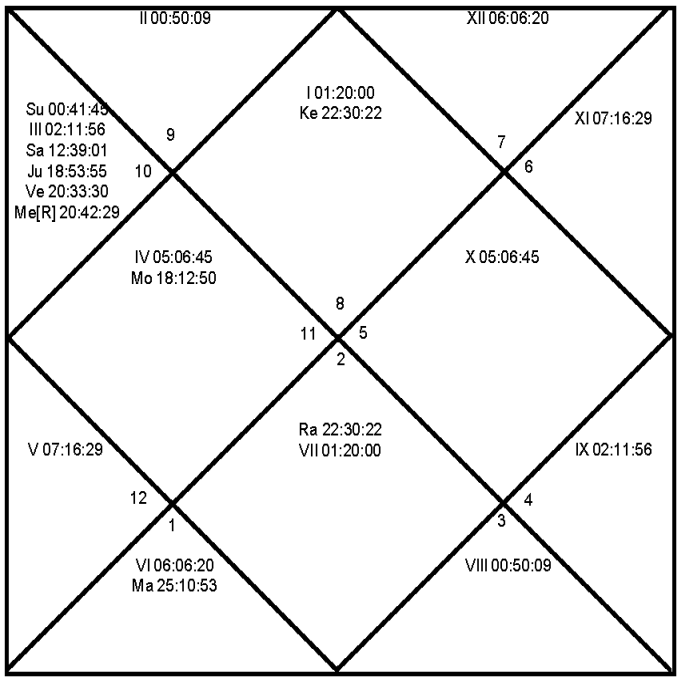

Dasha lord Rahu is occupant of 7. Rahu is aspected by Jupiter occupant of 3 and owners of 2, 5. No planet is in the stars of Jupiter and Jupiter is the CSL of 3, 7 houses. Rahu is in the star of Moon, occupant of 4 and owner of 9. Rahu is in the sub of Venus, occupant of 3 and owners of 7, 12.
Positive: 4, 9
Negative: 3, 5, 12
Rahu is in RPs, hence Ok.
Bhukti lord Moon is occupant of 4 and owner of 9. Moon is in the star of Rahu occupant of 7. Rahu is aspected by Jupiter occupant of 3 and owner of 2, 5. No planet is in the stars of Jupiter and Jupiter is the CSL of 3, 7 houses. Moon in sub of own.
Positive: 4, 9
Negative: 3, 5.
Moon is in the RPs list thus OK.

Introduction:
As I am KP lovers and also writer of KP Ezine, I eagerly waiting for "KP-Ezine" magazine every month. I asked Kanak sir "When KP Ezine releases" as 6th July 2021. He answered me "It will take 2 to 3 more days". As I am very anxious when it published, I used the divine help of ruling planets of time chart. I casted a time chart on 7th July, details are as follows,

Date : 07th July 2021
Time : 15:02:00 pm
Place : Kolkata

Ruling Planet at the time of calculation

	Sign Lord	Star Lord	Sub Lord
Ascendant	Mars	Saturn	Mercury
Moon	Venus	Moon	Venus
Day	Mercury		

Here, Saturn present in RP (Asc star lord). So, Saturn causes something delay from expected date. I expected it on 8th July 2021 (Thursday). But I think it is not possible due to Asc star lord (Strong RP) of time chart is Saturn.

From a previous experience, I ordered a book from Amazon, that time timing of delivery 11th cuspal sublord also plays very important role.

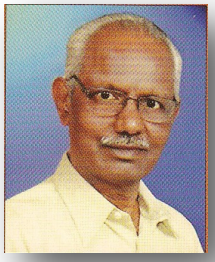

In this chart, 11th cuspal sublord is Rahu, Rahu agent of Venus. Venus is also in RP two times.

According to late KSK ji, nodes are stronger than planets. So I decided when the Moon transiting on Rahu star the KP Ezine magazine will releases.

Transit :
In 8th July 2021 Moon transiting on Mars star up to 8:45pm
In 9th July 2021 Moon transiting up to Rahu star approximately 8 pm.
So, I am quite sure that the 9th July 2021 KP Ezine published. As Saturn in RP 8th July late night publishing not possible (after 20:45 pm).

Actual Outcome:
KP Ezine published on 9th July 2021 Friday as I predicted. It probably releases on 15:38 pm, when the Moon in Rahu star Venus sub. Even the sublord Venus present in RP Strongly.

Acknowledgement: - Pranam to Guruji KSK and our beloved Kanak Bosmia Sir. Special thanks to my one senior KP Astrologer friend Akanksha Taropia mam to enlightened me the role of 11th cuspal sublord and ruling planet in previous some case studies.

Astrological analysis of the INDIA'S Hindu New Year chart for 2021 on the possibilities of the attack of the third wave of CORONA PANDEMIC—
Hindu new year for 2021 starts on "Chaitra Shukla Pratipada" or Pisces new Moon.
The astrological chart for our country INDIA, on the day of Hindu new year for 2021 is prepared on 12 April 2021 @08-00-00 A.M for DELHI is attached.
This Hindu new year horoscope of 2021 gives us a broad picture of the trends of the coming new year of our country in all fields more so on the health of the people of the country, which is the topic for our analysis.
When we look back into the year 2020, we had terrible experiences of attack of CORONA PANDEMIC, about which nobody across the world heard in the past, and the unforgettable aftereffects on the general health of the public and the huge loss of life. The CORONA effects of 2020 left our economy in a bad shape by affecting the industrial progress, agriculture sector, loss of employment disasters on the common man etc.
The present scenario in the country is projecting a gloomy picture of the future with the fast-spreading rumours on the possible attack of the third wave of CORONA PANDEMIC especially on the younger generation of our country.
With this background, now I would like to analyze our country's Hindu New Year astrological chart for 2021 on the referred topic.

What KP Rule say on the present subject---
The Ascendant of the country's chart gives us a clear picture of the health of the public.
1) If the Ascendant cusp sub-lord signifies 6-8-12, the native will have ill health during the conjoined period of the significator of the houses 6-8-12.
2) If the Ascendant cusp sub lord signifies 1-11-5, the native gets cured of diseases-recovery-saved from the possible danger during the conjoined period of the significators of 1-5-11 houses.
3) If the Ascendant cusp sub-lord signifies (4)-8-12the native has the danger to the life - the risk of unnatural death during the conjoined period of the significators of (4) -8-12 houses and the Badhaka (11 for Movable signs, 9-for Fixed signs and 7-for Dual signs) and Maraka (2-7) houses.

Analysis as per the Hindu New year Chart for 2021-2022

As per the Rule No. 1-- The Ascendant cusp sub-lord is SATURN+ lord of 10 and 11 in the 9th house (within one-degree orb to 10th cusp). Saturn co-rules the 7th cusp also. For Taurus, Ascendant 9th is the Badhaka house and Saturn is the Badhaka lord.
Saturn+ is placed in the star-lord of Moon lord of 4 is placed in the 12th and Sub-lord of Mercury lord of 2, 3 & 6 in 11, but within 5 degrees orb to 12th cusp.
Thus, the Ascendant cusp sub-lord Saturn+ signifies @STL(MOON) 4-12 and @SBL (MERCURY) 2-3-6-11.
Here Saturn+ signifies strongly 4- end of everything including the life of the people, 10- to experience the past karma and suffering, 11-cure and control of the disease, 12- hospitalization and loss of life, 2 and 7 -Maraka houses, 3-treatment by doctors, 6-disease.
Since the 8th house and 5th house (Children of all ages) are not signified, I feel that the situation may not be so dangerous as expected/ rumoured.

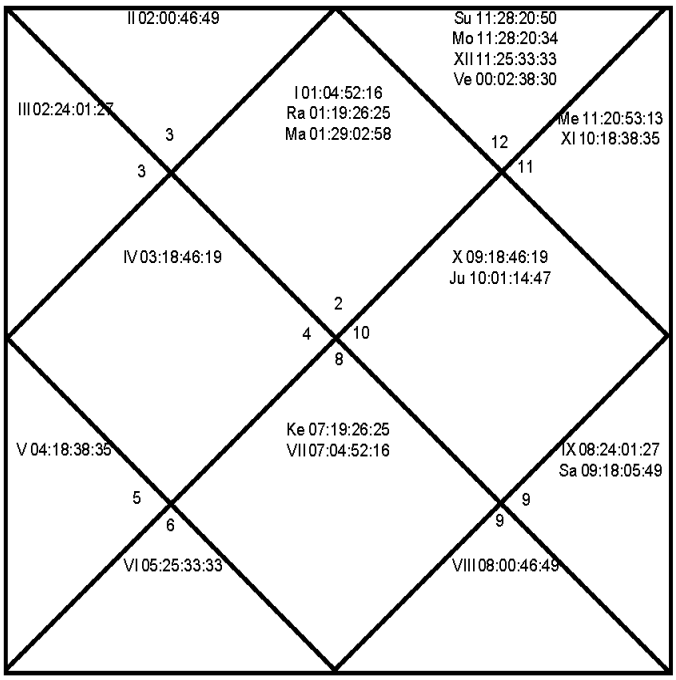

2) As per the 2nd rule-- the Ascendant cusp sub-lord Saturn+ signifies 7 and 11 cups but not the

3) As per the 3rd rule-- the Ascendant cusp sub-lord Saturn+ signifies only 4 and 12 houses, along with Maraka houses 2nd and 7th and 9th -Badhaka house. This indicates that there will be loss of life to some extent during the process of treatment/ hospitalization.

And there will be loss of life to some extent and at the same time recovery from disease by treatment of the doctors.

I take this opportunity to express my regards to our Guruji Sri (late) PVK Punneswara Rao.

Who will Marry Whom? (Part - III)

This is continuation of my earlier article of the same topic. I am retaining all the information of earlier article, just for readers' reference.

This time my article is on 7th house. In astrology the 7th house is the house of partner or spouse. It is a primary house for marriage. The 7th house represents legal bondage.

The 7th house indicates marital life, sexual pleasure, husband and wife, spouse's wealth, divorce etc.

If the 7th cuspal sub lord signifies 2 or 7 or 11 and Karaka Venus, then the marriage is promised and the same fructifies in the conjoined dasa period of the significators of 2, 7 and 11.

If the houses 2, 7 and 11 are connected with benefic planets either association or by aspect denote that the partner in life will come of a respectable family, will be virtuously disposed and will possess good qualities to enable one to lead a happy and harmonious wedded life.

Now the question is whether it is possible to know well before or identify to whom he/she will marry. Is it possible to know in advance that of which sign (rashi), which Ascendant (Lagna), Moon and 7th lord of the bride or bridegroom will marry.
Guruji KSK has given more and more information about 7th house; they are (a) age difference between spouse/partner (b) spouse / partner from where (through relations or place) (c) whether spouse/partner is employee (d) sexual sesires and behaviours and so on.
The Astrology says yes to maximum extent. Then how to find it?
In natural zodiac except Sun and Moon all five planets owns Two Sign each. (**Mars:** Aries and Scorpio; **Venus:** Taurus and Libra; **Mercury:** Gemini and Virgo; **Jupiter:** Sagittarius and Pieces; **Saturn:** Capricorn and Aquarius)

Bride and bridegroom Lagna/Lagna lord and its two rashis. 7th house/ 7th lord and its two rashis. Moon/Moon lord (posited) and its two rashis play a vital role in both the horoscopes. These above combinations will be interlinked or will exchange or signify each other in couple's horoscopes.

You can see interlinks in the chart below to understand it clearly.
Husband: 11.03.1963 @ 06:17:00 Hrs, Bangalore, Karnataka. Longitude: 77° 38' 0" E, Latitude: 12° 58' 0" N.

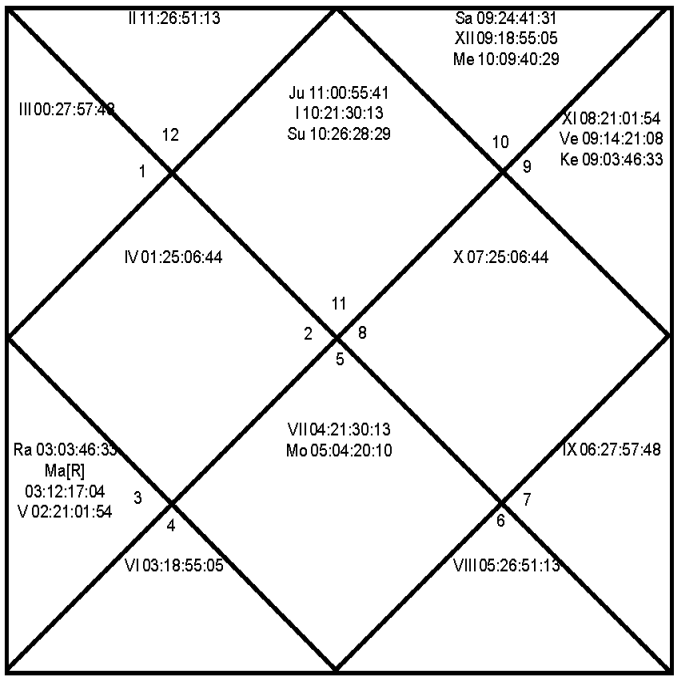

Chart Analysis:
Lagna: The lagna is Aquarius. The lagna lord is Saturn and Saturn is lord of Capricorn and Aquarius sign.
Moon: Moon is posited in Virgo. The lord of Virgo is Mercury. And Mercury is lord of Gemini and Virgo.
7th House: 7th house is Leo. The lord of Leo is Sun.
Conclusion: Wife's lagna is Virgo. The lord of Virgo is Mercury. Also the Mercury is lord of Gemini. So, Husband's Moon is in Virgo sign and the same Virgo is wife's Lagna. Fortunately wife's lagna lord Mercury is in husband's 12th house or Lagna sign (Aquarius). Husband's 7th lord Sun is in wife's Lagna sign. Here there is interlink is between husband's Moon and wife's Lagna sign and lord; husband's 7th lord and wife's Lagna sign.

In my future articles I will be presenting another 2 couples' horoscopes on this title. So, my humble request to astrologers is that please think or put a light on this to know more and more about this. Off course it may not happen for all couples' charts. But if it is matching 7 to 8 charts out of 10 charts, then we can conclude that this concept is correct and we can adopt this in future for matching of horoscopes. Because it will also help us to add one more point in matching of horoscopes.

Questions & Answers

Question 1: Rationale of Retrogression in Horary
I would like to know why retrogression is considered in horary analysis while it doesn't matter in natal analysis.

Answer 1:
In horary studies, planets stay in "dynamic" motion as follows:
1) If the question is ruled by a retrograde planet at the time of query, the condition will change when the planet goes direct. If the ruling planet is direct and will soon turn retrograde, the event asked about may not happen. Retrograde planets in horary brings things and people back. (Helen Adams Garrett: *More About Retrogrades*, 1991)
2) For example, if a planet retrogrades in the 7th house the querent gone out of station will return for the query about the return. (S. Kannan, *Astr;ogicalMagazine* January 1972)
3) Retrograde planets never give all that is expected. (Charles Carter: *Horary Astrology*, 1942)
4) Retrograde is found fatal to the success of question. (Alan Leo: *Horary Astrology*, 2006 Edition p 132)
5) An angular planet going retrograde or into combustion may wreck its ability to act in a positive fashion. (J. Lee Lehman: *The Martial Art of Horary Astrology* p 264)

Question 2: Backward Prediction
Is it possible to predict when a person for example got married?; for example if I want to check a horoscope of 50 year old man and he asks "can you tell me in which dasha and bhukti I got married". A range will be enough and not the exact date.

Answer 2:
Yes, it's possible and had been done in different kinds of quiz in many long time ago Yahoo astrological discussion groups including KP of astrosage.com, http://groups.yahoo.com/group/k_p_system.

Question 3: Aspect in 4 Step Theory
I have a quick question about aspects in 4 step theory. Should we consider lagna chart aspects? If a strong planet is aspected by, and aspects other houses then will all those be significators? What about opposite house aspect?

Answer 3:
In 4 step theory the Hindu aspects with orb of 3deg:20min are used. The Hindu aspects are counted '**from rasi to rasi'**, irrespective of the positions of the planets in the rasis and the relative distance between the two planets i.e. **not 'from degree to degree'** like in the Western aspects. Planets aspect the entire rasis with or without any planet or cusp there, and the closer an aspect on any located planet or cusp is, the stronger the result would be.

A STUDY ARTICLE ON FOUR STEP THEORY
(by Tin Win, courtesy of KPE-zine Dec 2007)

3. 'Additional' Primary Significators from the KP 'E' Grade Significators
15. The special rules of upgrading the weak KP 'E' grade significators to the primary significators in this theory are as follows:
1) Conjunction with the Cusps,
2) Conjunction between the Planets,

3) Aspect on the Cusps, and
4) Aspect between the Planets.

II.3.3. Rule 6 of Aspect on the Cusps
21. If a planet throws the Hindu aspects on the cusps (not houses) within the 3d:20m orb, the planet becomes a 'primary' significator of these houses whose cusps are aspected, only if the 'original' planet itself is a 'primary' significator (as per Rule 1 and 2), 'irrespective' of other planets 'being' in these houses. Ketu's 7th aspect on the 'cusp' within 30d:20m orb is taken into consideration, implying to consider Rahu's similar aspect on the opposite cusp. Nevertheless, Rahu/Ketu's aspect on each other or any other planet is not considered. Any aspect of Rahu/Ketu is not applicable in KP. (R 1, pages 28, 34, 70, 87, R 14)

22. In the example chart '1', Jupiter aspects the 7, 9, 11 cusps within 3d:20m. Since Jupiter with no planet in its star is a 'primary' significator by Rule 2, it becomes a 'primary' significator of the 7, 9, 11 houses by Rule 6. In the example chart '2', Saturn aspects the 2nd cusp only within prescribed 3d:20m orb but its aspect on the 7 and 11 cusps are beyond the prescribed 3d:20m orb. As a 'primary' significator by Rule 2, Saturn with no planet in its star also becomes a 'primary' significator of the 2nd house by Rule 6 but not 7 and 11 houses. 'Me Asp 1, Ju Asp 9, Ve Asp 12, Ra Asp 9, Ke Asp 3' are all the '7th' aspects, and consequently at the same time 'Me Cnj 7, Ju Cnj 3, Ve Cnj 6, Ra Cnj 3, Ke Cnj 9'. Thus these planets become the primary significators of the opposite houses, ie. 'Me for 1 & 7 houses; Ju for 3 & 9; Ve for 6 & 12; Ra for 3 & 9; Ke for 9 & 3', indicating opposite matters, such as sickness and cure, loss and gain. So there is a difference of opinion 'not to consider' the '7th' aspect on the cusps or planets and to consider 'conjunction only'. Depending on which option (with or without 7th aspect) is applied, the result can be entirely different in some cases; for instance, in the case of the actual marriage on 25-12-2005 (Me-Sa-Ve DBA dasa) in a male chart, 09-09-1978, 06:32 AM, Belgaum, Karnataka, India, 15N52, 74E30, New KPA 23:28:10, Asc Le 24:38:40, by KPAstro 3.0. Mercury Dasa and Saturn Bhukti are justified for marriage. But the Antara lord Venus is capable of giving marriage, if 'Su Asp 7' by 7th aspect is considered in the 4th step of Venus, otherwise marriage is denied by the only primary significatior of the 'totally negative' houses 1, 12 for marriage in the 4th step of Venus as shown under.

1) Primary Significators 'with' 7th Aspect (as in R1)
Planet Ve:
Starlord of Ve is Ra: 1; Sgl Me(12); Stl Su(12, Asp 7, Cnj 1)
Sublord of Ve is Ra:
Starlord of Ra is Su: 12; Asp 7; Cnj 1

2) Primary Significators 'without' 7th Aspect
Planet Ve:
Starlord of Ve is Ra: 1; Sgl Me(12); Stl Su(12, Cnj 1)
Sublord of Ve is Ra:
Starlord of Ra is Su: 12; Cnj 1

II.3.4. Rule 7 of Aspect between the Planets
23. f a planet has the Hindu aspect (throwing or receiving) with another planet within the prescribed 3d:20m orb, the planet becomes a 'primary' significator of another planet, provided the 'original' planet itself is a 'primary' significator (as per Rule 1 and 2). Aspects on each other of two planets in the opposite signs are also considered. However, Rahu/Ketu's aspect on each other or another planet is not applicable but its 7th aspect on the opposite cusp is considered. (R 1, pages 28, 30, 54, 57, 70, 75, R 14)

24. In the example chart 1, regarding 'Mo Asp by Ju', on the side of receiving aspect, Moon with no planet in it star, a primary significator by Rule 2, will offer the results of Jupiter (3-8, Asp Mo[10-12], Asp 7,9,11, Cnj 3) in any step of the 4 steps, ie. 1st step of Moon. On the other side of throwing aspect, Jupiter with no planet in its star, a primary

significator by Rule 2, will give the results of Moon(10-2) in any step, ie.1st step of Jupiter. In the case of 'Ket Asp by Ju', Ketu in its own star, a primary significator by Rule 2, will give the results of Ju(3-8, Asp Mo[10-12], Asp 7,9,11, Cnj 3) in 1st step of Ketu, 2nd step of Ketu and Saturn and 4th step of Ketu and Rahu. Since there is only 'one way' of giving results by Rahu/Ketu, Jupiter 'cannot' give the results of Ketu vice versa although Ketu is an agent of Jupiter. In the example chart of a male, 09-04-1958, 04:25 AM, Indore, MP, India, 22N43, 75E50, New KPA 23:11:03, Asc Aq 18:41:01, the aspects of Mercury in Aries and Jupiter in Libra on each other by 7th aspect within the prescribed orb are to be considered, ie. Mercury giving the results of Jupiter(8-11) and Jupiter offering the results of Mercury(2-5), like in the example chart no. 14 in page 56 of R1, where Jupiter and Moon aspecting on each other by 7th aspect, Jupiter giving the results of Moon(2, etc) and Moon offering the results of Jupiter (8, etc)..

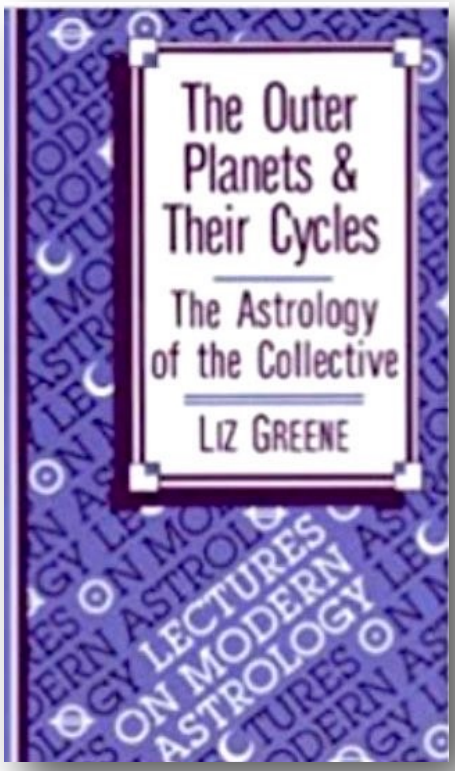

Book review-
The Outer Planets and Their Cycles: The Astrology of the Collective

By: Tin Win
Email: tw853@yahoo.com

The Outer Planets and Their Cycles: The Astrology of the Collective Paperback – by Liz Greene
Crcs Publications; 2nd edition, 1996, 182 pages

"The Outer Planets and Their Cycles – The Astrology of the Collective", is a classic work on mundane astrology written by Liz Greene, was originally published in 1983 and revised in 2005. The book is based on a series of lectures given by the author in 1980. Liz Greene explores the meaning of Uranus, Neptune and Pluto, in both individual and national charts. This book predicted major world events such as the collapse of the Soviet Union, the formation of a united Europe, and the rise of religious fundamentalism. As Liz Greene wrote in the preface to the 2005 edition, this book "contains probably the first published prediction of the fall of the Soviet Union".

Lecture One: An introduction to the outer planets
In this first part the author presents the meaning of Uranus, Neptune and Pluto. She wrote that the creative ideas symbolized by Uranus are taken in the world, in a conscious way, mostly, by people with a Saturn conjunct Uranus.
Pluto is linked with a certain vision of the Universe and with the Hermetic world – view.

Lecture Two: Aspects to the outer planets
The author wrote about Pluto in Libra, Chiron, the aspects between Uranus and Pluto, Sun and Neptune, Saturn and Uranus, Saturn and Neptune, Saturn and Pluto, the periods when Uranus, Pluto, Neptune were discovered and the synchronic events. For example:
"Neptune materializes as the alcoholic or the deceitful partner, and Uranus dresses as the partner who leaves you, and Pluto disguises himself as the partner who has power over you

or has some pretty complicated sexual and emotional patterns. […] A person with strong outer planet contacts may have a disruptive effect in the group, because the outer planets tend to feel threatening to more Saturnian values."

Lecture Three: The outer planets in individual horoscopes
The author writes about the chart of Adolf Hitler (Pluto – Neptune conjunction, Uranus on the Ascendant), Karl Marx (Uranus – Neptune conjunction square Saturn and Pluto), Lenin (Uranus square Neptune), Freud (Sun with Uranus), Jung (Sun with Uranus square Neptune), the Uranus – Pluto conjunction of 1960.

Lecture Four: Outer planets rulership of signs and houses
The author writes about Uranus, Neptune and Pluto as co-rulers of Aquarius, Pisces and Scorpio. Also about Saturn and Pluto in the 12th house.

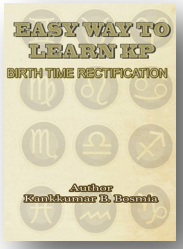

Lecture Five: The USSR and the Uranus – Neptune conjunction
In this chapter the author wrote about the transit of Pluto on the URSS Sun and predicted the disintegration of the Soviet Union around 1989.

Lecture Six: Outer planets in everyday life
The author presents many examples of outer planets in aspects with personal planets, especially with Venus, and of outer planets placed in angles, especially in the 7th and 10th house.

Lecture Seven: The outer planets and the Astrological Ages
The author wrote about the Piscean Age, the religions and myths associated, the transition to the Aquarian Age.

The book has 2 appendixes, one is "The Generation Gap", an interesting article about the astrological links between generations, the second is "The Good, the Bad and the Ugly: the Chiron – Pluto cycle", an article about the cycle of Chiron and Pluto.

This book is a good book of mundane astrology, written in 1983, when there wasn't many written material on this subject. It treats different themes of mundane astrology, it's diverse and interesting to read. It isn't so detailed and comprehensive as "Mundane Astrology: The Astrology of Nations and States, by H. S. Green, Charles E. O. Carter, Raphael, 2005", but still is one of the best books on mundane astrology, a book where the reader will meet the accuracy and clarity of Liz Greene's vision of astrology.

When will US Supreme Court Justice Stephen Breyer retire?

By: Tin Win
Email: tw853@yahoo.com

Short Background
US Supreme Court Associate Justice Stephen Breyer, 83, told *CNN* earlier this summer he has made no decisions regarding when he might step down and that any future retirement decisions would be based on his health and the court. He signals he'll retire before he dies by telling the *New York Times* in an interview, "I don't think I'm going to stay there till I die—hope not". He said during a recent interview there are "many things" that will impact the timing of his retirement, including who is in the Oval Office at the time he makes his decision. He also added that he would like to ensure that the person appointed after him would not "just reverse everything I've done for the last 25 years," quoting late Justice Antonin Scalia.

Breyer is one of three liberal Supreme Court justices who was appointed by a Democrat President Bill Clinton on 13 May 1994. If he retires before the 2022 November midterm elections while Biden is president, progressives are hopeful Biden will appoint a justice who would retain the court's current balance of its 6-3 conservative majority. Democrats currently hold slim majorities in both chambers of *Congress*, losing a majority in the *Senate* could threaten the confirmation of a Biden-nominated justice.

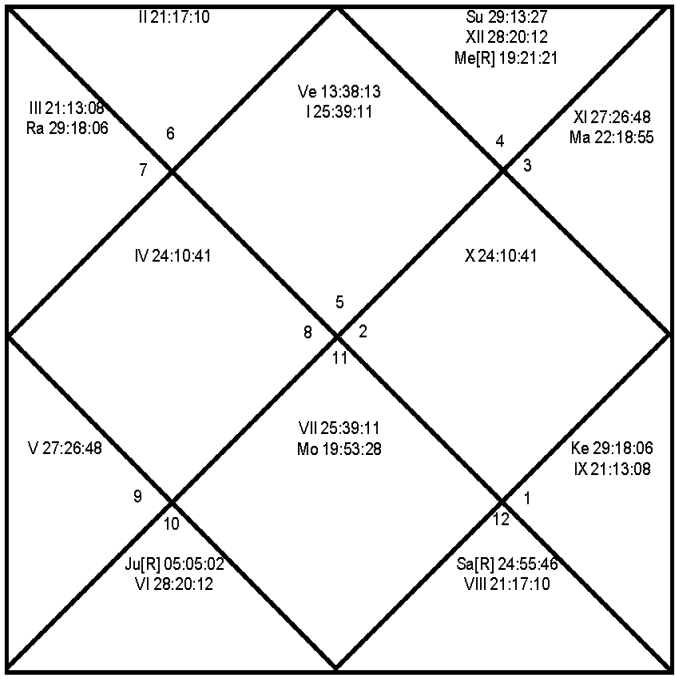

KP Rule for Retirement: it happens during the joint dasa period of significators of 3, 5, 9 or 12 houses. To be in service are houses 2, 6, 10 or 11.
According to the AstroDatabank AA rated birth details, *Stephen Breyer was born on 15 August 1938 at 07:40 AM (- 08:000, at San Francisco, California, 37N47, 122W25.*
The current running joint dasa Jupiter- Saturn is from 22 August 2021 to 04 March 2024. As shown in the following table, Jupiter dasa and Saturn bhukti are conducive for retirement. Jupiter is not in the Ruling Planets at the time of judgment which can be checked in the attached chart, it doesn't matter. Then Ketu antra is chosen since no 6 and 10 of main houses to be in service in planet and star lord levels. Venus sooksha is left since 10 is planet level and 6-10 in sub level. Sun and Moon sookshmas are left since 6 or/and 10 are in sub level. Mars sookshma is chosen.
So Breyer's retirement is expected during Jupiter dasa- Saturn bhukti- Ketu antra- Mars sookshma (15-18 June 2022).

Question: I am currently in midst of finalizing an under construction house deal in next 15 days, will be cheated?
DOB: 11/3/1983; Thursday; **TOB:** 00:15:00 AM I.S.T. ,
Place of Judgment. Nasik- Maharashtra **Long/Lat:** 31° N 19', 75° E 34', **Aynamsha** 23.25.37

Hints
If 12th cuspal sub lord signifies 5 (11th from 7th), 8 (2nd from 7th/ monetary gain to opponent) and be connected with Saturn and Mercury, there is a chance that one can be cheated.
Cheating will happen during the joint period of the significators of 5-8-12.

Cuspal Sub Lord
12th Cusp (Libra 18º.040'.43"): The sub lord of the 12th cusp is Sun. Sun is in the star of Jupiter and sub of Ketu. Sun is occupant of 4, owner of 10. No planet is in the stars of Sun and Sun is the CSL of 4-12. Star lord Jupiter is occupant of 1, owner of 2-5. Sub lord Ketu is occupant of 1. Ketu is aspected by Saturn. Saturn is occupant of 11, owner of 3-4. So 12th cusp sub lord Sun signifies 4-10-12-1-2-5-11-3. Sun indicates 5 with 1-11. Therefor I don't think you are to be cheated..

Joint Period
Current Dasa is Rahu up to 8-9-2016.
Dasa lord Rahu is in the star and sub of own. Rahu is occupant of 7. Rahu is aspected by Mars. Mars is occupant of 5, owner of 1-6. No planet is in the stars of Mars and Mars is the CSL of 6-10. Dasa lord Rahu signifies 7-5-1-6-10. Dasa lord Rahu indicates 5 with 1, so there is no chance of cheating.
My opinion: I don't see any cheating.

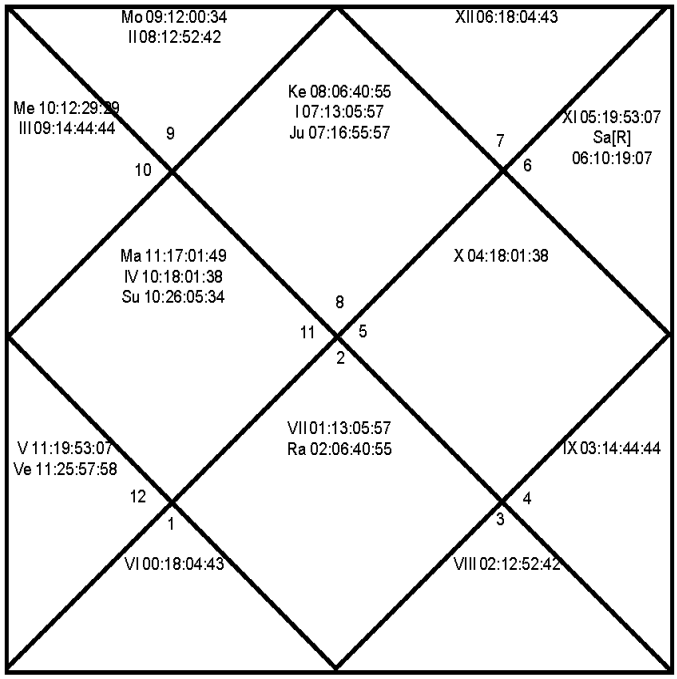

Outcome: Prediction is proved right. As per client's feedback "I bought house in July 2013 and have not been cheated."

When will my daughter receive the courier parcel?

This is horary chart analysis for the self-question on "when my daughter at London will receive the courier parcel sent by me on 15-07-2021?"
Horary No. 55 is chosen at random by me and the chart is erected on 16 July 2021 @ 07-55-21 A.M @ my place.

Coordinates for judgment and K.P. rules for the event
2nd house speaks of the movable articles. I have to check the 2nd house since the articles to be received through the courier are domestic items. The items are considered to be movable ones.

3rd house speaks about "anything" that has to reach us by undertaking travel.

4th house speaks of the place or destination (like home or office or place of stay) where the courier parcel will be delivered.

11th house is to be judged to know whether the desire will be fulfilled or not.

The promise for receiving the items is to be validated by examining the 3rd and 11th cusps.

Moon indicates the genuineness of the query and querents mind.
As per the horary chart Moon is the lord of 2nd house placed in 3rd house but within one degree orb to 4th cusp. Moon is in the star of Moon signifying 2 and 4 and in the sub of Rahu signifying 2-11-12 houses. Thus the Moon clearly indicates the genuineness of the query and indicates the mind of the querent.

Whether the event is promised or not?
As per the horary chart, the 11th cusp sub-lord is Moon lord of 2nd placed in 3rd (1-degree orb to 4th). Moon is in the star of Moon lord of 2nd in 3rd and sub of Rahu placed in 11th house. Rahu represents Venus lord of 5 and 12 in 2nd. Thus the 11th cusp sub lord Moon signifies @STL(Moon) 2-4 and @SBL(Rahu) 2-5-11-12, confirms the happening of the event.

Note- Normally the international courier sent to U K takes seven days to reach the other end. Basing on the experience I used to sendq the courier parcels to my daughter in U K for the past few years, the item is expected to reach the destination within few days (say 7days), we have to consider the transit of the Moon which indicates day and date of the fructification of the event.

Analysis of the chart with the help of Ruling Planets and the transit of Moon—
Ruling Planets at TOJ---16-07-2021 @ 07-55-21 A.M—
Ascendant—Moon-Mercury-Jupiter.
Moon---Mercury-Moon-Rahu.
Day-lord---Venus.

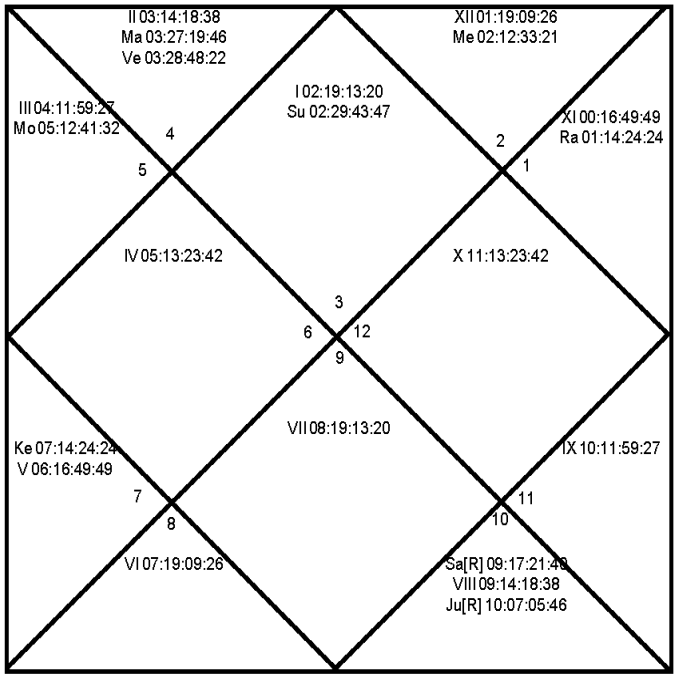

Note- Moon is placed in Saturn Sub-sub gives rise to P. P. Dosha and so Saturn will cause some delay and the delivery may not take place during the first attempt. Saturn being in the star of Moon also gives rise to PP Dosha which will give a break in the process of delivery also.

So Total RPs are—Moon (2)-Mercury (2)—Rahu-Jupiter-Venus.
On 17-07-2021—Saturday—Saturn is not in our RPs So Moon will not give on 17 July.
On 18-07-2021—Sunday--- Sun is not in our RPs. So, it is also dropped.
On 19-07-2021—Monday—Moon DL is in our RPs. Moon will be transiting in Venus sign-Libra—on Jupiter star. Both Venus and Jupiter are in our RPs. The event of delivery is expected to rake place, but due to PP dosha, and Saturn aspect on 2nd cusp directly (items to be delivered), it will cause delay and Saturn will not allow taking place. So, I have dropped 19th also.
On 20-07-2021—Tuesday—Mars is not in our RPs. So, dropped.
On 21-07-2021—Wednesday—Mercury is in our RPs. Moon will be transiting on Mercury star and Mercury is in our RPs. So, I feel the parcel will be delivered on 21st July before 06-28-00 P.M as per our timings.

If it is to be said in UK timings, we have to deduct 04-30 hours as India will be ahead of 04-30 -00 to the UK timings. So, as per UK timings, the item has to be delivered before 01-58-00 P.M.

Facts of the Case—As informed by my daughter from her place of stay (Seven oaks—UK)--On 21-07-2021, the delivery boy telephoned my daughter's phone number about the arrival of the parcel and asked her to come down to the gate to take delivery of the parcel. Since she was busy in her office works, she could not attend the telephone call and the delivery boy left their place and sent a message postponing the delivery for the next day at the same timing.

Of course, the courier parcel was delivered on next day i. e. on 22-07-2021 @ (12-50-50 P.M UK) 05-20-50 P.M.

It has been proved beyond doubt, that the effect of Saturn as Sub-Sub lord of the Moon (as the decider of the event) and it's Punarphoo Dosha in delaying and creating a break in the process of delivery. Please note that Saturn is the lord of the 8th cusp placed in 8th cusp only (within three degrees orb) has created a break in the process of fructification of the event of the delivery.

Ruling planets on the date and time of delivery are---
Ascendant—Jupiter-Venus-Venus-Rahu.
Moon---Jupiter-Venus-Venus-Moon.
Day-Lord—Jupiter.
All the RP's are in our ruling planets at the time of judgment.

This amply proves that the KP system and the ruling planets will not fail in giving the results accurately.

I take this opportunity and express my humble regards to our astrology Guru Sri PVK Punneswara Rao and Sri Kanak Ji for allowing me to send this article for our KP Ezine.

Grandmother's Longevity

Horary No: 156
Date: 22 Dec 2020
Time: 12:41:38 AM
Place: Kolkata

My own grandmother who was at the time of making this horary horoscope was approximately 95 years old. She was suffering and bedridden for the last 5-6 years. She cannot eat nor can move on her own. Considering the current condition I wanted to know when this will end and she can ultimately find peace.

Rule for longevity
If the 1st cuspal sub-lord is the significator of 6, 8, 12, life is full of disease and thus longevity is short.
.
If the 1 cuspal sub-lord is connected with maraka (2, 7) and badhaka (11 is badhaka for movable ascendants; 9 is badhaka for fixed ascendants; and 7 is badhaka for common ascendants) , then it's not good for longevity.

If the 1st cuspal sub-lord is connected with 1, 5, 9, 11 (excluding badhaka) , life is long.

In this horary chart-:
Ascendant is Scorpio thus Badhaka is 9.
Ascendant sub lord Rahu is occupant of 7. No planet is in the stars of Rahu, and Rahu is the cuspal sub-lord of 1, 6, 7, 10 houses. Rahu is aspected by Jupiter occupant of 2 and owner of 2-5. No planet is in the star of Jupiter, and Jupiter is the cuspal sub-lord of 3,9 houses.
Rahu is in the star of Mars, occupant of 5 and owners of 1-6. Rahu is in the sub of its own.
Thus Rahu is the significator of 5, 1, 6 and connected with 2, 3, 7, 9, 10.
1st cuspal sub-lord is connected with 2-7 (maraka), 9 (badhaka), 6 (disease), 10 (retirement from this world).

Ruling planets at time of Judgement-:

	Sign	Star	Sub
Asc:	Me	Mo	Ve
Moon:	Ju	Sa	Sa

Daylord: Mo
Rahu is aspected by Jupiter thus represents Jupiter.
Ketu is conjoined with Venus, thus represents Venus.
Punerphoo is present.

At the time of judgement Saturn dasha is running (31 August 2019 to 31 August 2038), also presents in RPs.

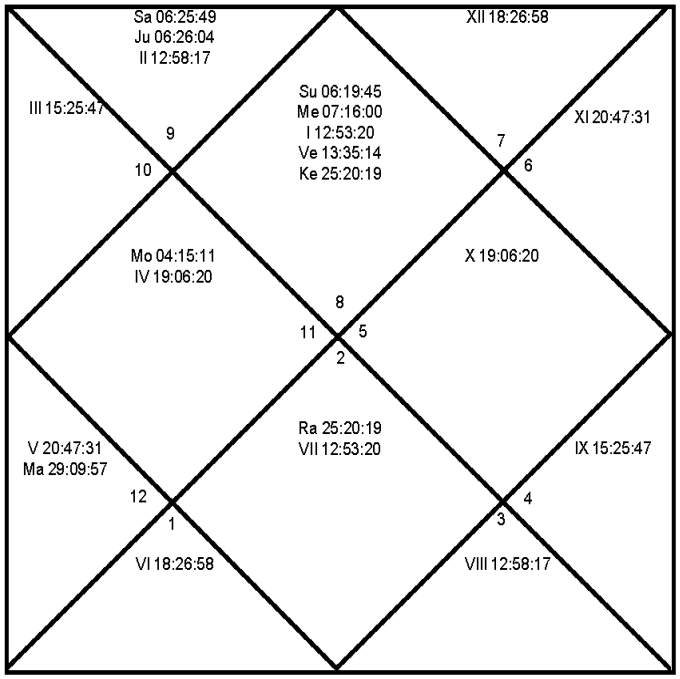

Saturn is occupant of 2 (maraka) and owner of 3 and 4 (end of life). Saturn is in the star of Sun, occupant of 1 and owner of 10 (retirement from this world). Saturn is in the sub of Mercury occupant of 1 and owner of 8 (disease / danger) and 11.
Saturn antara is running from 31 August 2019 to 03 Sept 2022.
Saturn is already discussed above and also presents in RPs twice.

Government Job (Part - IV)

By: Sri. Raghavendra Rao Desai
S. N. Ventures, # 1034/39, 6th Main, 3rd Cross,

This is continuation of earlier article about Government job (Part-III). It is the dream or aim or ambition for every person. In modern days IT, BT and Multinational companies are dominating the society still peoples prefer for the government job, because it gives job security for the native.

For profession in Vedic astrology we will see D1 (Lagna Chart) and D10 (Dasamsa Divisional Chart). As per Vedic astrology if the Sun is in 10th house gives government job. But Sun alone is not enough for the government job, along with Sun we have to consider other plants also. If Sun is posited in 10th house and if that 10th house is Leo Sign then to some extent we can consider it for government job.

As I wrote in my previous article the Sun is in Libra Sign (here Sun is debilitate as per Vedic astrology). Because as per rule Libra sign is a Male sign. So, just don't go blindly on the basis of dictums. Try to think in all angles that is why it has taken place. So, analyse horoscope in different angles also. Because theory is different from practice. So, "Leave no stone unturned".

Now, we will see what are houses, planets and signs that are responsible or important for the government job. I will present all the related information in this article.

Houses 2, 6, 10 and 11 houses are considered for employment and services because,

2nd House: It denotes money matters, profit and gain, one can earn, financial prosperity, bank position.

6th House: It denotes job / service / day- to - day attendance.

10th House: It denotes profession / occupation / name & fame / power & prestige.

11th House: It denotes desires, hopes, aspirations & their realization.

Karaka Planets for profession is Saturn and Digbala planets for 10th house is Sun and Mars.

KP gives rules clearly that – 11th CSBL should be a significator through its Starlord or Sublord of 2nd or 6th or 10th or 11th house. **Or**

6th CSBL should be a significator through its Starlord or Sublord of 2nd or 10th or 11th lord **Or**

10th CSBL should be a significator through its Starlord or Sublord of 2nd or 11th or 6th house lord.

Permanent or Temporary job: If the sublord of the 6th cusp becomes the significator of 2, 10 and 11 houses through its Starlord or Sublord, then it shows permanent job but if it becomes significators along with houses of 5th or 9th house also denotes temporary job or native is not likely to stick to one job.

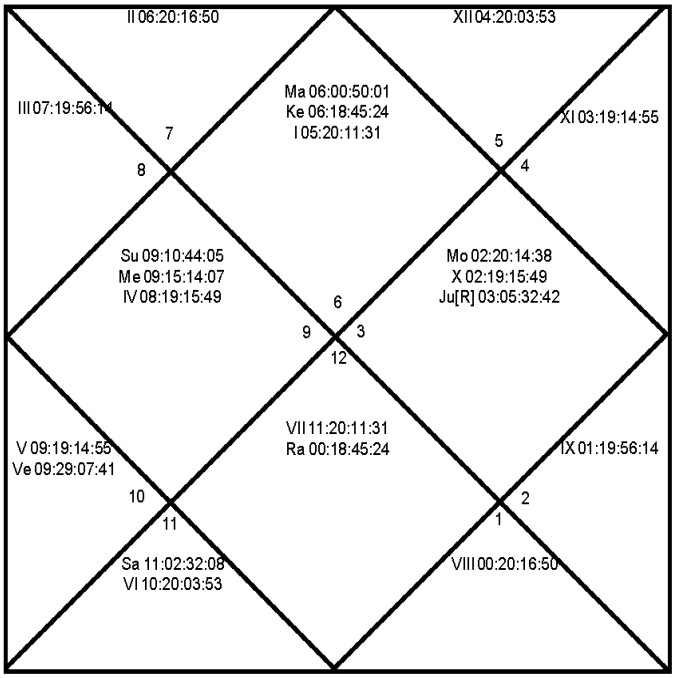

If the 10th cusp sublord is significator of 6th house through starlord and 7th house through sublord it indicates private job. Venus is planet for private job as well as for business.

Change of place: Whether the native will get the promised job at the place or at a different place. It should be judged from the Dasa period running at the time of joining the job. If the Bhukti / Antar lord / Pratyanter lord becomes the significator of 2, 6, 10 and 3 or 12 houses it shows the job will be at changed place.

Government Job:
Sign / Rashi: For government job you need Fiery Sign (Aries, Leo, Sagittarius), Watery Sign (Cancer, Scorpio, Pieces) and Male Sign (Aries, Gemini, Leo, Libra, Sagittarius, Aquarius). These Signs/Rashi's will play vital roll in the Government job.

Planets: **Sun, Mars, Jupiter and Saturn** even Moon to some extent. These planets will contribute their role in Government job and if they are strong signficator of 6th and 10th and job with security will be very high.

Bhava: 2nd, 6th, 10th and 11th. These are the main houses for profession as well as for Government job.

Male: 24.01.1967 @ 23:00:00 Hrs, Hoskote (Karnataka). Longitude: 77° 48' 54" E, Latitude: 13° 4' 1" N.

Job Joining Date: 25.11.1987 afternoon. Saturn (6, 10) / Mercury (10, 11) / Jupiter (6, 10) / Venus (2, 6) / Saturn (6, 10) / Jupiter (6, 10).

Analysis:

6th CSBL is Jupiter. Jupiter is signifying 6 and 10 houses through its Star lord and Sub lord. Jupiter is in Saturn Star (6, 10) and Mercury Sub (10, 11). Native's 6th CSBL is Jupiter. Jupiter is in Saturn Star (Pushya). The Pushya Nakshatra indicates the Government and political positions, real estate agents. Native's 10th CSBL is Mars (10). Mars is also in own star (Chitta). The Chitta nakshatra indicates creative business people, builders of all kinds, landscapers, middleman, agents professions (Because he also doing real estate business as well as Union Leader). And 6th CSBL Jupiter is posited in watery sign and 10th CSBL Mars is posited in Male sign. So, the native is working in government organisation.

2nd House: Libra sign is the second house in this chart. This is Male sign.

6th House: Aquarius sign is the sixth house in this chart. This is Male sign.

Common planets among significators and ruling planets are:

Coming to DBA,
According to the horary chart the native is running Sun dasa, Mercury Bhukti Rahu Anrhara from12.04.2021 to 28.05.2021.

The native applied for pension a few days back.
Dasa lord Sun is in the star of Sun and sub of Ketu. Sun is in positional status. Sun is occupant of 8 owns 11. Sublord Ketu is occupant of 2. Dasa lord signifies 2-8-11. Dasa lord is favourable.

Bhukti lord Mercury is in the star of Mars and sub of Saturn. Mercury is occupant of 8 owns 9 and 12. Star lord Mars is occupant of 9 owns 2 and 7. Sub lord Saturn is occupant of 4 owns 5. Bhukti lord signifies 2-4-5-7-8-9. Bhukti lord Mercury is favourable.

Rahu anthara is going on.
Just I reject Rahu because Rahu is a common planet but only a few days left.

Next Jupiter anthara. In common planets Jupiter is not there.

Next Saturn anthara. Saturn is in the star of Moon and sub of Mercury. Saturn is in positional status. Saturn is the CSL of 2-4-8-10. Saturn is occupant of 4 owns 5. Starlord Moon is occupant of 12 owns 10. Sub lord Mercury is occupant of 8 owns 9 and 12. Saturn signifies 2-4-8-10-11.
Saturn Anthara is possible to get pension.

Finally Sookshma
Remaining common planet is Venus.
So I selected Venus sookshma 26.07.2021 to 03.08.2021.
So I told to the native to get pension on or before 03.08.2021.

Actual Outcome: The native received pension on 02.08.2021.

This prediction is given with the blessings of "Lord Mahaganpathi" and Sri. Late KSK Sir and My Guru Sri.M.R.Prasad.

Accident resulted in death

My friend has received a call on 8-7-2021 at 11-34 am stating that his relative had met with an accident and hospitalized. In this connection he requested me to see whether the injured person will recover and lead a normal life.

On the same day I have erected a time chart for the time of receipt of a call i.e. at 11-34 on 8th July 2021. The time chart shows the sign Virgo as ascendant. As the Virgo is a common sign Jupiter assumes the role of maraka and badhaka lord.

We will examine what Moon says. Moon is in 9 lord of 11 in the star of Mars in 11 lord of 3, 8 and in the sub of Kethu in 3. Kethu represents Mars being in the sign of Scorpio. Mars conjunct with Venus lord of 2, 9. Jupiter, badhaka and maraka lord, is aspecting Moon as well as Mercury, lagna lord. So Moon signifies 8 and 1, 2, 7 indicating accident and life threat.

K.P. Rule says that 4, 8, 12 houses deals with fatal accident. If the cuspal sublord of 8th or 12th signifies 8 or 12, the native may face accident during the joint period of significators of 4, 8, 12. If the sublord is connected to maraka and badhaka the native may face life threat also.

In the horoscope under examination the 8th cuspal sublord is Saturn in the star of Moon and sub of Mercury. Saturn is in 5 lord of 5, 6 and aspected by 8th lord Mars. The star lord Moon is in 9 lord of 11 and aspected by Jupiter, maraka and badhaka lord as discussed above. The sublord Mercury is in 9 lord of 1, 10 conjoined with Moon and aspected by Jupiter. Saturn signifies 8 + badhaka, maraka denotes life threat to the native.

The 12th cuspal sublord is Mercury in 9 lord of 1, 10 in the star of 8th lord Mars and in own sub poses life threat as Mercury is also aspected by badhaka and maraka lord Jupiter.

The significators are as follows:

Cusp	A	B	C	D
4	—	—	Sun	Jup
8	—	—	Mer, Mon	Mars
12	—	—	—	Sun
6	—	—	Ket	Sat

Dasa, bhukthi and anthara running, as on the date of analysis, is Mars-Ket-Ven. Dasa lord Mars is in the star of Mercury and sub of Moon. Mars is in 11 lord of 3,8 and in the star of Mercury in 9 lord of 1,10 and in the sub of Moon in 9 lord of 11. The starlord Mercury and sublord Moon are aspected by Jupiter in 5 lord of 4,7. Mars conjunct witn Venus is aspected by 6th lord Saturn. As Mars signifies 1, 4, 6, 8 + badhaka and maraka it denotes life threat during its period.

Bhukthi lord is Kethu in the star of Saturn and sub of Rahu. Kethu represents Mars being in the sign of Scorpio. Saturn is aspected by Mars. Hence bukthi lord Kethu gives the result of Mars.

Anthara lord Venus is not a significator of accident and hence it is rejected.

Sun lord of 12, having positional status, is in the star of Jupiter, lord of 4,7 and in the sub of Saturn in 5 lord of 5,6 and aspected by dasalord Mars is considered as anthara lord. Sun conjunct with lagna lord Mercury signifies 4, 6, 7, 12 and denotes life threat.

The conjoint period of Mars-Ket-Sun from 15-7-2021 to 23-7-2021 is a critical period for the native if transit agrees and chances of life is remote. It is learnt that the native passed away on 16-7-2021.

TRANSIT: Dasa lord Mar is transiting in the star of Mercury (Aslesha); bhukthi lord Kethu is transiting in the star of Saturn (Anuradha); luminary Sun is transiting in the star of Jupiter (Punarvasu); and Moon is transiting in its own star Hastha. Thus the transit agrees.

Rules for Marriage:
If the 7th cuspal sublord signifies 2, 7, 11, then marriage is promised.
If the 7th cuspal sublord signifies 5 house or/and 5th cuspal sublord signifies 7th house, then love marriage is promised.

Analysis of 7th and 5th Cusps :
7th Cusp: Here, 7th cuspal sublord is Rahu. Rahu is agent of Venus, in 7th house, connected with 8th. Venus occupies 10th, lord of 7-8-12th houses. Rahu is in the star of Sun, occupant of 9th. Rahu's sublord Venus signifies 8th and 12 houses, signifying favourable 7 for marriage and unfavourable 8-10-12.
Note :- Moon and Saturn are in star of Rahu forming Punarphoo.

5th Cusp: 5th cuspal sublord is also Rahu, as already discussed above.

Current Dasha – Bhukti – Antara :-
Saturn Dasha (up to 20th October 2025)
Saturn occupies 12th house, lord of 4th house. Saturn is in star of Rahu, which signifies 7, 8, 12 houses. Saturn is in sub of Venus. Venus signies 8, 12 and 10th houses. Dasa lord signifies favourable 7 for marriage and unfavourable 4-8-10-12 .

Rahu Bhukti (up to 8th April 2023)
Rahu, as already discussed above, signifies favourable 7 for marriage and unfavourable 8-10 -12 .

Antara Selection
For selection of Antara lord, I can use Ruling Planets.

Ruling Planets:-

	Sign Lord	Star Lord	Sub Lord
ASC	Saturn	Moon	Sun
Moon	Venus	Rahu	Rahu
Day Lord	Sun		

Saturn Antara (up to 5th September 2021) & Antara lord is in RPs.
I have already discussed Saturn as Dasha Lord.

My Prediction :
I am confident that marriage for this native is very tough, so I recommended him not to engage in any type of relationship, which may creates some problems.

Whether I will be able to leave the present working job, if so when?

One of my clients asked me whether he will be able to leave the present working job, if so when?
He gave me the number 107 out of 249.
Date of judgement: -10.07.2021, Saturday, Time: -11.57.00am, Place of judgement: - Kurnool. .(78-02-10E/15-49-44N)

He is working this job since 14 yrs, but there is no improvement of his career. He doesn't happy with finance and doesn't have good health also. Let us check the Moon of the querent. Moon (10-11) is in the star of Jupiter (6-4, 7) and in the sub of Venus (11-2,9). Note:- 6 (job), 2 (income), 10 (occupation),9 (change of job). So, the Moon indicates the genuineness of the querent. OK.

Cuspal rule for leaving the job: If the cuspal sublord of the 10th or 6th be the significator of 1, 5 or 9, then the querent can leave the service during the joint period of 1, 5 or 9. These significators are generally connected with the houses of service 2, 6 or 10.
Let us check the 10th CSL Mercury (10-1, 10) which is in the star of Mars (11-3, 8) and in the sub of Venus (11-2, 9). So, 10th CSL indicates 1-2-3-8-9-10-11 and the event is promised.
3 (changing the present place), 8 (obstacles), 9 (change of job), 10 (occupation). Here the 6th CSL is also Mercury and we already checked it. OK

Let us check the significators of 1,5,9 below.

House	A	B	C	D
1st	-	-	Ve, Ma	Me
5th	Ke	Sa	Ke	Sa
9th	Ju	Ra	-	Ve

So the final significators of 1,5,9 are: - Ve/Ma/Me/Ke/Sa/Ju/Ra
At the time of judgement, the querent is running Jupiter dasa/Venus bhukti from 13.06.2021 to 12.02.2024. Next Jupiter/Venus/Venus is from 13.06.2021 to 22.11.2021. Venus Antra is not selected because it is already selected as bhukti lord. Next Ju/Ve/Su, but Sun is not in the significator table, next Ju/Ve/Mo, Moon is not in the significator table, next Ju/Ve/Mars. Mars is not in the significator table, next Ju/Ve/Rahu is from 28.05.2022 to 21.10.2022. I selected Rahu as a Antra lord, as he is appeared in the significator table.

Astrological Prediction: So, during this period of 28.05.2022 to 21.10.2022 he leaves the job.

My sincere pranaams to my KP guru Shri *VSN. Murthy ji.*

Sanyasi yoga

SRI K.S. Krishnamurthi said in HORORY ASTROLOGY, Reader No 6, page No. 307:

"By Sanyasi it is meant that one gives up this worldly pleasures and possessions and cares more for paralokasadhanam. His server's connection and the family and new cycle of starts. In Horary Astrology, one can become a Sanyasi only when the sub lord of the Ascendant is connected with the houses 3, 10, 12, and it is in any manner connected with Saturn. .

In human life some people spend their marital life with their life partner up to end of the life. Now human life can be categorized in three divisions.

1. Someone live without marital life. They are not married any one they become sanyasi. They spend their life for spiritual, leave at Matt life SWAMI ji, Pitadhipathi. Devotional speakers up to send of life. They are Brahmachare.

2. Someone males married and spend with life wife. Unfortunately with in span of time wife died, or divorce. This persons con not marriage again they depression life

3. Someone live married after some years (3-5) with life wife. After children's birth wife died, or divorce. This person's con not marriage they spend life with their children's. They are become caretaker to big family up to end of life.

The above said rule is applicable to these persons. Someone from childhood, young age, middle age.

NARAYANA SWAMY, DATE OF BIRTH 11/07/1954, TIME OF BIRTH 8.11 PM, BIRTH PLACE: ADONI. KURNOOL DIST.

Marriage is promised when 7th cusp sub lord is connected with 2, 7 of 11; if it also signifies 1, 6, 12, marriage may by be delayed, denied; marriage does not happen.

MARRIAGE EVENT IS NOT IN HIS LIFE?

In the above native chart the 7th cusp sub lord Jupiter is 5 (very close to 6th cusp), lord of 3, 12, in the star of Rahu in 12, and in the sub lord of Sun in 6, lord of 8. The 7th cusp sub lord Jupiter signifies 3, 6,8 and 12. Jupiter does not signify 2,7,11, so this native marriage celebration is difficult. Jupiter is also in barren (not in fruitful) sign.

At the marriage age the native was running Mercury dasa. Mercury is in 6, in the star of Rahu in 12 and sub of Sun in 6. Mercury does not signify 2,7,11. So dasanatha is not cooperative to celebrate marriage during that period. Normally in one's life, marriage event will be held in the age of between 25 to 35. But for this native total Mercury dasa covers up to age 35. Mercury is a eunuch, infertility planet.

CONDITION FOR SYNYSI YOGA:
1. The Ascendant SUB LORD is connected with the houses 3, 10, 12.
2. The Ascendant is in any manner connected with Saturn.

So the above conditions are fulfilled. This rule what is said in reader no 6 is true. He became a sanyasi . Now the native is working as priest in temple.

EASY WAY TO LEARN KP HORARY ASTROLOGY

This is my eighth book. I hope it will get the same enthusiastic response that my earlier books.

In this book, I have given 211 examples to illustrate the KP Horary astrology. I am sure readers will not be disappointed. I use 6 fold table instead of popular 4 fold table. Also it is said that retro planet effect in KP horary do not give any result. In this book, I have provided many examples using retro planet effect which give accurate results. For any unknown person, most of KP astrologer use to rotate chart 9th as Ascendant, but I never rotated chart and get very good result.

Accuracy of Sun, Moon and Ascendant:- It can be verified that the planets co-ruling the positions of Sun, Moon and Ascendant are related to 1st, 7th and 10th cusps.

SUN Co-rulers	Involvement	Commitment
RL. Jupiter	Rahu (1 10)	Mars (1 10)
STL. Saturn	Rahu(1 10)	Mercury(7)
SL. Moon	Venus(1 7)	Rahu(1 10)
SSL. Rahu	Jupiter(1 10)	Mars(1 10)

MOON Co-rulers	Involvement	Commitment
RL. Sun	Saturn(1)	Moon(1 7)
STL. Venus	Mercury(1 7)	Jupiter(10)
SL. Rahu	Jupiter(1 10)	Mars(1 10)
SSL. Venus	Mercury(1 7)	Jupiter(10)

ASCENDANT Co-rulers	Involvement	Commitment
RL. Saturn	Rahu(1 10)	Mercury(7)
STL. Moon	Venus(1 7)	Rahu(1 10)
SL. Sun	Saturn(1)	Moon(1 7)
SSL. Venus	Mercury(1 7)	Jupiter(10)

The moment at which the event happens, is controlled by Prana lord running at that time. So at the moment of birth, Prana lord should be significator of 10,1, 7 houses (at least two of these houses). Or the Prana lord itself should appear in these cusps irrespective of the fact that it has the positional status or not.
In this natal chart, Pranalord Moon is in the star of Venus (1 7) and in the sub of Rahu(1 10). OK.
Mars is in the star and sub of Jupiter and in the sub-sub of Mercury. After bunching, the Ascendant Pranalord Mars is in the star of Jupiter (1 10) and in the sub of Merc (7). OK.
Thus both Ascendant Pranalord Mars & Moon's Pranalord Moon are signifying all the required houses of 1-7-10 as explained above.

The Sub-Sublord of the Ascendant has to be fixed so as to clearly reflect Moon's Starlord:-
The Sub-Sublord of the Ascendant itself may be the Moon's Starlord.
The Starlord, the Sublord or the Sub-Sublord of the Sub-Sublord of the Ascendant can be the Starlord of Moon.
The Starlord of Moon can be in the star or Sub or Sub-sub of the Sub-Sublord of the Ascendant.
If Moon itself comes as the Sub-Sublord of the Ascendant, then it always establishes relationship.
NOTE:- To choose the right planets that can be fixed as the SSL of Ascendant we need to scrutinize the Planetary Table to find out which planets are related to Moon's Starlord. Only (1) Venus, (2) Ketu, (3) Mercury, (4) Jupiter, (5) Rahu and (6) Moon are related to Moon. Therefore, we can fix any one from these six planets as Ascendant SSL. OK.
In this rectified birth chart, The Sub-Sublord of the Ascendant is Venus and the Moon's Starlord is also Venus. Thus both Ascendant SSL & Moon's Starlord is one and the same planet as Venus. OK.

ARC of the Ascendant must be set. It is shown hereunder:-
If the rising Ascendant is a Male sign and the horoscope of the native is also Male, the arc should be kept less than 50%.
If the rising Ascendant is a female sign and the horoscope of the native is also a

female, the arc should be kept less than 50%.
If the rising Ascendant is a male sign and the horoscope of the native is female, then the arc should be kept greater than 50%.
If the rising Ascendant is a female sign and the horoscope of the native is male, then the arc should be kept greater than 50%.
In this Natal chart, the rising Ascendant is Capriorn (female sign). This horoscope belongs to a male person. (female+Male=more than 50% arc.). So the arc is kept here 50.02%. OK.

Genetical connections:-
Mother's birth Star is Shravana(MOON). In this natal chart, the 4th Cusp SSL is MOON. As Moon itself comes as the SSL of the concerned cusp, it is OK.
Father's birth Star is Dhanishta(MARS). In this natal chart, the 9th Cusp SSL is MOON. As Moon itself comes as the SSL of the concerned cusp, it is OK.
Elder Sister's birth star is Swathi(RAHU). In this natal chart, 11th cusp SSL is Ketu. Ketu is in the sub of Rahu. OK.

Grand-Father's death:-28-09-2017 exactly at 19-30-00 hrs in Kurnool:-
Native's Grand father died during the conjoined period of Moon/Mercury/Jupiter/Sun/ Venus as D/B/A/S/P.

NOTE:-Native's Ascendant is Capricorn. Grand-father's Lagna is Taurus. From there the inflicting houses are shown hereunder in detailed manner:-

PL. Venus	Mercury (1 6 11 12)	Jupiter (4 6 12)	Rahu (1 4 5 6 11 12)

DEATH RULES:-

Dasa Lord should be a co-ruling planet in Ascendant cusp or in 8th cusp or Badhaka. Planet placed in 1st or 8th or Badhaka cusp are to be treated as co-ruling planets with PS or no PS.

5th is Lagna of Grandfather, Dasa Lord Moon is appeared as Starlord of Badhaka cusp. (1st cusp Starlord is MOON)

Dasa Lord should be related to the SSL of 8th cusp or planets placed in 8th bhava. A planet is said to be related to another planet when both the planets are in the same star.

Dasa Lord is MOON. 8th SSL of Grand-father is Ketu.
We have to show the relationship in between Moon & Ketu.
MOON is in the star of VENUS that is represented by Ketu. OK.

Dasa Lord should justify necessary and essential conditions for death both as per Ps and Stellar Status. If all these three conditions are simultaneously satisfied then only Dasa Lord will cause the death of the native.

Dasa Lord	**Involvement**	**Commitment**	**Final Confirmation**
MOON	Venus (1 4 5 6 12)	Rahu (1 4 5 6 11 12)	Venus (1 4 5 6 12)

NOTE:-1 is Badhaka; 4 is Moksha; 5 is Lagna of G.F; 6 & 11 are Maraka; 12 is f8th cusp.

Saturn is a karaka for death. Saturn tells about those 2.5 years in which the death has to occur. Saturn should transit in such a sign, the lord of which should be a co-ruling planet in 8th cusp or Badhaka and simultaneously the Signlord should be a significator of the death inflicting houses.

In Transit chart, Saturn is in the sign of Scorpio.
The Signlord of Scorpio is Mars.
Mars is placed in Badhaka bhavam(1st bhavam).
It acts as Virtual SSL.
12th SSL Ketu is in the sub-sub of Mars.
Mars is in the star of Jupiter, in the sub of Jupiter and sub-sub of Mercury. So we can read Mars (as per bunching) as shown below:-

BUNCHING THEORY:-When a Planet is in the star and sub of the same planet we treat it as a case of bunching and treat the planet as it it is in the star of that planet and the sub-Sublord of the planet takes upon the role of sub as well as Sub-sub.

Mars is in the star of Jupiter, in the sub of Mercury and in the sub-sub of Mercury.

Saturn's Signlord	**Involvement (Star level)**	**Commitment (Sub level)**	**Final Confirmation (Sub-sub level)**
Mars	Jupiter (1 4 5 6 11 12)	Mercury (6 11 12)	Mercury (6 11 12)

Moon on the day of death must be positioned in a star that should establish link with either 8th cusp Sub-Sublord or Badhaka Sub-Sublord & simultaneously signify death inflicting houses:-

In transit chart, on the day of death, Moon is in the star of Venus. Badhaka(1st cusp SSL) cusp SSL is Venus. Both Moon's Starlord and 1st Badhaka bhava SSL are reflected as Venus (one and the same planet).

Starlord of Moon in Transit Chart	Involvement	Commitment	Final Confirmation
VENUS	Mercury (1 6 11 12)	Jupiter (4 6 12)	Rahu (1 4 5 6 11 12)

Transit of Planets:-

Saturn, Jupiter, Sun & Moon must either establish relationship with Lagna Sub-Sublord or Maraka Sub-sublord or Badhaka Sub-Sublord or positioned in 8th cusp or 8th bhava.

The Progressed Ascendant is co-ruled by Saturn-Jupiter-Jupiter-Saturn as Signlord, Star-lord, Sublord and Sub-Sublord respectively. All these planets should be strong significators of the event of abroad for higher education in the Natal chart.

Lagna cusp Co-rulers in Progressed chart.	***Saturn (Signlord)***	***Jupiter (Starlord)***	***Jupiter (Sublord)***	***Saturn (Sub-Sublord)***

Final confirma-tion	Moon (6-9-12)	Saturn (4-6-12)	Saturn (4-6-12)	Moon (6-9-12)

NOTE:-3-9-12 indicates foreign going; 4-9-11 are Educational houses; 6th is for getting Scholarship.

Next let us study the Progressed Chart independently. The event of going to foreign for obtaining Higher Education with Scholarship happened when Moon was progressing Mercury-Moon-Venus-Jupiter-Ketu-Mars as Signlord, Starlord(Dasa-lord), Sublord(Bhukthi-lord), Sub-Sublord (Anthra-lord) , Sookshma-lord, Prana-lord respectively.

Dasa lord Moon-PS(6-9-12) is in the star of Moon(6-9-12), in the sub of Venus(9-11) and in the sub-sub of Jupiter(9-11)

Bhukthi lord Venus-PS(9-11) is in the star of Venus(9-11), in the sub of Saturn(4-6-12) and in the Sub-sub of Rahu(4-6).

Anthra lord Jupiter-PS(9-11) is in the star of Saturn(4-6-12) in the sub of Venus(9-11) and in the sub-sub of Saturn(4-6-12).

Sookshma lord Ketu-PS(3) is in the star of Ketu(3), in the sub of Rahu(4-6)and in the sub – sub of Venus(9-11).
Prana lord Mars-PS(3-12) is in the star of Saturn(4-6-12) in the sub of Sun(3-11) and in the sub-sub of Rahu(4-6).

Promise of Elder co-born:-A person gets an elder co-born when the SSL of Ascendant is linked through it's Starlord with the 11th cusp.
In this rectified birth chart, the Ascendant SSL Venus is in the star of Mercury which appears as 11th cuspal Starlord. So he has elder co-born.

Finally let us check the rectified Ascendant with the Ruling Planets of Moon at the time of judgment.

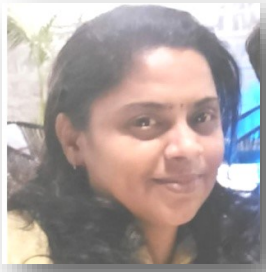

Rectified Ascendant falls in Capricorn Sign. It's co-rulers are Saturn, Moon, Sun and Venus as Signlord, Starlord, Sublord and Sub-Sublord respectively.

Ruling Planets of Moon at the time of judgment are Mercury, Sun, Rahu and Venus as Signlord, Starlord, Sublord and Sub-Sublord respectively.

Both Ascendant Sub-Sublord Venus and Sublord Sun are directly reflected in our Moon Ruling Planets. OK.
Ascendant Starlord Moon is in the star of Venus and sub of Rahu. Both Venus and Rahu are reflected in our Moon RPs. OK.
Ascendant Signlord Saturn is in the star of Rahu and sub of Mercury. Both Rahu and Mercury are reflected in our Moon RPs. OK.
Thus all the co-rulers of Ascendant of the rectified birth chart (Saturn/Moon/Sun/Venus) are tallied with the Ruling Planets (Mercury/Sun/Rahu/Venus at the time of judgment. OK.

All the events are also tallied according to our rules and regulations of Cuspal Interlinks theory also as explained above. So we can come to a conclusion that this natal chart is 100% correct.

CONCLUSION

I told him to cross verify the legal documents of the land before any final deal. This was told because 3rd CSL is Saturn ... Saturn is in Moon star. It means some facts are being hidden about the veracity or genuineness of the land ownership.
The denial from 11th CSL.
4th CSL Mercury is Rahu domain.
Some dispute may arise, so I advised my client to confirm the genuineness of the documents.

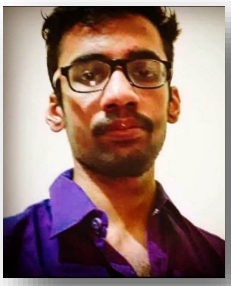

FINAL RESULT

Indeed there was some documentary issues with the land and my client pressed the seller to show the original documents, the seller never replied again, this means my prediction came true.

Rest Almighty and KSK knows better.

Will I able to get transfer from current location?

By: Achintya Karmakar

B/402/E Baishnabghata, Patuli, Kolkata
Phone: 6291415841 ; Email: achintyakarmakar61127@gmail.com

An officer contacted me by phone after seeing my article in kp ezine and wanted to know about his transfer. As he was very anxious and really tensed, I told him to do horary analysis. He give me a horary no for his question.

Date: 11 June 2021
Time: 07.43 am
Place: Kolkata, West Bengal
KP horary no: 5

Rule for transfer: If 10th cuspal sublord through its star and sublord is connect to 3, 9, 10, 12 houses, then it indicates fruitful transfer.

Cuspal **Analysis**
10th cuspal sublord Ketu is in house 8. Ketu is agent of Mars in 4 lord of 1,8. Ketu in the star of Saturn is in 10 lord of 11 and 12. Here 10, 12 but not 3,9 (12 to 10th)

11th cuspal sublord is Mars in 4 lord of 1,8. Mars is in the star of Saturn in 10 and lord of 11 and 12, and sub of Mercury in 2 lord of 3,4. Here 3,12 but not but 9.

Current dasha bhukti antara
Dasa lord is Mars, already discussed above.

Venus bhukti is up to 31th March 2022. Venus is in 3, lord of 2,7, in the star of Rahu in 2, and sub of own Venus. Here 3 but not 9,12.

Conclusion
In my opinion at present transfer is less possible for him.

Actual outcome:
He has not yet got transfer.

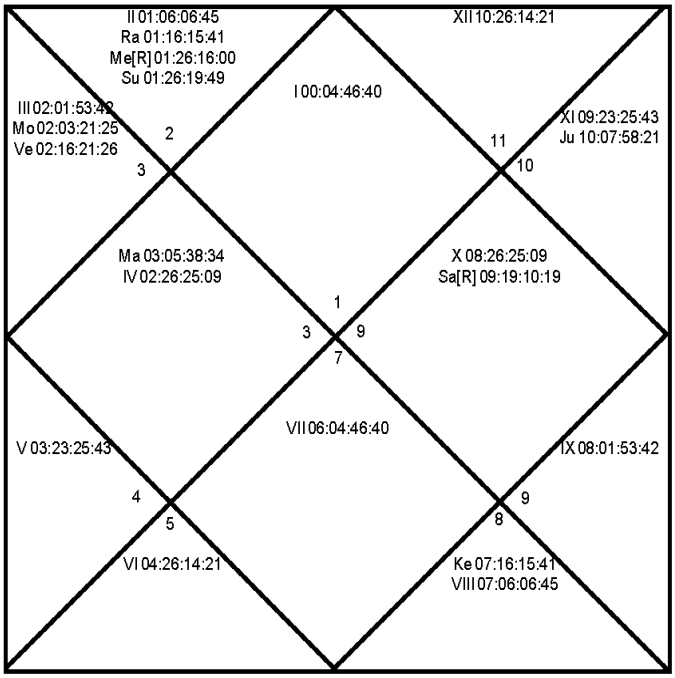

Acknowledgement:

Question: When will I leave my current job?

This question is asked by my own childhood friend and classmate.

Rule: If the 6th cuspal sub-lord is the significator of 2 (earnings), 6 (job),10 (profession), then one gets a job during the joint period of significators of 2, 6, 10.
If the 6th cuspal sub-lord is the significator of 1, 5, 9, then the person in job can leave the job during the joint period of significators of 1, 5, 9.

In this chart-:
6th cuspal sub-lord is Rahu occupant of 2. Rahu is conjoined with Moon occupant of 2 and owner of 5. Rahu is in the star of Moon, occupant of 2 and owner of 5. Rahu is in the sub of Venus, occupant of 11 owner of 2-7. No planet is in the stars of Venus, and Venus is the cuspal sub-lord of 2, 8 houses.
6th CSL is connected with 5, so leaving your current job is promised. It is also connected with the 8th house of difficulties and delay. The person is already facing difficulties and so she wants to leave her current job.

RPs-:

	Sign	Star	Sub
ASC:	Sun	Venus	Jupiter
Moon:	Venus	Moon	Saturn

Moon is occupant of 2 and owner of 5. Moon is in the star of own and sub of Saturn. Saturn is occupant of 10, owner of 11. No planet is in the star of Saturn and Saturn is the cuspal sub-lord of 1 cusp. Moon is connected with 1,5 thus OK. Moon is also in RPs.

Current Bhukti Saturn (25 August 2020 to 26 March 2022)
Sa+ (10, 11, [1]) is in the star of Mo (2, 5), and in the sub of Ra(2) agent of Mo(2, 5)
Saturn is occupant of 10, owner of 11. No planet is in the stars of Saturn, and Saturn is the cuspal sub-lord of 1st house. Saturn is in the star of Moon, occupant of 2 and owner of 5. Saturn is in sub of Rahu, occupant of 2. Rahu is conjoined with Moon occupant of 2 and owner of 5.
Saturn is connected with 1,5 thus OK. Saturn is also in RPs.

Venus is occupant of 11, owner of 2-7. No planet is in the stars of Venus, and Venus is the cuspal sub-lord of 2 and 8 houses. Venus is in star of Mars occupant of 1 and owner of 1-8. Venus is in the sub of Saturn occupant of 10, owner 11. No planet is in the stars of Saturn, and Saturn is the cuspal sub-lord of 1st house.
Venus is connected with 1 only. 1st house indicates self effort and does not operate on single basis. So Venus is left.

Next comes Sun antara from 24th June 21 to 23 July 21.
Su (11) is in the star of Ra (2) agent of Mo (2, 5), in the sub of R a(2) agent of Mo (2, 5). Sun is occupant of 11. Sun is in the star and sub of Rahu occupant of 2. Rahu is conjoined with Moon occupant of 2 and owner of 5. Sun is connected with 5 and also in RPs. So Sun antara is selected.

Prediction: Chance of you leaving the current company is between 24 June 2021 to 23 July 2021.
Outcome: She got a new job offer on 20 July 2021 and she submitted her resignation in the present company on 22 July 2021.

Question: My son wants to go England for MBA study, I am afraid, will he adopt any bad habit?
Date of birth. 10/11/1995, Friday; **Time of birth**. 21:32:00 PM IST
Place of Birth: Memnagar-Ahmedabad-Gujarat **Lon/Lat:** 23° N 02', 72° E 32'.
Aynamsha 23^0.42'.33"
Hints:
If the cuspal sub lord of the 12th be the significator (in the star of the occupant or owner) of 8 -12, adopting bad habit is possible during the joint period of the significators of 8-12.

Cuspal Sub Lord
Cusp 12th (Aries 27^0.44'.39"): The sub lord of the 12th cusp is Saturn. Saturn is in the star of Jupiter and sub of Mercury. Saturn is occupant of 9, owner of 8-9. Star lord Jupiter is occupant of 6, owner of 7-10. Sub lord Mercury is occupant of 5, owner of 1-4. Thus 12th cusp sub lord Saturn signifies 9-8-6-7-10-5-1-4. Signification of 8 shows addiction but 1-5 indicate cure from addiction.

Joint period
You are running Rahu dasa up to 20-08-2016. Dasa ends soon and next dasa will be Jupiter from 20-08-2016 to 20-08-2032.

Dasa lord Jupiter is in the star of Mercury and sub of Rahu. Jupiter is occupant of 6, owner of 7-10. Star lord Mercury is occupant of 5, owner of 1-4. Sub lord Rahu is occupant of 4. Rahu is conjoined with Sun and Mercury. Sun is occupant of 5, owner of 3. No planet is in the stars of Sun and Sun is the CSL of 1. Mercury is occupant of 5, owner of 1-4. Thus dasa lord Jupiter signifies 5-1-4-3. Dasa lord not indicate 8 or 12.

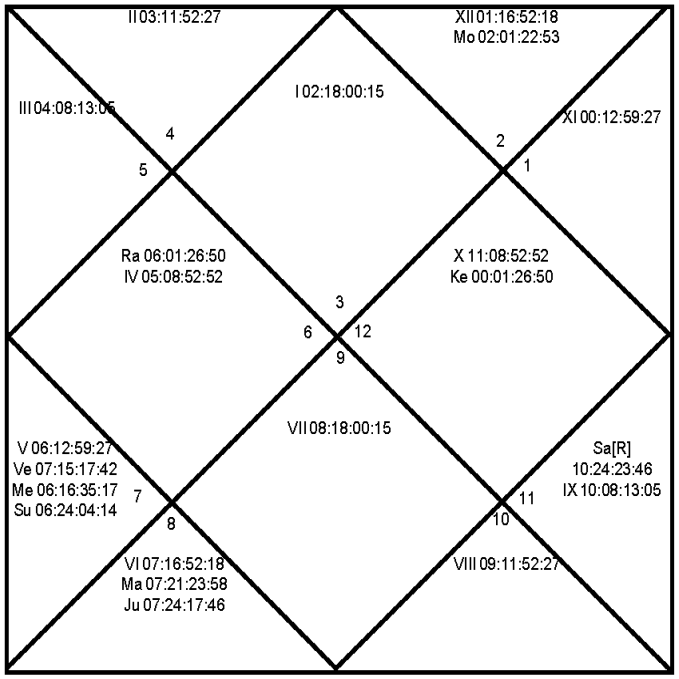

My opinion: As dasa lord does not indicate 8 or 12, there is no chance to adopt bad habit.

Outcome: Prediction is proved right. As per client's feedback, he came back India after study and he did not adopt any bad habit.

One of my childhood friends had the problem of communication gap with his spouse due to the regular transfers in his profession. Both of the couple are working in different places. Husband is working in Kumbakonam (TN). His wife is working in Anantapur (AP). He asked me, "when will we re-union with each other?". I asked him to give a number within 249. Immediately he gave me the number of 217 (out of 249).
DOJ: - 18.07.2021, TOJ: - 12:20:00 pm, POJ: - Kurnool.

KP RULE OF RE-UNION WITH SPOUSE:-

If the 7th cusp sub lord be the significator of 2 (family),7 (spouse) and 11 (re-union), then re-union will take place during the joint period of significators of 2,7,11. (KP Reader 4- page no. 201).

Let us check the Moon status for the mind of query. Moon (8-6) is in the star of Rahu (3), Rahu is in Taurus and he is the agent of Venus (6-4,9) and in the sub of Mercury (5-5,8). Here 8 obstacles, worries and dejection), 9 (long distance), 4 (home) and 5 (love and romance) reflect his mind. So, his desire is genuine.
Let us check 7th CSL Venus (6-4,9) in the star of Ketu (9). Ketu is the agent of Mars (6-10,3) and in the sub of Venus (6-4,9). So, Venus signifies 3-4-6-9-10.
5th and 11th CSLs are also Venus, as we have already discussed. So, Venus signifies 3-4-6-9-10. There is no indication of 2,7&11. But here, Venus is the cuspal sub lord of 2 & 7 having no planets in her stars. So, Venus becomes a self-strong significator for 2 & 7. So, the event of re-union is promised.

6- Fold significators: -

House	A	B	C	D	E	F
2nd house	-	-	-	Ra	Su	Ju
5th house	Mo	Ma	Su, Me	Mo	Ma	Me
7th house	-	-	-	-	-	Su
11th house	-	-	-	Ra	Su	Ju

By: M. V Guptha - Kavali
10-9-2/A, Dharavari Street

Query: Sale of Company with employees / without employees?
Date of query: 19.07.2021
Time of query: 11.59 AM
Place of judgement: Rajahmundry.

KP Rule
If 10th cusp sublord be the significator (in the star of the occupant or owner) of 3 (12th from 4th), 5 (fulfilment of desire of opponent, 11th from 7th), 6th house (service/ employee), then one will be able to sell company with employees during joint period of significators of 3, 5, 6 & 10.
Note: I have discussed this rule with Sri. V.S.N. Murthy's sir.

Moon
In this horary chart Moon is occupant of 1 owner of 10, in the star of Jupiter occupant of 5 owner of 3 and 6, and in sub of Rahu occupant of 8, representing Venus occupant of 11. Moon signifies 1-3-5-6-8-10-11. Hence it clearly shows the query regarding selling of the company with employees.

Cuspal sub lord
10th Cusp (Cancer 00°.24'.41"): 10th cusp sublord is Moon. We have already already discussed.

11th Cusp (Leo 01°.24'.36"): 11th cusp sublord is Venus. Venus is in the star of Ketu, and sub of own Venus. Venus is occupant of 11 owner of 1 and 8. Star lord Ketu is occupant of 2. So 11th cusp signifies 1-2-8-11.

Significators
3. Su-Mo-Ju
5. Su-Mo-Ju-Ket-Sat
6. Su-Mo-Ju
10 Su-Mo-Sat-Ra
So Su-Mo-Ju-Sa-Ra-Ke are the significators.

Joint period
Now Jupiter dasa Venus bhukti Moon anthra up to 21.08.2021.
Dasa lord Jupiter is in the star and sub of Rahu. Jupiter is occupant of 5 owner of 3 and 6. Star and sub lord Rahu is occupant of 8 and also significator for 10. Dasa lord Jupiter signifies 3-5-6-8-10. Dasa is favourable for selling the company.

Bhukti lord Venus. Venus is already explained as 11th cusp sublord. Venus is in positional status. Bhukti lord is favourable.

Antnara lord Moon already discussed above, favourable.

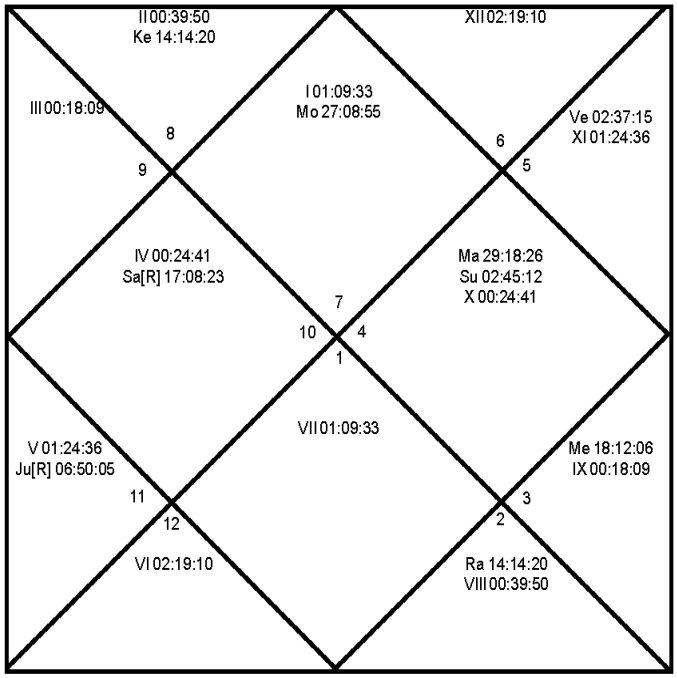

Sookshma Rahu up to 24-06.2021 is selected. Beacause Rahu is in the star of Moon, and sub of Jupiter. Rahu is occupant of 8. Star lord Moon is occupant of 1 owner of 10. Sub lord

III) VERIFICATION OF LIFE EVENTS---

1) Attained Siddhi on 06 Jan 1847----

Spiritual Emancipation through proficiency in Sangeetha Vidya by Sri Thyagaraja Kakarla Bhagavathar.

As per our Hindu scriptures spiritual emancipation can be achieved through three ways which are (1) the karma-marga (the path of duty) or the dispassionate discharge of ritual and social obligations; (2) the jnana-marga (the path of knowledge) which is the use of meditation with concentration preceded by a long and systematic ethical and contemplative training through yoga to gain insight into one's identity with brahman and (3) the bhakti-marga (the path of devotion), adherence to a personal god. Different kinds of people find one of these three suitable to their karma.
Only a few Hindus such as monks or those dedicated to the service of God seek moksha. But it is the goal that is relevant to all Hindus. Hierarchical values and social institutions are determined by moksha, as they are religious doctrines and practices. The root purpose

of Indian philosophy is to understand what one must do and attain through direct experience in order to escape from samsara (bondage) and become spiritually emancipated.
Sri Thyagaraja Kakarla Bhagavathar an eminent Vaaggeya kara (music exponent) of 17th century has chosen the path of Sangeetha Vidya for his elf emancipation and attained moksha or siddhi on 06 January 1847.

With these basic rules of our KP system on 'Music / singing' now I would like to analyze the natal chart of Sri Thagaraju Bhagavathar. Kakarla here under----

Sri Thyagaraju is also known as Thyagayya was a renowned composer and great singer of Carnatic Classical music. He was named after the deity of Thiruvayur Thyagaraja. He was born on 04th May 1767 in the Thiruvayur to Sri Kakarla Ramabrahmamam and Sitamma and left his body on an auspicious day of Pushya Bahula Panchami. He had a saintly face and an inspiring personality.

He was prolific and highly influential in the development of India's classical music tradition. Thyagayya began his musical training at an early age under the tutelage of Sri Sonti Venkata Ramayya, a senior music scholar of his time, after the latter heard his singing and was impressed by the child prodigy. Thyagaraju regarded music as a way to experience God's love.
He composed his first Keerthana "Namo Namo Raghavayya" in Desica Thodi Ragam and inscribed it on the walls of his house.

Thyagaraju saw the reigns of four kings of the Maratha dynasty — Tulaja II (1763–1787), Amarasimha (1787–1798), Serfoji II (1798–1832) and Sivaji II (1832–1855),[4] although he served none of them
He was a versatile, genius and a gifted composer. His compositions were a confluence of bhava, raga, and tala. He was a scholar in Sanskrit and Telugu languages.
About 700 songs remain of the 24,000 songs said to have been composed by him; however, scholars are sceptical about numbers like these, as there is no biographical evidence to support such claims. In addition to nearly 700 compositions (Kritis), Thyagaraju composed two musical plays in Telugu, the *Prahalada Bhakti Vijayam* and the *Nauka Charitam*. *Prahlada Bhakti Vijayam* is in five acts with 45 *Kritis* set in 28 Ragas and 138 verses, in different metres in Telugu. *Nauka Charitam* is a shorter play in one act with 21 *Kritis* set in 13 *ragas* and 43 verses. The latter is the most popular of Thyagaraju's operas, and is a creation of the composer's imagination and has no basis in the Bhagavata Purana. Thyagaraju also composed several simple devotional pieces appropriate for choral singing.
With these few lines of introduction on a wizard of the Indian Classical music field, now I would like to dwell upon the legendary astrological birth chart of Sri Kakarla Thyagaraju Bhagavathar of the 17th-century musician.

As per the traditional astrology--

Mercury, Jupiter, Venus and Mars have a role in imparting musical talent. Any connection of the Moon with Venus also reveals musical skills. When Venus is exalted or in a favourable position, good musical talents are revealed. The 10th lord in a Navamsa of Venus also indicates a musical career. By judging the planetary positions, it is possible to find out whether one will become a musician or artist by profession or will be famous in the field. (38-10)

There are more than a hundred combinations for artists in Kalyan Varma's Saravali. Varaahamihir also deals with some combinations for artists in his Brihat Jataka.
The Sun in Aries makes one proficient in various arts.
---As per the native's chart—Sun is placed in Aries sign in exaltation with Mercury.
The Sun in Taurus may give proficiency in vocal or instrumental music and dancing.
If the Sun is in Taurus or Libra with Mercury, the native will have proficiency in drawing, panning, music etc.
The Sun in Gemini or Virgo aspected by Jupiter will make the native an adept in fine arts.

With these basic rules of our KP system on 'Music/singing' now I would like to analyze the natal chart of Sri Thagaraju Bhagavathar. Kakarla hereunder---

A) As per the natal chart of the native----*The Ascendant cusp* falls in the TAURUS sign with 15:34:30 degrees Venus as SGL, Moon as STL and JUPITER as Sub-lord. Venus the lord of the Lagna and 6th is placed in the Ascendant itself with Saturn lord of 9 and 10th cusp.

The sign-lord VENUS is the karaka for fine arts, especially for music. When we look at the signification of Venus, it is connected to 1-native, 2-vocal music-singing, 5- fine arts,-music,

11- the accomplishment of one's goal as singing in the praise of LORD, 9-spiritualism through the path of 'NADAM' (singing).

Neptune- another planet of fine arts and upper octave of Venus, is connected to 11—the accomplishment of one's ambition to become a classical singer, 2-vocal music—singing, 5-fine arts in the form of singing. Venus also signifies 'Alaapana' in the field of singing.

B) The star-lord MOON-another planet of fine arts, indicating the native's mind and its imaginative powers, is the lord of 3rd is placed in the 2nd cusp (Cancer) sign, an emotional sign-one of the important signs responsible for vocal music-singing. Sun a moon is placed in its sign Cancer in conjunction with Ketu a planet of spiritualism, responsible for his strong devotion to Lod Sree Rama and to sing in HIS praise, and to attain salvation through music.

C) The Sub-lord of the Lagan is JUPITER lord of 8 and 9 is placed in 4th. Jupiter is the star of Venus lord of 1 and 6 is in 1st cusp with Saturn lord of 9and 10. The ASC. cusp sub-lord Jupiter signifies @STL(VENUS) 1-4-6-8-11 and @SBL(SAT) 1-9-10.

II) *The 5th cusp* falls in Virgo sign in 09:21:57 degrees with its co-ordinates as
SGL- *MERCURY*-STL-*SUN*-SBL-*VENUS*. The sub-lord of the 5th cusp Venus co-rules 3-9-11 cusps also.
The sub-lord VENUS is the karaka for fine arts, especially for music. When we look at the signification of Venus, it is connected to 1-native, 2-vocal music-singing, 5- fine arts, -music, 11- the accomplishment of one's goal as singing in the praise of LORD, 9-spiritualism through the path of 'NADAM' (singing).

Thus, VENUS signifies @STL(MOON) 1-2-3-6 and @BL(VENUS) 1-6.
Here 1 indicates native, 2- vocal music-singing, 3-indicates imaginative powers in his composing and instrument-Thanpura--, 6-indicates success in his endeavors'.

Here again 2nd,3 and 5 and 11 all the relevant houses are signified along with the 12th karaka for emancipation.

IV) *the 10th cusp-* (indicates success, name and fame) falls in the Aquarius sign (an airy sign) -responsible for imaginative faculties and powers and Nadam. It falls in 07-11-12 degrees with Saturn a sign lord, Rahu+ as star-lord and sub-lord. No planets are placed in Rahu stars.

Thus RAHU+ the 10th cusp sub-lord signifies @STL(MOON) 2-3-9 and @SBL(JUPITER) 4-7-11.
2nd cusp indicates vocal music-singing, 3- imaginative faculties for producing very powerful Alaa Pana for his Ragas, 9-reflection of spiritualism in his compositions, and 11-indicating accomplishment of his desire to sign in praise of the Lord, -all relevant houses of fine arts.

1. A) Neptune- another planet of fine arts and upper octave of Venus, is connected to 11—the accomplishment of one's ambition to become a classical singer, 2-vocal music—singing, 5-fine arts in the form of singing. Venus also signifies 'Alaapana' in the field of singing.

II) *Remembrance* ***of the great legend of Carnatic Classical Music of 17th century---***

Tyagaraja Aradhana, the commemorative music festival is held every year in Thiruvaiyaru in Thanjavur district of Tamil Nādu, from January to February in Tyagaraju's honour. This is a week-long festival of music where various Carnatic musicians from all over the world converge at their resting place. On the Pushya Bahula Panchami, thousands of people and hundreds of Carnatic musicians sing the five Pancharatna Kritis in unison, with the accompaniment of a large bank of accompanists on veenas, violins, flutes, nadaswaram, mridangams and ghatams.

A sports complex in New Delhi, Tyagaraj, was named after him. A crater on the planet Mercury was named after Thyagaraju. As the most famous composer of Telugu K*ritis* or (*kirtans*), Tyagaraju, who is fondly remembered as Tyagayya, has caught the imagination of filmmakers in the Telugu film industry. Apart from references to his works, using the *kirtans* as songs, two films were made on his life. Chittoor V. Nagaiah made a biographical epic on Tyagaraja titled *Tyagayya* in 1946 which is still treated as a masterpiece of Telugu cinema. In 1981, Bapu–Ramana made *Tyagayya* with J. V. Somayajulu in the lead role. Another attempt is being made by Singeetam Srinivasa Rao to picturise Tyagaraju's life. Apart from these Bombay Gnanam made a short film known as Endarao Mahanubavulu on Sri Tyagayya.

I take this opportunity to express my humble salutations to my astrology GURUJI (late) Sri PV Punneswara Rao, founder of Universal College of Astrology and Sri Kanak Ji who has

Background: My friend told me that his father is hospitalized due to corona and is in ICU. I myself wanted to know if my friend is speaking the truth and if so when will my friend's father return home.

Rule:
1. If the 3rd cuspal sub lord is connected with Saturn or Mars then the rumour is false. If 3rd cuspal sub-lord is connected with Jupiter then the news is correct.

2. If the 1st cuspal sub-lord is connected with houses 1, 5, 9, 11 (exclude badhaka from this group, 11 for moveable ascendant and 9 from fixed ascendant) then the person will recover from his health conditions during the joint period of 1, 5, 9, 11.
If the 1st cuspal sub-lord is connected with houses 6 (health issues), 8 (operation/danger to life), 12 (hospitalization) indicates problems in health.
During the joint period of 2, 4, 11 one is released from hospital and comes back home.

In this horary chart,
3rd CSL is Moon. Moon is in thestar of Sun and sub of Jupiter. 3rd cuspal sub lord is connected with Jupiter hence the news about his father in hospital is genuine.

Now return from hospitalization
Ascendant in this horary horoscope is Aquarius, fixed sign, so 9 is badhaka.
1st CSL is Mars occupant of 5 and owner of 3-10. Mars is in the star of Jupiter occupant of 12, owner of 2, 11. Mars is in sub of Saturn occupant of 12, owner of 1-12. No planet is in the stars of Saturn, and Saturn is the cuspal sub lord of 12 choose. 1st CSl is connected with 1, 5, 11 which indicates cure along with 12th house of hospitalization.

Question : Today I'm struggling for higher study, whether will be able to do it?
Date of birth. 21-01-1992, Tuesday; **Time of birth**. 08:21:09 AM IST
Place of Birth: Mumbai-Maharastra **Lon/Lat:** 18° N 58', 72° E 49'.
Aynamsha 23^0.39'.21"

Hint
If the sub lord of the 9th (Higher education) cusp be the significator (in the star of the occupant or owner) of 4, 9, 11, then higher education is assure. The higher education takes place during the joint period of the significators of 4, 9 and 11.

Cusp 9th (Libra 04^0.59'.33"): The sub lord of the 9th cusp is Sun. Sun is in the star of own and sub of Mercury. Sun is occupant of 12. Sub lord Mercury is occupant of 12, owner of 6 -8. So Sun is the significator of 12 and connected with 6-8-12. Hence 9th cusp sub lord does not signify 4-9-11, so higher study is not promised in your chart.

My opinion: In my opinion, there is no chance of higher study.

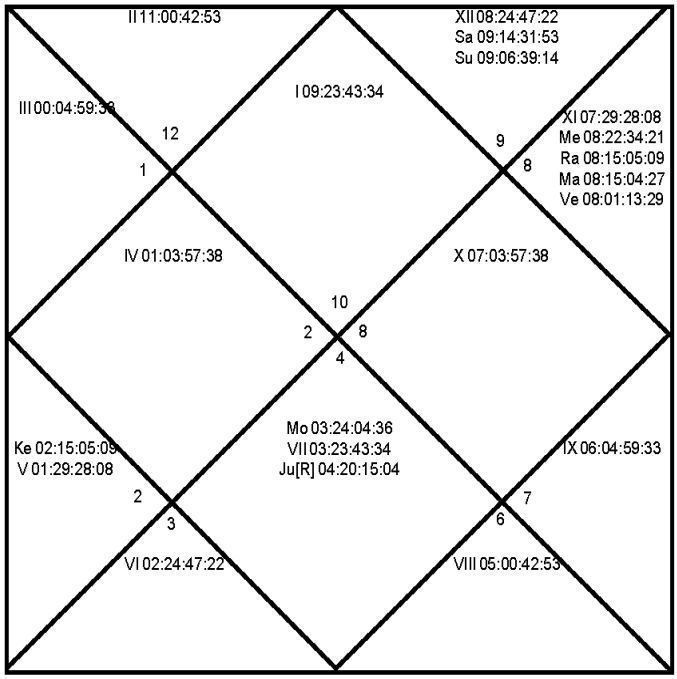

Outcome: Prediction is proved right. As per client's feedback "Your prediction is almost same".

When will I get a Job?

By: VSN. Moorthiji

A lady from Anantapur posed the following question to me by giving a horary number 129/249.
Question:- When will I get a Job?

For it my astrological K.P. analysis is as follows:-
DOJ:-18-08-2021; TOJ:-02-40-12 PM; POJ:-KURNOOL;

Genuineness of the question:- Moon(3-10) is in the star of Ketu(2), aspected by Mars(11-2,7) and in the sub of Jupiter(5-3,6). All the required houses for employment (2-6-10) are signified by Moon. Thus Moon confirms the question put by her is genuine one.
6th Cusp falls in Pisces sign in 06-44-54:- Jupiter/Saturn/Mercury are as Signlord/ Starlord/Sublord respectively. Mercury does not have any planets in it's stars. So it is a self -strong significator for 6th.
Mercury(11-9,12) is in the star of Venus(12-1,8) and in the sub of Mars(11-2,7). Both Star-lord Venus and Sublord Mars are aspecting the 6th house. Thus all 2-6-11 houses are all activated by Mercury. OK.
10th Cusp Sublord Saturn (4-4,5) is in the star of Moon(3-10) and in the sub of Jupiter(5-3,6). Having no planet in its stars, Saturn is the cuspal Sublord of 2 & 10. Thus Saturn signifies 2-6-10 houses which are job giving houses. OK.
2nd house shows income of the native and his bank balance; 6th house shows service by giving day to day attendance; 10th house shows profession of the native. 11th house shows fulfillment of the desire of the native.

Table of Significators of 2-6-10 houses is as follows:-

Houses	**A**	**B**	**C**	**D**	**E**	**F**
2nd house	—	Sun, Moon.	Ketu	Mercury, Ketu	Jupiter	Mars
6th house	—	—	—	Moon, Saturn	—	Jupiter
10th house	—	Venus	Sun	—	Saturn, Rahu	Moon

All the nine planets are appearing in the above table. In this type of situation we have to take the help of the Ruling Planets. They will guide us.

Ruling Planets at the time of judgment are as follows:-
Lagna Sublord:-Venus;
Lagna Starlord:-Ketu;
Lagna Signlord:-Jupiter;
Moon Sublord:-Jupiter;
Moon Starlord:-Ketu;
Moon Signlord:-Jupiter;
Daylord:-Mercury;
Rahu represents Venus; So Rahu is also included as a Ruling Planet.

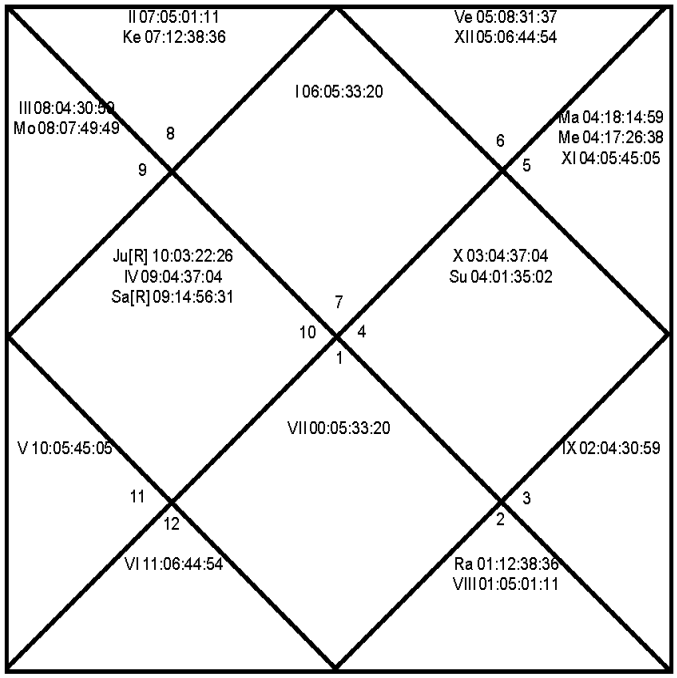

Now **total Ruling Planets are Mercury, Jupiter, Venus, Rahu and Ketu.**

At the time of judgment, she is running Ketu dasa/Jupiter bhukthi/Saturn Anthra . It will end on 03-10-2021. Anthra lord Saturn is not reflected in our total RPs. So during the Saturn anthra, the event (getting Job) will not be fructified. Next anthra is of Mercury. As Mercury appears in our total RPs, we can select this period, I.e. Ketu dasa/Jupiter Bhukthi/ Mercury anthra. During this period from 03-10-2021 to 20-11-2021 the querent will get the job.

As Mercury and Mars (fast moving planets) are placed in the 11th bhava, surely she will get the job during this period. The same thing is explained to her by phone only.

LONG LIVE K.P.

Failure of marriage proposal

BY: M. Vara Prasad Rao

Sri Varasiddhi Jyotishyalam
Opp. Sri Lakshmi E.M.School, N.R.Peta, Kurnool – 2, A.P.

One of my clients asked me, "sir, one marriage proposal came to me, whether it will be successful or not". He gave me the number of 150 (out of 249).

DOJ :- 25.04.2021,TOJ:- 11:49:00 AM, POJ :- Kurnool.

General KP rule
If the sub lord of the 3rd cusp be the significator of 3-7-9, the native undergoes negotiation for marriage during the joint period of the significators of 3-7-9-11. (3-9-11= Success in negotiations, 3-9-12= Failure in negotiations).

Let us check the Moon status for the mind of query. Moon (11-9) is in the star of Moon (11-9) and in the sub of Jupiter (3-2, 5). So, his desire is genuine.

Let us check 3rd CSL Saturn (3-3, 4) which is in the star of Moon (11-9) and in the sub of Mercury (6-8, 11). Rahu is posted in the sign of Taurus, so he is the agent of Venus (6-7, 12). So, the 3rd CSL signifies 3-4-6-7-8-9-11-12. Here, the 3rd cusp sub lord signifies success in negotiations (3-9-11), failure in negotiations (3-9-12) and negative houses (6-8-12). Any way the event is promised.

Let us check 9th CSL which is also Saturn, as we have already checked it above.

Next, we check the 11th CSL Venus (6-7, 12) which is in the star of Venus (6-7, 12) and in the sub of Rahu (7), Rahu is the agent of Venus (6-7, 12). Here 11th CSL Venus signifies marriage (7) and failure (12).

Note:- Here 3rd and 9th CSL Saturn is in Moon star which is Punarphoo dosha and Saturn is aspected by 8th of Mars. It also denotes some delay and failure.

Let us check the Ruling Planets, DOJ:- 25.04.2021 TOJ:- 11.50.03 am, POJ:- Kurnool.
Lagna sub lord:- Mercury
Lagna star lord:- Saturn
Lagna sign lord:- Moon
Moon sub lord:-Mercury
Moon star lord:- Saturn
Moon sign lord :- Moon
Day lord:- Sun.
Final Ruling Planets are:- Me/Mo/Sa/Su

At the time of judgment Moon dasa is running from 28/10/2017 to 28/10/2027.
Next bhukti lord is Jupiter from 28.09.2020 to 28/01/2022.
Here, Jupiter is not in Ruling Planets. So, this event doesn't exist.

Astrological Prediction:- This proposal was not fruitful for him.

It's come true: He came to me on 25.05.2021 and says that the proposal was cancelled due to his profession in private sector as their requirement is govt job.

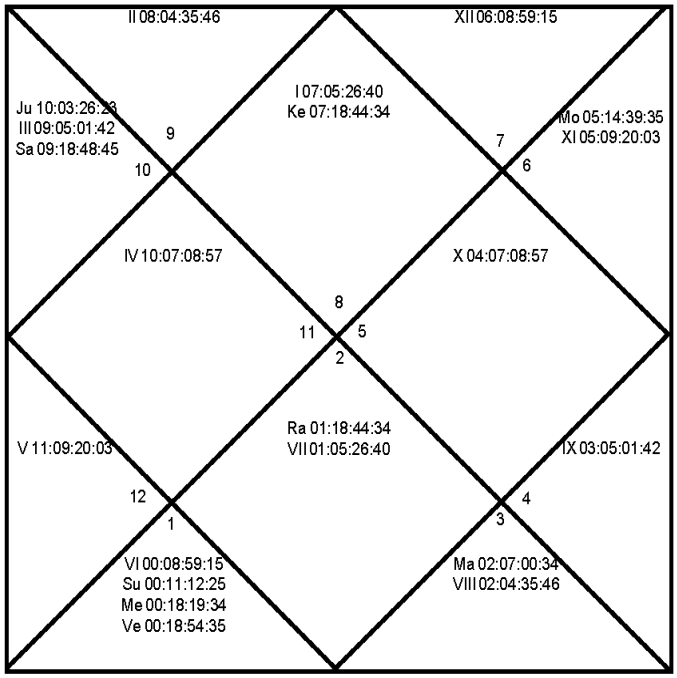

My sincere pranaams to my KP guru Shri VSN.Murthy ji.

Question 1: Significators
Sir, I read your house groupings articles. Thanks a lot for those.
Should the houses to be signified mentioned in the column be signified be only primary significators by 4 step theory, or even the secondary significators are considered to see if event is possible?

Answer 1:
In KP, in the signification of cuspal sub lords and DBAS lords, significators of rank A, B, C & D and their sub lords are mainly to be considered. Very weak significators of rank E of conj. and aspect are to be used as last resort.

In 4 step theory only primary significators are to be considered as mentioned by the author Sunil ji.

Question 2: Undesirable character
What is rule of character problem of any person in KP astrology....pls clarify.

Criminal and relentless mind
If the cuspal sub lord of Ascendent be the significator of houses 6, 8, 12, then the native has the criminal and relentless mind during the joint dasa period of the significators of houses 6, 8, 12.

Having illicit connection
If the cuspal sub lord of 2nd house be the significator of 2, 5, 11, then the native has the illicit connection (affair) during the joint dasa period of significators of 2, 5, 11.

Timid and coward person
If the cuspal sub lord of 3rd house be the significator of houses 8,12, then the native becomes timid and coward during the joint dasa period of significators of houses 8, 12.

etc.

China's Evergrande debt crisis shakes global stock markets

By: Tin Win
Email: tw853@yahoo.com

Short Background

China's second largest property developer Evergrande has helped fuel a decades-long boom in the Chinese real estate market since its founding in 1996, which in turn has helped fuel China's growing economy.

But much of that growth has been fueled by an unsustainable surge in debt, and fears of a looming default by Evergrande sent global stock markets tumbling on 21 September 2021 when it missed interest payments due to at least two of its largest bank creditors. Chinese stocks have already declined as a consequence of the new restrictions this year.

Evergrande grew to be one of China's biggest companies by borrowing more than $300 billion. The financial fallout would be far reaching. Evergrande reportedly owes money to around 171 domestic banks and 121 other financial firms. That's likely due to the heightened uncertainty as to whether Evergrande's debt crisis represents the first domino to fall in a potentially systemic contagion that leads to more busted property developers, unpaid suppliers, and financially ruined lenders and investors, similar to the US housing crash that sparked the Great Recession of 2008.

Let us see how this debt crisis is reflected in the horoscopes of the Shanghai Stock Exchange and the People's Republic of China.

Horoscope of the Shanghai Stock Exchange

It was opened on 19 December 1990, 9.30 AM,+08:00, Shanghai, China, 31N14, 121E28, Capricorn arising at 13° 38' 45" using KP new ayanamsa of 23° 38' 27".

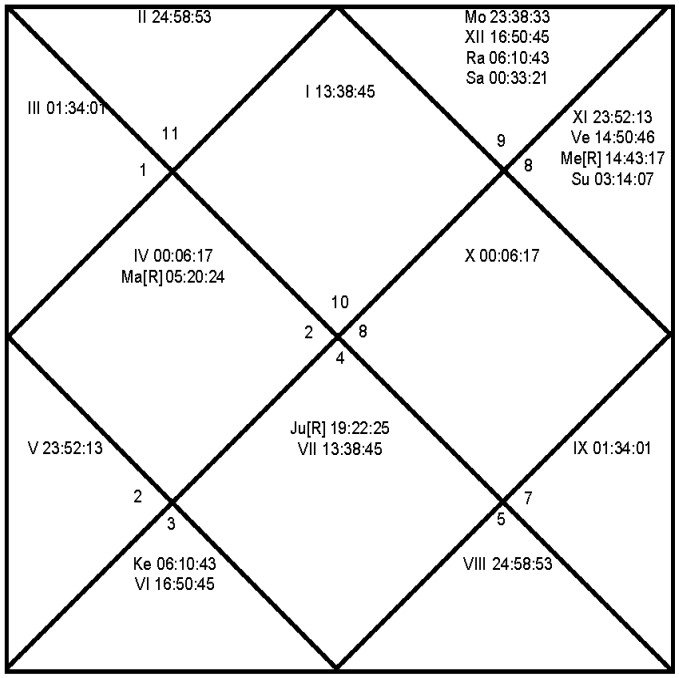

On 21 September 2021 the horoscope of Shanghai Stock Exchange was under the influence of joint dasa period of Rahu dasa/ Jupiter bhukti/ Saturn antra/ Sun sookshma.

Dasa lord Rahu, antra lord Saturn and Sookshma lord Sun are the significators of loosing and trouble causing houses of 8 and 12, and bhukti lord Jupiter the significator of loosing houses 5 and 12.

Transit of the DBAS lords and luminaries on 21 September 2021:
Rahu is in the star and sub of Moon (12).
Jupiter is in the star of Mars (3) and sub of Saturn (12). (3 = 8th from 8)
Saturn is in the star of Mo (12) and sub of Rahu (12).
Sun is in the star of own Sun (8) and sub of Saturn (12).
Moon is in the star of Saturn (12) and sub of Mercury (6).
Transit agrees with dasa.

Transit Saturn (loss and constraint) is exactly conjunct the Ascendant at 13 degrees of Capricorn in retrograde motion and transit Mars is aspecting 12th house where Sun, Moon, Mercury, Venus and Uranus are located. Chinese stocks are likely to remain under pressure until Saturn's retrograde ends on 10 October 2021. Further decline is possible when Mars aspects the Ascendant and Saturn after entering Libra on 22 October 2021.

Horoscope of the People's Republic of China
The People's Republic of China was formally established on 01 October, 1949, 3:01:36 PM +08:00, Beijing, China, 39N55, 116E25, Capricorn arising at 08° 40' 29" using KP new ayanamsa 23° 03' 55" . The time is the exact end-time of Mao Tse Dung's proclamation.

In China's horoscope Mars' association with 10th house by its aspect on 10th and its lord Venus indicates dominance of armed forces in the governance of the country. Mars conjunct Pluto gives ruthless domination and intense ambition. Also in the Myanmar independence horoscope (04 January 1948, 04:20 AM, Yangon), army dominance is indicated by Mars' aspects 10th and 6th houses.

On 21 September 2021 the horoscope of China was running the joint dasa period of Mercury dasa/ Mercury bhukti/ Jupiter antra/ Mars sookshma. All dasa, bhukti, antra and sookshma lords are the strong significator of trouble causing house of 8.

Transit of the joint dasa period lords and luminaries on 21 September 2021:
Mercury is in the star of Mars (3) and sub of Saturn (7). (3 = 8th from 8)
Jupiter is in the star of Mars (3) and sub of Saturn (7).
Mars is in the star of Sun (8) and sub of Venus (5).
Sun is in the star of own Sun (8) and sub of Saturn (7).
Moon is in the star of Saturn (7) and sub of Mercury (8).
Transit agrees with dasa not so soundly like the horoscope of Shanghai Stock Exchange.

Saturn and Pluto are transiting over its Ascendant and natal Moon in retrograde motion, opposing natal Mars and Pluto in 7th of foreign trade. Transit Mars is aspecting 12th house.
The transit may be worse when transit Mars enter Libra on 22 October and aspects its Ascendant and natal Moon.

Prospects
Astrologically it would be very hard to solve this debt crisis and additional maneuvers, including partial bailout, are needed by the government to prevent potential spillover.

Question: Will second treatment Intracytoplasmic sperm injection (ICSI) be successful?
Number: 41 (out of 249).
Date of Judgment: 17-07-2019, Wednesday; **Time of Judgment** 10:51:03 AM IST
Place of Judgment: Kankariya- Ahmedabad; **Lat/Long:** 23° N 00', 72° E 36',
Ayanamsha 24^0.02'.23 " **Dasa days:** 365.25

Hints
If the sub lord of the 5th cusp (female) or the 11th cusp (male) is the significator (in the star of the occupant or owner) of 2 (increase in family), 5 (conception, child) or 11 (5th from 7) or connected with 2, 5 or 11, child birth is promised. If it is the significator of 1, 4 or 10 (being 12th from 2, 5 and 11), child birth is not promised during the joint period of significators of 2,5,11.

If the cuspal sub lord of the 5th house occupies the barren sign Aries, Gemini, Leo or Virgo and is in the star of the planet in the barren sign, then the woman concerned is not pregnant.

No child
If the cuspal sub lord of the 5th (pregnancy) is the significator of 1 (barrenness), 4 (12th from 5th) or 8 (sterility), the woman never have child.

Cuspal Sub Lord
5th Cusp (Virgo 18^0.23'.26"): The sub lord of the 5th cusp is Mercury. Mercury is in the star of Saturn and sub of own. Mercury is occupant of 2, owner of 2-5. Star lord Saturn is occupant of 8, owner of 9-10. Sub lord is also Mercury. Thus 5th cuspal sub lord Mercury signifies 2-5-8-9-10. Thus child birth is promised but along with negative indication of 10 (12th from 11) -8 (sterility).

Ruling Planets
At the time of judgment, ruling planets are as under:
Date: 17-07-2018, Wednesday; 10:51:03 AM IST**.**
Place of Judgment: Kankariya-Ahmedabad **Long/Lat:** 23° N 00', 72° E 36'.
Ayanamsha: 24^0.02.23"

	Day lord	Sign lord	Star lord	Sub lord
Day: Wednesday	Mercury	—	—	—
RP Ascendant: Virgo 03°.45'.44"	—	Mercury	Sun	Saturn
RP Moon: Capricorn 03°.57'.16"	—	Saturn	Sun	Saturn

Ketu is conjoined with Saturn. Thus ruling planets are Mercury-Sun-Saturn-Ketu.

Note: Moon is in Saturn sign and sub, thus Punarphoo yoga is there.

Joint period:
Running dasa is Sun up to 05-04-2022. Running joint period is Sun-Saturn up to 23-01-2020.

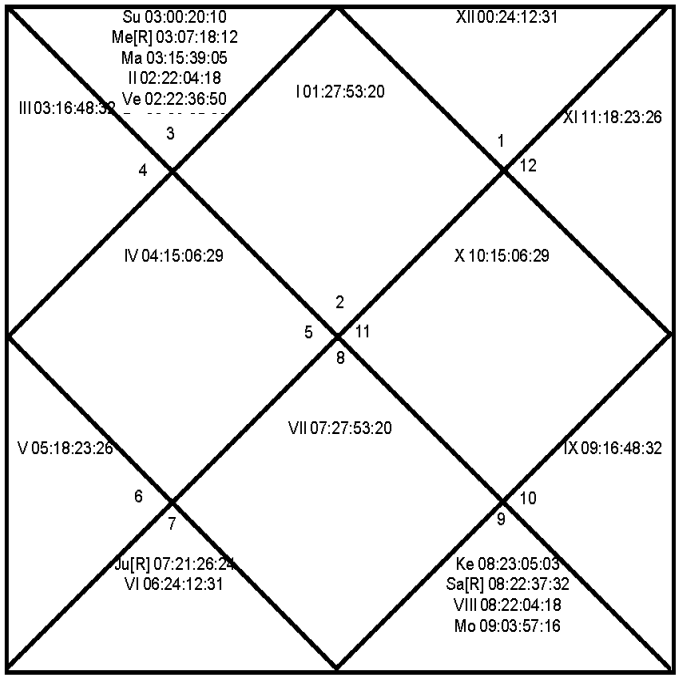

Dasa lord Sun is in the star of Jupiter and sub of Moon. Sun is occupant of 2, owner of 4. Star lord Jupiter is occupant of 6, owner of 8-11. Sub lord Moon is occupant of 8, owner of 3. Thus, dasa lord Sun signifies 2-4-6-8-11-3. Sun indicates 2-11 with 4 (12th from 5th)-8

(sterility). Sun is in RP too.

Bhukti lord Saturn is in the star of Venus and sub of own. Saturn is occupant of 8, owner of 9-10. Star lord Venus is occupant of 2, owner of 1-6. Sub lord is also Saturn. Thus, bhukti lord Saturn signifies 8-9-10-2-1-6. There is indication of 2 along with 8 (sterility)-1 (barrenness). Saturn is also in RP.

My opinion: 5th cusp sub lord 10 (12th from 11) -8 (Sterility). Dasa lord indicate 2-11 with 4 (12th from 5th)-8 (sterility). Bhukti lord indicate with 8 (sterility)-1 (barrenness). Thus in my opinion there is no chance for child birth.

Outcome: Prediction is proved right. As per clients feedback "Re. Child birth, you are correct cent per cent. We have spent more than 50 lakhs. But in vain. Now we all are happy with an adopted baby boy."

KP rule
If the 12th cusp sub-lord signifies 3 or 9 or 12-(6) and 11, the native will go to foreign countries for his higher studies during the conjoined period of the significators of 3-9-12-(6)-11 houses.

As per the natal chart of the native:
The 12th cusp sub-lord is Venus placed in 7th as the lord of 5 and 10 houses. Venus is in the star of Mercury lord of 6-7-9 in 8th and sub of Rahu in 7th. Thus the 12th cusp sub-lord Venus signifies 5-10-7-6-8-9. Here 9th , signified at its star-lord level, indicates long travel and higher education, and so this native is promised of foreign travel for higher studies. Rahu is the karaka for foreign journey**.**

KP rule on higher education
If the 9th cusp sub-lord is connected to 4, 9 or 11, it indicates success in higher education. Alternatively, if the 11th cusp sub-lord is connected with the 9th, it indicates higher education and if connected with the 4th only without having any connection to 9, it indicates general education. (Sri PVK Punneswara Rao)

As per the natal chart:
The 9th cusp sub-lord is Ketu placed in the first house-Capricorn sign. Ketu represents Saturn lord of 2 in 4th, Venus lord of 5 and 10 in 7th, and Moon lord of 7 in 7th. Ketu is in the star of Moon in 7 and sub of Saturn lord of 2 in 4th. Thus the 9th cusp sub-lord Ketu signifies @ STL(Moon) 7 and @SBL(Sat) 2-4.

11th cusp sub-lord is Mercury lord of 6-7and 9 in 8th. Mercury is in the star of Venus lord of 5 and 10 in 7th and sub of Mars lord of 4 and 11 in 11th. The 11th cusp-sub-lord Mercury signifies 5-6-7-8-9-10 and 4-11 @SBL(Mars). Here 4, 9 and 11 are for successful foreign travel for higher studies.

When it will get materialized? — during the conjoined period of the significators of 3-6-9-12-11 houses.

Question: Will I get my desired job in Ericsson India Global Limited in the month of Jan or Feb 2021?

Rule:
If the 6th CSL is the significator of 2 (income), 6 (job), 10 (profession) and 11 (gain), then desired job is possible during the joint period of significators of 2, 6, 10, 11 if the person is unemployed at the time of question.
If the 11th CSL is the significator of 2 (income), 6 (job), 10 (profession) and 11 (gain) then desired job is possible during the joint period of significators of 2, 6, 10, 11 if the person is already in service but looking for a better job.
Houses 1, 5, 9, 8, 12 are negative houses in regards to getting a desired job.

In this horary chart-:
11th CSL is Saturn. Saturn is occupant of 11 and owner of 1-12. No planet is the stars of Saturn, and Saturn is the CSLs of 3, 4, 5, 9, 10, 11 houses. Saturn is in the star of Sun occupant of 10 and owner of 7. Saturn is in sub of Venus occupant of 10, owner of 3-4-8 houses.

Thus Saturn is the significator of 10, 7 and connected with 1, 3, 4, 5, 8, 9, 11, 12 This Saturn is signifying 10, 11 along with negative 1, 5, 9, 8, 12 thus chance of getting desired job is negligible.

Prediction: The answer is no to get a job in the month of Jan or Feb 2021 in Ericsson Global India since Saturn is signifying more negative houses than positive ones.

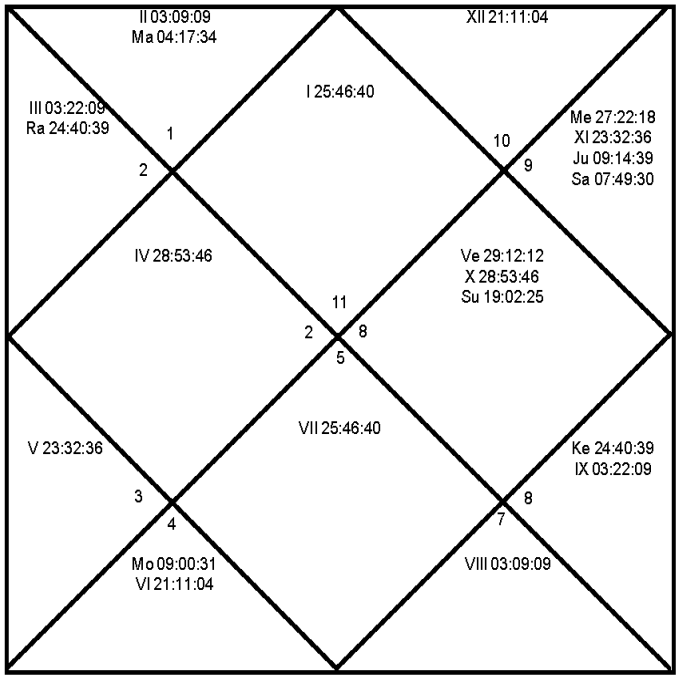

Outcome: He did not got desired job in Jan or Feb 2021.
Pranam to my guru Kanak Sir for his support.

Query: Accident & Survival Through Time Chart
One of my friends got accident yesterday at Kandukur and today his parents shifted him to Ongole. His survival is considered through time chart.

Date of Judgement : 14.07.2021
Time of Judgement : 05.50.15 PM
Place of Judgement : Kavali 14.57 N 80.02 E
Ayanamsa : 24°.4'.3"

KP Rule:
If the sub lord of the 11th cusp be the significator of 6 and 12, there is no cure or recovery from illness. If the same sub lord signifies 5 and 11 recovery from illness is promised.

Discharge from Hospital
If the sub lord of the 4th cusp be the significator 4 or 11, the native will be discharged from hospital.

5th Cusp (Aries 24.28.45): 5th cuspal sub lord is Mercury. Mercury is in the star of Rahu and sub of Jupiter. Mercury is occupant of 6 owner of 7 and 10. Star lord Rahu is occupant of 5, agent of Venus who is occupant of 8 owner of 6 and 10. Sub lord Jupiter is occupant of 1 owner of 3 and 12. So 5th cusp sub lord Mercury signifies 5 and 11and also 6 and 8. So Cure is there and also serious is there.

11th Cusp (Libra 24.28.45): 11th cuspal sub lord is Mercury which is already explained above.

Bhukti lord Jupiter is in the star and sub of Rahu. Jupiter is occupant of 2 owner of 1 and 4. Star lord and sub lord Rahu is occupant of 5, agent of Venus occupant of 8 owner of 6 and 11. So Bhukti lord Jupiter signifies 1, 5 and 11. So recovery is possible.

Anthara lord Venus is already explained as Dasa lord.

Mercury Sookshma is up to 22.07.2021. Mercury is a significator of 5. Mercury is a common significator also. But I have not selected. It is not a strong significator.

Next Ketu Sookshma is up to 01.08.2021. Ketu is a strong significator. Ketu is occupant of 11 and also agent of Mars owner of 5. There is no planet in the stars of Ketu. So Ketu is a very strong significator of 5 and also 11, Ketu Sookshma is possible for recovery. That is from 22.07.2021 to 01.08.2021.

I told that 22.07.2021 is possible for the native to be discharged from hospital.

On that day Moon is transiting in Sagittarius sign (Jupiter) and in Ketu star.
In time chart Jupiter is a significator of 4 and 5. Ketu is significator of 5 and 11.

Actual Outcome: The native was discharged on 22.07.2021 evening at 4.00 pm.

This Prediction is given with the blessings of "Lord Mahaganapathi" and Late Sri.KSK Sir who is founder of KP System and also My Guruji Sri M.R. Prasad.

Heart problem leads to surgery

Whenever heart is unable to pump the blood to all parts of the body then heart is said to be deceased. This is due to narrowed blood vessels obstructing the free flow of blood or fluctuations in the supply of voltage to the heart muscle.

In astrology, 4th and 5th houses of natural zodiac, sign Cancer and Leo, rule over the heart in general. Sun, Moon, Jupiter and Saturn causes cardiac troubles. Whenever the malefic such as Saturn, Mars, Rahu and Kethu occupied the 4th house or aspecting 4th house of natural zodiac or 4th house from lagna not guarded by the benefic planets it indicates heart decease.

We will examine the heart decease in the horoscope of the native whose birth particulars are mentioned below:

DOB: 3-6-1991 Time: 3-36 pm Place: Palakollu

The native has borne in the star of Mars (Dhanishta) with an ascendant Libra.
In K.P. if the 6th cuspal sub lord is connected to lagna, the native is prone to disease. The disease is fatal or serious if the sub lord signifies 8. 12th signification by the sub lord denotes hospitalization. So if the 6th CSL signifies 1, 6, 8, 12 it poses serious health problems.

In the horoscope, 6th cuspal sub lord is Sun in 8th, lord of 11 (badhaka), in the star of afflicted Moon and in the sub of Mercury, lord of 12. The star lord Moon is aspected by lagna lord Venus and 6th lord Jupiter. So Sun signifies 1, 6, 8, 12, badhaka and denotes serious health problems during joint period of significators of 1, 6, 8, 12.

In the chart 4th house of natural zodiac is sign Cancer. The sign cancer is occupied by Venus (lord of 1,8th), Jupiter (lord of 6th), Mars (lord of maraka houses 2, 7) afflicting the sign. Further Malefic Saturn conjunct with Moon is also afflicting sign Cancer by 7th aspect and lagna by 10th aspect denoting the heart disease as 4th house represents heart etc.

The significators are as follows:

	Significators
1	Venus
6	Kethu, Jupiter
8	Mercury, Rahu, Sun, Venus
12	Mercury

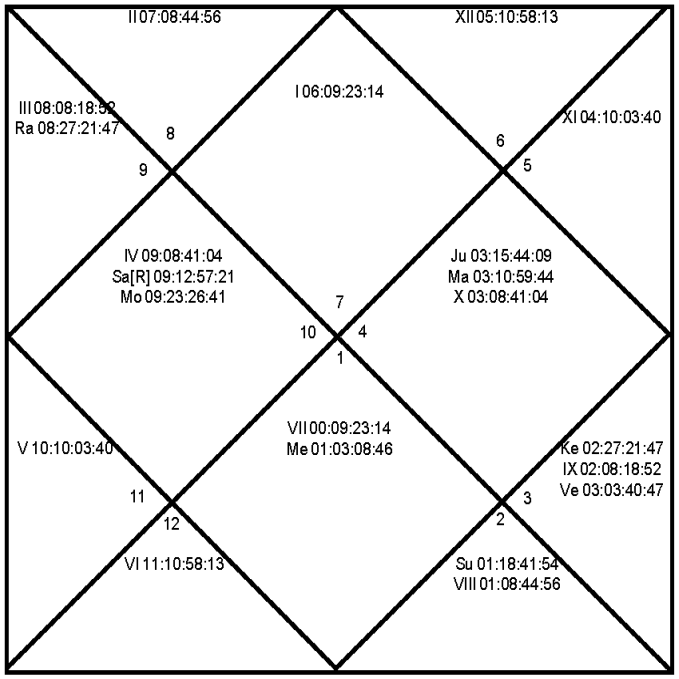

The native has borne in the dasa period of Mars (conjunct with 6th lord Jupiter and Venus lord of 1, 8) in the star of Saturn in 4 lord of 4,5, in the sub of Sun lord of badhaka in 8th house denotes suffering with disease of heart related problems in childhood. Because of the signification of life saving or cure giving 1,5, 12th to 2,6 serious impact of the disease on the native has not arisen during the period of Mars dasa.
Rahu dasa followed after Mars period is over. Rahu represents Jupiter being in the sign of Sagittarius. Rahu posited in 3 in the star of Sun in 8 lord of 11 (badhaka) and in the sub of Moon, lord of Cancer sign, afflicted by Mars (maraca), Venus (1,8) and Jupiter (6th disease). So Rahu signifies 1, 6, 8 connected to Mars through Moon, indicates major surgery during its period.

Bhukthi of Jupiter(5th CSL) and Saturn(5th lord) is rejected.
Mercury is considered as bhukthi lord as it is a significator of 8, 12 and in the star of badhaka (11) and in the sub of Saturn afflicted by aspect of Venus (1, 8), Jupiter (6) and Mars. As Mercury signifies 1, 6, 8, 12 and connected to Mars it indicates surgery in connection with fatal decease during its period.

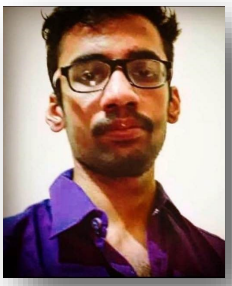

Rahu and Mercury are posited in the star of Sun. So Sun is considered as anthara lord and its period runs from 1.4.2007 to 17.5.2007. Anthara lord Sun (8, 11) is in the star of Moon (1, 8, 6, 2, 7) and in the sub of Mercury lord of 12th. As sun signifies 1, 6, 8, 12 and connected to Mars it indicates surgery to the native.

Surgery will be undertaken during joint period of Rah-Mer-Sun between 1-4-2007 and 17-5-2007 if transit agrees.

It is learnt that the surgery was actually undertaken on 24-7-2007 when the Sun is transiting in the sign of Aries and Moon in Cancer sign. Thus transit agrees.

Will my lost laptop be recovered or not?

By: Achintya Karmakar

Phone: 6291415841 ; Email: achintyakarmakar61127@gmail.com

An Indian revenue service inspector contacted me after her office laptop was stolen by thief. Her question was whether it will be recovered or not. For such case horary analysis gives wonderful results. I furnished a horary chart with the following details as per horary no given by her.

Date: 6th September 2021
Time: 8.40 pm
Place: Kolkata,West bengal
KP horary no: 142

Rule: 7th cusp represents thief. If the 7th cuspal sub lord signify through its star and sub lord 5, 8, 12 houses, then the article will not be recovered. If the 7th cuspal sub lord signifies 2, 6, 11 houses, then the article will be recovered during the conjoined period of DBA of significators of 2, 6, 11.

Genuineness of query:
Moon signifies the genuineness of query.
As the Moon is in the star of Venus. Venus signifies 8, 12 house strongly so the query is genuine.

Analysis or Calculation
7th cusp:
7th cuspal sub lord is Mercury. No planet is in the stars of Mercury hence the Mercury is untenanted. Mercury is the cuspal sub lord of 7-12th houses also. Mercury is occupant of 11th house, owner of the house 9 and 11. Mercury is in the star of Moon in 10th house owner of 10th also. As Mercury is untenanted and signify 12th cusp that is very negative for recovery of laptop. Mercury in sub of Saturn, lord of 4 and 3.

We have to check the DBA also.

Current Dasha Bhukti:
Venus dasha:
Venus is occupant of 12, lord of 1, 8 and 12. Venus in star of Mars, signifying 2, 6, 7. Also now Venus bhukti is going on.

My conclusion:
As 7th cuspal sub lord Mercury is untenanted and signifies 12th house strongly and also dasha and bhukti lord is very negative to give good result for recovery. So the laptop will not be recovered according to my prediction.

Actual outcome:
Still now no positive outcome is given by police.

One of my clients asked me, "Sir, will my marriage happen with my love or not?" She gives the number 4 (out of 249). I erected the chart immediately, the details are given below.
DOJ:- 30.08.2021, TOJ:- 01.30.00pm, POJ:- Kurnool.

KP Rule:
If the 5th (love) CSL be the significator (in the star of the occupant or owner) of 7 (marriage/ legal bondage) or the 7th CSL be the significator (in the star of the occupant or owner) of 5, love marriage is promised.

If the sub lord of 7th CSL be the significator (in the star of the occupant or owner) of 2,7,11 marriage is promised. During the joint period of significators of 2, 5, 7, 11 love marriage is promised. (Prashna Jyotish by Kanak Bosmia ji… page no. 259)

Let us check the Moon (2-5) which is in the star of Moon (2-5) and in the sub of Rahu (2). Rahu is conjoined with Moon (2-5). So, her desire is genuine.

Let us check the 5th CSL
5th CSL Rahu (2) is in the star of Moon (2-5). Rahu is conjoined with Moon (2-5). Rahu is in Taurus sign and the agent of Venus (6-2, 7). Rahu is in own sub. Here, 5th CSL Rahu signifies 2-5-6-7. So, the event is promised. Note: Rahu has no planet in its stars and signifies 2 and 7 strongly at sub-level.

Let us check the 7th CSL
7th CSL is Venus (6-2, 7) is in the star of Moon (2-5) and in the sub of Venus (6-2, 7). Here 7th CSL Venus signifies 2-5-6-7, the love marriage is promised.

Let us check the 11th CSL
11th CSL is Rahu, already we have discussed above. Here, Rahu has no planets in his stars and signifies 5 & 11 strongly at sub-level. So, the marriage is promised.

Let us check the 2nd CSL
2nd CSL is Saturn (10-11, 12) is in the star of Moon (2-5) and in the sub of Jupiter (11-9,10). So, 2nd CSL signifies 2-5-9-10-11-12, the marriage is promised.

Let us check the significators of 2-5-7-11

Death by Cancer

Ex-Accountant, Justice of Peace

SRI LANKA
Email: sumana1946@gmail.com

A famous singer in Sri Lanka asked me to check his wife's chart to see whether his wife's life would be saved from the cancer disease. As a practice I called for the singer's birth details too to check for the life of his partner. His birth details are as below and the relevant KP chart is attached herewith.

Name: Singer, Gender: Male, Date: Wednesday, 11/Jul/1973, Time: 12:02:00 AM SID: 19:06:21, Place: Dompe Dist. Hospital, Western, Sri Lanka, Lat: 06:56:00 N Lon: 80:03:00 E, TZ: +05:30 DST: 0.00, Ayanamsa: 23° 23' 50", Star: Anuradha, Pada 1, Lagna: Pisces, Bal. Dasa: Saturn 18 Y, 9 M, 2 D

The native's longevity and disease will be scrutinized from both the rotated chart of her husband and the wife own natal chart.

Scrutinizing the rotated chart of husband

1. House 1 (longevity): 1st cuspal sub lord (CSL) is Rahu posited in the 3rd house, in Sagittarius sign representing Jupiter (4-4-7), aspected by Sun+ (10-12,+8), Jupiter (4-4-7) and Saturn (9-5-6). Rahu is in the star and sub of Venus. Star and sub lord Venus is deposited in the 10th house (closed to 11th cusp), lord of 9 and 2. As 1st CSL Rahu signifies 7-2 (Badhaka/ Maraka), 12 (Moksza/hospitalization), 8 (serious ailment/ danger to life), 6 (disease), 3 (8th to 8), 4 (end of everything) and 10 (retirement from this world/ treatment not effective), along with live saving houses 5-11, life is not long.
Note: Rahu and Kethu are branded planets for Cancer Disease
2. 6th house (Disease): 6th CSL is Jupiter deposited in 4, owner of 4, 7. Jupiter is in the star of Moon (2, 11) and in the sub of Saturn (9, 5, 6). The 6th CSL of the rotated chart signifies Badhaka/Maraka (7-2), 6 and 4 (end of everything including life), along with life saving 5,11.
Note: Above said Jupiter is the planet of growth, a notorious culprit for the disease Cancer.
3. 8th House (serious ailment): 8th CSL is Sun+ deposited 10, lord of 12, also the CSL of 8 having no planet in its stars. Sun+ is in the star Jupiter (4, 4, 7) and sub of Mercury (10, 1, 10). The 8th CSL Sun+ signifies Badhaka/Maraka 7, 12, 8 and 10.
Let's see the chart of the wife who was suffering from a Cancer in the Lungs. Here I am not going to speak of the disease Cancer, since my motivation in Astrology is "How & why" and I want to show the readers the planetary behavior for the death.

Birth details:
Name: Cancer Lady, Gender: Female, Date: Thursday, 02/Aug/1979, Time: 05:20:00 PM, SID: 13:52:11, Place: Uragasmanhandiya Hosp.,Southern Province, Sri Lanka, TZ: +05:30 DST: 0.00, Lat: 06:20:00 N, Lon: 80:04:00 E, Ayanamsa: 23° 28' 55", Star: Visakha, Pada 4,Lagna: Capricorn, Bal. Dasa: Jupiter 2 Y, 11 M, 5 D.

Lagna CSL is Rahu placed in 8th house (Mruthusthana), in conjunction with Saturn the lord of Lagna & 2 (Mrk). Rahu is in Leo sign, representing Sun (7. 8, +12). Rahu is in the star of Venus (7, 5, 10) and in the sub of Moon+ (10/close to 11th /, 7, +7, 10). Lagna CSL Rahu signifies 11th (Bdk), 7 (Mrk), 12 (Renunciation), 8 (Chronical Diseases/Death) and 10 (retirement from this world). So, the life is in danger and life span is in middle range.

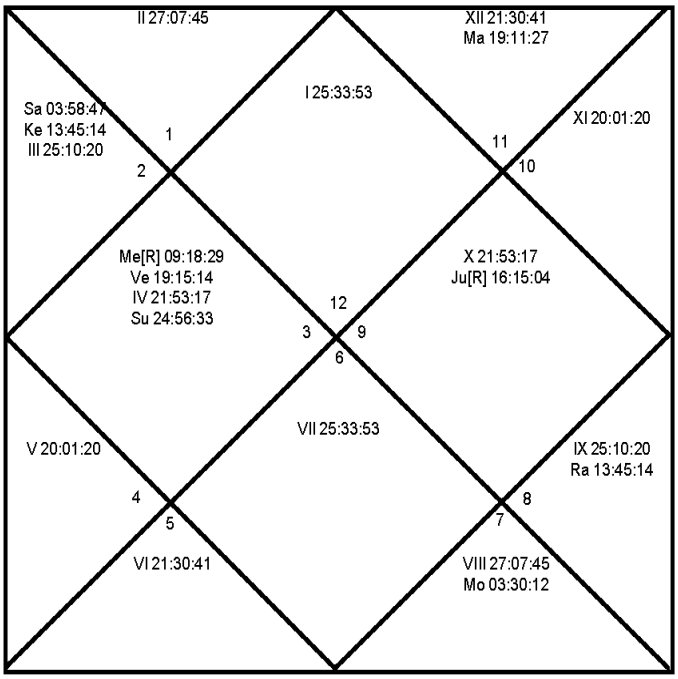

House of disease: The 6th CSL Venus. It is the lord of 5 & 10 in 7 (Mrk), in the star of Saturn and in own sub. **In KP, if a planet is in own star or sub, that planet is considered to**

be strong and does not need to go further. Hence Venus is a stronger planet for the Maraka house, though it is the owner 5 (good health). Star lord Saturn is the lord of Lagna and the next Maraka house 2, located in the 8th house in conjunction with Rahu. As said above Rahu is a significator for 1, 6, 8, 12. As per the KP House Grouping Part I, compiled by sri Tin win ji, if the 6th sub lord is a significator for 1, 6, 8, 12 life long disease is indicated and the disease cannot be cured at all.

According to above both outcomes, the life of the lady is in danger and the it will be the last disease for her in this life. As per above two analyses of husband and wife, I decided that the life of his wife is in danger, but informing the outcome to the querist was impossible due to ethical principles and I asked them to carry on medical treatments as well as religious activities as they wish.

This lady died on 15th August 2021. at the time of her death, she was running DBAS of Kethu - Rahu - Jupiter - Saturn.

Dasa lord Kethu+: In 2 Maraka, in the star of Rahu in 8, in the sub of Venus lord of 5, 10, in 7 Maraka. Kethu is in Aquarius representing Saturn the lord of 1 & 2 in 8. Star lord Rahu is in Leo sign representing Sun+ lord of 8 in 7, the CSL of 12. Hence Dasa lord Kethu+ signifies death inflicting houses 2-7 Maraka, 12 Moksza, 8 (danger to life).

Bhukti lord Rahu: As already discussed above, Rahu signifies death inflicting 11th (Bdk), 7 (Mrk), 12 (Renunciation), 8 (Chronical Diseases/Death) and 10 (retirement from this world).

Antra lord Jupiter: Jupiter is the lord of 3 & 12 and posited in the 7 (Maraka), in the star of Mercury (Lungs), the lord of 6th and in sub of Rahu. As said above Mercury signifies 6, 9, 7, 8. The sub lord Rahu signifies 2, 7, 8, 12.
Sookshma lord Saturn: Saturn signifies 7-8-5,10-1,2 and again 2-7-8 at Rahu sub level.
So, all the DBAS lords are in connection with the death by disease.

Transit
On the day of death, Maha dasa lord Kethu was running in the natal 10th, in the sign of Scorpio, over the star of Saturn, the Shooksma lord running in the 12 house and in the sub of Mars the lord of 11 (Bdk) & 4 (Lungs/End of life) in 7 (Mrk) in association with Mercury the lord of 6 (Disease).
Bukthi lord Rahu was transiting in the above said 4th house, over the star of 7th house (Maraka) lord Moon and Rahu was running in its own sub section.
Anthar lord Jupiter was transiting in the Lagna house and in the star of Mars and in the sub of Venus in 8th house.
The luminary Sun was transiting in the 7th house in a star of Mercury, which is the natal sub of 2 (Maraka), 5 & 11(Bdk) and in the sub of Jupiter the Anthar lord.
The Moon was running in the star and sub of above said Jupiter.

A girl asks me when she will get married. She said that her parents have seen a boy for her marriage but nothing is sure as of now.

Birth Details
Name : S. Shah
Date of Birth : 01.09.1986.; Time of Birth : 03:37 AM.
Place of Birth : Dhule (Gujarat).; Longitude : 74-47 E ; Latitude : 20-54 N

For Marriage, houses are to be considered 2, 7 and 11 in Krishnamurti Paddhati. The 2nd house denotes 'Kutumba' - the family, all those members closely allied to the native by birth or by Connection. Further, 2nd House also denotes 'acquisition' and acquisition to the family by marriage.

The 7th house denotes legal bondage with another and the partner with whom one is to lead family life.

The 11th house denotes long standing love, pleasure and partnership in life, , marital bliss etc. That's why houses 2, 7 and 11 are considered for the marriage.

Now let us examine whether the marriage is promised or not in the light of KP Rules.

KP Rule:
If the 7th (marriage, legal bondage) cuspal sub lord signifies 2 (increase in family members by amrriage), 7 or 11 (permanent tie of friendship, fulfillment of desire) house, then marriage is promised and it would take place during the conjoined period of the significators of 2, 7 and 11.

Cuspal analysis:
In this Chart, 7th cusp sub lord is Venus. Venus is in the star of Mars and sub of Mercury. Venus signifies 3, 4 and 11 houses; Star lord Mars signifies 6, 10 and 5 houses and sub lord Mercury signifies 2, 3 and 12 houses. 7th cusp sub lord Venus signifies 2, 11 houses. Hence marriage is promised in this chart.

Ruling planets:-
The chart was judged on 16.06.2021, Wednesday at 16:04:03 hrs in Hyderabad (Telangana).

Ascendant Star lord = Jupiter Ascendant Sign lord = Venus
Moon Star lord = Ketu. Moon Sign lord = Sun.
Day Lord = Mercury
Ketu represent Mars as Ketu is in Scorpio. Hence Mars is also included in the list of ruling planets.

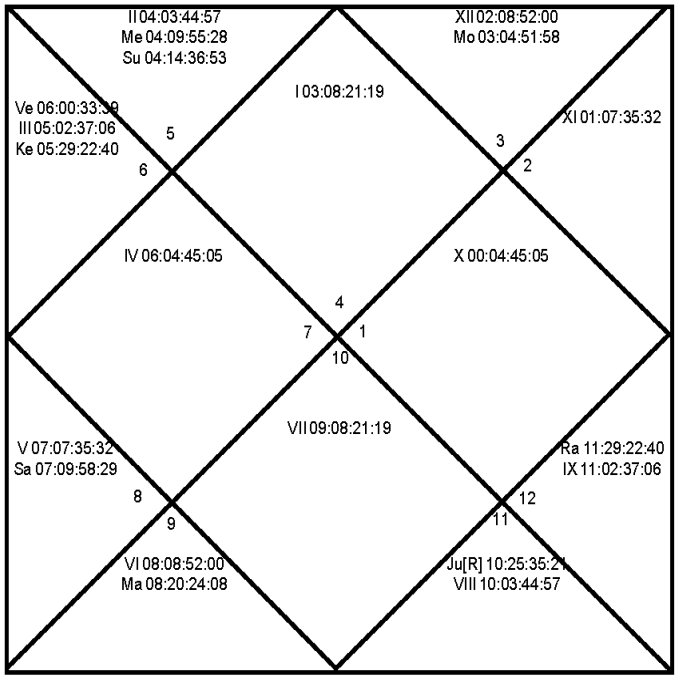

Dasa-Bhukti-Anthra analysis:-
At time of Judgment, the native was running the major Dasa of Ketu , Bhukti of Venus and Anthra of Rahu from 23.04.2021 to 26-.06.2021.

Ketu and Venus are common between dasha-Bhukti and Ruling Planets. Let's check it whether both are promising the marriage or not.

Dasa Lord Ketu is in the sign of Mercury, in the star of Mars and sub of Saturn. Ketu signifies 3, 2 and 12 houses, star lord Mars signifies 6,10 and 5 houses and sub lord Saturn 5, 7 and 8 houses.

Bhukti lord Venus is in the star of Mars and sub of Mercury. Venus signifies 3, 4 and 11 houses. Star lord Mars again signifies 6, 10 and 5 houses. And sub lord Mercury signifies 2, and 3-12 houses.

Hence Dasa lord Ketu and Bhukti lord Venus are connected to 2, 7 and 11th house. So Dasa lord Ketu and Bhukti lord Venus are favorable for the marriage.

Now focus is on Antra lord Rahu. Rahu is not present in my ruling planets. So I decided to skip the Rahu Anthra. After Antra Rahu, Jupiter Antra has to came. And Jupiter is also in ruling planets.
Jupiter is in the star of own and sub of Mercury. Jupiter signifies 8, 9 and 6 houses and sub lord Mercury signifies 2,3-12 houses. So I took Jupiter as Antra lord to predict for the marriage which starts from 26 .06.2021 to 22. 08 .2021

Now focus on Sookshma dasa, during the Jupiter Anthra dasa at first Jupiter Sookshma will come. But I have already used Jupiter as Anthra dasa. After that Saturn Sookshma dasa will come. Saturn is not present in the RPs, so to skip. After that Mercury Sookshma will come. Mercury is present in the ruling planets. Mercury is in the star of Ketu and sub of Saturn, signifying favorable 2, 7 houses.
So I decided to take Mercury as Sookshma dasa for the marriage which runs from 13.07.2021 to 21.07.2021,

Conclusion: - I said to the girl that most probably there is chance for her to get married between 13.07.2021 to 21.07.2021.

Actual Facts of the Case: - She called me on 3rd July 2021 and told me that your prediction is going to be absolutely correct. My marriage has been fixed and will be celebrated on 18.07.2021. And actually the marriage was celebrated on 18.07.2021.

At the End of this article, I would like to convey my Pranam and regards to Lord Shiva and to our great Guruji Late K.S. Krishnamurti ji. I would also like to convey my pranam and regards to Respected Kanak Bosmia Sir.

One of my clients asked me, "sir, one marriage proposal has come to me, whether it will be successful or not". She gave me the number of 229 (out of 249).
DOJ:- 14.08.2021, TOJ:- 07:23:00pm, POJ:- Kurnool.

General KP rule:
If the sub lord of the 3rd cusp be the significator of 3-7-9, the native undergoes negotiations for marriage during the joint period of the significators of 3-7-9-11 (3-9-11 = Success in negotiations, 3-9-12 = Failure in negotiations).

Let us check the Moon status for the mind of query.
Moon (8-6) is in the star of Rahu (3), agent of Venus (7-3, 8) and in the sub of Mercury (6-4,5,7). So, her desire is genuine.

Let us check 3rd CSL
3rd CSL is Mercury (6-4, 5, 7) in the star of Ketu (9), aspected by Mars (6-2, 9), and in the sub of Saturn (11-12). Here 3rd CSL Venus signifies 2-4-5-6-7-9-11-12. So, the event is promised.

Next, let us check 9th CSL
9th CSL Saturn (11-12) is in the star of Moon (8-6) and in the sub of Jupiter (12-1, 10, 11). Here 9th CSL Saturn signifies 1-6-8-10-11-12. So, the event is promised but 9th CSL Saturn is connected with undesirable houses (6-8-12).

Next, we check the 11th CSL
11th CSL Sun (6) is in the star of Mercury (6-4, 5, 7) and in the sub of Saturn (11-12). So, 11th CSL signifies 4-5-6-7-11-12. So, the event is promised but 11th CSL Sun is connected with undesirable houses (6-12).

Let us check the 7th CSL
7th CSL is Rahu (3), in Taurus sign and the agent of Venus (7-3, 8). Rahu is in the star of Moon (8-6) and in the sub of own (3). So, 7th CSL Rahu signifies 3-6-7-8. So, the event is promised.

Let us check the 6-fold significators of 3-7-9-11.

How will be the impact of Covid third phase?

As Covid 2nd wave is running I am very tensed about 3rd wave as the world health organisation says after Durga puja chances of Covid 3rd wave will be high.

Rule:
If the 1st cuspal sublord through its star and sublord signiies 1, 5, 9, 11 (Badhaka 9 is excluded for fixed sign ascendant and 11 is excluded for movable sign ascendant), the death rate and harm rate will be low.
If the 1st cuspal sublord signifies 6,8,12 house along with Maraka, Badhaka, then it indicates high impact of the pandemic.

Analysis
Horary details:
Date: 23 August 2021
Time: 17.21 pm
Horary no-151
Place: Secunderabad, Andha Pradesh.

In this chart 1st cuspal sub lord Ketu is in 1st house representing Mars in 10, lord of 1, 6. Ketu is in the star of Saturn in 3rd house (respiratory system) and lord of 3rd and 4th (end of life).

Running Dasha bhukti antara
Rahu dasha (upto 31 January 2023):
Here Rahu is in 7th house representing Venus in 11th house, lord of 7 and 12 houses. Rahu is in the star of Moon in 4th house, lord of 9th house (Badhaka house).

Moon bhukti (up to 13th January 2022)
Moon is occupant of 4th house, lord of 9th house (Badhaka house). Moon is in the star of Rahu in 7th house (Maraka), representing Venus signifying 11 and 12 houses. Moon is in his own sub.

Conclusion
Covid 3rd wave may come within 13th January 2022. Rate of death might be higher but people would also recover as 11th house comes in signification.

One of my clients asked me, "Sir, I want to purchase a new tipper, whether this is right time to me or not? If so, when?". Then I asked him to give me a number within 249, he gave me 151/249. Immediately the chart is erectd and its details are given below:
DOJ:- 24.08.2021, TOJ:- 08.04 PM, POJ:- Kurnool.

KP RULE:
If the 4th cuspal sub lord be the significator (in the star of the occupant or owner) of 4 (movable property), 9 (luck), 10 (status) and 11 (fulfilment of desire) the native will purchase the vehicle during the period of 4-9-10-11.

Let us check the Moon (4-9) which is in the star and sub of Saturn (3-3, 4). Here, the Moon indicates querent's desire to purchase vehicle (tipper). OK.

Let us check the 4th CSL Jupiter (3-2, 5) in the star of Mars (10-1, 6) and in the sub of Ketu (1). Ketu is aspected by Mars (10-1, 6). So, 4th CSL Jupiter signifies 1-2-3-5-6-10. So, the event of buying vehicle is promised. OK.

Let us check the 11th CSL Mars (10-1, 6) in the star of Venus (11-7, 12) and in the sub of Saturn (3-3, 4). Here, 11th CSL Mars signifies 1-3-4-6-7-10-11-12. So, the vehicle purchase is promised. OK.

Note: Here 11th CSL Mars is connected with Venus, the chief governor (karaka) for vehicle and it is a good indication to buy vehicle.

Let us check the 6-fold significators of 4-9-10-11

House	A	B	C	D	E	F
4th house	Me	Ve, Sa, Ra	Mo	Mo, Ma, Ve	Mo, Ke	Sa
9th house	-	-	-	Me,	Ve, Sa, Ra	Mo
10th house	Ke,	Me, Ju	Su, Ma, Me	-	Me	Su
11th house		Ma	Ve	-	-	Me

Let us check the Ruling Planets,
Lagna sub lord: Mercury
Lagna star lord: Saturn
Lagna sign lord: Jupiter
Moon sub lord: Saturn
Moon star lord: Saturn
Moon sign lord: Jupiter
Day lord: Mars
Ketu is taken as a RP due to the agent of Mars.

So, the common planets between 6-fold significators and Ruling Planets: Ju/Sa/Ma/Me/Ke.

At the time of judgement Saturn dasa and Saturn bhukti is running from 21.04.2021 to 24.04.2024. Next, Saturn dasa/ Saturn bhukti/Mercury Antra is running from 12.10.2021 to 17.03.2022. Next Ketu Sookshma lord is running from 03.11.2021 to 12.11.2021.

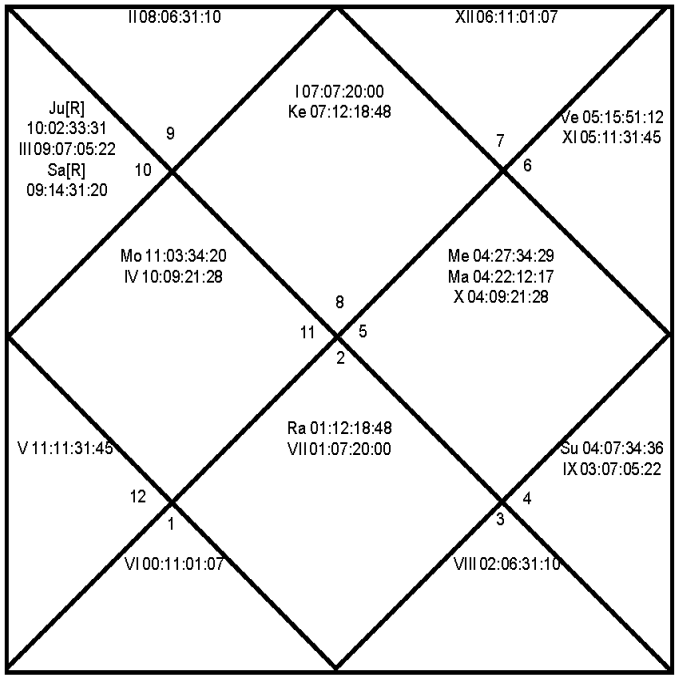

Astrological Prediction: During the period of 03.11.2021 to 12.11.2021, the querent will be able to purchase the vehicle. My sincere pranaams to My KP GURU Shri VSN. Murthy ji.

Will I have divorce with Rajdeep Ghosh on 3rd Sept 2021?

By: Sayantan Biswas
Address: 339/S/2 Kalipada Mukherjee Road. Kolkata 700008.
Phone: 9903785661; Email: sayantan1@outlook.com

Date: 31 August 2021
Time: 06:53.44 PM
Place: Kolkata
Horary No: 110
Question: Will I have divorce with Rajdeep Ghosh on 3rd Sept 2021?

KP Rule: If 7th CSL is the significator of 2,7,11 then marriage happens during the joint period of significators of 2,7,11.
If 7th CSL is connected with 1,6,10,8,12, then there are chances of divorce during the joint period of significators of 1,6,10,8,12

In this horary horoscope:
7th CSL Mercury is occupant of 1 and owner of 1-10. No planet is in the stars of Mercury, and Mercury is the CSLs of 3, 7, houses. Mercury is in the stars of Sun occupant and owner of 12. Mercury is in the sub of Venus occupant of 1 and owners of 2-9.
Thus Mercury is the significator of 12 and connected with 1, 2, 3, 10.
Mercury is connected with 1, 10, 12, thus divorce is promised as per horary chart.

Ruling planets at the time of judgment-:

	Sign	Star	Sub
Asc:	Jupiter	Saturn	Saturn
Moon:	Venus	Mars	Saturn

Day Lord: Mars

6 Fold Significators of divorce are-:

H No	A	B	C	D	E	F
1	Su, Me, Ju	Su, Ma, Fo	Me, Ve	Ju	Fo	Me
6				Mo	Ke	Sa
8				Ve	Mo, Ju, Ve	Ma
10				Ju	Fo	Me
12	Ve	Mo, Me, Ju, Ve	Su, Ma		Me	Su

On 3rd September 2021 the Dasha Bhukti Antara Sookshma lords are Mars-Saturn-Saturn-Mercury.
Dasha lord Mars is in the significator list and also in RPs. Bhukti and Antara lord Saturn is in the significator list and also in RPs.
Sookshma lord Mercury is in the significator list but not in RPs. Thus this is not good.

Prediction: 7th cuspal sub-lord is showing divorce. But on 3rd September the chance of divorce is less as the sookshma lord Mercury is not a common planet between 6 fold significators and ruling planet list.

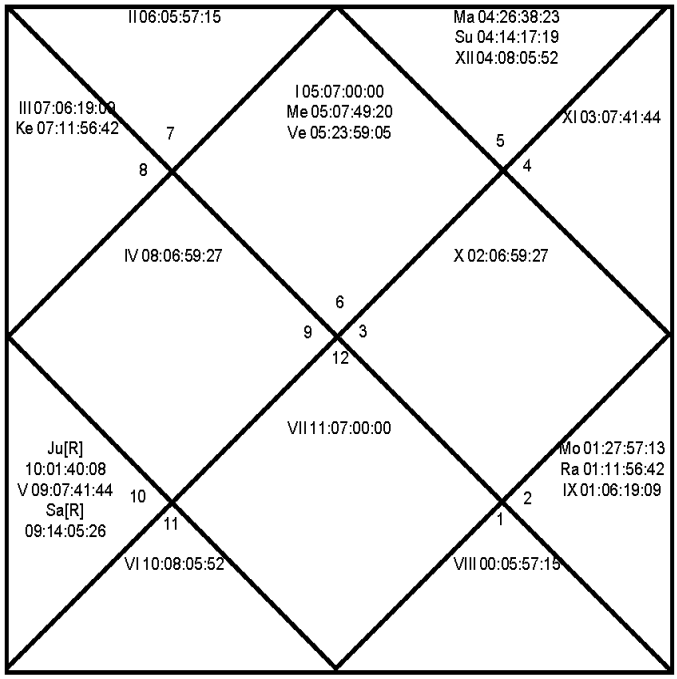

Outcome: Divorce did not happen on 3rd September 2021.
Pranam to my guru Kanak sir for all his guidance.

Question: Is read news that Shilpa Shetty is planning to separate from her husband Raj Kundra true?
Horary Number: 115 (out of 249).
Date of Judgment: 06-09-2021, Monday; **Time of Judgment:** 11:47:17 AM IST
Place of Judgment: Kankariya-Ahmedabad **Long/Lat:** 23° N 00'.45", 72° E 36'.01".
Aynamsha: 24^{0}.04'.10"

Hints
If the cuspal sub lord of 3rd house happens to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter, it is true. And if the lord happen to be planet connected with Saturn in any manner the report is false; but connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3rd (Scorpio 13^{0}.10'.47"): The sub lord of the 3rd cusp is Rahu. Rahu is in the star of Moon and sub of Mars. Here 3rd sub lord is connected with Mars, hence rumor/message is false.

My opinion: News about Shilpa Shetty is planning to separate from her husband Raj Kundra is false.

When will my younger sister's daughter get the job?

One of my clients asked me, "When will my younger sister's daughter get the job". This is the time chart of that day.
DOJ:- 06.08.2021, TOJ:- 06.06.11 pm, POJ:- Kurnool.

KP rule:
If the 6th or 10th cuspal sub lord be (in the star of the occupant or owner) the significator of 2, 6 or 10 service or earning is promised during the joint period of the significators of 2, 6 & 10. (Ref: Prashna Jyotish by Shri Kanak Bosmia ji, Page No.127).

Let us check the Moon (6-7) in the star of Jupiter (1-12, 3) and in the sub of Ketu (10). Ketu is the agent of Mars (7-4, 11). So, the intension about his niece was genuine.

First, we check the 6th CSL
6th CSL is Mercury (7-6, 9) in the star of own Mercury (7-6, 9) and in the sub of Rahu (4). Rahu is in Taurus sign represents Venus (8-5, 10). Here, Mercury is in own star and the CSL of 6-11-12. So, 6th CSL signifies 4-5-6-7-8-9-10-11-12, the event is promised, OK.

Next, we check the 10th CSL
10th CSL Jupiter (1-12, 3) is in the star of Mars (7-4, 11) and sub of Sun (7-8). So, the 10th CSL Jupiter signifies 1-3-4-7-8-11-12. So, his fulfilment of desire is promised.
(it isn't correct as per the said rule without any of 2,6,10.)

Next, let us check the 11th CSL
11th CSL is also Mercury, we have already discussed above (6th cusp).

Ruling planets follows: -
Lagna sub lord: Venus
Lagna star lord: Venus
Lagna sign lord: Jupiter
Moon sub lord: Moon
Moon star lord: Ketu
Moon Sign lord: Jupiter
Day lord: Mars
Rahu is the agent of Venus, so Rahu is taken as a Ruling Planet.
So, the common planets between 6-fold significators and Ruling Planets: Ra/Ke/Ve/Ju/Mo

At the time of judgment Jupiter dasa is running 15.05.2014 to 15.05.2030. Next, Bhukti lord is Ketu period from 21.04.2021 to 27.03.2022. Next, Antra lord Mars is not in RP's. So, next Antra lord Rahu is running from 09.09.2021 to 30.10.2021.

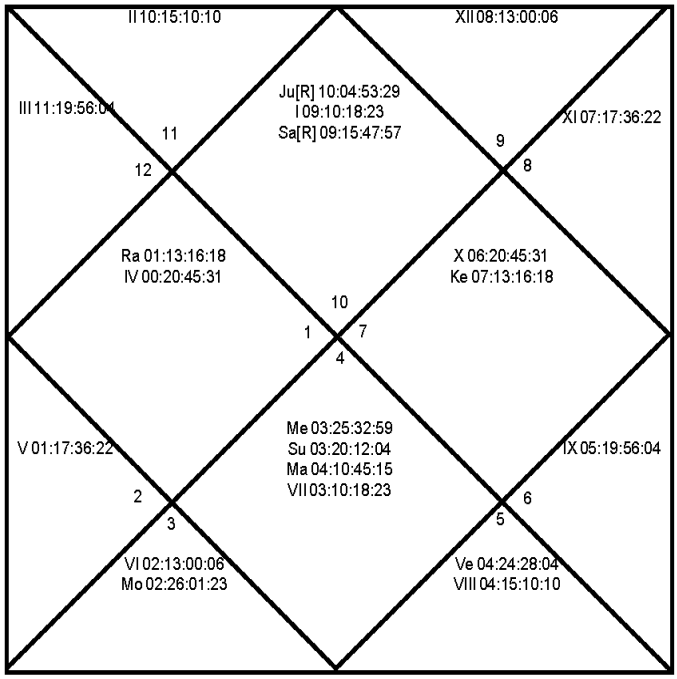

Astrological Prediction: - During this period of 09.09.2021 to 30.10.2021, the querent will get the job. He informed by phone that his niece was selected for the job on 09.09.2021. Thanks, KP system. My sincere pranaams to my KP guru Shri VSN. Murthy ji.

of Mars, significator of 3, 6, 8, 10 houses. By guru ji Late KSK, Nodes are stronger than planets to give result.

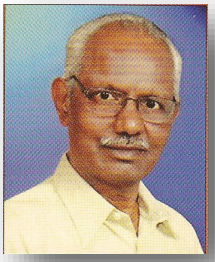

My prediction
She can definitely be selected in the interview but with some obstacles.

Actual Outcome-
She is selected in the interview but there is delay in getting the NOC from previous company though ultimately she would be handed over the NOC.

Will my grandson be successful in his final exams?

(My grandson is preparing for his final examinations and I happened to see him experiencing some tensions in his preparation. This made me ponder over his plight which culminated in the form of the above question which arouses suddenly in my mind.)
Immediately I opened my astrology book lying on my table and got a number 48 at random. The horary chart is erected and attached. The horary details are:—
Number 48. Date -10 Jan 2017 @05-51-34 p.m @Secundrabad.

Coordinates for judgment
For success in examinations- 4th house indicates one's basic education, 9th house higher education, and the 11th house- the accomplishment of one's desire to achieve success in education.

What K.P, rule says:
If 4th cusp sub lord (CSL) signifies 4th-education, preparation for examinations, academic qualification and regular attendance in school and colleges, 9-deep study and higher education and examinations along with 11- for achieving success in one's attempts – one will achieve success in his examinations.

Is the event of success is promised?
The 4th CSL Rahu represents Mars in 9, lord of 6, 11, Venus in 9, lord of 5,12, Saturn in 6, lord of 8,9 and Sun in 7, lord of 3. Rahu is in the star of Kethu in 9 and sub of Mercury in 6, lord of 1,4. As the 4th CSL Rahu signifies 4,9,11 success in examinations is promised.

As per Gulbarga theory- if the sub lord of the horary number lagan is also either the star lord of the ASC or the star lord of the Moon among the ruling planets – the answer is yes.

As per the chart— the lagna sub lord of the horary number is Jupiter. Jupiter is the star lord of the Asc in ruling planets. So the answer is Yes.

Analysis of the chart as per the above KP rule
Fourth cusp – It falls in Virgo sign with Merc-SGL- Sun STL- Rahu–SBL.
Rahu is placed in 3rd. Rahu is in Kethu star placed in 9th and its sub lord Mercury as lord of 1 and 4 is placed 6th. Rahu represents Mars, Venus, Saturn and Sun. Mars lord of 6 & 11 is in 9th, Venus lord of 5 & 12 is in 9th, Saturn lord of 8 & 9 is in 6th and Sun lord of 3rd in 7th. Thus 4th cusp sub lord Rahu signifies 3 and 9 at star level and 6, 8 and 9th at sub lord level promise success.

Ninth cusp-It falls in the Aquarius sign with Sat-SGL-Mar-STL-Mer- SBL.
Mercury the sub lord of the 9th cusp in Kethu star placed in 9th signifying 4 and 9 and its sub lord Mars signifying 9 and 11 also assures success in examinations.

Eleventh cusp- Its cusp sub lord is Moon+. No planets are placed in Moon stars and so Moon strongly signifies 11 as its sub lord. Moon is in Mars star and Saturn sub. The star lord Mars signifies 9 and 11 and Saturn as sub lord signifies 9th. Thus 11th cusp promises success in the examinations.

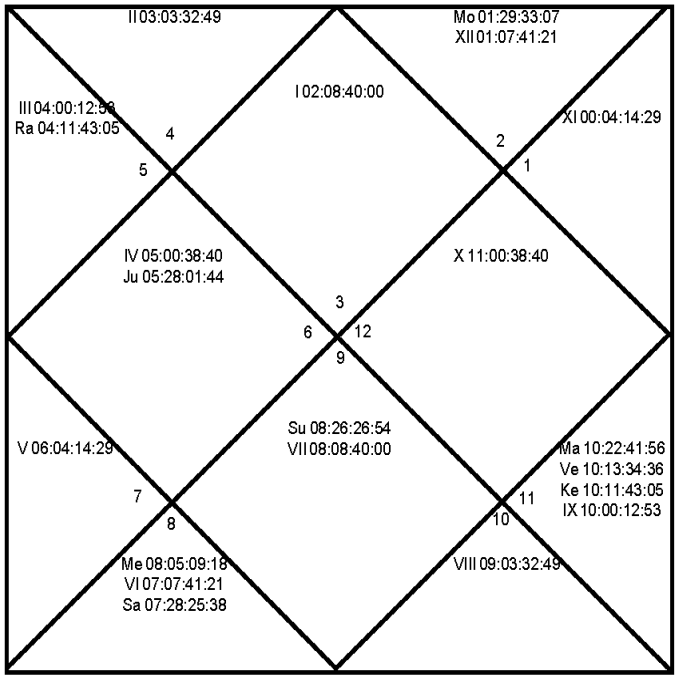

When is the question? - During the conjoined period of the significators of 4-9-11 houses.

One of my clients asked me "my cell phone lost yesterday in my house premises, is there any chance to recovery". This is the time chart.

DOJ:- 13.08.2021, TOJ:- 06.52.54 pm, POJ:- Kurnool,(78-02-10E/15-49-44N).

General KP rule:
If the cuspal sub lord of 8th be the significator (in the star of the occupant or owner) of 2nd, 6th (loss to the thief) & 11th (fulfillment of desire), and should not connected with 5, 8 & 12, then only the theft article recovery is promised during the joint period of the significators of 2, 6 & 11.

Let us check the Moon
Moon (8-6) is in the star of Mars (7-3, 10) and in the sub of Saturn (12-12, 1). His desire was genuine.

First, we check the 8th CSL
8th CSL is Ketu (10), Ketu is aspects by Mars (7-3, 10) and in the star of Saturn (12-12, 1) and in the sub of Rahu (4). Rahu is in Taurus and the agent of Venus (7-4, 9). Here 8th CSL Ketu signifies 1-3-4-7-8-10-12. There is no chance of event due to negative houses of 8-12.

Let us check the 11th CSL
11th CSL Moon (8-6) is in the star of Mars (7-3, 10) and in the sub of Saturn (12-12,1). 11th CSL Moon signifies 1-3-6-7-8-10-12. There is no chance of event due to bad houses of 8-12.

Let us check the 2nd CSL
2nd CSL Mercury (7-5, 8) is in the star of Ketu (10) and in the sub of Jupiter (1-12, 11). Ketu is aspects by Mars (7-3, 10) 2nd CSL Mercury signifies 1-3-5-7-8-10-11-12. Here also Mercury had no signification of 2-6-11and connection with undesirable houses of 8-12.

Let us check the 6th CSL
6th CSL Mars (7-3, 10) is in the star and sub of Venus (7-4, 9). 6th CSL Mars signifies 3-4-7-9 -10. Here 6th CSL Mars had no signification of 2-6-11.

Let us check the Ruling Planets follows;
Lagna sub lord: Mercury
Lagna star lord: Mars
Lagna sign lord: Saturn
Moon sub lord: Saturn
Moon star lord: Mars
Moon sign lord: Mercury
Day lord: Venus
Ketu is the agent of Venus; Rahu is the agent of Mars. So, take the nodes as RP's.
So, the final Ruling Planets are: - Ve/Sa/Me/Ma/Ra/Ke

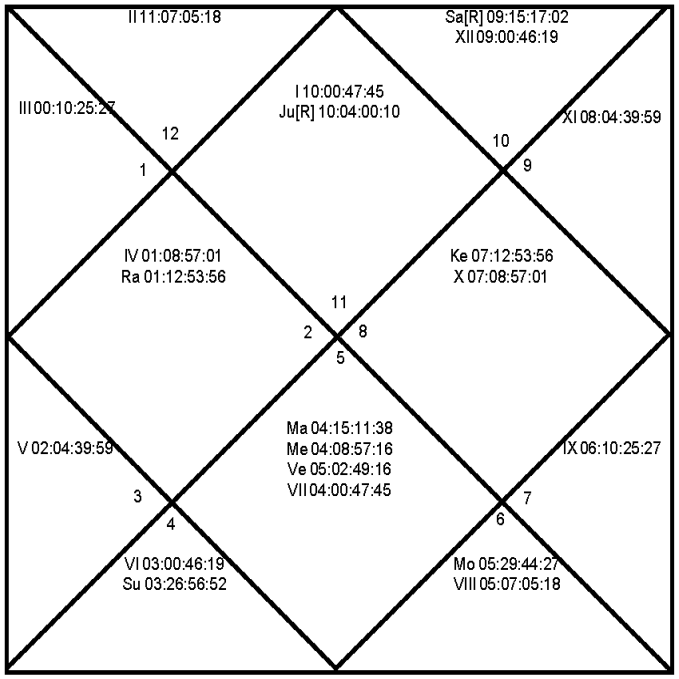

At the time of judgment Mars dasa/ Saturn Bhukti/ Jupiter Antra is running from 08.08.2020 to 01.10.2021. Jupiter is not coming in ruling planets. So, there is no chance of recovery.

Will I be able to get a job in my hometown Kolkata? Currently posted in Guwahati

Address: 339/S/2 Kalipada Mukherjee Road. Kolkata 700008.
Phone: 9903785661; Email: sayantan1@outlook.com

Question: Will I be able to get a job in my hometown Kolkata? Currently posted in Guwahati.
Date: 3 Jan 2021
Time: 12:29:16 PM
Place: Kolkata
Horary No: 207

Rule: If the 3rd CSL is the significator of 3 (change of residence) or 12 (life in a complete new environment) and connected with 10 (profession / service, then one will be able to get a transfer or change his place of work during the Joint period of 3, 10, 12.
OR
If the 10 CSL is the significator of 3 or 12, then one will be able to get a transfer or change his place of work during the Joint period of 3, 10, 12. The question is regarding hometown so 4 should also come along with the above combination.

In this horary horoscope:
3rd CSL is Saturn. Saturn is the owner of 12, occupant of 1. No planet in the star of Saturn and Saturn is the cuspal sub-lord of 1, 3, 7 cusps. Saturn's star lord is Sun occupant of 11. Saturn in sub of Venus occupant of 10 and owners of houses 4-9. Thus Saturn is the significator of 11 and connected with 1,3,4,7,9,10,12. So Saturn is signifying both 3 and 12 connected with 10 along with 4 (hometown).

Ruling planets at the time of judgment.

	Sign	Star	Sub
Asc:	Mars	Ketu	Saturn
Moon:	Sun	Ketu	Jupiter

Day lord: Sun
Punarphoo: No

Current Dasha Ketu (5 March 2016 to 5 March 2023)
Ketu is occupant of 10 and conjoined with Venus occupant of 10 and owners of 4, 9. Ketu is in the star of Mercury occupant of 12 owner of 5-6-8. Ketu is in the sub of Rahu occupant of 4. Rahu is aspected by Jupiter occupant of 12 and owner of 2-11-12. No planet is in the stars of Jupiter, and Jupiter is the cuspal sub-lord of 9th house. Thus Ketu is signifying 10, 12 and 4. Ketu is also in the RPs, thus OK.

Current bhukti is that of Jupiter ending in 27 Jan 2021. The person asked me this question on 3 Jan 2021 thus chances of getting a job in Kolkata is not possible in such a short time.

Next Bhukti Saturn (27 Jan 2021 to 7 March 2022)
Saturn is already discussed above. Saturn is signifying both 3 and 12 connected with 10 along with 4 (hometown) and also in the RPs, thus OK.

Within Saturn Bhukti first comes Saturn Antara not in the RPs twice.
Next Bhukti is Mercury not in the RPs.
Next Bhukti is Ketu (28 May 2021 to 21 June 2021) in the RPs twice. Ketu is also already discussed above signifying 10, 12 and 4, thus OK.

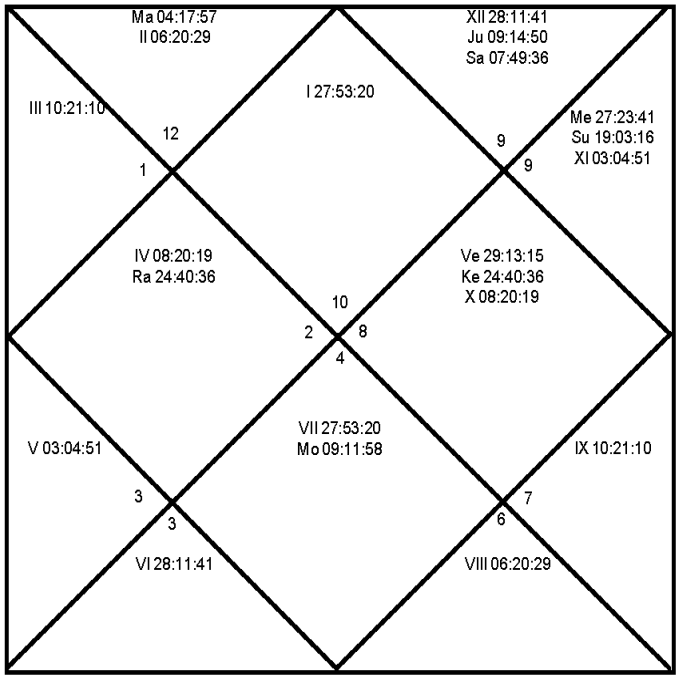

Prediction: During 28 May 2021 to 21 June 2021 chance of shifting to Kolkata, your home

Outcome: This person shifted to Kolkata and joined a new job on around 10 May 2021. But he was supposed to get a laptop from his new office to start his work from home. Due to lockdown and 2nd wave of corona the courier company was unable to deliver his office laptop. He got his laptop after 28 May 2021 and started working officially.

Pranam to my guru Kanak Sir for his assistance and teaching me all the tips and tricks. I am honoured to have a guru like him.

EASY WAY TO LEARN KP HORARY ASTROLOGY

This is my eighth book. I hope it will get the same enthusiastic response that my earlier books.

In this book, I have given 211 examples to illustrate the KP Horary astrology. I am sure readers will not be disappointed. I use 6 fold table instead of popular 4 fold table. Also it is said that retro planet effect in KP horary do not give any result. In this book, I have provided many examples using retro planet effect which give accurate results. For any unknown person, most of KP astrologer use to rotate chart 9th as Ascendant, but I never rotated chart and get very good result.

One of my clients asked me "Sir, I started an independent intermediate and competitive Maths coaching institute in these pandemic conditions of corona virus after losing the private lecturer job. But it is not gainful as I expected, when it was gain to me, please tell me which period the growth will come". I asked him to give the number from 1 to 249, immediately he said 7 (out of 249). I erected the chart with details given below.

DOJ:-13.09.2021, TOJ:- 12.41.00 pm, POJ:- Kurnool (A.P.)

KP rule:
If the 10th (independent business) cuspal sub lord be the significator (in the star of occupant or owner) of 2 (money/wealth), 7 (business with others) or 10 (business), an independent business is promised during the joint period of the significators of 2, 7 & 10. (Ref: Prashna Jyotish by Shri Kanak Bosmia ji, Page No.153).

If the cuspal sub lord of the 7th be the significator (in the star of the occupant or owner) of 2, 10 or 11, gain is promised during the joint period of the significators of 2, 10 and 11.

Let us check the Moon (8 (obstacles and struggles)- 4(education), 5) is in the star of Mercury (6-3, 6(daily attendance)) and in the sub of Ketu (8). Ketu is the agent of Mars (6 (opponent loss and competitions)-1, 8). Here, Mercury indicates the education and mathematics. So, his desire is genuine.

Let us check the 10th CSL Rahu (2) in the star of Moon (8-4, 5). Rahu is the agent of Venus (7 -2, 7) and in the sub of Mars (6-1, 8). So, the 10th CSL Rahu signifies 1-2-4-5-6-7-8. Here the querent's desire is promised.

Let us check the 7th CSL also Rahu, we have discussed above. OK

Next, we check the 11th CSL Saturn (10-11) in the star of Moon (8-4, 5) and in the sub of Rahu (2), Rahu is the agent of Venus (7-2, 7). So, 11th CSL Saturn signifies 2-4-5-7-8-10-11. So, the event is promised.

Let us check the Ruling Planets,
Lagna sublord: Saturn
Lagna starlord: Mercury
Lagna signlord: Mars
Moon sublord: Ketu
Moon starlord: Mercury
Moon signlord: Mars

So, the Ruling Planets are: Sa/Me/Ma/Ke
At the time of judgement Mercury dasa/Ketu bhukti is running from 09.10.2020 to 06.10.2021. Next Mercury dasa/Ketu bhukti/Mercury Antra is running from 16.08.2021 to 06.10.2021
ASTROLOGICAL PREDICTION: During the period of 16.08.2021 to 06.10.2021, he will gain through his tutorials. My sincere pranaams to my KP Guru Shri. VSN. Murthy ji.

Question 1: METRICS in KP Astro 4.6

Sir there is a table of METRICS in KP Astro 4.6. How this table is prepared on the basis of signification of planets. In my study i have seen the prospect of house which gets highest metrics count seems really superb....I have a birth chart in which 10th house gets 5049.10 count and native is posted as Justice in High Court.....similarly I found accurate result.....
Please tell us more about METRICS count incorporated in KP Astro 4.6.

Answer 1:
As you're aware it isn't KP and it's introduced for academic purpose, you can use it on experimental basis since you found it very helpful.

The strength of planets table is generally found to be in line with Vedic shadbala but the signification in strength table is found different form Vedic Bhava bala calculated by Lord's bala, Dig bala, Drig bala etc.

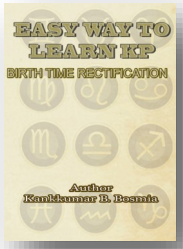

Question 2: Time Cahart
Kindly let me know about the utility and application of Time Chart. Please also intimate the difference between Time Chart and Horary Chart.

Transit chart is used in fixing of timing of event, for instance general transit or Ascendent, Moon, Sun etc transit and in checking whether dasa agrees with transit.

Some are using transit chart in horary analysis, which doesn't take into consideration of qurent's urge. But for proper KP horary analysis, horary chart with horary no 1-249, which reflects the querent's urge, should be used. The transit chart with horary no. reflects astrologer's urge. In combination of urge of both querent and astrologer the accurate result of KP horary is supposed to get.

Question 3: Signification of 3,9,12 houses
What is the result when 10 th cuspal sublord signify 3,9,12 along with dba 3,9,12 house.....?

Answer 3:

Former US Secretary of State Colin Powell dies of Covid

By: Tin Win
Email: tw853@yahoo.com

Short Background
General Colin Powell, former first black U.S. Secretary of State and Chairman of the Joint Chiefs of Staff, passed away early morning of 18 October 2021 due to complications from Covid 19.

In the United States, Mr. Powell, son of Jamaican immigrants, was one of the most prominent black leaders in decades. He held high-ranking positions under three Republican presidents. He was American military hero for his leadership in the Gulf War in January 1991. He was Knighted by Queen Elizabeth in 1993 for his ability in the Gulf War.

Mr. Powell was heavily criticized in February 2003 under President George W. Bush for raising the issue of Iraq at the UN Security Council. Iraqi President Saddam Hussein had been accused of stockpiling the world's most dangerous chemical and biological weapons. Later he admitted that his report to the United Nations contained "wrong intelligence" and left a black mark on his history.

In 2008, he split with the Republican Party and officially backed then-Democratic candidate Barack Obama.

Amid tributes to Colin Powell, former President Donald Trump criticized the late Colin Powell for his role in launching the Iraq War and being a "classic RINO."

KP Death Inflicting Houses Verified by 100 AA-rated Death Charts

The KP '*main*' death inflicting houses of badhaka, maraka and moksha houses are found effective in charts of around 63% and above, higher than around 56% to 61% charts of '*supporting*' houses, as shown in the above table. Thus the KP death inflicting houses are generally found effective by this study of 100 dead charts.

The most commonly accepted maraka houses (2,7) and moksha house (12) of *Brihat Parashara Hora Shastra* are found effective at around 63% and above level. And the badhaka houses (11 or 9 or 7) of *Jataka Parijata* and *Prasna Marga* are also found effective at 63% level. The 6,8 maraka houses of *Bhavartha Ratnakara* are found effective as *supporting* death inflicting signifcitors only.

The malefic 3,6,8 and 11 houses for health of *Jataka Chandrika* are also found effective as s*upporting* death inflicting houses only, with house 11 only with significant appearance in 62% charts, out of them only 1/3 being badhaka.

Thus, in fixing timing of death, a proper caution should be taken in considering house 11 as one of *life saving* or *cure giving* houses 1,5 and 11, when it is not badhaka.

Dasa Analysis of Powell's Death

At the time of Collin Powell's death on 18 October 2021, the joint period of Ketu dasa, Sun bhukti, Sun Antra and Venus sookshma signifies the most deadly Badhaka at all four levels of DBAS and transit agrees with dasa to confirm end of his life.

Dasa lord Ketu is in 8, aspected Jupiter+ in 3 lord of 5 and Saturn in 4 lord of 3,4. Ketu is in Taurus sign representing Venus+ in 6 lord of 1,8,12. No planet is in the star of Venus, and Venus is the CSL of 5,11,12. Ketu is in the star of Mars in 1 lord of 2,6,7 and sub of Rahu in 2. Having no planet in its stars, Rahu is the CSL of 2,3,8,10.

Bhukti and Antra lord Sun is in 5 lord of 10, in the star of Mercury in 6 lord of 11 and sub of Moon in 3 lord of 9.

Sookshma lord Venus+ is in 6 lord of 1,8,12, in the star of Ketu in 8 and sub of Saturn in 4 lord of 3,4. Having no planet in its stars, Venus is the CSL of 5,11,12.

Dasa lord Rahu signifies main death inflicting houses of badhaka 11, maraka 2-7 and moksha 12, and also supporting death inflicting houses of 6 (disease), 8 (serious disease, danger to life), 3 (8th to 8), 4 (end of everything/ death) and 10 (retirement from this world/ death). Bhukti and Antra lord Sun signifies death inflicting 11,6,10,3. Sookshma lord Venus signifies death inflicting 11,12,6,8,4,3.

Transit Analysis at the Time of Death (early morning, 18 October 2021)

Dasa lord Rahu transits in the star of Sun (10) and sub of Venus (6,8,11,12).

Bhukti and Antra lord Sun transits in the star of Mars (2,6,7) and sub of Mercury (6,11).

Sookshma lord Venus transits in the star and sub of Mercury (6,11).

Moon transits in the star of Saturn (3,4) and sub of Mercury (6,11).

As the DBAS lords and luminaries transit in the star and sub of DBAS lords or planets of death inflicting houses, transit agrees with dasa.

In addition transit Saturn on natal Moon aspects natal Sun and Saturn.

Transit Mars in 12 aspects natal Sun and Saturn in 6, Lagna lord Venus and Uranus of sudden effect in 7.

Transit Rahu/ Ketu is back on Ketu/Rahu on 8/2 axis and natal Mars in 2.

Believer of Kala Sarpa dosha, not seen in the scriptures, may say that this dosha is back in transit blocking all other planets in one side.

May his soul rest in peace!

Question: I have chance for an interview in company name Assencher on 25-08-2021; will I be selected?
Number: 134 (out of 249);
Date of Judgment: 18-08-2021, Wednesday; **Time of Judgment:** 13:21:24 PM IST
Place of Judgment: Kankariya-Ahmedabad Long/Lat: 23^0 N 00'; 72^0 E 36'
Ayanamsha 24^0.04'.08"

Hints
Cusp 3rd indicates interview, discussion, and meeting. 7th indicate a person whom we have meet, from 7th 3rd is 9th so meeting with other person indicates by 9th cusp. In short for interview we have to consider 3rd and 9th cusp.

For meeting to take place or not, which means querent's desire fulfill or not, we have to consider 11th cusp. If 11th cusp sub lord or its starlord are in direct motion then only a meeting is possible.

If the cuspal sub lord of the 11th be the significator of 3 (Meeting, Interview), 9(meeting with person) or 11(Gain, Success, fulfill of desire), then a meeting is possible.

Meeting is for project/job, so for that purpose we need to check 6th cusp sublord. If the cuspal sub lord of the 6th be the significator of 6-11 then meeting for project/job is successful during the joint period of the significators of 6-11.

Cusp 11th (Leo 17^0.54'.23"): The sub lord of the 11th cusp is Mars. Mars is in the star of Venus and sub of Rahu. Mars is occupant of 11, owner of 2-7. Star lord Venus is occupant of 11, owner of 1-8. Sub lord Rahu is occupant of 8. No planet is in the star of Rahu and Rahu is CSL of 2-8. Thus 11th cusp sub lord Mars signifies 11-2-7-1-8. Hence querent will be selected in interview for project/training/job.

Cusp 6th (Pisces 17^0.55'.13"): The sub lord of the 6th cusp is Mercury. Mercury is in the star of Venus and sub of Mars. Mercury is occupant of 11, owner of 9-12. No planet is in the star of Mercury and Mercury is CSL of 6-9-12. Star lord Venus is occupant of 11, owner of 1-8. Sub lord Mars is occupant of 11, owner of 2-7. Thus 6th cusp sub lord Mercury signifies 11-9-12-6-1-8-2-7. Hence querent will be selected in interview for Project/Training/Job.

Whether my son will be in a position to clear the IIT examination scheduled to be held in Jan 2021?

An inquisitive mother has furnished a horary number 183 on 31-10-2019 during the evening hours seeking my reply for her query on her first son about the successful completion of his competitive examination of IIT Mains which would be taking place in Jan 2021.
Since I was otherwise busy, I erected the horary chart on 01 Nov 2019 @07-38-08 A.M at my place, for her Horary No. 183.
The query is "Whether my son will be in a position to clear the IIT examination scheduled to be held in Jan 2021?".
As the query pertains to her first son the chart is rotated for her 5th cusp of the horary chart.

Moon speaks of her mind

As per the original horary chart, Moon is the lord of 8 is on the 4th cusp. Star lord Ketu is on 12th. 8th indicates her tensions, apprehensions and worry over her son's success in the competitive examinations. 12th indicates loss of attempts. Moon is conjoined with Ketu-tensions, and Saturn- delay and disappointment. The conjunction of Saturn with the moon gives rise to Punarhphoo dosha cause a delay in success. The ascendant sub lord is Saturn lord of 10 is placed in 8th cusp cause delay and disappointment.

Whether her desire will be fulfilled or not?

(As per the original horary chart) 11th cusp indicates fulfilment of her desires. And its sub lord is Rahu which co-rules 3rd cusp also. Rahu is placed in the 6th-competitive examination. Rahu is the star of Rahu in 6th and the sub of Venus lord of 5,6,10 in 11th. Here 6 and 11 indicate the promise of success and 5 indicates her first son. Rahu represents Mercury lord of 7 and 10 in 12, Moon lord of 8th in 12, and Saturn lord of 2in 12. Rahu signifies 10,12,8 through its representatives also indicates negativity in the fulfilment of her desire for the success of her son.

KP rule on competitive examinations says "if the 4th cusp sub lord signifies 4-education, 9-higher education, 6- competitive examinations, 11- success in the competitive examinations, during the conjoined period of the significations of 4-6-9-11 houses.

As per the rotated chart for her first son

4th cusp (Cancer) sub-lord is Jupiter+. No planets are placed in Jupiter stars and co-rules 5 & 10 cusps. Jupiter is the lord of 9 & 11 is on the 8th cusp. It is placed the star of Mercury lord of 3 & 5 is in 7 and the sub lord of Saturn lord of 10is in 8th (but within the orb of 3 degrees to 9th). Thus the 4th cusp sub lord Jupiter+ signifies @STL-3-5-7-8-9-11 and @SBL- 8-10.

Here the 4th cusp sub lord Jupiter+ strongly signifies 9 and 11-indicating promise at its star lord level and @its sub lord –decider of the fate of event- signifies 8-10 indicates breaks in the attempt, along with 3-(negative to 4), 8-(breaks, disappointments), and 5-(negative to 6th-competition), and 10- negative to 11th success in his attempt.

Apart from this Jupiter is the lord of a dual sign, is the star of a dual planet-Mercury-(3-5-7) indicates duality in his attempts that is to say more than one attempt for passing in the competitive examinations.
Note- in the ruling at the time of judgment (on01-11-2019 @ 07-38-08 A.M—the Lagna sub-lord is Rahu and Moon sub lord is also Rahu. Rahu is placed in a dual sign-Gemini- whose lord is Mercury- a dual planet indicates more than one attempt for his success in competitive

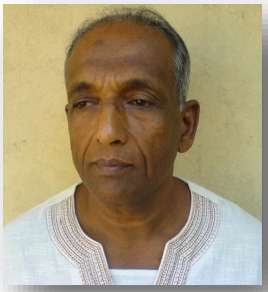

examinations.

Because of what is stated above, I feel that her desire for her son's success is remote in the Jan 2021 attempt of IIT examinations.

Facts of the case—I am informed that as predicted the candidate did not succeed in his attempt.

ELOPE - A Case Study

The persistence of a family life depends upon the credulous thoughts and acts of the couple, the husband and wife. In case of their push-pull behavior with no peace in the family, it is impossible to block a creeping of a third person to their nest. It may be a male or female. This is the reality of the present social system. This story is about a childless family with such a loose bearing.

Once a college mate of my son came to my place and had a discussion with my son for more than 4 hours. In the night my son told me that the wife of his friend had eloped with a close family friend and vanished. After sometimes I asked for the horoscopes of the both for an investigation to know the planetary reasons for such end. Let's discuss the charts.

Birth Detail of Husband:
Name: Husband, Gender: Male, Date: Saturday, 05/Apr/1975, Time: 09:32:30 PM, SID: 10:16:14, Place: Wathupitiwela, Western, Sri Lanka, Lat: 07:07:00 N, Lon: 80:06:00 E, Ayanamsa: 23° 25' 17", Star: Sravana, Pada 2, Lagna:Scorpio, Bal. Dasa: Moon 5 Y, 8 M, 22 D.

7th Cusp
The 7th cusp is under the co-rule of Venus - Sun - Venus. Sign and Sub lord Venus is the lord of 7 and 12 deposited in 6, that is in the star and sub of Sun, the lord of 10 (12th to 11: detrimental house for 11th house matters) in 5 (love affairs), in the sign of Pisces (a dual sign). No planet is in the stars of Venus and hence it is a stronger significator for Lagna and 7 house. Accordingly, Venus+ is a significator for 5, 7, 1 (12th to 2 = decrease in the number of the family members by separation or divorce), 6 (no more legal bondage), 10 (no more permanent relation), 12 (separation).

The 7th house is occupied by Kethu+, a significator of 3, 7, & 9. House 3 (12th /Vyaya to 4 (place of residence) i.e. going away from residence to be separated.) 7 (marriage) & 9 (3rd to 7, i.e. partner going away (elope) from residence to be separated). Ultimately 7th cusp sub Venus+ indicates all the above matters in connection with the marriage of this couple.

How is the Permanent tie of the couple?
Permanent relationship till the end of the life of individual is seen from the 11th cusp. In this chart 11th cusp is located in a dual sign Virgo owned by Mercury. The star and sub lord of 11th cusp is Moon, the lord of 9 in 3, indicating the partner's parting and separation. The Moon is in its own star in the 3rd and hence, it is a strong significator for 3rd house matters, here it is 9th from 7th, breaching the faith of 11 house matters and going away. The sub lord of Moon is Saturn the lord of 3 & 4 in 8, in the sign of Gemini, a dual sign and also, in connection with married life, 8th denotes disharmony or quarrel among the couple and finally as 2nd (Maraka to 7 leads to end/ death of 7th house matter- marriage.)

The 11th sub lord Moon totally indicates his helplessness with regard to the happy married life by signifying 3, 9, 4, 8. Accordingly, it is clear that the native has no chance to quiet in the lap of his wife forever.

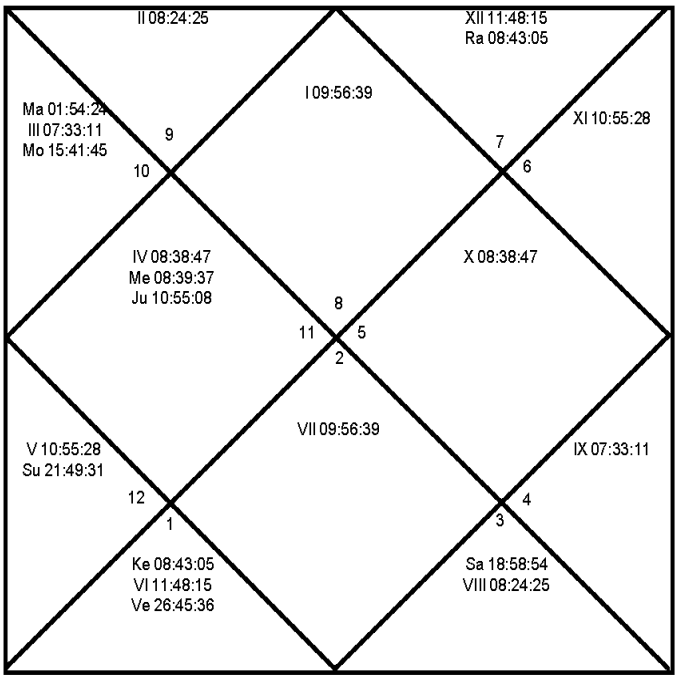

See how formidable is his bad Karma? Venus, the Kalathrkaraka happened to be the decider of his marriage (7) and at the same time it appeared as a planet of destructive (6 & 12) of

marriage. Moreover, it is in the star and sub of a planet who is in the dual sign Pieces and connected with Mercury and Jupiter, two branded planets of sabotage the marriage. Also, Venus is connected with the four corners of the chart which all are corresponding duality.
Let's see the effects of the significations and connections of Venus+.

(A) Being the Lagna sub lord

1. 6, 8, 12 = Ill health
2. 6, 8, 12 and 2 (Maraka), 7 (Maraka), 9 (Badhaka) = Short life up to 33 Y.
3. 1, 5, 11 = Cure diseases/Recovery/Escape from accident or danger. Still, he is living by bypassing the above 1 & 2.

(B) Being the sub lord of 7.

1. 2 = Increase in the number of the members of the family by marriage
2. 7 = Legal bondage by marriage as husband and wife
3. 11 = Permanent tie of friendship with partner in life
4. 1 = 12th to 2, i.e., Decrease of Family members
5. 6 = 12th to 7, i.e. No more legal bondage
6. 10 = 12th to 11, i.e. No more permanent tie of friendship with partner
7. 5 Sign Pisces = House of duality (RE: Rule for Multi Marriage - The sub-lord of the 7th cusp **or** its Star lord is deposited in a dual sign)
8. 8 = Disharmony or quarrel, finally as 2nd /Maraka to 7 leads to end/ death of 7th matter
9. 12 = Separation
10. 3 (By way of Kethu+) = 12th /Vyaya to 4 (place of residence) i.e. going away from residence to be separated
11. 9 (By way of Kethu+) = 3rd to 7, i.e. partner going away from residence to be separated

(C) Group Significations

1. 5, 6, 7, 12 = After the love marriage, separation between husband and wife.
2. 6, 9 = Separation is caused by **wife running** away.
3. 1, 6, 10 = Separation will surely happen and then it may lead to divorce

Progeny of the husband

The 11th cusp sub lord is Moon. It is in its own star and sub of Saturn. The Moon is posited in the BARREN sign Capricorn, owned by sub lord Saturn, a BARREN planet, in the sign Gemini, a BARREN house. Moon doesn't signify any of the 2, 5, 11. Hence the native had not chance to be a father.

More reasons observed on childlessness

(a) Kaama Trikona

House of Sense: Kethu+, a mitigation and abortive planet is the sub lord of 3. It is in the star and sub of Moon, the lord of 9 placed in 3rd, in the sign Capricorn, a BARREN sign, owned by Saturn, a restriction & BARREN planet indicate weak organs of sense.

(b) House of Secret Organ: 7th house sub lord is Venus, the lord of 7 & 12 in 6, in the star and sub of Sun. Sun is the lord of 10 (12th to 11) and deposited in the 5th, Pisces sign, which is not a sex-oriented house. Also, the placement of Sun (Fiery) in Pisces (watery) is similar to put a red-hot iron into the water. Hence it seems the male organ Penis is weak and unable to satisfy the wife.

(c) Fulfillment of desire: The sub lord of the 11th house is Moon. It is the lord of 9 in 3. As in (a) above Moon is not a benefic for the desires.
As such his Kaama Trikona or Axis of desires, 3, 7 & 11 are not strong enough.

7th cusp ub Lord Jupiter+ is the lord of 2,11,12 and in 3rd house and also in conjunction with the 4th cusp (within the orb of 3.20). Jupiter is in the star of Sun in 1 (Lagna) and in sub of own. In addition Jupiter+ is the cuspal sub lord for 1 & 8 as a strong significator for those houses, having no planets in its stars.

The 11th cusp sub lord Venus+ is the lord of 4, 9 and deposited in 2. It is in the star of Mercury and sub of Saturn+. Mercury is the lord of 5, 6, 8 and in 1. Saturn is the lord of 1 (Lagna) and occupant of 6. It is doubly connected with above said Mercury, being the star and sub lord. 11th sub Venus+ too connected with more harmful houses than to peaceful houses of marriage life.

Significations and their effects of 7th cusp sub lord Jupiter+ (Wife's chart)

- 1 = 12th to 2, i.e., Decrease of Family members
- 2 = Increase in the number of the members of the family by marriage
- 3 = 12th /Vyaya to 4 (place of residence) i.e., going away from residence to be separated
- 4 = 12th to 5 (Love affairs /Love marriage)
- 5 = Love affairs /Love marriage
- 6 = 12th to 7, i.e., separation from partner/No more Legal bondage
- 7 = Legal bondage by marriage as husband and wife
- 8 = Disharmony or quarrel, finally as 2nd /Maraka to 7 leads to end/ death of 7th matter
- 9 = 3rd to 7, i.e., partner going away from residence to be separated
- 10 = 12th to 11, i.e., No more permanent tie of friendship with partner
- 11 = permanent tie of friendship with life partner
- 12 = Separation

Group Significations

- 2,7,11 = Eligibility of marriage
- 1,6,10 = Separation is sure leading to divorce
- 5,9,12,3 = Love affair take place and **elope** from the house.

Progeny of the wife

The 5th cuspal sub lord is Mercury. It is in the star of Rahu and sub of Jupiter+. By being the owner of two BARREN signs and BARREN planet, Sub Mercury, is the lord of 5, 6 & 8 in 1. (Lagna Capricorn is a BARREN sign and Lagna cusp is extended up to Aquarius due to interception, where Mercury is deposited. Hence Mercury is connected with another BARREN planet Saturn+ (Retro). Mercury is in the star of Rahu and in the sub of Jupiter+. Rahu is a significator for 12, 9, 3, 10 and represents Venus. Jupiter+ is the lord of 2, 11 & 12 in 4. House 1, 7 & 8 are under the sub lordship of Jupiter+ and it is a powerful significator for those houses, with no planets in its stars. One can say that the native is supposed to be a mother with 2 & 11 significations of Puthrakaraka Jupiter+. But being a planet with no planets in its stars, Jupiter is stronger for the houses where it is the sub lord, than to his ownership. Therefore, I have to conclude that this lady doesn't have the chance to be a mother.

Now let's see the important dates of their union and break away.

Outcome: All the cusp sub lords for 2,7,11 are connected with 6 (separation due partner going away/no more legal bondage), 10 (no more permanent tie of friendship with partner), 12 (separation), 8 (disharmony/quarrel leading to end of marriage). The 7th cusp sub lord (wife) by being in the sign and sub of Saturn, signifying 5, 9, 12, 3 for her Elope.

Outcome: All the natal sub lords of 2,7,11 (Ra, Ju, Ve) were transiting in the sub of Saturn that is a most ominous significator on the said date. In the natal chart the 7th cusp sub lord Jupiter is in its own star. On the date of elope, this Jupiter is in its own star and aspected by Mercury that signifies 12,12,5,10,6,9. As a result 7th cusp sub lord Jupiter happened to be a significator of 3,12,6,12,12,5,10,6,9. Here 5,9,12,3 signification of 7th sub lord Jupiter on the date of elope, exactly indicate her **ELOPE** by completing the KP rule.

All the KP rules, in connection with the Marriage, Separation, Elope and Divorce are agreed with the times and incidents, in this study. Also, I had a chance to pass one more step in my astrological ambition, How? & Why? by completing a full and deep study in this connection.

My bow down headed Pranam to Honorable Sri KSK Guru ji, who invented these unbreakable and unshakable concrete rules for the well-being of the people and my KP Guru Sri Tin Win ji, who cleared and guided my road to KP. Also, same Pranam of mine to Sri Kanak Bosmia ji, the editor of KPEZine for his kindness in making room for me to present in the magazine as an author.

Question: I just completed an astrology course and I am currently doing facebook live. When will I be able to earn from astrology or get clients?

Rule: If the 1st CSL is the significator of 9, 12 one gets mastery in astrology.
If 10 CSL is the significator of 2, 9, 10, 11, then one will be able to earn from astrology during joint period of significators of 2, 9, 10, 11.

In this horary chart-:
1st cuspal sub-lord is Ketu, occupant of 7. No planet is in the stars of Ketu and Ketu is the cuspal sub-lord of 1, 12 cusps. Ketu represents Mars occupant of 5 and owners of 7-12. Ketu is in the star of Saturn occupant of 9 and owner of 10-11. Ketu is in the sub of Sun occupant of 5 and owner of 5. No planet is in the stars of Sun and Sun is the cuspal sub-lord of 8th cusp. Thus Ketu is connected with 9 and 12, so mastery in astrology is promised.

10th cuspal sub-lord Mars is occupant of 5 and owner of 7-12. Mars is in the star of Moon occupant of 1 and owner of 4. Mars is in the sub of Jupiter occupant of 10 and owner of 8-9. Thus the 10th cuspal sub-lord is connected with 9,10, so earning from astrology is also promised.

Ruling planets are-:

	Sign	Star	Sub
Asc:	Venus	Mars(Ketu)	Mars(Ketu)
Moon:	Venus	Mars(Ketu)	Rahu

Daylord: Moon

6 Fold Significators-:

2				Me, Ve		Me
9	Ju	Ke	Sa	Ma	Ve	Ju
10	Ma	Ve	Ju	Ju	Ke	Sa
11				Ju	Ke	Sa

Rahu is conjoined with Moon, aspected by Jupiter. Ketu in sign of Mars.

Current Dasha running is Mars (3 Sept 2020 to 3 Sept 2027).
Mars is a common planet between RPs and 6 fold significators, thus OK.

Current Bhukti running is Rahu (31 Jan 2021 to 18 Feb 2022.
Rahu aspected by Jupiter. Jupiter is a common planet between RPs and 6 fold, thus OK.

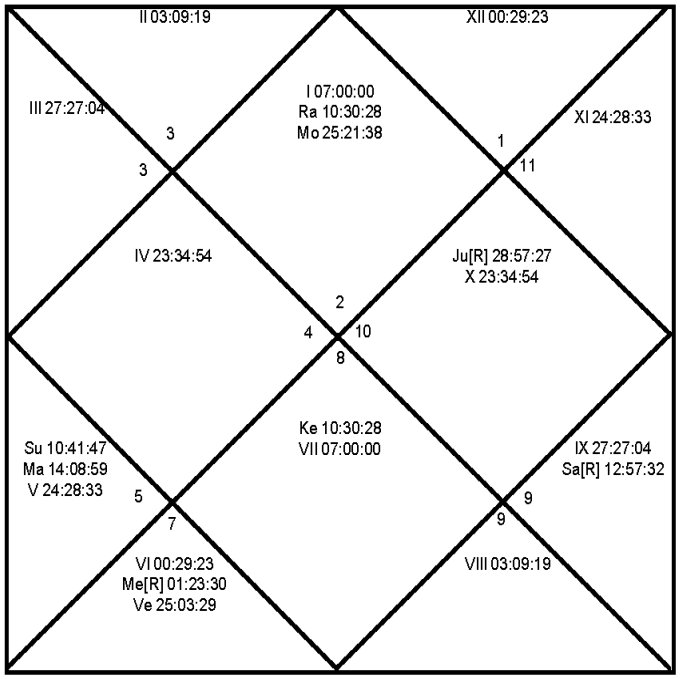

Current Antara running is Ketu (11 Sept 2021 to 4 Oct 2021)

EASY WAY TO LEARN KP HORARY ASTROLOGY

This is my eighth book. I hope it will get the same enthusiastic response that my earlier books.

In this book, I have given 211 examples to illustrate the KP Horary astrology. I am sure readers will not be disappointed. I use 6 fold table instead of popular 4 fold table. Also it is said that retro planet effect in KP horary do not give any result. In this book, I have provided many examples using retro planet effect which give accurate results. For any unknown person, most of KP astrologer use to rotate chart 9th as Ascendant, but I never rotated chart and get very good result.

KP Rule
Consider the houses 4, 9 and 11 for education. 4th is the main house of education. It denotes preparation for examinations, academic qualifications and regular attendance in school or college. 9th is for deep study and higher education. 11th is for fulfillment of desire and thus indicates success in education. 6th house shows competitive examination. It is 12th from 7th that is loss to others and gain to querrant.

Consider the houses 3, 5 and 8 for completion of education (being 12th from 4, 6 and 9 respectively). Mercury and Jupiter are chief governors of education. 12th house indicates loss of any nature. 8th house denotes hindrances, difficulties, obstacles. 10th house is for achieving power and position in the society. 11th is for success in achieving desirable position.

Date: 28 Sept 2021
Time: 10.23 am
Place: Kolkata, West bengal
KP horary no: 24

Is there any chance of child birth to me, If so, when?

One of my clients asked me "Sir 5 years ago my marriage was done, but we had no children. I consult many doctors for the progeny, but there is no result. Please tell me sir, Is there any chance of getting child for me, If so, when…?" I asked immediately to give the number of horary no from 1 to 249. He gave me the number 54. I erected the chart, the details given below.

DOJ:- 28.02.2021, TOJ:- 10.55.57 am, POJ:- Kurnool

KP Rule:
If the cuspal sub lord of 5th cusp (female) or the 11th cusp (male) be the significator (in the star of the occupant or owner) of 2 (increase in family), 5 (conception, child) or 11 (5th from 7) or connected with 2, 5 or 11, child birth is promised.
If it is the significator of 1, 4 or 10 (being 12th from 2, 5 & 11) child birth is not promised during the joint period of significators of 2, 5 & 11.
Sun, Mars and Jupiter are male planets and Moon, Venus & Rahu are female planets. Mercury and Ketu are neuter gender. Odd number sign indicates male and even number sign indicates female. However, it is most difficult to predict child gender. (Prashna Jyotish by Kanak Bosmia ji page no.268).

Let us check the Moon (3-2) in the star of Sun (9-3 (5th from 11 is 3)) and in the sub of Moon (3-2). The querent's desire was genuine.

First, we check the 11th cusp sub lord as the querent is male.
Let us check the 11th CSL Sun (9-3) in the star of Rahu (12) conjoined with Mars (11-11, 6). Rahu is posited in Taurus and the agent of Venus (8-12, 5). Sun is in the sub of Venus (8-12, 5). So, 11th CSL signifies 3-5-8-9-11-12. Here, Venus the progeny planet indicates both good (5) and evil (8, 12) houses, so with some difficulties getting the child is promised.

Next, we examine the 2nd CSL for adding family members. Here 2nd CSL Rahu (12) is conjoined with Mars (11-11,6) and the agent of Venus (8-12,5). Rahu is in the star of Moon (3-2) and in the sub of Venus (8-12,5). So, 2nd CSL Rahu signifies 2-3-5-6-8-11-12, so the child birth is promised.

Let us observe 5th CSL Venus (8-12, 5) in the star of Rahu (12) conjoined with Mars (11-11,6) and the agent of Venus (8-12,5). Venus is in the sub of Jupiter (8-7, 10). Here 5th CSL Venus signifies 5-6-7-8-10-11-12. The 5th CSL Venus has no planet in her stars and so it indicates 5 strongly, promises the child birth.

Note: 11th, 2nd and 5th cusps are indicating the promise of child birth, but delay due to the bad effects by evil houses 8 and 12. The querent also says that his wife had 2 abortions also.

Let us check the 6-fold significators of 2-5-11

House	A	B	C	D	E	F
2nd House	-	-	-	Mo	Me, Ju, Sa, Ra	Mo
5th House	-	-	-	Su, Ju, Ra	-	Ve
11th House	-	-	Ma	-	-	Ma

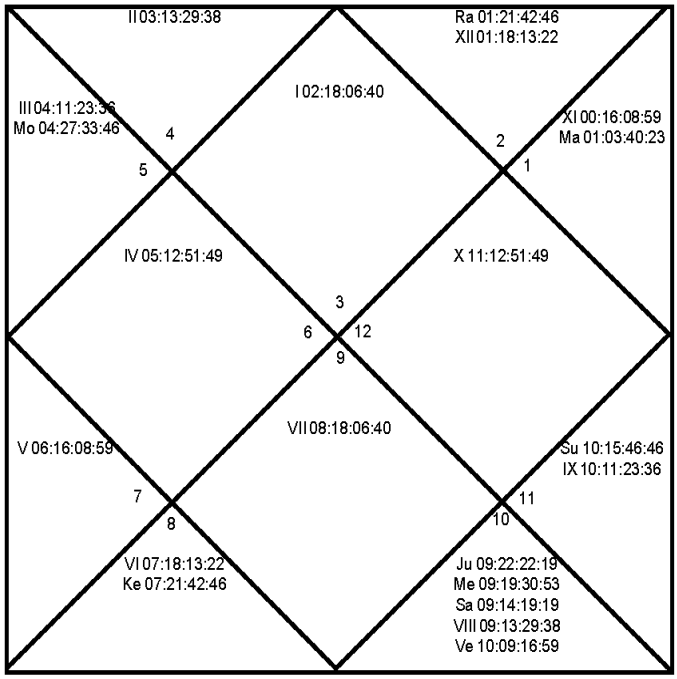

Let us check the Ruling Planets:-

Rahu is the agent of Venus, so we take it as a Ruling Planet.
So, the common planets between 6-fold significators and Ruling Planets are Sun, Moon, Venus, Jupiter and Rahu.

At the time of judgement Sun dasa is running from 05.10.2020 to 05.10.2026.
Next, Rahu Bhukti is running from 29.11.2021 to 24.10.2024.
Next, Jupiter Antra is running from 07.12.2021 to 13. 12.2021.
Dasa lord Sun, Bhukti lord Rahu and Antra lord Jupiter are reflected in common planets.

Astrological prediction: During the period of 07.12.2021 to 13.12.2021 he will be blessed with child. He messaged me on 17.09.2021 to my mobile that his wife is conceived 3 months ago and says sorry for giving late message.

My sincere pranaams to my KP Guru Shri. VSN. Murthy ji. Special thanks to Kanak Bosmia ji for enlightening KP system to spread all over the world, Dhanyavaad.

Will my Australian visa get extension?

By: Akanksha Taparia
328. Roop Nagar II, Behind Saai Dham Mandir
Jodhpur Rajasthan: email-akankshataparia@yahoo.co.in

One of my known friends asked me "Will I ever reach to Australia due to personal reasons or covid or flight situation? Will my visa get extension?

Rule:
3rd cuspal sub lord should be the significator of 3th and 11th houses for confirmation of documentary process and also for fulfillment of desire.

Date: 17th July 2021
Time: 5:03:15PM
Place: Jodhpur, Rajasthan
Horary No: 174/ 249

Cusp Analysis
3rd (visa document) cuspal sub lord (CSL) is Mars in 8 lord of 5,12, in the star of Mercury in 7 lord of 7,10 and sub of Saturn in 2 lord of 2,3. Mars signifies required 3, along with negative 2,10 to 3,11 houses and 8,12 for hurdles and failure.

11th (fulfillment of desire) CSL Jupiter is in 2 lord of 1,4, in the star and sub of Rahu in 6, in Taurus sign representing Venus+ in 8 lord of 6,11. Jupiter signifies required 11, along with negative 2 and strong 8 for hurdles.

Dasa Analysis
I need to focus on the month of November 2021 as the visa is going to expire soon and he should leave India if visa will not be extended.
Joint period of Mars dasa and Ketu bhukti is up to 1st January 2022.

Dasa lord Mars, as explained above, signifies required 3, along with negative 2,10 houses and 8,12 for hurdles and failure.

Bhukti lord Ketu is in 12, in Scorpio sign representing Mars in 8 lord of 5,12. Ketu is in the star of Saturn in 2 lord of 2,3 and sub of Rahu in 6, in Taurus sign representing Venus+ in 8 lord of 6,11. Ketu signifies required 3,11 houses, along with 8,12 for hurdles and failure.

Conclusion:
Due to signification of negative and hurdle and failure houses in both cusoal analusis and dasa analysis, I was very much doubtful about the continuity of visa and had informed her about my analysis.

Result:
She left her job in Australia and started to look for job and settle in Bangalore, India.

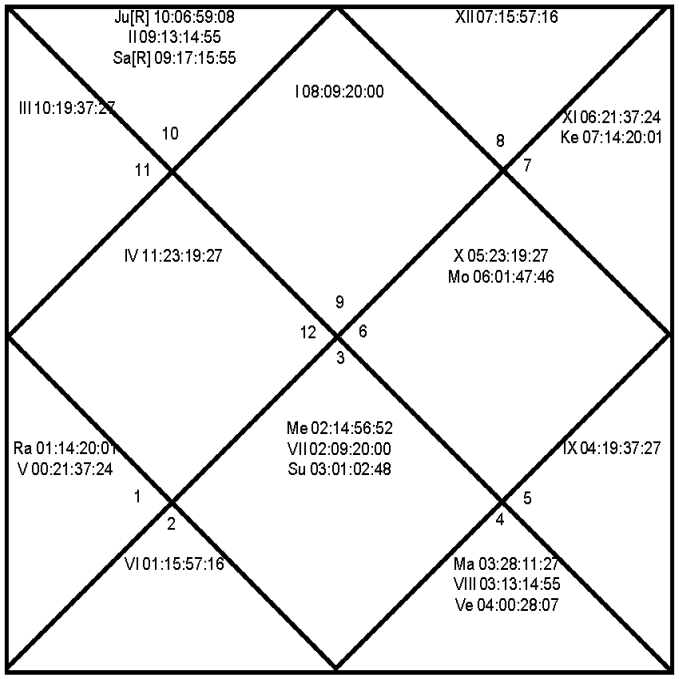

Here with I lay my article at the lotus feet of Lord Ganapthi and Shri KSK ji.

One of the dear friends of mine just asked me about the IPl match no. 52 that had been playing between Sunrisers Hyderabad and Royal Challengers Bangalore.
He asked me whether Sunrisers Hyderabad will win the Royal Challengers Bangalore.

Then I asked a number from 1 to 249 and he gave me 8. All the horary chart details are below:
Query: Will Sunrisers Hyderabad win the match against Royal Challengers Bangalore?
Horary No: 8 out of 249
Date of Judgement : 06/10/2021
Time of Judgement : 9:3:48 AM
Place : Berhait (Jharkhand) **LAT** -24 N 53'0" LON 87 E 37' 0"

Hints:
In cases of competition and contest between two rival teams in cricket match etc., if the cuspal sub lord of the 11th (success) and that of the 6th (defeat to the rival) occupy the house 1, 2, 3, 6, 10 or 11 and be in the star of the occupants of the house 1, 2, 3, 6, 10 or 11, the team under query will win the cricket match. Final result will depend on the sub lord of planet.
Additionally, I also consider 10th Cusp. Because when a team wins the match, they get name-fame, winning award/prize and money. So If the cuspal sub lord of 10th house occupies 2, 6, 10, 11 and be in the star of occupants of the house 2, 6, 10, 11, the team under the query will get name-fame and winning prize award/money. Final result will depend on the sub lord of the planet.

Genuineness of the Query:
Moon:
In this horary map Moon occupies 6 (12th from 7th loss of opponent and win for self) and owns 5 (sports, entertainment). Sub lord Jupiter is posited in 11th house. Thus Moon indicates the question is related to cricket match competition.

Sunrises Hyderabad
11th Cusp (Capricorn 26° 24'.28"): The sub lord of 11th cusp is Jupiter, in the star of Mars and sub of Saturn. Jupiter is untalented and occupies 11, lord of 9, 10. Star lord Mars is posited in 6 and lord of 1, 8. Sub lord Saturn is occupant of 10 and lord 11, 12.

So Sunrisers Hyderabad's 11th cusp sub lord Jupiter is the significator of 6, 1, 11, 8, 9, 10 .Hence It is favourable to the Sunrisers Hyderabad.

6th Cusp (Leo 29° 53'.39") and 10th Cusp (Sagittarius 29° 16'.56"): The sub lord of the 6th and 10th cusp Rahu is in 2, in Taurus sign, representing Venus occupant of 7 lord of 2, 7. Rahu is aspected by Venus occupant of 7 lord of 2, 7 and Jupiter occupant of 11 lord of 9, 10. Rahu is in the star and sub of Moon occupant of 6, lord of 5. So, Sunrises Hyderabad's 6th cusp and 10th cusp sub lord Rahu is the significator of 6 and is connected with 11, 9, 2. Hence it is advantageous to the Sunrisers Hyderabad.

Let rotate the chart with 7th Cusp for Royal Challengers Bangalore.

Royal Challengers Bangalore
11th Cusp (Cancer 26° 24'.28"): The sub lord of 11th cusp Jupiter ®. No planet is in the star of Jupiter. Jupiter is in the star of Mars and sub of Sat®. Jupiter occupies 5 and lord of 3, 4. Star lord Mars occupies 12 and lord of 2, 7. Sub lord Saturn occupies 4 and lord of 5, 6. So, Royal Challengers Bangalore's 11th cusp sub lord Jupiter® is the significator of 12, 5, 4, 2, 3, 6. Hence it is unfavourable to the Royal Challengers Bangalore.

6th Cusp (Aquarius 29°53'.39") : The sub lord of 6th cusp is Moon, in the own star and in the Sub of Jupiter®. Moon occupies 12 and lord of 11. Sub lord Jupiter occupies 5 and lord 3, 4. So Royal Chal-

lengers Bangalore's 6th cusp sub lord Moon is the significator of 12, 5, 4, 11, 3. Hence it is disadvantageous to the Royal Challengers Bangalore.

10th Cusp (Gemini 29° 16'.56") : The Sub lord of 10th cusp is Sun in the star of Moon and sub of Mercury. Sun occupies 12 and star Moon also occupies 12 and lord of 11. Sub lord Mercury also occupies 12 and lord of 9-10. So Royal Challengers Bangalore's 10th cusp sub lord Sun is the significator of 12 , 9, 10, 11. Hence it is favourable for getting name-fame and winning prize money.

In the view of the above analysis both teams' results indicate that Sunrisers Hyderabad is more stronger than Royal Challengers Bangalore. So Sunrisers Hyderabad wil win the match against Royal Challengers Bangalore.

Actual Outcome : In fact Sunrisers Hyderabad won the match by 4 Runs.

At the End of this article, I would like to convey my Pranam and Regards to Lord Shiva and to Our great Guruji Late K.S.Krishnamurti Ji. I would also like to convey My pranam and regards to Respected Kanak Bosmia Sir .

Male child or female child?

BY: Sumeit Shastri
Practicing KP astrologer.

Mobile : 08309234634, Email: sumit.d.mail@gmail.com

On 5th August 202 I was discussing with one of my close relatives Seha Ahmed Gupta whether she will have male child or female child. I was more inclined to female child but she wanted a male child as per her mother last wish on 18-Feb-2021. And she also wants to deliver the child in normal process, not in cesarean process. She asked me to cast a KP horary chart and gave me horary number 12, dated 5-Aug-2021 and time 12:21:40 PM, Place Kolkata (Bonhooghly more, Opposite Indian statistical institute). RP at the time of judgment.
Lagna lord: Venus, Lagna Star: Jupiter, Moon star: Rahu, Rashi: Mercury, Day lord: Jupiter.

Whether male child or female child:

5th cusp (Leo 03:36:01): Child/Progeny is seen from 5th cuspal sublord Sun placed in Cancer sign 19 degree. So at first look I found the Sun is placed in Sun hora. For every female sign the first 15 degree is Moon hora and next 15 degree is Sun hora (Male hora) and vice versa. So after seeing this chart I said it's a baby boy.
Next I said she will not have normal delivery, it must be cesarean baby. So she said I will make your prediction wrong and I will deliver in normal process at any cost.

5th cusp (Leo 03:36:01): 5th cuspal sublord Sun is in 4th house and owner of 5th house, in the star of Mercury placed in 4th and owner of 3rd and 6th and in the sub of Ketu placed in 7th, aspected by Mars in 5th bhava and owner of 1st and 8th bhava. Sun signifies 3,4,6 and is connected with 1,4,5,7,8.

Here we can see that 5th cuspal sub lord Sun in Cancer sign degree 19:00:49 being in opposition aspect by Saturn in Capricorn degree 15:53:28 within 3 degree orb. Hence there will be delay in delivery. We can also see that in KP lagna chart Mars is placed in 5th house aspecting 8th house by 4th aspect and 12th house by 8th aspect and Mars is in Leo sign hence connected with the Sun and 5th cusp.

Mars (Natural significator of Surgery) is in 5th house owner of 1st and 8th houses in the star of Ketu in 7th, aspected by Mars, and sub of Sat in 10th house and owner of 10th and 11th houses. Hence Mars signifies 1, 5, 7, 8(surgeryand connected with 10,11.

She was admitted in hospital on 16th August, 2021 night as per doctor's advice and on 17th August, 2021 at 10 PM process was initiated for normal delivery. Still 18th morning she was not able to deliver the baby in normal process and was exhausted. Doctor said if she tries for next 10 days, then also she won't be able to deliver in normal process, so we don't have any options except to move for Cesarean process. The 5th cuspal sublord Sun 19:01:05 aspected by Saturn 15:53:46 (opposition aspect within 3 degree orb) causes the delay. As Saturn is natural significator of delay.

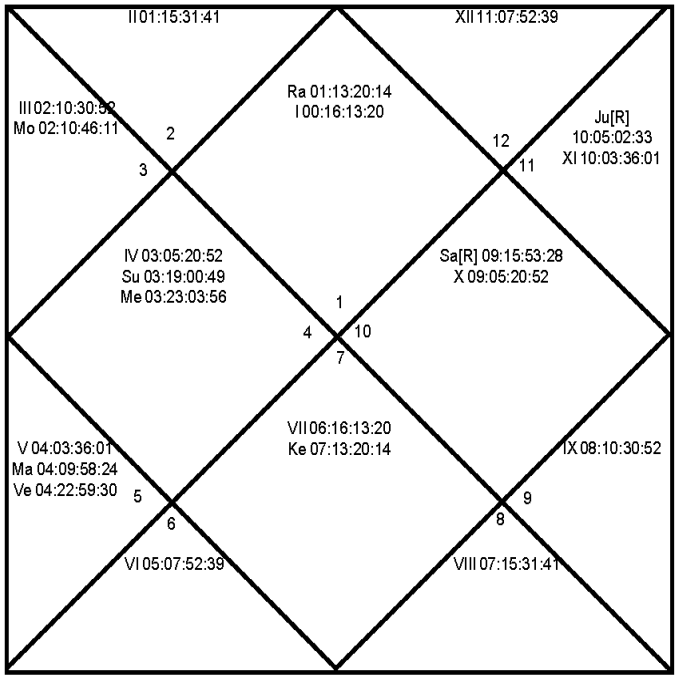

Hence doctor operated and it's a baby boy. Last Seha Ahmed Gupta told me Sumeit Shastri both of your predictions came correct. I thank to Sri Krishna Murthy Ji and Sri Kanak Bosmia ji from whom I taught so many things in KP.

Leukemia-A cancer KP case research study

By: Achintya Karmakar

Phone: 6291415841 ; Email: achintyakarmakar61127@gmail.com

I am in various astrology group in telegram and whatsapp and others social media. There are many interesting chart I get through astrology forum groups. Today discussion topic is leukaemia/blood cancer.

Rules of leukaemia blood cancer:
1) The 1st or 6th cuspal sub lord must be connected to Rahu/Ketu and that signify Marak/Badhak or negative 6, 8, 12 houses.
2) If the 6th cuspal sub lord is connected with malefic Jupiter (abnormal growth of cell), Sun, Moon, Venus and that signify 4, 6, 8, 9, 12 house.
3) Blood cancer planet Mars would be significator of Marak Badhak houses.
4) Running DBA should be negative.

Analysis:
Date of birth: 28 September 2013
Time: 18.05 pm
Place: Hubli karnataka.

1st cusp: Here 1st cuspal sub lord Ketu. Ketu is in 2nd house representing Mars. Mars is lord of 9, 2 houses occupies in 5th house. See here planet Mars signifies Maraka 2nd house. No planet is in the star of Ketu, Ketu is untenanted here Ketu is the cuspal sub lord of 7th house. Ketu is in the star and sub of Venus, signifying 3, 8 houses. So 1st cuspal sub lord signifies Maraka and 8 houses strongly.

6th cusp: 6th cuspal sub lord is Venus. Venus occupies 8th house and is lord of 3rd house. Venus is in constellation of Jupiter which signifies 4, 10, 1 houses. Venus in sub of Mercury signifying 7(Maraka house), 4th house (end of life).

Running dasha, bhukti present:
Jupiter dasha:
Jupiter signifies 4, 10, 1 houses. Jupiter is in star of Jupiter and sub of Mercury occupant of 7th house.

Rahu bhukti:
Rahu occupies at 8th house. Rahu represents Venus occupant of 8th house, lord of 3rd house. Rahu is in the star of Rahu and sub of Venus. Venus signifies 8, 3, already discussed.

My conclusion:
As the dasha lord signify Maraka, 4 (end of life), 10 (retirement of life) also the bhukti lord signifies 8 house, so this time up to 23 January 2022 it is not good for her health.

Question: Can I become an IAS or IFS officer through UPSC?
Number: 94 (out of 249);
Date of Judgment: 12-08-2019, Monday; **Time of Judgment:** 11:04:08 AM IST
Place of Judgment: Kankariya-Ahmedabad Long/Lat: 23^0 N 00'; 72^0 E 36'
Ayanamsha 24^0.01'.04"; **Dasa Days:** 365.25

Hints
The sub lord of the Ascendant and 11th cusp indicates what is the intention of querent and fulfillment of his desire. The question is not about a degree examination but competitive examination. Thus, we have to consider the significators of 4, 6, 9 and 11.
If the cuspal sub lord of the Asc & 11th be the significator of 4, 6, 9 and 11 success in Professional Examination is promised during the joint period of the significators of 4, 6, 9 and 11.

Cuspal Sub Lord
Ascendant (Leo 15^0.33'.20"): Ascendant cusp sub lord is Sun. Sun is in the star of Mercury and sub of Rahu. Sun is occupant 12, owner of 1. No planet is in the star of Sun and Sun is CSL of 1. Star lord Mercury is occupant of 11, owner of 2-11. Sub lord Rahu is occupant of 11. No planet is in the star of Rahu and Rahu is CSL of 2-8. Rahu is in Gemini sign, hence represents Mercury. Thus, Ascendant cusp sub lord Sun is the significator of the 12-1-11-2-8. Hence success is promised by 11, but 8 also there.

11th Cusp. (Gemini 16^0.16'.06"): 11th cusp sub lord is Venus. Venus is in the star of Mercury and sub of Rahu. Venus is occupant of 12, owner of 3-10. Star lord Mercury is occupant of 11, owner of 2-11. Sub lord Rahu is occupant of 11. No planet is in the star of Rahu and Rahu is CSL of 2-8. Rahu is in Gemini sign, hence represent Mercury. Thus 11th sub lord Venus is the significator of the 12-3-10-11-2-8. Hence success is promised by 11 with 3-8-10.

Ruling Planets:

	Day lord	**Sign lord**	**Star lord**	**Sub lord**
Day: Monday	Moon	—	—	—
RP Ascendant: Virgo 26°.28'.27"	—	Saturn	Mars	Jupiter
RP Moon: Sagittarius 18°.34'.30"	—	Jupiter	Venus	Rahu

Ketu is conjoined with Saturn and Moon, hence represents Saturn and Moon. Ruling planets are Moon-Saturn-Mars-Jupiter-Venus-Rahu-Ketu.

Joint Period
At the time of horary Venus dasa is up to 30-09-2031.
Dasa lord Venus is in the star of Mercury and sub of Rahu. Venus is occupant of 12, owner of 3-10. Star lord Mercury is occupant of 11, owner of 2-11. Sub lord Rahu is occupant of 11. No planet is in the star of Rahu and Rahu is CSL of 2-8. Rahu is in Gemini sign, hence represents Mercury. Thus 11th cusp sub lord Venus is the significator of the 12-3-10-11-2-8. Hence success is promised by 11 with 3-8-10.

My opinion: 11th cusp sub lord and dasa lord indicate negative result, thus I don' think you will pass UPSC to become IAS or IFS officer.

Outcome: Prediction is proved right. As per client's feedback "You are right sir for your prediction. I am not qualified."

One of my customers asked me," 7 years ago I purchased ½ acre land from my brother-in-law and paid money also. He gives the agreement in bond paper, but not in official registration. Recently I met him for the registration for that land, he was skipping this issue. I understood that they cheated me, will I get my property in the court?" Immediately I asked the horary number between 1 to 249. He gave me the number 221 (out of 249).

KP rule:
If the cuspal sub lord of 4th (result of lawsuit) be the significator (in the star of occupant or owner) of 2 (winning), 6 (loss to opponent / litigation), 10 (success) and 11 (gain), then one will be able to win lawsuit during the joint period of the significators of 2-10-11.

Let us check the Moon (9-6) in the star of Saturn (11-12, 1) and in the sub of Ketu (9). Ketu is conjoined with Moon (9-6). The querent's desire is genuine.

First of all, we check the 4th cusp sub lord Mars. The 4th CSL Mars (7-3, 10) is in the star of Sun (7) and in the sub of Saturn (11-12, 1). The 4th CSL Mars signifies 1-3-4-7-10-11-12. So, the querent's win is promised.

Next, we examine the 6th CSL Jupiter (12-2,11) in the star of Mars (7-3,10) and in the sub of Mercury (7-5,8). Jupiter has no planet in his stars and at sub-level indicates '6' strongly. So, the 6th CSL Jupiter signifies 2-3-5-6-7-8-11-12. So, the chance of success is promised.

Let us observe the 11th CSL Rahu (3). Rahu is in Taurus sign and represents Venus (9-4, 9) and is in the star of Moon (9-6) and in the sub of Mars (7-3, 10). So, the 11th CSL Rahu signifies 3-4-6-7-9-10. The 11th CSL also indicates chance to win.

Finally, we check the 10th cusp sub lord for the clarification. 10th CSL is also Mars, we have checked it above. So, her win is promised.

Let us check the Ruling Planets as follows: -
Lagna sub lord:- Venus
Lagna star lord:- Mars
Lagna sign lord: Saturn
Moon sub lord:- Ketu
Moon star lord:- Saturn
Moon Sign lord:- Mars
Day lord:- Sun
Note: Ketu represents Mars, so Ketu is also a Ruling Planet and Rahu represents Venus and is a Ruling Planet.
So, the Ruling Planets are Venus, Mars, Saturn, Sun, Ketu and Rahu.

At the time of judgement Saturn Dasa is running from 25.06.2015 to 25.06.2034.
Next, the Bhukti lord Ketu is running from 08.03.2021 to 16.04.2022.
Next, the Antra lord Rahu is running from 23.08.2021 to 23.10.2021.

Question: What will be the gender of Moumita Khan's child?

Background: A client came for consultation, she is already pregnant and delivery will be within 10-15 days. As an astrologer I myself had the urge to know the gender of her child to test the rules of KP.

Rule: Sun, Mars, Jupiter and Saturn are considered male planets. Venus, Moon, Rahu are considered female planets. Ketu and Mercury are neuter gender. Odd numbers indicate male. Even numbers indicate female.
Aries, Gemini, Leo, Libra, Sagittarius, Aquarius are considered male signs.
Taurus, Cancer, Virgo, Scorpio, Capricorn, Pisces are considered female signs.

The 5th house rising sign, star and sub will decide the gender of the child. However, it's most difficult to predict the gender of a child as the chances of going wrong is very high.

In this horary horoscope-:
5th Cusp rising is in Gemini [03:04:42].

Sign is Mercury, neuter gender. Mercury in Virgo, female sign. Mercury is the occupant of 8 even number of female.

Star is Mars a male planet, is conjoined with male planet Sun. Posited in Virgo, female sign and occupant of 8 even number of female.

Sub is Venus, female planet, posited in Scorpio, female sign. Venus is occupant of 9 odd number of male.

Observation: Majority of the planets are males but connected with either female signs or occupant of odd numbers. Thus chances of a male child is high as compared to male.

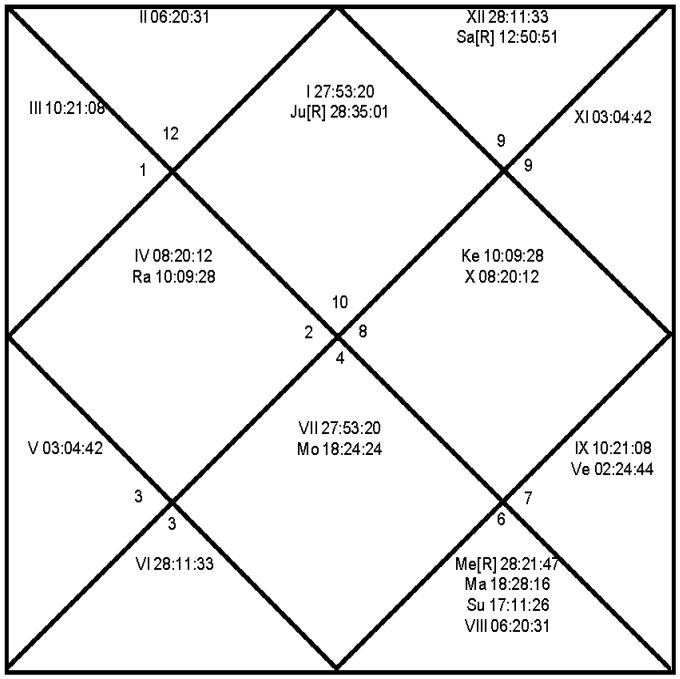

Outcome: Male child is born. Pranam to my guru Kanak sir for support and guidance.

Correction of birth time where there is time difference up to 00-30-00Mts

By: Gunti Nagaraju

KP astrologer (M.com CAIIB, Retired Bank officer)
12-13-668/5/2, Second floor, Nagarjuna Nagar, Tarnaka,
Secunderabad- 500 017; Tel: 040-27172206; 9490752371;

One gentleman requests for the correction of his birth time as he has many doubts about its correctness and furnishes the following birth details---

Date of Birth: 12th January 1966
Time of Birth: 07:25 AM (Time not sure about its correctness) (there may be time difference up to 00 -30-00 minutes)
Place of Birth: LATITUDE—25N29/AND LONGITUDE—83E42. U.P.

Major events of my life:
Date of Marriage: 9th December 1991
Birth of Son: 15th December 1992.
Birth of Daughter: 21st August 1997.
My date of birth can also be 5th January 1966 because my parents differed on the date. However, I assume it to be the 12th of January because of the horoscope the village pundit had prepared.

I would be greatly thankful to you if you granted this favor to me.

The confusion lies because of three reasons:
1. My mother used to say that I was born AFTER Shri Lal Bahadur Shastri ji died.
2. My father used to say that I was born before he died.
3. On the original horoscope prepared by the pandit, my elder brother who was about 16 at that time had
written the date as 11.01.1966.

A few years ago, i.e. around 1996-97, I got interested in Astrology. I read a few books by Shri Krishnamurthi ji who I consider to be my Guru in Astrology. I got interested in Krishnamurthi Padhdhati only because it felt to be logical and rational. At that time, there were no computers around me, so I used calculators and the KP ephemeris (hard copy) to do my calculations. Some of my trial predictions about the timing of an event proved to be amazingly correct, but others went wrong. For example, I could predict accurately the date of birth of the son of my closest friend, but I couldn't predict the date for the birth of my daughter. Both of them took birth within a week.

I thought that they were going wrong because I didn't know enough. I thought maybe I need a living teacher because books do have limitations.

In one of the books I had purchased, I got one address of Chennai from his son and son-in-law of Guruji used to operate. They used to charge Rs. 500 for answering one specific question in those days. I decided to consult them about a family problem at that time. Two of my friends were mightily impressed by my "predictions" so they too took the plunge. The three of us prepared drafts of Rs. 500 each and sent our questions (horary, of course).
We did receive the replies, but all went wrong. I put away my registers, diaries, and calculators, and decided to forget about Astrology.

However, the main reason I requested you for that correction is that I haven't been able to match the events of my life with the horoscope that I have as per the village pundit.

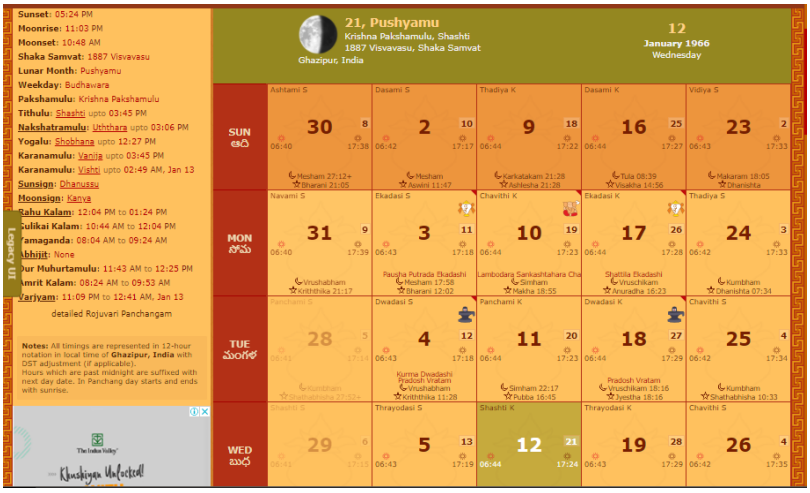

I believe the DOB (12-01-1966) to be correct because the original horoscope matches with the ephemeris for the Moon sign and Nakshatra. It cannot be 11th January because it was a Tuesday, whereas the Pundit had written it to be a Wednesday. So, I guess that was a mistake by my brother. I know for sure that I was born in the morning after sunrise because there hasn't been any dispute about that between my parents.

Maybe it is a great coincidence or a blessing that just today I received a confirmation about the correct

place of my birth. (LAT-25N29/LONG—83E42.) (UP).
I don't have a copy of the original horoscope which was hand-written and was already too fragile when I saw it first. So, I had just noted down the month, Vaara, Samvathsara etc.

Correction of Birth- Time of a GENTLEMAN- (where there is time difference up to 00-30—00.)
Birth details as furnished by him are—
DOB-12-01-1966.
TOB-07-25-00 A.M./
POB- LAT-25N29/ LONG—83E42.
Bellow is the days Panchanga for the day and date and year of birth as furnished by the native.

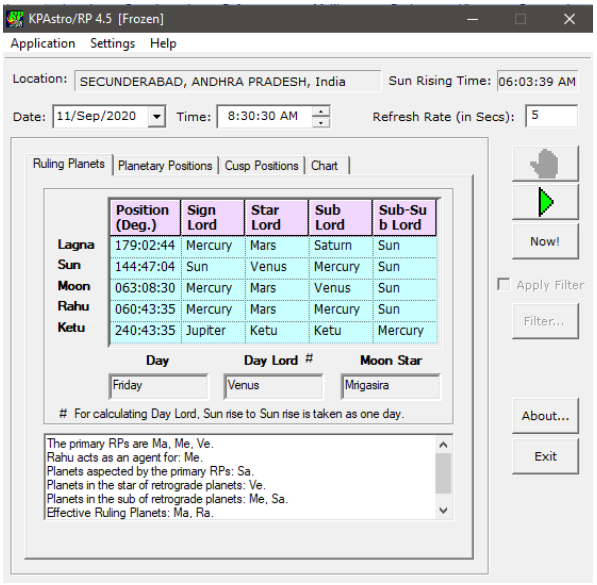

He says there may be a time difference to the extent of 00-30-00 +/- to the given time, and all the given life events that happened in his life are with accurate dates.
Then the transition time would be 06-55-00 a. m to 07-55-00 a.m.

Ruling Planets are worked out for CBT on 11-09-2020 @08-3-30 a.m at my place Tarnaka, Secundrabad:
ASC=MERC-MRS-SAT-SUN./
MOON=MERC-MARS-VENUS-SUN/ DAY-LORD-VENUS.
Note- Since Moon has no connection with Saturn there is no PP Yoga.

Rahu is in the Gemini sign and Mercury the SGL is in our 4 RPs of both Asc. and Moon. Rahu is in the sub-lord of Mercury which is also is in our 9RPs. So take Rahu as additional RP for both the ASC. and the MOON.

Ketu is in Sagittarius sign and its SGL Jupiter is not in our 4RPs of either ASC. or MOON. So, Ketu is not qualified as additional RP for both.

So, our ASC. RPS are-MERC-MARS-SAT-SUN-RAHU.
and Moon RPS ARE—MERC-MARS-VENUS-SUN-RAHU.

Now I have to work out the position of Moon at the birth time on the given date of birth for the given place of birth with the help of ASC. RPs and Transition time.

Query: When Will My Son Get Green Card?
Date of Judgement : 11.06.2021
Time of Judgement : 05.26.15 PM
Place of Judgement : Kavali 14.57 N 80.02 E
Ayanamsa : 24°.03'.58"

If the query is asked with an strong urge there is no need to rotate the chart, said by Sri. Kanak Kumar Bosmia.

Moon reveals the query

Querent is already in USA and now he wants to stay permanently, it is his desire (11).To settle in abroad means to consider abroad as home (4).

In this Time Chart Moon is owner of 9 (abroad). Moon is associated with Venus owner of 12 (stay in abroad). Thus Moon refers to query regarding success or fulfillment of desire of getting Green Card.

Moon (Gemini 08.13.17): Moon is in the star and sub of Rahu. Moon is occupant of 8 owns 9 (abroad). Star and sub lord Rahu is occupant of 7, conjoined with Mercury who has positional status and is the cuspal sub lord of 4 (stay in abroad) and only significator of 11 (fulfillment of desire). So Moon indicates querent's desire to settle in abroad and for that needs permission from USA government (Green Card).

Ascendant (Scorpio 11.04.35): Ascendant sub lord is Moon. Already explained above.

11th Cusp (Virgo 15.30.48): 11th cuspal sub lord is Jupiter. Jupiter is in the star and sub of Rahu. Jupiter is occupant of 3 owns 2 and 5. Star and sub lord Rahu is occupant of 7 agent of Mercury who is lord of 11 and cuspal sublord of 4 having positional status. Hence the querent's desire may be fulfilled.

4. Sat- Ma –Ket

11 Me
Mo-Ma-Me-Sat-Ra-Ket are the significators.

Ruling Planets at the time of Judgement:

Dasa and Bhukti lord Rahu is in the star of Moon and sub of Saturn. Rahu is occupant of 7; star lord Moon is occupant of 8 owns 9. Sub lord Saturn is occupant of 3 owns 3 and 4. Rahu and Moon are in positional status. Rahu is conjoined with Mercury who is only significator to 11th house. Dasa and Bhukti lord Rahu signifies 4-9-11. The native will get his Green Card.

Anthara lord Venus is in the star of Rahu and sub of Venus. Venus occupant of 8 owns 7 and 12. Rahu is occupant of 7, Sub lord Venus is occupant of 8. So Venus Anthara is not favourable.

Next Anthara is Sun from 11.07.2021 to 29.08.2021.
Sun is in the star of Mars and sub of Jupiter. Sun is occupant of 7 owns 10. Sstar lord Mars is occupant of 8 owns 1 and 6. Sublord Jupiter is occupant of 3 owns 2 and 5. Anthara lord Sun signifies 1-2-3-5-6-8-10. So Anthara lord Sun is not favourable.

Next Anthara Lord is Moon from 29.08.2021 to 19.11.2021.
Moon is already explained. Anthara lord Moon is favourable.

Next I selected Moon Sookshma 29.08.2021 to 05.09.2021.
Moon is in positional status. That's why I selected Moon.

I told his father his son will get Green Card from the above dates.

Actual Outcome: The native received news (that Green Card is issued) through Email on 02.09.2021. The native received Green Card on 11.09.2021.

This Prediction is given with the blessings of "Lord Mahaganapathi " and Late Sri.KSK sir who is founder of KP System and also My Guruji Sri. M.R. Prasad.

Absence of native before marriage

In K.P. houses 2,7,11 deals with the marriage. If the sub lord of the 7th cusp signifies 2 or 7 or 11 marriage is promised. If the significator of 7th cusp is in the sub of a planet connected to 3,12 the native will goes away from the residence either before, during, or after marriage during the conjoint period of the significators of 7,3,12.

The chart belongs to the friend of my son, whose birth particulars are given below:
DOB: 7-2-1993 Time: 1-03 am Place: Patancheroo (near Hyderabad)
The native has borne in the star of Mercury (Aslesha) with an ascendant of Scorpio.

The 7th cuspal sub lord in the chart is Rahu posited in lagna. Rahu is in the star of Mercury and occupies its own sub. Rahu represents Mars being in the sign of Scorpio. Mars is in 8 lord of 1, 6. The star lord Mercury is in 4 lord of 8,11. So Rahu signifies 11 promising marriage.

The significators are as follows:

Cusp	A	B	C	D
2	-----	-----	-----	Jup
7	-----	Ket	----	Ven
11	-----	Jup	Mon, Rah	Mer
3	Ven	Sun, Sat	Ven	Sat
12	-----	----	----	Ven

On the date of analysis (1-10-2020) the native is running the DBA of Ven-Jup-Jup.

Dasalord Venus is in 5 lord of 7,12, in the star of Saturn in 3 lord of 3,4 and occupied its own sub. Having the positional status Venus is the CSL of 10, 12. As Venus signifies 7 favourable for marriage settlement and 3,12 to leave the residence during its period.

Bhukthi and anthara lord Jupiter is in 11 lord of 2, 5, in the star of Moon in 9 lord of 9 and in the sub of Venus in 5 lord of 7, 12. As Jupiter signifies 2,7,11 favourable for marriage settlement and 12 alone without 3 not enough to leave the residence during its period.

Marriage of the native has been settled and engagement took place on 25th November, 2020 during the conjoint period of Ven-Jup-Jup but the native has not left the home as bhukti and antra lord does not show 3 and the transit does not agree with dasa.

The parents of the native have decided to celebrate the marriage and fixed the muhurtha on 25-5-2021. However it is noticed that Saturn anthara has commenced from 4-2-2021 and runs up to 8-7-2021.

Anthara lord Saturn is in 3 lord of 3, 4 in the star of Mars in 8 lord of 1, 6 and sub of Jupiter in 11 lord of 2, 5. Saturn signifies marriage houses 2,11 and 3 to leave home. But Saturn is in opposition to Moon creating Punaraphoo causing obstacles such as delay, dejection, cancelation of marriage during the conjoint period of Ven-Jup-Sat from 4-2-2021 to 8-7-2021 if transit agrees.

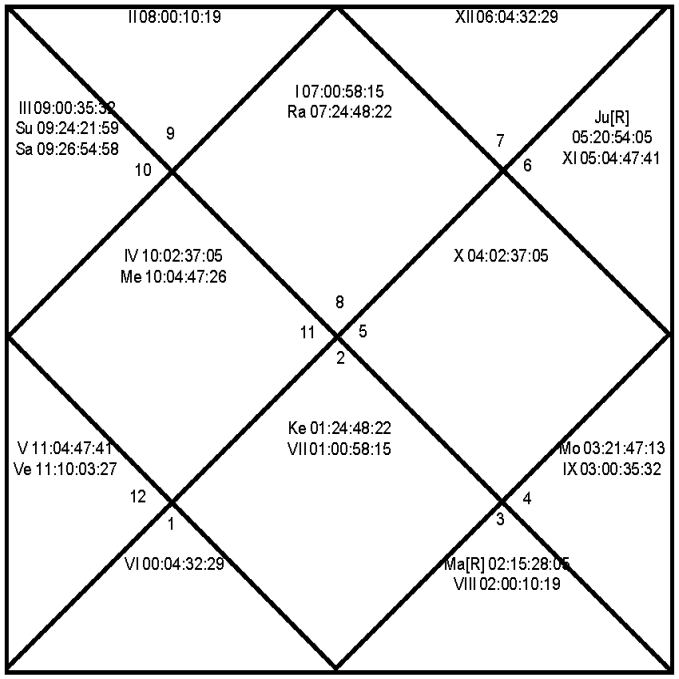

It is learnt that the native has left the home on 4-5-2021 when the marriage date is nearing (25-5-2021). This has resulted in non-celebration of marriage.

EASY WAY TO LEARN KP HORARY ASTROLOGY

This is my eighth book. I hope it will get the same enthusiastic response that my earlier books.

In this book, I have given 211 examples to illustrate the KP Horary astrology. I am sure readers will not be disappointed. I use 6 fold table instead of popular 4 fold table. Also it is said that retro planet effect in KP horary do not give any result. In this book, I have provided many examples using retro planet effect which give accurate results. For any unknown person, most of KP astrologer use to rotate chart 9th as Ascendant, but I never rotated chart and get very good result.

How will be my mother?

BY: Sumeit Shastri

Today one woman called me and told me his mother health is not well. As I was busy in doing something I asked her kindly to text me a number between 1 to 249. **She gave me the number 156**. Time of casting 13:52:16 hrs, place 103/1 B.T.Road ,Bonhooghly more, Kolkata, date 30 September 2021.

Genuineness of query: Here Moon is in 8 house (anxiety regarding longevity). So the query is genuine.

Ruling for normal health: If the sublord of the ASC cusp be in the star of the occupant or owner of the house 1 or 11, the health is normal.

Here is **Asc rising Scorpio 12:53:20 (Mars-Saturn-Rahu).** Asc cusp sub lord Rahu is in 6 (disease), in the star of Moon 8 (danger to life) owner 9 (Badhaka as Asc is fixed sign). Rahu represents Venus in 12 (Moksha) and owner of 7 (Maraka) and 12.There is no planet in the stars of Rahu which is the cuspal sublord of 1, 6,7,10. So it is clear that there is danger to longevity.

Disease is indicated by 6th cuspal sublord.
6th cuspal sublord Rahu is already discussed as Rahu is the cuspal sublord of ASC. Rahu is in the 6th house. Rahu signifies malignancy. Rahu is in the star of Moon. Moon is watery elements. Rahu is aspected by Jupiter (significator of growth). Star lord Moon is in the sign of Gemini hence connected with Mercury (significator of cell division). After seeing this whole chart I told that lady to immediately consult with doctor as her mother is affected with serious disease. She insisted me to tell what the disease is. I told her she is affected with Carcinoma and the whole scenario is indicates the cancer is in metastasis phase. She said 2 months back they took her mother to some hospitals in Hyderabad where cancer is detected. One chemo therapy was already administered as her condition deteriorated.

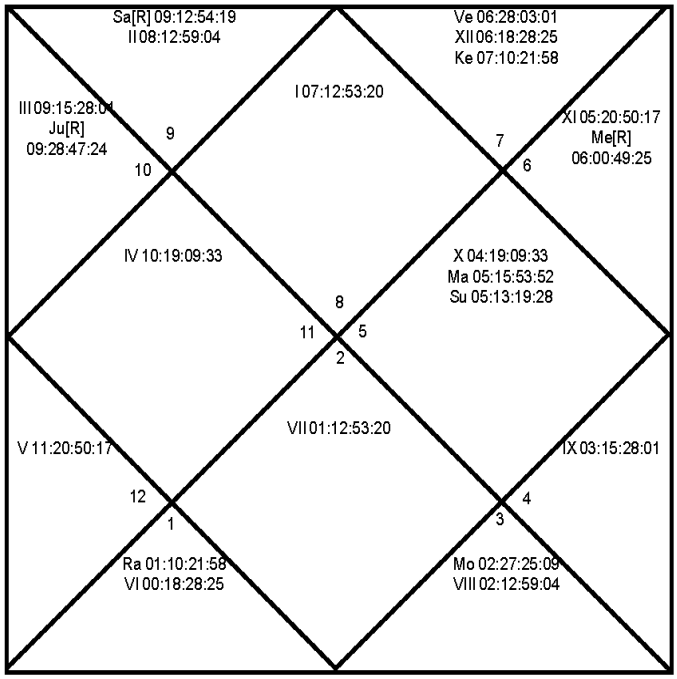

My thank to Sri Krishna Murthy Ji and Sri Kanak Bosmia Ji from I taught so many things in KP.

As I am a pet lover, I am very affectionately close to my pets. One of my cats suddenly disappeared from house 2 days ago. As I am very much tensed over the fact, I checked through the Horary to find out whether he will return back to me or whether he is alive or not. Now, I furnished the following details of the Horary Chart:

Date-26th August 2021; **Time-**13:42pm
Place:-Kolkata, West Bengal, India
KP Horary Number-98.

Genuineness of query
Moon is occupant of 8th house, lord of 12, in the star of Mercury occupant of 1st house, lord of 11th and 2nd. As it signifies 1sthouse, I am very much tensed whether he is alive or not. And also it signifies 2, 11 houses, it is the indicator of my expectation of him returning home.

Rules:
If the first cuspal sub lord is the significator of 1, 5, 9, 11, the the cat is alive and during the joint DBA of significators of 2, 4, 11, the cat returns home.

Analysis
Here first cusp sub lord Jupiter is untenanted, and the CSL 1, 5, 7 and 11. Jupiter is in 6th house lord of 5, 8, 5houses, in the star of Mars in 1st house lord of 4th and 9th. Jupiter is in sub of Ketu in 3rd house, representing Mars signifying 1, 4, 9 houses. So first cuspal sub lord is connected to 1, 5, 9, 11 houses and indication is that the cat is alive.

Dasha bhukti antara at present
Mercury Dasha (up to 20th April 2027):- Mercury is lord of 2, 11 occupant of first house. Mercury is in the star of Sun lord of 1 and occupant of 12. Mercury's sub lord Rahu is in 9th house. Rahu represents Venus which signifies 2,3,10 houses. Dasha lord signifies 2,11. So there are chances to come

Rahu bhukti: bhukti lord Rahu is in 9th house and represents Venus which signifies 2,3,10 houses. Rahu in star of Moon occupant of 8th lord of 12. Rahu is in his own sub. As Rahu signifies house 2, along with negative houses 8,12.

Venus Antara (up to 8th November 2021):
Antara lord Venus is occupant of 2, lord of 3,10 houses, in the star of Moon occupant of 8 lord of 12 and sub of Mercury occupant of 1 lord of 2,11. Venus signifies 2,11, along with negative 8,12 houses.

Actual outcome
The cat returns on that day at 18:27pm with good and healthy condition as both Dasha, Bhukti, Antara lords signify 2 or 2. 11 houses.

Questions & Answers

Question 1: Adopted Child
I am mere a student of Kp astrology, and an avid reader of your articles in kp Ezine of which I am a member. Can you help me to solve question that is in my mind?
Whenever we want to solve a question asked by any person about his son Or daughter we count from 5th cusp. When that person will ask a question related to his adopted son, from which cusp should be taken as Asc ? Is it 3? Please sir help me to enrich my knowledge.

Answer 1:
5th house for adopted children
Sources: Rex E. Bills: The Rulership Book, p 5/ also Michel Munkasey: The Astrological Thesaurus, House Keywords, p 120

Question 2: 12 CSL's Signification
Sir, I have a question. If for example 12 sub-lord is a planet "x" and that planet signifies lets say 3,6,9,11,12.
Now sir-:
3,12 is combination for jail yoga.
6,12 is for hospitalization.
3,9,12 is for foreign travel.
Now lets say Dasha is running that of 6,9,12,11,3.

Now sir how to distinguish which will happen.

Answer 2:
It's really tricky but I think here is foreign going (3-9-12) for job (6-11), depending on sub's signification.

Question 3: Backward or Postmortem Prediction
Is it possible to predict when a person for example got married? For example if I want to check a horoscope of 50 year old man and he asks can you tell me in which dasha and bhukti he got married. A range will be enough and not the exact date.

Sir, if you have any old article or any examples on back calculation can you please share or if you can tell me the process I will be grateful to you.

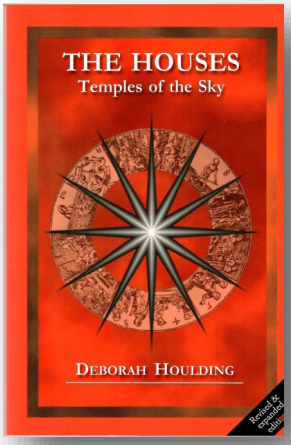

Answer 3:
The procedure is the same for backward prediction and forward prediction.

The Houses - Temples of the Sky
by Deborah Houlding
The Wessex Astrologer Ltd, 2006, 196 pages

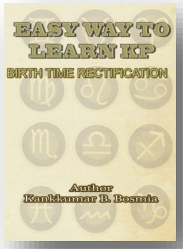

The astrological circle of houses is perceived as a wheel of life, covering the full spectrum of human experience from formation of character through to death. Why did the ancient astrologers devise the scheme in such a way that it does not seem to follow the natural order of life? Houlding's clear narrative and original research into the history and development of house meanings explores the symbolic threads that are embedded into the philosophy of houses, strengthening our understanding of their use in practical application.
There is very little written on the most contentious area of astrology and this greatly updated and revised edition more than adequately fills the gap.

Five Best Football Players of All Time

By: Tin Win
Email: tw853@yahoo.com

Short Background
Mostly based on stats of the various positions and the many leagues and tournaments from the Rec.Sport.Soccer Statistics Foundation (RSSSF), "*The Best Men's Soccer Players of All Time by Clint Davis in The Delite*" are as given under:

1. Pelé; 2. Lionel Messi; 3. Cristiano Ronaldo; 4. Ronaldo; 5. Diego Maradona; 6. Romário; 7. Gerd Müller; 8. Johan Cruyff; 9. Josef Bican; 10. Michel Platini; 11. Lev Yashin; 12. Zinedine Zidane; 13. Marco Van Basten; 14. Gianluigi Buffon; 15. Ronaldinho; 16. Franz Beckenbauer;
17. Gordon Banks; 18. Alfredo Di Stéfano; 19. Ferenc Puskás; 20. Zarra; 21. Jimmy Greaves; 22. Neymar; 23. Wayne Rooney; 24. Miroslav Klose; 25. Petr Čech; 26. Zlatan Ibrahimović; 27. Alan Shearer; 28. Hugo Sánchez; 9. Ryan Giggs; 30. Ruud Van Nistelrooy.

A short note about the top five best football players are as follows:

1. Pelé
Pelé's first World Cup goal at the 1958 tournament came when he was just 17 years old, making him still the youngest goal scorer in the event's long history. He is still the only player to win three World Cups, leading his country to titles in 1958, 1962 and 1970. His most impressive record might be his 1,279 career goals at soccer's top level, which Guinness World Records recognizes as the most in history.

2. Lionel Messi
Messi has been nominated for the Ballon d'Or a record 12 times and has won it an incredible six times, which is also a record. Messi's greatness as a goalscorer is undisputed, as his 627 goals for Barcelona alone are the second most by any player for a single club in soccer history and he's led that club to an amazing 10 La Liga crowns in 16 seasons with them. Messi cemented his status as the best contemporary player by scoring 91 goals in 2012, which is recognized as the single greatest year for goalscoring by any player in history.

3. Cristiano Ronaldo

The Portuguese Cristiano Ronaldo sits at second in the long history of La Liga with 311 goals scored in league play but he earned that tally in just 292 appearances, giving him the best-ever ratio of 1.07 goals per game. He's the most prolific scorer in UEFA Champions League history and also has the most assists in the history of that event, showing his greatness as a leader and teammate. He's Portugal's most-capped player and has played in four World Cups but that championship has been about the only one to elude him.

4. Ronaldo

The Brazilian Ronaldo remains one of the most feared strikers in history. His 62 career goals with the Brazil national team rank him at second in the unmatched history of that international squad, and his 15 career goals at the World Cup also rank him second in history. The two-time Ballon d'Or winner and three-time FIFA World Player of the Year helped lead Brazil to World Cup wins in 1994 and 2002, as well as a runner-up finish in 1998.

5. Diego Maradona

The Argentine Diego Maradona played in four World Cups, carrying his native country to the title in 1986. His performances on the game's biggest stage led Daily Mail to call him the second-best player in World Cup history on a list that was filled with brilliant players.

The above cuspal analysis show that for a successful footballer, *generally* 2nd, 3rd, 5th , 6th

and 10th cuspal sub lords (CSLs), *particularly* 3rd and 6th CSLs are the significator of 1 (vitality and self effort), 2 (10th from 5 = reputation for sports and income), 3 (main house for footballer, determination, courage and skills), 5 (sports in general and performance), 6 (gain in competition and benefit from sports as 2nd from 5), 7 (publicity), 10 (profession, success, status and fame) and 11 (gain, desire fulfillment and foot), and also connected with Mars and Jupiter, karakas for footballer and sports.

Other Beneficial Planetary Positions

1. **Pele**: In his rasi chart, 1st lord Sun conjunct 2-11th lord Mercury in 3rd house is mutually aspected by 5th lord Jupiter conjunct 6-7th lord Saturn. Sun is for leadership and Mercury is for intelligence, talent and art of playing the game. Sun and 3-10th lord Venus are exchanged by rasi, and karaka Mars located in 2nd aspects Jupiter-Saturn conjunction. Thus 1-2-3-5-6-7-10-11 houses are connected with each other and also with sports karakas Mars and Jupiter. In addition Jupiter in Aries sign of Mars, and Mars' aspect on Sagittarius sign of Jupiter are also supportive to become extremely talented football player. Connection of 2-6-11 houses indicates huge earnings through sports.

2. **Lionel Messi**: In the rasi chart, the lagna lord Venus, also the 6th lord of sports and competition, is in its own sign Taurus (Bull), in lagna with strong 3rd lord Moon (footballer, courage and skills) in opposition to the yogakaraka 9th -10th lord Saturn powerfully placed in 7th house, making the powerful 1st house. Saturn's exact aspect to the 1st house lord Venus is Messi' potential for success and fame. The 2nd lord of wealth Mercury is in its own house and in conjunction with the auspicious 4th lord Sun and 7th lord Mars. The 3rd house is in sign Cancer of Moon conjunct 1st lord Venus which is in its strong sign Taurus. The 5th house lord Mercury is very strong in its own sign Gemini, in a conjunction with Mars (sports and competition), which is very conducive to having a special talent in sporting activities. The 6th lord in the 1st house describes a person who has a natural flair in competitive situations. The 8th lord Jupiter in the 12th is giving him a vipareeta rajayoga. Rahu is in the 11th house of gain and Ketu in the 5th of sports which indicates an unusual approach to games. His athletic ability can be seen through the strong 1st, 3rd , 5th and 6th houses, their lords and the planet Mars. As all planets are so well placed he is considered the all time greatest footballer.

3. **Christiano Ronado**: In his rasi chart the Ascendant-4th lord Jupiter along with fortune 9th lord Sun and 7th -10th lord Mercury is positioned in the 2nd house of finance, giving a strong position on financial front. The 2nd- 3rd lord Saturn aspects his own 2nd house, along with planets positioned therein. The 5th lord Mars along with strong 6th -11th lord Venus is stationed in the 4th house in sports sign Pisces of Jupiter. 8th lord Moon in the 8th house is a vipareeta rajayoga. Rahu is positioned in the 5th house of sports and Ketu in the 11th house of gain. These planetary combinations make the native a great football player.

4. Brazilian **Ronaldo**: In the rasi chart, the location of four planets 2nd lord Sun, 5th -10th lord Mars, 3rd lord Mercury and 4th -11th lord Venus in the 3rd house, boosted by the 6th – 9th lord Jupiter's aspect on them form 11th and also 7th lord Saturn's aspect on them from lagan makes the 3rd house extremely strong and connection of 1-2-3-5-6-7-10-11 houses, along with karakas Mars and Jupiter. Rahu is in 4th house and Ketu in 10th in Aries of Mars. Such favorable planetary combination improves his creativity with shaping him as a star-footballer.

5. **Diego Marodona**: In the rasi chart, his Rahu is in the 10th house in Leo professionally a great position to succeed greatly. Rahu is aspected by the auspicious 2nd- 5th lord of creativity Jupiter (success in sports) located in the 2nd house, which is in conjunction with 3rd lord of sports Saturn and in mutual aspect with the lagna- 6th lord of sports-competition karaka Mars. 11th lord Mercury (intelligence) is placed in lagna with 7th lord Venus and in exchange of house with Mars. Such connection of 1,2,3,5,6,10 and 11 houses gives him great success in football.

Question: Possibility of migration to foreign land?
Date of birth: 09-07-1963; Tuesday; **Time of birth:** 07:30:00 AM
Place of Judgment. Ladol-Gujarat **Long/Lat:** 23° N 38', 72° E 50',
Ayanamsha 23^0.15'.27"; **Dasa days:** 365.25

Hints
If the cuspal sub lord of the 12th be the significator of 3 (away from home), 9 (abroad/long journey) or 12 (abroad/ new environment), the foreign travel is promised during the joint period of the significator of 3, 9 and 12. In addition if the Lagna (one self) cusp sub lord also simultaneously signifies 3,9,12, one will settle in abroad.

Cusp 12th (Gemini 12^0.35'.41"): 12th cusp sub lord is Mercury. Mercury is in the star of Rahu and sub of Venus. Mercury is occupant of 12, owner of 3-12. Star lord Rahu is occupant of 12. Rahu is conjoined with Sun, Mercury and Venus. Sun is occupant of 12, owner of 2. Mercury is occupant of 12, owner of 3-12. Venus is occupant of 11, owner of 4-11. Sub lord Venus is occupant of 11, owner of 4-11. Thus 12th cusp sub lord Mercury signifies 12-3-2-11-4. So, settle down in abroad is sure.

Cusp Lagna (Cancer 12^0.08'.15"): Lagna cusp sub lord is Mars in the star of Venus and sub of Ketu. Mars is occupant of 2, owner of 5-10. Star lord Venus is occupant of 11, owner of 4-11. Sub lord Ketu is occupant of 8, in Sagittarius sign representing Jupiter occupant of 9, owner of 6-9. Ketu is aspected by Mercury occupant of 12, owner of 3-12. Mars signifies 3-9-12, so foreign settlement is promised.

Joint period
The native is running Saturn dasa up to 14-10-2026.

Dasa lord Saturn is in the star of Mars and sub of own. Saturn is occupant of 7, owner of 7-8. Star lord Mars is occupant of 2, owner of 5-10. Thus Dasa lord Saturn signifies 7-8-2-5-10 without any of required 3-9-12 houses. So, foreign going and settle down in abroad are not seen during this dasa period.

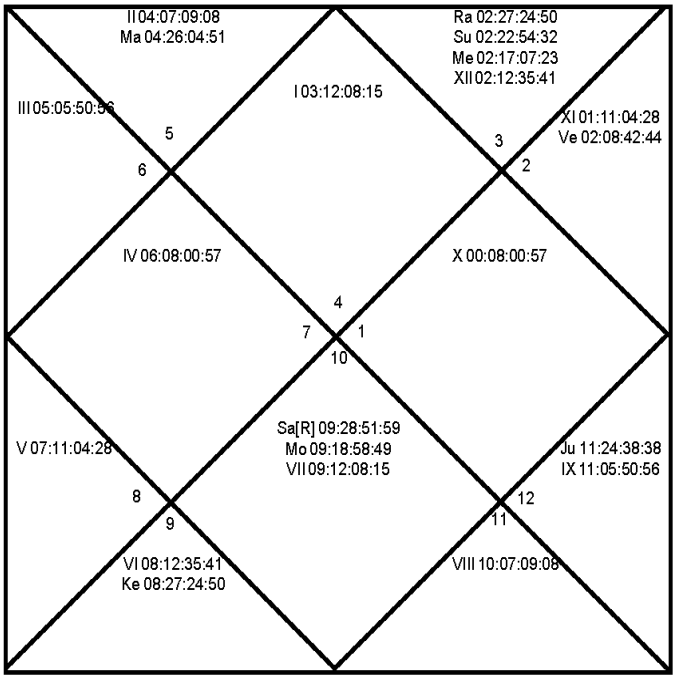

My opinion: I don't see any chance till 2026.

Outcome: Prediction is proven right. As per client's feedback on 29-07-2021, he is still in India and now not interested to settle in abroad.

Birth time rectification

Phone: 9903785661; Email: sayantan1@outlook.com

Date: 14.5.1996
Time: 6:00 AM to 6:30 AM (Time range given by client)
Place: Habra

Background: A client wanted me to find out his exact birth time. He is having a confusion of 30 mins and said that he was born any time between 6 AM to 6:30 AM. He has given me a few details of past events also to match his time of birth. The technique followed here is that of Kanak Sir, who has taught me during his course how to do proper birth time rectification. Before starting this article I would like to thank him for teaching me his technique.

Ruling Planets at time of judgment (Date: 26/10/2021 | Time: 7:38:06 PM | Place: Kolkata)

	Sign	Star	Sub	Sub-Sub
Ascendant	Venus	Moon	Sun	Sun
Moon	Mercury	Rahu	Mercury	Saturn

Day Lord: Mars
Punarphoo yoga is present in RPs.
Ketu is agent of Venus.
Rahu is agent of Mars and Jupiter.

Theory: The sign, star, sub and sub-sub lord of the ruling planet Moon will guide to find the exact time of birth.

Transition Information Table between 6 AM to 6:30 AM at Habra on 14/05/1996

Transition Information Table

06:15:14 AM	Ve	Mo	Ke
06:18:23 AM	Ve	Mo	Ve
06:27:26 AM	Ve	Mo	Su

In RP Moon we have Mercury-Rahu-Mercury-Saturn.
Common from RP Moon and the birth Ascendant sub-lord is Saturn and Mercury. Mercury is twice in RP Moon and also due to Punarphoo yoga. Mercury is chosen. So the birth time is between 6:07:39 AM to 6:15:14 AM.

Transition Information Table between 06:07:39 AM to 06:15:14 AM at Habra on 14/05/1996

Transition Information Table

06:14:02 AM	**Ve**	**Mo**	**Me**	**Sa**
06:15:14 AM	Ve	Mo	Ke	Ke

In RP Moon we have Mercury-Rahu-Mercury-Saturn. Mercury is already used up once out of two times available.
So common among birth Ascendant sub-sub lords and RP Moon is Mercury-Rahu-Saturn.
Due to Punarphoo I have chosen the last Ascendant sub-sub lord which is common. Thus Saturn is chosen.
Thus birth time is between 06:14:02 AM to 06:15:14 AM.

Transition Information Table between 06:14:02 AM to 06:15:14 AM at Habra on 14/05/1996

06:15:04 AM	Ve	Mo	Me	Sa	Ju
06:15:14 AM	Ve	Mo	Ke	Ke	Ke

In RP Moon we have Mercury-Rahu-Mercury-Saturn.
Mercury was chosen (once) as sub-lord. Saturn is chosen as sub-sub-lord. Now the only planets left are Rahu and Mercury.
Due to Punarphoo I have chosen the last sub-sub-sub lord which is common. That is Rahu.
Thus birth time is between 06:14:54 AM to 06:15:04 AM.

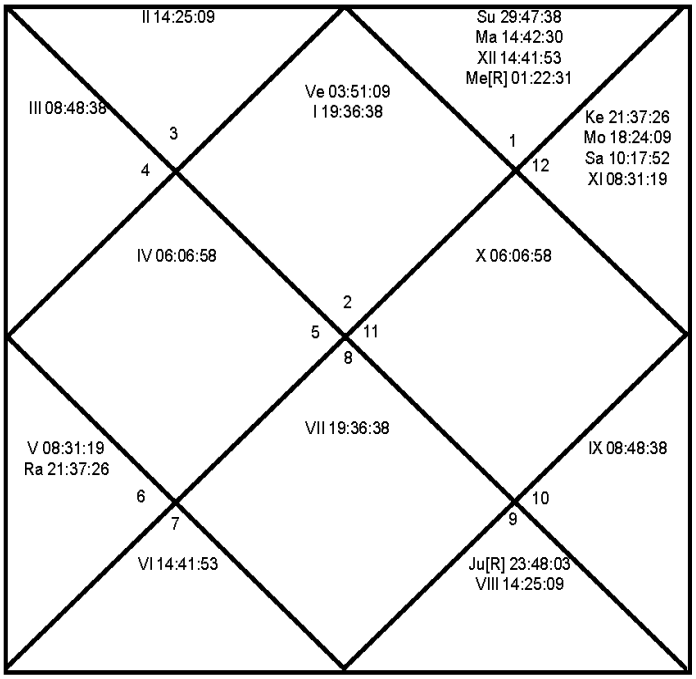

Thus Astrological Birth time is between 06:14:54 AM to 06:15:04 AM. For ease of calculation I am round it off to 6:15 AM.

Rule: If the 7th CSL is the significator of 2-7-11 then marriage happens during the joint period of significators of 2-7-11.
7th CSL is Venus. Venus is occupant of 1 and owner of 1-6. Venus is in the star of Mars, occupant of 12 and owner of 7-12. Venus is in sub of its own.
Thus 7th CSL is connected with 7th house of marriage, hence marriage is promised in this chart.

Period lords on 22 Jan 2020 are VE-VE-JU-KE.
Dasha and Bhukti lord Venus is occupant of 1 and owner of 1-6. Venus is in the star of Mars, occupant of 12 and owner of 7-12. Venus is in sub of its own.
Dasha and Bhukti Venus is showing 7th house of marriage. Thus OK for marriage.

Antara Ju+(8, 8-11), is in the star of Ve(1, 1-6), and in the sub of Sa(11, 9-10).
Antara lord Jupiter is occupant of 8 and owner of 8-11. Jupiter is in the star of Venus, occupant of 1 and owners of 1-6 and in sub of Saturn occupant of 11 and owner of 9-10.
Antara lord Jupiter is showing 11 house of marriage, thus OK.

Sookshma lord Ke+(11, [6]) agent of Mo(11, 3) and Sa(11, 9-10) , in the star of Me(12, 2-5), and in the sub of Su(12, 4).
Sookshma lord Ketu is occupant of 11. No planet is in the stars of Ketu and Ketu is the sub lord of 6th cusp. Ketu is conjoined with Moon occupant of 11 and owner of 3. Ketu also conjoined with Saturn occupant of 11 and owner of 9-10. Ketu is in the star of Mercury occupant of 12 and owner of 2-5. Ketu is in sub of Sun occupant of 12 and owner of 4.
Thus sookshma lord Ketu is the significator of 2-11, thus OK.

7th CSL and all period lords on 22 Jan 2020 indicate either 2 house of addition of family members or 7 house of marriage or 11 house of permanent relationship.

2> Bike purchase on 7/10/2016
Rule: If the 4th CSL is the significator of 4 (vehicle), 11 (gain, fulfillment of desire) and 12 (expenses), then one will be able to purchase vehicle during joint period of significators of 4-11-12.
4th CSL Rahu is occupant of 5. No planet is in the stars of Rahu and Rahu is the cuspal sub -lord of 4th house. Rahu represents Mercury, occupant of 12 and owner of 2-5. Rahu is in the star of Moon, occupant of 11 and owner of 3. Rahu is in the sub of Venus, occupant of 1 and owner of 1-6.
Thus Rahu is signifying 4-11-12, all houses required for purchase of vehicle.

Cancer disease

A person has approached me for study of his horoscope. For verification of correctness of his chart he was asked to furnish an important incident in his life. Thereupon he says that his mother died of cancer disease on 23rd June 2010. His birth particulars are as under:

DOB: 8-7-1970 Time: 4-20 pm Place: Vijayawada

His chart was erected duly rectifying the birth time as 4-18-4 pm. He was borne in Venus star (Purva phalguni) with an ascendant of Scorpio.

We will examine the disease of the mother of the native in his chart duly rotating the chart to 4th house Aquarius because 4th house represents the mother of the native. Venus is the badhaka lord and Jupiter, Sun are the maraka lords for Aquarius sign.

In K.P. if the lagna sublord signifies 6th house or vice versa, the native will suffer with disease. If the cuspal sub lord is connected to 8th house, the disease will be fatal and incurable. If the cuspal sub lord is connected to badhaka and maraka the native will face life threat.

In the rotated chart, the lagna sublord is Mercury. Mercury is a lord of 8th conjunct with Sun (Maraka) and posited in the star of Jupiter (maraka). Mercury having positional status, is also 9th CSL (badhaka), 7 (maraka) and aspected by lagna lord Saturn. Thus lagna cusp sub lord Mercury indicates life threat due to signification of 8th house, badhaka and maraka .

In the rotated chart the 6th cuspal sub lord is Venus. Venus (badhaka) together with its star lord Kethu is posited in 6th house in its own sub.

12th CSL is also Venus conjunct with 6th lord Moon. Kethu represents Sun. Sun and Mercury in 8th house are aspected by lagna lord Saturn. Thus Venus signifies 1, 8, 6,12 + badhaka denotes health problems of serious nature with life threat.

The 8th cuspal sublord is Rahu posited in 12th house in Aquarius sign. Rahu represents Saturn, lagna lord. Saturn is aspecting Mercury (8), sun (7). Rahu is aspected by Jupiter (maraka), Venus (badhaka) and 6th lord Moon. So Rahu signifies 1, 6, 9, 2, 12 indicating chronic and incurable disease.

The above position reveals that the cuspal sublords of 6,8,12, lagna CSL indicates chronic and incurable disease with life threat to the native's mother during their joint period.

Moon and Saturn are posited in the star of badhaka lord venus; Sun, Mars and Mercury are posited in the star of maraka lord Jupiter. Hence Moon, Saturn and Venus are significators of badhakasthana and Sun, Mars, Mercury are significators of marakasthana.

The native is running the joint period of Mars-Mon-Ven-Sun who are the significators of maraka and badhaka on the date of his mother's death.

Dasa lord Mars is in 5 lord of 3,10 posited in the star of Jupiter in 8 lord of 2,11 and in the sub of Moon in 6 lord of 6. Jupiter is aspected by Saturn lagna lord. As Mars signifies 1,2,6,8 the native's mother faces serious chronic ailments during the period of Mars.

Bhukthi lord Moon is in 6, lord of 6 in the star and sub of Venus in 6 lord of 4,9. Moon is conjoined with Kethu in the sign Leo. Kethu represents Sun which is aspected by lagna lord Saturn. Sun is conjunct with 8th lord Mercury. Moon signifies 1,6,8,9 indicating chronic and incurable health problems.

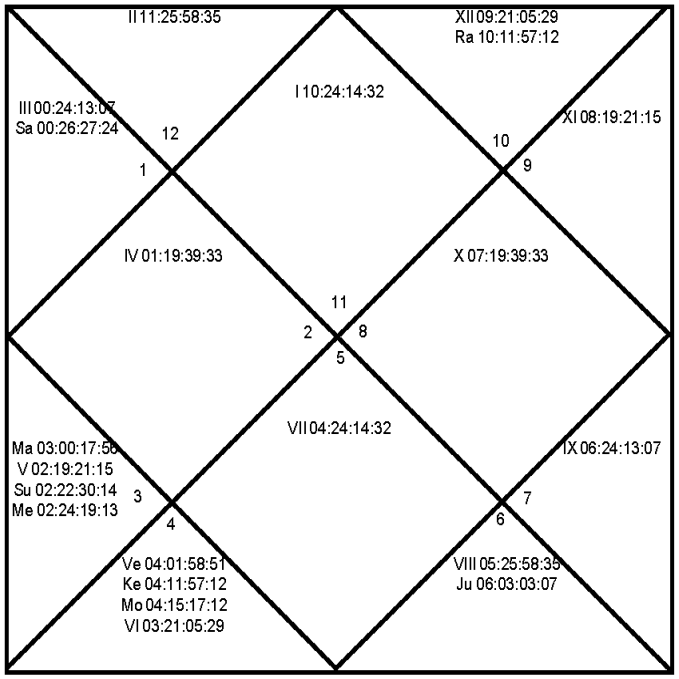

Anthara lord Venus is in 6, lord of 4,9 conjoined and posited in the star of Kethu in its own sub. Kethu is connected to lagna lord through Sun by the aspect of Saturn. Sun is conjunct with 8th lord Mercury. Venus also signifies 1,4,6,8,9 indicating chronic and incurable disease.

Sookshma lord Sun is conjoined with 8th lord Mercury, is posited in the star of Jupiter in 8 lord of 2,11 and in the sub of Saturn in 3 lord of 1,12. Sun is aspected by Saturn lagna lord. Sun signifies 1,2,7,8,12.

Since the cancer disease is described as growth of cells we have to correlate growth idea with the planetary parlance. Jupiter is a planet who signifies expansion or growth of cells. In this chart such Jupiter is a maraka lord posited in 8th house, Libra badhakasthana and 7th house of natural zodiac. Jupiter aspected by natural malefic planets Saturn and Mars, is responsible for malignant growth in generative tissue causing life threat to the native's mother during the dasa period of Mars posited in the star of Jupiter.

Further Rahu, Saturn, Sun and Mercury are aspected by Jupiter (maraka and badhaka) in 8th house. Moon, Venus and Kethu are posited in 6th house. Thereby all the planets are connected either to 6 or 8 house causing deep seated disease cancer.

As all the DBA lords are connected to 1,6,8,12 + badhaka and maraka the native's mother passed away on 23-6-2010 due to cancer disease, as revealed by the native.

TRANSIT: Dasa lord Mars is transiting in the star of Venus (purva phalguni). Bhukthi lord Moon is transiting in the star of Jupiter (visakha). Anthara lord venus is transiting in the star of Saturn (pushyami). Sookshma lord Sun is transiting in the star of Rahu (Aridra). Malefic Saturn is transiting in the star of maraka lord Sun (Uttara phalguni), Rahu is transiting in the star of badhaka lord venus (purvashada) and Kethu is transiting in the star of Rahu (Aridra) which represents lagna lord.

May I get the job of judge or not?

One of my clients asked me "sir, I joined in law course of 3 yrs and my goal is to get the judge job. Is it possible to achieve my goal?" I asked him to give a number from 1 to 249, immediately he said 111 (out of 249). I erected the chart and its details are given below.

DOJ:-24.10.2021(Sunday), TOJ:- 12.28.00 pm, POJ:- Kurnool (A.P.)
Let us check the Moon (9-11) is in the star of own and in the sub of Saturn (5-5,6). The Moon signifies 5-6-9-11. So, the querent's desire was genuine.

KP Rule
If the cuspal sub lord of 10th (profession) or 6th (service job) be the significator (in the star of occupant or owner) of 2-6-10, service or earning is promised during the joint period of significators of 2, 6 & 10 (Ref: Prashna Jyotish by Shri Kanak Bosmia ji, Page No.236).

Let us examine the 10th CSL Rahu (9). Rahu is conjoined with the Moon (9-11). Rahu is aspected by the Jupiter (5-4, 7) and Mars (1-3, 8). Rahu is in the star of Sun (1-12) and sub of Venus (3-2, 9). No planet is in the stars of Venus and Venus is the CSL of 1-9. So, the 10th CSL Rahu indicates 1-2-3-4-5-7-8-9-11-12. Here Rahu signifies 2-11 houses, along with 1-3-5-9 houses. So earning is promised.

Let us observe the 6th CSL Rahu, we have already discussed above.

Let us observe the 11th CSL Ketu (3) in the star of Saturn (5-5,6) and in the sub of Venus (3-2,9). No planet is in the stars of Venus and Venus is the CSL of 1-9.. Ketu is conjoined with the Venus (3-2,9) and posited in Scorpio sign representing Mars (1-3,8). No planet is in the stars of Ketu and Ketu is the CSL of 3-7-11. Here, the 11th CSL Ketu indicates 1-2-3-5-6-7-8-9-11. So, Ketu promises the job. But Ketu also signifies negative houses of profession also.

Note: But the prestigious position of judge must indicate 10th house and connection with the Jupiter and Saturn. Here, no indication of getting the higher position of judge.

Let us verify the 6-fold significators of 2-6-10-11

House	A	B	C	D	E	F
2nd house	-	-	-	Rah, Ket		Ven
6th house	-	-	-	Moo, Jup	Ket	Sat
10th house	-	-	-	Mer, Mar	Ven	Mer

Rahu is conjoined with the Moon, so Rahu is taken as a Ruling Planet.
Ketu is conjoined with the Moon, so Ketu is taken as a Ruling Planet.

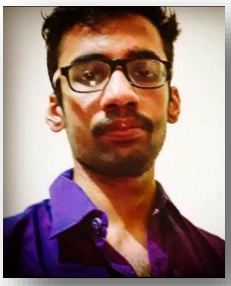

So, the common planets between 6-fold significators of 2-6-10-11 and Ruling Planets are Rahu, Ketu, Venus, Moon and Saturn.

At the time of judgment Moon Dasa is running from 13.05.2016 to 13.05.2026. Dasa lord Moon signifies 5-6-9-11.
So, the Dasa lord Moon signifies negative houses of 5-9. Next, Mars Dasa will be running from 13.05.2026 to 13.05.2033. But Mars is not coming in the Ruling Planets.

My Astrological Prediction: The CSLs are not reflecting the signification of higher position-10 and Dasa lord Moon does not co-operate with the event. Next Dasa lord Mars is not coming in the common planets. So, his desire cannot be fulfilled. .

My sincere pranaams to my KP Guru Shri. VSN. Murthy ji.

Horary No : 13
Date : 6th November 2021
Time : 14:22 pm
Place : Kolkata

Rule:
If the 9th cuspal sub lord signifies 2, 9, 10, 11 through it star and sub lord and is connected to Jupiter or Mercury, then he becomes a good astrologer.

Calculation:
9th cuspal sub lord Saturn is in house 10, lord of 10 and 11. Saturn is in the star of Moon, in house 7, lord of 4. Saturn is in sub of Rahu in house 1, representing Mars, signifying 1, 6, 8. As Saturn signifies 10 and 11 the native is promised to become a astrologer.

Current dasha bhukti antara
Saturn dasha: As have already discussed above Saturn signifies 10 and 11.
Next bhukti will be Moon bhukti (starting from 3rd July 2023): Moon signifies 4, 7 houses. Moon is in star of Saturn that signifies 10, 11 houses. Moon is in the sub of Sun, signifying 5, 7. Moon signifies 10,11.

When will I get a tenant?

One day one of my mauritian friends asked me on WhatsApp about tenant. She said that the last tenant that had been staying since last 2 years had decided to vacant his house. Now he is in search of a new tenant. So he would like to know when he will get a new tenant.
For this query I decided to take horary chart and Aaked a number from 1 to 249 which is mentioned all these details in below.

Query: When will I get a new tenant?
Date of Judgement: 27/10/2021
Time of Judgement: 22:35:10 PM
Place of Judgement: Hyderabad (LAT 17 N 44' 10", LON 78 E 44'53")
Horary No: 25 (out of 249)

Hint
In cases of tenant if the cuspal sub lord of the 6th (tenant) signifies through the star lord 11 (fulfilment of desire) or 4 (own building or home) or 6 (tenant) or 2 (money or income), then native will get a new tenant.

Geniuses of the query:
Before proceeding to analyse any horary chart one must check whether the Moon supports the query or not? Let us check Moon first. Moon is placed in 3rd house and lord of 4th house, in the star of Jupiter in 10 and lord of 8, 9 and 12. Moon is signifying the 4th house, so the query is genuine.

Let's check it out for tenant
6th Cusp (Virgo 27°40'): The sub lord of 6th cusp is Jupiter. Jupiter occupies in 10 and lord of 8, 9, 12, in the star of Mars (karaka of own property or building) in 6 and lord of 7, and sub of Saturn in 9 and lord of 11 and 10. Hence 6th CSL Jupiter signifies 6, 11 for promise of new tenant.

Ruling planets
The chart was judged on 27 Oct 2021, Wednesday at 22:35:10 hrs in Hyderabad (Telangana).
Ascendant Star lord Jupiter
Ascendant Sign lord Mercury
Ascendant Sub lord Saturn
Moon Star Lord Jupiter
Jupiter Sign Lord Mercury
Moon Sub Lord Venus
Here Venus is conjunct with Ketu and aspecting the Rahu. So Rahu and Ketu are also added to the Ruling Planets.

D-B-A-S Analysis:
Dasha and Antra lord Jupiter is in the star of Mars and sub of Saturn, signifying 6 and 11 houses, as shown above. Jupiter is in RPs. So it is positive for getting a new tenant.

Bhukti lord Venus is in the star of Mercury and sub of Jupiter. Venus occupies in 7th lord 1. Star lord Mercury occupies in 5 and lord 2, 3, 6. Sub lord Jupiter is in 10 and lord of 8, 9, 12. Venus is also in RPs. So Bhukti lord Venus is also favourable for getting a new tenant.

Sookshma lord Ketu is in RPs. Ketu occupies in Scorpio sign, conjunct with Venus, in the star of Saturn and sub of own. Ketu occupies with Venus in 7. Ketu represents Mars in 6. Ketu's star lord Saturn occupies in 9 and lord of 11, 10. So Ketu is advantageous to getting a tenant.

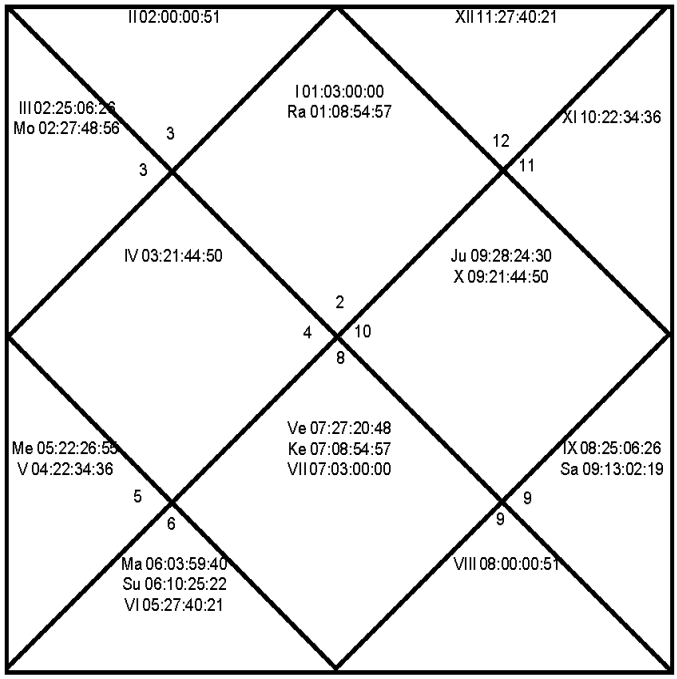

So there is high chance of getting a new tenant in the DBAS of Jupiter-Venus-Jupiter-Ketu, running from 27-10-2021 to 4 -11-2021.

Now we will have to check Moon's transit. Whenever Moon will transit through Sookshma dasha lord or star lord Ketu (because Ketu signifies 6, 11 which means native will get fulfilment of desire and success). Currently Moon had been transiting on Jupiter. Moon will transit through Ketu's star on 30 -10-2021 to mid noon 31-10-2021.

Conclusion: I tell her about high chance to get a new tenant from 30-10-2021 to mid 31-10-2021, and tenant would be a male (because(6th CSL Jupiter is in Mars star.)

Actual Outcomes: In fact, on 30 -10-2021 she messaged me on WhatsApp at 8:46 PM that she just got a new tenant that day and of course a male.

One of my customers asked me about his uncle's recovery from sickness. Recently he had a surgery by some health issues and was hospitalized. Immediately I asked him the horary number from 1 to 249. He gave me the number 155 (out of 249). *I erected the chart (the person was his second sister (5th) husband's father (5th to 7th is 11-husband and 11th to 9th is 7th -husband's father, so we rotated lagna to 7th house)* and the details are given below: -

DOJ:-12.11.2021(Friday), TOJ:-07.29.43 am, POJ:- Kurnool.

KP Rule
If the sub lord of the 6th or 8th or 12th or 11th cusp be the significator (in the star of the occupant or owner) of 1 or 5 or 11, disease is cured or the native is saved from any danger during the joint period of the significators of 1, 5 and 11.

6-sickness, 8-danger to life, 12-hospitalization. 1-5-11 these three houses indicate recovery from the disease. (Ref. Prashna Jyotish by Shri. Chadrakant R. Bhatt, translated by Shri. Kanak Bosmia ji, page no.83)

If the sub lord of the Ascendant cusp be the significator of 1-5-11, the native may recover after accident or escape from the accident during the joint period of significators of 1-5-11. (in char lagna consider 9th instead of 11). During the joint period of the significator of 2-4-11 discharge from the hospital. (Ref: Easy way to learn KP-Horary Astrology by Shri. Kanak Kumar Bosmia ji., page no 52)

Let us check the Moon for genuineness of the query. Moon (9-3) is in the star of Rahu (12). Rahu is aspected by Jupiter (9-8, 11) and posited in Taurus sign representing Venus (8-1,6). Having no planet in its stars, Venus is the CSO of 4-6-11. Moon is in the sub of Jupiter (9-8, 11). So, the Moon signifies 1-3-4-6-8-9-11-12. The querent's genuineness is reflected by the Moon.

Let us examine the Ascendant cusp sub lord Rahu (12). Rahu is aspected by Jupiter (9-8, 11) and posited in Taurus sign representing Venus (8-1, 6). Rahu is in the star of Sun (6-4) and in the sub of Venus (8-1, 6). No planet is in the stars of Venus which is the CS of 4-6-11. So, the Ascendant cusp sub lord signifies 1-4-6-8-11-12. Here, the Ascendant cusp sub lord shows cure by signification of good houses of 1-11, along with bad houses of 6 (sick)- 8 (surgery)-12 (hospitalization).

Let us check the Ruling Planets:-
Lagna sub lord: Venus
Lagna star lord: Moon
Lagna sign lord: Venus
Moon sub lord: Jupiter
Moon star lord: Rahu
Moon sign lord: Saturn
Day lord: Venus
So, the final Ruling Planets are Rahu, Moon, Venus, Jupiter and Saturn.

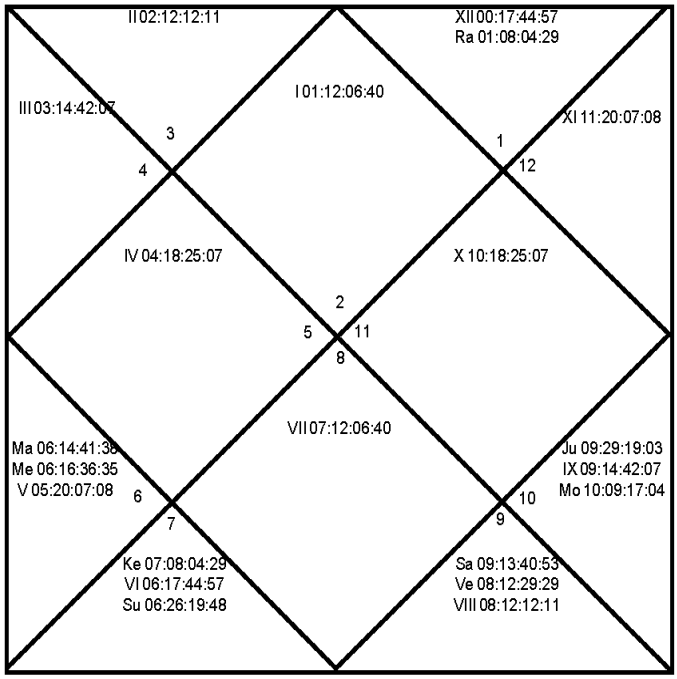

At the time of Judgement Rahu Dasa is running from 02.05.2018 to 02.05.2036. Dasa Lord Rahu signifies 1-4-6-8-11-12, as already we have discussed above, and it suggests cure by 1-

11 signification, also appears in RP's.

Next, Rahu Dasa/ Jupiter Bhukti is running from 12.01.2021 to 08.06.2023. Bhukti lord Jupiter (9-8,11) is in the star of Mars (5-7,12) and in the sub of Saturn (9-9,10). So, Bhukti lord Jupiter signifies 5-7-8-9-10-11-12. Bhukti lord Jupiter suggests cure by 5-11 signification and appears in RP's.

Next, Rahu Dasa/Jupiter Bhukti/ Mercury Antara is running from 25.09.2021 to 27.01.2022. Mercury (6-2,5) is in the star of Rahu (12), posited in Taurus sign representing Venus (8-1,6), which is the CSL of 4-6-11 having no planet in its stars. Mercury is in the sub of Venus (8-1,6). Mercury signifies 1-2-4-5-6-8-12. Mercury signifies Maraka house of 2 and bad houses of 6-8-12, so recovery is not favourable for cure and Mercury does not appear in RP's.

Astrological Prediction: Rrecovery is not possible to the native's uncle and death is possible.
My prediction comes true. The querent's uncle died on 14.11.2021 at hospital.

Question 1: Court hearing on bail for Aryan Khan is scheduled at 2.45 pm dated 20-10-2021. Will he get bail today?
Horary number: 148 (out of 249)
Date of Judgment: 20-10-2021, Wednesday; **Time of judgment:** 13:26:13 PM
Place of judgment: Jodhpur, Ahmedabad; **Lon/Lat:** 23° N 1', 72° E 31',
Ayanamsha 24^0.04'.16"; **Dasa days:** 365.25

Hints
One can get bail if 12th (any kind of confinement) CSL signifies 2 (freedom), 4 (change of environment, home), 11 (fulfillment of desire) during the joint period of significators of 2-4-11.

Cuspal sub lord:
Cusp 12th (Libra 06^0.14'.04"): The sub lord of the 12th cusp is Moon. Moon is in the star of Mercury and sub of Saturn. Moon is occupant of 5, owner of 9. Star lord Mercury is occupant of 11, owner of 8-11. Sub lord Saturn is occupant of 3, owner of 3-4. So 12th CSL Moon signifies 5-9-11-8-3-4. Indication of 4 and 11 shows chance of getting bail. But we asked for today. So we will check Dasa.

Ruling Planets

	Day lord	**Sign lord**	**Star lord**	**Sub Lord**
Day. Wednesday	Mercury	--	--	
Asc. Scorpion 01° 20' 00"	--	Mars	Jupiter	Rahu
Moon. Pisces 29° 47' 09"	--	Jupiter	Mercury	Saturn

Thus ruling planets are Mercury, Mars, Jupiter, Rahu and Saturn. Rahu is aspected by Jupiter.

Joint Period
At the time of judgment, running dasa is of Mercury up to 28-01-2022. Running joint period is Mercury-Saturn-Jupiter-Saturn up to 14-12-2021.

Dasa lord Mercury is in the star of Moon and sub of Saturn. Mercury is occupant of 11, owner of 8-11. Star lord Moon is occupant of 5, owner of 9. Sub lord Saturn is occupant of 3, owner of 3-4. Thus dasa lord Mercury signifies 11, 8, 5, 9, 3, 4. Dasa lord indicates 4-11, hence, indicates getting bail. Mercury is in RPs.

Bhukti lord Saturn is occupant of 3, owner of 3-4. Saturn's star lord Moon is occupant of 5, owner of 9. Sub lord Rahu is occupant of 7. Rahu is aspected by Jupiter, occupant of 3, owner of 2-5. Bhukti lord signifies 3, 4, 5, 9, 7, 2, 5. Bhukti lord indicates 4, but also negative 3. So no chance of getting bail. Saturn is in RPs.

Antara lord Jupiter is occupant of 3, owner of 2-5. Jupiter's star lord Mars is occupant of 11, owner of 6-1. Sub lord Saturn is occupant of 3, owner of 3-4. Antara lord indicates 4-11. So chance of bail is there. Jupiter is in RPs.
But question is for today itself, so we will go to Sookshma dasa.

Sookshma lord Saturn is occupant of 3, owner of 3-4. Star lord Moon is occupant of 5, owner

of 9. Sub lord Rahu is occupant of 7. Rahu is aspected by Jupiter, occupant of 3, owner of 2-5. Sookshma lord signifies 3, 4, 5, 9, 7, 2, 5. Saturn is once in RPs, but sookshma lord does not support for bail.

My opinion: Following the theory of KP astrology, I think Aryan Khan will not get bail on 20-10-21 at 2.45 pm.

Actual outcome: No bail for Aryan Khan on 20-10-21.

Thanks to the founders of KP system of Astrology. Special thanks to Shri Kanak Bosmia sir for being guiding light in this field.

Hints
If the cuspal sub lord of the 5th (9th from 9th) be the significator of 9-12 and connected with 4- 9-11 education in abroad is promised during the joint period of the significators of 3-9-12.

Cuspal Sub Lord
5th Cusp (Gemini 08^0.22'.27"): The sub lord of the 5th cusp is Rahu. Rahu is in the star of Sun and sub of Venus. Rahu is occupant of 12. Rahu is in Capricorn, hence represents Saturn. Saturn is occupant of 11, owner of 1-12. Star lord Sun is occupant of 9, owner of 7. Sub lord Venus is occupant of 9, owner of 4-9. Hence 5th cusp sub lord Rahu signifies 12-11-1-9-7-4. Hence your desire to go abroad for study will be fulfilled.

Getting PR/any document that gives you legal approval, all considered by this rule i.e. getting driving license, getting passport etc.
If 10th (matter depending on others) cusp sub lord signifies 5th (one's self interest (things done in)), 9 (legal action/success in venture/making something legal/passport), 11 (one's reputation as a winner (success to get passport/ PR/ Green card in this case)) in the DBA of significators of 5-9-11, then success is assured.

Cuspal Sub lord
10th Cusp (Scorpio 13^0.46'.14"): The sub lord of the 5th cusp is Rahu. Rahu is in the star of Sun and sub of Venus. Rahu is occupant of 12. Rahu is in Capricorn, hence represents Saturn. Saturn is occupant of 11, owner of 1-12. Star lord Sun is occupant of 9, owner of 7. Sub lord Venus is occupant of 9, owner of 4-9. Hence 10th cusp sub lord Rahu signifies 12-11-1-9-7-4. Hence getting visa is sure.

Joint Period

Shall I purchase land?

One of my clients asked me "Sir, I want to buy a land, which time is good for me to purchase". She gave me the number of 225 (out of 249). Immediately I erected the chart, the details are given below.
DOJ:- 02.09.2021, TOJ:-07.36.00pm, POJ:-Kurnool.

KP Rule: If the cuspal sub lord of 4th (land/house/building) be the significator (in the star of occupant or owner) of 11 (gain, fulfilment of desire, 12 (investment), one will have his own land or building (immovable property) during the joint period of significators of 4, 11 & 12 houses. (Ref: Prashna Jyotish by Shri Chandrakant R. Bhatt, translated by Kanak Bosmia ji.. page no.224).

Let us check the Moon (4-6) in the star of Jupiter (12-11) and sub of Saturn (11-1,12). So, the Moon reflects the genuineness of the querent by signification of 4-11-12.

Let us observe the 4th CSL Saturn (11-1, 12) in the star of Moon (4-6) and in the sub of Jupiter (12-11). Here 4th CSL Saturn indicates 1-4-6-11-12. So, the event of land buying is promised.

Next, we examine the 11th CSL Mercury (7-5) in the star and sub of Moon (4-6). Here, 11th CSL Mercury signifies 4-5-6 (loss of money to opponent-12th to 7th)-7 (seller). So, the event is promised.

Let us also check the 12th cusp for clarity as it is the investment house for querent. 12th CSL Venus (7-3, 4, 8) is in the star of Mars (7-2, 9, 10) and in the sub of Jupiter (12-11). Here, 12th CSL Venus signifies 2-3-4-7-8-9 (luck)-10-11-12. So, the event of land purchasing is promised.

Let us check the Ruling Planets as follows:
Lagna sublord: Ketu
Lagna starlord: Saturn
Lagna signlord: Jupiter
Moon sublord: Saturn
Moon starlord: Jupiter
Moon signlord: Mercury
Day lord: Jupiter
So, the final Ruling Planets are:-Jupiter/Saturn/Mercury/Ketu.

At the time of judgement Jupiter dasa is running from 15.09.2018 to 15.09.2034.
Jupiter dasa-Saturn Bhukti is running from 03.11.2020 to 17.05.2023.
Jupiter/Saturn/Venus is running from 03.09.2021 to 04.03.2022. Venus is not appeared in ruling planets. So, in Venus anthra this event will not happen.

Outcome: The client informed me to my mobile the this event of land purchasing doesn't happen as the owner of the land disagrees with the discussion of price.

My sincere pranaams to my KP Guru Shri. VSN. Murthy ji.

Background: I saw a whatsapp status that a friend of mine is planning to get married. I haven't asked my friend anything about it, rather I was curious to know when will that marriage happen.

Q: When will my friend get married?
Date: 5 Sept 2021
Time: 11:16:00 PM
Place: Kolkata
Horary No: 78

Rule: If the 7th CSL is the significator of 2-7-11, then marriage happens during the joint period of significators of 2-7-11.

7th CSL Venus is occupant of 3 and owner of 4-11. Venus is in the star of Mars, occupant of 2 and owner of 5-10. Venus is in the sub of Mercury, occupant of 3 and owner of 3-12. No planet is in the stars of Mercury and Mercury is the CSL of the 9th house. Thus Mercury signifies 2-11, OK for promise of marriage.

Ruling Planets at the time of judgment-:

	Sign	Star	Sub
Ascendant	Venus (RA)	Mars	Jupiter
Moon	Sun	Ketu	Venus

Day Lord: Sun
Ketu is agent of Mars. Rahu is agent of Venus.
No Punarphoo dosha

Ketu Dasha (16 Feb 2020 to 16 Feb 2027)
Ketu is occupant of 4. Ketu is in Scorpio sign and represents Mars occupant of 2 and owner of 5-10. Ketu is in the star of Saturn, occupant of 6 and owner of 7-8. Ketu is in the sub of Moon owner and occupant of 1. Thus Ketu signifies 2-7, OK for marriage.

Bhukti Venus ends on 13 Sept 2021 which is just 8 days from the date of judgement. And marriage cannot happen in just 8 days. So Venus bhukti is left.

Next bhukti Sun (13 Sept 2021 to 19 Jan 2022)
Bhukti lord Sun is occupant and owner of 2. Sun is in the star of Venus occupant of 3 and owner of 4-11. Sun is in the star of Rahu occupant of 10. No planet is in the stars of Rahu and Rahu is the CSL of 10th house. Rahu is in Taurus sign and represents Venus occupant of 3 and owner of 4-11. Thus Sun signifies 2-11, OK for marriage.

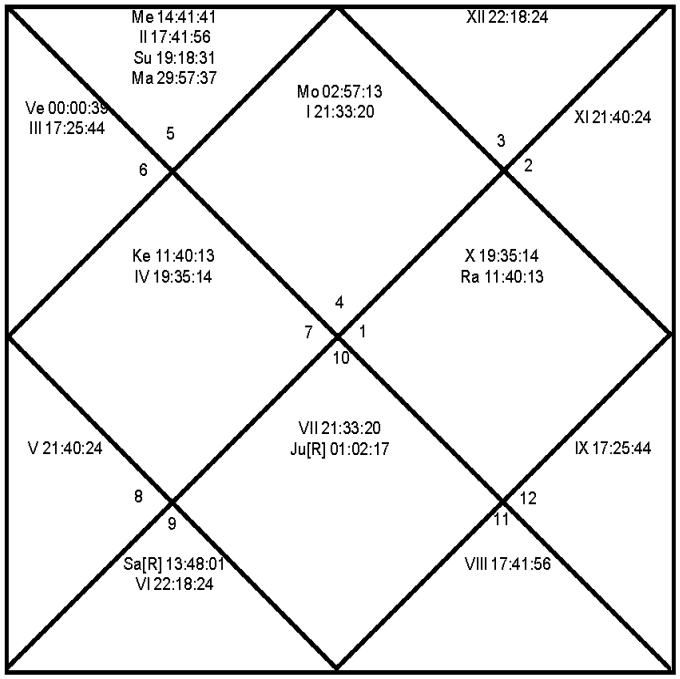

Within Sun bhukti first comes Sun antara. Sun is twice in the Ruling Planets. Sun Antara ends on 19 Sept which is just 14 days from the date of judgement. So Sun antara is not chosen.
Next comes Moon antara. Moon is not in RPs.
Next comes Mars antara which is in RPs. Next comes Rahu antara. I preferred Rahu as Rahu

Rahu Antara (7 October 2021 to 27 October 2021)
Rahu is occupant of 10. No planet is in the stars of Rahu and Rahu is the CSL of 10th house. Rahu is in Taurus sign and represents Venus occupant of 3 and owner of 4-11. Rahu is in the star of Moon occupant and owner of 1. Rahu is in sub of Mars occupant of 2 and owners of 5-10. Thus Rahu is connected with 2,11, OK for marriage.

Prediction: Within 27 October 2021 by the end of Ketu-Sun-Rahu joint dasa period marriage will take place.

Outcome: Registry marriage happened on 17/10/2021 which again I came to know from whatsapp status.

One of my clients asked me, "sir, one marriage proposal came to me, whether it will be successful or not". He gave me the number of 22(out of 249).
DOJ:- 02.10.2021(Saturday), TOJ:- 02:03:17 AM, POJ:- Kurnool.

KP Rule:
If the sub lord of the 3rd cusp be the significator of 3-7-9, the native undergoes negotiations for marriage during the joint period of the significators of 3-7-9-11 (3-9-11= success in negotiations, 3-9-12= failure in negotiations).

Let us check the Moon status for the mind of query. Moon (3-4) is in the star of Saturn (9-10,11) and in the sub of Jupiter (10-9,12). So, the Moon signifies 3-4-9-10-11-12. The moon indicates the genuineness of the query.

First of all, we check 3rd CSL Saturn (9-10,11) in the star of Moon (3-4) and in the sub of Rahu (1). Rahu is aspected by the Jupiter (10-9,12) and is in Taurus sign, acting as agent of Venus (7-2,7). Having no planet in its stars, Rahu is the CSL of 1-5-6-12. Thus 3rd CSL Saturn signifies 1-2-3-5-7-9-10-11-12. So, the event of negotiations is promised, but not fruitful due to the impact of 12th signification.

Next, let us examine the 9th CSL Saturn, we have already discussed above.
Next, we observe 11th CSL Mars (5-1,8) in the star of Moon (3-4) and in the sub of Saturn (9-10,11). 11th CSL Mars signifies 1-3-4-5-8-9-10-11. So, negotiations for the marriage proposal are promised.

Finally, we examine the primary house of marriage 7th CSL. 7th CSL Sun (5-5) is in the star of Moon (3-4) and in the sub of Jupiter (10-9,12). 7th CSL Sun indicates 3-4-5-9-10-12. So, the negotiations are promised. But, due to the negative house of 12 chances are less to the query. Marriage significators of 2-7-11 are also not appeared in the 7th CSL signification.

Let us check the Ruling Planets at the time of judgment which are as follows:
Lagna sub lord:- Jupiter
Lagna star lord:- Saturn
Lagna sign lord:- Moon
Moon sub lord:- Jupiter
Moon star lord:- Saturn
Moon sign lord :-Moon
Day lord :- Saturn
Rahu is aspected 5th by the Jupiter, so Rahu is considered as a Ruling Planet.
Common planets among the significators of 3-7-9-11 and Ruling Planets:- Ju/Sa/Mo/Ra

At the time of judgement Saturn Dasa is running from 23.04.2003 to 23.04.2023.
Next, Bhukti Jupiter is running from 11.10.2019 to 23.04.2022.
Next, Antra Rahu is running from 06.12.2021 to 23.04.2022.
Next, Sookshma Rahu is running from 06.12.2021 to 27.12.2021.

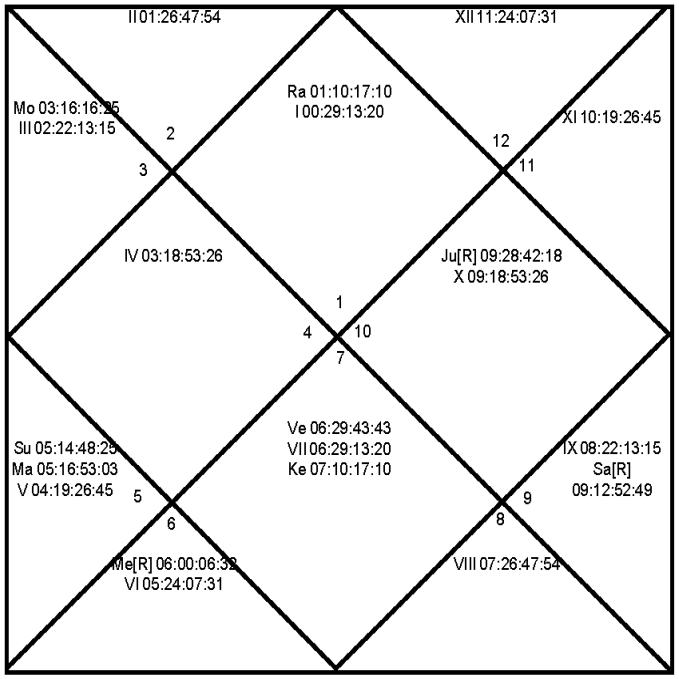

Note: Dasa lord Saturn, Bhukti lord Jupiter, Antra and Sookshma lord Rahu, all these DBAS lords have appeared in common planets.

Will Australia be winner of T20 world cup 2021?

One of the dear friends of mine just asked me about the ICC T20 World Cup 2021 match between Australia and New Zealand and chance of winning T20 World Cup by Australia. Then I asked him a number from 1 to 249. No 239 was mentioned and all the horary chart details are given below :

Query: Will Australia be winner of T20 world cup 2021?
Date of Judgment: 14/11/2021
Time of Judgment: 6:44:44 PM
Place: Hyderabad (Telangana) LAT -17 N 44'10" LON 78 E 44' 53"
Horary No: 231 out of 249

Hints: In cases of competition and contest between two rival teams in cricket match etc., if the cuspal sub lord of the 11th (success) and that of the 6th (defeat to the rival) be the significator of houses 1, 2, 3, 6, 10 or 11, the team under query can win the match during the joint dasa period of significators of 1, 2, 3, 6, 10, 11.

Genuineness of the query:
In this horary map Moon occupies 1 (team Aus) and owns 6 (12th from 7th loss of opponent and win for self). Star lord and sub lord is Saturn posited in 11th house (success, fulfillment of desire). Thus Moon indicates the question related to sports match competition.

AUSTRALIA
11th Cusp (Sagittarius 28° 05'): The sub lord of 11th Cusp is Moon. Moon is in the star and sub of Saturn . Moon occupies in 1 and lord of 6. Star and sun lord Saturn is posited in 11 and lord of 12. So Australia's 11th CSL Moon is the significator of 11, 6, 12. Hence it is favourable to the Australia.

6th Cusp (Cancer 26° 43'): The sub lord of the 6th cusp is Jupiter posited in 12 and lord of 10, in the star of Mars and sub of Saturn. Star lord Mars is posited in 8 and lord of 2. Sub lord Saturn is posited in 11. So, Ausralia's 6th CSL Jupiter is the significator of 11,10, 8,12. Hence It is advantageous to the Australia.

Let us rotate the chart with 7th cusp for **New Zealand**

11th Cusp (Gemini 28° 05'): The sub lord of 11th cusp Venus is in the star and sub of own. Venus occupies 4 and is lord of 9 and 2. So, New Zealand's 11th CSL Venus is the significator of 2,4,9. Hence it is unfavorable to the New Zealand.

6th Cusp (Capricorn 26°43'): The sub lord of 6th cusp is Moon. Moon is in the star and sub of Saturn. Moon occupies 7 and is lord of 12. Star and sub of Saturn occupies in 5 and lord of 6. So New Zealand's 6th CSL is the significator of 5, 6, 7 and 12. Hence it is disadvantageous to the New Zealand.

The above position of both team teams' results indicates that Australia team is much stronger than New Zealand. Therefore Australia should win the match against New Zealand.

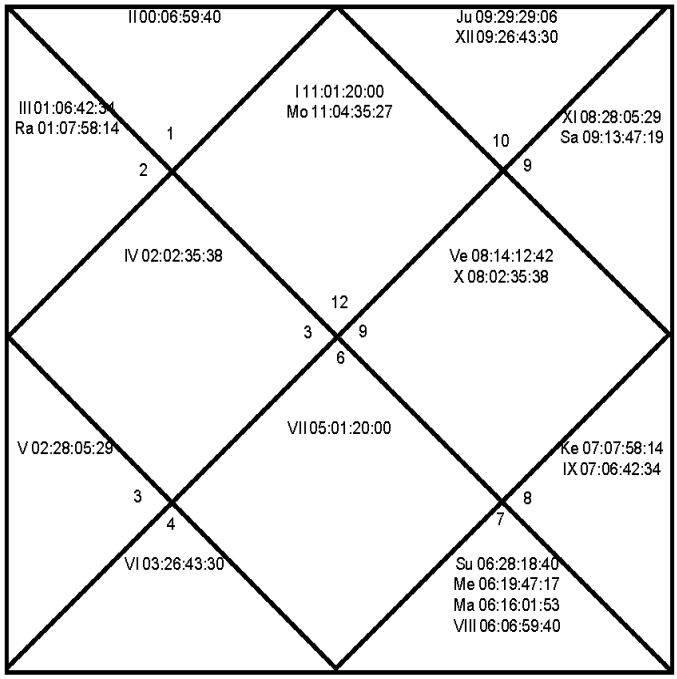

Actual Outcome: In fact, Australia won the match easily by 8 wickets.

Why India lost the match?

Myself, like every Indian I am also waiting for the most awaited cricket match between India and Pakistan in T-20 World cup tournament. Randomly I choose the number 216 (out of 249) for India, the chart erected and details given below.
DOJ: 24.10.2021(Sunday), TOJ: 07.19.55 PM, POJ: Kurnool. Horary no.216

Let us check the Moon for the genuineness of mine. Moon (4-6) is in the star of own (4-6) and in the sub of Venus (10-4, 9). So, the Moon signifies 4-6 (victory over the enemy)-9-10 (one's position, status by winning in the match's name and fame) and so my excitement was genuine.

Here one epic rule for the competition of sports: For any competitive sport of which two parties are involved, we consider the cuspal sub lords of 1-6-11 houses for the favoured party and their opposite houses of 7-12-5 are for its opponent party. Cuspal sub lords of 1-6-11 must be significators of houses of 1-2-3-6-10-11 (upachaya or improving houses so far as competition is concerned) to predict the win for team in question. Similarly the sub lords of 7 -12-5 must be strong significators of houses 4-5-7-8-9-12 for the win of opponent. [Ref: KP Reader III: Transit, p 222, new edition 249)

Let us check the 6th CSL Sun (8-7) in the star and sub of Rahu (3). Rahu is conjoined with the Moon (4-6) and aspected by the Jupiter (12-2, 11). Rahu is in Taurus sign representing Venus (10-4, 9). Rahu is also aspected by the Mars (8-3, 10). So, the 6th CSL Sun indicates for India positive houses of 2-3 (2 times)-6-10-11, total 6 houses and Pakistan winning houses of 4 (2 times)-7-8 (2 times)-9-12, total 7 houses.

Let us check the 11th CSL Venus (10-4, 9) in the star of the Mercury (8-5, 8) and in the sub of Rahu (3). Rahu is aspected by the Jupiter (12-2, 11). Rahu is conjoined with the Moon (4-6). Rahu is in Taurus sign representing Venus (10-4, 9). Rahu is also aspected by Mars (8-3, 10). No planet is in the stars of Venus and Venus is the CSL of 11th house. So, the winning houses of India, 2-3-6-10 (3 times)-11 (2times), total 8 houses and Pakistan winning houses 4 (3times)-5-8 (3times)-9 (2times)-12, total 10 houses.

Let us examine the Ascendant cusp sub lord Mercury (8-5,8) in the star of Moon (4-6) and sub of own. Mercury is aspected by the Jupiter (12-2, 11). So, the winning houses for India 2 -6-11, total 3 houses and Pakistan winning houses 4-5-8 (2times)-12, total 5 houses.

Total positive houses of India are **17** (6+8+3) and Pakistan **22** (7+10+5). So, by the comparative houses counting the Pakistan wins the match.

Note: Jupiter is the significator of 12 (loss of self) for India in significator table A, C and D. Jupiter is the significator of 6 (victory over enemy) for Pakistan in significator table A, C and D.

Shri. Kanak Kumar Bosmia ji is Editor of K.P. E-Zine (World's First E-Magazine on Krishnamurthy system) framed a rule regarding this type of competitions. It is as follows:- Shri. Kanakji's Rule:- If the 10th (one's position, status by winning in the match name and fame) cusp sublord signifies 10 (one's reputation)- 3 (one's ability and dareness to participate), 11 (one's reputation as a winner) in the D/B/A of the significators of 3-10-11, then success is assured.

Let us check the 10th CSL Mercury (8-5, 8) in the star of Moon (4-6) and in the sub of own Mercury (8-5, 8). Mercury is aspected by the Jupiter (12-2, 11). So, India winning houses are 2-3-6-11 (total 4 houses) and opponent Pakistan winning houses of 4-5-8 (3times)-12 (total 6 houses).

Let us check the 3rd CSL Jupiter (12-2,11) in the star of Mars (8-3,10) and in the sub of Saturn (12-1,12). Jupiter aspects Rahu (3), Moon (4-6) and Mercury (8-5,8). So, India winning houses, 1-2-3 (2 times)-6-10-11 (total 7 houses) and Pakistan winning houses, 4-5-8 (3 times)-12(3 times)- (overall 8 houses).

Let us check the 11th CSL Venus (10-4,9) is in the star of the Mercury (8-5,8) and in the sub of Rahu (3). Rahu is aspected 5th by the Jupiter (12-2,11). Rahu is conjoined with the Moon (4-6). Rahu is in Taurus representing Venus (10-4,9). Rahu is also aspected by Mars (8-3,10). No planet is in the stars of Venus and Venus is the CSL of 11th house. So, the India winning houses, 2-3 (2 times)-6-10(2 times)-10-11 (2 times) overall 9 houses are indicated. Next, Pakistan winning houses, 4 (3 times)-5-8 (3 times)-9 (2 times)-12 are overall 10 houses.

Total positive houses of 3-10-11 India are **20** (4+7+9) and Pakistan **24** (6+8+10). So, the comparative houses counting indicates the Pakistan wins the match.

Astrological prediction: My prediction comes true; Pakistan won the match against India in T20 world cup tournament. Astonished thing is that Pakistan never defeated India in world cup series.

My sincere Pranaams to my KP Guuru Sri. VSN Murthy ji and beloved Sri. Kanak Bosmia ji.

This book is an effort to refine the choice of career using principles of Astrology. 'Pointers to Profession: An Astrological Exposition' deals with the combinations, constellations and houses for the judgment of professional aspects and prospects of the native. This work includes dictums and sutras of yore, supplemented by observations from our experience and supported by more than hundred case studies.

Different houses, signs and planets as also the role of Jaimini Atmakaraka have been extensively dealt with reference to specific vocations. Yogas such as Sakata, Kemadruma and others have been critically examined and their powers to create setbacks and impediments in one's vocational life have been lucidly explained.

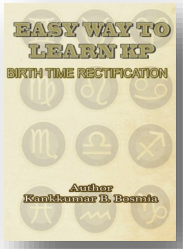

Based on combinations given in classical works and suitably adapted to present time options, the authors deal in some detail with the clues needed to identify specific professional lines such as of doctors, lawyers, engineers, teachers, bureaucrats, as also businessmen, sports persons, film stars, politicians and other vocations.

It is a general belief that the tenth house deals with profession. The tenth house, its lord and the navamsa of the lord of the tenth house are most important in finding out a suitable occu-

pation. Anyway, in addition to the tenth house, the lords of the second and eleventh house should also be taken into account. These two houses indicate the means of livelihood. Thus, indirectly second and eleventh houses too play a vital role in the judgement of the native's occupation. The effect of these two houses has been demonstrated in the discussions for various professions in "Astro Equations For Specific Professions", which will help to pin-point the most probable and suitable job for the native.Equally important are the roles of sixth and eighth houses in predicting career progression of individuals. The sixth and eighth houses are most misunderstood houses with regard to profession, though both have a lot of influence on the native's career progression. The sixth house governs the professional fortune that is promotion, demotion, termination and the like. The eighth house is tenth from the eleventh house and eleventh from the tenth house. Eleventh house rules over accomplishment of ambitions.
